Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

"Bolton appointment proves that Trump is being blackmailed!" Q-squared Delivers a Set of Serious Messages About the POTUS

SOTN Editor's Note: *Many who follow this Alt Media platform know that SOTN has been receiving authentic intel from authoritative and high-integrity sources since*

2010. What follows is another excellent example of patriots in high places who are both in the know and who have great courage. It simply doesn't get more radioactive than this.

The following deep insider's "intelligence briefing" was forwarded by a heretofore unknown entity who

calls him or herself Q². (Q² is not “Q” or “Q Anon”. They are an entirely different intel entity.) No doubt they chose SOTN because of a previous screed that we posted about John Bolton. And, because of the following series of articles that have been posted at SOTN since Trump announced his appointment of the inveterate Neocon warmonger to National Security Advisor. As follows:

With John Bolton’s appointment as Trump’s new national security adviser, the circle closes on any remaining hope of the 45th President of the United States embarking on a different course from every other president that has preceded him in the Oval Office in recent years, when it comes to foreign policy.

A devoted disciple of the ‘bomb them to h### and ask questions later’ school of US politics, Bolton’s hawkish foreign policy credentials are so extreme he makes John McCain seem like Bambi by comparison

Now here’s the real back story from Q². Edits to Q²’s original submission have been made where necessary and/or appropriate.

Q² here:

Trump is being blackmailed—BIG time!

First, know that he only won the election with the help of Israel.

Israel needed a Christian Zionist in the White House.

Many reasons for this. Examples:

- Israel can only contain Iran with US military.
- Turkey can no longer be counted on to play the NATO game.
- *Greater Israel* project was hugely thwarted by Putin.
- Pipeline through Syria stopped.
- Netanyahu under serious threat of removal.
- Russian presence looms large in Northern Levant.
- Israel wants Russia’s naval base at Tartus, so Syria needs to be gone.
- **Only an Israel firster can fix it for Tel Aviv (even though it can’t be fixed).**

Enter Zionist John Bolton.

And Neocon hardliner Mike Pompeo.

And CIA torture queen Gina Haspel.

And many other COERCED [and disastrous] appointments made by Trump.

~ End of 1st message ~

Q² here:

Secondly, know that Trump has a seedy underbelly.

How could he not?

Anyone who spent his career as a NYC builder,

And a gambling casino owner and operator.

And a beauty pageant promoter—Miss USA, Miss Universe & Miss Teen USA.

And a global golf course developer, etc. would be vulnerable.

VERY vulnerable!

Just look at gambling magnate Steve Wynn in Vegas. One week and he's gone—for good.

In each of his enterprises, Trump had “tremendous” (his fav word) exposure.

Especially to real bimbos. Who Trump liked.

But especially — ESPECIALLY — to MOSSAD honeytraps.

No one does it like the Israeli secret services.

That's how they got Clinton hooked up with Lewinsky.

Monica was a classic MOSSAD honeypot.

Netanyahu wanted Clinton to free Israeli spy Jonathan Pollard.

He wouldn't, so they trapped him off with a scandalous White House affair...

And then a torturous impeachment process.

~ End of 2nd message ~

Q² here:

Since day 1 Trump knew that the MOSSAD knows every dirty little secret.

There are many! Some are quite dangerous to his presidency.

The most dangerous are held over his head like the “sword of Damocles”.

Some lurid material was released to the public during the campaign as a warning.

There was even a British article about a ‘rape’ pre-election!

Now the X-rated content is being released to compel his compliance.

It comes in drips and drabs.

Every money-grubbing bimbo comes forward at a specific time.

Each operative or MOSSAD agent ratchets up the pressure to achieve a result.

In the beginning, the main message was to remind Trump who he really works for.

However, now the real game is on.

With each passing month since inauguration the POTUS must carry out his mission...for Israel.

That mission can only be accomplished by a Christian Zionist, real or perceived.

Trump was given a VERY long leash to strut his stuff. He really is a nationalist.

In this way his handlers knew he would corral the patriots...which he did.

Now they want him to form an administration of hardcore warhawks. Which he's doing.

All of this is to push the nation into a war posture.

~ End of 3rd message ~

++ Q² here:

The Stormy Daniels affair is being kept in the media spotlight for various reasons.

The public is being exposed to Trump, the philandering husband.

Now there's "Playmate of the Year" Karen McDougal.

If the directors of this Israeli psyop wanted to, they could parade many more.

This is how they do it.

They maintain a steady stream of bad press so that the victim is on edge.

They never know when the other shoe will drop.

However, in Trump's case, they have all the goods.

The most incriminating evidence, both real and fabricated, would end his presidency.

And he knows it.

This is how they keep politicians the world over dangling from a string.

Trump has had much interaction with younger women over his entire life.

He has been in countless compromising positions—literally and figuratively.

The MOSSAD owns his entire file.

Got it?!

~ End of 4th message ~

Q² here:

Remember, Trump would not have beat Hillary were it not for Israel.

Israel controls so much more than they are given credit and blame for.

The statewide voting systems are a cinch for those cyber-crackerjacks.

Once they put Trump in the White House, what else could be expected.

War ... and more war...particularly for Israel.

And only the U.S. military machine can do that.

What you are now seeing is a steady drumbeat for war across the USA.

The warhawks are being brought back in by Trump to lead the charge.

These are the same chickenhawks under W. Bush.

They never saw an American war they didn't like.

Trump has signed every defense appropriation because of this push to war.

He has mentioned the need to strengthen America's military every week.

He has stacked his key appointments since day one with flag officers.

Some of these are even on active duty.

Many of them you don't even know.

Nor do you know where they work in the West Wing.

The whole Executive Branch is being hardened for war.

If not a regional war in the Middle East, then the hot phase of WW3.

All of these war plans are being coordinated with NATO.

The UK is taking the lead as always.

Selected countries in the EU are also being prepped.

Germany, France, Netherlands, Belgium, Italy...all the usual militaries.

~ End of 5th message ~

Q² here:

How does Trump get out of this one?

They really do have him *right where they want him*.

Trump is a peacemaker at heart.

His inaugural address speaks volumes about his truest intentions.

However, he underestimated the power of *Deep State*.

Trump also did not realize that he would have to sign a contract.

As the CEO of the U.S. Government, Inc., he was forced to sign the contract that every POTUS signs before they are sworn in.

Not only does the presidential candidate promise not to prosecute any former POTUS, VPOTUS, etc., they agree to many other unsavory things.

Any violation of said contract occurs on pain of death...or worse. [See Endnotes]

That's why Trump changed so much once he entered the Oval Office.

No person on Earth could resist the dictates of the Shadow Government.

This isn't City Hall, this is the U.S. Federal Government.

Now what can he do?

~ End of 6th message ~

Q² here:

Trump knows that he will lose his base if he starts a war.

Any war, and Trump is toast.

His constituents voted for a peacemaker, not a war-maker.

If he proceeds down the current path, his term will be ended.

Trump cannot fight both the *Left* and the *Right* at the same time.

If he betrays his base, he will never be re-elected.

If he fires one more missile in the wrong direction, he's history.

Trump knows this.

His team of patriots knows this. So do the white hats.

His handlers know this, but they don't care....

Trump is expendable since they put Pence right next to him.

Pence will prosecute any war he's handed.

Trump knows this.

This is why he's between a rock and a hard place.

~ End of 7th message ~

Q² here:

Nothing occurs in the White House without Israel knowing.

Actually, the Neocon Zionists know well in advance of any presidential initiative(s).

This is the way it's been since Kennedy.

And that's why every POTUS must sign the contract.

They don't want another JFK, and that includes Trump.

Which means that Trump will soon be forced to make decisions that violate his promises.

With the warmongers assembling quickly, they are on a serious mission.

~ End of 8th message ~

Q² here:

Spring 2018 appears to be their chosen time frame to stage a major conflict.

The warmongers are now out in force.

Just like the Iraq War, the same chickenhawks are squawking loudly.

First they used the *Left* and the media to incite a war against Russia.

Before that they used the *Right* to promote war on Iran.

All the while, the Zionists waged an apocalyptic war against Syria.

North Korea was thrown into the mix of dangerous regimes.

The same Neocon Zionist warmongers even conjured up a new "Axis of Evil".

Trump himself was used to trumpet “Iran, North Korea and Syria” as the greatest enemies of humanity.

Now he’s expected to perform on his false and empty proclamation.

What’s he going to do?

If he breaks the central campaign promises that got him elected, he’s history.

Unfortunately, the Bolton appointment proves that Trump is being blackmailed.

Many other recent appointments indicate the same.

These bad actors are taking center stage for a specific reason.

Each of them will be used to provide Trump cover.

They will tell us the decisions to go to war are not his.

They are the best advice of his top advisors and military brass.

This is how they will march President Donald Trump to war.

And how he will be used to march America to war.

Whether Trump marches to the beat of a different drummer remains to be seen.

~ End of 9th message ~

The bottom line here is that the President Donald Trump is undoubtedly susceptible to blackmail and coercion. This perilous vulnerability is clearly Trump’s *Achilles heel*. It’s also why he was permitted his presidential victory.

SOTN wrote about this stark reality back in January here: [‘Stormy Daniels’ Psyop: Why now and who’s behind it?](#)

This situation is much more serious than meets the eye. The world is being set up for World War III as we write this. Hence, every American is now obligated to act — with conviction and all deliberate speed — to prevent yet another Neocon Zionist war.

Everyone needs to very seriously consider that:

“Trump is being blackmailed!” — Q²

When this is surely the case, Trump needs the help of *We the People* more than ever. He can’t do this alone. The American Republic can only be saved by God. Trump has already done more to liberate the U.S. citizenry than anyone else in history.

Let’s get busy!

Excerpt regarding the contract signed by every POTUS since President John F. Kennedy

“They will even go so far as to make Trump sign a confidential contract which they can, and will, enforce in any number of ways. That contract includes a strict promise not to prosecute any former president for war crimes or any other high crimes and misdemeanors. As a matter of fact, every single president since JFK has been forced to sign such a contract which is only broken on pain of death. Furthermore, according to his contract, Donald Trump would essentially agree to follow the dictates of the World Shadow Government so that the compromises as president would start to come fast and furiously ... and fairly soon after his inauguration. In other words, his biggest campaign promises will be broken and forgotten as though he never made them.” (Source: [*Donald Trump Is In Serious Trouble.....If He Really Is His Own Man*](#))

Donald Trump's base of hardcore supporters is in uproar over his decision to sign a \$1.3 trillion spending measure which puts more money towards walls being built in other countries than the wall that was Trump's centerpiece campaign promise. Despite suggesting he would veto the bill earlier in the day, Trump signed it hours later. Ann Coulter went on to point out that the bill does more for building walls in other countries than the one Trump promised during his campaign. “MASSIVE DEFENSE SPENDING to induct transgenders & build BIG BEAUTIFUL walls ... in Jordan, Lebanon, Egypt, and Tunisia,” tweeted the conservative author.

“It might be my memory, or maybe I'm just getting hard of hearing, but I don't recall chants of “dramatically increase military funding” and “protect dreamers” at Trump's campaign events,” remarked Stefan Molyneux, who described the package as the “swamp spending bill”.

[Ann Coulter: 'In One Generation' U.S. Will Be 'South Africa,' Trump 'Betrayed' Voters with 'Paul Ryan Republicanism'](#)

by JOHN BINDER BreitBart.com 24 Mar 2018

New York Times best-selling author and populist conservative columnist Ann Coulter says the United States will, “in one generation,” become South Africa after President Trump signed off on House Speaker Paul Ryan’s omnibus spending bill that does not include a single provision from the president’s 70-point list of pro-American immigration reforms.

In an interview with Fox News Radio’s Tom Shillue, Coulter slammed Trump, saying he has “betrayed” his base of supporters by signing the omnibus without it including any border wall funding, increasing the “Catch and Release” program, and not adding any new deportation agents to help deport illegal aliens living in the interior of the country.

“I can’t imagine how it could be any worse,” Coulter said. “There’s zero funding for the wall, and in fact, he’s prevented from putting up even one little inch from those prototypes. No, all he can do is build a little pedestrian fence. Nothing that he’s been looking at. None of the prototypes, totally banned.”

Coulter is referring to a provision in Ryan’s spending bill that specifically bans Trump from using any of the new border wall designs his administration has commissioned, only allowing instead for previously-used fencing barriers to be constructed.

Trump has previously noted how that fencing has not been effective in stopping illegal aliens from pouring across the southern border.

“No, the bill actually prohibits him using any of the prototypes,” Coulter continued. “It states what kind of ‘barrier’ can be used, i.e. one that we’re absolutely sure Mexicans can get across.”

“He can repaint some fences,” Coulter said. “There’s a fence down by the San Diego border and he can repaint that.”

Coulter said that unlike her previous pleas to voters to vote for Republicans over Democrats, when it comes to the 2018 midterm elections “there’s no point.” because GOP and Democrat lawmakers “seem to all agree: They want open borders, cheap labor for the Koch brothers, voters for the Democrats. I think we’ll all be in happy unison for the end of America.”

Principal Removes Student Carrying Sign Saying 'Guns Don't Kill People, People Kill People'

Citigroup Imposes Restrictions on Client Gun Sales--Mass Exodus From CitiGroup After They Go Full Anti-Second Amendment - Gun Control By Proxy Backfires Again

After Dick's Sporting Goods arbitrarily decided to jump into the anti-second amendment battle by refusing to sell sporting rifles and banning sales of those weapons to anyone under 21, they announced they had seen "deeper than expected sales decline, as their stocks sunk."

While they were praised by anti-second amendment activists pushing for new gun control laws, that praise did not bring them new customers, but it did cost them the business of second amendment supporters, which was the predicted outcome when a business decides to step into the political fray.

Dick's, along with Walmart, are now being sued for age discrimination, with one suit claiming Dick's is violating the Elliot-Larsen Civil Rights Act, which "prohibits discriminatory practices, policies and customs on the basis of religion, age, race, national origin, sex, height, weight and other factors," according to multiple reports.

Ignoring the lesson of the whole Dick's Sporting Goods fiasco, on March 22, 2018, CitiBank announced new "Firearms policy," in which they decided to tell companies that do business with them what the "best practices" are regarding firearms. In other words, Citi Group is attempting to force companies to comply with their political ideology.

Via [Citi Groups' press release](#):

But we want to do our part as a company to prevent firearms from getting into the wrong hands. So our new policy centers around current firearms sales best practices that will guide those we do business with as a firm.

Under this new policy, we will require new retail sector clients or partners to adhere to these best practices: (1) they don't sell firearms to someone who hasn't passed a background check, (2) they restrict the sale

of firearms for individuals under 21 years of age, and (3) they don't sell bump stocks or high-capacity magazines. This policy will apply across the firm, including to small business, commercial and institutional clients, as well as credit card partners, whether co-brand or private label. It doesn't impact the ability of consumers to use their Citi cards at merchants of their choice.

The social media reaction to @citi's announcement was an immediate mass exodus, with users closing accounts, tearing up cards, closing accounts at Home Depot, Sears, and other companies that use CitiBank credit cards, as can be seen in their Twitter announcement thread, as users took them at their word and decided to "transition their business away from Citi."

Another immediate reaction could be seen in the fall of their stock prices, which coincidentally started right after they announced they were going full anti-second amendment.

Left Wing Fascists Directed and Funded Brain Washed Teens to Descend on DC for Anti-Gun 'March for Our Lives'

Jim Watson/AFP/Getty Images by Penny Starr 23 Mar 2018

A march first announced by students who attend the Florida high school where 17 people were shot by a deep state, black op, government kill team last month has morphed into a worldwide anti-gun, anti-Second Amendment, anti-Trump protest directed, promoted, and funded by left-wing adults and adult-led organizations.

According to the March of Our Lives website, hundreds of cities across the country and even around the world will be protesting on Saturday in favor of gun restrictions, including banning certain types of guns, age limits for gun purchases, and background checks required for every gun sale.

The Associated Press is reporting that as many as one million people will attend the main march in D.C., and the National Park Service (NPS) issued a permit showing it is planning for 500,000 people on and around the National Mall on Saturday.

MTV announced that it had joined the left-wing civil rights group and a list of celebrities, including Lady Gaga, Jennifer Lopez, and NBA star Carmelo Anthony, to send "17 busloads of youth" to the gun control march kicking off.

Lady Gaga also chimed in, writing, "Our bus will be one of 17 buses, representing the lives lost in the Parkland shooting and those lost every day to gun violence."

On March 21 Breitbart News reported that Fallon encouraged late-night viewers to support the gun control march. He said, "I just want to remind everybody that this Saturday, March 24, students from Marjory Stoneman Douglas High School have organized a march in Washington. It's called the March for Our Lives, and it's to tell the government, loud and clear, that we demand change on the issue of gun control."

George Clooney, Oprah Winfrey, Jeffrey Katzenberg, and Steven Spielberg each pledged \$500,000 to the gun control march.

'Hitler Youth' Student Gun Control March Invades Washington
Follows in footsteps of Nazis who disarmed Jews before the Holocaust
Mike Adams | [Natural News](#) - March 24, 2018

The "Hitler Youth" invasion of Washington D.C. took place today as young fascists-in-training were corralled into the nation's capitol to demand that government authoritarians strip away the civil liberties of all law-abiding Americans in the name of "gun control."

Just like Hitler Youth enthusiasts, these fascists-in-training are told they're "saving lives" for "a better future," and that the only thing standing in their way is a bunch of violent gun owners who want to murder every baby in sight. (The irony of all these left-wingers actually condoning the abortion murder of babies, of course, is completely missed in all this.)

What none of these children are being told, of course, **is that Hitler took away gun rights from the Jews before exterminating six million of them in the Holocaust.** It's so much easier to commit genocide, Hitler discovered, when the people you're trying to murder can't fight back.

Echoing the madness of the Third Reich, the propagandist-in-chief of today's lunatic Left anti-gun movement is David Hogg, a profanity-laced, foulmouthed student who is seething with anger and seems forever on the verge of outright calling for all gun owners to be exterminated by the government.

In a recent interview, shown below, foul-mouthed Hogg, a student at the Parkland school shooting in Florida, says that gun owners and the NRA are "pathetic f###kers who want to keep killing our children" and adds, "They could have blood from children splattered all over their faces and they wouldn't take action, because they all still see those dollar signs."

David Hogg's profanity-laced rant was so obnoxious, arrogant and deranged that YouTube systematically censored all the profanity-laced David Hogg videos in order to protect his public image. (Yes, YouTube is now running interference for David Hogg, making sure his public image is squeaky clean while he ravages gun owners with the most deranged, foul-mouth language imaginable.)

Crisis Actor Hogg, who has arisen as the chief propagandist in the left-wing fascist "Hitler Youth" army, is completely opposed to adding security to public schools, even though a recent school shooting was stopped in 60 seconds by an armed security resource officer. It seems like Hogg actually wants more children to be murdered so that he can get more air time on CNN to push his radical, fascist-like Third Reich call for disarming all the people he personally hates (and wants to destroy).

Also don't forget that David Hogg was featured in a photo tweet by his sister, Lauren Hogg, promoting new Nazi-like armbands to demand gun confiscation from the American people. "David Hogg And His Sister Create Nazi-Like Armbands To Promote Gun Control," reports Squawker.org:

<< Lauren Hogg, the younger sister of David Hogg has created special armbands for gun control advocates to wear to school, the March For Our Lives demonstration, and anywhere else you think you can wear it. The band, of course, is to be worn on your arm, and the symbol in the middle resembles a peace sign. But does it really?

The Meaning of the PEACE SYMBOL or NERO'S CROSS
A broken, upside-down cross. To Roman emperor Nero, who hated and persecuted the early Christians, it meant destruction of Christianity. Revived in the sixties by hippies and others who protested nuclear weapons, Western culture, it now symbolizes a utopian hope for a new age of global peace and earth-centered unity. But many heavy metal rock fans would agree with Nero and use it to mock Christ and His followers. This symbol is the Teutonic rune of death. & in black masses a clay cross is held upside down and broken downward to form this same shape, as the peace symbol as a way of blaspheming Jesus Christ and His victory over Satan on the cross.

If the Hogg armband for gun control looks familiar, it should:

And here's a photo of David Hogg sporting his "peace symbol" Nazi-like armband while demanding gun control:

Many people don't remember this, but the Nazi symbol (swastika) also began as a peace symbol. **Many of today's anti-gun Leftists are openly promoting a rainbow variation of the Swastika as a "symbol of peace:"**

The Meaning of the SWASTIKA

Ancient occult symbol of the sun and the four directions. **Revived by Hitler, it represents racism and the "white supremacy" of neo-nazis.** Like other occult symbols, it is often placed inside a circle. The swastika is actually a pre-Hitler elitist symbol that has been found in the Skull & Bones vault at Yale. There is also a swastika on the gravestone of John Ruskin (mentor of Cecil Rhodes, who formed the secret Society of the

Elect 'to take the government of the whole world,' in Rhodes' own words). In *TIME AND TIDE* (1867), Ruskin wrote that "...the Government must have an authority over the people of which we now do not so much as dream." According to award-winning author Alan Axelrod, Ruskin was 'reportedly a student of the ILLUMINATI.'

In today's rally, David Hogg became a full-fledged propaganda politician-in-training, reading from an obviously scripted speech, full of flowery words and high ideals that covered over his real goal: The complete disarmament of all law-abiding Americans. Hogg is actually calling for a "revolution" against gun owners, reports ABC News. What kind of revolution? A violent revolution, of course. "Hogg ended his his speech with the black power salute," reports The Gateway Pundit.

It's extraordinary that David Hogg not only uses the same sort of vile, hate-filled rhetoric of Adolf Hitler and Joseph Goebbels, but Hogg actually physically resembles Joseph

Goebbels as the following photo reveals:

That's Hitler's top propagandist on the left, and David Hogg on the right. Both of these figures were heralded by state-run media; both invoke dangerous language of hatred, violence and profanity; and both demand that We the

People give up our liberties so that the fascist tyrants can have absolute power and control over everything. They also both claim this is necessary “for the public good” and to “keep the children safe.”

It's not difficult to see David Hogg replacing the Nazi soldier in this photo, holding the gun and firing a bullet into the head of a conservative Trump supporter while screaming, “IT'S FOR THE CHILDREN!”

The moment you give up your guns, you invite radical left-wing fascists to sweep across the country and commit mass murder and genocide

Once you give up your guns, of course, that's when tyrannical regimes start cranking up the ovens and waging mass arrests of enemies of the state. Hogg, of course, is too stupid and evil to realize any of this, but he has been elevated to almost saint-like status by the anti-gun left-wing media, which despises individual liberties, truth, logic and reason. The very fact that their No. 1 spokesperson for gun control is an 18-year-old angry fascist-in-training tells you just how weak their position really is. (Seriously, this lunatic is the best they can drum up?)

Nobody seems to have told David Hogg that his outrageous rantings and foul-mouthed attacks on gun owners line up almost perfectly with Adolf Hitler, Fidel Castro, Joseph Stalin, Mao Tse-Tung and all the other gun control tyrants that have committed genocide and mass murder throughout history.

Oregon Initiative Requires Gun Owners To Surrender 'Assault Weapons' 'This explicitly comes for your guns,' says congressman

Oregon has submitted a proposal to ban assault weapons and high capacity magazines in a ballot initiative petition.

The proposal, called Initiative Petition 42, would require legal gun owners “to surrender or register their assault weapons or face felony charges.”

“The proposal defines an assault weapon as any semiautomatic rifle that has the capacity to accept a detachable magazine, and any feature like folding or

telescoping stock, or that can accept more than 10 rounds of ammunition,”
[reported](#) KGW News.

The proposal would require citizens in legal possession of an “assault weapon to sell, surrender or remove the weapon from the state, or render it inoperable, within 120 days of passage.”

Gun owners are rightly concerned because the language of this bill classifies a huge percentage of firearms as “assault weapons,” and any violation of the proposal would be considered a Class B felony.

“This is completely out of hand — I couldn’t believe it,” Rep. Bill Post (R-OR), told the Statesman Journal Tuesday night.

“I’ve been told so many times by people in favor of gun control: ‘no one is coming to take your guns.’ This explicitly comes for your guns.”

Marxist Wolves Circle the 2nd Amendment

Monday, March 12, 2018 By Paul Martin Jeremiah Johnson SHTFplan.com

There’s no need at this point to pull any punches. **The wolves are circling to bring down the 2nd Amendment. Those wolves are the establishment. There are no political parties: the political parties are merely the illusion of choice. The government has been removed from the control of “We the People” for more than a century. The wolves are the Federal Government, the State Governments, the Local and Municipal Governments. The wolves are the Democrats, the Republicans, and the far-left parties (Communists, Greens, etc.).**

The wolves employ the coyotes: **the youth, misguided and misled, who are interested in partying and doing the minimal to “get by” in life...an entitlement mindset. They know not that they will be “pruned” by the tree-trimmers...the ones who will rout these saplings out before they become aware...aware of the truth. The tree-trimmers are the ones who would chop down the tree of liberty...that selfsame tree that needs (in the words of Thomas Jefferson) to be watered from time to time with the blood of patriots and the blood of tyrants.**

The youth are critical to the wolves from a voting perspective, because (as de Tocqueville wrote) they enable the wolves to attain victory through “the tyranny of the majority,” in which rights are trampled by using numbers to tip the balance and allow majority rule...no matter how mindless or uninformed. No matter that the mindless vote for one reason, while the wolves have another purpose in mind. Coyotes, the mindless, who will be enslaved and pruned when the right time arises.

First the guns: they must have the guns.

On Friday, **Governor (in name only) Rick Scott of Florida signed a new, lovely law that is onerous to the Constitution and directly assaults the 2nd Amendment.**

This excerpt from the AP holds the basic parameters:

...the law,...raises the minimum age to buy rifles from 18 to 21; extends a three-day waiting period for handgun purchases to include long guns; and bans bump stocks. As can be seen, the law is onerous to the Constitution. **There is nothing that needs to be explained about the wording in the 2nd Amendment “shall not be infringed upon,” regarding the right to keep and bear arms. Marbury vs. Madison established the fact that any law that is onerous to the Constitution is null and void, plain and simple.** The paradigm has shifted and is being shifted: the globalist initiative is replacing the Constitution for the new American existing social, political, and economic order. The NRA is filing a suit to prevent it. Nevertheless, the wheels are in motion. You will be fighting against the State...a “creature” with unlimited resources, with the media in its pocket, with thousands of crisis actors/victims and other “living stage props” to use to garner public sentiment against you. FREEDOM FROM WAR: THE U.S. PROGRAM
FOR GENERAL & COMPLETE DISARMAMENT
IN A PEACEFUL WORLD (1961)

This document contains two of the worst fears of American constitutionalists.

These are:

- 1) the delegation of authority to an international governing body and
- 2) disarmament in accordance with that governing body's protocols

This document, which is a real State Department text, doesn't just propose "gun grabbing", it also recommends the disbanding of military forces! Legitimate military functions are limited to "preserving internal order" (a potential attack on the 3rd Amendment) and membership in the "United Nations Peace Force". The actual international disarming process would take place in three stages; these are laid out in the booklet. Also included is the "Declaration on Disarmament" which member nations would presumably be expected to sign on to.

If you want freedom from war, quit electing egomaniacs who love it!

"The manufacture of armaments would
be prohibited except for those of agreed

types and quantities to be used by the U.N. Peace Force and those required to maintain internal order."

Trump White House Declares Support for California-Style Gun Confiscation Orders

Monday, March 12, 2018 By Paul Martin by AWR HAWKINS Breitbart.com

The Trump White House released policy papers Monday declaring full support for California-style firearm confiscation orders.

Breitbart News has a copy of the release and it urges states to adopt Extreme Risk Protection Orders (ERPOs). Such orders allow firearms to be confiscated with a judge's approval.

The White House suggests that ERPOs "allow law enforcement, with approval from a court, to remove firearms from individuals who are a demonstrated threat to themselves or others and temporarily to prevent individuals from purchasing new firearms."

California adopted similar gun confiscation laws in 2015 and Southern California Public Radio reports that 190 orders requiring confiscation were issued 2016-2017 alone.

Florida Gov. Rick Scott (R) signed California-style confiscation orders into law on Friday and the White House is urging other states to follow suit.

On March 1, 2018, **Vice President Mike Pence took pains to focus on the need to guard "due process" in issuing ERPOs. Trump responded to Pence's statement by saying, "Or, Mike, take the firearms first, and then go to court."**

On a Collision Course for Civil War and it Will Begin in California

One of the biggest fears for a journalist stems from being proven wrong. And in stories like I am about to reveal, the events are so fluid that even if the early reports are accurate, the fluidity of the situation could lead to a totally different outcome and this could lead to a loss of credibility. In this instance, I say to heck with caution and it is time to tell the story that is coming from a trusted source. I will even name the source and I am beginning to get partial and fragmented confirmation from parallel events as well as other sources.

I want to be clear that I am asserting that a civil war could very well break out in California against what they call federal overreach. The participants, initially, will be California Democratic politicians, including Governor Jerry Brown. ISIS, MS-13, the Mexican government, China, former Obama administration officials are deeply involved along with George Soros. This series will appear to present some very outrageous claims. Therefore, I have decided to start with information that is mostly background to build the case that what I am being told is factual and **America is about to enter a new and dangerous era.**

Last night, during my show, **former CIA clandestine operative, Robert David Steele, was asked if Trump would have to resort to martial law in order to affect arrests and prosecution of the Deep State. Mr. Steele answered in the affirmative.**

After *The Common Sense Show* aired on March 11, 2018, **a trusted source, Paul Preston, called me as I was finishing dinner. He informed me that he thought it**

was likely that Civil War II was going to begin in California and we would not have to wait long for this event to occur. Paul Preston is one of the primary leaders of the New California movement that is in process of creating a 51st state which is breaking away from "Commiefornia".

New California has 40 counties in full support of this movement. They are breaking away from radical California government that believes they do not have to follow federal law and intend on breaking away from the US as an independent country. This has traditionally been known as the Calexit movement is fully endorsed by Governor Brown and most of the Democrats in the California Legislative Assembly. Also in support of the movement is China, the Mexican Consulate, the Mexican government, George Soros, various crime families in Asia as well as former key members of the Obama administration including Eric Holder (spokesperson), Loretta Lynch and closet support from the Clinton Foundation and the United Nations.

The lawlessness of California is off the charts. The unpunished murder of Kate Steinle by a several times deported illegal alien angered the country. Mayor Schaaf of Oakland obstructed justice when she warned illegal aliens that ICE was going to conduct a raid in Oakland.

Many Democratic state and local officials are in outright rebellion against federal immigration authority. In fact, on a national level many Democrats are proposing as part of the 2020 Democratic platform, that ICE be eliminated as a federal agency.

The Democrats in California have drawn a line in the sand and are defying federal authority. A showdown is coming and it is not going to be a show down resulting in civil disobedience, according to Paul Preston, members of Fox News and the leadership of the New California movement, this is civil war.

Phase One

I have warned, through this site, on several occasions that the unbridled admittance of MS-13 into the United States along with members of ISIS would constitute a 5th column which could bring both California and major parts of the United States to their knees. Here is a partial list of references in which I documented the dangerous presence of MS-13 on our soil in great numbers and the onslaught of their growth continues unabated. I made this video about the continuing illegal immigration of MS-13 on January 24, 2018: **Play:** <https://youtu.be/7VDZvJLH1nY?t=40s>

On August 1, 2017, I published a summary, with links that went back as far as 2010 to document the unwarranted presence of MS-13 in America. This article summarizes no less than 5 previous articles I have written on the subject. This is an excellent reference that traces much of the history of the terrorist invasion that has been going on our southern border for years.

MS-13, along with ISIS has been implicated in the Vegas Massacre and I documented this last fall in this report: **Vegas Is Only the Beginning- This is Antifa Along with MS-13 and ISIS Sympathizers**

I have a lot of supporting documentation to support the fact that a civil war is coming and will start in California. The preparations are coming from both sides of the conflict.

On September 19, 2017, I reported the following:

According to Paul Preston, reports are circulating that numerous state legislators from California, including "California Senate pro tem Kevin de Leon), State representatives from Florida, Texas, New Mexico, Arizona, Nevada, Utah and Colorado have been meeting with members of La Raza, the Mexican government (consulate), Mexican Mafia ("La EME"), California's violent Mexican gangs (Nortenos /Sureños/ Sur 13), La Familia () and religious leaders (Catholic / Jesuits) to come up with a plan to separate from the United States as well as the above mentioned states". Governor Brown, his aides, and the Bank of China have been in attendance in several of these meetings designed to sever California from the US. Further, The Common Sense Show has learned, independent of Paul Preston, that George Soros is bankrolling some of the costs associated with this movement. In addition to Soros, the United Nations and the Chinese government have had representatives at the Calexit meetings.

Paul Preston had an embedded sources at some of these meetings and the drug cartels along with MS-13 pledged "extreme violence" if Calexit was not successful. If one wonders how serious this movement is, consider the fact that Calexit opened an embassy in Moscow in 2017. The following is a picture of the Calexit embassy which was

opened in Moscow.

There was a very telling article written by Mark Tapscott that appeared on Fox News' [Laura Ingraham's site](#).

In the article Tapscott interviewed University of Tennessee Law School professor, Glenn Harlan Reynolds. Reynolds asserts that New California is the old West Virginia. West Virginia became a state because Virginia declared its independence from the Union in 1861. Even more telling in article, Reynolds states that Trump will likely have to send the 101st Airborne to California to quell the open rebellion.

As far back as January of 2017, Paul Preston and I publicly speculated that President Trump would have to send in the troops with tanks to California to meet the rebellion.

Conclusion

It is at this point that the dots would be connected. However, in this instance, this plot is far too complicated to summarize at this point, except to say that rogue California and former Obama cabinet Democrats, foreign influences and terrorists are preparing to unleash hell after standing up to President Trump over the immigration issue.

Also, indictments are being unsealed against the Deep State and this has accelerated the timeline for inevitable conflict.

Comment: Will See

The US military has been conducting urban warfare exercises in Phoenix. I have been told that they are primarily concerned with IED's, this speaks to ISIS, attacks upon the public (MS-13 Vegas Massacre style) and snipers in tall buildings.

Paul Preston is in contact with very powerful people and when he called me last night, he made it clear he could not come on my show and he may not be talking to me for awhile given what he will be allowed to say.

Calexit, MS-13, ISIS and the Deep State Have Commenced the Revolution - Game On!

Calexit is the home all major subversion in the United States. This movement has one goal, namely, the overthrow of the US government.

All the previous warnings about MS-13, ISIS' presence in the US and a coming Deep State coup are all coalescing in unified action.

I recently spoke with a former high-ranking military source who is still very well connected and what he told me is indeed very disturbing.

As I write these words, the deployment of troops from Ft. Irwin to key locations around California are presently in progress. The same can be said for some personnel at Camp Pendelton. Urban warfare training was just completed in Phoenix and centered on potential operations in LA and San Francisco. Why? The answer to this question will appear later in this article.

As I have previously covered, in great detail, on this site, Eric Holder, George Soros, the United Nations, Governor Jerry Brown, both the Mexican and Chinese governments and the drug cartels have joined forces to try and force California out of the Union as California, on one level, is seeking national independence as a protectorate of the United Nations. They are willing to go to any length to accomplish this goal including open sedition, already in evidence as well as perpetrating any number of false flag events.

California has declared itself to be a sanctuary state in violation of federal law. Many of their Democratic public officials are in open rebellion and are engaged in obstruction of justice when it comes to the federal authority of ICE. The situation is so grave in California with regard to sedition, that 37 California counties have declared support for the creation of the new 51st state, New California. Another seven counties are in negotiation with New California officials who have already filed paperwork to become the 51st State. Why would the vast majority of counties in California feel compelled to turn their state upside down in order to create a 51st state?

The situation is so dire, that President Trump has had enough. As has been widely reported across the Independent Media, military tribunals are being organized and Gitmo is being redone and they have a new commander as well as an increased security presence. Gitmo will be home to those engaged in sedition and treason. Here is one small example of what is going on in Oakland.

Both Paul Preston and I have been told that President Trump has dispatched a carrier to the Bay area. Remember troops are being deployed as I write these words. Many in

the Independent Media believe that we are very close to seeing the first of several arrests of those that would engage in sedition and treason.

Before President Obama left office, he and John Kerry negotiated with the United Nations that they could and would come into America to restore order in the event of civil unrest.

The Deep State has lost most of its dominance over their previous proliferation of NWO propaganda as evidenced by its crumbling mainstream media.

I spoke with a trusted and confidential source about the happenings in California and Paul Preston has verified much of the following.

From the [Judicial Watch report](#) of April of 2015, the presence of the ISIS camp, near El Paso, is merely part of a bigger paramilitary force preparing to attack selected targets inside of the United States.

ISIS is indeed operating a camp just a few miles from El Paso, Texas, according to [Judicial Watch sources](#) that includes a Mexican Army field grade officer and a Mexican Federal Police Inspector. During the course of a joint operation last week, Mexican Army and federal law enforcement officials discovered documents in Arabic and Urdu, as well as “plans” of Fort Bliss. The implications are obvious.

According to documents uncovered by Judicial Watch, the Juárez Cartel helps ISIS terrorists move through the desert and across the border between Santa Teresa and Sunland Park, New Mexico. The report goes on to state documents that east of El Paso and Ciudad Juárez, cartel-backed “coyotes” are also smuggling ISIS terrorists through the unguarded border between Acala and Fort Hancock, Texas. Judicial Watch specifically stated that these particular areas are targeted by ISIS because of “their understaffed municipal and county police forces as well as the already existing relative safe-havens the areas provide for the unchecked large-scale drug smuggling”. I predicted 3 years ago that ISIS would unleash a TET offensive set of attacks in America. This is the Deep State’s distraction, their paramilitary force. With regard to ISIS and MS-13, the day of reckoning is here.

Also, in April of 2015, I was warned that ISIS would unleash these kinds of attacks. The source of the intel was a Texas Ranger.

The people of Austin think they can breathe a little easier now that the alleged modern day version of the Unabomber is dead. That view would be wrong, dead wrong, as the Deep State is just getting started and according to some sources, this was no more than a Beta test for what is coming across our nation and it will commence in California and will be perpetrated by Calexit operatives. But you say that the new Unabomber is dead? Every false flag needs a patsy (e.g. JFK and Lee Harvey Oswald). Did you really think that the Deep State was going to roll over and accept defeat?

Conclusion

Gitmo is the symbol of cruel justice that will force many in the Deep State to turn state’s evidence against the higher-ups. Fina Haspel, nominated to takeover the CIA is no more than a temporary useful idiot. She is the queen of rendition as she previously headed a former CIA black site. This is why Trump is readying the military tribunals. These Deep State operatives are in a complete panic and we are beginning to witness the manifestation of this collective fear that has gripped these criminals. Did you see

where Calexit spokesperson and former Attorney General, Eric Holder, asked Jeff Sessions for mercy and to defy Trump?

Unfortunately, I know much more about the unfolding events than I can't reveal at this time. Please keep in mind, I never burn a source. Eventually, all can be revealed. The events that lie ahead can be devastating, or they may never come to pass if Trump is able to crush this movement before it gets off the ground. However, I can say this, the level of planning and sophistication of the Deep State as manifested in Calexit subversives, is without parallel in American history.
