++ Deep State / Mainstream Media Pushes Coup D'état Against Trump Elites want him impeached

Jerome Corsi | May 17, 2017

WASHINGTON, D.C. – President

Trump is the target of *coup d'état* being undertaken by the Deep State (intelligence agencies with a continuing commitment to a globalist New World Order) in conjunction with a corporate- and government-controlled mainstream media that believes Trump's surprise victory in November 2016 can be reversed by

getting Trump impeached before the end of 2017.

To achieve this goal, the Deep State and the MSM are employing classic techniques of propaganda and disinformation that were first utilized by Nazi Germany in the 1930s, only to be advanced and perfected by the Soviet Union during the Cold War.

In the 1960s, I was trained by Edward Bernays, the father of public relations, whose book entitled *Propaganda: The Making of the Public Mind*, first published in 1928, influenced Joseph Goebbels, Reich Minister of Propaganda for Nazi Germany from 1933 to 1945.

In the 1980s, I was recruited by a team of psychologists and psychiatrists and received a “Top Secret” clearance to participate in a State Department program aimed at teaching career State Department officials how to survive terrorist hostage situations – a project created in the wake of the takeover of the U.S. Embassy in Tehran during the 1979 radical Islamic revolution in Iran instigated by Ayatollah Khomeini.

The First Principle of all propaganda and disinformation involves the manipulation of public opinion by the creation of a lie – known in today’s terminology as a “narrative” or a “meme” – that is crafted to be sufficiently credible so a persistent campaign of repeating the lie can change public opinion, even if the lie – the “narrative” or the “meme” – is totally untrue, concocted without any basis in fact, evidence, or reality. Goebbels crafted a “meme” using the “science” of eugenics emerging in the 1930s to vilify Jews, resulting in the horror of the holocaust in which an estimated 6 million Jews were brutally murdered.

A current disinformation meme being advanced by the Deep State and MSM is the “Russian Collusion” meme that maintains Donald Trump colluded with the Russians to hack emails from the Democratic National Party as a tactic employed to defeat Hillary Clinton.

In the world of disinformation, it does not matter Sen. Diane Feinstein (D-Calif.) [said](#) publicly on May 4 that the Senate Select Committee on Intelligence has seen no evidence of collusion between Donald Trump’s campaign aides and Russian officials, or that the former Director of National Intelligence James Clapper [told](#) a Senate Judiciary subcommittee on May 8 that he still has not seen any evidence of any kind of collusion between the Trump campaign and Russian foreign nationals.

This is the first sign we are dealing with disinformation – namely, that there is no evidence for the claim.

To keep the lying meme going, the propagandist qualifies the claim, ever so slightly, as to leave open the possibility the claim could yet be proven true, if only the public could get access to the “real information.”

Rep. Adam Schiff (D-Calif.), the ranking member of the House Permanent Select Committee on Intelligence, first began [countering](#) the “no evidence” fact with an assertion that there is “circumstantial evidence of collusion between the Trump campaign and Russia” – a statement he made on NBC’s Meet the Press for the first time on Sunday, March 17.

In his next move, **Schiff pressured the House Intelligence Committee Chairman Devin Nunes (R-Calif.) to [temporarily remove](#) himself from the “Russian Collusion” investigation, after the House Ethics Committee decided to investigate whether Nunes may have made unauthorized disclosures of classified information following his controversial visit to the White House to review reports the Obama administration had Trump campaign officials under electronic surveillance.**

The Deep State knows the MSM-propagated “Russian Collusion” meme [will simply refuse to print evidence it was Hillary Clinton and John Podesta that were \[being paid\]\(#\) by Russia, or that Democratic National Committee computer expert Seth Rich was the one who hacked DNC emails, sending some \[44,000 DNC emails\]\(#\) to Julian Assange at Wikileaks.](#)

Propaganda Corollary #1 is that any facts that disprove the disinformation meme are castigated as “conspiracy theories” – a term designed to disparage anyone bold enough to have perceived the truth.

It is essential to understand that a well-crafted disinformation meme like the “Russian Collusion” narrative is impossible to dislodge by facts that prove the narrative baseless, completely “without evidence,” or untrue.

Propaganda Corollary #2 is that anyone attempting to disprove the truth of the disinformation meme is targeted for ridicule as part of the conspiracy theory.

New Kushner-Russia Story Stokes Concern of West Wing Leakers

Lifezette - May 28, 2017

Another Washington Post anonymously sourced hit job dropped on the Trump White House — this one about Jared Kushner asking the Russian ambassador for a “secret channel.”

It landed just in time to greet the president upon his return from his first international trip and the very day after Attorney General Jeff Sessions pledged to “put an end to” the rampant leaks coming from within the government. The leaks that produced this story, according to sources, came from inside the West Wing.

The latest claim stems from a supposed meeting that President Trump’s son-in-law, Jared Kushner, and Lt. Gen. Michael Flynn had on Dec. 1 or 2 with the

Russian ambassador, Sergey Kislyak. According to The Washington Post, U.S. officials who reviewed intercepts between Kislyak and Moscow saw that Kushner requested “a secret [communications] channel with Moscow rather than relying on traditional government systems.”

This alleged request by

Kushner, the White House aide who conceived of and planned Mr. Trump’s just-concluded, multi-country trip, “adds to a broader pattern of efforts by Trump’s closest advisers to obscure their contacts with Russian counterparts.”

Interestingly, The Post apparently received its tip about this story through an anonymous letter it received in December — whose full contents the newspaper has not revealed.

Report: Trump Tells Allies He Plans to Remove U.S. From Paris Climate Agreement

U.S. President Donald Trump has informed multiple individuals, including EPA Administrator Scott Pruitt, that he intends to remove the United States from the Paris Climate Agreement, according several sources.

On Saturday night, Axios [reported](#) the news based on “three sources with direct knowledge.”

Breitbart News has independently confirmed this reporting and that Trump has told others the same thing: **that he plans to withdraw the U.S. from the agreement.**

Earlier on Saturday, the President tweeted from Italy that he would make his final decision next week as to whether the U.S. will remain in the Paris Accord. He was in Italy for the G7 summit at the end of his first overseas trip, which was preceded by visits to Saudi Arabia, Israel, the Vatican, and Brussels.

While at the G7 summit, **Trump was heavily lobbied to endorse the Paris Climate Agreement, but he declined to do so. The agreement was entered into under the Obama Administration. German Chancellor Angela Merkel characterized climate change talks with Trump as “very unsatisfying.”**

[Salvadoran Officials Overwhelmed by Returning Deported Gang Members](#)

Officials in El Salvador held emergency meetings after seeing a sharp increase in the number of violent gang members being deported back to the country from the United States under the Trump administration.

Many of the returning gang members belong to MS-13, a notoriously violent street gang that has plagued communities throughout the U.S. with horrific acts of violence.

Although MS-13 started out in Salvadoran communities in Los Angeles sometime during the 1980's, lax immigration policies and weak border security helped the gang explode in size as MS-13 originated from illegal immigrants, Breitbart Texas [reported](#).

The recent [murders](#) of four teens in New York City have put MS-13 in the national spotlight with Attorney General Jeff Sessions declaring that U.S. authorities are going after the gang.

“The MS-13 motto is kill, rape, and control,” Sessions [said](#). “I have a message to the gangs that are targeting our young people: We are targeting you. We are coming after you.”

[++ Will There be a Civil War If Trump Is Impeached?](#)

Thursday, May 18, 2017 By Paul Martin By Dave Hodges

Never before have we seen such a collection of mainstream media outlets to conspire to take a sitting President out of office. The [Washington Post](#) (a proven front for the CIA), ABC News, CNN (another CIA controlled operation) and the New York Times have presented a uniform front of falsified evidence against

Donald Trump with absolutely no concrete evidence that Trump has violated the law and should be impeached and criminally convicted and sentenced.

Trump is accused of conspiring with the Russians to fix the results of the election. He is also accused of leaking intelligence information to the Russians. Further, it is alleged that Trump obstructed justice.

The evidence for these crimes is absolutely nonexistent. There has not been one shred of evidence to support any of these allegations. The closest that the Deep State has come to producing evidence is the word of one man immediately after being fired by Trump and I am referring to James Comey. Comey allegedly wrote down content related to conversations he had with Trump in which Trump “obstructed justice” by telling Comey to stop investigating Flynn. If this were true, Comey would have been required to report this to the Department of Justice, IMMEDIATELY! Comey, by not reporting the allegation, either obstructed justice or is lying. There is no other evidence to support these allegations.

As I said in yesterday’s article, **the clear intent is to keep Trump and Putin divided because of their expressed common desire to eliminate child-sex-trafficking from the landscape of government and Deep State politics.**

While the people of this country live under the mantra of repeating a big enough lie, often enough, the people will come to believe it, the MSM outlets have totally ignored the heinous and serial criminality of Hillary Clinton:

1. Illegally brokered arms deals with 16 nations with terrorist ties and laundered the gifts into the Clinton Foundation through HSBC Bank while James Comey was on the bank’s board of directors.
2. Illegally sold 25% of the nation’s uranium to Russia while husband Bill received overpriced speaking engagements in Russia. This is called treason. By the way, the New York Times first reported these allegations involving Uranium One as the front company.
3. Illegally laundered her ill-gotten Clinton Foundation gains into her presidential campaign.
4. The Clinton Foundation stole \$2 billion dollars in Haitian relief money.
5. Stored national security emails on her private server and attempted to cover it up.

And there are a host of other serious crimes that have gone unpunished by the Clintons; but justice is obviously selective in America today.

Because we are playing in a game with no rules, it is important to know that If Trump is impeached it will be solely based on the strength of fabricated evidence and in most cases, no evidence at all. In today’s Deep State America, false perception is reality. Opinion rules over facts & intimidation rules over the free expression of ideas. We have officially entered the Nazi Germany period of the Enabling Act. If they can pull that off they will come after the guns next. The 1st Amendment and the Internet will most likely soon become strangers. George Soros controls the modern day Brown Shirts. The fate that befell Seth Rich will become standard and with a completely controlled media.

[In Ramadan Massacre, Egyptian Christians Killed for Refusing to Renounce Their Faith in Jesus](#)

As more and more details emerge concerning Friday's Ramadan attack on a **busload of Christians on pilgrimage, the more it becomes evident that these 29 martyrs died solely because they were Christians.**

Survivors of the attack said that the ten masked Islamic State militants did not merely open fire on the bus full of Christian pilgrims, **but that the victims were made to descend from the bus and asked one by one whether they were Christians before being shot by the assailants.**

According to one of the chaplains of the group, as each pilgrim came off the bus they were asked to renounce their Christian faith and profess belief in Islam, but all of them—even the children—refused. Each was killed in cold blood with a gunshot to the head or the throat.

Rev 2:10: Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life.

Rev 2:11: He that hath an ear, let him hear what the Spirit saith unto the churches; He that overcometh shall not be hurt of the second death.

Rev 20:14: And death and hell were cast into the lake of fire. This is the second death.

Rev 21:8: But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

[Why Christians Are Being Slaughtered in Egypt](#)

04/14/2017

<< [Women cry during the funeral for those killed in the Palm Sunday church attacks](#)

[PJ Media](#) On April 9—On Palm Sunday, which starts the week of Easter—**two Christian churches were bombed during mass in Egypt, leaving at least 50 worshippers dead and nearly 130 injured and/or mutilated (graphic images/video of aftermath here).**

Less than four months earlier, around Christmas, another Christian church was bombed in Egypt, leaving 27 worshippers—mostly women and children—dead and wounding nearly 70. On

New Year's Day, 2011, yet another Egyptian church was bombed, leaving 23 worshippers dead.

In 2013, almost 70 Christian churches in Egypt were attacked, many burned to the ground, by Muslim Brotherhood supporters.

Then there are the many "lesser" attacks on Egyptian churches—botched bombing attempts, hate-filled graffiti, and "angry mob" uprisings—that are so "everyday" as to receive virtually no media coverage in the West.

One need only listen to the words and teachings of some of Egypt's Muslim preachers to understand why Egypt's Christians—who are increasingly being slaughtered—and their churches are constantly under attack.

Take Dr. Ahmed al-Naqib, for instance. He has studied at the best Islamic madrassas, including Al Azhar, authored numerous books on doctrine, received awards and decorations for his academic achievements, and regularly appears on television. In [one video](#) he appears discussing an earlier Muslim mob attack on a church in Egypt.

Citing revered Islamic texts including the Koran, Dr. Naqib explained that the open display of *shirk*—which is the greatest sin in Islam; associating someone else with God, which the Koran accuses Christians of doing via the Trinity."

In other words, and as he went on to make perfectly clear in the remainder of the video, it is not wrong when Muslims attack Christian churches—far from it—but it has to be done when Christians are allowed to flaunt their *shirk* (or "blasphemies") in churches near Muslims. Fighting that—even to the point of "murder and bloodshed"—is preferable.

Then there's [Dr. Yasser Burhami](#), the face of Egypt's Salafi movement, who is as well credentialed and prolific as Naqib: he's [on record](#) saying that, although a Muslim man is permitted to marry Christian or Jewish women, **he must make sure he still hates them in his heart—and always shows that he hates them—because they are infidels; otherwise he risks compromising his Islam.**

Even so-called "moderate" Islamic institutions, such as Al Azhar's Dar al-Ifta, issued a fatwa in August 2009 likening the building of a church to "a nightclub, a gambling casino, or building a barn for rearing pigs, cats or dogs."

Muslims are taught that "building churches is worse than building bars and brothels, for those [churches] symbolize infidelity, whereas these [bars and brothels] represent immorality."

Hence why after the fatal December 11, 2016 church bombing that left 27 dead, "everyday" Muslims wrote things like "God bless the person who did this blessed act" on social media. One average looking Muslim woman appears in the streets of Egypt jubilantly celebrating the massacre ([video](#) with English subtitles). She triumphantly yells "Allahu Akbar!" and says that "our beloved prophet Muhammad is paying you infidels [Christians] back... for rejecting *tawhid*, which must be proclaimed in every corner of Egypt!"

One can go on and on with examples of Muslim clerics and institutions inciting—with absolute impunity—against Christians and their churches in Egypt.

++ Horror Ramadan Kill-a-thon: Islamic State Murders 19 Civilians in the Philippines as 2,000 People Are Trapped by Muslim Terror Group

Sunday, May 28, 2017

This bloody jihad in the Philippines receives little media attention – not much chance of celebrity tweets calling for unity here. The majority Catholic nation has been under siege by Muslims waging jihad. The Philippines has made extraordinary concessions to the violent Muslim uprising. But as we know, that only leads to more violence and more demands for an even bigger Islamic state. Worse yet, these supremacist savages are rewarded. The modern-day manifestation of the caliphate, the Organization of Islamic Cooperation (OIC), had “observer status” in the “talks” between the Philippine government and the jihadist Moro Islamic Liberation Front. Muslim terrorists slaughter and the OIC “mediates.” The Philippines (a former American protectorate and 95% Catholic country) has had to give up territory and “share wealth” with these jihadi rebels. The geniuses over at the New York Times declares that the eruption in Islamic violence in the [Philippines and suicide bombings in Indonesia have found a common bond: ISIS. Wrong. It is Islam.](#)

By Afp and Darren Boyle for [MailOnline](#), 28 May 2017:

This week 85 people have died in street-to-street battles between the Philippine army and terrorists in the southern third of the country.

Officials said the 19 civilians were murdered by the terror group in the mostly Muslim city of Marawi, which has a 200,000 population.

Another false narrative he criticized was the fiction [that radical Islamic organizations won't cooperate, especially if they fall on opposite sides of the Sunni-Shiite divide.](#) Haney stressed that obedience to sharia law — which he said radicals across the sectarian spectrum are “eighty percent in agreement on” — and the desire to impose it upon secular governments was a powerful common interest. “It’s like the solar system, and sharia is the Sun,” he said of the Muslim continuum.

The centrality of the Islamic legal code to radicals cannot be overstated; he observed that all of them list imposing sharia as one of their primary goals and believe strict adherence to sharia is a defining attribute of true Islamic faith.

This is precisely the understanding that the Obama administration aggressively prevented counterintelligence analysts from reaching. Haney noted analysts are not supposed to discuss concepts like sharia or jihad because such discussion is deemed “insensitive” to non-radicalized Muslims.

ANY QUESTIONS?

So why are so many liberals suffering from cognitive dissonance and don't even realize it as they blindly support the rights of unlimited Islamists to come into America: *The Koran forbids women's rights, marital choice, free speech, gay rights and religious rights.*

Why would liberals, many of whom are women and gay, support the rights of those who want to outlaw their own rights? As this 2016 story from Town Hall reports, Muslims overwhelmingly hate everything liberals stand for! What will it take for liberals to stop giving terrorists who want to slaughter them for who they are a free pass?

According to a true women's rights activist, former Muslim Ayaan Hirsi Ali (who was raised in Somalia), in a recent Fox News interview: **She said on "Tucker Carlson Tonight" that radical Islamic terrorists "don't go to liberals and say thank you so much, we'll stop terrorizing you" because of some on the left refuse to identify terrorism's religious component. Islamists only seek a Sharia-compliant world, Ali said, in the wake of Wednesday's attack in London, a city with progressive leadership, "and whoever is in their way is their enemy."**

Routine arrest of arguing Muslims leads Minneapolis police to huge weapons cache and bomb-making devices

It's a blockbuster news story wrapped in nonchalant, minor-league reportage. Two Muslims, Abdullah Alrifaha, 27 and Majid Alrifaha, 26, both of Minneapolis were arrested with a huge cache of weapons. According to police, both men gave their address as a nearby public housing building. They live in public housing, of course, on the taxpayer dime. Jizya. Both jihadis have a criminal history. Abdullah has prior convictions for the same offense, carrying or possessing a pistol in public without a permit. He has also been convicted of receiving stolen property. Both men are listed as having numerous arrests, not only in Minnesota but also in Texas.

Who are these jihadis? Both of these devils have been convicted of gun related crimes before. Were they ever investigated? What mosque do these Muslims belong to? What were they planning on attacking? How many others are involved?

These are questions the Star Tribune didn't think to cover or ask. The lack of coverage and actual news about this thwarted attack is deeply disturbing.

Note the supremacist attitude of these Muslims when approached by police.

Routine arrest leads Minneapolis police to arsenal

[Star Tribune](#), May 15, 2017:

Minneapolis police uncovered an arsenal of guns and bomb-making devices during a routine arrest last week.

According to police, a man walked by a parked car in north Minneapolis about 5 p.m. Thursday and confronted the people inside after they threw food wrappers on the ground. They ignored him until he paused to get the car license number. The men then got out of the car and indicated they had guns, according to a criminal complaint filed Monday.

The man flagged down officers, the complaint says, but the men from inside car continued to yell at him and resisted the officers' attempts to control the situation. The men were insistent they needed to be near the car because a drone was coming to deliver a package, the complaint said. **Because of the suspicious circumstances and fear for the man's safety, the men were placed in the squad while officers searched their car.**

Inside, the officers found a hand grenade, handgun, assault rifles and magazines and a large quantity of ammunition, the complaint said. They also found cellphones, computers and electronics equipment, including drone parts.

Bomb squad personnel called to the scene noted that the large amount of ammunition and electronic devices could be used for bomb-making, the complaint said.

Abdullah Alrifaha, 27, of Minneapolis, was charged with a gross misdemeanor for carrying a pistol in public without a permit. In December, he was convicted of the same offense.

It could not be determined whether the FBI or another federal agency is investigating.

Mosque Takes Over Pentecostal Church in North Carolina as Pastor Prays to Allah in Opening Service

EDITOR'S NOTE: *What does the compromised Laodicean church look like these days? It looks like this. Local pastors in North Carolina not only helped a mosque to take over a church building, but they also participated in the opening service in prayer to the moon god Allah. Do you think these pastors took a moment to tell their new Muslim neighbors that without becoming born again by faith in Jesus Christ alone or they would burn for an eternity in a place called Hell? Nope. That would be hate speech.*

"It's open faith; we're brothers," Liar: The Quran describes Allah as the best deceiver there is, a liar who is not above using the same evil and wicked schemes of his opponents & encourages his followers to do the same!!!: Ali Mohammad, an

organizer of the mosque, tells North Carolina's [News & Observer](#). **The Muslims are stripping the church of its Christian roots, including removing any crosses and handing them over to pastors in the area.**

When they opened on Saturday, Christian clergy, including Pastor Jim Melnyk of St. Paul's Episcopal Church, participated in the ceremony. Other pastors from Methodist and Baptist congregations were also present.

"I see it as an important statement of community, that we take each other's faiths seriously," Melnyk says. "I want to acknowledge how important it is to build

bridges in the community when we're living in a time that is so anxiety ridden and there's so much mistrust going on in the world around us. It's important when we can find common ground and share our community."

Hear the Word of God Pastor Melnyk!!:

2Co 6:14-17: "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people. Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you..."

But Melnyk's participation is not just a gesture of neighborly compassion.

"Christians, Jews and Muslims are all people of the book, and we all claim what the Hebrew Scriptures call the Abrahamic faith," Melnyk says. "We call it the Old Testament, and Muslims also claim the Bible."

He says he personally worshipped Allah during the service.

"Obviously I'm a Christian, and I would not live comfortably within the full teachings of Islam, but I can recognize where we share teachings, and recognize the call to treat one another mercifully, and as the one God treats us mercifully, and that translates equally into Christianity as well as it does Islam," Melnyk says. [source](#) **Comment: Yes and just hearken back to all the mercy I just documented from just the last month alone about Muslims slaughtering Christians around the world mercilessly!!!!!!**

WATCH: Muslims Make Sickening Move To Take Over Senate Floor With Prayer, Proud Veteran Steps In Immediately

Two Muslim men took over the Delaware Senate floor this week to pray to Allah in an Islamic prayer. In a disturbing twist, many senators submitted to the Muslims by bowing their head in prayer as well.

Senator Dave Lawson, a proud veteran, wasn't having any of it, however.

[Right Wing News](#) reported that after the prayer was over, Lawson went to the Senate floor to slam his fellow senators for their poor example of courage and respect for their country. He explained that the senators had bowed their heads in reverence for a religion that has called for the demise of their country, and the people.

"We just heard from the Quran, which calls for our very demise. I fought for this country, not to be damned by someone that comes in here and prays to their God for our demise. I think that's despicable," Lawson said.

Unsurprisingly, Democratic senator David McBride spoke out to rebuke Lawson for what he said.

"I have never been of the mind to censure the words of other members, but I also believe deeply that words have consequences," McBride said. "To criticize the sacred prayer of another religion from the floor of the Senate strikes me as antithetical to everything we ought to stand for as lawmakers."

Lawson refused to back down.

“Their belief flies in the face of our Constitution,” he fired back. “This is not our Bible; we should not be allowing them to pray from that book in our house, just as I do not believe I would be allowed to pray from my Bible in their house.”

Islamic Takeover Increasing – American School Surrenders to SHARIA LAW
[Apr 13 MAGAZINEFORLIFE](#)

Islam does NOT mix with Western society at all, and, yet, liberals keep trying to force it on us and our children. It's time to stand up and say, "Not in MY country!" The San Diego Unified School is now giving in to Sharia Law and Muslim culture as a whole. (via [San Diego Unified Tribune](#)). In an attempt to stop the "bullying of Muslim children," the school has implemented some non-traditional methods. Not only are these methods inappropriate, but they are also hypocritical and downright dangerous.

The changes start off by adding all of the Islamic holidays to the school calendar. The students are also expected to celebrate and respect these holidays. Next, students are expected to learn more about “key” Islamic figures in history. They are also going to change the Social Studies courses to show important events that happened in the history of Islam. “Safe spaces” will be set up all around campus for the Muslim students. The goal here is to fight so-called “Islamaphobia.” The truth is, this is going to cause more problems than it is going to solve

Letters are going to be sent out to staff and family of the students. The purpose of the letter is to let everyone know that this is going to happen. They are going to also provide additional information about the Islamic culture.

Finally, they are going to punish children suspected of bullying Muslim students. However, these punishments are also extremely odd and Islam-centric. Detention is going to be a thing of the past. Now, they are going to have to work with Muslim students and learn more about the culture. **Essentially, their punishment for suspected bullying is to be BRAINWASHED into accepting Sharia law.** It is alarming and extraordinarily inappropriate that these steps are going to take place. It is astounding how hypocritical all of this is when compared to the actual religion of Islam. One of the major pillars of Islamic culture is that you should KILL the people who do not follow the religious teaching. It does not say you should politely teach them why it is a good and happy religion, it says KILL them! Couple this factor with the way everyone is making Muslims out to be victims of bullying. Muslims are just as likely, if not more likely, to bully other students for NOT believing in the same religion. Why are they being coddled like this? What kind of world do we live in where we all have to submit to the rule of Islam because, if we don't, it might hurt someone's feelings?

You never see any other religion put in the spotlight in this manner. This special treatment where Islam is concerned could have a HUGE impact on the rest of our culture. What if we get to the point where we have to obey Sharia law at our jobs? Or in our homes? We need to stop this kind of behavior in its tracks — NOW. This PC culture is out of control!
