Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Bible Verses on Meekness & Temperance

1 Corinthians 4:21 **What will ye? shall I come unto you with a rod, or in love, and in the spirit of meekness?**

Noah Webster 1828: MEE'KNESS, n. Softness of temper; mildness; gentleness; forbearance under injuries and provocations.

1. In an evangelical sense, humility; submission to the divine will, without murmuring; opposed to pride, arrogance

I beseech you by the meekness of Christ. 1 Cor.10.

Meekness is a grace which Jesus alone admonished, and which no ancient philosopher seems to have understood or recommended.

2 Corinthians 10:1 **Now I Paul myself beseech you by the meekness and gentleness of Christ, who in presence am base among you, but being absent am bold toward you:**

Galatians 6:1 Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted.

Colossians 3:12 Put on therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, longsuffering; Temperance (Self Control)

Noah Webster 1828: **Bowels: The seat of pity or kindness; hence, tenderness, compassion, a scriptural sense.**

1 Corinthians 9:25 And every man that striveth for the mastery is temperate in all things. Now they do it to obtain a corruptible crown; but we an incorruptible.

Titus 1:8–9 But a lover of hospitality, a lover of good men, sober, just, holy, temperate; Holding fast the faithful word as he hath been taught, that he may be able by sound doctrine both to exhort and to convince the gainsayers.

Titus 2:2 That the aged men be sober, grave, temperate, sound in faith, in charity, in patience.

2 Peter 1:6–7 And to knowledge temperance; and to temperance patience; and to patience godliness; And to godliness brotherly kindness; and to brotherly kindness charity.

Arrested, Tried, and Sentenced in UNDER ONE HOUR for Exposing the Muslim Child Pedophile Grooming Gangs! Tommy Robinson of EDL in the UK

British activist Tommy Robinson co-founder of the English Defense League (EDL), was arrested Friday morning outside a courthouse for "breach of the peace" for livestreaming the court cases of ten Muslim devils accused of participating in "child grooming gangs," aka child rape gangs. He was standing quietly outside the public courthouse engaging in video broadcasting via cellphone through the Internet site Facebook about a child grooming sexual predator trial. Despite not uttering a word, he was accosted by three British

police officers, shown below, and told he was being arrested on "suspicion of breaching the peace" and Incitement."

Robinson live-streamed 'reports' from outside Leeds Crown Court for about an hour Friday morning. He showed men entering the court via Facebook video until he was approached by officers telling him to stop.

In a separate video, the far-right activist is filmed being led away by police, arresting him for an alleged breach of the peace and incitement. He's heard asking one of his supporters: 'Can you get me a solicitor?

'This is ridiculous, I haven't said a word. I've done nothing.' He's then filmed by another bystander asking the police officers if he's being arrested on 'contempt of court'.

Before he's bundled into the police van, he says: 'Someone laid their hand and assaulted me outside court. Other people have sworn at me and threatened me about my mother and here I am being arrested for saying nothing.'

Robinson is already under a suspended sentence over contempt of court at a gang rape trial in Canterbury last year.

NOTICE TO THE PRESS – REPORTING RESTRICTION
Postponement Order

IN THE CROWN COURT AT LEEDS

Case number: S20180448

His Honour Judge Marson QC made the following Order under Section 4(2) of the Contempt of Court Act 1981 on 25th May 2018

Since it appears to be necessary for avoiding a substantial risk of prejudice to the administration of justice in these proceedings

The publication of

Any report of these proceedings

Shall be postponed until

after the conclusion of the trial of T20177360 and T20187130 Akhtar and others

Signed: Mr N R Bray Date of signature: 25/5/18

An Officer of the Crown Court

& in under ONE HOUR, Robinson had been arrested, tried and sentenced . . . 13 Months in jail.

So determined were the British to CONCEAL what they did, The UK government attempted to silence any conversation about his situation by issuing a ban against the press covering the case.

<< Here is a copy:

Solicitors from the UK have told me that his judge is what Americans call a "Liberal Snowflake." They also told me he has terrible breath, severe body odor, and the wig he wears on the bench seems to be so filthy, it gives off "a malignant odor of fungus or mildew."

They report that appearing in court before this man is "an

exercise in dealing with the most foul stench" and "A painful excursion into political correctness, before a totalitarian despot Drone, who is so full of himself, it makes one sick."

That type of repression and Press Censorship was two of the reasons then-Colonists in America gunned-down British troops, pulled British Governors out of their homes and Lynched them from trees, beat British Magistrate-Judges to

death / burned down their houses, and ultimately overthrew King George III by force, back around the year 1776. British law therefore cannot be applied to news media in the U.S.A. like The Hal Turner Radio Show and this media outlet will not comply.

<< Here is the Judge who issued the Order

Clearly, the British government has forgotten the lessons they were so brutally taught in 1776. Some in the

UK say they are starting to feel as though the British government needs to be reminded.

COMMENTARY

It is truly a shame that once-great Britain has fallen under the hideous mental illness of political correctness. That nation is literally committing suicide by importing thousands of third-world savages who rape, rob, pillage, burn and kill . . . while useful idiots in the police assist this British suicide by arresting anyone who complains about the death of the country.

With mindless Drones like the police officers shown above, (who do as they're told rather than thinking for themselves) it seems to me England is truly on its deathbed.

This was a despicable display of politically-correct totalitarianism; where a citizen is arrested for merely taking video on a public street, (where there is no expectation of privacy) because some British government imbecile wants to conceal the crime wave sweeping Britain.

Islamic terrorists have carried out more than 33,176 deadly terror attacks since 9/11: <https://www.thereligionofpeace.com/>

Considering this documented information, **these Islamic Terrorist attacks should really make your blood boil: The Islamic bible/Quran commands muslims to kill "Infidels".** In Islam, the Arabic word kafir (كافر) refers to non-Muslims, often in a derogatory sense [2], and is usually translated into English as "infidel" or "unbeliever". So now lets look at some quotes from the Islamic Koran.

Allah has cursed the unbelievers and proposed for them a blazing hell. - Sura 33:60

Unbelievers are enemies of Allah and they will roast in hell. - Sura 41:14

Fight unbelievers who are near to you. Sura 9:123 (another translation reads: Believers! Make war on the infidels who dwell around you. Let them find harshness in you. (another source reads:) Ye who believe! Murder those of the disbelievers.... Also see: <http://www.chick.com/information/religions/islam/>

Are all religions really the same?

Is "Islamophobia" a bigger problem than Islamic terror?

Is it really even a "phobia"... or is Islam genuinely different?

Let's find out by keeping score during Islam's holiest month.

Sexual Perversion in Islam (Beyond Evil!!!!!!) Let me begin with a quote from a fatwa by the late and unlamented Ayatollah Khomeini of Iran.

"A man can marry a girl younger than nine years of age, even if the girl is still a baby being breastfed. A man, however is prohibited from having intercourse with a girl younger than nine, other sexual acts such as foreplay, rubbing, kissing and sodomy is allowed. A man having intercourse with a girl younger than nine years of age has not committed a crime, but only an infraction, if the girl is not permanently damaged. If the girl, however, is permanently damaged, the man must provide for her all her life. But this girl will not count as one of the man's four permanent wives."

Sahih Muslim Book 008, Number 3310:

'A'isha (Allah be pleased with her) reported: Allah's Apostle (may peace be upon him) married me when I was six years old, and I was admitted to his house when I was nine years old.

Sahih Bukhari Volume 7, Book 62, Number 64

Narrated 'Aisha:

that the Prophet married her when she was six years old and he consummated his marriage when she was nine years old, and then she remained with him for nine years (i.e., till his death).

More headlines read:

Muslim Brotherhood 'paying gangs to go out and rape women and beat men protesting in Egypt' as thousands of demonstrators pour on to the streets

Egypt's ruling party is paying gangs of thugs to sexually assault women protesting in Cairo's Tahrir Square against President Mohamed Morsi, activists said.

They also said the Muslim Brotherhood is paying gangs to beat up men who are taking part in the latest round of protests, which followed a decree by President Morsi to give himself sweeping new powers.

Christian Girls in Egypt Kidnapped by Muslims, Raped & Converted

Christian girls in Egypt are being kidnapped, raped, made to convert and forced into marriages due to the "twin-headed cultural hydra" of "deep-seeded Muslim

and male supremacism,” warns a 2012 study that is getting renewed attention. International Christian Concern is [reporting](#) that 2014 has already seen a spike in the number of Christian girls in Egypt being abducted. Sexual harassment, sexual assault, rapes, forced conversions, forced marriages and even being forced into working without pay (slavery) are all major problems.

Just four attorneys said they had over 550 cases over five years of Christian girls applying to have their religious identity restored by the Egyptian government after being kidnapped and forced into converting to Islam. One attorney said he personally knew of at least 1,600 cases of forced conversions.

Moroccan Muslims get rabies from raping donkey

Deuteronomy 27:21 “Cursed is the man who has sexual relations with any animal”

Morocco World News [reports](#), August 10, 2017, that 15 Muslim teens who raped a donkey in the small rural town of Sidi Kamel in Sidi Kacem province, Morocco, have been treated for rabies infections contracted from the animal.

According to the Moroccan daily *Al Akhbar* in its August 10 edition, the “sexually frustrated children and teenagers” stayed at the Mechraa Belksiri Hospital for one week to receive rabies vaccinations after the animal transmitted the disease to them.

Sadly, the local authorities ordered the owner of the donkey to slaughter it to avoid further risk of spreading the disease. The authorities are also searching for others who had “admired” the donkey, in order to limit the spread of rabies among the town folk.

Parents, “in the utmost secrecy, hastened to have their children vaccinated in case they had approached the animal.” According to *Al Akhbar*, the number of

infections could be much higher, as some families preferred to take their children to hospitals outside the region to avoid humiliation.

Bestialists should know that a study of 492 men from rural Brazil found that 35% reported having had sex with an animal at some point in their lives, and that those men were twice as likely to develop cancer of the penis.

Christian Blood For Saudi Arabia Is Big Business (Stunning Video)

Reporters found themselves shocked when they attended a press conference in Vienna on 10th of December. Though they should be well informed on the persecution of Christians and, moreover, should inform their readers on this matter, they were caught by surprise. Sister Hatune, an Aramic nun who fled Turkey in 1985, told what she had witnessed during her aid campaigns in the Middle East. Sister Hatune was awarded the German Cross of Merit for her selfless commitment. Here is what she reports:

When spoken about Camel urine, **the so-called experts even give thanks to Muhammad the Prophet of Islam for his provision and bountiful blessing: "Prayers and peace be upon our master Muhammad."** The "bountiful blessing" is camel urine. The BBC & The BPP work in tandem to hide the truth. What is the BPP you ask? They are the British Police Pedophile Association, otherwise known as the Freemasons of Britain. This includes the Court system and most judges. Child sex is THE GLUE that holds the ENTIRE British government together. Just ask Jimmy sa VILE - you really think the Royals would hang out with an English DJ just because?

Fox News Confirms Tommy Robinson Sentenced 13 Months For Reporting on Pedophile Grooming Trial--Unprecedented: Media told not to report on Soviet-style disappearance

[Kit Daniels](#) | [Infowars.com](#) - May 26, 2018

Fox News is now reporting on the unprecedented gag order UK officials placed on media to vainly keep the disappearance of Tommy Robinson hidden from the public.

In short, it's a Soviet-style disappearance: the UK police arrested Robinson, the court ordered the press to not talk about it.

Despite the gag order, US legacy media is now reporting on this story.

According to [Fox News](#):

Sources with knowledge of Robinson's case spoke on condition

of anonymity in part because of fear they would be arrested for contempt. One told Fox that Robinson's lawyer warned that, considering the presence of Muslim gang members in prison, a 13-month sentence was tantamount to a death sentence.

"Tommy's lawyer said he will likely die in jail given his profile and previous credible threats, and the judge basically said he doesn't care," the source said. "He sentenced him to 13 months in prison."

The head of UKIP says the gag order was beyond authoritarian.

"What kind of police state have we become?" tweeted U.K. Independence Party leader and European MP Gerard Batten.

"I am trying to recall a legal case where someone was convicted of a 'crime' which cannot be reported on."

"Where he can be cast into prison without it being possible to report his name, offence, or place of imprisonment for fear of contempt of court," he added.

++ Vatican Pedophile Ring, Child Trafficking, Mass Graves and Missing Children

Thursday, May 24, 2018 21:38

It has emerged all 34 Chilean bishops who attended a crisis meeting this week with Pope Francis about the cover-up of sexual abuse in their country have offered to resign. This marked the first known time in history that an entire national bishops conference had offered to resign en masse over scandal, and laid bare the devastation that the abuse crisis has caused the Catholic Church in Chile and beyond.

Calls had mounted for the resignations after details emerged of the contents of a 2,300-page Vatican report into the Chilean scandal leaked early Friday.

The bishops were accused of destroying evidence of sex crimes, pressuring investigators to minimize abuse accusations and showing 'grave negligence' in protecting children from pedophile priests.

Such behavior has been the hallmark of the clerical sex abuse crisis worldwide, with bishops and religious superiors shuttling abusers from parish to parish or dioceses rather than reporting them to police or launching canonical investigations and removing them from ministry.

<http://www.dailymail.co.uk/news/article-5744503/Chilean-bishops-offer-resignation-Pope-abuse-scandal-statement.html>

Francis was not immune to charges on Vatican child exploitation. Back on July 20 2014 the International Common Law Court of Justice in Brussels found defendants Pope Francis Bergoglio, Catholic Jesuit Superior General Adolfo Pachon and Archbishop of Canterbury Justin Welby guilty of rape, torture, murder and the trafficking of children.

As with the Vatican Pedophile Ring, the dramatic story of Pope Francis child trafficking never made the Main Stream Media, even though over 48 eyewitnesses had verified that the Vatican was paid big bucks to regularly funnel children through their Pedophile Ring to Satan worshipping businessmen, politicians and members of European royal families.

Two adolescent women told the ICLCJ Court that Pope Francis raped them while participating in child sacrifices during the Springs of 2009 and 2010 in rural Holland and Belgium. According to a former employee of the Curia in Rome, rapes and murders of children also took place at the Carnarvon Castle in Wales and an undisclosed French Chateau. A Prosecutor introduced notarized affidavits by eight others claiming to witness these same crimes organized by the Vatican.

Another witness testified that they were present during meetings with the then Argentine priest and Bishop Francis and the military Junta during Argentina's 1970's Dirty War.

According to the witness, Francis helped traffic 30,000 children of missing political prisoners into the Vatican Pedophile Ring.

Some of those children were believed buried in a Child Mass Gravesite in Spain – that the Vatican has continuously refused requests for excavation – just as the Vatican has refused requests for excavation of some 32 child mass grave sites believed filled with over 50,000 children who went missing from the Anglican,

United Church of Canada, though mainly 80 Catholic native residential schools across Canada.

There were seven eyewitnesses to child homicides at Canadian residential schools, or to Queen Elizabeth's kidnapping of ten children from the Kamloops School in British Columbia. All were killed, or died of mysterious causes right before they were to testify before the ICLCJ Court: Chief Louis Daniels, Harriet Nahanee, Nora Bernard, Johnny Bingo Dawson, Ricky Lavallee, William Combes and Harry Wilson.

A BBC documentary exposed a fifty-year scandal of child trafficking by the Catholic church in Spain. Over 300,000 babies were stolen from their parents up to the 1990s. Mothers were told their babies died and were buried in mass graves. The Catholic Church was said to have made \$20 billion dollars on the adoptions. <http://www.dailymail.co.uk/news/article-2049647/BBC-documentary-exposes-50-year-scandal-baby-trafficking-Catholic-church-Spain.html>

Pope Francis was also found by the Court to be a perpetrator in satanic child sacrifice rites while acting as an Argentine priest and Bishop according to a sealed document obtained from the Vatican archives. On July 3 2014 and just like the seven eyewitnesses who were murdered and the 20 priests killed after intel of the Vatican Pedophile Ring went public, an informant-investigator went missing after supplying the Court with documents from secret archives beneath the Vatican.

One Vatican document called the *Magisterial Privilege* claimed that prior to each new Pope taking office, they were required to participate in killing infants and drinking their blood in Ninth Circle Satanic Cult Child Sacrifice rites.

In keeping with such murderous mandates, a Satanic cult child sacrifice led by Pope Francis Jorge Mario Bergoglio was said planned for the upcoming June 21 2018 Summer Solstice in Geneva Switzerland – just prior to meetings of the World Council of Churches (WCC). Child victims for the Satanic rite were thought supplied by the Vatican Pedophile Ring.

“At midnight on the Solstice a heavily guarded ceremony will be held in the Catholic Basilica Notre-Dame on Rue Argand in Geneva. Only the top WCC leaders and the Pope will be there. We have all been warned to keep quiet about it. It's the same Basilica where children went missing in 2014 and ritual killing was indicated. I suspect their June 21 pact will be sealed in blood,” an informant said.

Back in June 2014 at the ICLCJ Court, an investigator for the Irish Garda Police Force testified before five judges and 27 jury members that marks on the bones of nearly 796 children found in an Irish Roman Catholic Nun septic tank indicated they had been ritually killed. The witness testified that forensic experts had confirmed the decapitation and dismemberment of the babies in the mass grave resembled the usual signs of ritualistic murder, or child sacrifice.

The ICLCJ Court Chief Prosecutor also professed a link between the British, Dutch and Belgian royal families and the disappearances and killing of Mohawk children at Queen Elizabeth's Church of England or Anglican's Brantford Indian Residential School in Ontario Canada. <http://www.turtleislandnews.info/2013/03/28-mass-graves-of-indian-children-in.html>

"The 'Ndrangheta mafia syndicate obtains its child fodder through its deep involvement with the child-snatching Roman Catholic Church and top Vatican officials" a Radical Party member of the Italian Parliament, Matteo Macceo, told Kevin Annett of the ICLCJ Court. "The modern Mafia are the same people who run the Catholic Church and Italian government. They're indistinguishable. They're all in the same club. Their main concern is their assets, which come from organized crime – drugs and arms dealing, plus human trafficking."

Mr. Annett has also felt the power of the Vatican. **The Canadian pastor was in London attending a rally concerning the ICLCJ Court's successfully litigated case in behalf of the 50,000 missing native Canadian children. Annett was detained, held in jail overnight, then deported – all done without being charged. Since then he has also survived at least two attempts on his life.**

In view of the Vatican's history, those homicide attempts shouldn't come as a surprise. Rejected by courts in Canada, Annett's ITCCS spent 20 years bringing the missing Canadian native children cases to the international court. Evidence could be viewed in Annett's "Hidden No Longer."

'And award for biggest pedophile goes to...': Shock Billboards Go Up Around Oscars

Billboards have been installed in Hollywood shaming hypocrites who covered up for sexual deviants ahead of the 90th Academy Awards. Street artist Sabo launched a "Three Billboards" offensive Wednesday calling out Hollywood stars who kept silent about sexual exploitation in the industry.

"We all knew and still no arrests," one billboard reads.

"And the Oscar for biggest pedophile goes to..., " reads another.

And a third billboard says, "Name names on stage or shut the hell up!"

The artist's commentary refers to the ongoing #MeToo scandal unfolding in Hollywood, which began when several women spoke out against mega-producer Harvey Weinstein's perverted antics.

The number of billboards is an apparent nod to the critically-acclaimed, "Three Billboards Outside Ebbing, Missouri," up for an Oscar this year.

"Sabo manufactured fake overlays measuring as large as 48 feet across by 14 feet high and hired a crew of six men to help with installation, he told The Hollywood Reporter," according to the entertainment site.

The street artist has previously planted other installations around the city, including pro-Trump art and other signage highlighting liberal hypocrisy. Most recently he took aim at [Miley](#)

On Sunday, **The Weinstein Company production firm announced it would file for bankruptcy**, as its founder faces a barrage of criticism over numerous sexual harassment allegations, in addition to possible criminal charges.

Nicole Kidman: 'Stanley Kubrick Said Pedophiles Run the World'

Sunday, February 25, 2018 3:17

from [Top Buzz](#):

Stanley Kubrick claimed that “the world is run by pedophiles”, according to Nicole Kidman, who says the reclusive director taught her “how the world works and who is really in control behind the scenes” while filming *Eyes Wide Shut*.

“Stanley told me the world is run by pedophiles,” Nicole

Kidman said while promoting HBO's *Big Little Lies*, in Los Angeles. “He studied secret societies his whole life, he was fascinated by them, and he said the elite, the top secret societies, they are full of men with a certain predilection. They are tied together, sort of bonded, by pedophilia.

“They all know each other's dark secrets. There is no way out for any of them. It's a lifetime bond. Even if one of them wanted to go straight, repent, so to speak, he can't. His peers will bring him down. They are in it until death, driving the world to ruin. That's kind of how Stanley explained it but it was all very complex. I'm probably not doing it justice.”

The 1999 film, starring Kidman and her then husband Tom Cruise, was Stanley Kubrick's last outing as director before his death the same year. Many people believe Kubrick gave away too many secrets in the film about secret societies and the global elite, and it may have cost him his life.

Asked if Kubrick's knowledge of secret societies and their darkest secrets had anything to do with his death, Kidman raised an eyebrow and said “That's not a question I can answer here.”

“Though maybe I could. None of you in the media would be allowed to print it, would you? The men who own your companies wouldn't allow it to get out,” Kidman said.

A brave speaker of truth, Nicole Kidman had contracts cancelled by two Hollywood studios earlier this year after she dared go against the current Hollywood agenda by saying “we need to support whoever is the president”. By daring to speak about the possible reasons for Stanley Kubrick's death she is now running the risk of further attacks.

While she was not willing to comment on the cause of Kubrick's death, Kidman was willing to say that the reclusive director was not expecting death to come so soon.

“Stanley’s next film was going to be about psychopathic pedophiles. He said he was going deeper down the rabbit hole.”

“He always had four of five projects ready to go. He was a meticulous researcher. He believed the most powerful films always have a hard grounding in truth.”

++ Wikileaks Bomb! Bush Stopped Pedophile Investigations!

This is a story of the U.S. Shadow Government tied to Organized Crime, Foreign intelligence, current and retired FBI Trolls and stooges and how they have Blackmailed, Imprisoned, Murdered, defamed and tried to destroyed their reputations, those who have exposed their crimes or got in their way.

U.S. senators and congressmen are covering up the Dusty Foggo government lobbyist and military prostitution and pedophilia ring in Washington involving legislators, news reporters, military officers and high government officials. Alberto Gonzales and President Bush fired San Diego U.S. Attorney Carol Lam because she was probing the Dusty Foggo / Jack Abramoff D.C. sex ring. Is child sex and prostitution in exchange for defense contracts and votes for war too explosive for the American people to hear?

According to a long-time senior intelligence agent the Washington, DC Hilton, Ritz Carlton and

Sheraton Hotels were used for compromising House and Senate members, National Media hosts who had sex with children in a legislative and media Blackmail ring.

Convicted GOP lobbyist
Jack Abramoff

<< GOP Republican Convicted Lobbyist Jack Abramoff who took provided male and female heterosexual, homosexual, lesbian, bisexual and child prostitutes sexual services to numerous US Congressmen, US senators, national media hosts and other federal officials who were compromised and made susceptible to blackmail at three Washington hotels.

“The whole Republican and Democratic Parties were for sale, the House, Senate and the White House.”

“Poppy Bush and Abramoff were up to their eyeballs in this kid s*,” said the Federal Agent.**

The Washington Hilton was specifically used for sex with children because it has what the agent termed a “super secure section for VIPs that is out of public view and which

reportedly employs no camera surveillance, an area able to hold around 6-10 vehicles so that no one could observe abducted, abused or drugged children flown in from other states who were coming to or leaving the hotel.” I was told

that Hilton employees began to become suspicious of Abramoff's operation, so children were moved to the Washington Ritz-Carlton according to other intelligence officials.

The operation was organized by convicted Republican lobbyist Jack Abramoff and ensnared California GOP Congressman Randy "Duke" Cunningham—convicted for bribery and currently serving eight years in federal prison.

The resigned Florida Republican Representative Mark Foley's page-boy sex predator case is only the tip of the iceberg—a pedophile scandal linked to the George HW Bush administration.

U.S. senators and congressmen are covering up the Dusty Foggo government lobbyist and military prostitution and pedophilia ring in Washington DC involving legislators, news reporters, military officers and high government officials. Alberto Gonzales and President Bush fired San Diego U.S. Attorney Carol Lam because she was probing the Dusty Foggo / Jack Abramoff D.C. sex ring.

Did some senators vote for the Iraq war and taxpayer-funded military contracts because they were blackmailed over sex for votes?

Will honest legislators and career federal agents continue to let them get away with it like they did

during the Sr. Bush administration?

Will we see more call-boy sex headlines in the Washington Times?

Federal agents already handed the evidence to Carol Lam before she was fired.

Will Lam speak out?

Will senators and congressmen continue the cover-up?

Is child sex and prostitution in exchange for defense contracts and votes for war too explosive for the American people to hear?

Is that the reason for the cover up?

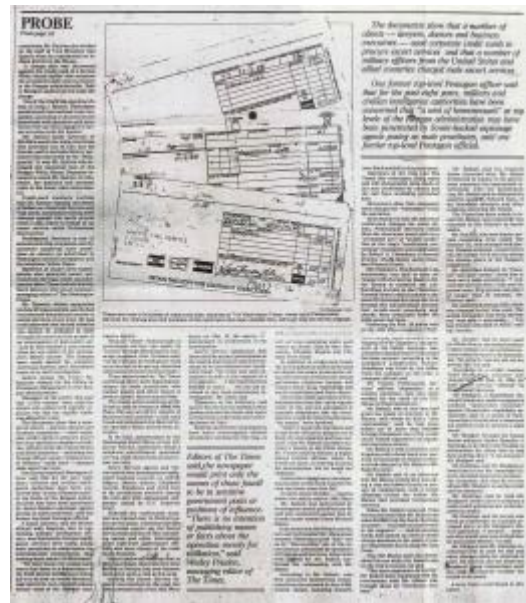

Or is it prison terms?

The Bush 41 Justice Department, acting through the FBI and the U.S. Attorney's office in Omaha, NE, emerges from the record of the Franklin investigations, not so much as a party to the cover-up, but as its coordinator. Rigging grand juries, harassment of witnesses, incitement to perjury and tampering with evidence—federal personnel were seen to apply all of those techniques in the Franklin case."

The testimony of the abused and murdered children who were flown back and forth to Washington, DC to attend "parties" sometimes attended by our highest elected officials is a lesson of incomparable tragedy related to present Capitol Hill sex-ring scandals alleged by federal agents.

Male prostitutes toured Bush 41 White House before federal agents were sent into the streets to collect and destroy copies of this Thursday, June 29, 1989

Washington Times headline story by Paul M. Rodriguez and George Archibald which led to multiple follow-up stories.

A witness says abducted children—23 now dead—abused by 20-30 pedophile members of congress at child sex parties (held at Embassy Row mansion) where Secret Service-secured presidential limo was seen parked outside. Parties were also held at known Homosexual Congressman Barney Franks “Brownstone”. Russell E. “Rusty” Nelson in March 2005 who according to U.S. District court testimony [2-5-1999] was impersonated by another photographer at Capitol Hill child sex parties during the Reagan and Bush presidencies, told me last week that in 1988 he refused Hunter Thompson’s offer of \$100,000 to film a graphic child sex “snuff movie to be sold to wealthy private clients where a young boy would be murdered as a sacrifice.” I have been homeless, in hiding and staying under the radar screen ever since,” said Nelson.

Nelson enhanced his credibility in sworn testimony before Nebraska U.S. Senior District Court Judge Warren Urbom on February 5, 1999 [pp 101-154] resulting in Urbom awarding attorney John DeCamp’s client—pedophile victim Paul Bonacci, \$1 million dollars in damages for sexual abuse in a case against convicted GOP activist Larry King, Director of the Franklin Savings and Loan in Omaha who sang the national anthem at the 1984 and 1988 Republican national conventions.

Nelson was set and arrested by Nebraska Police and by FBI Division #5 Bush Cover up Stooge CIA Ted L. Gunderson in order to silence Rusty Nelson. I, Stew Webb was personally involved in trying to help Rusty Nelson who called me after his arrest in 2005 and said Gunderson wanted to put him behind bars for life because Ted Gunderson was involved with George K. Pender in the “Brownstone Operation” also known as the “Brown star” the blackmail operation of Congressman and Senators, Media, Defense Contractors and others for George HW Bush, and Gunderson wanted the left over pictures to destroy them, Rusty stated if I had given

them I would have been killed by Gunderson.

David Hinkson has now served 10 years in Federal Detention illegally on Gunderson's murder for hire scheme.

Bushes Human Sacrifices at the Kimball-Cherokee Castle in Sedalia, Colorado, reported by Stew Webb since Dec. 2001. Affidavit of Christian Minister Jess A. LaVey, the son of Anton LaVey, founder of the Church of Satan in America.

I remember the Kimball Castle well, when I was 10 years of age, I remember my parents taking me their many times and rituals being held their. The memories are like yesterday. I remember spending the night in one of the bedrooms that was very scary to me, in which I never sleep well when we did go there. It seemed most of the time very dark and with a musky smell about it. The rooms were big. My father Anton LaVey spent a lot of time there. I never liked going there at all. I remember being force to watch rituals and I hated that too. For the most part I never could forget the counsel of 13. Very wicked looking men.

When I reached the age 12 my father told me I had to go before them because of my rebellion and being opposed to what I was to do. That was the time I met these men. They warned me of what could happen to me if I did not do as they suggest. George H.W. Bush Senior was one of these men. I stood before them and told them I was not going to follow their ways and I was not going to take my dad's place, and that there was nothing they could do to me. My father was so embarrassed he cowered in his seat. I told them I believe a higher power and that higher power said in his word that no harm can come to me. So be it and I turned left. They never said a word back. I think they were all stewing or struck with shock.

The Kimball-Cherokee Castle in Sedalia, Colorado

I all so remember Scott Millman. We were all the same age. There where others but I don't remember them as well as I remember Scott Millman. I think it's because we talked to each other a lot. I do remember a tunnel under the building

where Scott and I were taken one night and it was not good. To this day I freak a little talking about it. **Some say there is light at the end of the tunnel, well, there was darkness at the end of this one, where Satanists come together and do unspeakable things. The acts are of a nightmare. The acts done to kids are unspeakable. To think that Bush and his whole family is a part of this kind of thing is hard for some people to believe. But the Lord warns us all about the dark one in sheep's clothing. The whole Bush family are Satanists, run down the family lines. I have met Bush Jr. once when he came to a ritual at the castle once with his father. My thought when I met him is still the same as today. He is very cold man for Satan. Like a lethal weapon.**
