**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect**."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

### **Bible Verses Psalm 35**

**Psa 35:1 [[A Psalm of David.]] Plead my cause, O LORD, with them that strive with me: fight against them that fight against me.**

**Psa 35:2 Take hold of shield and buckler, and stand up for mine help.**

**Psa 35:3 Draw out also the spear, and stop the way against them that persecute me: say unto my soul, I am thy salvation.**

**Psa 35:4 Let them be confounded and put to shame that seek after my soul: let them be turned back and brought to confusion that devise my hurt.**

**Psa 35:5 Let them be as chaff before the wind: and let the angel of the LORD chase them.**

**Psa 35:6 Let their way be dark and slippery: and let the angel of the LORD persecute them.**

**Psa 35:7** For without cause have they hid for me their net *in a pit, which* without cause they have digged for my soul.

**Psa 35:8** Let destruction come upon him at unawares; and let his net that he hath hid catch himself: into that very destruction let him fall.

**Psa 35:9** And my soul shall be joyful in the LORD: it shall rejoice in his salvation.

### **George Soros Complains: 'Everything That Could Go Wrong, Has Gone Wrong'**

06/09/2018--George Soros, the billionaire investor and liberal donor, sat in his hotel suite by Lake Zurich this week, **lamenting the turn much of the world has taken in recent years:**

**"Everything that could go wrong, has gone wrong."**

**His favored presidential candidate, Hillary Clinton, lost to President Donald Trump, whose "America First" platform runs counter to the globalism Soros embraces. Trump, he**

**said, "is willing to destroy the world." The European Union, which Soros once hoped would be so successful that he could end his charitable work in the region, is contending with the impending loss of Britain and a rise of anti-immigrant sentiment.** And Soros himself has emerged as a political target in elections from Hungary to California, where his donations have been used as a cudgel against the causes he supports. **Soros, who plans to spend at least \$15 million in 2018 races, has already faced some setbacks this cycle. His bid to replace several district attorneys in California with challengers seeking changes to the criminal justice system was largely unsuccessful in Tuesday's elections. "We ran into a brick wall in California," he said. His New York-based Open Society Foundations now spends \$940 million a year in 100 countries. In the United States, the Open Society spends \$150 million a year financing groups such as the American Civil Liberties Union and Planned Parenthood.**

This week, Putin suggested that Soros' spending around the world resembles the kind of political interference that U.S. intelligence officials blame on Russia.

"He intervenes in things all over the world," Putin told Austrian television. "But the State Department will tell you that it has nothing to do with that, that this is the personal business of Mr. Soros."

Elsewhere in Europe, **Soros has also come under attack. This year, Viktor Orban, the right-wing prime minister of Hungary, won re-election after charging that Soros wanted to flood Europe with Muslim invaders. Orban said one of his first efforts would be to pass a "Stop Soros" bill, aimed at cracking down on organizations he views as countering his agenda. "I'm proud of my enemies," Soros said. "When I look at the enemies I have all over the world, I must be doing something right."**

George Soros recently lamented the rise of President Trump and anti-establishment parties across the globe, **saying "everything that could go wrong, has gone wrong."** Soros made the comment in an [interview](#) with The Washington Post published Saturday. **He also said that he did not expect Trump's election, saying, "Apparently, I was living in my own bubble."**

### **George Soros Loses Millions In California Elections**

Money can't buy everything. Ask New York billionaire and former Nazi collaborator George Soros who poured millions of dollars, along with other donors attempting to "buy" would-be progressive prosecutors in California.

Soros' attempt to reshape California's criminal justice system with far-left leaning candidates in Tuesday's midterm election, took a decisive hit with most suffering crucial losses.

The 87-year old mogul and Chairman of Soros Fund Management, is reputed to be worth in excess of 25 billion dollars, spending untold millions in support of far left organizations and radical progressive causes.

### **Steve Hilton: Trump's criticism of G-7 is 'unprecedented' scream the elite -- That's the whole point of Trump!**

You know you're getting somewhere when your opponents are all attacking you in the same way.

So President Trump should feel a strong sense of satisfaction with a job well done after leaving the slightly pointless Group of Seven (G-7) summit in Canada on Saturday for another likely far more consequential summit in Singapore with North Korea dictator Kim Jong Un.

The U.S. president's critics are all using identical language in their denunciations of his policy positions.

The complaints from U.S. allies over President Trump's trade policies is that these policies are "unprecedented." They say he is undermining the "rules-based international order."

That, as far as the global foreign policy establishment is concerned, is all you need to say. End of discussion. Notice that they don't actually engage with the substance of President Trump's arguments at all.

We hear these criticisms from the pompous pearl-clutchers of the international elite. These include:

- World leaders with their bland communiques carefully crafted by time-serving bureaucrats who think they really run the show.
  - Arrogant and unaccountable corporate stooges who run globalist multilateral institutions like the International Monetary Fund and the European Union.
  - Self-regarding after-dinner pontificators of the Washington think tank circuit who float snootily over the real-world catastrophes engendered by their ideology without ever acknowledging that it may have even the slightest defect.
  - The gullible commentators and journalists who unquestioningly lap up all this self-serving elitist Pabulum while presenting themselves as fearless pursuers of "the truth."

### **Metro Atlanta Sex-Trafficking Sting Rescues 160 Children**

A sting on the sex-trafficking trade in metro Atlanta netted dozens of arrests and the rescue of dozens of children forced into sexual servitude, the FBI announced this week.

Operation Safe Summer was a collaborative effort between the FBI's Atlanta field office and 38 law enforcement agencies in six metro counties.

“They are crimes of special concern to law enforcement generally,” “Because the victims are so vulnerable as children and because the offenders could be from just about any walk of life, from a gang member all the way up to someone who is highly successful and wealthy.”

The sting ended with nearly 160 children rescued, including one as young as 3 years old, and nearly 150 arrests, convictions or sentences, officials said.

### Child Porn Sting Hits Disney World, Legoland, and Local Boy Scout Parent

An undercover child pornography sting operation in Polk County, Florida, resulted in 11 arrests and 660 felony charges, it was announced Tuesday morning. Among those arrested as part of “Operation Guardians of Innocence II” were a Disney World employee, a Legoland builder, a former teacher and a 16-year-old student.

### Massive Crowds Gather to Hear Geert Wilders Demand Tommy Robinson Release...

Massive crowds turned out in London on Saturday to rally for free speech and hear Dutch firebrand [Geert Wilders](#) demand the release of Tommy Robinson from prison.

“Tommy is in jail while the British state looked the other way for years, when thousands — thousands — of English children and girls were brutally raped by those grooming gangs.

“They were your daughters. The daughters of the brave Tommies. The daughters of the hard-working, decent people of Britain....

“But for years, and years, the police, the politicians, the prosecutors did nothing, and looked the other way.

“They refused to listen to the victims. They arrested fathers who tried to liberate their daughters. They left children in the hands of those gangs.

“But Tommy, my friends, Tommy acted. Tommy didn’t look in the other direction. He refused to ignore the problem. He gave voice to millions of Britons who were abandoned by the authorities.

“And when Tommy protested, the same authorities could not be fast enough to jail him and to gag the media.

“So I ask you: Do you want to be Britain, or Saudi Arabia? “My friends, it was not Tommy who was breaching the peace, it was your government who was breaching the peace!” he declared.

“And we cannot, and we will not, accept it any longer. We want freedom, and it is our duty to speak out against rape, against grooming gangs, against Sharia law, against barbarism — and we demand the release of Tommy Robinson.

“So here we stand in full solidarity with Tommy, because, like him, we are sick and tired from being silenced.

“And I tell you, today we have a message for all the government of the world, and our message is: ‘We will not be silenced! We will not be intimidated! And we tell the government, we are not afraid of you! “We will never surrender! We will stand strong and do our duty, we will defend our civilization, and we will protect our people.

“And I tell you, to the governments, you can throw us in jail, but you will never defeat us.

“Because, my friends, for every Tommy whom you imprison, thousands will rise up.”

**++ Major Tucson Sex Trafficking Camp-Ties to Clinton Foundation, Rothschild and the Ex-President of Mexico's Son**

The most despicable crime on the face of the earth is child sex trafficking and the global elite are involved in controlling the industry in every country. This is a byproduct of Agenda 21. This report is not for everyone to view. It is horrific, particularly the 10 minutes of video that you will be referred to.

Word is spreading like wildfire across Arizona. I have about 20 emails advising me of sex trafficking camps being discovered in the Tucson area along the I-19 corridor and Valencia.

The MSM is totally ignoring the story, despite overwhelming evidence to substantiate the claims and the Independent is still largely unaware of this heinous discovery in Southern Arizona.

The following is a typical email of what I am receiving.

*Hello Dave....I came across this article video. Titus frost on his channel... **About how the Arizona State Patrol and Tucson Police will not help gather up child traffickers and drug trafficking.. you** would have to watch this video posted 9 hours ago to see what's going on down in Arizona... Titus Frost in the video titled operation Backyard Brawl... Please investigate... Thank you*

**EYEWITNESS ACCOUNT'**

The following is an eyewitness account of an individual who purports to have been to one of the camps along I-19 and Valencia.

The camp was discovered by a group associated with VOP. **VOP is a group that patrols the streets and tries to rescue veterans who are homeless, drug addicted or impaired in some fashion. VOP is reporting on this Sex-Trafficking camp, where children are ostensibly used and murdered, has stated that they happened, by chance, into the discovery of this camp, from INTEL gathered from their street operations in the search for veterans at the camp site when evidence was found that implicated the site as a child-sex trafficking site.**

(Baker, please put this in the notables, we desperately need your help with this one!)

Tucson anon here again, with an update on the child sex trafficking camp found on I-19 and Valencia.

We're onto something huge here, anons. Hundreds of us citizens have gone out to see the camp and we're finding more of them as we speak. People are trying to get cadaver dogs out here, since the police and federal authorities are still refusing to investigate even though we have more evidence on these sick bastards than you can imagine. From what we can tell, the camp had to have had 4-6 men operating it at a given time. A cartel member responsible for the camp showed themselves earlier and attempted to scare us off the property despite having no legal right to do so. Needless to say, it didn't work. After it became clear to him how screwed he was, he disappeared on horseback into the Tohono O'odham reservation.

The company that owns the property is Cemex Construction Materials South, LLC. They have attempted to get us to leave, but have not sent anyone directly tied to the ownership of the land. Our citizens are occupying the area until the fences are repaired and the site is fully secured. TPD says we have until Monday morning to do so, but we're not leaving till the work is done. Cemex has threatened to send in private security, but we have armed guards of our own standing watch.

Anons, we have found combs with blonde hair in them. We have found boxes full of kids toys and condoms. We may have even found graves already (we stopped digging halfway when the smell got too bad). People are walking out of here traumatized from what they've seen. Yet the government does nothing. **OUR PEOPLE AND OUR CHILDREN HAVE BEEN FORSAKEN.**

The local media is trying to spin this like we're making it up and are actively working with cartel members (KGUN 9, I'm talking about you). We need all anons willing to help to spread word of this on any social media platform you have an account on using the #OperationBackyardBrawl and #WhereAreTheChildren hashtags, along with any more you see fit. We've had some brave patriots come and take high quality footage of one of the camps, so God willing the truth will be brought to light.

This is it, anons. This is an opportunity to expose everything we've discovered about the global sex trafficking trade to the masses. The government is complicit, the police administrators are complicit (the officers are not, they want to help as much as the rest of us), and the media is complicit. We have all the physical evidence we need, we have documented everything, we **KNOW** who was building the camps and raping children, we just need people to spread the word that this exists.

Here is the Facebook page of one of the groups involved with the effort, you can find updates on the operation on it. God bless, patriots.

## **Rothschilds, NXIVM Sex Cult Connected to Alleged Child-Trafficking Bunker Found in Tucson**

Source – [The Free Thought Project](#) by [Jay Symopoulos](#), June 5th, 2018

As we [reported](#) yesterday, a group of veterans known as Veterans on Patrol (VOP), which looks for homeless veterans around the area and offers them help to get them on their feet, spotted solar lights while on patrol and followed them until stumbling upon an underground bunker, that according to the group, is being used for child trafficking.

"The solar lights are what gave it away," said Lewis Arthur. "If we hadn't been walking on the right trail we would have never seen it, we would have walked right past it."

When the veteran group reached the site, what they found was truly ominous.

Around the site, the group found trees equipped with restraints, a stroller, a crib, hair dye, and pornographic material. Inside the bunker, they found a dresser and two crates. The area inside was only big enough for children to fit inside.

Buy Book [The Franklin Cover-up: Child Abuse, Satanism, and Murder in Nebraska](#)  
Big League Politics [reported](#) that “after alerting local and federal law enforcement about the situation and receiving no help, Veterans on Patrol rallied local volunteers together to physically dig up the site.”

*The situation came to a head Sunday afternoon when, according to the group, they dug up a bloody knife, female underwear, and the plane ticket of a potentially missing girl from Seattle. The group is trying to contact the girl's family for verification. They filmed the finding live on Facebook, and shortly thereafter, the police showed up and arrested two members of the group for trespassing.*

Interestingly, **the land on which the bunker was found is reportedly owned by CEMEX, a multinational building materials company based in Mexico that is a partner of the Clinton Global Initiative and partially owned by wealth management firm Bronfman E.L. Rothschild L.P.**

\$438,000 after buying an additional 140 shares during the period. JFS Wealth Advisors LLC boosted its stake in Cemex by 2.9% during the second quarter. JFS Wealth Advisors LLC now owns 11,306 shares of the construction company's stock worth \$107,000 after buying an additional 315 shares during the period. Bronfman E.L. Rothschild L.P. boosted its stake in Cemex by 3.1% during the first quarter. Bronfman E.L. Rothschild L.P. now owns 11,014 shares of the construction company's stock worth \$100,000 after buying an additional 333 shares during the period. Finally, Wetherby Asset Management Inc. boosted its stake in Cemex by 1.2% during the fourth quarter. Wetherby Asset Management Inc. now owns 30,603 shares of the construction company's stock worth \$245,000 after buying an additional 365 shares during the period. 36.17% of the stock is owned by hedge funds and other institutional investors.

**Additionally, CEMEX received a \$7 million contract from the Clinton Global Initiative, nearly two and half years after the quake, to build houses in Haiti during Clinton's tenure as Secretary of State in 2012.**

Now, here is where the connections get interesting, the CEO of Bronfman E.L. Rothschild is Lady Lynn Forester de Rothschild, who is both a member of the Council on Foreign Relations and confidante of Hillary Clinton. As we reported back in May 2016 during her presidential campaign, “Hillary Clinton attended a \$100,000-a-head fundraiser hosted by none other than Lynn Forester de Rothschild, a prominent New York businesswoman, and supporter of Mrs. Clinton.”

## Lynn Forester De Rothschild

Lady Lynn De Rothschild is Chief Executive Officer of E.L. Rothschild LLC, a private investment company with investments in media, asset management, information technology, agriculture and real estate worldwide. Lady de Rothschild has also been a director of The Estee Lauder Companies since December 2000 and The Economist Newspaper Limited (member of the Audit Committee) since October 2002.

She is Co-host of the Conference on Inclusive Capitalism and Founder of the Coalition for Inclusive Capitalism. She is a member of the Board and the Executive Committee of the Peterson Institute for International Economics, and a board member of the Alfred Herrhausen Society of International Dialogue of Deutsche Bank, the Elumelu Foundation (Africa), the International Advisory Board of Columbia University School of Law, FAI (Fondo per L'Ambiente Italiano) and the ERANDA Foundation (de Rothschild family foundation).

Lady de Rothschild is a member of the Council on Foreign Relations (USA), Chatham House (UK), the International Advisory Council of Asia House (UK), the International Institute of Strategic Studies (UK), and the Foreign Policy Association (USA). In 2000, she was #4 on the European *Fortune* Most Powerful Woman in Business. In October 2007, Lady de Rothschild was awarded the Commendatore Ordine al Merito della Repubblica Italiana.

CONTACT US

Further evidence of this close relationship between Forester De Rothschild and Clinton was revealed throughout 2016, when [The Free Thought Project](#) examined Wikileaks' [searchable archive of Clinton's emails](#).

Lynn Forester de Rothschild wrote an [email](#) on April 18, 2010, in which she tells Hillary she would “love to catch up” — and “I remain your loyal adoring pal.” Clinton responds, “let’s make that happen,” and signs her response, “Much love, H.”

On September 23, 2010, Clinton [emailed](#) Lynn Forester de Rothschild (an email chain marked by heavy redaction) saying, “I was trying to reach you to tell you and Teddy that I asked Tony Blair to go to Israel as part of our full court press on keeping the Middle East negotiations going ...”

Rothschild responds, thanking Clinton for “personally reaching out to us,” and adds, “You are the best, and we remain your biggest fans.”

This correspondence gives insight into how the Rothschild family works behind the scenes to use their enormous clout in the forwarding of a geopolitical agenda using their bought and paid for politicians as a means to an end.

Ironically, the Mayor of Tuscon also happens to be named Jonathan Rothschild.

Despite a lack of cooperation by law enforcement, and local media ceasing reporting on the situation, VOP is “hopeful to bring cadaver dogs on site to search the area,” reported BLP.

While it seems almost unbelievable, here is where the story gets even more convoluted and begins to potentially intersect with the NVIMX sex cult. The Chairman of the Board of Bronfman E.L. Rothschild is Matthew Bronfman, one of the heirs to the Seagram's Liquor fortune:

## Matthew Bronfman

Mr. Bronfman has been in the investment business for the past 30 years. Mr. Bronfman is an investor in private and public companies. His interests have included telecommunications, insurance, banking, retail, real estate, manufacturing, and energy. Mr. Bronfman was taught early on about the value of hard work and education. Coming from a wealthy family, it was drilled into him that resting on the hard work of others was not acceptable. In addition, the concept of giving back to society was both modeled and discussed.

CONTACT US

Mr. Bronfman's grandfather, Samuel Bronfman was brought to Canada when he was 6 months old in 1889. When he passed away in 1971 he left behind the largest beverage alcohol company in the world, The Seagram Company.

Mr. Bronfman is married, has 7 children and lives in New York, NY. He is a 1981 graduate of Williams College and a 1985 graduate of the Harvard Business School.

Currently Mr. Bronfman is Chairman and CEO of BHB Holdings, a private holding company with investments ranging from a controlling interest in the Israel Discount Bank, Israel's third largest bank to IKEA, Israel, the retail furniture chain. Some of Mr. Bronfman's past activities include being an investor, director and chairman of the finance committee of an insurance company, CEO of a start-up cellular telephone company, the controlling shareholder of a group of radio stations and a chain of movie theaters. Also he was a director and shareholder of Jenny Craig, the weight loss company.

Bronfman's sister, Clare Bronfman is the Operations Director of the Clinton-connected NXIVM sex cult, while his other sister, Sara Bronfman, is a Clinton Global Initiative member.

In response to the recent arrests of NXIVM members Keith Raniere and Allison Mack, Clare Bronfman made a statement on her website denying the accusations against Raniere, and praising him and the NXIVM programs.

Frank Parlato, a former NXIVM publicist-turned-whistleblower told the New York Post that **Bronfman is among the harshest leaders in the organization.**

***"She's the enforcer—the brutal one. Clare's running the [operation] now, and she's the most ruthless of them. I'm issuing an absolute warning now. Clare Bronfman is a true fanatic, and if there's a Jim Jones situation, everyone will commit suicide but her."*** Parlato said.

As we reported on April 27, **the majority of the funding for NXIVM, over a reported \$150 million, came from the trust funds of Seagram heiresses, Sara and Clare Bronfman.** Their involvement with Raniere allegedly began in 2002 and has been very public and controversial, with other members of the Bronfman family distancing themselves from the sisters in the press. The Bronfman family has very close ties to the Rothschild banking dynasty, with members of both families belonging to many of the same companies, including their joint financial firm, Bronfman & Rothschild.

Additionally, at least three high-ranking members of the organization, including Nancy Salzman and the Bronfman sisters, are members of Bill Clinton's foundation, the Clinton Global Initiative, which requires an annual \$15,000 membership fee.

Perhaps now you can begin to see why both the news of the bunker in Tucson — with a Rothschild mayor — and the NVIMX sex cult's connections to the centers of financial and political power are not featured front and center on CNN, MSNBC, FOX, etc.

Tellingly, a quick search for Allison Mack's arrest report or charges—as reported by the mainstream media—will not yield any mention of children.

Although this extremely important detail is being left out of most mainstream reports, one of the main charges in the criminal indictment against Raniere and Mack is sex trafficking of children.

**The power-elite of society use the media to pacify and control the masses, as the**

**lack of attention given to these startling connections reveals the depths to which the public narrative is sculpted and molded by the ruling oligarchy to keep themselves insulated from scrutiny – and the truth hidden from public view.**

According to [PJMedia](#), who reached out to local law enforcement, the site is under investigation and they are not ruling out the possibility of a child trafficking camp.

**Tucson police spokesperson Officer Hawkins responded to PJM, saying, “There is an active investigation that is ongoing.” Hawkins says that while police don’t think it looks like a trafficking camp, they aren’t ruling it out. “We responded to the report of the camp on**

**the 29th [of May] and our last visit to the area was June 2,” he said. “Cadaver dogs were sent to the area and did not find anything.”**

**CEMEX communicated to police that they did not want the VoP on their property and the veterans have removed themselves. VoP has been encouraging other searchers in the nearby area to find more camps that are similar, but police say they have done extensive searches and found nothing. “It appears to be a homeless camp or it could be used by border crossers, we’re not sure yet,” said Hawkins, adding that the TPD will get to the bottom of it.**

### **Tucson Police Chief Sued For Not Protecting Child Sex “Slave”**

By: [ADI News Services](#) August 21, 2017 **Tucson Police Chief Chris Magnus is being sued by a woman who alleges that he failed to “stop several officers using her as a sex “slave” while serving in the Richmond Police Force.** Magnus, current Richmond Police Chief Allwyn Brown, and Lt. Brian Dickerson are being sued by Jasmine Abuslin, [according to the Independent](#).

**Magnus looking not so happy as Richmond Mayor Tom Butt delivers opening remarks at City Hall community roundtable (2015).** VV

**Abuslin’s lawsuit argues that officers “are required and empowered to protect the weakest among us. When weak and vulnerable victims come to them for support and protection, they have the obligation to help, not further the horrors suffered by victims.”**

According to court documents, Abuslin “was a victim, trapped in the sex trade since she was a minor. She was exploited by pimps and made to sell her body for money. When the named Defendant Police Officers met Plaintiff, they were legally obligated to help her, not exploit her. Instead of providing her

a way out of her exploitation, the Defendant officers continued to victimize and exploit a teenage girl who needed to be rescued.”

Abuslin, who is identified as Jane Doe in the documents alleges that the “officers, their supervisors and city employers either directly engaged in, stood by with a blind eye, or acted to cover up this modern-day slavery of Jane Doe by their own sworn officers in order to engage in sexual acts with her. They expressly and/or implicitly coerced Jane Doe to continue such acts for her so-called protection. These acts constitute unlawful forced labor and sex trafficking amongst Richmond Police Department officers and have caused Jane Doe to suffer unimaginable abuse and pain that she and her family will endure for the rest of their lives.”

Abuslin has been the victim of sexual exploitation since the age of 12, [according to ABC news](#).

**Scott Johnson's Comment:** Despite all the information posted above Alex Jones is going out of his way to convince his listeners there is no validity to any of this; just like he did with Comet Ping Pong pedophile scandal!!!! Pray the Lord would expose all this and rescue these little ones and that every devil trying to cover this up be dealt with severely!!!! !!!! Alex is one of 'them'. I am convinced of it now. Why would he do this unless he was not covering up for 'them'!!!!????? He's not there and has not one single reporter there. Jones is in Hawaii being an armchair quarterback for Satan to try to get all his listeners to 'not look that way'!! Totally evil and disgusting!!! How dare that maggot try to discredit this!!! These are women & little children we are talking about being sexually abused and trafficked and the proof is overwhelming. They just found a decomposing child's skull yesterday and the police don't care & neither does Jones!!! It is all on video including the child's skull!!! I have been watching his live videos for days now and he is not making this up.

[Debby Foster](#) *I would bet that Sawyer was threatened. Wouldn't be surprised even if someone close to him was threatened or even kidnapped. There is information out there on names behind the this sort of thing, I mean big names at the top. What people have called Conspiracy Theorist sites is where you can connect the dots from Cemex to Clintons to Rothschilds to....well you go start digging.*

[Faith Prince](#) *Sawyer did it to himself. He went in and confirmed everything then left and now is saying VOP is lying. I'm sorry but he's got this coming to him. I believe he came in to try to shut it down and discredit VOP. But you see that can't happen when God is on your side and you're telling the truth!*

[Faith Prince](#) *He was called out on day 6 I believe it was and at that time confirmed it was a sex camp then he left. He now says it's fake he was never a sex camp and that the guys are just drug addicts. He is old FBI and all he cares about is his Netflix movie. I'm sure he's just a paid shill. I posted a link to a video by Bill Smith that helps explain Sawyer.*

[Kim Sheaffer](#) *My post to Mr. Sawyer about 2 hours ago*

*Sir, I asked you 2 very legitimate questions yesterday seeking to understand your change of opinion on what VOP found. First question was, why when you were live on video, walking through that newly discovered camp, did you confirm as an alleged sex camp and later even posted your own video reporting such findings as true. And second question was .. you stated your change was due to "interviewing the builder of the camp" .. why would you just automatically trust him after his son changed his mind multiple times on live video as to what the camp was used for. I asked in a polite manner and was not confrontational in any sense of the word. I even thanked you for your service and said that I support your current mission. I see that my post has now vanished as well as others. For this reason, you have lost all credibility with me sir...*

**New find:** Next to new fencing, gate, signs, Is a Trafficking Corridor that goes

through Property owned by the City of Tucson is a Water Station set out for Drug Mules and Human Traffickers.

We are instituting a Watch to include the VOP Drone Air Force over these. No one is permitted to destroy these Stations. Human life is precious.

We support the groups setting these up and will be adding more of our own. The Non-Active Corridors we mapped will be pre-staged with Humanitarian Aid.

As the Dope Corridors are displaced and locked down with manned OP's, the hidden trails leading out will be revealed.

This will expose all those who participate in the trafficking of humans where rape, abuse, and murder is occurring.
