Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant of his devices.**"
II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Isaiah 54:17 KJV: No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord .

Psalms 149:6-9 KJV: Let the high praises of God be in their mouth, and a twoedged sword in their hand; [7] To execute vengeance upon the heathen, and punishments upon the people; [8] To bind their kings with chains, and their nobles with fetters of iron; [9] To execute upon them the judgment written: this honour have all his saints. Praise ye the Lord .

2 Chronicles 20:22 KJV: And when they began to sing and to praise, the Lord set ambushments against the children of Ammon, Moab, and mount Seir, which were come against Judah; and they were smitten.

2 Chronicles 20:17 KJV: Ye shall not need to fight in this battle : set yourselves, stand ye still , and see the salvation of the Lord with you, O Judah and Jerusalem: fear not, nor be dismayed; to morrow go out against them: for the Lord will be with you.

Isaiah 41:10: Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness.

Job 31:3: Is not destruction to the wicked? and a strange punishment to the workers of iniquity?

Job 34:22: There is no darkness, nor shadow of death, where the workers of iniquity may hide themselves.

Do the FOUR recent 'Al-Qaeda' prison breaks in the Middle East have anything at all to do with the closings of US Embassies across the Middle East and US Nuclear terror drills now happening in America? PURGE Video

A Fictional Narrative--The Department of Homeland Security has been infiltrated, at top levels, by foreign globalists who are preparing to implode the global economy to consolidate the world's assets for themselves. They know that US military veterans, Christians, gun owners, and pro constitutionalists will not allow America to fall without a fight, so a purge of these citizens has been ordered and is underway. The DHS has begun to conduct psychological evaluations throughout the agency to determine who

will be loyal to the purge agenda and to discharge those who will not.

Legislator to tea party: Get your guns ready for economic collapse

August 01, 2013 -- **Washington state legislator Rep. Matt Shea (R) says preparation is crucial to get ready for what he calls "the inevitable collapse" of the US economy.**

The Self-Reliance Rally event at an Idaho State Park had several speakers **encouraging attendees to prepare by gathering arms and ammunition and considering forming militias.**

"When it happens, we need to look at this as a opportunity, not a crisis," Shea said. "Who's job is liberty? That's our job."

Shea told the crowd to stock up on ammunition, stay in shape, practice shooting, learn self defense and special tactics.

He related a story from when he was in the military where a superior officer told him to remember an important lesson.

"Be prepared at any given moment to give up your job to do what is right," he said. "You have to stand up for what is right - even if it means you have to stand up to your government," Shea's superior officer allegedly told him.

Among his beliefs are that Obama is forming concentration camps and that the government was involved in both the Oklahoma City bombings and the 9/11 terrorist attacks, according to the [SPLC Center](#).

Survival Food Company Urgently Contacted By FEMA – Is a War Or Disaster Looming?

August 2, 2013

By Shepard Ambellas Intellihub.com
August 3, 2013--Recently my friend Matt, the owner of **MyPatriotSupply.com** was contacted by the **Federal Emergency Management Agency (FEMA)** by way of email, leading on that something is ready to pop off.

Matt immediately contacted me with this disturbing news. He even provided screenshots of the actual email sent by a FEMA representative.

The names and revealing information have been blurred out.

Matt,

I am inquiring in regards to the following:

1. Breakdown the total possible servings available for immediately delivery. For example, "averaging 3 servings per meal, 3 times per day, per person = 9 servings per day per person" how many servings can you provide within 24 hours, 48 hours, 72 hours, etc.?
2. Number of currently available meals?
3. Can your current stock begin shipping in 24 hours?
4. Do you ship dedicated truckloads by pallet? If so, how many pallets per truck?
5. At full capacity (assuming all resources are available) how many canned/package servings per day can you provide in a 24 hour period?

Please let me know when you have the opportunity.

Thanks in advance,

Matt wrote, "here we are, August 2013 and FEMA once again is trying to **buy up large stockpiles of food**. And they don't want anyone to know it, and they want to take immediately delivery.

Friends...I've studied history. That is what got me into preparedness in the first place. History has shown us time after time that those who depend on the government to come to

their aid during a disaster are the ones waiting the longest for help.

I do not believe these critical emergency food supplies should be in the hands of the government... This is why I declined the opportunity to sell to the Department of Homeland Security. But let's not forget the most important part of this: Why the sudden sense of urgency? What do they know that we do not?

I'm not one to cry that the sky is always falling, but when DHS/FEMA make a move to quietly buy up emergency food supplies and ask how much we can ship within 24

hours...I think this is far enough outside the realm of what is "normal" to beg some questions.

Fortunately I've been in this business long enough to predict what happens next... This could create a run on many of the core raw ingredients used by emergency food makers that will cause a ripple effect throughout the industry as supply chains become bottle-necked handling the FEMA/DHS request."

What is the government gearing up for? Maybe a major disaster or war they know is coming?

Date: 1 Aug 2013

Pamela: I read your accounts of Asheville and have reread some of them on my weekly audios I put out. I think this one will be of particular interest to you (see below) as the abortion clinic that was just shut down in Asheville appears to be the same one you got sent to jail for when you protested there. 42nd Abortion Clinic Closed This Year Due to Filthy, Unsafe Conditions

The North Carolina Department of Health and Human Services announced Wednesday that it has suspended the license of Femcare, an abortion clinic in Asheville, for two dozen serious health and safety violations discovered during a routine inspection on July 18 and 19th.

This action comes just two days after Gov. Pat McCrory signed a law that will require abortion clinics to meet the standards of an outpatient surgery center. Ironically, it was thought that Femcare would be the only North Carolina abortion clinic to meet safety standards under the new law, but it seems it that thinking was grossly in error. **Femcare was last inspected 6½ years ago.** The closure is not directly related to the new law (see below).

<http://www.lifenews.com/2013/08/01/42nd-abortion-clinic-closed-this-year-due-to-filthy-unsafe-conditions/>

North Carolina Pro-Life Bill That Could Close Abortion Clinics Becomes Law

Governor Pat McCrory officially put his name on a pro-life bill today that would stop abortions by helping pregnant women and stopping taxpayer financed abortions.

The bill would also subject abortion clinics to better health and safety laws that could wind up closing abortion facilities that are unable to comply and protect women's health.

[From a local news report:](#)

All day long, abortion activists barraged the governor with lobbying designed to persuade him to not sign the bill. Planned Parenthood held a 12-hour vigil Monday, and plan to hold another one Tuesday, despite McCrory's saying Friday he will sign the legislation the General Assembly passed last week.

The law addresses concerns about the administration of abortion inducing drugs and rules for abortion facilities.

"Thousands of unborn children's lives will be protected from abortion," stated Barbara Holt, President of North Carolina Right to Life, "by preventing the expansion of tax payer funded abortion through the federal exchange."

[Satanism in America Today: Asheville, NC](#) by Pamela Schuffert

Warning Graphic--Please pray for the many lost youth in that pagan mecca of America's southeast, Asheville, NC. The battle is always raging for who will own and control them...the power of satan, or the power of the Living God through Jesus Christ their only hope.

And understand that what is happening in the Asheville region, is actually happening all over America, in city after city. And in **YOUR** region as well. Most of you simply don't know it. The highway to hell that leads to Asheville, runs right through your city as well...

I can never forget my years of working among and interviewing these young people, and hearing of their tragic experiences of being raised in multi-generational occult households throughout this region. I know I will cry as I write this article, even though I am sitting in a local Internet cafe here in Montana, 2,500 miles away. I just can't help it.

<<One young satanist

But then, should not tears be shed for cruelties and horrors such as these? Shouldn't we all as Christians in our nation be weeping for and praying against the terrible sins of this generation, and the terrible darkness that Satan's influence and his followers have brought upon our nation?

Should we not weep for the victims who continually are dying in secret on the satanic altars all across America...abducted adults and children who will die in terror and rejection, to never see their families again...and babies deliberately bred to only be sacrificed?

The power of INTERCESSORY PRAYER can change America's destiny. Christians should all be weeping over and praying about this great sin and darkness found across America. And in order to care, we must first **KNOW**. Too many Americans and Christians do not know. And that is why articles like this must be written. And why such articles like this must also be read. This is not an hour for Christian

naivete on this urgent subject (nor was there ever such an hour).

"Can Jesus ever forgive me...???" This question was asked by a young man who admitted to me he was recruited into Satanism in his elementary school in the Asheville area while in the 5th grade, and by the time he was 19, he had already sacrificed countless victims on the satanic altars of those mountains.

And finally, here he sat before me, his eyes filled with grief and tears, so tired of this darkness and wanting out...and wanting Jesus to forgive him.

"Can Jesus ever forgive me for the terrible things I've done, " he asked me as we sat in an isolated corner of a local Asheville McDonald's that day. He had just admitted how his coven had forced him to sacrifice his girlfriend recently, because she was discovered to have been going to the police after giving up her newborn child for sacrifice and regretting it later.

"No one narcs to the police on the coven and gets away with it...and because she was my girlfriend, they made me sacrifice her. We took her up the side of Town Mountain, and she was chained to our altar. They put that knife in my hand, and I cut her open from neck to groin..." And now he sat before me, his eyes filled with remorse and torment. My heart was breaking now as well, as I envisioned all he recounted.

<<Downtown Asheville as seen from Town Mountain

At that moment, the Holy Spirit stepped in when I was at a loss for words and in shock. I can never forget how the love of God came down upon us both. I was compelled to take his hands in mine, and to look at him with the love of God, and

say what God inspired me to speak: "There is **NOTHING** you have done, that Jesus did not die on the cross to forgive! Remember...Jesus died a human sacrifice, crucified at the hands of Roman pagans, and from the cross Jesus said, 'Father, **FORGIVE THEM**...for they know not what they do!" This young man then prayed

that very day for Jesus to then come into his heart and to forgive him and set him free from that tragic world of SATANISM.

Another young woman recounted to me in a church in downtown Asheville one day, her lifelong experience with grim satanism in the Asheville area. Her family belonged to the "power people coven" consisting of the self-professing "rich, elite and powerful" of that region. (Oh, how deceived they are, the satanists who think they are somehow "the elite!" Rather, they are the damned and accursed whose judgment does not slumber.)

<<Church in downtown Asheville where she confessed her former activities in Satanism.

This "power people coven" consisted of many of the wealthy and influential, including doctors and brain surgeons, judges, many lawyers, DA's, mayors, and other various prominent people throughout that city.

Through years of research, I discovered that every city across America has her own "power people coven" that secretly rules over that city from behind the shadows. Asheville is but a microcosm of what is happening in many other cities and regions across America, in varying degrees.

Every state has their "Asheville." It could even be your own home town...like Elyria, Ohio...or Lilydale, New York...or East Harrison, Indiana, all known regions of very hard-core Satanism that I have visited and prayed over or ministered in. This tragic darkness is everywhere across America.

"My parents dedicated me to Satan from my mother's womb, she admitted. "At the age of four, I was forced to offer my first act of human sacrifice. An infant was put in front of me and a knife was put in my hand...."

<<Asheville High School, NC

She told me all about her years in Asheville High School, where she and other kids of Satanist parents had to constantly play the

game of "pretend."

"We would pretend to be just like the other students in the high school...but we were not. We had to fake it all the time to avoid being uncovered as satanists..." Sadly, it was not just certain students who played the game of "pretend." Many teachers and at times principals as well are Satanists by night in the school system of America.

She admitted to being gang-raped by the coven as well in one of many rituals her parents forced her to attend. Not surprisingly, the former major abortionist in Asheville, NC, was also a member of this powerful coven, and both he and his sons were part of the gang raping ritual. She told me he was chosen to do sacrifices in their rituals, because of his skills as an abortionist(!)

<<"FEMCARE" Abortion Clinic, Asheville, NC--Abortion clinic of former abortionist who is a Satanist as well (SO what's the difference between *abortion* and *human sacrifice*...?)

"We held many rituals in Seeley's Castle on Town Mountain Road. Many infants were sacrificed there..."

Many other former satanists I interviewed there confirmed this about Seely's Castle. One person even admitted, "**We skinned that baby alive to the screams of 'hail satan.'** I took it's remains home, forced it down the garbage disposal, and saved the skull to burn candles to satan on..."

<<Seely's Castle, Town Mountain Road, Asheville, NC

One young man I spoke to in downtown Asheville while ministering to homeless in the park, admitted to me **his family was multi-generational vampires** from that region, and showed me some of his occult paraphernalia that he carefully unwrapped.

Yes, vampirism is also found in the mountains of NC and TN. **In fact, vampirism is where the "Goth" look**

comes from. Goths have that pale, pasty white look on their faces for a reason. Drinking blood creates anemia in the person doing it. Anemics have very pale complexions as a result.

<<Friday night drum circle Park in downtown Asheville where I encountered one young vampire

I have personally noted young people there who **had filed their canine teeth down to sharp points to appear more vampire-like.** Christians, let your hearts be broken for the endangered youth of America today.

Even DHHS services in Asheville are infiltrated with satanists. They use their positions in the Department of Health and Human Services to seize children from poorer homes in that county. The pretense they use is that "the home is too poor" to take adequate care of the children. **What frequently happens then to those seized children???**

I was informed that some of these precious children were then sold to homosexual households out of state. They were forced into satanist covens. They were even sacrificed. Or sold to pedophiles in that region as well.

A friend, former CIA, admitted that the DHHS in that area was the most satanist-infiltrated agency there.

When one Christian family I was assisting, tried to rescue such children from the **corrupt hands of the Satanists with the DSS there**, they came under horrific attack. A roadblock was set up one night for the husband, as he was coming home on a lone country road. As soon as he brought his car to a stop, three satanist gunmen emerged with guns blazing...one an UZI.

As he later recounted to me, John Bruce threw himself out of the vehicle and rolled down an embankment in the dark. They could not find him, and so shot up his vehicle and then fled. He climbed up the side of the hill and walked back to his car. Bulletholes filled it everywhere..even through the headrest. **BUT NOT ONE BULLET TOUCHED HIM!** He was able to drive his vehicle home, in spite of a shattered windshield. We all knew this was the grace and mercy of God.

And at the very time this event occurred, I was

praying for him and his family, 600 miles away...because the Holy Spirit had spoken to me at that time and informed me that IF I DID NOT PRAY FOR HIS FAMILY, someone would be killed that night. I began to pray with tears, not knowing what the situation was. And found out only a few weeks later when I went to visit them. How amazing is God!

And if that were not enough, while his family was away one weekend selling items at a flea market, **they returned to find their home burned to the ground. It had been firebombed by the satanists of those mountains. His father-in-law, Edward, also had all of his one hundred head of cattle poisoned by these same satanists...and one even sacrificed for good measure.**

And when I went to the NC Bureau of Victim Justice to report one confessed act of human sacrifice, they warned me,

"This kind of thing is much more common in these parts than most people think. And don't even trust the police you think are working with you...because many of them ARE SATANISTS."

So much for legal help in fighting Satanism in this region, I remember thinking sadly.

In fact, at least one prominent judge in Asheville is, by night, just one more human-sacrificing satanist. Even Christian police officers warned me about this very judge, when I and other Christian pro-lifers were on trial in Asheville in the Buncombe County courthouse (see below) AND THIS VERY JUDGE PRESIDED OVER OUR TRIAL! She found us GUILTY and sentenced all 26 of us pro-life protesters to a year and a half in the state prison of NC for one act of pro-life protest.

However, the then state Senator Jesse Helms declared this sentence to be excessive (and ridiculous) and got us released early. But the memories of being in prison remain.

<<Buncombe County Courthouse, Asheville, NC
I was later told by a Christian connection in the courthouse, that this judge maliciously gave us an excessive sentence because of her Satanist background and desire for revenge against the

Christians.

Look at the top floor of this courthouse carefully. The two top floors were where the former Buncombe county jail was located. This is where I and many other Christian pro-lifers actually served our sentences for the protest at the Asheville abortion clinic. It was in this decrepit old southern jail that I saw the power and glory of God descend so many times as I ministered to the many prostitutes, drug addicts and lost souls there. (Since those years, however, a new jail has been built.)

Oh, how well I know Asheville, inside and out. And Asheville's hidden tragedies go on...

The little children abducted and chained to satanist altars, and then mercilessly chain-sawed into pieces, even while screaming for mercy til they can scream no more...

Pregnant women abducted and chained to altars, their bellies ripped open and unborn sacrificed first, and then the mother.....

Even Christians abducted *BECAUSE* they are Christians, and then chained to altars and tempted to deny Jesus and join the satanists. And when they refuse to deny Jesus, they are tortured to death and even nailed to crosses to mock the death of Christ.

And people wonder why I have become a ceaseless, weeping intercessor over this nation??? Or why I often cannot sleep at night, because of what I know...and so I must pray throughout the long night for God to *STOP THE KILLING AND SAVE THESE SINNERS AND THEIR VICTIMS AS WELL.*

And why at first I had no desire to return to those mountains, ever. There is such a thing as total burn-out in spiritual warfare.

But now, I must. My brother needs me in this region. And I suspect the sinners still need my witness there as well.

And God must have a greater purpose for His glory in all this.

Please pray therefore for the lost souls of the mountains of North Carolina and Tennessee. These are the satanists who once counter-picketed Christian pro-lifers in Asheville, NC, chanting for two hours, "BEHOLD YOUR FUTURE EXECUTIONERS."

Unlike so many naive Christians, **even these younger satanists know exactly what is to come under martial law. And they intend to be a part of the coming round-up and genocide of Christians in America under martial law as well.**

If these people are *NOT* reached for Jesus Christ *NOW*, they will certainly be used for Satan's dark purposes *THEN*. *And their tragic end is eternal destruction in the lake of fire, separated from God's love and kingdom forever. Oh, God, have mercy on their eternal souls! And have mercy on their intended victims as well.*

Pray for the lost of Asheville and of our nation. Pray for my safety as I return to this region of America, and this modern day **BABYLON** whose judgment has been long prophesied by so many Christians in that region.

THANK YOU!!!!!!!!!!!!!!!!!!!!!! This is the infamous clinic that satanist abortionist Phillip Kittner used to work at. We had to go on trial in the same courtroom with him following one pro-life protest at his death clinic. Police warned me that he was a part of the powerful Satanist coven there in Asheville. Former Satanists I interviewed confirmed this. He later retired from being an abortionist at FEMCARE, but NOT from being a Satanist.

Thank GOD for your sending me this article...and thank GOD this abomination is SHUT DOWN!

Keep praying for funds to come in. No, I do not yet have the much needed trailer for traveling/ministering and going to be with my brother. Lowe's here has one, the smallest, 5X8, for about \$1,899. This is what I am aiming for. Used here are not much cheaper, in fact. I have Bibles now to give away in ministry, and have replaced my musical instruments for ministering, and since I live in my vehicle (sleeping in the back) a trailer is essential for travel and leaving this region. But God knows this and He will supply by His divine "ways and means committee."

Thanks for this info!!!!!!!!!!!!!!!!!!!!!!-Pamela

Subject: on your last update..

When I was in seminary in 1999, a satanic witch pretending to be a person interested in Christianity, (who i met in a chat room) told me i was very helpful in her walk with God and she wanted to give me a present. I told her i was glad to help her but no gift was necessary. She insisted and sent me a black candle.

I didn't think anything of it, but i kept it on my book shelf. I started having nightmares and i knew something was not right, but i did not put two and two together.... well anyway.. one day while chatting on the net with her. (chat rooms were all the rage back then if you remember) anyway, she told me out of the blue she wanted to astral project to me and have sex with me ..(she lived states away). I did not reply yes or no. .

Actually i did not know what to think, but i was tempted to open myself up to that, but did not

.....It NEVER dawned on me the connection that this was a satanic witch, this was a spell candle.. and my nightmares were from curses.. well anyway, she tried to astral project to me ...but she told me a force was keeping her back, and i had to ask the force to come down. My Understanding would be the Holy Ghost was protecting me. I did not give consent to her wish.

.. well, one afternoon i broke out in a sweat while sleeping and my suite mate woke me up and told me i did not look good. We went to chapel together and prayed for understanding and Gods help regarding this situation and to reveal to us what was happening....

Well long story short.. i went back to the computer with understanding, and confronted the person..and asked her who she was ..and what was her game.....she told me point blank, **she was a satanic witch and her job was to make me insane, possessed and possibly kill me..** well, as you can guess our talks stopped,..but i did want to share my story with you, cuz im sure it is in certain ways similar to what that lady threatened you with.. As you know, Christ has their leash..and they can not move

an inch without his letting them... sooo anyway...Draw Close to God and Fret not. God be with you.

Subject: The Threats you recieved

Dear Scott, My prayers and with you but more so that her world be turned round by the Lord Jesus Christ and she be brought to her knees to find repentance.

She has threatened Astral Projection. I have had a number of experiences, but one night I was in bed after I had prayed against witches in our community at our youth group back in 1992. Some in the group found it amusing.

About Midnight that night a huge bestial creature attacked me in bed pulled me out of my body and I fell on the floor wrestling with it.

I looked up at my body asleep in bed and saw all around my room human figures in black robes and hoods holding candles (the room was larger than my normal room, I could see beyond the walls and ceiling) and I cried out to the Lord to send his angels to my defence.

These two large beings in glorious shimmering light hooked their arm under the dark devil creatures arms and carted him off.

I jumped back into my body and opened my physical eyes and could still see the black robed people who faded away and my room became "walled" again.

All I could do was praise God.

The foolish woman is on her way to hell and I hope our prayers not only reach heaven for your sake but more for the sake of His Name in that her soul be saved, and the victory be gotten over all the wiles of the enemy.

Proverbs 26:2 As the bird by wandering, as the swallow by flying, so the curse causeless shall not come.

Numbers 23:8 How shall I curse, whom God hath not cursed? or how shall I defy, whom the LORD hath not defied?

Matthew 12:28-29 But if I cast out devils by the Spirit of God, then the kingdom of God is come unto you. Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.

Time to spoil a house.

Daniel 11:32 "... the people that do know their God shall be strong, and do exploits.

May the Blessing of the Lord be Upon you and your daughter

Numbers 6:24-26 The LORD bless thee, and keep thee: The LORD make his face shine upon thee, and be gracious unto thee: The LORD lift up his countenance upon thee, and give thee peace.

Subject: Your death threat.....

Brother Johnson, I've been poisoned, had demons try to push me into traffic, been cursed with death, had people sent to murder me, so many things and I'm certain I have no idea about many the things Father thwarted without me knowing anything at all. The latest was when the Masons had their big gathering here in Colorado Springs, a young man, going by the name Azriel, approached me and said he was in town for the funeral of an axe murder victim, and told me how many times the victim was hacked, in order to express the numerology involved. Of course, I was the victim. Haha..... I'm totally still here. One of the witches in his circle even tried to tip me (I play/preach on the streets) with cursed money, which I simply thanked God for, breaking the spell. When I was in the KC plaza, praising God in front of the triangular demon streetlamp/bench for a few months, security would not let me sit on the bench, I even have video of them kicking me off), very expensive cars with black windows would drive by me, a hand would appear and throw a nickle at me, almost daily, and each car had a "33" on the rear window. (the nickel = Satan's 5 point agenda, like the pentagram). I loved standing there and pointing out the satanic art/architecture, etc, to all passers by...., warn the lost and sing about Jesus. I have been stranded on a frozen mountain without a coat as the sun was going down. I have been locked in a house with killers, unarmed. Too many things to recount, and I thank God that He is God because He has delivered me from every evil plot, and every folly of my own device too. The truth is, though, if I was not delivered, my love of God and trust in Him would still abide in me. Focus on the light of Christ Jesus and His words. We won't even remember the wicked fools when they are gone. Harsh truth it may be, but except they repent, they are of no lasting consequence at all. God bless you and keep you,

Subject: [Contending for Truth:] Demonic dreams

Hi Scott, having just listened to your update regarding an email from a high level occultist threatening your life I wanted to quickly share something with you to get your take on it.

Throughout my adult life I have had quite a few dreams where I am being attacked by very strong malevolent, terrifying demonic creatures... In each of these cases I have come against the demons in my dream with the name of Jesus and the dream either ends immediately or else I see the creatures run away in terror or be destroyed. I had another dream a few days ago, this one was different, in the dream I had an overpowering sense of oppressive evil that seemed to be overpowering my ability to speak, I was trying so hard to get the name of Jesus out of my mouth and eventually I managed to get a muted whisper out and the dream ended. I awoke with a sense that it was more than just a dream, I felt a little unnerved and drained as if I had been literally in a battle. But accompanying these feelings was a sense of elation that I was worthy to be attacked for Jesus sake and a strong sense of victory. I felt 'fired up' as you often say!

I was wondering whether these dreams are just that, or whether it is scriptural that satan can attack a person via dreams, have you come across this yourself?

Strangely I had a conversation with a young man I know from church yesterday who told me about a similar dream he had recently that had left him feeling quite shook up. I shared my experiences with him and told him to take heart, that he must be doing something right for Satan to attack him and to take authority over the attack in the powerful name of Jesus. I also shared with him Jesus words in Luke 10:19 Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

I am very aware that things are heating up, and as you said the gloves are coming off, but praise the Lord Jesus Christ this is our chance to stand and show the world the awesome power, authority, glory and truth of the One true God!

+US to create Exopolitics Department to run alien affairs according to insiders

Written by [Dr Michael Salla](#) on July 22, 2013

<<Mock up of a Department of Exopolitics Logo.

According to well-informed sources the US Government is set to announce a new department or office that would run extraterrestrial affairs. **Today, in his latest installment in the popular Veterans Today website about an undeclared space war, Dr Preston James argues that an internal decision is about to be reached by a secret “exopolitics” committee that manages extraterrestrial affairs. They are on the verge of deciding that the time has arrived to go public – full disclosure of an extraterrestrial presence. The Secret Committee is called Majestic 12 or MJ-12 according to Dr James, and it is about to approve the creation of a formal Department or Office of Exopolitics. Its job would be to formally conduct relations with extraterrestrial life in the same way that the Department of State manages US relations with international governments. Dr James claims several “esteemed” individuals are under consideration to run the first Department/Office of Exopolitics.**

Dr James begins with reports he has received from unnamed sources about the deliberations of the secret exopolitics committee called MJ-12 that has run extraterrestrial affairs since 1947. He writes that the decision to go public is being driven largely by younger members:

“some reports have suggested that there has been a deep internal split in this group, with younger members pushing hard for complete USG public disclosure followed by the setting up of an official USG Department of Exopolitics”.

James claims that several “esteemed individuals” have already been considered to run the proposed “office:”

USG is now in the process of setting up an official Office for Exopolitics and considering several esteemed individuals from which to choose a director to run this new office.

There is no precedent for setting up a Department or Office of Exopolitics in the world. While the United Nations passed Decision 33/426 in 1978 authorizing the creation of a UN Agency to monitor reports of UFOs and extraterrestrial life, the decision was never implemented by member states. The only bureaucratic history that is known with any degree of reliability is that the Majestic 12 committee that originally constituted a de facto Office of Exopolitics was initially set up as a covert program within the US National Security Council system. Here is a description of MJ-12’s reconstitution during the Eisenhower administration:

The most significant institutional reorganization as far **as political management of the ET presence** was concerned was expanding and formalizing MJ-12 as an autonomous institution fully **authorized by executive order to deliberate upon and make policy decisions on the ET presence.**

See Scott Johnson’s Teachings:

MJ-12 became formally embedded in the Covert Operations Committee of the National Security Council – Committee 5412, named after National Security Council Edict 5412. MJ-12’s earlier existence as an ad hoc committee appointed by executive authority, was now transformed into a permanent sub-committee

institutionally embedded within the most secret of all the National Security Council's committees. Evidence from whistleblower testimonies suggest that Truman's ad hoc committee, MJ-12, was reorganized so as to now comprise two layers. The outermost layer was a group of up to 40 individuals who would form a Study Group (hence the names PI-40 and Special Studies Group also attributed to MJ-12) **whose function was to provide specialized studies and policy recommendations concerning ET issues for a smaller decision making group (MJ-12) that would actually make official policy recommendations for implementation after gaining executive approval by Eisenhower.**

Initially hidden within the National Security Council system, **the MJ-12/Office of Exopolitics has morphed over time into a quasi-governmental entity with significant corporate involvement, and a distinct international element.**

[According to Dr James'](#) undisclosed sources:

[Y]ounger members of MJ-12 want complete public disclosure as soon as possible, within 2013 and have actually been providing leaks for over twenty years, helping Hollywood writers and producers by supplying information so that movies can be made and the public can be conditioned in small baby steps to accept the idea of alien visitation.

How credible is Dr James and his unnamed sources? **Veterans Today is a highly respected website which has key individuals in its editorial board with deep connections to the world of military intelligence. Dr James is a board certified psychologist with 35 years experience in marriage/family therapy, and claims many contacts with those in military intelligence. His professional background and military intelligence connections suggest his sources are worth taking seriously.**

If Dr James' sources are correct then not only can we expect a formal government disclosure of extraterrestrial life in the near future, but the creation of a US Government Office or Department of Exopolitics to follow soon after. The Director/Secretary of such an Office/Department could be vetted by Congress to determine their suitability in managing the most important policies confronting humanity in the 21st century. Creating an Exopolitics Office or Department, would be a tremendous step forward in bringing transparency and accountability to how relations with extraterrestrial visitors are being run by elements of the US government, and internationally. For the first time, American citizens would be informed of how covert elements of their government is managing the issue of extraterrestrial life and technology, and will have a voice in how policies are developed and implemented.

[MJ12 Has Decided To Reveal Their Role in Full Galactic Disclosure](#)

I heard from my friend Dr. Michael Salla <http://exopolitics.org/> last night. **He wrote an article saying that the group known as MJ12 or Majik has decided together that they would like to disclose their activities between the United States government and extraterrestrials. While at the Citizens Hearing on Disclosure Linda Moulton-Howe <http://earthfiles.com>, Dr. Robert Woods <http://majesticdocuments.com/documents/intro.php> and Stanton Friedman**

<http://www.stantonfriedman.com/> all shared testimony about MJ12. Operation Majestic-12 was established by special classified presidential order on September 24, 1947 at the recommendation of Secretary of Defense James Forrestal and Dr. Vannevar Bush, Chairman of the Joint Research and Development Board. The goal of the group was to exploit everything they could from recovered alien technology. What Dr. Salla has shared last night, if it proves true and comes to pass (which I firmly believe it is and it will) – it is Earth Shattering news. Included in this email is [his article excerpt](#) and the article he references from <http://VeteransToday.com> This email is one of the most important contributions you can make to Disclosure – sharing this information widely. Send it to your email list, post it on Facebook and send Direct Tweets to the UFO twitter accounts out there and those who have magazines or conferences on the subject. Full Galactic Disclosure is THE ISSUE which brings resolution to ALL OF ISSUES effecting our world. Finally – my 2 cents – WHY IS THIS ARTICLE IMPORTANT? You may have seen my articles titled Disclosure, Announcements and NESARA The Big Picture. I have been saying for years that Disclosure will come through President Obama. Also, I have been saying that he cannot do it alone. As Commander in Chief he must have cooperation with Intelligence, Defense and the other branches of government. These articles state information has come through MJ12 that they are interested in Full Galactic Disclosure as soon as is possible and within 2013 at the latest. This may be all the unilateral support President Obama needs to move forward with a national, international and intergalactic Disclosure. <http://beforeitsnews.com/alternative/2013/07/mj12-has-decided-to-reveal-their-role-in-full-galactic-disclosurethis-is-huge-2719446.html>

The Iron Mountain Report & Secret Space War IV: Terra Forming

by [Preston James](#) www.veteranstoday.com

The Secret of the Iron Mountain Report has remained hidden until recently when astute researchers have spent considerable time examining its true implications in light of what has been disclosed by top insiders **about the purposeful spraying of numerous toxins and bio-weapons into the skies under Operation Cloverleaf.**

And despite the usual denials that there was no Iron Mountain Study Group by the USG, **it is now believed that the Iron Mountain Study Group existed and was used as a tool to lay the groundwork for Terra-Forming the earth in preparation for a later 21st century full scale alien invasion.**

If the Iron Mountain study group actually took place and the book summarizing it and reporting its content was accurate, this would make the Iron Mountain Report **(1) one of the Biggest USG secrets ever.**

One would have expected this secret to have been kept from the public at all costs, using every tool available to American Intel and the Secret Shadow Government (SSG) such as serious harassment, lethal threats, and quickly deployed extra-judicial executive actions (terminations with extreme prejudice) (2).

The term “with prejudice” means no judicial review or appeal is ever going to be possible later on. The use of the adjective “extreme” means that the most extreme measure will be used and this always means killing, that is, the extra-judicial murder by agents of the state, central government.

In today's America almost 90% of all intel functions have been privatized by offshore corporations (most run by Israeli/American dual citizens or NeoCons) **who have infiltrated and hijacked the big institutions of American Intel including the NSA, NRO, the alphabets and the Secret Shadow Government (SSG).**

And yet the best evidence is that this book was accurate & it turns out to be that this report was for some strange reason allowed to be leaked and accompanied by a mild USG denial. How can this situation be explained, especially when LBJ sent cables to all US embassies ordering a complete denial and the burying of this report forever? The book was first published by Dial Press 1967 and became a NY Times bestseller and was published in 15 different nations, later to be republished again and again, even as late as in 2008.

Purported statements made by John Kenneth Galbraith in support of authenticity

(3) On November 26, 1967, the report was reviewed in the book section of the Washington Post by Herschel McLandress, supposedly the pen name for Harvard professor John Kenneth Galbraith. McLandress wrote that he knew firsthand of the report's authenticity because he had been invited to participate in its creation; that although he was unable to be part of the official group, he was consulted from time to time and had been asked to keep the project secret; and that while he doubted the wisdom of letting the public know about the report, he agreed totally with its conclusions.

He wrote: "As I would put my personal repute behind the authenticity of this document, so would I testify to the validity of its conclusions. My reservation relates only to the wisdom of releasing it to an obviously unconditioned public."

Six weeks later, in an Associated Press dispatch from London, Galbraith went even further and jokingly admitted that he was a member of the conspiracy. The following day, Galbraith backed off. But the original reporter reported the following six days later: "The latest edition of the Cambridge newspaper Varsity quotes the following (tape recorded) interchange: Interviewer: 'Are you aware of the identity of the author of Report from Iron Mountain?' Galbraith: 'I was in general a member of the conspiracy, but I was not the author. I have always assumed that it was the man who wrote the foreword - Mr. Lewin'."

As many top intel analysts and experts know, complete secrecy can be maintained when desired and was done so during the Manhattan Project during WW2, and also during many parts of the Secret Space War initiatives of the USAF and the USN which are still largely unknown to most. However some individuals also realize that the SSG (Secret Shadow Government) is not uni-dimensional and there are different factions involved and some have been strongly arguing for disclosure and have claimed that certain treaties made in secret with "alien visitors" require such disclosures.

The reason for this has been provided by a top SSG insider, **which is that these top SSG officials are ordered to provide such leaks or to allow them.**

Most folks believe that leaks from the SSG's Deep Black or Beyond Black programs are due to human intel error, incompetence or bullish refusal of whistle-blowers to obey illegal orders. And although each of these reasons has been true some of the time, the really big leaks of such top intel, big USG/SSG secrets is that top SSG and intel officials have purposely leaked such secrets because they have been required to in order to be able to accomplish their goals of such Deep Black or beyond Black programs.

It appears that some Deep Black and Beyond black intel leaks are "required", not just "mistakes" or aberrations.

<<Arm Patch of SSG Anti-gravity Vehicle Squadron

The actual reason is not only counter-intuitive but actually for many stretches the imagination. And this is the actual reason for all the major intel leaks that have occurred including the latest related to Julian Assange, WikiLeaks and even Edward Snowden--**is that such**

leaks are "required" by "cosmic rules of play".

Despite all the lethal rules to keep completely quiet about such deep secrets of the SSG, numerous and almost constant leaks occur. How could this be when such

leaks are supposed to be met with lethal sanctions; but such have not been occurring in the recent past for some leaks and now for almost all of them. **Comment: Their timetable has been moved up so more “leaks” are thus required.**

Top SSG insiders claim that they are governed by “cosmic rules of play” that come from their god Lucifer and because he claims to be completely fair he has set up “rules of play” which must be obeyed.

Cosmic Informed Consent is required, thus the most important major secrets must be intentionally leaked in disguise.

This preservation of human free will requires disclosure of what lucifer plans to do in advance so that humans have fair warning and can either consent or remove consent. As this narrative goes, Lucifer can only advance his programs to completely transform the earth into a worldwide luciferian Globalist NWO one government super fascist system if the majority of humans provide consent and cooperate.

Experts know that societal tipping points occur when a majority of the people gives consent to their government. That is why mind control was considered and essential component in gaining and maintaining rule in Bolshevik Russia, Nazi Germany, Maoist China, North Korea and Cambodia under Pol Pot, all of which were pre-tests for the final takedown and transformation of the world. And all of these luciferian systems were predicated on removing any concept of God Almighty and substituting the state as god, in order to justify totalitarian control by the state and its worship as a super-parent figure by the masses, most of which were fully conned.

Those that were unwilling to yield to the state were imprisoned, sent to re-education camps, tortured, or executed. Top SSG officials take orders from their superiors who are higher up the hierarchy known as the “pyramid of power” which culminates at the very top in the Old Black Nobility – OBN’s “Circle of Twelve” aka the “Council of Twelve” which has been reported to meet regularly with Lucifer in person for directions and guidance as well as additional power derived from acts of human blood sacrifice.

Unless these Big SSG secrets are leaked, the top SSG officials believe that their plans will not be allowed to be fully activated and will be doomed. They also realize that such “informed consent” always carries the risk that “we the people” will grab onto and believe the leak, and rise up and stop any such activation. But they go ahead and disclose and then attempt to use disinformation and misinformation to neutralize the leak as best they can, sometimes deploying sophisticated psyops to do so.

Super-fascism is different than the fascism of Nazi Germany. As Mussolini declared, fascism is the merger of the corporation with the state. In Nazi Germany and fascist Italy the corporation and the state were merged, but the state maintained predominant control. In super fascism the corporation and the state are merged, but the corporations are offshore and beyond the reach of any nations legal system and forma network owned and run by an organization of central banks run out of the City of London Financial District which actually controls the state with which it is merged, thus in reality forming a functional but hidden in plain site NWO Globalist luciferian one-world government.

The secret of the Iron Mountain Report was that the Powers that Be (PTB) that run the world would conspire together to create and claim a major international pollution crisis is occurring, a crisis providing a pretext to declare a war against environmental abuse, aka to be later called the "green movement", Gaia worship or worship of "Mother Earth". Thus this phony hypothesis has been force-fed to Americans and the world that the CO2 necessary for good plant and crop growth is toxic. It also forms a pretext to reduce energy consumption inside America by driving coal generated electricity to a minimum. **And along with the deployment of massive chemtrail or aerosol spraying in the skies under the secret program "Operation Cloverleaf", massive crop yield reductions can be gained, humans can be poisoned and inoculated with nano particles of aluminum, barium, and other toxic chemicals as well as biowarfare agents, some active and some inactive which can be remotely activated at a later time by use of sophisticated psychotronics or catalytic viruses or bacteria.**

Watch: LIVE Updated Presentation - The Most Important Topic of Our Time - GeoEngineering & chemtrails

<http://www.youtube.com/watch?v=a2x6TEeknfo#at=111>

This of course is part of a **long term sophisticated geo-engineering plan to lower crop production, create famines and droughts worldwide and radically decrease the potable water supply. The only seeds that will grow in this new toxified soil will be those patented by Monsanto, and these seeds will be tightly controlled and are referred to as "suicide seeds" because they are GMO, do not yield growable seeds themselves and are alleged to produce crops that contain sophisticated toxins that allegedly modify human DNA and serve as another form of softkill to reduce the world's population.**

The most serious substances being sprayed in aerosol chemtrails by CIA contractor aircraft from Tuscon AZ are the strange protein chains called "prion seeds", which when activated can cause madcow, Creutzfeldt-Jakob type CNS neuro-degenerative diseases or as some have hypothesized a type of human rabies derivative which would result in a fatal occurrence of zombie-ism such as characterized in the new movie "Z War". (4) **All of these are actually all covert weapons of war developed and deployed worldwide by the City of London Banksters as directed by Luciferian leadership.**

Many younger folks in their 20s, 30s, and 40s are now experiencing brain fog, cognitive slippage or "senior moments of forgetfulness" never before experienced in these age groups. This is alleged to be due to the massive aerosol spraying by that CIA Airline in southern Arizona and many other subcontractors.

It has also been recently alleged that toxics have been quietly added to jet fuel as a combustion enhancer and mild fire retardant. Inhalation of nano particles of aluminum and barium can easily cause these memory lapses. The most common cognitive slips now appear to be are when young folks forget where they parked in a parking lot after shopping or leaving their keys or jacket in the booth of a restaurant.

Obviously the person or persons ordering this crime against humanity of aerosol spraying to poison humans below must be very, very high up in the hierarchy of control,

the Pyramid of Power (POP) that runs most of the leaders of the world's nation states. And imagine the lethal fear these top POP leaders must be able to generate to keep subordinates cooperating with this massive eugenics program to softkill so many humans. Or at least they must be using sophisticated human compromise or honey-trap/pedophile ops or be paying a great deal of money or benefits to keep subordinates in line with these programs which are truly crimes against humanity.

And it is most interesting how China is quietly purchasing massive amounts of water from the great lakes using secretive means to gain access and then to transport it back to China in large tanker ships to bottle it in plastic with alleged high amounts of "gender bending" endocrine disrupter compounds to sell back to Americans as "bottled drinking water".

The Big Plan is actually a very sophisticated blueprint to Terra-Form the earth according to the specifications provided by Lucifer and his alien representatives. This is all part of a sophisticated plan to create the pretext for the massive deployment of TERRA-FARMING of the earth in order to prepare it for a later invasion by a certain species of aliens, who plan to land and occupy and populate Africa as their center of control and their own nation. According to recent leaked information, these creatures plan to create massive environmental changes to the whole earth and massively depopulate the earth using sophisticated eugenics and other soft-kill and hard-kill means.

This major problem would thus create a pretext for the formation of a very strongly empowered federal agency which would exercise strong police powers against the public often harassing them, taking their rights away without due

process and generally setting up a situation where society would come to expect strong internal police state type organizations.

Of course this is the age old luciferian/Babylonian principal AKA "order ab chaos" which creates a problem that is so major and chaotic to society that only the central government is big enough to solve it, but first additional police state powers and revenues must be allocated to the state in order to empower it adequately to solve such a problem.

What specifically is Terra-Forming?

Terra-Forming as used in this article represents the complete environmental and biological engineering of planet earth to make it conform to the wishes of lucifer's chosen, allegedly his fallen angels the Nephilim (aka the Anakem). This huge program is alleged to require deployment of massive and sophisticated psyops and psychotronic mindkontrol, free-trade, de-industrialization of America and Europe, industrialization of China, a worldwide centralized banking system, one world currency following a staged and engineered worldwide and complete financial collapse, and the deployment of massive eugenics involving softkill and hardkill until at least 80% of the population is eliminated.

Allegedly the final plan involves the elimination of all Cutouts (Slang. a trusted intermediary between two espionage agents or agencies.) even the top SSG officials and POP officials and the elimination of the "eliminator" cutouts who do all the softkill and hardkill once their jobs are completed, leaving only 2% of the humans left to serve as dumbed down, mindcontrolled worker bees.

Lucifer's ultimate plan is to destroy all of God Almighty's earthly creation including animals and humans, and create his own transhuman type monsters who are part machine and part biological, best described as androids.

The whole idea of "psuedo-wars" against major social and economic problems was actually created by the central USG in the first place & has become that main practice of the USG since the publication of the Iron Mountain Report. So we now have the so-called "war on pollution", the so-called "war on poverty", the so-called "war on drugs", the so-called "war on terror". All of these problems have been planned and created by the Powers that Be (PTB) who sit at the top of the Pyramid of Power (POP) and their cutouts in the SSG..

Terra Forming of the Earth requires major changes to all societies, nations and every single nation-state's environment. Some areas are designated for mining and acquisition of minerals and elements essential to the future plans of the aliens who are planning to form a worldwide NWO Globalist luciferian system with a "new Caesar of the Ages" to serve as world ruler and a complete dictator. Some believe this will be Marduk, others that it will lucifer himself, with Marduk as his great profit or front man paving his way.

Marduk (Biblical Hebrew מַרְדּוּךְ *Merodach*) was the Babylonian name of a late-generation god from ancient Mesopotamia and patron deity of the city of Babylon, who, when Babylon became the political center of the Euphrates valley in the time of Hammurabi (18th century BC), started to slowly rise to the position of the head of the

Babylonian pantheon, a position he fully acquired by the second half of the second millennium BC.

Jer 50:2: Declare ye among the nations, and publish, and set up a standard; publish, [and] conceal not: say, **Babylon is taken**, Bel is confounded, **Merodach is broken in pieces**; her idols are confounded, her images are broken in pieces.

If these rumors based on insider leaks are true, most of North America and Canada is scheduled to be massively reduced in population, with only cities allowed which have stacked small 8x10 foot apartments and tightly contained non-mobile populations of “worker-bee serfs” under Agenda 21, with outside open land areas transformed into a large continuous nature center and game reserve. The massive federal acquisition of America’s forest areas is all part of this plan and has been used to prepare Americans to accept such plans as they are deployed.

<<Senegal, South Africa—Alleged ground Zero for the First Stage of the Nephilim Alien Invasion
Africa is allegedly Ground Zero.

Allegedly under this massive luciferian plan to Terra-Form the earth for open in-habitation by aliens, Africa is ground zero for the takeover of the earth.(5) And if recent reports of that the evil leader Marduk has landed in Africa are true (as well as the rumors that he is alleged to be Lucifer’s choice for a new “Caesar-of-the-Ages”) **(Comment: This would obviously be the Antichrist)** are true, this would support such an allegation that Africa indeed is the first ground zero landing point.

And if **Marduk has actually landed and has been visited by three American Presidents** and various other world leaders, excluding Israel, China and Russia this would suggest that a major reorganization of world power is likely in the works.

3 US Presidents Visit Africa And Conduct Secret Meetings In The Same Week
July 8, 2013

Why did 3 consecutive presidents of United States in the last 20 years meet up for in Africa in the week of June 26th, 2013?

While they distracted the world with news of Mr. Snowden spy scandal and hijacking of presidential (Bolivia's) aircrafts by European Union countries, the two last presidents of United States meet up secretly in Africa with the current president Obama, under cover of some innocuous story.

Obama supposedly went to promote goodwill and trade. Bush went to do some messianic work of healing Africans from "their pestilence", whereas Clinton came in under cover of promoting civil society. Then they all had a meeting; but with whom & for what reason? Why in Africa? So far they have all refused to confess what they were up to. Does seem rather odd doesn't it? Africa is an inauspicious place to hold such a secret meeting.

...with Israel thrown under the bus, which means the City of London Banksters' main Cutout is going to be cut-loose because they are no longer needed (**Which lines up with Scripture—see below**).

This also suggests that a major nuclear exchange will result over Israeli Mideast aggression and this will perhaps level Jerusalem and much of Israel, leaving **the city open for construction of lucifer's new temple for his new "Caesar-of-the-Ages"**. (**Which lines up with Scripture—see below**).

Luk 21:20 And when ye shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh.

Mat 24:15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)

Dan 11:31 ...and they shall pollute the sanctuary of strength, and shall take away the daily [sacrifice], and they shall place the abomination that maketh desolate.

Dan 12:11 And from the time [that] the daily [sacrifice] shall be taken away, and the abomination that maketh desolate set up, [there shall be] a thousand two hundred and ninety days. (Or approximately 3½ years)

2Th 2:3 Let no man deceive you by any means: for [that day shall not come], except there come a falling away first, and that man of sin be revealed, the son of perdition:

2Th 2:4 Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

Luk 21:21 Then let them which are in Judaea flee to the mountains; and let them which are in the midst of it depart out; and let not them that are in the countries enter thereinto.

Luk 21:22 For these be the days of vengeance, that all things which are written may be fulfilled.

Luk 21:23 But woe unto them that are with child, and to them that give suck, in those days! for there shall be great distress in the land, and wrath upon this people.

Luk 21:24 And they shall fall by the edge of the sword, and shall be led away captive into all nations: **and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled.**

See:

Zec 14:1 Behold, the day of the LORD cometh, and thy spoil shall be divided in the midst of thee.

Zec 14:2 **For I will gather all nations against Jerusalem to battle; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city.**

Zec 14:3 Then shall the LORD go forth, and fight against those nations, as when he fought in the day of battle.

Zec 14:4 And his feet shall stand in that day upon the mount of Olives, which [is] before Jerusalem on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, [and there shall be] a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south.

Once Jerusalem is readied and the new Caesar-of-the-Ages is seated and empowered, that is, anointed with the full power of Lucifer, the worldwide Terra-Forming program will enter its final phase and gigantic direct eugenics programs will be activated by various sophisticated means and some very draconian hybridization and trans-humanism plans will also be activated to essentially remove any stubborn remnants of remaining human free will.

+The New Age of Inoculation Is Aerial Vaccines and Nano Delivery Systems

[Geoengineering initiatives](#) (commonly referred to as chemtrails) are no longer considered discreet military operations, and are finally admitted by governments. Aerial vaccines and nano delivery systems are one of many geoengineering projects.

As the masses enjoy a steady awakening regarding the dangers and fraud that are vaccinations, the use of aerial vaccines and nano delivery systems are now being utilized and fully implemented by governments with little regard or consequence to human health.

The use of aerial manned and unmanned vehicles for the aerial spraying under State and Federal mandates for vector control began under the Geneva Act for Chemical and Biological Weapons in 1949. Over the years since its inception many amendments to this act and US parallel acts such as the Patriot Act of 2001, Space Preservation Act of 2001 and Weather Modification Research and Technology Act of 2005 have included the following implementations under terrorist and riot control for aerial spraying of the mass population in selective city locations:

- Weather Modification.
- Vector Control (insects, virus, and other similar vectors).
- **Mass Inoculations of the Public.**

Aerial vaccines are also directed towards animals by the use of plastic packets dropped by planes or helicopters. [Sanofi](#) (who is one of the largest vaccine manufacturers in the world) has subsidiary companies such as [Merial Limited](#) who manufacture [Raboral](#), an oral **live rabies virus** (poisonous to humans) **yet distributed wildlife in the masses.** "In the United States, more than 12 million doses of RABORAL V-RG vaccine are used each year. Since the first use of RABORAL V-RG in the late 1980's, more than 100 million doses have been distributed around the world." At the beginning of the year, a [KVUE news report](#) indicated that the Texas Department of State Health Services would initiate an aerial vaccine drop of 1.8 million doses in January alone. Raboral V-RG is a poison because according to the [material safety data sheet](#).

In the [Quarterly FunVax Review in June, 2007](#), the report lists the objective of a project listed as ID: 149AZ2 as a preparation of a viral vector that will inhibit/decrease the expression of a specific disruption gene (VMAT2) within a human population . It further indicates in the abstract that six method of virus dispersal were tested including high altitude release, water supply release, insect transmission, and various methods of diffusion.

Nanotechnology deals with structures smaller than one micrometer and involves developing materials or devices within that size. **To put the size of a nanometer in perspective, it is 100,000 times smaller than the width of a human hair.**

The joint use of nanoelectronics, photolithography, and new biomaterials, have enabled the required manufacturing technology **towards nanorobots for common medical applications, such as surgical instrumentation, diagnosis and drug delivery.**

Doug Dorst, a microbiologist and vaccine critic in South Wales, **says these advances have an immense appeal to vaccine makers. "Biotech companies and their researchers have quickly moved most funding initiatives towards nanotechnology to increase the potency of their vaccines,"** Dorst claims that present day **nanobot technology could just as easily be used to advance biological weapons** as they can to supposedly advance human health. **"For every fear that biotech propaganda proliferates about deadly diseases and how vaccines prevent them, it is one more lie to incrementally convince the masses that vaccines are effective."**

The worry for Dorst is that one day vaccines "will do what they've always been intended for...**control of the global populace.**"

We must be alert and attentive to plans for mass aerial vaccinations without informed consent. Aerial spraying for vector control is not only for pesticide applications but for aerial vaccinations of wildlife and humans as stated in US Acts and Regulations. There is a real potential risk to exposure from aerial exposure to aerial DNA virus vaccines.

Subject: **Thank you thank you thank you!***

Dr. Scott, I owe you a debt I can never repay ~ I could never have afforded the Invive mild silver protein in time. My morgellons is 97% healed. My skin as beautiful as ever, my fast went great, and I'm going on another one.

In conjunction with the silver, and de-tox, I've been using oil like crazy. Olive oil, sandalwood, frankincense, lemongrass. The evil ones seem to HATE certain oils. This battle is ENTIRELY spiritual.....

I love you, Cheryl 😊 😊 🍷

PS: Just sharing this vid with you.

Reason why I felt it interesting, one woman in the video on the link says she SPOKE with one of the "developers" of the bio-nanotech-mix, which produces so-called MORGE-llons.

Long-story short. He was "working" on this bio-project, they TOLD him it would "help save soldiers lives" bc they would spray it on the "enemy"

Hi Dr. Scott, I found a really great article saying that a combo of Silver and Oregano Oil will cure Morgellons. My x husband had a weird condition in his hand with wormy type fibers and I applied Oregano Oil on it and that was the end of it by the next day. I can't say 100 percent that is what it was but we do get sprayed a lot here. Anyhow, I thought you might be interested in this article, here is the link:

Dr. Johnsons Comment:

MORGELLONS (Recommended Protocol)

Invive 5000 ppm Mild Silver Protein 5cc (1 teaspoon) t.i.d. (3 times per day)

5000 ppm b.i.d topically to affected area

(applied to affected area morning and night) To order go to:

"MORGELLONS:" THE WINE - PEROXIDE TEST / Detox

Clifford E Carnicom--Mar 09 2008

Full Report with pictures at: <http://www.carnicom.com/morgobs7.htm>

I have no medical expertise and I claim none. I am not offering any medical advice or diagnosis with the presentation of this information. I am acting solely as an independent

researcher providing the results of extended observation and analysis of unusual biological conditions that are evident.

The magnitude of the issue demands that the information be made available to the general public. A method to remove at least a portion of the pathogenic forms that have been reported extensively on this site has been established. The method involves the use of red wine or a red wine-hydrogen peroxide mixture as an extended rinse for the mouth. Please see additional cautionary notes for the use of hydrogen peroxide within this report. Full and entire credit for the discovery of this method is to be given to Dr. Gwen Scott, N.D. and the public has a call to be grateful for the many unselfish contributions that she has made to the understanding of the "Morgellons" issue (please also see [A Natural Medicine Approach](http://www.carnicom.com/natural2.htm) on this site):

<http://www.carnicom.com/natural2.htm>

The use of the term "Morgellons" is a dubious approach as the pathogenic forms first discovered within a purported "Morgellons" subject are showing themselves to exist in equal form within the general public. To date, no human being is excluded from the findings of recent research through this site; hopefully exceptions to this case will soon be found. Thus far, fourteen individuals across numerous state lines have subjected themselves to the test method that is depicted on this paper. All fourteen produce and manifest the same physical forms through the gums of the mouth and only the amount of the material produced varies from individual to individual. The manifestation of skin conditions characteristic of the so-called "Morgellons" condition is not required to produce the result shown. **I state clearly again that the pathogenic forms under investigation are repeatedly showing up in the general population, regardless of whether certain "skin anomalies" are present or not.** The pathogenic forms were, however, first discovered as a result of examination of these same skin anomalies. The segregation of only certain individuals as having the "Morgellons" condition is completely and totally false; the general population is involved whether they would like to know of it or not.

The pathogens found have now been discovered repeatedly across all major body systems and functions, including skin, blood, hair, saliva, dental(gum), digestive, ear and urinary samples.

Gum-dental samples collected after extended wine-hydrogen peroxide mixture rinses of the mouth (5 minutes each) and placed upon a glass slide for observation. Mouth brushed and cleaned to best degree possible prior to the test. Material emanates from the gums of the mouth; this individual produces a greater amount of material relative to other individuals. Foam appearance results from the peroxide. **Core material is composed essentially of the four pathogenic forms that have been extensively described on this site (encasing filament, sub-micron filament network, Chlamydia-like structures and the "hybrid form").** Samples have repeatedly observed at extreme visible microscopic examination, i.e., 7000x and they are generally consistent between various samples. **The mixture that is under trial is 3% food grade hydrogen-peroxide (1 tsp.- preferably food grade) mixed with dark red wine (2 tsp.) (e.g., merlot) held/swished in the mouth for 5 minutes.** Burgundy color results from stain of red wine. Hydrogen peroxide is NOT to be taken internally. Sensitivity and reactions to peroxide may be of concern and an issue to consider. **NO THERAPY OF ANY KIND IS BEING RECOMMENDED WITHIN THIS REPORT; OBSERVATIONAL ANALYSIS ONLY IS BEING PROVIDED.** Identical pathogenic forms have now been found across

most body systems and functions. The rinse test has in some cases been ongoing for 1-2 months; there continues to production of some material in most every case.

Microscopic examination will be required for any final determination. On occasions, the test has been conducted several times in a row (e.g., 30-45 minute session of approx. 5 minutes each) with no cessation of material to date, although the amount appears to eventually decrease. It appears that the production of material can be correlated directly with the amount of time devoted to testing. The presence of the material also appears to be associated with a ear-blockage condition in one case. Not all individuals produce this amount of material and the sample may need to be examined very closely to determine if it exists; it usually appears as fibrous or stringy if present. The individual providing this sample does not demonstrate any outwardly visible "Morgellons" symptoms.

This method described above is not provided as a therapy or diagnosis of any kind; the reaction is being described from an observational point of view. Individuals are to consult with their own health practitioner for their health needs. This website exists on a month-to-month contract. The existence of this website is not guaranteed. There is no known independent off site copy of this website. The public should preserve, protect and distribute the information on this site to their own level of confidence and assurance. Additional revisions may follow. Please distribute this information as rapidly and widely as is possible. Clifford E Carnicom
