**Obama signs the 'hate-crimes' bill giving special status and protections to sodomites**

**From: Missionaries to the Preborn--**On 10/28/09 President Obama signed the 'hate-crimes' bill giving special status and protections to sodomites. This is an attack upon the Word of God and Christianity. The Bible is clear that God judges nations which give themselves over to homosexuality (Jude 7); that homosexuality is filthy conduct (2 Peter 2:6-7); that homosexuals will not inherit the kingdom of God (I Cor. 6:9); that homosexuality is unnatural and shameful (Rom. 1:26-27); and the Bible makes clear

that not only those who practice such things, but also those who approve such things are deserving of the righteous judgment of God (Rom. 1:32).

Our message to homosexuals is a simple one: **THE STATE CANNOT PROTECT YOU FROM THE JUST JUDGMENT OF GOD.** Federal law will do you no good when you stand before God on judgment Day. You must be born again through the Lord Jesus Christ. He will transform your life. Though most all of American Christianity wants to accommodate your sin, you have no special rights when you stand before God - it is the same for all men - repent and believe!

Our message to the State is a simple one: **YOUR AUTHORITY IS NOT AUTONOMOUS - IT IS DELEGATED TO YOU FROM GOD.** God's Law supercedes man's law, therefore when you make law contrary to His Word, you are in rebellion to God. As for us, when man makes law contrary to the Word of God - we acknowledge and obey His Word rather than man's laws. While the civil magistrates in our nation have abandoned their God-given duty to be 'God's ministers for good' (Rom. 13:4), and now ARE a terror to good works (Rom. 13:3), thus perverting their God-given function, and while the church in America is asleep and most pastors and ministers are whoring themselves out to the thinking of the world. Though 'hate crimes' laws have been used in other countries to silence and persecute Christians for declaring the truth of God's Word regarding homosexuality, and though 'hate crimes' laws have been used in our own nation to silence and persecute Christians [see: <http://www.repentamerica.org> ], we will not be silent - we will continue to declare the truth of our King's Word as His faithful ambassadors.

**Romans 1:26-28:** For this cause **God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly,** and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient...**Romans 1:32:** "Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

**Leviticus 20:13:** **If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them.**

**Lev 18:22-30:** **Thou shalt not lie with mankind, as with womankind: it is abomination.** Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion. **Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you: And the land is defiled: therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants.** Ye shall

therefore keep my statutes and my judgments, and shall not commit any of these abominations; neither any of your own nation, nor any stranger that sojourneth among you: (For all these abominations have the men of the land done, which were before you, and **the land is defiled;**) **That the land spue not you out also, when ye defile it, as it spued out the nations that were before you.** For whosoever shall commit any of these abominations, even the souls that commit them shall be cut off from among their people. Therefore shall ye keep mine ordinance, that ye commit not any one of these abominable customs, which were committed before you, **and that ye defile not yourselves therein:** I am the LORD your God.

### **President Obama has just propelled America into the "New Sodom"!**

President Obama signed the "Hate Crimes Bill" into national law yesterday, creating a "watershed" event in the Illuminati persecution plan for genuine Christians. America will never be the same again -- and God's physical judgment is now set in stone.

NEWS BRIEF: ["After 10-year dispute, expansion of hate crimes law to gays signed: Move may help Obama quell rising discontent from gay rights groups"](#), The Washington Post, October 29, 2009

"... Wednesday, President Obama signed the bill and then hosted a White House reception for gay activists and the parents of the slain student, 21-year-old Matthew Shepard. 'After more than a decade of opposition and delay, we've passed inclusive hate crimes legislation to help protect our citizens from violence based on what they look like, who they love, how they pray or who they are', Obama said after the signing."

I find it highly offensive that President Obama would invoke the word, "pray" in this entire pro-gay ceremony. If any unrepentant gay person prays, their prayer will be like that of the Pharisee, of whom Jesus spoke.

"[The Pharisee stood and prayed thus with himself...](#)" (Luke 18:11) Remember, the only prayer God hears from a sinner is the prayer of earnest repentance.

The propagandist long ago learned to clothe the most vile concepts with the cloak of religion. The undiscerning citizen will hear the religious language and be deceived into thinking that what is occurring must be compatible with Christianity.

"The legislation extends provisions first passed in 1968 that make it a federal crime to target individuals because of their race, religion or national origin. Under the law, judges can impose harsher penalties on crimes that are motivated by such origins, and the Justice Department can help local police departments investigate alleged hate crimes ..."

This next segment reports the official tally of the number of hate crimes reported each year in America, a number I do not believe for one second. As my Daddy used to say, "Figures don't lie, but liars figure". Truer words are hard to come by these days, particularly words that fit the situation so appropriately!

Remember, this LGTB 'Hate Crimes' legislation was near and dear to the heart of President Obama. He was not a passive bystander but an active promoter of this bill.

" 'I think that obviously there's a great deal of **impatience and frustration within our community**, not just related to the last 10 months, but the last 10 years', said Joe Solomonese, president of the District-based (Gay) Human Rights Campaign, which has worked for years on the issue. 'But the White House was an absolutely critical partner in getting this legislation to the president's desk, and I have no doubt the White House will continue to be a partner in this fight'."

This 'Hate Crimes' bill got its start under the leadership of President Bill Clinton and his wife, Hillary. However, the legislation was shelved because opposition was so intense, plus Bill had other agenda to which he felt he must turn his attention and his resources. But, now, one decade later, American values and attitudes toward all forms of homosexuality has changed so very much that the Democrats this time around made this legislation a top priority.

As this next news story illustrates, this 'Hate Crimes' law is nothing more, nor less, than a 'Declaration of War' against Jesus Christ His Word and His follower.

NEWS BRIEF: ["Boehner: 'Just Plain Wrong' for Democrats to Attach Hate Crimes Measure to Defense Authorization Bill"](#), CNS News, October 9, 2009

"The bill defines a hate crime to be any felony crime of violence that is 'motivated by prejudice based on the actual or perceived race, color, religion, national origin, gender, sexual orientation, gender identity, or disability of the victim, or is a violation of the State, local, or tribal hate crime laws'."

The word, "**perceived**" in this sentence is huge enough to drive an 18-wheeler truck through! What this language allows the government to do is to single out persons they want to jail and arrange the same kind of "Show Trial" for which the Russian

Communists under Josef Staling made infamous. During this kind of trial, government prosecutors need not provide any evidence which would stand up under normal judicial scrutiny; rather, they would make the accusation, based upon the "perception" of the alleged "victim" and pass the 'guilty as charged' verdict which was guaranteed from the start.

Now, we learn as fact what we have suspected all along: **this law criminalizes "thought"**.

"Boehner and the Republicans say the law criminalizes thinking someone may or may not have had during the commission of a crime. Punishment will now be **based on a person's thoughts – not their actual behavior** ... All violent crimes should be prosecuted vigorously, no matter what the circumstance," Boehner said. 'The Democrats' 'thought crimes' legislation, however, places a higher value on some lives than others.

The **United States of America has just declared war on Christian values, the Bible upon which those values rest, and the genuine Christians who live their lives upholding these Biblical values**. The Illuminati -- with President Obama leading the way -- has just destroyed another large piece of the Christian foundation upon which this formerly-great country was established.

Truly, Jesus was correct when He predicted that one of the End of the Age prophecies would be a return to gay values.

"Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed [them] all. Even thus shall it be in the day when the Son of man is revealed." (Luke 17:28-30)

God's physical annihilation of America is thus set in stone by the passage of this law. I will tell you exactly how and when America will be thus destroyed, in my personal opinion.

### How America Will Be Destroyed

"And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird .... For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies." (Rev 18:2-3)

"For her sins have reached unto heaven, and God hath remembered her iniquities." (Rev 18:5)

"Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong [is] the Lord God who judgeth her. " (Rev 18:8)

Cutting Edge has long maintained that the Economic Babylon of Revelation 18 is the United States of America. We have posted an article on this subject and encourage you to read it. It is "[Economic Babylon of Revelation 18 May Be America](#)" - [CE1038](#), Former Radio Transcript.

Now, let us examine the "when" America will be destroyed.

### [When America Will Be Destroyed](#)

Notice that this prophecy of Revelation 18 does not occur follow in time the events of Revelation 6 through 16. How do we know this? In Revelation 16:17, an angel descends to earth, proclaiming that all of God's judgments are done, are finished!

[Rev 16:17](#) And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, **It is done.**

Action in the Book of Revelation does not begin again until Chapter 19. For this reason, Bible scholars call Revelation 17 and 18 the "parenthetical chapters". In other words, the events of these two chapters do not necessarily follow the events of Revelation 16, nor do they necessarily immediately precede the events of Revelation 19.

These events could occur any time during the Seven-Year Tribulation Period.

When might America be destroyed?

To pinpoint this destruction, we need to remember that America will be part of the North American Union at the time Antichrist arises. As such, America is part of Supernation #1 of the Illuminati Plan to reorganize the world into precisely 10 supernations, just as Daniel 7:7-8 foretells. (Read full details in our archived Headline News Article, [NEWS1002](#), "NAFTA: The Shocking 'Rest of the Story' ").

Therefore, America is subject to the prophecy of Daniel 7:7-8:

[Dan 7:7](#) After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it [was] diverse from all the beasts that [were] before it; **and it had ten horns.**

[Dan 7:8](#) I considered the horns, and, behold, there came up among them **another little horn, before whom there were three of the first horns plucked up by the roots:** and, behold, in this horn [were] eyes like the eyes of man, and a mouth speaking great things.

In other words, 3 of the 10 supernations are going to be totally destroyed after Antichrist (the little horn) arises. Might the North American Union be one of those three supernations?

Former Satanist, Cisco Wheeler, told me that her father, a middle-level Illuminati operative, told her repeatedly that she had only 12 days to get out of America once she saw that Antichrist had arisen in Israel, east of Jerusalem. **On day '13' after Antichrist had arisen, America was going to be totally destroyed by fire!**

Not only is the Illuminati plan to destroy by fire consistent with Scripture, but America has been uniquely associated with the Number 13 all throughout her history, since the Illuminati stopped the number of Colonies at '13' until the Revolutionary War was concluded (Former Satanist, Doc Marquis).

While these understandings do not carry the weight of prophetic Scripture, I (David Bay) believe they are true. God will destroy America with fire shortly after Antichrist arises, and President Obama will have had a major role in sealing our national fate!

If persecution of Christians breaks out before Antichrist arises, and along the lines of this infamous "Hate Crimes Bill", are you spiritually prepared?

### [Homosexual Halloween Hate: 'Gay' Couple Targets Maggie Gallagher, Carrie Prejean in Vicious Rooftop Display](#)

Pro-traditional-marriage advocate Maggie Gallagher's face is attached to a nude mannequin with "LIAR" written on the stomach — the rooftop creation of West Hollywood **homosexual couple** ChadMichael Morrisette and Mito Aviles. The deviant duo say the theme for their bigoted rooftop display is the **"forces of evil 2009"** — seemingly oblivious to the nastiness of their crude attacks on religious and conservative leaders. Delighted by their 15 minutes of fame last Halloween for infamously hanging a mannequin dressed up as Sarah Palin with a noose around her neck, the homosexual couple this year has broadened its hate campaign by loading their house's rooftop with

several new images attacking social conservatives. In addition to the childish slam against Gallagher, the homosexual couple anti-religious creation features a chopped-in-half and bloodied, upside-down torso of a blond woman hanging from the roof — intended to be Carrie Prejean, the runner-up to Miss California 2009 who was infamously maligned by homosexual gossip columnist and pageant judge Perez Hilton because he didn't like her sincere answer to a question about "same-sex marriage."

## **Pastors to Proclaim Jesus Loves Gays at Pride Fest**

By Lillian Kwon--Christian Post Reporter--[XXXChurch.com](#) pastor Craig Gross is attending the [Atlanta Pride Festival](#) this weekend to apologize for the way religious people have often treated gay individuals.

In hopes of diminishing the disconnect between the homosexual community and the church, Gross is setting up a booth in Piedmont Park with the simple message: "We Are Sorry."

The annual LGBT (lesbian, gay, bisexual, transgender) event is the last stop in Gross' unconventional "Jesus Loves You" tour. For the past couple of months, he and Jason Harper have been promoting the simple message to gluttons, criminals, porn stars, the poor and even the religious.

The message is spelled out in their recently released book, *Jesus Loves You ... This I Know*. They believe Jesus' vision and values have been distorted, twisted and hijacked by political dogma, right-winged sectarians and extremist beliefs. And in the process, many have missed the simple yet profound message that Jesus loves them.

Harper recently lamented to worshippers at Capital Christian Center in Sacramento, Calif., that "oftentimes, people don't have a problem with Jesus. They just have a problem with the people who have spoken on his behalf."

Pro 16:4 **The LORD hath made all [things] for himself: yea, even the wicked for the day of evil.**

Dan 12:10 Many shall be purified, and made white, and tried; **but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.**

Psa 58:3 The **wicked are estranged from the womb**: they go astray as soon as they be born, speaking lies.

Psa 58:6 **Break their teeth, O God, in their mouth: break out the great teeth of the young lions, O LORD.**

Psa 58:7 Let them melt away as waters which run continually: **when he bendeth his bow to shoot his arrows, let them be as cut in pieces.**

Psa 58:9 **Before your pots can feel the thorns, he shall take them away as with a whirlwind, both living, and in his wrath.**

Psa 58:10 **The righteous shall rejoice when he seeth the vengeance: he shall wash his feet in the blood of the wicked.**

Psa 58:11 **So that a man shall say, Verily there is a reward for the righteous: verily he is a God that judgeth in the earth.**

Mat 13:36 Then Jesus sent the multitude away, and went into the house: and his disciples came unto him, saying, Declare unto us the parable of the **tares of the field.**

Mat 13:37 He answered and said unto them, **He that soweth the good seed is the Son of man;**

Mat 13:38 The field is the world; the **good seed are the children of the kingdom**; but **the tares are the children of the wicked one**;

Gen 3:15 And I will put enmity between thee and the woman, and between **thy seed** and **her seed**; it shall bruise **thy** head, and thou shalt bruise his heel.

Mat 13:39 The **enemy that sowed them is the devil**; the harvest is the end of the world; and the reapers are the angels.

Mat 13:40 As therefore the **tares are gathered and burned in the fire**; so shall it be in the end of this world.

Mat 13:41 The Son of man shall send forth his angels, and they shall gather out of his kingdom **all things that offend, and them which do iniquity**;

Mat 13:42 And **shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.**

**Why boys are turning into girls**

Here's something rather rotten from the State of Denmark. Its government yesterday unveiled official research showing that two-year-old children are at risk from a bewildering array of gender-bending chemicals in such everyday items as waterproof clothes, rubber boots, bed linen, food, nappies, sunscreen lotion and moisturising cream.

The 326-page report, published by the environment protection agency, is the latest piece in an increasingly alarming jigsaw. A picture is emerging of ubiquitous chemical contamination **driving down sperm counts and feminising male children** all over the developed world. And anti-pollution measures and regulations are falling far short of getting to grips with it.

**Sperm counts are falling so fast that young men are much less fertile than their dads. And gender-bending chemicals are increasingly being blamed for the mystery of the "lost boys": babies who should normally be male who have been born as girls instead.**

The Danish government set out to find out how much contamination from gender-bending chemicals a two-year-old child was exposed to every day. It concluded that a child could be "at critical risk" from just a few exposures to high levels of the substances, such as from rubber clogs, and imperiled by the amount it absorbed from sources ranging from food to sunscreens.

The results build on earlier studies showing that British children have higher levels of gender-bending chemicals in their blood than their parents or grandparents. Indeed WWF (formerly the World Wildlife Fund), which commissioned the older research, warned that the chemicals were so widespread that **"there is very little, if anything, individuals can do to prevent contamination of themselves and their families."** Prominent among them are dioxins, PVC, flame retardants, phthalates (extensively used to soften plastics) and the now largely banned PCBs, one and a half million tons of which were used in countless products from paints to electrical equipment.

Young boys, like those in the Danish study, could end up producing less sperm and developing feminised behavior. Research at Rotterdam's Erasmus University found that boys whose mothers were exposed to PCBs and dioxins were **more likely to play with dolls and tea sets and dress up in female clothes.**

And it is in the womb that babies are most vulnerable; a study of umbilical cords from British mothers found that every one contained hazardous chemicals. Yet gender-bending chemicals are largely exempt from new EU regulations controlling hazardous chemicals. Britain, then under Tony Blair's premiership, was largely responsible for this – restricting their inclusion in the first draft of the legislation, and then causing even what was included to be watered down. Confidential documents show that it did so after pressure from George W Bush's administration, which protested that US exports "could be impacted".

## Religious leaders join to battle climate change

GMT 29 Oct 2009--At a meeting hosting by the **Archbishop of Canterbury** Rowan Williams, leaders from **Christian**, Jewish, Muslim, Hindu, Sikh, Buddhist, Baha'i, Jain and Zoroastrian faiths called on the UK and G20 governments to fight for an ambitious deal to cut greenhouse gas emissions at **UN-led talks in Copenhagen** in December. A statement issued by the groups meeting at Lambeth Palace, London, said catastrophic climate change posed a "very real threat to the world's poor and to **our fragile creation**". The leaders said the developed world was primarily responsible for the emissions which cause climate change, and urged G20 governments to fight for an agreement which would speedily end global reliance on fossil fuels and keep temperature rises to 2C to avoid the worst impacts of a warming world.

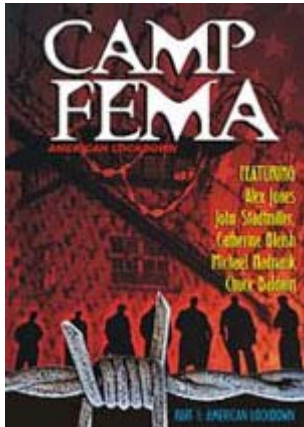

"We recognise unequivocally that there is a moral imperative to tackle the causes of global warming," the statement published today said. And they said: "**Faith communities** have a crucial role to play in pressing for changes in behaviour at every level of society and in every economic sector. "We all have a responsibility to learn how to live and develop sustainably in a world of finite resources." The leaders pledged to reach out to their communities to raise awareness of the real potential for catastrophic climate change and increase public support for a strong deal to cut emissions in Copenhagen. We need the voice of all the world's religions in the coming weeks as we approach the Copenhagen summit.'

## Important Notice for America's Future Re: Treaty of Copenhagen

The draft Treaty of Copenhagen, to be signed in mid-December 2009, would create an unelected world government with direct power over all financial and trading markets, and direct power to intervene over the heads of elected governments in the economic and environmental affairs of all nations that sign the Treaty. The word "government" actually appears in the Treaty as the first of three purposes of a huge, new, supranational bureaucratic entity that will have the power to require wealthier nations to redistribute up to 2% of their annual gross domestic product to third-world countries in imagined reparation for imaginary "climate debt" - and all this just as final scientific proof that CO2 has a tiny and harmless warming effect is available. ## Soros: China Will Lead New World Order

Billionaire globalist George Soros told the Financial Times during an interview that **China will supplant the United States as the leader of the new world order and that America should not resist the country's decline as the dollar weakens, living standards drop, and a new global currency is introduced.**

Asked what Obama should discuss when he visits China next month, Soros stated, "This would be the time because I think you really need to bring China into the creation

of a **new world order, financial world order,**” adding that China was a reluctant member of the IMF who didn’t make enough of a contribution.

“I think you need a new world order that China has to be part of the process of creating it and they have to buy in, they have to own it in the same way as the United States owns...the current order,” said Soros, adding that the G20 was a move in this direction.

Soros said that there was a flight from currencies across the board, and that this is why the price of commodities, notably gold and oil, were generally rising. He also stated that an orderly decline of the dollar was “desirable” and that the entire system needed to be reconstituted towards a global currency.

“You need a new currency system and actually the Special Drawing Rights do give you the makings of a system and I think it’s ill-considered on the part of the United States to resist the wider use of Special Drawing Rights, they could be very useful now when you have a global shortfall of demand, you could actually internationally create currency through Special Drawing Rights,” said Soros, explaining that this was already in process after the [IMF injected an allocation of Special Drawing Rights \(SDRs\) equivalent to \\$250 billion](#) into the global economy.

Soros also stated that richer countries were already **transferring wealth to poorer countries via SDR’s**, with the IMF paying for the half per cent transaction cost.

Soros said the world would have to go through a “painful adjustment” following the decline of the dollar and the introduction of a global currency. Reading between the lines, he essentially threatened to kill the dollar completely if the United States did not get on board with the global currency.

Soros predicted that China would become the new engine of the global economy, replacing the U.S., and that this would slow economic growth and reduce living standards. Soros characterized the United States as a drag on the global economy because of the declining dollar. Watch the video interview at:

### **Deception Alert: The Master's (Devil Maitreya's) article for Share International magazine, October 2009**

By the Master (Maitreya) –, through Benjamin Creme, 5 September 2009--One day in the winter of 1875, Helena Petrovna Blavatsky, one of the founders of the Theosophical Society, made a vow: to spread by every means in her power the teachings which she had received from several Ascended Masters of the Himalayan Lodge of the Spiritual Hierarchy of our planet. True to her vow, she set to work to inform the world of these

teachings. Her books, **The Secret Doctrine, Isis Unveiled and The Key to Theosophy**, are testimony to her will, in the face of great physical illness. These seminal works have informed and inspired many thousands of true seekers over the years and continue to do so.

The general reception of these precious insights was altogether different: seldom have the work and gifts of a great initiate been so denigrated and ridiculed, especially by the religious and scientific communities of the day. Even now, after a hundred and thirty five or so years, Blavatsky is regularly dismissed as a charlatan, a spiritual medium and a “dishonest faker”. So vehement and so worldwide was this condemnation that much of this negativity still clings to her name. And, to Theosophy itself.

Madame Blavatsky was 4.0 degrees initiate, almost a Master, **equal in level to the Disciple Jesus** and close to that of the great Leonardo da Vinci. How is it possible that such a distinguished **Toiler for the Good** could be so maligned? Jesus himself is a prime example of how ignorance and fear can dominate the perceptions of men. **Even while overshadowed by Maitreya the Christ, Jesus was made to suffer from these twin attributes of thoughtless men.**

Today the world is grappling with many problems and, predictably, schisms have arisen in assessing these problems and in overcoming them. Men and women everywhere have different qualities of mind and brain, of openness or otherwise to ideas new and unfamiliar. They **also stand at different points on a ladder of evolution and from near the bottom of the ladder the work and insights of many of those above them mean little or naught.** Thus has it always been.

From now on, however, this age-old problem will be ameliorated to the benefit of all. The presence of Maitreya and a growing number of His group of Masters will bring to humanity **a great leavening.**

Much of the simpler levels of the Ageless Wisdom Teachings **will be placed before the world as a whole, drawing more and more of the general public into Theosophy and its teachings (Comment: like the Copenhagen Treaty?).** This will help to prepare large numbers to stand before the Initiator and to enter consciously into the Light.

In this way, many men and women, taking advantage of this new situation, will prosper greatly on their **journey of evolution. When Maitreya steps forward, this process will begin.** More and more, as they respond to Him, they will find growing within themselves an appetite for the truth, and a longing for wisdom and light.

The Day of Declaration — a heartfelt truth by Benjamin Creme

*During Benjamin Creme’s talk in San Francisco, USA, on 2 August 2009, he gave the following discourse on the Day of Declaration.*

The Christ will point to the need of the world to see itself as One. We are One world. We must make our world One, with war a thing of the past. *Then* the Masters can help us.

Then They can show us the way to build the most wonderful civilization this earth has ever seen. This coming civilization will be created by humanity – inspired, guided and led by the Masters. **We will have these men without fault living among us.** Maitreya is a man like us but **without any fault whatsoever.** He knows only total altruistic love. He uses all His extraordinary intelligence, wisdom and love to help humanity forward, to shield and protect us. **When Maitreya says: "I am your shield", He means it absolutely concretely. The Masters and, above all, Maitreya, are our shield** – shielding us from suffering, from too great an evil in the world which would submerge humanity. He is here to present to us an image of perfection to which we can aspire.

Maitreya has given to the world all the signs – the milk miracle [1995], statues which move and open their eyes, paintings which weep real tears – as signs that something tremendous is happening. There are thousands of miracles all over the world so that *Time* magazine devoted an eight-page spread to it [in April 1995]: "Something extraordinary is happening in the world," it said. That something is the Reappearance of the Christ and the Masters of Wisdom in the world as our Elder Brothers.

### **Thousands gather as Virgin Mary set to make major statement at Knock shrine**

Thousands of Irish people claim to have witnessed apparitions of the Virgin Mary in the skies over Knock shrine in Co Mayo. About 5,000 people gathered at the Catholic shrine earlier this month amid a Dublin-based clairvoyant's predictions that an apparition would appear on October 11. They reported that they could see images of the Virgin Mary shimmering in the sky as the sun danced nearby. Another apparition has been predicted by the same clairvoyant, Joe Coleman, for this weekend and several thousand people are expected to make the pilgrimage to Knock. ...

Very soon now Maitreya will appear on television in this country [USA] and later in Japan and then around the world and speak very simply so that everyone can understand Him and when Maitreya talks you know it is true. He speaks directly from the heart to the heart and that energy which comes from being the embodiment of Love awakens that love in your heart and you believe what He says because you know it is true.

When enough people are responding to Maitreya in this way He will be asked to come on television and speak to the whole world – now known to many as the Christ. Many will see Him and think: “I’m sure that is the man Creme has been talking about.” The television networks will be linked together for this event and “All eyes will see him” as it says in the Bible. You will see His face – you will feel that energy – you will say: “Only the Christ could fill my heart with that love”.

Maitreya is **omniscient and omnipresent** and one day all adult people in the world will hear His voice inwardly. He will, for 25 minutes or so, create this liaison, this telepathic rapport, between Him and us, and you will know that what you are hearing is the truth.

One of the Masters has said: “People everywhere will become like little children”, full of trust, full of love, full of goodness, full of hope, full of aspiration with all that they have lost since growing up, before they become hardened, become commercialized, made rigid, fearful, untrusting – only half a man or half a woman. But as children they will feel this is true. “I am part of the whole world.” They will feel connected to one another, as they never have before, not since they were children...We are One. There is only one humanity under the one God and we all share that humanity.

Maitreya will **show us how old we are, for how long we have evolved** and from what a height we have fallen to this base materiality of today when commercialization through market forces is squeezing the life-blood out of humanity....

Maitreya will also show humanity glimpses of the coming civilization (**Comment: Like the Venus Project? See teaching below**) – the beautiful cities we shall have, the type of architecture now being planned by Masters to be given to the world.

While this is going on there will be hundreds of thousands of spontaneous healings. By the telepathic rapport and the overshadowing of the minds and hearts of people everywhere, by the outflow of the Christ Principle, the energy of love, and by the miraculous healings, you will know that that One is the Christ. On the Day of Declaration you will know with absolute certainty that the time of doubt is over. This is the time in which Christ takes His place outwardly as the Head of Hierarchy, as the Eldest of all the Brothers of humanity, to stand before us and to take us forward into that Kingdom of which **He is the Head** – the Spiritual Kingdom which daily is growing out of the human kingdom, as a man or woman here and there take initiation and gradually evolve towards the light. From: [http://www.theforbiddenknowledge.com/hardtruth/luciferic\\_initiation.htm](http://www.theforbiddenknowledge.com/hardtruth/luciferic_initiation.htm) And what is the initiation/gospel according to David Spangler?

*"Lucifer works within each of us to bring us to wholeness, and as we move into a New Age...each of us in some way is brought to that point which I term the Luciferic Initiation, the particular doorway through which the individual must pass if he is to come fully into the presence of his light and wholeness. Lucifer prepares man in all ways for the experience of Christhood... **The light that reveals to us the presence of the Christ...comes from Lucifer. He is the light-giver, he is aptly named the Morning Star because it is his light that heralds for man the dawn of a great consciousness ...He stands...as the Great Initiator, the one who hands the soul over to the Christ.**" (9)*

[Spangler makes a similar statement from his book, Reflections on the Christ, where on page 45 he writes:](#)

"Lucifer comes to give to us the final gift of wholeness. If we accept it then he is free and we are free. This is the **Luciferic initiation**. It is one that many people now, and in the days ahead, will be facing, for it is an initiation in the New Age."

-- Editor, Liberty Quotes

*In evangelical circles, Lucifer is acquiring a new image. Modern bibles now designate Lucifer "the morning star," replacing his true identity as "son of the morning" in Isaiah 14:12. The NIV and NASB also dispense with "day star" in II Peter 1:19, encouraging readers to wait "...until the day dawn and the morning star arise in your hearts."*

*Jay Gary is a dynamic leader in ministries such as Campus Crusade for Christ, Billy Graham's Lausanne Committee for Worldwide Evangelization, GCOWE, March For Jesus, and YWAM. Addressing an Adopt-A-People Consultation in 1994, Gary recommended books of David Spangler-referring to this Luciferian as "one of the best." (10)*

*One speaker at the recent Melbourne conference actually identified the Masonic orders as the hidden hand guiding mankind into the church of Lucifer: "One of the long-standing goals of the Masonic New World Order seems finally within grasp: its one-world church, in the making for over 150 years, is about to become institutionalized as the United Religions Organization - the UR."*

*In The Reappearance of the Christ and the Masters of Wisdom, Benjamin Crème stated, "Through the Masonic initiation and certain esoteric groups will come the process of initiation. In this coming age millions of people will take the first and second initiation through these transformed and purified institutions." (11)*

*Bob Rosio emphasized that the Holocaust was a mere dress rehearsal for the Final Solution which will well-nigh succeed under the rule of Antichrist. The opening performance is scheduled to begin after Lucifer has been properly summoned to play the leading role:*

*"Those who form the core of occultism in the New Age movement also stress that the New Age they are promoting will come about through an ongoing invocation of Lucifer. The stress that all those who enter this New Age will enter it through a Luciferic initiation, just as Hitler did." (12)*

*Presently, as we hear of Christian convocation after convocation calling down "The Fire," we recall Madame Blavatsky's definition of the very occult meaning of "fire" as "...a figure of speech to denote deity, the 'One' life. A theurgic term, used later by the Rosicrucians." Promotional materials for the "Crown Him" Convocation scheduled in November 1997 boasted of celebrity endorsements such as Israeli leader Moshen Demian, who, as a "Father" at the Canadian Whistler Gathering, blew the Shofar trumpet to "consecrate the meeting," the "new moon," "the seasons," "the Sabbath," with the lame excuse:*

*"...the cults do it, the unbelievers do it, how much more should the Christians do it.*

*Even now, Lucifer is regularly invoked by New Agers and Christians alike, bringing about the revelation of the Antichrist indwelt by Satan. At the proper time, Lucifer and the Spiritual Hierarchy will appear:*

*"The Masters of Wisdom... will restore upon earth the ancient mysteries and institute again the order of initiation." (13)*

**Subject:** [Dallas Share Int'l - update](#)

Hello Scott!

Just a quick update on Dallas Share Int'l. Veronica and I had two hours of constant prayer during the Tokyo video presentation. At times; the lights would power surge.... getting brighter; then dimming quickly. Veronica felt ill at times and I would get a sharp pain in my forehead. This didn't deter us since we felt the presence of the Lord's protection over us. There were about 20-25 people in attendance.

Afterward, they had a Q & A in which Veronica and I asked a few questions regarding the U.N. connection and the introduction of Maitreya to mankind. This seemed to get the room loosened up since after that the questions were flowing from others in the audience.

Amazingly a man in the audience brought up the globalist elites. Even going so far to speak of Rockefeller and use his quote that "Competition is sin." He stated that there was an agenda against mankind. Another woman in the audience agreed and then started speaking about the agenda of the zionist global elites to sicken and dumb down the population with the flu and swine flu vaccines. She begged people not to get them. We were amazed at what they were saying. But we soon turned our prayers to their salvation as we realized **that they were looking to Maitreya to save humankind from this evil. The Lord made us so very aware that people are seeking truth, but are so misguided and deceived. They want a Saviour and think Maitreya is it.**

As difficult as it was for Veronica and I to stomach the blasphemy against our Lord Jesus Christ during the presentation; all the more the people in attendance ate up the false doctrine they were hearing. Not one person was shocked, surprised or astounded...they wanted more and it grieved our Spirits.

Nevertheless...people are waking up and finding some truth, but I pray that they will come to repentance and find salvation in our Lord Jesus Christ. What good is a fraction of truth without salvation? Veronica and I quickly left before their "closing" blessing. Although I'm sure it is something similar to their great invocation....

Veronica and I were a bit late getting to the presentation so we missed the opening "blessing". Praise the Lord Jesus Christ! He didn't want us there for that!

Thank you again for your prayers! Veronica and I definitely strengthened our faith by exercising it! If you feel led; please keep us in your prayers a bit more...we've been coming under some attacks from the enemy regarding our health since then.

God Bless You, Scott!

In Christ Jesus,

Sandra

## Rocketown controversy: hardcore satanic metal at 'Christian' teen venue Rocketown Halloween week

Channel 2 WKRN reported on a story concerning Nashville's Christian teen hangout, [Rocketown](#), which is presenting a show of hardcore satanic metal music the week of Halloween (see video below). Keith Mohr, the founder and president of gospel music's [Indieheaven.com](#), was briefly interviewed regarding his recent experience with the teen ministry. I contacted Keith Mohr, and he graciously agreed to share some of the details about the Rocketown controversy with Examiner readers.

"My wife and myself **are concerned parents**," Keith explained, saying they have a 16-year-old son who wanted to attend a pre-Halloween-themed concert at Rocketown coming up on [October 27](#) after a friend shared songs by **The Black Dahlia Murder** with him. "My son liked the way their music sounded," Mohr said, stating he and his wife listened to the songs, and although the lyrics were hard to understand, they found the music to be "very dark sounding."

Mohr and his wife did some research on **The Black Dahlia Murder, Toxic Holocaust, Skeletonwitch and Trap Them** and found the bands to be "hardcore satanic bands" and **overtly anti-Christian**. Mohr points out, "Their lyrics are anti-christian and very graphic." One example is the The Black Dahlia Murder song "Black Valor" which proclaims:

*Join us! Black valor's on our side / Striking with **satanic force we'll crush their fabled Christ*** [www.lyricsmania.com](http://www.lyricsmania.com)

Mohr also visited [The Black Dahlia Murder's MySpace](#) where he watched a promotional video about the band. "**They were doing drugs and drinking on their tour bus**. I am sure other impressionable youth have seen this video and been impacted by their activities."

### Rocketown Sending Mixed Signals?

After Mohr found out more about the bands and what they are saying in their songs, he posted about the upcoming Rocketown show on his Facebook page. "I raised the question - was it wise for Rocketown to have a concert with satanic bands performing, and how does that mesh with their mission?" And Mohr points out that while the satanic line-up is showcasing at Rocketown the week of Halloween, "Rocketown has had bands like these in for at least the last few years quite often."

Mohr admits that while response on his Facebook network was strongly against Rocketown's night of satanic music, there has been a mixed reaction to the Rocketown controversy elsewhere. "Some see no issue. Others like me, take offense that an establishment that calls itself Christian and tells parents it is a safe haven for their kids, are bringing in hardcore satanic bands with the hopes that some may think Rocketown is a cool place and come back for something a bit more wholesome and enriching."

### Michael W. Smith Introduces Rocketown in 1994

[Rocketown](#) was launched by Michael W. Smith in the Cool Springs Mall area in Williamson County in 1994. "It is well known that there is a great need for weekend/night time entertainment for teens and young people in this area, not to mention entertainment that is Christian quality controlled," [Michael W. Smith](#) stated when he introduced Rocketown. "'Rocketown' is a place where teens can go to socialize, play games, dance or listen to music without being bombarded by drugs, alcohol and sexual temptations."
