Teaching Overview: Recently many high level sources have made predictions of impending doom. In each case there has been a press releases or news expose' predicting huge and building threats emerging from faceless enemies in shadowy places. **Joe Biden** set the stage at a Seattle fund raiser for VIP's when he told the audience about an "international crisis" & "generated crisis" will develop within six months of a Barack Obama's Presidency & they will need the help of **community leaders (Comment: Like the 501c3 Corporate Church) to control the population** as unpopular decisions are made and Americans resist. **Colin Powell** told Meet the Press "....a **crisis which will come along on the 21st, 22nd of January** that we don't even know about right now." **Lord West, adviser to Prime Minister Gordon Brown** on national security says, "There is another great plot building up again and we are monitoring...The threat is huge." In addition Australian Prime Minister Kevin Rudd said "The devastation that could be wreaked by one major nuclear weapons incident alone puts 9/11 and almost everything else in to the category of the insignificant," Why are there so many high level politicians around the world in a seemingly coordinated effort warning of huge threats and developing crisis' that may include a nuclear device? Are they preparing the masses for an event or series of events that have been in the making for some time? This study will be tied into many other events that relate to this subject like the global financial collapse and Maitreya's most recent announcement.

Australian PM Kevin Rudd - “Nuke strike would make 9/11 insignificant” and other warnings

October 21st, 2008 |

By: D. H. Williams @ 6:38 PM - EST

Over the last 72 hours there has been a strange melange of cryptic messages leaked from world political leaders about what could be in store for America over the next few months.

These predictions of impending doom come from England, France, Australia and the United States. In each case there has been a press releases or news expose' predicting huge and building threats emerging from faceless enemies in shadowy places.

Crisis will lead to unpopular decisions by Barack Obama

Joe Biden set the stage at a Seattle fund raiser for VIP's last Sunday when he told the audience about an "international crisis" that will test Barack Obama's Presidency should he be elected.

Biden told the top Democratic donors that a "[generated crisis](#)" will develop within six months and Barak Obama will need the help of community leaders to control the population as unpopular decisions are made and Americans resist.

Biden speaking at the fundraiser, *"I can give you at least four or five scenarios from where it might originate, And he's gonna need help. And the kind of help he's gonna need is, he's gonna need you - not financially to help him - we're gonna need you to use your influence, your influence within the community, to stand with him. Because it's not gonna be apparent initially, it's not gonna be apparent that we're right."*

Colin Powell and Madeline Albright confirm Biden's warnings

Biden's ominous language at the Seattle Sheraton are followed with statements by long time establishment insiders Colin Powell and Madeline Albright both say there is a massive crisis on the horizon and Biden was simply making a "[statement in fact.](#)"

"The problems will always be there and there's going to be a crisis which will come along on the 21st, 22nd of January that we don't even know about right now." Powell told Meet the Press.

Premonitions of dire consequences emerge from Europe

Meanwhile in England were they are trying desperately to pass a draconian measure allowing for the [42 day imprisonment](#) of any citizen without charges or access to bail.

Lord West, adviser to Prime Minister Gordon Brown on national security says, *"There is another great plot building up again and we are monitoring. It dipped slightly and is now rising again within the context of severe. The threat is huge. We have done all the things that we need to do, but the threat is building - the complex plots are building,"*

Lord West like Biden, Albright and Powell does not elaborate on the precise details of the threat or the source of his intelligence information just that the situation is dire.

Across the channel from England you have the French Foreign Minister Bernard Kouchner [warning the press](#) that he believes Israel will strike Iran before they can develop nuclear weapons completely ignoring the fact that the chief of the International Atomic Energy Agency, Mohammed ElBaradei, said that Iran lacks the [key components](#) to produce an atomic weapon.

Israel is believed to have 300 to 400 tactical nuclear weapons ready for deployment at a moments notice and is under no real threat from Iran who has never attacked another nation and has a defense budget equivalent to 1% of the United States.

It's a miracle there hasn't been a nuclear catastrophe

Only a few hours ago Agence France-Presse [published](#) a press release about the Sydney meeting of the international Commission on Nuclear Non-proliferation and Disarmament presided over by Australian Prime Minister Kevin Rudd who said that the world is facing a threat that will dwarf the September 11 attacks.

"The devastation that could be wreaked by one major nuclear weapons incident alone puts 9/11 and almost everything else [in] to the category of the insignificant," Rudd said.

Members of the commission warned of reaching an avalanche of danger due to the high number and general lack of control over nuclear devices and components.

Former Australian PM Gareth Evans says it's *"really a bit of a miracle"* referring to one the 13,000 to 16,000 nuclear weapons known to exist not being detonated, presumably by *"terrorist"* causing a catastrophe.

What are they preparing us for?

Why are there so many high level politicians around the world in a seemingly coordinated effort warning of huge threats and developing crisis' that may include a nuclear device? Are they preparing the masses for an event or series of events that have been in the making for some time? Is the public being prepared for new and forming enemies with a potential to plunge the entire world into war?

Prior to 9/11 William Kristol's Project for a New American Century called for a *"catalyzing event - like a new Pearl Harbor"* to bring about a *"transformational"* change in U.S. foreign policy and military spending.

Many believe a false flag strike on a major western city involving a nuclear device would be the Holy Grail to those who are working so hard to manifest *"transformational"* change on the world stage bringing with it the complete political, economic and military transformation toward fascist world government.

This is a transcript of a radio program done by Steve Quayle whose website is www.stevequayle.com

Good evening Ladies and Gentlemen. We are at a very pivotal point in history right now. This is a live broadcast. It's the 8th of December 2008. Tonight we're going to be talking about the ML letters. First I want to put this in historic context. Those of you who are students of history, ask this question of yourselves, can you name any place in the old testament or anywhere in history, where the warnings of impending judgement, destruction, and retribution from heaven has ever been heeded by the people that it was given to? The only exception I know of is Nineva, only to be repulsed 100 years later. Let's start tonight.

When I bring the different info that I try and bring across this radio program, it's for your not only knowledge and for your responsibility to pray and take an active part in finding out and searching scriptures to see what is true. We are to be the salt of the earth and the light of the world.

The thing so discouraging to me is the anguish coming. I see people with no hope, no money, no food, bills, debt up to their eyeballs, it crushes me. My wife has learned to quit asking me, "What's wrong". I've been forwarding my wife the emails that I get. I've tried to lighten the load of some of these people. Thank you to all who have sent money, and stood with me. We've made a difference.

Tonight I want to give you 3 different sources, actually a 4th source, from different parts of the country, unknown to each other, they do not listen to this radio program, they are bearing witness to the fact of martial law. The time they are being told is April. I don't believe it's going to hold together until April. They've also been hearing it's going to come from DHS and local law enforcement. This is validation and verification of what I'm going to tell you. They are being told all the different rules, ops, procedures and the legal rules for engagement. Let me tell you what engagement means. I used to tell people that it's not a question of them coming to take your gold away, their coming to blow you away. A former assassin told me, "Boy Steve, I'm sure glad I found Jesus, I wish the people would understand this. Take the guns away from people, but the gun owners will find other guns, or dig up the guns they've hidden. If you blow the gun owner away, you don't have to worry about that."

Also confirmed there's a 24-36 hour window, in which all will be squeezed in, turned back and shut down. All major highways and biways. Also there is talk of sheltering the families of law enforcement while they are on duty. Let me tell you what that basically means. The families will be held hostage. When I first brought this up a decade ago, the man who told me paid with his life. Those of you who post on boards, "why doesn't he name names" until you're ready take over his widow and his kids, do not even dare ask me that! Steve and Hawk will not name names! I will pull no punches tonight. I understand some people just can't handle this. This is not for those people.

For all those people who tried to warn you, the web bots, Stan, and others, who talked about the big quakes coming. Don't you think it's interesting they have been held off until the final insult to the Lord God of heaven. The

final insult is that now the gays have their own bible. The guy that produces it says, "Well, everyone else has their own bible." The deal is there's a certain problem in all this. A certain problem where the bible says where God has joined together let no man put assunder. The idea of marriage and family, the idea of the body of Christ, the idea of the bride of Christ is always placed in the loving family setting. I find it interesting that the great quakes that are coming to the west coast, don't you find it interesting that California is broke and has to give vouchers, IOU's. You have been warned. Look at the Ezekiel 33 passage of what a watchman is to do, the watchman is to simply warn. The whole world is coming to a halt. I gave a prophecy a number of years ago. Basically, the Lord said "You're too busy for me. I'm going to bring this country to a standstill. No trains will run, no planes will fly, no trucks on the road, no cars on the road. You will have a period to contemplate your place in eternity."

I want to share this with you. In another western state, a dear friend of mine called who is incredibly connected. We both check our sources and stories. He said two sheriffs stopped by his shop. They had been briefed on biological warfare by the DHS. In this specific western town, they brought in already 2100 body bags. They were given flow charts to show who has the authority to do what at the time of declaration of martial law. This is what the sheriff's told him. Under the first 6 weeks of the Obama administration, the BATF had been ordered to account for all pistols in the possession of all citizens. The sheriff told my friend to keep his head down. Immediately afterwards, my friend got a call from overseas. It was a multi star individual who said you better be prepared that 4 weeks once this thing kicks in, will be really bad. He told my friend to keep his head down, stay out of it, stay away from it. He also said there are people in the military who take their oath of the Constitution seriously. In this western town, they have just brought in 400 concrete roadblocks. The entire sheriff's department was told civil unrest could start as soon as the next two weeks. They also stated, (federal official) that there have been more attempts and threats on the president elect than in the last 50 years of all presidents. That should cause you a little bit of concern. This is telling you that things are getting treacherous. A friend in the ATF was asked how bad it was going to be. He replied "You ain't seen S*** yet.". The point is when you're using that word, it means it's going to get beyond description. There are so many different events taking place right now, that most people can't even relate.

This week I will be instructing Holly to put together the final warning page for my website. I am not kidding, I am not grandstanding. I would like every intercessor that has listened to me all these years, to send me the date, you believe the Lord has told you I am to give the 2 week warning. I believe I have the date, but I will not go with it. There have been too many dates set. When you pray, ask "give Steve the date". Going back to Holly Deyo. I will be instructing her to put up my red page. When you see the red page, you'll know that's your time to head to head to the hills. 24 to 36 hours is not a lot of time. I still believe that by the mercy of God, you will have 2 weeks. I have never asked Holly to prepare the page before. In the next day or so depending on our schedules, I am working on the wording, but when you see a red screen up with white or black letters that says, This Is It, This Is Your 2 Week Warning. For those of you that believe that God is going to give us that warning, you might want to take all your defensive maneuvers at that time. Leave, drop out of site, change your appearance, or whatever do what you need to do.

It's imperative that you understand that this stuff does not go away by itself.

The other instance was detective in the midwest, who deals with murders, was at a National Guard meeting. The active general over the whole area said "You guys wouldn't believe what they've got planned for martial law."

The thing is, when is out of the mouth of three witnesses enough. Again, you must count on 24 hours max on the roads. Understand this, the town I'm talking about is under 100,000 in the west. I can't even imagine what they could use 400 barricades for. It's interesting, the sheriff's told my friend that it's not just the highways, but the biways too. So for it's worth, that's what I know, and that's what I'm getting, that's what I'm being told. When you see the red, that means my website will be no more.

I can't say that I'm thrilled with this, even dreaming some strange dreams last night, but when I woke up, that's usually the time that I pray.

There comes a time when the Judge of the whole earth says, "Enough is Enough". I believe that time is here.

I keep in constant contact with people in the sporting goods, ammo, firearms manufacturers. I have received tonight an interesting thing www.cheaperthandirt.com website:

Go to www.gunbroker.com website and others are putting up notices, get it while you can, whatever you're going to buy, you better buy now. Remember when George Ure and I talked about ammo shortages. I was told in a town south of me \$300,000 of ammo went out the first couple of hours at a gun show. Semi automatic's is a sold out. You name it, it's sold out. It's not only are they coming to get your guns, but they're coming for you. People know things aren't right. The big picture is that America is going to be destroyed. Did you speak up about NAFTA? There's an article sent to me that says the British Press is reporting that the Americans will to unemployment 1 million people per month over the next year. I maintain there will be an event where 1 million people will lose their jobs in one day. I was talking to a plumber, as he did some repairs on my circulating hot water pipes. I had to call at 10:00 night. No hot water. I asked if he was getting called out a lot. By the way their fee is \$125 an hour. He said we get calls from some of the most expensive homes in Bozeman, when you give the people a price, they can't afford it. You have heard me and others say no one will be exempt from this. When judgement is poured on the land, the Righteous will suffer along with the wicked. My last prayer is to for God to give everyone another chance. Steve has taken a lot of harsh criticism. Steve and Alex both take chances everyday, even getting into their cars, it could be their last. We love our families. You have to admire him someone who sticks his neck on the line.

I may not agree with my daughter, but I love her. If I told you the flak and hell I caught from some of the most pharisaical, hypocritical, people in the world. I put Stephanie's link on my website. All I can say is some of you have serious problems, and I am ashamed by people that claim to have the love of God in their heart. Even telling me, one person said I was pitting my daughter for prosperity, so I could help her sell records. Listen, my daughter is a beautiful talented gifted young lady and I can tell you this, I would NEVER be ashamed of her. I may not agree with her clothing choices. I'm going to take a break.

I'm reading an open letter to officers of the US military. I can guarantee at least 35,000 are listening right now.

"In the course of recent history, there have occurred numerous events which give rise as to our urgent concern as to where your immediate loyalty lies. Is it with the people of the United States of America or is it with the would-be commander in chief, the president elect, the supreme court of the US? Because of apparently erroneous decisions made by the Supreme Court in the near past, decisions that were more political than constitutional. There is a well-earned concern regarding their decision on the allegation before them today. The concern is the president elect, the person of Barak Hussein Obama is not qualified to fill the Office of President of the US, because of constitutional restrictions. It is a question of status as a Natural Born Citizen. It is a question of his status as a natural born citizen. If the supreme court makes the right decision according to the constitution of the US, they will find Mr. Obama is not qualified for that office. There

will have to be another selection to fill the office to give to you and your fellow officers a proper constitutional commander in chief. If as anticipated the supreme court errors to political pressure and allows the faulted election of the president elect to stand, then you will have to make the serious personal decision to act under your oath of office as a commissioned officer of the United States of America. You cannot lawfully serve under an unconstitutional president. Any order issued will be unlawful orders. History is replete with examples of the people's worst enemy being their government being taken over by the power hungry death squads. I have no reason to believe that human nature has changed given the opportunity evil men will impose their will on the populace. The form of government established by this nation's founders is one of law based on absolute principle, not on the whims of an individual or the majority of the people. They wrote a

constitution expressly limiting the authority of federal government and denying elected leadership unilaterally and unquestioned authority. You are reminded gentlemen that your oath upon commission as officers of this nation is to support and defend the constitution against all enemies foreign and domestic and to it the people of these states. You are further reminded that it is well established in International Court that following the orders of a superior authority is no defense in your personal responsibility for unlawful acts by you as commissioned military leaders. It is with these points in mind that I demand you make a personal decision and public commitment, that if and when you are ordered to accept a blatantly unconstitutional decision that grossly damages our constitutional underpinnings, actions against the people of these several states, and the constitution established by them, you will stand with the people and the constitution to protect

them from intrusion upon the right. Their persons, their property, and to defend them against all actions, either violent or non-violent, perpetrated by those enemies domestic or foreign whose object is the destruction of the constitution. I call upon you to renounce any action in violation of the people or their constitution and bring to bear the forces at your command to protect and defend these five purposes. In the name of Almighty God, I fully expect you to fulfill to the max your obligation set forth in your oath of office. I will accept nothing less."

This man has moral fortitude and is a Christian.

I also got an email from a man befriended by an occultist. He was told about a sacrifice in the New York underground.

You had better recognize there's something bigger and deadlier out

there. The central theme for martial law seems to be they are going to have a bio event. The martial law event which comes after the bio event, that's when people disappear. For those who think there's a rapture, guess again.

The last few minutes Steve encourages everyone to get right with God. Everyone needs to discern for themselves the information.

Wall Street Journal Promotes Maitreya/Share International & The 'Christmas Miracle'

Constance Cumbey: THIS JUST IN!! THE WALL STREET JOURNAL PUBLISHED THE SHARE INTERNATIONAL (BENJAMIN CREME - 'MAITREYA THE CHRIST') ANNOUNCEMENT THAT HE WILL BE 'EMERGING' AND DOING A MAJOR USA TELEVISION INTERVIEW IN THE USA 'SHORTLY AFTER CHRISTMAS.' Talk about 'the grinch who stole Christmas! The financial collapse seems tailor made for desperate people to fall for these anti-Christ lies. That the Wall Street Journal would lend credence by labeling it a "Christmas Miracle" is astounding.

<http://cumbey.blogspot.com/2008/12/betraya-oops-maitreyas-christmas-gift.html>

Here is the text of the Share International Press Release:

Wall Street Journal--Dec. 12, 2008--LOS ANGELES, Dec 12, 2008 /PRNewswire via COMTEX/ -- For years the world has been filled with miracles of all kinds. In April 1995 Time magazine devoted an eight-page spread to its cover story on miracles and concluded: "People are hungry for signs."

Look now for the biggest miracle of all. In the very near future a large, bright star will appear in the sky visible to all throughout the world -- night and day.

Unbelievable? Fantasy? No, a simple fact. Around a week later, Maitreya, the World Teacher for all humanity, will begin his open emergence and -- though not yet using the name Maitreya -- will be interviewed on a major US television program.

In 1988, CNN and other media reported on Maitreya's miraculous appearance to 6,000 people in Nairobi, Kenya, on Saturday, June 11. A week before the event, a remarkable sign occurred: "On Saturday 4 June a big, bright star was sighted, unusually brighter than ordinary stars," reported Kenya Times editor Job Mutungi.

For over 30 years, artist, author and lecturer Benjamin Creme has been preparing the way for the emergence of Maitreya and his group, the Masters of Wisdom. In May 1982, Creme revealed at a packed press conference in Los Angeles that Maitreya had been living in the Asian community of London since July 19, 1977.

Awaited by all faiths under different names, Maitreya is the Christ to Christians, the Imam Mahdi to Muslims, Krishna to Hindus, the Messiah to Jews, and Maitreya Buddha to Buddhists. He is the World Teacher for all, religious or not, an educator in the broadest sense.

As a modern man concerned with today's problems, Maitreya works behind the scenes of our changing world. The outpouring of his extraordinary energy has been the stimulus for dramatic developments on many fronts: the ending of the cold war; the break-up of the Soviet Union; the reunification of Germany; the ending of apartheid in South Africa; the growing power of the people's voice, leading to demands for freedom and justice; and the worldwide focus on preserving the environment.

Maitreya's message can be summarized as "share and save the world". He will seek to inspire humanity to see itself as one family, and to create world peace through sharing, economic justice and global cooperation.

With Maitreya and his group working openly in the world, humanity is assured not only of survival but of the creation of a brilliant new civilization.

MAITREYA RISING?

By Paul Proctor--December 19, 2008--NewsWithViews.com--There was a very strange announcement made recently in the form of a press release posted on the Dow Jones & Company's Market Watch website dated December 12, 2008, that bears mentioning, if for no other reason, because it reads like something from a supermarket tabloid. Come to think of it, didn't Rupert Murdoch just buy Dow Jones & Company not long ago? If you're not aware, they also publish, among other things, the Wall Street Journal.

Anyway, whether this speaks to the decline of a once great business publication or the growing power and influence of a coming world leader, only time will tell. Either way, it is clearly another ominous sign of the desperate times in which we live.

The article in question titled, [Share International Reveals Christmas Miracle](#), advises readers to prepare for a coming miracle that all of us will see in the sky shortly before the "emergence of Maitreya and his group, the Masters of Wisdom."

Allow me to reiterate: This is a major business and financial news publication – not some obscure blog for Bigfoot hunters and UFO enthusiasts.

What I find fascinating is that this Maitreya fellow seems to have a strangely similar "share and save the world" agenda to that of Purpose Driven Pastor Rick Warren with his [Global P.E.A.C.E. Plan](#) and also President-elect Barack Obama with his [Global Poverty Act](#) and [Universal Service Plan](#) – men who apparently have no aversion to working with any or all of the world religions or non-religions to save the planet – which may explain, at least in part, why Warren is scheduled to [lead the invocation](#) at Obama's upcoming inauguration.

Subject: sign of his coming

Today @ 9:39 am on the history channel they ran an advertisement **announcing to look for the bright star for the coming messiah**. Not Jesus by name, but the messiah of all religions and **then a picture of Maitreya as was taken of him when he appeared in Africa and then a message to learn more about Share International**. The illumined ones are announcing the coming antichrist!--Raymond H.

My Response: Thank you! I had another listener tell me **he was listening to Rush Limbaugh the other night (out of the New Orleans area) and they made the same announcement over the airwaves. Bare in mind these are major "credible" media outlets (History Channel, Rush Limbaugh the Wall Street Journal).**

The Approach of Maitreya

Share International magazine December 2008--The last few years a number of events occurred in which Maitreya left a personal 'calling card.' In several issues of Share International magazine photographs of these phenomena were published, including the following explanatory comments.

The Christmas Miracle of 2008

For years the world has been filled with miracles of all kinds. In April 1995 Time magazine devoted an eight-page spread to its cover story on miracles, and concluded: "People are hungry for signs."

Look now for the biggest miracle of all. In the very near future a large, bright star will appear in the sky visible to all throughout the world – night and day.

Maitreya's Response When Asked about Obama

Share International magazine December 2008--*On 26 October 2008, while being filmed for Slovenian television in Munich, Germany, Benjamin Creme received the following message, by mental telepathy, from Maitreya, the World Teacher.*

Q. Do you think Barack Obama will be more responsive to Maitreya's ideas than his Republican counterpart?

A. Yes, and he has come to presidential power at a significant moment for the world.

Q. Will Barack Obama be the last president of the United States? I believe it was either Maitreya's associate or your Master who said that eventually the US presidency will be replaced by a group of wise elder statesmen and that former president Jimmy Carter (in office, 1976-1980) will be invited to join them if he lives long enough.

A. That is still the Plan so there is every chance that Mr Obama will be the last President.

The Purpose of the Economic Meltdown

Carolyn Harris—Infowars--December 16, 2008--We all know economic depression here, and **some of us have an inkling** about what is coming. The governments vacillate between spewing **gloom and doom** and ridiculous 'happy fun clown time' gibberish at the great unwashed masses depending upon whether they want **fools to buy into the stock market** at that particular time to make certain fat cats even richer, or they want those fools to sell and lose almost everything.

The housing bubble has been popped, the stock market is crashing and pensions are being siphoned off minute by minute. It's clear that gold is being manipulated at the same time the dollar is going down. The contortionate "credit instruments" and exotic book-keeping (what an oxymoron that is) methods of investment houses, bankers and large businesses have all happened in a top-down way on purpose. The more they ripped off the little guy the bigger their commission and bonus; it is a system that thrives, indeed lives off of insatiable greed. And the monsters near the top **aren't sweating one bit**. They know what is happening and they know what is coming next.

The fiat currency house of cards is tumbling down because the international bankers just exhaled a puff of the expensive smoke from their Cuban Cohiba *Behike* cigar and blew on it. In other words, it was planned. It is time now for the next phase of their plan.

It's high time someone put it all together, without focusing on individual trees. There is a reason that the system was set up this way; there is a reason why home loans were offered to folks who couldn't possibly pay them back and there is a reason why this all happening.

Put succinctly, this is all part of the **Agenda 21** plan. Look closely at the **map** and notice just how much land area are "little or no human activity" zones. Notice how the small towns have disappeared and there are only major cities with specific travel corridors between them. That's right, losing your job, your house, your land is part of their plan. **NAFTA**, **CAFTA** and **GATT** were part of this plan were enacted to get rid of the American manufacturing base and all the associated jobs. Without a home (or any viable housing options), a job and food, you have no other choice **but to go where those necessities are located**: the city.

The **massive migration to the cities**. The documents state in no uncertain terms that they "predict" (read: plan) **class warfare** (.pdf) as the middle class disappears and most will be reduced to **abject poverty** in said swelling cities. The documents and articles explain that the "**bio-fuel**" **scam** will wreak havoc with the world's food supply, that GMO crops lead to **less yield** and that **the uber rich** are going to have to hide for a while to escape the hordes of angry, hungry and dirty people.

Kissinger Calls For New International System Out Of World Crises

<http://www.prisonplanet.com/kissinger-calls-for-new-international-system-out-of-world-crises.html>

Clarion call for a One World Government!

NEWS BRIEF: "[And now for a world government](#)", by Gideon Rachman, Financial Times (F.T.), December 8, 2008

"A 'world government' would involve much more than co-operation between nations. It would be an entity with state-like characteristics, backed by a body of laws. The European Union has already set up a continental government for 27 countries, which could be a model. The EU has a supreme court, a currency, thousands of pages of law, a large civil service and the ability to deploy military force. So could the European model go global? There are three reasons for thinking that it might."

Bible scholars have long viewed the European Union as the "Revived Roman Empire" from which the Bible states that Antichrist shall come. This reality means that Antichrist will likely rule from a European capital once his first seven years of rule from Jerusalem is over. Therefore, we probably should consider the probability that the E.U. would serve as the model for the rest of the Regional Governments (Read [NEWS1002](#)) and for the ultimate world government.

"'For the first time in human history, world government of some sort is now possible'. Mr Blainey foresees an attempt to form a world government at some point in the next two centuries, which is an unusually long time horizon for the average newspaper column. But – the third point – a change in the political atmosphere suggests that 'global governance' could come much sooner than that. The financial crisis and climate change are pushing national governments towards global solutions, even in countries such as China and the US that are traditionally fierce guardians of national sovereignty."

Did you catch the key sentence? "For the first time in human history, world government of some sort is now possible".

This fact has been trumpeted far and wide by Cutting Edge for the 19 years since we have been a ministry. New Age and occult literature have been loudly proclaiming since 1975 that the New Age Christ is simply waiting in the wings for this unprecedented move into a world government. To speed this process, every American President since George H.W. Bush (1988-1992) has sought to build up the United Nations' prestige and authority. President Bush could not even start the counterattack against Saddam Hussein in 1991 until and unless he obtained U.N. approval! Similarly, the current President Bush based his invasion of Afghanistan and his pursuit of Osama bin Laden upon United Nations resolutions! (Read details in [NEWS1551](#))

Now, did you see the reason that "'global governance" could come sooner rather than later? This author cites the global financial crisis AND global warming as the issues which could force a global government much sooner than most analysts have ever anticipated.

We posted an article on this subject about two years ago, which we encourage you to read if you have not done so yet. This archived article is [NEWS2193](#), and is entitled, "[Five Major Created Global Disasters Are Being Constantly Preached To The World As Reasons To Form The Global New World Order!](#)"

The key quote to understand how global crises have been deliberately created in order to force the peoples of the world to accept the New World Order is:

"The secret societies were planning as far back as 1917 to invent an artificial threat ... in order to bring humanity together in a one-world government which they call the New World Order." [William Cooper, "[Behold A Pale Horse](#)", p. 27]

At this point, the author reveals that President-elect Obama is quite the Internationalist at heart.

"Barack Obama, America's president-in-waiting, does not share the Bush administration's disdain for international agreements and treaties. In his book, *The Audacity of Hope*, he argued that: 'When the world's sole superpower willingly restrains its power and abides by internationally agreed-upon standards of conduct, it sends a message that these are rules worth following'."

Obama uses the ultimate in euphemisms when he said, "willingly restrains its power", for the reality is that its leaders are not patriots but internationalists who have long planned to deliver the sovereign power of America to a global authority. The first such leader was Benjamin Franklin and the last one is Barack Obama. Every single President with the exception of Lincoln and Kennedy have been internationalists in their inner heart of hearts.

Soon, America's influence will drop to that of any other major nation of the world. Once our superpower mantle is stripped off, the world can meld into one global government. You see, a global government is not possible when one of the nations is a "King Kong", because King Kong takes orders from no one. But, when King Kong is reduced to a mere monkey, the rest of the monkeys can form a single government which shall order all of them around.

Our deliberately created economic crisis plus our ill-fated wars in Afghanistan, Iraq, and Vietnam are likely the final events which shall knock America down to the point where she can be melded into the United Nations. <http://cuttingedge.org/newsletters/>

American Death Camps in WWII – Coming Back Soon to a City Near You!

By: Pastor Edward Watson

Thank you all for your continued support. Times ahead will be increasingly difficult for all of us; I believe we are close to these times that Jesus tells us of:

Mat 24:6 And ye shall hear of **wars and rumours of wars**: see that ye **be not troubled**: for all *these things* must come to pass, but **the end is not yet**.

Mat 24:7 For nation shall rise against nation, and kingdom against kingdom: and there shall be **famines**, and **pestilences**, and **earthquakes, in divers places**.

Mat 24:8 All these *are* the beginning of sorrows.

Mat 24:9 Then shall they deliver you up to be afflicted, and **shall kill you**: and **ye shall be hated of all nations for my name's sake**.

For those who think Americans could never be as cruel as the Germans of WWII. The truth of the matter is that man is utterly depraved and bent toward sin. Americans who think that we are somehow an exception are woefully mistaken. We read in God's word that man is born in sin and is capable of great evil. We will kill, bomb innocent women and children if we can just believe they are evil and we are not. **Jesus Christ died for them just like he did for you and me.**

Unconverted Jews will go to the same Hell as the unconverted muslim, budhist, hindu, atheist, new ager, roman catholic, backslidden believer etc.. so for Christians to imagine that they (the Jews) will be saved apart from believing on Christ as their messiah is a false gospel and comes from a spirit of anti-Christ. We need to know there are those Zionist Jews who are talmudic (son's of the Pharisees) and do not believe in the God of the bible, they do not follow or believe the Torah. They are just as evil and bloodthirsty as any muslim for their talmud teaches them many of the same things as the Koran such as deception, murder, genocide, etc... These Zionists are even repudiated by the Jews and denounce their evil works. The Jews need to hear the gospel and how Christ is the fulfillment of prophecy, they need to hear the law and how they are under the wrath of God and unless they believe they will die in their sins, so they can be saved. It is high time for Christians to speak the truth and against error without fear.

"Christians" who do not read their bibles will call you anti-jewish or that you are guilty of hate speech, because they follow other men's teachings instead of reading their bible and allowing God to teach them his word. They believe the pastors who were taught and filled with error from seminary and kept too busy to really read the word and learn the truth outside of seminary (man's) influence. The NWO has plans to either enslave or kill almost all of us but especially Christians. We have over 600 Fema concentration camps fully staffed and funded but empty; enough to hold over 16 million americans, they will not be empty much longer.

The death camps were not unique to Germany. We have already shown as early as the revolutionary war the British had prison death ships anchored in New York Harbor. In the Civil war we are reminded of Andersonville, where men were starved, murdered and treated like animals. We have not become better over time. The world is getting more hostile to Christianity,

openly attacking them in places of worship in some cases. This, 20 years ago would have been unthinkable. There those who attack those who God shows the things to come to, this is also foretold. **Joh 16:13** Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, *that shall he speak:* and **he will shew you things to come.** **Mat 24:10** And then shall many be offended, and **shall betray one another,** and shall hate one another.

Mat 24:11 And many **false prophets shall rise,** and **shall deceive many.**

Mat 24:12 And because **iniquity shall abound,** the **love of many shall wax cold.**

Mat 24:13 But he that shall endure unto the end, the same shall be saved. **Joh 16:2** **They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service.**

It is time for the Christian to start believing the whole truth and repent for our own unbelief because it is unpleasant and doesn't tickle our ears. It is time to repent for willingly believing lies that pridefully elevate ourselves above other nationalities of the world. No, I am not speaking of ecumenicism, far from it. I am speaking of believing the truth no matter what it is so we can understand how this country and our "Churches" are being used by Satan to bring in his NWO. God's Holy Spirit would teach us the truth if we would just stop contradicting him through our manmade doctrines and preconceived ideas.

This country is in a sad state when there are those who think they are Christian, vote for an anti-Christ like Obama. This evil man was put to rule over this country so that we may soon see God's wrath poured out on this nation for its incessant evil.

Gulf states push for single currency

Will the riyal be replaced?

Six Arab Gulf states have turned to the eurozone for advice in how to successfully launch a single currency.

At this week's meeting of Gulf central bankers in Riyadh, the six Arab states vowed to press ahead with plans for monetary union and the launch of a single currency.

And they decided to seek the help of the European Central Bank, which rolled-out euro notes and coins at the start of the year with very few glitches.

Dr Henry Azzam, chief economist at Jordan Investment Trust Group, said that monetary union should be relatively easy to achieve in the Gulf since all six currencies are already at least partially pegged to the dollar
