### **Bible Verses To those that love Strife, Debate, Contention and Railing**

**1Co 5:11** But now I have written unto you not to keep company, **if any man that is called a brother** be a fornicator, or covetous, or an idolater, **or a railer**, or a drunkard, or an extortioner; **with such an one no not to eat.**

**Noah Webster 1828: RA'ILER:** One who scoffs, insults, censures or reproaches with opprobrious language

**OPPRO'BRIOUS:** Reproachful and contemptuous; despised; rendered hateful

**1Co 5:12** For what have I to do to judge them also that are without? **do not ye judge them that are within?**

[1Co 5:13](#) But them that are without God judgeth. **Therefore put away from among yourselves that wicked person.**

[Pro 13:10](#) **Only by pride cometh contention:**

[Rom 1:28](#) And even as they did not like to retain God in *their* knowledge, **God gave them over to a reprobate mind, to do those things which are not convenient;**

[Pro 17:19](#) **He loveth transgression that loveth strife: and he that exalteth his gate seeketh destruction.**

[Pro 20:3](#) **It is an honour for a man to cease from strife;** but every fool will be meddling.

[Jas 3:13](#) **Who is a wise man and endued with knowledge among you? let him shew out of a good conversation his works with meekness of wisdom.**

[Jas 3:14](#) **But if ye have bitter envying and strife in your hearts, glory not, and lie not against the truth.**

[Jas 3:15](#) **This wisdom descendeth not from above, but is earthly, sensual, devilish.**

[Jas 3:16](#) **For where envying and strife is, there is confusion and every evil work.**

[Jas 3:17](#) **But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be intreated, full of mercy and good fruits, without partiality, and without hypocrisy.**

[Jas 3:18](#) **And the fruit of righteousness is sown in peace of them that make peace.**

**To my listeners: This may be of help to you and this is now my standard response to the Mandela/Quantum Effect deniers:**

-----  
**Please explain this: Wow-Mind Blowing!:** [Preachers Dr. J Vernon McGee, Charles Smith, Chuck Missler, Jon Courson remember the original King James Bible - KJV #15 Mandela Effect- Quantum Effect](#)

**So if you don't want to believe anything has changed that is your prerogative.**

If you think it **never was:**

**"Mirror** mirror on the wall" **but was always:** **"Magic** Mirror on the Wall" in the original Snow White

**Or**

**"Interview With a** Vampire" **but was always:** "Interview with **the** Vampire"

**Or**

**"Sex in** the City" **but was always:** "Sex **and** the City"

**Or**

Adult Diapers **were never called** **"Depends"** but they were always called **"Depend"**

**Or**

That Jesus and his disciples **never walked through a wheat field** on the Sabbath picking the **"heads of wheat or grain"**, **but believe they were actually walking**

through a corn field picking the “Ears of Corn” on the Sabbath which is now stated in 3 different gospels (even though corn was not even discovered till 1493 by Christopher Columbus [Which is about 1400 years after the Scriptures both Old and New Testaments had been totally completed] & wheat or grain does not have “ears” but “heads” & virtually all depictions of this are with Jesus and his disciples in a wheat field & now we have: Leviticus 2:14 (KJV)<sup>1</sup> And if thou offer a meat offering of thy firstfruits unto the Lord, thou shalt offer for the meat offering of thy firstfruits green ears of corn dried by the fire, even corn beaten out of full ears.” So now in the Old Testament (thousands of years before corn was ever brought to the new world) we now have green ears of corn now; the color green is significant here as only corn when it is ripe has a green wrapper over the ear of corn, whereas grains or wheat are not green at harvest but a tan color, so this is further proof we are talking about corn here and not a grain or wheat!!

Or

That nowhere in the King James Bible (both the Old and New Testaments) could you ever even find the words (Wineskins, Wineskin, Wine skins or Wine skin—try searching for yourself as they do not exist there at all now) but that word was always bottle or bottles, even though that makes no sense in the context of the verses below as old wineskins had been “stretched to the limit”<sup>[7]</sup> or become brittle<sup>[2]</sup> as wine had fermented inside them; using them again therefore risked bursting them;<sup>[7]</sup> but this makes no sense if we are dealing with bottles.

Mat 9:17: Neither do men put new wine into old bottles: else the bottles break, and the wine runneth out, and the bottles perish: but they put new wine into new bottles, and both are preserved.

Mar 2:22: And no man putteth new wine into old bottles: else the new wine doth burst the bottles, and the wine is spilled, and the bottles will be marred: but new wine must be put into new bottles.

Luk 5:37: And no man putteth new wine into old bottles; else the new wine will burst the bottles, and be spilled, and the bottles shall perish.

Yet the word ‘wineskin’ is still in the commentary/definition of many KJV Bible commentary Bibles but you can’t find the word anymore in the KJV text!!! See this video for a video of this exact fact, Play:

<https://youtu.be/ShtOCH9dzCq?t=6m42s>

Or

That the KJV Bible never said: (Original Verse KJV that the majority of Christians remember.) Isaiah 11: 6 "Then the lion shall lie down with the Lamb, and the bear shall eat grass like the ox, and the child shall play on the hole of the asp and nothing shall hurt or destroy in all my Holy Mountain."

KJV now Says Isaiah 11: 6 "The wolf also shall dwell with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion and the fatling together; and a little child shall lead them.

For further proof: Mandela Effect - 100% PROOF it was the Lion and the Lamb

So why do so many people quote from Isaiah 11 saying that **the Lion shall lie down with the lamb**. That quote doesn't even exist in any other modern Bible translations. The NIV, NASB, NLT, NKJV, ESV, ASV, Etc all say wolf, not Lion, so how can so many people get it completely wrong as if it was coming from their own imaginations. Also it never even existed in ANY other versions of the Bible including all English translations predating the KJV. Also there are numerous old movies and TV shows quoting it, famous musicians singing it like Elvis and Johnny Cash, people like Martin Luther King Jr. quoting it, TV preachers quoting it, **multitudes of pictures and sculptures portraying it with Isaiah 11:6 inscribed on it, and ministries being named after it.**

<https://youtu.be/70yp7cHdolg>

**Also the Lion and the lamb verse is quoted by John Bunyan, see:** "The Works of John Bunyan Volumes 1-3" (Halfway down the page at point 4. Subpoint (5.)) [http://biblehub.com/library/bunyan/the\\_works\\_of\\_john\\_bunyan\\_volumes\\_1-3/an\\_exhortation\\_to\\_peace\\_and.htm](http://biblehub.com/library/bunyan/the_works_of_john_bunyan_volumes_1-3/an_exhortation_to_peace_and.htm)

**Also here are 16 quotes from books/commentaries/devotionals that have lion shall lie with the lamb:** <https://youtu.be/NxjiGVKNXE0>

**Or**

**++ Matthew 7:1 "Judge not, lest ye be judged" so why have so many people got this verse wrong if it never existed.** There are so many clips of pastors teaching it, many people quoting it. It's been on many printed resources, even on tattoos. It's quoted in songs. It's quoted in TV shows. Even after looking at that verse in every bible translation on [Biblegatway.com](http://Biblegatway.com), even the older English versions predating the KJV, there is no "lest" in any of them. How can so many people quote it with the word "lest," when NO other Bible translations ever say "lest ye be judged."

Here are the many examples of this:

Numbers [11:12](#) Have I conceived all this people? have I begotten them, that thou shouldest say unto me, **Carry them in thy bosom, as a nursing father beareth the sucking child**, unto the land which thou swarest unto their fathers?" Revelation [1:13](#) "And in the midst of the seven candlesticks *one* like unto the Son of man, clothed with a garment down to the foot, **and girt about the paps (nipples) with a golden girdle.**"

**Or:**

**++ What about the lunacy of "turtles" being used instead of "turtle doves" for the Levitical sacrifice. Do they take the turtles out of the shell first or just cook the turtle in the shell on the fire. Turtles are not even kosher and Israel was forbidden to eat them. Yet portions of sacrifices were given to the priest to eat (Deuteronomy 18:1).**

**Leviticus 12:6-8:** "And when the days of her purifying are fulfilled, for a son, or for a daughter, she shall bring a lamb of the first year for a burnt offering, **and a young pigeon, or a turtledove**, for a sin offering, unto the door of the tabernacle of the

congregation, unto the priest: Who shall offer it before the LORD, and make an atonement for her; and she shall be cleansed from the issue of her blood. This is the law for her that hath born a male or a female. And if she be not able to bring a lamb, then she shall bring **two turtles, or two young pigeons...**"

**Leviticus 15:29** And on the eighth day she shall take unto her **two turtles, or two young pigeons**, and bring them unto the priest, to the door of the tabernacle of the congregation.

**Numbers 6:10** "And on the eighth day he shall bring **two turtles, or two young pigeons**, to the priest, to the door of the tabernacle of the congregation:"

**Pushing For Total Govt Control Of Internet.**

**The MSM has also proven to be exceedingly dangerous to the physical health and welfare of the American people in so many ways it boggles the mind.**

**Let's take a quick look at all the false information the MSM puts out weekly about things that are actually a slow-mo killing of the populace.**

- Murderous false flag mass shootings**
- Destructive false flag bombings**
- Deadly vaccinations**
- Geoengineering weather catastrophes**
- Geoengineering seismic and volcanic disasters**
- Highly toxic chemtrails**
- Harmful water fluoridation**
- Perilous 5G frequencies**
- Noxious GMOs in food supply**

- **Poisonous aspartame in beverages**
- **Radiated produce from foreign countries**

This is just a short list of some of the most dangerous things happening in American society which have put people everywhere in great jeopardy.

9/11: Mother of all Cover-ups by the MSM

The *Mainstream Media* couldn't even investigate the obvious inside job and false flag terror attacks conducted by *Deep State* and *Gladio* on September 11, 2001.

**Because of the profundity of that institutional neglect and shocking malfeasance of the Fourth Estate, a fake "War on Terror" was fraudulently declared on the world by the very perpetrators of that classic Operation Gladio terrorist operation. Talk about "the enemy of the people": the entire *Mainstream Media* is essentially guilty of the greatest criminal coverup in the Third Millennium. See: 9/11 VERDICT: Mainstream Media Guilty Of The Biggest Coverup In US History**

**Breaking: REPORT: Poisonous dust from 9/11 attack has given almost 10,000 New Yorkers cancer...**

Were anyone to consider — in the aggregate — the total number of false flag attacks that the MSM willfully participated and covered up in the USA alone since the assassination of President John F. Kennedy, it's quite clear that corporate media is the arch-enemy of the American people. What has the *Mockingbird Media* reported about JFK's public execution — by the C.I.A. — except an absurd CIA-fabricated lone shooter theory that was physically impossible for the innocent Lee Harvey Oswald to carry out alone.

***The Deep State* fabricates the fake narratives as the C.I.A. controls what media can and cannot report**

**Make no mistake about it, "THE MEDIA IS THE ENEMY OF THE PEOPLE!"**

The *Mainstream Media* (MSM) has never been so up in arms and conspicuously enraged about anything, as they are about this self-evident truth. They all know — every single journalist — that they cannot report the truth about anything. Factual reporting has been banished from the MSM; once that happened the press inevitably became "the enemy of the people". And every journalist knows in their bones that this is absolutely true.

**++ UPDATE: 100+ Newspapers Join Coordinated Effort Against President...**

**The Boston Globe has been contacting newspaper editorial boards and proposing a "coordinated response" to President Trump's escalating "enemy of the people" rhetoric.**

**"We propose to publish an editorial on August 16 on the dangers of the administration's assault on the press and ask others to commit to publishing their own editorials on the same date," The Globe said in its pitch to fellow papers.**

The effort began just a few days ago.

As of Saturday, **"we have more than 100 publications signed up, and I expect that number to grow in the coming days,"** Marjorie Pritchard, the Globe's deputy editorial page editor, told CNN.

The American Society of News Editors, the New England Newspaper and Press Association and other groups have helped her spread the word.

"The response has been overwhelming," Pritchard said. "We have some big newspapers, but the majority are from smaller markets, all enthusiastic about standing up to Trump's assault on journalism."

Newman made the charge [during an exclusive interview with NBC's "Meet the Press,"](#) days before the release on Tuesday of her new book, "Unhinged: An Insider's Account of the Trump White House." In the book, Newman [describes hearing about the tape](#) but not hearing it herself. She said Sunday that she personally listened to it after her book had gone to press.

She said she had "heard for two years that it existed, and once I heard it for myself, it was confirmed, what I feared the most: **That Donald Trump is a con and has been masquerading as someone who is actually open to engaging with diverse communities.**"

She added: "But when he talks that way, the way he did on this tape, it confirmed that he is truly a racist."

**Comment:** [But Hillary Clinton the pedovore video star \(as was found on Anthony Wieners laptop, that made grown men in the police force cry like babies and have to seek physiological help\) would have been a pillar of morality and much better choice for president; as she loves sexually terrify, rape, and cut the faces off little girls and then puts them on like a mask to terrorize them, and then when she is finally done she executes them in the most brutal way possible so her body will secrete the maximum amount of Adrenochrome, so she can then slit her throat and drink the poor little girls blood; but yes absolutely this alleged behavior of Donald Trump \(accused by a traitorous, race bating, black women \[with the 'not so hidden agenda' of trying to sell her book and make as much money off this situation as possible\]\) far exceeds any atrocities Hillary Clinton or Obama ever perpetuated.](#)

**++ The internet DARK AGES descends upon us: Facebook, Google, Spotify, Twitter all conspire to "outlaw" conservative speech with no due process**

August 06, 2018 by: Mike Adams

[\(Natural News\)](#) Today, tech giants Google, YouTube, Apple, Spotify, Stitcher and Facebook all simultaneously banned & blacklisted Alex Jones and InfoWars. This coordinated, illegal censorship is clear proof of an organized criminal racket being conducted by the tech giants. The RICO Act allows for federal prosecution of such criminal conspiracy.

The internet Dark Ages has now descended upon us, where radical left-wing tech giants run by deranged, mentally ill communists will decide whether your content qualifies as "hate speech." What is hate speech? It's anything uttered by a conservative.

No due process, no appeal, no transparency of the evidence against you, no ability to present evidence in your defense, no means of recourse, nothing...

The tech giants alone now decide what speech is allowed on the internet (and what speech is banned).

Even if you didn't support Alex Jones before all this, we must all stand with the right of Alex Jones to speak.

As expertly explained [at All News Pipeline](#):

The same liberal media that has been bitterly whining about their First Amendment right of a free press for the last week, claiming that is somehow endangered because rally attendees screamed #CNNSUCKS at them, are now celebrating the decision by Facebook to permanently remove Alex Jones and InfoWars pages from their platform on the same day that Apple has removed the entire library for five of Infowars' six podcasts from its iTunes and Podcast apps. This comes just days after YouTube removed multiple Alex Jones videos and gave him a community strike for alleged "hate speech," which is the catch-all excuse being used by Apple, Facebook, and Spotify as their justification to silence him. A YouTube strike effectively prevents Jones from livestreaming his broadcasts on the platform. (I just clicked the Alex Jones Channel on YouTube, and received the message "This account has been terminated for violating YouTube's community standards.") His YouTube channel is now totally gone.

Paul Joseph Watson wrote at Infowars this morning:

*Apple, Spotify, Facebook and YouTube all banned Infowars within 12 hours of each other, illustrating how last night's purge was a coordinated effort and has nothing to do with these platforms enforcing "hate speech" rules.*

I don't care if one agrees with Alex Jones or disagrees with him, if they love him or hate him, this coordinated attack against him and his InfoWars broadcasts and social media presence should severely concern everybody that sees the abusive liberal media bias and uses Independent Media to find information the establishment media won't report.

The censorship of conservatives has become **so blatant that House Majority Leader Kevin McCarthy wants Twitter CEO Jack Dorsey to testify before Congress about the issue.**

The problem is congress moves too slowly **and these attempts by big tech to silence conservatives is a direct attempt to meddle in the midterm elections by silencing any and all prominent conservatives across all social media platforms. That is also collusion.**

There are some in the Independent Media that consider others as some type of competition, but the Internet is a huge, vast place, with room enough for all of us. **Every single Independent Media website should be standing for Alex Jones and Infowars today, because tomorrow, we will all be Alex Jones.**

Here's my full statement, where I openly call for the arrest and criminal prosecution of the executives running the tech giants.

## Free-Speech Monopoly – The Game Is Rigged--The Internet is today's town square--The soapboxes are social media

Ben Garrison [GrrrGraphics.com](http://GrrrGraphics.com) - August 12, 2018

*In early America many cities had 'town squares' in which citizens could stand on soapboxes and shout out various messages. Our First Amendment protects such speech. The Internet is today's town square. The soapboxes are social media.*

**The Deep State and the left are intertwined with Silicon Valley. The CIA helped Google and Facebook get started. Why? To make it easier to spy on people. Over time, millions gravitated toward Facebook, YouTube and Twitter. Conservative and Libertarian voices became very strong and that alarmed the Deep State. So they began demonetizing conservatives. Then they shadow-banned them. Now they are deleting them outright.**

## Youtube Uses Empty Banned Alex Jones Channel to Advertise Establishment Media--Globalist programming promoted on Alex's own channel now

Infowars.com - August 6, 2018

Upon visiting the [URL](#) of the purged Alex Jones channel, the user is met with a brief "tombstone engraving" – as Alex Jones put it.

"This account has been terminated for violating YouTube's Community Guidelines," [reads](#) the official channel.

But right beside that statement is a "related channels" column that traditionally allows users to view similar content in the absence of the originally desired channel.

**But this column is now populated with distinctly mainstream or pro-establishment channels, many of which are known for their anti-Alex Jones rhetoric.** Take [a look](#) for yourself:

First up is the daily talk show, *Good Mythical Morning*, whose creators are known for [getting their vasectomies together](#) – as well as music videos and sketches.

Second is the internet media and news site, BuzzFeed, **recently**

**known for publishing the racially charged "37 things white people need to stop ruining in 2018" article.**

Third is Jimmy Fallon's *Tonight Show*, whose writer tweeted Trump **supporters should "drink bleach" and have their [children taken away](#).**

Next is Stephen Colbert's YouTube Channel for his *Late Show*. Colbert frequently lampoons Alex Jones and recently had his spoof Jones character, "Tuck Buckford," volunteer to be Trump's food and beverage tester to thwart the Deep State's efforts to poison the president.

Fifth on the list is Saturday Night Live's official channel. Bashing Trump and conservatives has been SNL's modus operandi since the 2016 election; the faux-activism intensified to such a degree that even a former actor of the show, Rob Schneider, slammed the frequent anti-Trump material.

The last promotion is *WatchMojo.com*, known for churning out "Top 10" video lists including last week's "Top 10 Dumbest Alex Jones Predictions."

**Correspondingly, the timing of this coordinated purge of Infowars content comes just before the midterms and could last for the 2020 Presidential election.**

**This is significant because a recent study found that manipulated search results can swing nearly 80% of undecided voters.**

### APPLE IS NOW THE JUDGE, JURY AND EXECUTIONER: REGULATES 'HATE' SPEECH

- Apple confirmed on Monday that it had removed five out of six podcasts, which includes Jones' infamous *The Alex Jones Show*.
- Facebook has also removed four pages that belong to Jones.
- YouTube followed suit later, removing his channel from its platform.
- Apple and Facebook said Jones violated hate speech policies on their respective platforms.
- YouTube removed Jones' official channel because he continued to livestream on other channels even though he was banned for 90 days due to previous violations.

### Facebook Bans Infowars, But Keeps Antifa, Louis Farrakhan--Censorship not about 'hate speech,' it's about silencing MSM competition

Facebook banned InfoWars from its platform, **yet many leftist pages with far worse content still remain.**

Facebook's explanation for the InfoWars ban claims that the site posts material which "glorifies violence," and also uses "dehumanizing language."

**But the social media Masters of the Universe have made no attempt to explain why InfoWars should be banned while leftist pages with a far more explicit glorification of violence, not to mention using "dehumanizing" language towards Jews, Christians, and Americans in general, should remain and even prosper on the platform.**

Among them, a page called "Kill Trump," and dozens of global pages for the registered domestic terrorist group Antifa, which have made unchallenged posts supporting violence.

**“It’s Going Down”** is one such prominent Antifa page. Beyond featuring violent imagery of President Donald Trump being attacked, it includes training and information on attacking critical infrastructure targets. “It’s Going Down” seems to be lower on Facebook’s list of “glorifying violence” than InfoWars. Infowars was banned from Facebook but this Antifa organizing site that offers recruiting materials that depict Trump supporters being bayoneted, and provided instructions on how to sabotage critical transportation and communication infrastructure, is still active. — Far Left Watch (@FarLeftWatch) [August 6, 2018](#)

Infamous anti-Semite and Nation of Islam leader Louis Farrakhan also remains on the platform, with nearly one million likes, while The Young Turks, a progressive news outlet, remains despite its founder Cenk Uygur’s denial of the Armenian Holocaust.

The New Black Panther Party, a black supremacist organization, which according to the Southern Poverty Law Center (SPLC) has “encouraged violence against whites, Jews, and law enforcement officers,” also has several pages on the social network.

Other pages allowed on the platform include: “F### White America,” “F### the south,” and “Islam Will Rule the World.”

It does not even require fresh transparency of Facebook’s murky rules around “hate speech,” “glorifying violence,” and “dehumanizing language,” to recognize that if InfoWars does not belong on Facebook, neither do these pages. By Facebook’s own treatment of InfoWars, one could make a reasonable argument that *New York Times* anti-white bigot Sarah Jeong, who refers to white people as “goblins,” is a perfect example of leftists using “dehumanizing language.”

**MRC President Brent Bozell:**

"I don't support Alex Jones and what InfoWars produces. He's not a conservative. However, banning him and his outlet is wrong. It's not just a slippery slope, it's a dangerous cliff that these social media companies are jumping off to satisfy CNN and other liberal outlets.

"This is part of a disturbing trend. In recent months top conservative congressmen have been shadowbanned on Twitter. Pro-life and pro-gun posts and videos are often removed on several platforms. Liberal journalists even objected to one conservative outlet attending a meeting with Facebook. Several conservative organizations like Live Action, the NRA and even the Christian satire site Babylon Bee have complained they had posts removed or censored.

"Social media sites are supposedly neutral platforms, but they are increasingly becoming opportunities for the left and major media to censor any content that they don't like. The lack of transparency is also problematic and, as of this release, Facebook, Apple and Spotify have provided no detailed explanation for the ban.

"Conservatives are increasingly concerned that InfoWars is not the end point for those who want to ban speech. It's just the beginning. We are rapidly approaching a point where censorship of opposing voices is the norm. That's dangerous."

[Allum Bokhari ✓ @LibertarianBlue](#)

**After banning Alex Jones, tech giants now pushed to ban all “climate deniers,” targeting those who recognize the junk science of global warming**

August 10, 2018 ([Natural News](#)) The great social media purge of 2018 is showing no signs of slowing down: Now that Alex Jones has been banned, the left-wing is on a power trip — and they're already demanding more censorship. Media Matters, a left-wing organization funded by George Soros, has already stepped up to the soapbox, calling out Facebook for allowing "climate deniers" to have space on the network.

[Writing for The Guardian](#), Dana Nuccitelli also recently called out the social media giant, with a headline declaring, "Facebook video spreads climate denial misinformation to 5 million users." She goes on to argue that fake news is still running amok at Facebook. The call to silence anyone who presents opposing information is strong, and it's coming from a variety of fronts.

How long will it take for the Zuckerberg to cave into the pressure from Democrats and left-wing organizations this time (remains to be seen). But one thing is for sure: The Left doesn't want conservatives to have any space to voice their opinions, at all.

As [Media Matters writes](#), "Combating fake news is key to combating climate change. As an editorial in the journal *Nature Communications* argued last year, 'Successfully inoculating society against fake news is arguably essential' if major climate initiatives are to succeed. Facebook could be a big part of the solution."

They go on to accuse Facebook of "kowtowing" to conservatives; it would seem the Left won't be happy until the conservative voice has been erased from the internet entirely. The notion of *inoculating* society against certain points of view is particularly troublesome — it's as if the Left is admitting they want to control what people think.

The censorship of Alex Jones was just the beginning. Now liberals want to censor climate science — what will come next, censoring pro-liberty speech?

*At the soul level, we know these words to be truth.*

*what to do now? **what about the great invocation if you're tired of this?***

### THE GREAT INVOCATION

From the point of light within the Mind of God,  
Let light stream forth into the minds of every person, every being.  
Let light descend on earth.

From the point of love within the Heart of God,  
Let love stream forth into the hearts of every person, every being.  
Let love descend on earth.  
May the World Teacher return to earth.

From the centre where the Will of God is known,  
Let purpose guide the will of every person, every being.  
The purpose which the Holy Masters know and serve.  
Let goodwill and the will to do good descend on earth.

From the centre which we call the Human Race,  
Let the Plan of Love and Light work out.  
And may it seal the door where evil dwells.

Let Light, Love and Power manifest the Divine Plan on earth.

**[++ Multiple Sources Indicate a Major Bio-Terror Attack Is Coming](#)**

Sunday, August 5, 2018--By Dave Hodges TheCommonSenseShow.com

Paul Martin has a source that is the highest placed source that I have ever heard of in our business of Independent Media reporting. Beyond that I cannot say anything else because I fear compromising the identity. I keep coded files on sources so I can track accuracy. In the four years that I have had information passed on to me by this person, through Paul Martin, this source has never been wrong. There is, however, one revelation that has been made over and over and has yet to happen to the level that Paul's source is forecasting. It is the same warning that I received six years ago, this fall, from a close friend that, at the time, was employed in counter-biological and chemical terrorism for FEMA.

In the 1990's, I volunteered to be a Maricopa County "first responder" in the event of a chemical or biological attack. People ask me what motivated me to volunteer? Self-preservation motivated me to become a volunteer as we were promised first access to antidotes to the substances being applied by would-be terrorists. Eventually, FEMA took over the program. In actuality, from my perspective nothing really materialized except that I attended a few meetings and learned more about disaster planning.

In the interim period of the takeover by FEMA, I became friends with a FEMA official and that friendship continued for nearly 20 years. I knew the family, watched his kids grow up and then he hit me with a bombshell in October of 2012 when I had just completed basketball practice at the college I was coaching at as he and his wife were waiting for me outside my office door. We talked until 2AM. In effect, he told me his family was bugging out with other like-minded FEMA as well as DHS personnel. Many of his confederates took early retirement. For years, he and his allies prepared a completely, stand-alone community that was capable of surviving anything outside of a direct nuclear strike.

I was asked to hold off on printing this revelation until after Christmas of 2012, which would have been after he and his family had bugged out.

**On Christmas Day of 2012, I published what I knew. Here are some selected excerpts from my several conversations between October and December of 2012. My friend had indicated that there were several enclaves of various agencies that were bugging out. He chose to go private with a selected few allies because he felt his colleagues would be targeted for what they knew and they would suffer the same fate as Hitler's Brown Shirts.**

*I have two sources on this information which includes a family member and a retired FEMA official who has chosen not to participate in this relocation. **The nonparticipant ex-official from FEMA did not seek sanctuary with these groups because he feels that several of these enclaves will be targeted for destruction by the powers that be because of the knowledge contained by the inhabitants in this case of "dead men tell no tales."** This makes sense because it would allow the elite, following the coming cataclysms, to rewrite history in their own version without any contradiction from knowledgeable individuals that know what really has gone on. This insider knowledge is a threat which would serve as an obstacle to the new truth. Personally, I think this view has a great deal of merit.*

In December of 2012, I published two more articles detailing operational details of what was coming according to my source. Some unknown entity has entered my website and scrubbed the two articles that provided more operational details. If readers would go to the above link, they will note two separate parts to this story that could presumably be

clicked on and be taken to the story. They are now 404 dead links. In these deleted articles, I detailed how my **counter-bioterrorism expert from FEMA said that the ace up the sleeve for the globalists was a biological attack upon the people of the United States. My source said that the rising tide of populism was to blame. This was their doomsday plan. This is why he, his family and his colleagues had to go into hiding as they knew their lives would be in danger fr what he knew.**

**The spin-off events of Benghazi, Fast and Furious and several other scandals were awakening the American people. The globalists, according to my friend were having internal debates in front of him on how to deal with the rising tide of a country that was waking up. Keep in mind, these events were taking place well before anyone thought about Donald Trump running for President.**

I have had two communications with my ex-FEMA source since he bugged out. The last communication was in April. He originally told me he thought the attacks would commence in 3 to 4 years after bugging out. We are approaching 6 years and he was surprised it did not happen right after the election in 2016. **He said, however, he did not think we'd see another year go by without a series of biological attacks. One more piece of information that I revealed and someone thought it important to censor this information, I was told that we have horrible biological weapons that the world knows nothing about and that the decision makers within DHS and FEMA have strong ties to covert groups outside of the government. This generated the fear that led to some FEMA officials, such as my friend, to bug out.**

It was not just Federal officials that are frightened enough to bug out. In a December 9, 2012 interview on *The Common Sense Show*, the late [Jim Marrs](#) discussed how approximately 400-500 top level bankers have left their positions and have gone into seclusion. Marrs reminded my listening audience of how the elite have developed seed vaults which only they have access to. Marrs was clearly alluding to the fact that some very bad events are coming and the global elite are aware of it and are moving to meet the threat

**I firmly believe that the only reason that the biological attacks have not occurred was due to the fact that the globalists actually believed that Hillary would be elected President and this action would be unnecessary.**

Coupled with warnings from Paul Martin and now, Pam Geller, I am highly concerned that the **globalists feel much stronger action needs to be taken against the American people. One has to wonder why this action is necessary. The major reason is that the Deep State cannot take over the government at this time. The Democratic Party is floundering. Their leadership has been exposed as extremist and anti-American. Trump's popularity is growing despite the MSM's efforts to destroy him. Trump has ordered Sessions to shut down the Russian-collusion-delusion witch hunt and this will lead to more exposure of Deep State motives as Sessions will refuse to follow orders. Black and Hispanic employment levels are at an all-time high. The country is showing signs of unifying despite the best efforts of George Soros in places like Portland. Trump is fortifying the border with US military and covert ops designed to interdict terrorists entering the country with WMD's. The Deep State has been checkmated at every turn. Therefore, much stronger action is needed.**

For the anti-American crowd, open borders have served a useful purpose. **The delivery agents of bioterrorism have arrived to the United States in great numbers. There is no shortage of 5th column terrorists who are ready and willing to release hell upon the people of the United States. If America is suffering through a great biological plague, resistance to the takeover of the country will be considerably lessened.**

Recent Terror warnings were printed on a **pro-terror website** on July 20, 2018. This was reprinted, yesterday, on Pam Geller's site.

*Narrator: "While the world is watching silently! The European governments are developing satanic chemical attack systems to be brutally tested on the cities and peoples which refused humiliation, so the Muslim countries in Africa and Khorasan (Khorasan is a region in the north-east of [Iran](#)) have turned into testing fields of phosphorus bombs and toxic gas. The crusader alliance continues bombing Mosul, Raqqa, Al-Anbar and others... with various types of chemical bombs and incendiary gases. And similar to the enemies of God! We invite you, oh Muwahid [monotheist] who lives between the Mushrikeen [idolaters] **that you clean the dust of humiliation and to renew the fatal nightmare in the land of the devil worshipers with a silent destructive weapon. It cannot be detected or tracked it cannot be escaped or avoided with simple equipment, extract the most harmful viruses and infection bacteria then release them safely by following these simple steps: First, try to find the most severe epidemics to treat.**"*

**On Screen: "Hantavirus, derived from the feces and droppings of rats that carry the plague of the most serious plague at the moment. The Cholera virus is extracted from the patient's waste. Typhoid bacteria, found in human and animal wastes in general and frequent in the dirty areas."**

*Narrator: "Second, spread the bacteria extracted by type as follows."*

**On Screen: "Sprinkle the liquid substances or the basics of bacteria with drinking water to take effect automatically. Sprinkle the crushed material on exposed fruit and public foods or scatter them in the air in crowded places – with caution."**

*Narrator: "Third, try to be safe and avoid any danger that may affect you during the preparation of harmful substances."*

**On Screen: "Work in a room with natural and industrial ventilation. Wear gloves and blouses during work. Put the goggles and goggles – according to chemical process requirements. Do not touch or inhale the materials. Isolating the workplace from the rest of the house. Wash your hands with sterile soap and water after each test."**

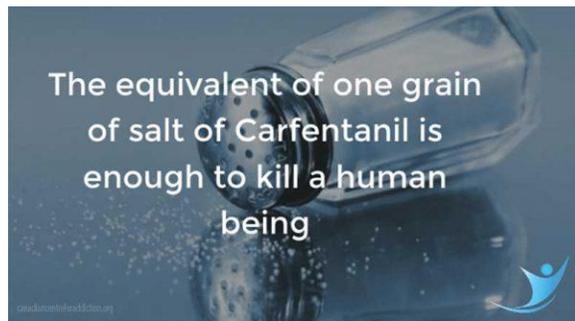

**Off-Screen Voice: "To our brothers in Aqidah [creed] and Iman [faith] in Europe,**

*America, Russia, Australia, and elsewhere, your brothers in your lands have absolved themselves of blame so leap onto their tracks and take an example from their actions and know that Jannah [paradise] is beneath the shadows of swords.”*

Conclusion

A terror attack of any significance would weaken the country against responding to Deep state coup against Trump. It could also assist a Red Dawn invasion by weakening the country. Remember, most bio attacks will dissipate within 30 days. The destruction would indeed weaken America for what the globalists have planned next. By the way, the terrorist warning depicts San Francisco as a site of the attacks.

Geller Report recently reported that **Muslim hater Linda Sarsour called on her mentor Siraj Wahhaj, the World Trade Center bomber co-conspirator, to support Abdul EI-Sayed, the terror-tied Muslim Candidate for Michigan Governor.** **Linda Sarsour** is an American political activist and former executive director of the [Arab American Association of New York](#). Abdul EI-Sayed did not reject this endorsement. He welcomes Sarsour's election jihad.

If only Muslims were clever politically, they could take over the United States and replace its constitutional government with a caliphate. If we were united and strong, we would elect our own emir and give allegiance to him. Take my word if eight million Muslims unite in America, the country will come to us.

Siraj Wahhaj

Muslim Terror supporter Linda Sarsour has been vigorously campaigning for the first Muslim candidate for Michigan Governor Abdul El-Sayed, who is not what he seems.

His affiliations with known terror-tied persons and organizations reveal his allegiances. El-Sayed refuses to answer questions concerning the most brutal and extreme ideology on the face of the earth. And he campaigns on abolishing any immigration enforcement. He wants a slaughter like Europe is suffering.

## Christianity crackdown: China demolishes churches, confiscates Bibles

By Associated Press 07 Aug 2018

Concerns have been raised over China's apparent crackdown on Christianity as the ruling Community party continues to intensify its control over religious freedom in the country. Churches were raided and demolished, Bibles and holy books were confiscated and new laws were established to monitor religious activities

in the country's province of Henan, which has one of the largest Christian populations in China.

Under President Xi Jinping, China's most powerful leader since Mao Zedong, believers are seeing their freedoms shrink dramatically even as the country undergoes a religious revival.

Experts and activists say that as Xi consolidates his power, he is waging the most severe systematic suppression of Christianity in the country since religious freedom was written into the Chinese constitution in 1982.

**YOUR computer screen could cause YOUR VISION LOSS or BLINDNESS**  
Sources of blue light include the sun, digital screens (TVs, computers, laptops, smart phones and tablets), electronic devices, and fluorescent and LED lighting.

Why should we be concerned about blue light exposure?

Blue light waves are among the shortest, highest energy wavelengths in the visible light spectrum. Because they are shorter, these "Blue" or High Energy Visible (HEV)

wavelengths flicker more easily than longer, weaker wavelengths. This kind of flickering creates a glare that can reduce visual contrast and affect sharpness and clarity. This flickering and glaring may be one of the reasons for eyestrain, headaches, physical and mental fatigue caused by many hours sitting in front of a computer screen or other electronic device.

Our eyes' natural filters do not provide sufficient protection against blue light rays from the sun, let alone the blue light emanating from these devices or from blue light emitted from fluorescent-light tubes. **Prolonged exposure to blue light may cause retinal damage and contribute to age-related macular degeneration, which can lead to loss of vision.**

**[Uvex Skyper Blue Light Blocking Computer Glasses with SCT-Orange Lens \(S1933X\) Product Description](#)**

**Computer Vision Syndrome [CVS] is an increasing problem, with nearly 70% of U.S. adults experiencing digital eye strain. Uvex Skyper Blue Light Blocking Computer Glasses deliver short and long term protection for your eyes. The Orange Lens features Spectrum Control Technology (SCT), which absorbs more than 98% of the blue light emitted from your laptop, computer, iPad etc. The result is additional screen contrast with sharpened details. This improves your focus and reduces eye fatigue while viewing your screen--especially in a dark environment. More importantly, it means these computer glasses can also help inhibit vision problems like cataracts and age-related macular degeneration.**
