Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Deu 18:20 But the prophet, which shall presume to speak a word in my name, which I have not commanded him to speak, or that shall speak in the name of other gods, even that prophet shall die.

Deu 18:21 And if thou say in thine heart, How shall we know the word which the LORD hath not spoken?

Deu 18:22 When a prophet speaketh in the name of the LORD, if the thing follow not, nor come to pass, that [is] the thing which the LORD hath not spoken, [but] the prophet hath spoken it presumptuously: thou shalt not be afraid of him.

Deu 13:1 If there arise among you a prophet, or a dreamer of dreams, and giveth thee a sign or a wonder,

Deu 13:2 And the sign or the wonder come to pass, whereof he spake unto thee, saying, Let us go after other gods, which thou hast not known, and let us serve them;

Deu 13:3 Thou shalt not hearken unto the words of that prophet, or that dreamer of dreams: **for the LORD your God proveth you,** to know whether ye love the LORD your God with all your heart and with all your soul.

Deu 13:4 Ye shall walk after the LORD your God, and fear him, and keep his commandments, and obey his voice, and ye shall serve him, and cleave unto him.

Deu 13:5 And that prophet, or that dreamer of dreams, shall be put to death; because he hath spoken to turn [you] away from the LORD your God, which brought you out of the land of Egypt, and redeemed you out of the house of bondage, to thrust thee out of the way which the LORD thy God commanded thee to walk in. So shalt thou put the evil away from the midst of thee.

Eze 13:9 And mine hand shall be upon **the prophets that see vanity, and that divine lies...**

Eze 13:6 They have seen vanity and lying divination, saying, The LORD saith: and the LORD hath not sent them: and they have made [others] to hope that they would confirm the word.

Eze 13:2 Son of man, prophesy against the prophets of Israel that prophesy, and say thou **unto them that prophesy out of their own hearts,** Hear ye the word of the LORD;

Eze 13:3 Thus saith the Lord GOD; **Woe unto the foolish prophets, that follow their own spirit, and have seen nothing!**

Eze 13:4 O Israel, **thy prophets are like the foxes in the deserts.**

Jer 23:30 ¶ Therefore, behold, I [am] against the prophets, saith the LORD, **that steal my words every one from his neighbour.**

Jer 23:32 Behold, I [am] against them **that prophesy false dreams, saith the LORD, and do tell them, and cause my people to err by their lies, and by their lightness; yet I sent them not, nor commanded them:** therefore they shall not profit this people at all, saith the LORD.

Jer 14:15 Therefore thus saith the LORD concerning the prophets that prophesy in my name, and I sent them not, yet they say, Sword and famine shall not be in this land; **By sword and famine shall those prophets be consumed.**

Jer 5:31 The prophets prophesy falsely, and the priests bear rule by their means; and my people love [to have it] so: and what will ye do in the end thereof?

Jer 5:13 And the prophets shall become wind, **and the word [is] not in them:** thus shall it be done unto them.

Rev 22:18 For I testify unto every man that heareth the words of the prophecy of this book, **If any man shall add unto these things, God shall add unto him the plagues that are written in this book:**

Rev 22:19 And if any man shall take away from the words of the book of this prophecy, **God shall take away his part out of the book of life, and out of the holy city, and [from] the things which are written in this book.**

[Fastest-growing religion is no religion](#)

Washington (CNN) – The fastest growing "religious" group in America is made up of people with no religion at all, according to a Pew survey showing that one in five Americans is not affiliated with any religion.

The **number of these Americans has grown by 25% just in the past five years**, according to a survey released Tuesday by the Pew Forum on Religion and Public Life.

The survey found that the ranks of the unaffiliated are growing even **faster among younger Americans**.

Thirty-three million Americans now have no religious affiliation, with 13 million in that group identifying as either atheist or agnostic, according to the new survey.

MARK OF THE BEAST IS COMING-WIFE STANDS UP FOR JESUS AND AGAINST THE RFID IMPLANT AT HOSPITAL

Today my wife went to the Doctors office for some check-ups and she was getting tired of being asked for her ID and insurance card as this was the third time in a month. They already have her name on file and the receptionist is familiar with her so she was a bit irate of this constant asking of her ID and she let it be known that she **is getting tired of this police state of having to know who you are, and run your information again and again through the system. And the head receptionist leaned over and tapped the camera and said "pretty soon your not going to have to worry about those cards because you're going to have and RFID implant chip" and she was serious NOT JOKING!**

My wife said "Not this girl not ever, no way no how not happening" and then the receptionist said "WELL YOU MAY NOT KNOW WHAT YOU ALREADY HAVE IN YOUR BODY" and my wife said " well I know BETTER than to take INOCULATIONS OR FLU SHOTS ETC" but she still didn't seem convinced so my wife said " **Your probably right Obama care will see to it that the majority gets chipped, but I'm here to tell you if it ever gets to that point and I am deathly ill with any kind of disease or any illness I won't seek treatment if it requires a chip , I will go and die in the wilderness like an animal" so my wife then asked her "what would you do if YOU have to take a RFID chip?" and she wouldn't answer her. So my wife asked again "I am serious what will be your response if you are forced to take one of those chips"? and the lady then did the "lips are seal gesture" and followed with saying " I have already said too much" and my wife said "yes you being in the public sector like this need to watch what you say to people" and she said "**yes being in this office and also that I'm MILITARY I really need to watch what I say"**. My wife then said "military or not they won't tell me what to do ever, **because there is only ONE person in this world that I will EVER BOW to and that is JESUS CHRIST HIMSELF AND NO OTHER MAN OR BEING"****

Rev 12:11: And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

My wife then said "I will die on my feet fighting this (*rather*) than begging for my life on my knees" and they all then shut up.....But some of the girls in the office that worked in the office were concerned and said that this is all getting very scary. My wife then said it is BIBLICAL what is happening and people who don't understand it need to read the Bible because it is all in there.

My wife got so upset she almost walked out of the office, but she had to remain there to proceed with her test results.

This morning we were watching the video that was on your site Steve with Paul Begley about the implementation of the RFID and the School in Texas, and then this happened... **To us it was AFFIRMATION from God that it is all getting very close as obvious as it is...** This all happened to us in Colorado Springs. But we all know that Colorado Springs is home of the Military Industrial Complex. This is nothing new to both her and myself but to hear this from the doctors office was VERY TROUBLING....

Obama's Lucky Charms: A Hindu God In His Pocket, A Masonic Emblem, And A Ring That Says "There Is No God Except Allah"

October 11, 2012

Michael Snyder, Contributing Writer

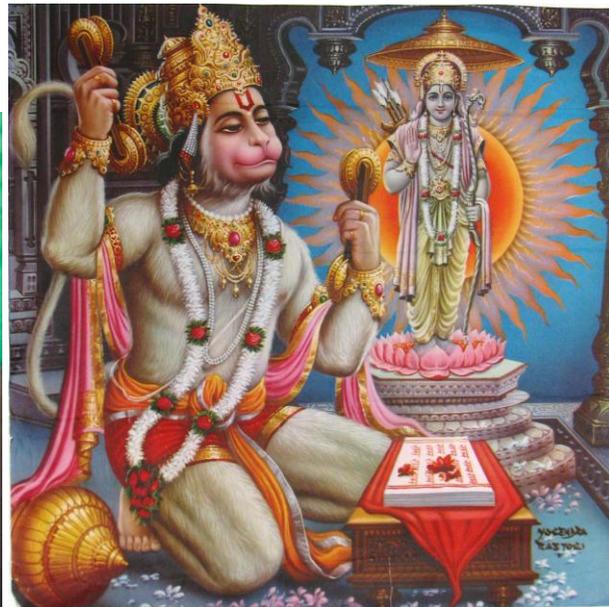

You can tell a lot about a person by the jewelry that they wear and by the things that they carry around in their pockets, and Barack Obama's "lucky charms" include a Hindu god, a Masonic emblem and a "wedding ring" that has the phrase "there is no god except Allah" inscribed on it.

So what do these things tell us about Barack Obama? That is a very good question.

Perhaps someone should ask him about these items. If he is indeed a Prince Hall Freemason ([as has been publicly reported](#)), then he should just come out and admit it. If he feels a connection to Hinduism or Islam, then he should just come out and publically admit it. One of the biggest things that annoys so many people about Obama is the secrecy that he has about his past.

There are vast stretches of his history that nobody is even supposed to talk about. We are all just supposed to accept that he is a "Christian" man that is not into any freaky stuff even when there is a tremendous amount of evidence to the contrary.

Personally, I would love to see a reporter ask him about the little Hindu god that Obama carries around in his pocket. The following is a photo that has been circulating around the Internet of Obama displaying this Hindu idol along with a bunch of other "lucky charms" that he carries around. It has been reported that Obama carries these lucky charms with him wherever he goes....

Lev 26:1 Ye shall make you no idols nor graven image, neither rear you up a standing image, neither shall ye set up [any] image of stone in your land, to bow down unto it: for I [am] the LORD your God.

Deu 4:16 Lest ye corrupt [yourselves], and make you a graven image, the similitude of any figure, the likeness of male or female,

Deu 4:17 The likeness of any beast that [is] on the earth, the likeness of any winged fowl that flieth in the air,

Deu 4:18 The likeness of any thing that creepeth on the ground, the likeness of any fish that [is] in the waters beneath the earth:

Isa 42:8 I [am] the LORD: that [is] my name: and my glory will I not give to another, neither my praise to graven images.

Isa 42:17 They shall be turned back, they shall be greatly ashamed, that trust in graven images, that say to the molten images, Ye [are] our gods.

Psa 97:7 Confounded be all they that serve graven images, that boast themselves of idols...

The U.S. press pretty much missed this story, but it was talked about extensively in the international media. For example, the following is from an article in [the Economic Times](#).... A recent photo posted on Time's White House Photo of the Day collection shows (the first ever Black-American nominee of a major US party for the Presidential elections) carries with him a

bracelet belonging to an American soldier deployed in Iraq, **a gambler's lucky chit, a tiny monkey god and tiny Madonna and child.**

That "tiny monkey god," of course, appears to be a **statue of the Hindu monkey god, Hanuman,** says the posting but editors and the photographer has not identified it as such.

So exactly who is Hanuman and how does this god fit into Hinduism?

The following is how [Wikipedia](#) describes this Hindu god....

*Hanuman (IPA: hʌnu'mʌn) is a Hindu deity, who was an ardent devotee of Rama according to the Hindu legends.. As a vanara (an ape-like humanoid), Hanuman participated in Rama's war against the demon king Ravana. Several texts also present him as **an incarnation of the Lord Shiva.***

So who is Shiva?

Shiva is a major Hindu deity, and is **the Destroyer or Transformer among the Trimurti, the Hindu Trinity of the primary aspects of the divine. He is regarded as the most powerful god in Hinduism. In the Shaiva tradition of Hinduism, Shiva is the Supreme God.**

Some Hindus in India got so excited about this that they decided to give a two foot tall gold-plated idol of Hanuman to Obama.

And as an article [in the Times of India](#) back in 2008 described, this special gift was actually presented to one of Obama's representatives....

Obama's representative Carolyn Sauvage-Mar on Tuesday received a gold-plated two-foot-high idol which she will pass it on to the Obama after it is sanctified.

The idol is being presented to Obama as **he is reported to be a Lord Hanuman devotee and carries with him a locket of the monkey god along with other good luck charms.**

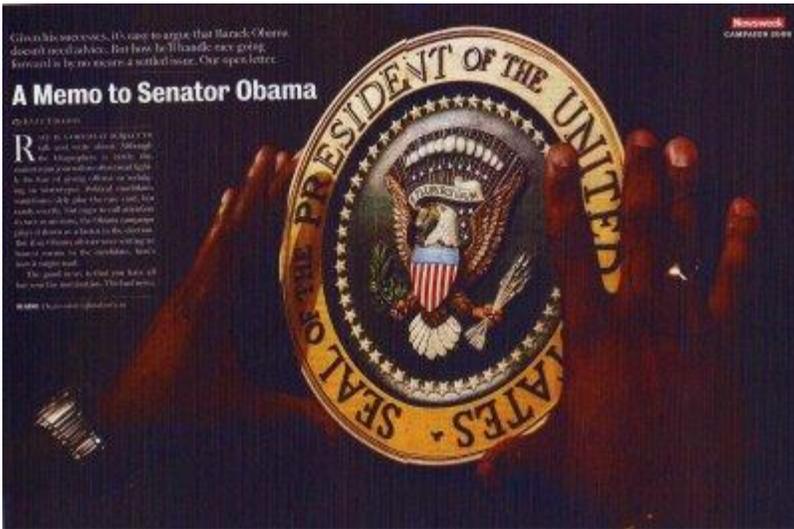

An hour-long prayer meeting to sanctify the idol was earlier organized at a Hindu Temple by a Congress leader and the Hindu temple's priests.

"Obama has deep faith in Lord Hanuman and that is why we are presenting an idol of Hanuman to him," said Bhama.

Why didn't we ever hear about this in the mainstream media in the United States?

Perhaps of even more concern is the fact that Barack Obama has been photographed wearing a ring with a Masonic emblem.

The picture posted below is of a story from the June 2008 edition of Newsweek magazine. It shows Obama's two hands reaching for the seal of the president of the United States....

On closer inspection, the ring definitely appears to have the familiar “square and compasses” emblem of Freemasonry on it....

This is especially true when you zoom in even more....

The following is a different piece of jewelry with the “square and compasses” on it. As you can see, there is a striking resemblance....

So what is the big deal? **See [Scott Johnson's Teaching: Freemasonry Exposed](#)**

After all, haven't a whole bunch of other U.S. presidents been Freemasons?

Yes and that is also horrific, **but the disturbing thing is that Obama is so secretive about it. If he is a Prince Hall Freemason he should just be open and admit it.**

Another of Obama's "lucky charms" that is raising eyebrows is his "wedding ring". It turns out that he was wearing this ring long before he ever got married, and recently experts were able to examine the inscription on the ring closely enough to be able to translate it.

So what does the inscription say?

It says "there is no god except Allah".

Here is a photo of Obama wearing this ring on his left hand is below....

According to [WND](#), Obama has been wearing this ring since (and long before) his days at Harvard Law School....

As a student at Harvard Law School, then-bachelor Barack Obama's **practice of wearing a gold band on his wedding-ring finger puzzled his colleagues.**

Now, newly published photographs of Obama from the 1980s show that the ring Obama wore on his wedding-ring finger **as an unmarried student is the same ring Michelle Robinson put on his finger at the couple's wedding ceremony in 1992.**

Moreover, according to Arabic-language and Islamic experts, the ring Obama has been wearing for more than 30 years is adorned with the first part of the Islamic declaration of faith, the Shahada: "There is no god except Allah."

Inscription on Obama's ring

[The Shahada is the first of the Five Pillars of Islam](#), expressing the two fundamental beliefs that make a person a Muslim: There is no god but Allah, and Muhammad is Allah's prophet. Sincere recitation of the Shahada is the sole requirement for becoming a Muslim, as it expresses a person's rejection of all other gods.

Egyptian-born Islamic scholar Mark A. Gabriel, Ph.D., examined photographs of Obama's ring at WND's request and concluded that the first half of the Shahada is inscribed on it.

"There can be no doubt that someone wearing the inscription 'There is no god except Allah' has a very close connection to Islamic beliefs, the Islamic religion and Islamic society to which this statement is so strongly attached," Gabriel told WND.

[Photographs published last week by the New Yorker](#) from Obama's time at Occidental College, taken by fellow students, indicate that the ring Obama wore three decades ago is the one he is wearing in the White House.

Barack Obama

As [WND reported in July](#), previously published photos have shown Obama wearing a gold band on his wedding-ring finger continuously from 1981 at Occidental, through graduation at Columbia in 1983, in a visit to Africa in 1988 and during his time at Harvard from 1988 to 1991.

But none, until now, have displayed the ring with enough detail to identify it as the one he currently is wearing.

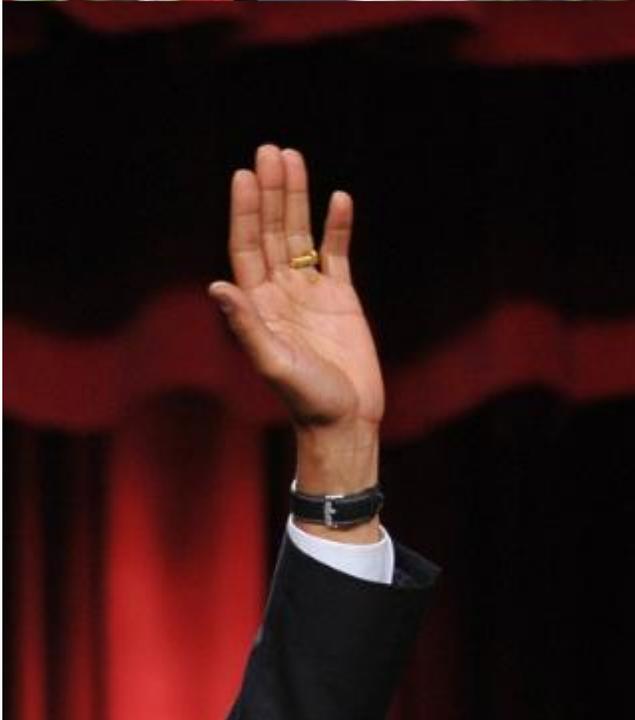

[WND reported](#) a satirical edition of the Harvard Law Review published by students in 1990 contains a mock Dewers Scotch profile advertisement poking fun at Obama. Among a list of Obama's "Latest Accomplishments" is: "Deflecting Persistent Questioning About Ring On Left Hand."

The comment suggests the ring was a subject of student curiosity at the time and that Obama was not forthcoming with an explanation.

He still has not explained why he wore the band on his wedding-ring finger before he married Michelle.

Filmmaker Joel Gilbert, an expert on Islamic history, noted Obama wore the ring during his [high-profile speech in Cairo on June 4, 2009, in the first months of his presidency](#).

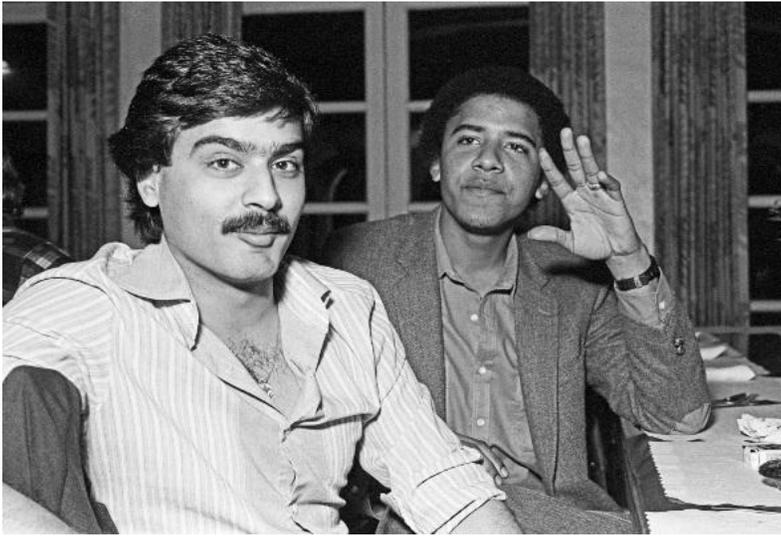

“Now we have a new context for what Obama meant **when he told the Islamic audience in Cairo that he has ‘known Islam on three continents,’** Gilbert said. “He also told the Cairo audience that he considered it part of his responsibility as president of the United States **‘to fight against negative stereotypes of Islam wherever they appear.’** As all religious Muslims are by definition required to defend Islam.”

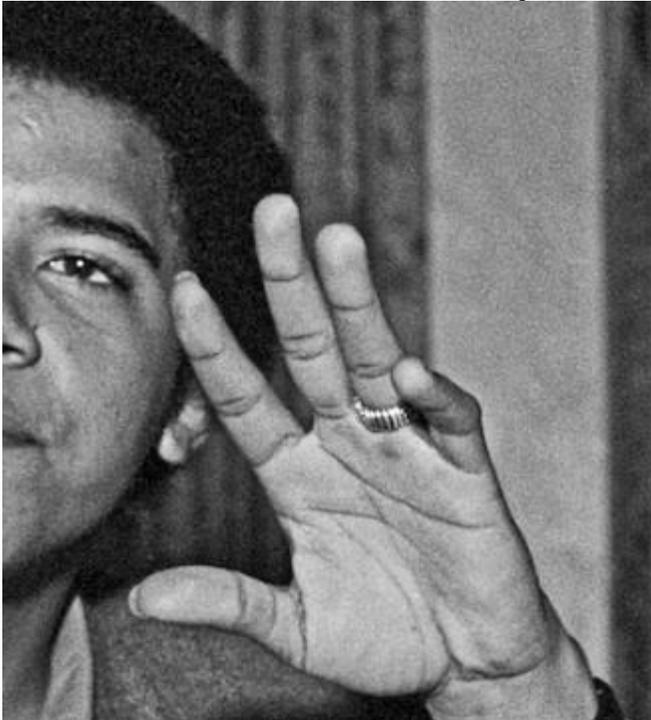

Obama in Cairo, Egypt, June 4, 2009

Also the photographs published last week by New Yorker magazine indicate **Obama was wearing the ring at Occidental College.**

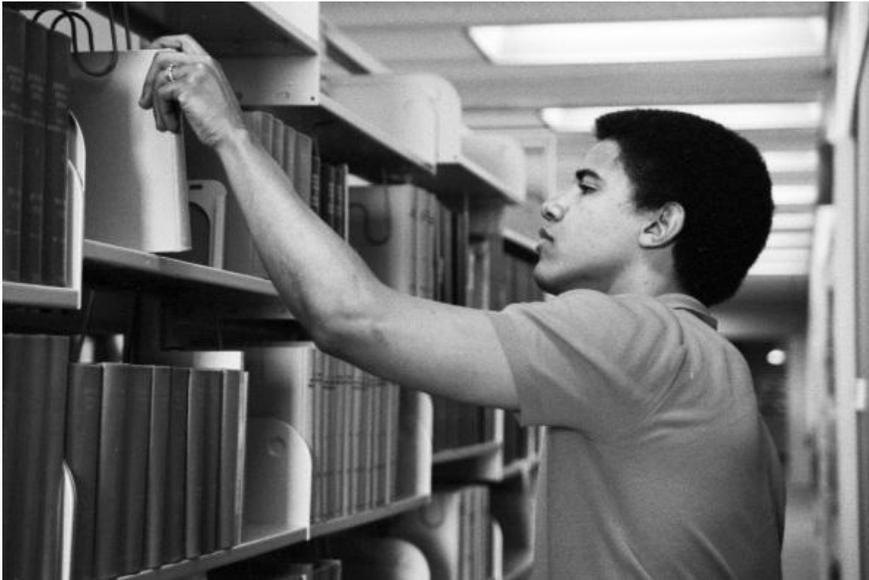

One photo shows Obama sitting alongside Occidental roommate Hasan Chandoo in 1981, apparently waiting for a meal to be served.

***Barack Obama and roommate Hasan Chandoo at Occidental College in 1981 (Tom Grauman, New Yorker magazine)
Obama's extended left hand clearly shows the ring, as seen below.***

***(Tom Grauman, New Yorker magazine)
The second of the recently released photos shows Obama reaching for a book from an Occidental College library shelf.***

Barack Obama in Occidental College library in 1981 (Tom Grauman, New Yorker magazine)
A close-up of the library photo can be seen below.

The WND story does a great job of breaking down this whole mystery. If you have not read that entire article yet, I encourage you to do so [right here](#).

[Note: Jerome Corsi is available to discuss this story with media.](#)

<http://www.wnd.com/2012/10/obamas-ring-there-is-no-god-but-allah/>

So why would Barack Obama (who is supposedly a “Christian”) be wearing a ring that expresses devotion to Islam all these years?

Once someone points out to him what the ring really says will he take it off?

Obviously Barack Obama has a huge love and devotion for Islam.

After all, he certainly has said a whole bunch of nice things about Islam over the years. I documented many of these in my previous article entitled [“10 Quotes By Barack Obama About Islam Contrasted With 10 Quotes By Barack Obama About Christianity”](#).

[The Dirty Little Secret Islma Doesn't Want You to Know: The Palestinians Don't Exist!](#)

Don Boys, Ph.D.

<http://donboys.cstnews.com/the-dirty-little-secret-palestinians-dont-exist>

There is no such group as the Palestinian people. They have never existed, do not exist now, and will not exist in the future. They are the only people in all history that came into existence in a single day! This was admitted by Walid Shoebat, a former PLO terrorist: "Why is it that on June 4th 1967 I was a Jordanian and overnight I became a Palestinian?" He added that he did not mind Jordanian rule.

He and his compatriots were Jordanians "until the Jews returned to Jerusalem. Then all of the sudden we were Palestinians." Shoebat was saying that **when the Jews re-took their historic and biblical homeland, the myth of an Arab Palestinian nation was created out of thin air and promoted worldwide. The gullible media, too lazy to do the research, still spouts the PLO line about the "Palestinian people."**

Those people who are identified as "Palestinians" are simply refugees from Jordan, Egypt, and Saudi Arabia. However, there are millions of these people who were born in refugee camps and have been taught they are "Palestinians." But they are not. In 1948 and the 1950s the displaced Arabs lived in abject squalor in refugee camps (supposed to be temporary) under the custodial care of the United Nations. Muslim leaders did not care about them until it became politically expedient to do so. There are no Palestinian people, or history, or culture, or coinage, or language, or uncovered artifacts. Palestinians don't exist and never have. Muslims and media that promote "Palestinians" are repeating a lies and resisting the facts.

...Israel was originally called the "land of Canaan" (Gen. 12:5), the "land of Israel" (1 Sam. 13:19), and the "land of Judah" (Isa. 19:17). The first century Jews had a thing about being under the thumb of the Romans (or anyone) so they seethed in constant hatred and rebellion against their oppressors. The Roman Emperor Hadrian was understandably (from his totalitarian view) displeased with the rebellious Jews and wanted to erase the name of Israel and Judah from history and the face of the Earth. **He decided to ridicule them by renaming the land of Israel, "Syria Palaestina" identifying them with their hated enemy, the Philistines.**

Whatever Rome called the land, the Jews were still Jews.

It is from the term "Philistines" that the name "Palestinians" has been taken. Emperor Hadrian knew that Philistines were ancient enemies of the Jews and therefore the emperor showed his hatred and spite by giving Israel a new obnoxious name. **The Philistines were not Arabs (and were in fact, invaders from Crete) and there is no mention of Palestine until the first century. Palestinians are not mentioned in the Bible or Koran because they did not exist until after 1967.**

In 135 Hadrian put down a Jewish rebellion by killing 580,000 Jews, leveled 985 villages and 50 fortified towns. That is why Jewish writers always refer to him by saying, "may his bones be crushed."

It didn't work and never will work. Zachariah 2:8 warns: "For thus saith the LORD of hosts; After the glory hath he sent me unto the nations which spoiled you: for he that toucheth you toucheth the apple of his eye." Israelites even while in rebellion, are special to God. God promised (and warned) in Genesis 12:3: "And I will bless them that bless thee, and curse him that curseth thee." Hitler and the Jew-haters discovered that verse to be literally true." Muslim nations have not learning this lesson yet but their day is coming.

The "Palestinians" are bogus, a political show, and it's time to pull the curtain on the charade.

What Israel has given away – for peace

<http://www.jewishindy.com/modules.php?name=News&file=article&sid=9488>

Israel is a nation **1/19th the size of California**, and is one of the smallest nations on the face of the earth. With only about 8,000 sq. miles of land mass it is **roughly two times the size of Rhode Island, which is the smallest state in the US.**

Muslim Leaders Admit: Palestinians Don't Exist!

Don Boys, Ph.D.

<http://donboys.cstnews.com/muslim-leaders-admit-palestinians-dont-exist>

The “Palestinian people” don’t exist as an historical group but they do exist as a political ploy & are used by the PLO and other Muslim extremists for their own selfish purposes.

These “Palestinian” people are refugees from the Middle East whom the Muslim nations will not accept as citizens but will use as grunt workers in their fields and orchards.

The refugees are welcome as workers but not as citizens. By leaving the refugee camps, they better themselves as migrant workers but are without any hope of citizenship from their “brother” Muslims. However, they have been and are being used as pawns to further the political agenda of their fellow Muslims.

Any honest person will recognize that there is no mention of the name “Palestina” in history before the Romans gave that new hated name to the province of Judea. This fact was admitted by Professor Philip Hitti, an Arab historian who declared, “**There is no such thing as Palestine in history, absolutely not.**”

King Hussein of Jordan was the only Arab leader that showed any sympathy toward what is called the Palestinian Arabs. In 1960 he stated: “Since 1948 Arab leaders have approached the Palestine problem in an irresponsible manner....**They have used the Palestine people for selfish political purposes. This is ridiculous and, I could say, even criminal.**” The King was correct.

I started going to Jordan and the Middle East just after the 1967 Six-Day War (in which Israel sent the nine Muslim nations arrayed against them running for cover) and have been there 14 times. That doesn’t make me a Middle East expert but I became convinced that King Hussein, who died in 1999, **was the most reasonable and kind Muslim leader in the Muslim world. He shocked the world when he recognized Israel as a nation in 1994 much to the chagrin of other Muslim leaders.**

Unknown to the world, Hussein wanted peace with Israel and secretly negotiated with Israel’s leaders and U.S. officials. The private talks took place in London at the home of Hussein’s Jewish physician. In 1970, Hussein kicked the PLO (Arafat) out of Jordan! It must be

remembered that Arafat, while leader of the PLO, was an Egyptian, not a “Palestinian”; but then, no one is a “Palestinian.”

Syrian dictator Hafez Assad (father of the present dictator) told the former PLO leader Yasser Arafat, “**You do not represent Palestine as much as we do. Never forget this one point: There is no such thing as a Palestinian people, there is no Palestinian entity, there is only Syria.**” **Don’t you think the media should finally get the point: Palestinian people do not exist except as a political ploy.**

Pedophilia, MUHAMMAD, AISHA, ISLAM, AND CHILD BRIDES

by [Silas](#) **NOTE:** I needed to edit and correct this article because I’ve learned some new details. Initially, I believed what many Muslims asserted: **Muhammad sexually consummated his marriage to the nine year old Aisha following her first menstrual cycle.** HOWEVER, after reading brother Sam Shamoun’s articles ([1](#), [2](#)), **I realized that the Quran, the Hadith, and Muslim scholar’s writings state that a Muslim husband can engage in sex with a child-bride before she has her first menses. Further, Muhammad actually did just this – he had intercourse with Aisha prior to her first menses!** **Comment: And this is what they would openly admit to, who knows what really happened.**

This increases the weight and scope of my argument and places Muhammad and Islam in a far darker, more disreputable, light. Many Muslims don’t know this and by their own standards Muhammad did the wrong thing in having sex with a child (**Even though it is permitted according to Islamic unholy books**). Muslims have to answer for their continued support for Muhammad. **When children are allowed to be used for sex then that is pedophilia; so why do they support the creator and establishment of a system that entrenches the abuse and sexual exploitation of children?**

Surely you realize that for children exposed to the Islamic death cult there are painful ramifications behind Muhammad’s action. They need to be discussed in detail and in context. It might be offensive to some but it needs to be discussed.

The terrifying world of child brides: Devastating images show girls young enough to be in pre-school who are married off to pedophilic older men

By [Snejana Farberov](#) 11 October 2012 | **UPDATED:** 08:45 EST, 12 October 2012

At age 11, Ghulam was married off to 40-year-old Jaiz in a rural Afghan village, making her only one of more than 10 million young girls who are being forced to wed men old enough to be their fathers or grandfather every year.

In an effort to start a global conversation about the devastating effects of early marriages, which are currently practiced in more than 50 developing countries October 11th is now known as the International Day of the Girl Child this year.

To mark the occasion and draw attention to the problem of child brides, photojournalist Stephanie Sinclair teamed up with [National Geographic](#) to **create a series of heart-breaking photos depicting girls as young as five years old being married off to much older men in countries like India, Yemen and Ethiopia.**

Vulnerable: Young girls sit inside a home outside of Al Hudaydah, Yemen, in 2010

Although child marriage is against the law in many countries, and international treaties forbid the practice, it is estimates that about 51 million girls below age 18 are currently married, often under the cover of darkness and in secret. In Afghanistan alone, it is believed that approximately 57 per cent of girls wed before the legal age of 16.

Various factors drive parents of child brides to marry off their daughters, from the community's pressure to confirm to age-old cultural customs to economic considerations. In poor, developing nations, it is not uncommon for families to settle debts by offering their daughters as payment.

Beside India, where girls are usually wed to boys who are only a couple of years their senior, the husbands may be decades older than their prepubescent betrothed. It is not uncommon for men to kidnap girls and rape them first before trying the knot.

Child mothers: Asia, a 14-year-old mother, washes her new baby girl at home in Hajjah while her two-year-old daughter plays

Since 2003, Sinclair has been traveling to remote corners of the world in countries to document weddings of child brides and their transformation into young mothers in the hope of giving them a voice and raising awareness of the problem.

In many cases, the girls are lorded over by their husbands and in-laws, leaving them vulnerable to domestic violence as well as physical, sexual and verbal abuse.

Underage wives who are lucky enough to escape from their husbands end up living in poverty, or worse. Some girls turn to prostitution to earn a meager income and enter brothels, where they are subjected to horrific abuse.

Gruesome: Police woman Malalai Kakar (back right) arrests Janan, 35, after he tried to kill his 15-year-old wife Jamila for angering him by fleeing her home to stay with her mother following years of abuse

Most girls who enter early marriages are expected to get pregnant right away, which often leads to tragedy for both the mothers, who are still children themselves, and their babies.

Adolescent wives are more likely to have obstructed labor because their bodies have not fully developed yet. Statistics show that pregnancy death for child brides is double that of women in the 20s, according to the [Pulitzer Center on Crisis Reporting](#).

Unless steps are taken to reverse the troubling trend, **it is estimated that over the next decade, 100 million more girls—or about 25,000 girls a day—will marry before they turn 18.**

Chrislam's Reprobate Rick Warren Partnering With Mosques To Teach That God Almighty And Allah Are The Same

Rick Warren - Member in good standing of the the CFR

"When you write the best-selling book in the world for the last three years, that changes your life.... Ten percent of America's churches have engaged in '40 Days of Purpose' programs, which have 'spread' to secular organizations, including sports teams and major corporations such as Ford, Wal-Mart and Coca-Cola, not to mention the military."^[1]

"Dear Saddleback Family... This week I shared part of this message in New York City where I spoke at the United Nations, and also to The Council on Foreign Relations." Group email to Saddleback sent by "Pastor Rick," September 17, 2005.

"Dear Saddleback Family... No matter where I've been invited to speak - to Congress, to the Davos World Economic Forum, at Harvard and Oxford and Cambridge, to the United Nations, to the Foreign Affairs Council, from Rabbis at the University of Judaism to Muslim leaders in the Middle East, from Urban Gays to Rural Cowboys - my message is unchanged..." 'As a member of the Council on Foreign Relations and Oxford Analytica, I might know as much about the Middle East as you.'^[2] **A letter from Rick Warren to Joseph Farah**

"America's Pastor" Rick Warren rarely misses an opportunity to highlight the sales of his books or the influence of his PEACE Plan. But his latest boast to Joseph Farah at WorldNetDaily (**we just read**) reveals a depth of deception that demands both a sober response and a public warning. And it begs answers to these puzzling questions:

Why would the globalist Council on Foreign Relations (CFR) invite a Christian Pastor to join its semi-secret, anti-Christian organization?

How might Rick Warren benefit the elite [Oxford Analytica](#), a UK-based "strategic consulting firm" that works with globalist power brokers such as [J.P. Morgan](#), the [Aspen Institute](#), the [World Bank](#)?^[3]

Lately Rick Warren has decided to spend his time and wealth promoting the hybrid Chrislam religion.

RELATED STORY: [Click here](#) to read about Rick Warren's beginnings in Chrislam...

From WND: The Rev. Rick Warren, pastor of Saddleback Church and one of America's most influential Christian leaders, has embarked **on an effort to heal divisions between evangelical Christians and Muslims by partnering with Southern California mosques and proposing a set of theological principles that includes acknowledging that Christians and Muslims worship the same God.**

Eph 5:11 And have no fellowship with the unfruitful works of darkness, but rather reprove [them].

2Cr 6:14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

2Cr 6:15 And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

The effort, **informally dubbed King's Way, caps years of outreach between Warren and Muslims. Warren has broken Ramadan fasts at a Mission Viejo mosque, met Muslim leaders abroad and addressed 8,000 Muslims at a national convention in Washington D.C.**

Saddleback worshippers have invited Muslims to Christmas dinner and played interfaith soccer at a picnic in Irvine attended by more than 300 people. (The game pitted pastors and imams against teens from both faiths. The teens won.)

The effort by a prominent Christian leader to bridge what polls show is a deep rift between Muslims and evangelical Christians culminated in December at a dinner at Saddleback attended by 300 Muslims and members of Saddleback's congregation. [source](#)

The Koran says:

O ye who believe! Take not the Jews and the Christians for friends. They are friends one to another. He among you who taketh them for friends is (one) of them. Lo! Allah guideth not wrongdoing folk. (5:51)

Allah has cursed the unbelievers and proposed for them a blazing hell. - Sura 33:60

Unbelievers are enemies of Allah and they will roast in hell. - Sura 41:14

Fight unbelievers who are near to you. Sura 9:123 (another translation reads:

Believers! Make war on the infidels who dwell around you. Let them find harshness in you. (another source reads:) Ye who believe! Murder those of the disbelievers....

The Ayatollah Khomeini, who dedicated his entire life to studying Islam, said that non-Muslims (especially Christians and Jews) rank somewhere between "feces" and the "sweat of a camel that has consumed impure food." No wonder that the Quran dehumanizes non-Muslims, describing them as "animals" and beasts:

Those who reject (Truth), among the People of the Book (Christians and Jews) and among the Polytheists, will be in Hell-Fire, to dwell therein. They are the worst of creatures.

(98:6)

Surely the vilest of animals in Allah's sight are those who disbelieve. (8:55)

Verse 7:176 compares unbelievers to "panting dogs" with regard to their idiocy and worthlessness. Verse 7:179 says they are like "cattle" only worse.

Verse 5:60 even says that Allah transformed Jews of the past into apes and pigs.

A hadith (Bukhari 54:524) says that Muhammad believed rats to be "mutated Jews".

From Stand Up For The Truth: This past Sunday, a major shift was announced by Pastor Rick Warren at his Saddleback Church in Orange County, California, that has many Christian leaders concerned. As Saddleback hosted its "Celebration of Jesus," attended by a number of Muslim communities in Southern California, **something theologically significant happened at the dinner portion of the event.**

Only a select number of people were invited to the dinner. A document one year in the making was presented which encourages Christians and Muslims to "appreciate the similarities of our faiths." [source - Stand Up For The Truth](#)

From Time: WASHINGTON — Defying some of his fellow conservative Christian critics, Rick Warren (one of the most prominent religious leaders in the country) **told several thousand American Muslims** on Saturday that “**the two largest faiths on the planet**” must work together to **combat stereotypes and solve global problems**. [source – MSNBC](#)

From Jim Hinch: Saddleback Church in Orange County, California, home to super-pastor Rick Warren (Obama inauguration, Purpose Driven Life, etc.) **has joined forces with Southern California mosques to adopt a three-step plan for ending enmity between evangelical Christians and Muslims.**

The plan’s first step calls for Muslims and Christians to recognize they worship the same God. Interfaith reconciliation has been proceeding for years between Muslims and more liberal-leaning mainline Protestant denominations.
