Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

I John 4:18: "There is **no fear** in love; but **perfect love** casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

Heb 13:6: "So that we may boldly say, The Lord *is* my helper, and I **will not fear** what man shall do unto me."

II Timothy 1:7: "For God **hath not** given us the spirit of fear; but of power, and of love, and of a sound mind."

Obama as a Hindu God On the Cover of Newsweek

Comrade Obama shows his true feelings bout himself, "**god of all things" & just coming back from India he copies the pose of "Nataraja" mimicking the cosmic dance of the Hindu deity Shiva the goddess of destruction;** foreshadowing the death of America. **Nataraja** *The Lord (or King) of Dance*; is a depiction of the [Hindu](#) god [Shiva](#) as the cosmic dancer who performs his divine **dance to destroy a weary universe and make preparations for god Brahma to start the process of creation.** **Brahma** is the [Hindu](#) god of creation and one of the [Trimurti](#) (the Hindu Trinity), the others being [Vishnu](#) and [Shiva](#). According to the [Brahma Purana](#), he is the father of [Mānu](#), **and from Mānu all human beings are descended.** In Hindu writings he is often referred to as the **progenitor or great grandsire of all human beings.** **The inconsistency here is that Shiva is typically depicted with two arms whereas Obama is shown with six which would be a much closer match to the Goddess of Death and Shiva's wife Kali.** As the legend goes, in a battle, Kali was so much involved in the killing spree that she got carried away and began destroying everything in sight. To stop her, [Shiva](#) threw himself under her feet. Shocked at this sight, Kali stuck out her tongue in astonishment, and put an end to her homicidal rampage. Hence the common image of Kali shows her in her mêlée mood, standing with one foot on Shiva's chest, with her enormous tongue stuck out.

To view this whole tract go to: http://www.chick.com/reading/tracts/0070/0070_01.asp

Kali is represented with perhaps the fiercest features amongst all the world's deities. She manifests with **four/six or eight arms**, with a sword in one hand and the head of a human in another. The other two hands bless her worshippers, and say, "fear not"! She has two dead heads for her earrings, a string of skulls as necklace, and a girdle made of human arms & hands as her clothing. Her tongue protrudes from her mouth, her eyes are red, and her face and breasts are sullied with blood. She stands with one foot on the thigh, and another on the chest of her husband, Shiva.

Indian deities Genasha, Mahakala have also been depicted with up to and more than six arms, so take your pick really -- yes, India is where Obama was recently, doing conglomerate business.

The things Obama-Shiva holds...on his right, your money, the military, and the world...on the left, your house, your peace and your health. I think there's a definite hint of **NEW DAWN glowing behind** Obama on Newsweek's coming cover. And don't forget that Obama is the only acting US president who's been the CHAIR of the UN Security Council.

This can't be good: this week's edition of [Newsweek](#) magazine features an illustration of U.S. President Barack Obama on the cover as "Shiva the Destroyer" doing the "*dance of death*." By the way, Shiva is considered to be a major Hindu deity, or a God. In Hinduism **Shiva is the destroyer of the world**, following Brahma the creator and Vishnu the preserver, after which Brahma again creates the world and so on.

Mr. Obama has gone to great lengths to convince Americans that he is a Christian and not a Muslim as polls have shown. So this cover won't help the situation much. I had my doubts that this was a real cover, so I called my contact over at *Newsweek* to confirm. This issue hits newsstands on November 22nd.

The statue of lord Shiva at [CERN](#) near the building A40. Given by Department of **Atomic Energy, India.** [1]

The statue is a gift from India, celebrating CERN's long association with India which started in the 1960's and continues strongly today. Unveiled at [June 18, 2004](#) CERN (which has a huge statue of Shiva the Destroyer in front of its headquarters) has tried to place itself into the position of Shiva who was quoted by Dr. Oppenheimer (the inventor of the atomic bomb) at the **Day Of The Dead** desert near the Trinity site (at the White Sands Missile Range) when witnessing first atomic explosion of the Manhattan Project. He said **"I am become Shiva, the destroyer of worlds"**.

[Obama's Claiming More Power Over Americans Than King George III, Says Virginia Attorney General](#)

Virginia Atty. Gen. Ken Cuccinelli, who has filed a federal lawsuit seeking to overturn the health-care law signed by President Barack Obama last March, says Obama and the Congress that enacted that law--which mandates that individuals must buy government-approved health insurance plans--are seeking a power over the lives of Americans that even King George III did not claim to possess. "We now have a Congress and a president who believe they can order you to buy a product when King George III and the Parliament of Great Britain, whom we rebelled against, acknowledged that they could not," Cuccinelli said in a video interview with CNSNews.com.

[Obama Defends Insane QE2 Takedown of Global Economy](#)

Kurt Nimmo--[Infowars.com](#)--November 8, 2010

In response to China and Russia complaining about the insanity that is QE2, Obama has defended the Federal Reserve. **“U.S. President Barack Obama defended the Federal Reserve’s policy of printing dollars out of thin air** on Monday after China and Russia stepped up criticism ahead of this week’s Group of 20 meeting,” reports [Reuters](#) today. “I will say that the Fed’s mandate, my mandate, **is to grow our economy**. And that’s not just good for the United States, that’s good for the world as a whole,” **Obama said during his extravagant trip 200 million dollar a day trip to India**.

Should we be surprised that Obama’s mandate is the same mandate of the international banksters that own the Federal Reserve and have pawned it off for nearly a century as an agency of the U.S. government? No, of course not. Barry Sotero-Obama is a script-reader for the global elite. He will read anything that scrolls across his teleprompter. As [Michael Snyder](#) of the Economic Collapse noted last week, many economists now believe that the Federal Reserve has crossed the Rubicon by announcing another wave of quantitative easing.

“Have we now reached a point where the Federal Reserve is simply going to fire up the printing presses and shower massive wads of cash into the financial system whenever the U.S. economy is not growing fast enough? If so, what does the mean for inflation, the stability of the world financial system and the future of the U.S. dollar?” writes Snyder.

It means the end of the dollar as the world’s reserve currency. It means another round of completely insane and suicidal debt ultimately owed to banksters.

According to the financial talking heads in the corporate media, printing money out of thin air and creating astronomical debt piled upon previously astronomical debt will stimulate the economy and get things working again. “The sad truth is that the Federal Reserve is not trying to build an economic recovery on solid financial principles. Rather, what the Federal Reserve envisions is an “economic recovery” based on new debt creation,” writes Snyder

“If 1.8 trillion dollars didn’t work before, why does the Federal Reserve think that 900 billion dollars is going to work now? This new round of quantitative easing will create more inflation and will cause speculative asset bubbles, but it is not going to fix what is wrong with the economy.” **In fact, it will make things worse, far worse, for the average citizen.**

“Most Americans have absolutely no idea how fragile the world financial system is right now. Once the rest of the world loses faith in the U.S. dollar and in U.S. Treasuries this entire thing could completely unravel very quickly.”

In short, the situation is the exact opposite of what Obama says it is. After the Fed prints around \$600 billion and uses it to purchase government bonds, the skids will be greased for a fall of the global economy. China and Russia know this. And this is why they are complaining at the G20 about the insane QE2 death spiral about to take place.

Ron Paul believes QE2 represents the beginning of the end of the Federal Reserve system. “I think the Fed will self-destruct,” Paul told CNBC (see video above). “People will desert the dollar. I think the Chinese are hinting that already. They are not wanting our dollars as much as raw materials. This is a deeply flawed monetary system. Here we have a small group of people who can create \$600 billion with the stroke of a pen... I don't know where people are coming from to think that this can work. What really astounds me is how tolerant the people are, the people in Congress and the financial market, where did this authority come from? Now somebody outside of the government can spend trillions of dollars and not think anything about it. It doesn't work, it's a failure. And next year it will be more. Bernanke is very clear on what he is going to do — he is going to create money until he gets economic growth and there is no evidence to show that just creating money causes economic growth.”

Failure or engineered financial implosion?

TSA Tactics Find Ominous Parallel in Nazi Germany

Kurt Nimmo--Infowars.com--November 21, 2010--The TSA is part of a larger effort to implement a slow motion surveillance and high-tech police state control grid in America. It is an element of the “[alternative geography](#)” of the military-corporate-intelligence establishment, **an aspect specifically designed to acclimate Americans to the prospect of an ever encroaching police state.** The tight integration of the corporate-government aspect of this alternative geography is demonstrated by the relationship the government has with the Chertoff Group, a public relations firm pushing naked body scanners founded by Michael Chertoff, the former boss of the Department of Homeland Security.

The new procedures defended over the weekend by [Barry Sotero Obama](#) from a NATO summit in Portugal are not about finding the next underwear bomber and protecting the American people from al-Qaeda. The latest procedures are designed to get the American people accustomed to the idea that the police, the alternative geography of the military-corporate-intelligence network, **and the government will micro-manage and control the public and eventually all aspects of our private lives.** Events reveal that the government is not interested in preventing an al-Qaeda attack, **but keeping tabs on and when possible subverting opposition to its power.**

It took Hitler and the Nazis nearly a decade to impose a [murderous police state](#) on the German people. In the wake of the staged [burning of the Reichstag](#) in February of 1933, the Nazis suspended the civil liberties of the German people and began a concerted effort to eliminate all opposition to their fascist regime. The Nazis would later stage a false flag incident known as the [Gleiwitz incident](#) in order to provide an excuse to invade Poland and start the Second World War.

Left unchallenged, government invariably evolves into a tyrannical force at odds with the interest of the people. Minus effective opposition, the people of Germany had little choice but to support Hitler and his ill-fated war. It has taken the federal government and its Department of Homeland Security – an agency on the drawing board well before September 11, 2001 – to implement police state tactics in regard to travel that far surpass anything devised by the Nazis.

Wickedness or Righteousness: Darkness or Light

The time to choose has come

The wait – is over

“It also gives us a very special, secret pleasure to see how unaware the people around us are of what is really happening to them.” ~ Adolph Hitler

For the past week I have been deeply concerned about this situation and have monitored it most closely, prayed over it intensely.

I have watched this controversy morph into something incredibly evil with sinister intent, and the ramifications of this becoming unstoppable are terrifyingly mind numbing. What I have seen and heard from those who are experiencing horrific encounters speaks volumes, not only to the nation at large and the world, but to Christians specifically who allow themselves through their ignorance of what is really happening to be herded through this evil trap and say – NOTHING.

I must ask because I need to know, Christian women need to know -- Where are the men of Christ, as their wives and children are humiliated before their eyes, having their modesty stripped from them and their nakedness laid bare by leering strangers? Not to mention physically groped by intrusive hands that should never be allowed to touch such intimate parts of their bodies? Anywhere else -- but in an airport in this country -- it would be assault, rape and child molestation, all felony crimes. Where is the Christian outrage?

Comment: Where are the churches? Oh sorry I forgot 99.9% of them are not really churches at all, they are [for profit](#) 501c3 corporate entities given their permission to exist not by God but their master the government & IRS who created their corporate status with the pastor being the CEO and the Board of Directors the Deacons of these corporate entities. So I guess for the most part it's really no wonder they sit silent as heaven forbid they might get their 501c3 status revoked if they spoke out against the very government who created them and their parishioners would not be able to right off their tithes on their income tax and

these same church would also lose government subsidies. This would be “bad business” and they might become “labeled”. Sounds pretty Biblical to me.

What of that that young woman or man who has fought for a lifetime to regain his or her sense of self and dignity, because they were a victim of rape or molestation? What about that child whose own experience may still be raw and fresh in their young mind? Where is the empathy for them? As they are made to stand before “authority” powerless and helpless as their body is assaulted -- again? But this time around it is different isn't it This time they are not recipients to the luxury of privacy and secrecy which evil afforded the before, in some darkened corner of evil. No - Now as a fresh assault takes place, there is nowhere to hide their imposed shame, nowhere to run. **Instead this new humiliation is broadcast in full view of an airport full of onlookers who gawk at their helplessness, snigger at their quaking fear and roll their eyes at their tears, as they pass on by, because -- they do not care.**

Did you know that once you “opt-out” you MUST submit to their intrusive body search or you CANNOT leave the area? To do so, **you will be penalized up to \$10,000 or more in a civil fine imposed by YOUR government? Do you understand what I just said? You cannot go back home – you cannot leave the airport – UNTIL YOU SUBMIT or you will be FINED.**

Did you know that as of **the first of the year 2011 the “opt-out” provision will be rescinded and EVERYONE including PREGNANT WOMEN AND INFANTS will be “irradiated” in the body scanners – NO exceptions?** Pregnant women have foregone dental work on the advice of their dentitions for decades due to the risk of harming their unborn child by the x-rays, and they have had the added benefit of a “lead” covering.

Did you know that these ‘backscatter’ x-ray machines “UNZIP YOUR DNA?” That they kill at the ‘cellular’ level? The Homeland Security Secretary Janet Napolitano states these machines are safe as proven by a “university study.” When in fact that very University study says they are very **dangerous** especially to **young children and PREGNANT WOMEN and they believe the government is using 20 times higher radiation dosages the they are telling us about. Hey they gotta sterilize us somehow right?**

This brothers and sisters is not about terrorism from an outside source. This is about terrorizing peoples of a nation -- by its rulers. These radiation scanners are nothing but 21st century Holocaust ovens used to destroy our bodies not only through our cellular structure but down to the very essence of human DNA. Why is it that “these scanners” are so important that this government now has a fleet of mobile units ready to roll? Why is it that “everyone” must in some way shape or form be ‘processed’ through these hideous devices? What is it that they are not telling us? What is it they DO NOT want you to know? I could go on ad nauseum with the questions that we should be asking – but are not.

Without question, as a child of God what should your stand be? Just how do you take a stand? What is the ‘black and white’ of it as the Lord sees it? Is this truly nothing more than a ‘travel issue?’ What would He say if you asked Him? He says unequivocally...
“...This is wickedness.”

Here are just a fraction of national headlines news, Op-ed pieces (involving personal testimonies) and videos (within the last 7 days), of American citizens of the 'secular world,' crying out concerning this issue and the injustices being perpetrated against them. Again I ask – “Where is the Christian voice?”

This is not a small thing that will blow over and be forgotten. This is here and it is in your face. It will either be torn down or we will have to deal with it. Meaning, that we, as children of God should not submit to it. **We have airline pilots who are so distraught having been subjected to this tortuous humiliation, that they are incapacitated to the point they cannot fly their planes safely. Do you want to be a passenger on that plane? Pilots vomiting in their driveways, due to the stress of having to face once again this torturous routine of assault and humiliation, just to get to their job -- can no longer cope.**

This is NOT about National security. This is NOT about passenger and airport safety. This is NOT about outside terrorism. This is about the American people and incoming foreign nationals who are *being terrorized* by the supporting government body of this nation. Who by its own volition, have enacted this “illegal” irreprehensible assault against its citizens and the world, and who have hired out of control megalomaniacs to virtually strip you of your clothes, national pride, amendment rights and religion through humiliation and degradation.

By the beginning of 2011 “all” US airports will have installed and will have implemented the use of these scanners across the board, and there will no longer be any “opt-out” provisions. TSA agents have been heard commenting by travelers about more 'new' procedures around the bend. One traveler commented on a TSA's remark as he/she was being body searched –

“If you think this is bad (intrusive body search) [chuckle], you ain't seen nothin' yet. You just wait - Yep you just wait and see what's commin, you'll by cryin' to get in line for that machine.”

Are these agents salivating at the very thought of this tyranny? Frankly that last comment should leave no doubt..

Why has this happened? What is it all about, really? The ones who are in control do not want you to travel. They want you controlled. They want you to be 'centrally located' and locked in. **That way, they KNOW where you are because you have no way to transport yourself long distances, and that will make us all a virtual prisoner of our own hometown or city.** The next implementation on the books is 'checkpoint road blocks' with 'mobile scanners' which have already been set-up and ready to roll. It's that simple. In other words, soon very soon, you will be going – NOWHERE! Trapped like rats in a cage. Think about that.

As you will soon see this is a national freedoms based issue, but this is not why this article needed to be written. It goes much deeper than that, and is much more sinister in its true intent. By taking a stand against this evil we as a people may be able to change this around and have this tyranny abolished, but yet we may not. According to the Homeland Security Secretary on Friday Nov 12, 2010 when met by the Unions of both the airline Pilots and airline Attendants in protest of these invasive procedures, Janet Napolitano, to sum it up in a paraphrased nutshell stated...

You don't like it?...too bad, we frankly do not care what you think or how you feel. We will NOT change what has been implemented. As a matter of fact we are going to go even further than what you see now. 6

The meaning behind her words are devastating in their import and underlying threat. They will not back down. The worry and concern that had been heavy on my soul for days was just realized. We are out of time. It is no longer one minute to Midnight dear brethren, the hour has struck.

Why have I gone on about this issue of 'naked body scanners and intrusive groping'? It is because this issue needed to be driven home with all of its terrifying implications. Because this is a test, and I truly believe it is the first of many yet to come, and we "all" must pass, as members of the Body of Christ, or the consequences of not doing so as individuals will be devastating and eternal.

Many believe that the rapture (the catching away) of the Church will come, and all will be swept away to safety. I believe that too, **in its appointed time.** But what many have not noticed or tried to avoid, is **the judgment that is coming upon the Church by the very hand of God Himself "before" that appointed moment in time, and that is – the "visitation" as spoken of by Peter:**

12 Having your conversation honest among the Gentiles: that, whereas they speak against you as evildoers, they may by your good works, which they shall behold, **glorify God in the day of visitation.** 1 Peter 2:12

This word is used only twice in the entire New Testament, once here and the other as the Lord Jesus rode into Jerusalem upon the colt of an ass. Just as He "visited" His people then the Father in Heaven will "visit" us now. Why is that you should ask? -- Just as Jesus entered His Father's Temple in Jerusalem and cleansed the iniquity from it by chasing out the merchants and money changers, so too the Father in Heaven will cleanse her from her iniquity. Dear people, take an honest look around you at the Church. Is she clean in her garments and spotless in her ways? No – her garments are filthy and she consorts with and allows the profane. The truth hurts. That is why the Father, as did the Son will cleanse "This Temple," for are our bodies are the "temple of the Lord?"

16 Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in

you?

17 If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are. 1 Cor 3:16-17

16 And what agreement hath the temple of God with idols? for **ye are the temple of the living God;** as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people. 2 Cor 6:16

The statement in the above verse should stop us all short “...**him shall God destroy...**”. Because, by allowing ourselves and our family members to be subjected to naked body scanners, and physical assault, we are bringing low and debasing the very God we say we uphold and worship, and there is the true reasoning and motivation to the unspoken underlying evil behind this whole issue. By allowing this to take place concerning your own person, you are setting aside the statutes and precepts of God and everything He stands for. **And “they” know it.**

Would God really “destroy” a person who calls themselves by His name? If you mean by loss of life or that of ones’ inheritance then yes, I believe scripture has a further answer.

15 For this we say unto you by the word of the Lord, that **we which are alive and remain** unto the coming of the Lord shall not prevent them which are asleep.

16 For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

1 Thess 4:15-17

This is not the ‘second coming’ spoken of here, but that of the Bridegroom coming for His Bride at the catching away. Notice the words... “**we which are alive and remain...**” which are not spoken just once but twice, for emphasis and impact. If that does not send a chill up your spine and make you reflect on how you look upon the things of God...then nothing will. What does this word “remain” truly mean? See for yourself...

1NT:4035

NT:4035 περιλείπομαι **perileipo** (per-ee-li'-po); from NT:4012 and NT:3007; to leave all around, i.e. (passively) **survive**:

KJV - remain.

If you are a Christian, and allow yourself to be scanned or groped you are laying your Lord’s body bear for the world to see. **You have “uncovered His nakedness” for all to mock and jeer at.** Has He not suffered enough at our expense? Must we through our own ignorance humiliate Him further? For that is what those in power and control of your life want to see happening because – they hate mankind. Let us never forget just who the two combatants are in this cosmic battle.

What does the Lord say firsthand about this? **How does He feel if you adopt an unconcerned attitude of ‘it’s not so bad just go with the flow...it’s for our own safety anyway.’** Is getting to Grandmother’s house for turkey dinner or that skiing trip more important than He? “This is really not a big deal, the Lord understands – Right?”

17 Thou shalt not uncover the nakedness of a woman and her daughter, neither shalt thou take her son's daughter, or her daughter's daughter, to uncover her nakedness; for they are her near kinswomen: **it is wickedness.** Lev 18:17

8

As a matter of fact nearly the entire book of Leviticus condemns this behavior and the people who perpetrate it. **What does this “wickedness” mean?** The answer might just surprise you...

2OT:2154

OT:2154 **זָמַח** **zimmah** (zim-maw'); or **zammah** (zam-maw'); from OT:2161; **a plan, especially a bad one:**

KJV - **heinous crime**, lewd (-ly, -ness), mischief, **purpose**, thought, wicked (device, mind, -ness).

3OT:2161

OT:2161 **זָמַח** **zamam** (zaw-mam'); a primitive root; to plan, usually in a bad sense: - consider, **devise**, imagine, **plot**, purpose, think (evil).

4OT:2162

OT:2162 **זָמַח** **zamam** (zaw-mawm'); from OT:2161; **a plot:**

KJV - **wicked device.**

A “plot, a plan, to devise, heinous crime....**A WICKED DEVICE**”

Is that not what this naked body scanner is, a wicked device? Is this not a plot against a peaceful people? This dear children of God like it or not is no different than the great golden statue that was set up by King Nebuchadnezzar during the times of antiquity **to force the Hebrew children Shadrach, Meshach, and Abed-nego to submit as they were commanded by the voice of great ruling authority...and they refused to dishonor not only themselves but the God they loved and worshipped.**

25 And the land is defiled: therefore **I do visit the iniquity thereof upon it**, and the land itself **vomiteth out her inhabitants.**

26 Ye shall therefore **keep my statutes and my judgments**, and **shall not commit any of these abominations**; neither **any of your own nation**, nor any stranger that sojourneth among you: Lev 18:25-26

Wickedness...abominations....there is God’s answer to His children. The firm foundation of religion and faith we need and must stand upon to fight back. To submit is to forsake the Bible verses just mentioned – think about it.

22 But it is happened unto them according to the true proverb, **The dog is turned to his own vomit again; and the sow that was washed to her wallowing in the mire.** 2 Peter 2:20-22

16 So then because thou art lukewarm, and neither cold nor hot, **I will spue thee out of my mouth.**

17 Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: Rev 3:16-17

What else is there we can lean upon through God’s Holy Word? In the **New Testament** this same Hebrew word for **“Wickedness” is rendered “pone” which is where we derive our own word for “pornography.”**

5NT:4189

NT:4189 **πονηρία** **poneria** (pon-ay-ree'-ah); from NT:4190;

depravity, i.e. (specifically) malice; plural (concretely) **plots**, sins:

KJV - iniquity, **wickedness.**

6NT:4190

NT:4190 πονηρός **poneros** (pon-ay-ros'); from a derivative of NT:4192; hurtful, i.e. **evil, which indicates degeneracy from original virtue**);, i.e., **diseased; but especially (morally) culpable, i.e., derelict, the devil**, or (plural) sinners: *KJV* - bad, **evil, lewd, malicious.**

So the Lord of Heaven now asks His children...

19 What? know **ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?**

20 For **ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's.** 1 Cor 6:19-20

People, we struggle not against flesh and blood but against the evil powers of Satan that occupy this world and in turn use mankind to do their dirty work for them. We cannot stand by and let the name of the One we say we worship and love be torn down and trampled in the mire. Each one of us only needs to be responsible for our own person or for that of our young children.

Men of Christ, stand up and be counted for God has ordained you with the righteousness of headship over your family and you are their only defense other than Christ Himself against the wiles and machinations of the Devil. Women of Christ, if there is no man in your life then the Lord God is your covering and it is in Him you must place your trust. He will not forsake you.

23 For the husband is the head of the wife, even as Christ is the head of the church: and he is the saviour of the body.

24 Therefore as the church is subject unto Christ, so let the wives be to their own husbands in everything.

25 Husbands, love your wives, even as Christ also loved the church, and gave himself for it;

26 That he might sanctify and cleanse it with the washing of water by the word,

27 That he might present it to himself a glorious church, **not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish.**

28 **So ought men to love their wives as their own bodies.** He that loveth his wife loveth himself.

29 For no man ever yet hated his own flesh; but nourisheth and cherisheth it, even as the Lord the church:

30 For **we are members of his body, of his flesh, and of his bones.** Eph 5:23-30

We as a people have done no wrong to warrant these scans. We are not terrorists. We have caused no hurt nor do we threaten anyone. All we wish to do is board an airplane and be on our way. Because of this God counts you and your stance in righteousness, and will not abandon you. **He will stand beside you in your faith by protesting against this evil, in simply standing firm and saying "NO". "NO!" -- to the exposing of your nakedness which is His nakedness, and "NO!" -- to the molestation of**

your body, for it is His Body, and that of your children's. For this will be to His glory.

What is happening here is against your faith, religion and your humanity for you are created in the image of a Holy God, whom has empowered you by Himself to say –NO! We are to be a “lamp unto the world”, it is time, and the moment has come.

These TSA agents and the ‘ones’ they work for seem to take pleasure in your humiliation by the power they wield and have been known to use trickery. Stand strong and fast for your Rock is a mighty One.

28 And even as they did not like to retain God in their knowledge, **God gave them over to a reprobate mind, to do those things which are not convenient;**

29 **Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity;** whisperers,

30 Backbiters, haters of God, spiteful, proud, boasters, **inventors of evil things,** disobedient to parents,

31 Without understanding, covenant breakers, without natural affection, implacable, unmerciful:

32 **Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.** Rom 1:28-32

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

13 Wherefore take unto you the whole armour of God, **that ye may be able to withstand in the evil day, and having done all, to stand.** Eph 6:12-13

You see, the Lord is a just and mighty God and He cannot start to judge the world for its iniquities until He first judges His own house, and that dear ones is you and I. Judgment starts in the house of the Lord...FIRST.

17 **For the time is come that judgment must begin at the house of God:** and if it first begin at us, what shall the end be of them that obey not the gospel of God?

18 And **if the righteous scarcely be saved,** where shall the ungodly and the sinner appear? 1 Peter 4:17-18

10 For a day in thy courts is better than a thousand. **I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness.**

12

11 For the **LORD God is a sun and shield:** the **LORD will give grace and glory:** no good thing will he withhold from them that walk uprightly.

12 **O LORD of hosts, blessed is the man that trusteth in thee.** Ps 84:10-12

I truly believe our time of ‘testing’ is at hand and the issue before you here is the **beginning of that test. And as Christians, if we cannot handle this ‘first test’, and so turn our backs on the Lord, regardless of what He has set forth in His Word, how will we ever be able to withstand and overcome the uglier things that are coming after?**

We are standing on the precipice of a waking nightmare that is challenging us with its blatant charge. How we get through what is coming, will determine how we will spend our eternity and our inheritance as individuals and children of God. A husband cannot save his wife from this ‘cleansing of God’ nor a mother a grown child. We will now stand before a just God who in this time of testing will judge every man of and by himself and

by his own merit. Each member in the Body must be tested, tried and found to be victorious.

☐ [Dan 12:9](#) And he said, Go thy way, Daniel: for the words [are] closed up and sealed **till the time of the end.**

☐ [Dan 12:10](#) **Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.**

Rev 2:10	Fear none of those things which thou shalt suffer: behold, the devil shall cast [some] of you into prison, that ye may be tried ; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life.
--------------------------	--

The wheat will be separated from the chaff, the sheep from the goats. The Lord's "visitation" is at hand and He is preparing to clean His house. Are you ready? For something truly "wicked" this way comes...

May the "Bright Morning Star," the Lord Jesus Christ ~ Arise in your hearts.

If the American people show compliance with these outrageous searches, the Illuminati is going to conclude that we are ready to be thrust into the planned Absolute Dictatorship.

NEWS BRIEF: "[Ron Paul: Cut out this Soviet-style nonsense](#)", By Joe Kovacs, World Net Daily, November 17, 2010

"With a week to go until the Thanksgiving travel peak and Americans' anger continuing to rise over heightened airport-security measures, a U.S. congressman launched legislation today to end what he calls Soviet-style searches by the American government. Rep. Ron Paul, R-Texas, **introduced the Air Traveler Dignity Act to protect Americans from physical and emotional abuse by federal Transportation Security Administration employees conducting screenings at the nation's airports.**"

" 'Something has to be done', Paul said. 'Everybody's fed up. The people are fed up. The pilots are fed up. I'm fed up'."

We appreciate the action Rep. Paul is taking to legally stop the TSA in their intolerable searches of American citizens least likely to ever be a terrorist. I mean, TSA agents are invasively searching elderly grandparents, even in wheelchairs, and 3-year-old girls!

Why did the Obama Administration order these types of personal body search, even though America has not suffered any significant terrorist attack since 9/11 and since no government authority has even claimed that terrorists have been concealing weapons in their groin?

1) **To see if the American people are capable of outrage any more over even the most barbarous practice imaginable. If we do not see overwhelming outrage over this issue, we are likely to see an Absolute Dictatorship thrust upon us sooner rather than later.**

2) **To intimidate as many individual citizens as is possible. Every dictatorship in the history of mankind has depended upon the intimidation of ordinary citizens to make the oppressive system work. If you are feeling intimidated as you approach the airport security checkpoint, you are feeling exactly as the Illuminati wants you to feel.**

3) **Establish a powerful choke hold on our Transportation System. Historically, dictatorships have felt the overpowering need to maintain a stranglehold on the Transportation System. Restricting the movement of dissidents is one proven method to keep them from amassing enough power to overthrow the government.**

Since the air transportation system is one of the most important in our society today it makes sense that it would be the first selected; however, other types of transportation

systems will be saddled with similar privacy scans and searches once TSA establishes the precedent that they have the right to do so. **Trains and bus transportation systems will soon be forcing people into the same security procedures.**

Comment: And as was stated previously to also defile us and capture nude pictures of us and our families and to humiliate us. Also the sterilization caused by the radiation and also the cancer this will inevitably cause.

At this point, America will be closer to a Communist-style dictatorship than anyone has ever thought possible. With this idea in mind, let us return to the remarks of Rep. Ron Paul.

"We have seen the videos of terrified children being grabbed and probed by airport screeners. We have read the stories of Americans being subjected to humiliating body imaging machines and/or forced to have the most intimate parts of their bodies poked and fondled", he added. 'This TSA version of our rights looks more like the 'rights' granted in the old Soviet Constitutions, where freedoms were granted to Soviet citizens – right up to the moment the state decided to remove those freedoms'."

Ron Paul is correct. an Absolute Dictatorship along the lines of the Soviet system was planned 200 years ago in the "Protocols of the Learned Elders of Zion". Listen to the Plan:

What kind of dictatorship does the Protocols envision?

"These laws will withdraw one by one all the indulgences and liberties which have been permitted ... and our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any ... who oppose us by deed or word." [PROTOCOL 5 -- DESPOTISM AND MODERN PROGRESS, The Protocols of the Learned Elders of Zion]

Did you catch the kind of dictatorship [despotism] that the Illuminati has planned for every nation once they are brought under the rule of Antichrist?

Once they have full control, they plan on "wiping us out".

If you are not a Born Again Christian, you have every right to be scared to death. Indeed, this is the beginning of the planned scenario unfolding in front of us. Once the terror begins, "Men's hearts failing them for fear, and for looking after those things which are coming on the earth..." (Luke 21:26)

Literally, this Scripture is the Illuminati Plan. The Illuminati has scripted the coming terrors so that, when they begin, they will come in such successive waves that, scarcely can a person digest what has just happened, than the next terror event happens -- and so on and on and on. Successive terror events are designed to "blow people's minds". These horror stories are just the tip of the iceberg, unless we take a stand now. The Illuminati has always feared an aroused public. Poll: 96 percent of travelers changing plans due to new airport scanning, pat-down procedures

Friday, November 19, 2010 by: Ethan A. Huff, staff writer
(NaturalNews) U.S. airports just got a whole lot more invasive with recent announcements by the Transportation Security Administration (TSA) that new "enhanced" pat-down procedures will become the norm for travelers who opt out of complying with full-body naked imaging scans. But a recent Reuters poll shows that, as of this writing, an astounding 96 percent of travelers plan to make alternate travel plans to avoid this gross invasion of privacy.

Over 73,000 people have responded to the survey thus far, and although it is a simple internet poll, it speaks volumes about how people feel about the new procedures. And over the past several months, these procedures have gotten progressively worse, as the pat-downs have morphed into a form of full-blown sexual assault.

New Whole Body Scanner Offers Integrated Biometric Capabilities To Airport Screening For Iris, Facial And Fingerprints Data Storage

Iscon is introducing an enhanced version of the 1000D whole body scanner equipped with optional biometric technologies and identity verification techniques that will vastly improve security at corrections facilities, law enforcement as well as international airports. The Iscon 1000D is the only whole body imaging portal that can be integrated with state of the art technologies to detect virtually any object, **without radiation or privacy issues** and confirm that the person is indeed who they claim to be. This is critical in prisons as inmates try to pose as others to escape as well as airport security to speed processing, identify terrorists and discover contraband.

Iscon1000D uses thermo-conductive infrared technology **that completes a 360°scan in 30 seconds, reveals a multitude of objects, but doesn't penetrate clothing, so there's no privacy or radiation issues.**

It can detect the thermal imprint of any object that many scanners miss, including:

- thin plastic
- wood
- powder (pills and drugs)
- paper (money)
- liquids
- ceramics (explosives)

Iscon 1000D is already been sold in the U.S., Europe, China, Japan, Iraq, Russia and the Ukraine.

The enhanced system offers stand alone or combined options for integrated security capabilities through identify verification using the following technologies:

- **Facial Recognition -- Can compare a person's facial attributes to existing databases and cross match with other systems.**
- **Fingerprint Recognition -- Fingerprints are a highly reliable identification method and are a fast and easy way to determine identity. Large law enforcement databases can be accessed to cross match and verify a person's identity quickly and easily.**
- **Iris Recognition -- Scans of a person's iris can be cross-matched to a database for identity verification.**
- **Card/Barcode Reader -- For high traffic areas that need fast scans, the Iscon 1000D is equipped with a card and barcode reader. At manufacturing facilities and other high security operations, that require both scanning and verification, this system is ideal for people who are preapproved and can simply scan their card or barcode and go through safely.**

NY Congresswoman: 100 Percent Chance of Cyber Attack against Power Grid

Written by [Jack Moore](#) [Gov/Web 2.0](#), [Latest News](#), [National Security](#) Nov 12, 2010

Rep Yvette Clarke (D-N.Y.); Photo: [clarke.house.gov](#), [fsu.edu](#), [reversenergy.com](#)

A New York congresswoman says the possibility of cyber attack against the nation's power grid is 100 percent, and that such an attack would likely do untold harm.

Speaking before the [SC World Congress](#) Data Security Conference, [Rep. Yvette Clark \(D-N.Y.\)](#), **who chairs the Emerging Threats, Cybersecurity, Science, and Technology Subcommittee**, said the United States faces chilling odds of an electrical-grid attack.

"Our networks are already being penetrated as we stand here," Clarke said, [according to a report on InfoSecurity.com](#). **"We are already under attack. We must stop asking ourselves 'could this happen to us' and move to a default posture that acknowledges this fact and instead asks 'what can we do to protect ourselves'?"**

The power grid, which Clarke said distinguishes the United States as "an advanced, modern civil society," is vulnerable, not only from possibly adversarial nations, such as Iran and North Korea, but also terrorist organizations.

The northeast blackout of 2003, which kept the lights off for millions in the United States and Canada, would only be the tip of the iceberg if the electrical grid was attacked, Clarke said.

“While our citizens remained relatively calm throughout [that] ordeal,” she said, **“it still caused 11 deaths and roughly \$6 billion in damages. Imagine what those damages would be for a nationwide blackout lasting a few weeks.”**

A power outage of weeks or months would likely destroy the country, irreparably, she said.

Long-lasting solutions will require a **partnership between government** and industry, Clarke said, and the stakes couldn’t be higher.

“We cannot afford to fail,” she said. “The private sector, the administration, the Congress have all made progress, but we lack the sense of urgency that is necessary. We must move on this forcefully.”

Will Internet censorship bill be pushed through lame-duck Congress?

By Daniel Tencer--Sunday, November 14th, 2010--A bill giving the government the power to **shut down Web sites that host materials that infringe copyright is making its way quietly through the lame-duck session of Congress**, raising the ire of free-speech groups and prompting a group of academics to lobby against the effort. The Combating Online Infringement and Counterfeits Act (COICA) was introduced in Congress this fall by Sen. Patrick Leahy (D-VT). It would grant the federal government the power to block access to any Web domain that is found to host copyrighted material without permission.

Critics say the bill is both a giveaway to the movie and recording industries **and a step towards widespread and unaccountable censorship of the Internet.**

Opponents note that the powers given the government under the bill are very broad. Because the bill targets domain names and not specific materials, an entire Web site can be shut down. So for example, if the US determines that there are copyright-infringing materials on YouTube, it could theoretically block access to all of YouTube, whether or not particular material being accessed infringes copyright.

Activist group DemandProgress, which is running a petition against the bill, argues the powers in the bill could be used for political purposes. If the whistleblower Web site WikiLeaks is found to be hosting copyrighted material, for instance, access to WikiLeaks could be blocked for all US Internet users.

Though the bill was delayed in September after an outcry from activist groups, **it now appears to be back and potentially poised for quick passage in the lame-duck session of Congress, reports DemandProgress.**

A group of academics, led by Temple University law professor David Post, have signed a petition opposing COICA.

"The Act, if enacted into law, would fundamentally alter U.S. policy towards Internet speech, and would set a dangerous precedent with potentially serious consequences for free expression and global Internet freedom," Post wrote in the petition letter (PDF).

The bill is "awful on many fronts," he wrote at Volokh Conspiracy. "It would allow a court to effectively shut down a site operated out of Brazil, or France, without any adversary hearing ... or any reasoned determination that the site actually is engaged in unlawful activity."

Free speech advocates argue that Internet censorship laws are inevitably used for purposes other than the ones claimed by lawmakers.

For instance, Australia in recent years set up a "firewall" around its Internet, with the intention of blacklisting child pornography Web sites. But a list of the blocked sites, leaked to Wikileaks, showed that the Australian government was censoring more than porn: The blacklist contained religious and political Web sites.

'Pedophile's Guide' sparks Amazon criticism

Nov 10, 2010

[Enlarge this picture](#)

Amazon.com--Consumers across the nation are calling for a boycott of Amazon.com because of this e-book called the "Pedophile's Guide to Love and Pleasure."

The book sells for less than \$5. And it's a sale attracting all kinds of attention from online customers - but not the good kind.

"I would pull the book," said sexual abuse counselor Dr. Laura Streiffeler.

Wednesday, the writer defended his work.

"You know, every time you see them on television they're either rapists, murderers, or kidnappers. And you know, that's just not an accurate presentation of the - that particular sexuality," said author Phillip R. Greaves II.

But Dr. Streiffeler says she isn't buying it - the book, or the author's argument.

"Not only is it not ethical, it isn't legal and it isn't natural. It isn't anything but horrific," she said.

2,000 aborted babies found in Bangkok temple

Thai police arrange bags containing babies found today at the morgue of a Buddhist temple in Bangkok. More than 2,000 illegally aborted babies were discovered.

By Sakchai Lalit, AP

Thai police have arrested three people after the remains of more than 2,000 aborted babies were found in a Buddhist temple in Bangkok. One of those charged was paid about \$16 for each baby collected from illegal abortion clinics.

[Abortion is illegal in Thailand](#) except in cases when delivery would harm the mother or the pregnancy resulted from rape.

Police found 1,654 babies today in two new mortuary rooms and 348 earlier in the week in another room, the [Bangkok Post](#) reports. The remains were wrapped in white plastic bags, and some had been at the temple for a year.

Buddhist temples in Thailand perform cremation ceremonies and store bodies in refrigerated areas.

A 33-year-old woman told police she performed illegal abortions and collected a bounty to take babies to the temple.

Eat a Bagel, Lose Your Baby

[Jacob Sullum](#) | November 9, 2010

The ACLU of Pennsylvania recently [filed](#) a civil rights lawsuit on behalf of a couple whose **newborn baby was kidnapped by Lawrence County Children and Youth Services (LCCYS) because her mother recklessly consumed an "everything" bagel from Dunkin' Donuts the day before the birth.** Jameson Hospital, where Isabella Rodriguez was born on April 27, has a policy of testing expectant mothers' urine for illegal drugs and reporting positive results to LCCYS, even without any additional evidence that the baby is in danger of neglect or abuse. LCCYS, in turn, has a policy of seizing such babies from their homes based on nothing more than the test result. Unfortunately for Isabella's parents Jameson **sets the cutoff level for its opiate**

test so low that it can be triggered by poppy seeds, which is why two caseworkers and two Neshannock Township police officers visited their home the day after baby and mother returned from the hospital. **LCCYS seized the three-day-old girl and put her in foster care for five days before conceding it had made a mistake.**

In their [complaint](#) (PDF), Mort and Rodriguez say the "seize first, ask questions later" policy jointly implemented by Lawrence County and the Jameson Health System ([motto](#): "there's no place like home") is unjust and represents a conspiracy to deprive parents of their 14th Amendment rights. In addition to seeking "nominal, compensatory, and punitive damages," they are asking the U.S. District Court for the Western District of Pennsylvania to declare the policy unconstitutional.

The recklessness and indifference displayed by both the county and the hospital, neither of which made any attempt to corroborate suspicions that the baby might be in danger, is astonishing. According to the complaint, Mort's obstetrician, Nicole Carlson, "did not inform the Plaintiff of the positive UDS [urine drug screen] because, in her experience, **many of the initial UDS tests come back as 'false positives.'** In addition, Dr. Carlson did not inform the Plaintiff of the test results because Plaintiff's urine tests throughout her pregnancy **were negative for the presence of drugs**; because Dr. Carlson did not believe that the Plaintiff was a drug user; and because she did not want to frighten Plaintiff during her labor/delivery." **The hospital and LCCYS nevertheless mindlessly proceeded to separate Isabella from her parents, based on nothing more than a "zero tolerance for poppy seeds" rule of their own invention.**

COURT: ILLEGALS ENTITLED TO CHEAPER TUITION THAN AMERICAN KIDS

By NWV News writer Jim Kouri--November 18, 2011--NewsWithViews.com

On Monday, the California Supreme Court shocked many legal residents **when it unanimously decided that illegal aliens continue to be eligible for in-state college and university tuition rates rather than having to pay the higher out-of state rates charged to citizens who reside in the U.S. legally.**

In a ruling announced by [Justice Ming Chin](#), who claims to be a strict constructionist of the U.S. Constitution, the court proclaimed that a California law that guarantees the lower tuition for students who attend California high schools for at least three years and graduate, doesn't violate the federal ban on providing illegal aliens with educational benefits based on residency.

In defending the high court's ruling, advocates for illegal aliens in the U.S. pointed out that California is one of several states that permit illegal aliens to take advantage of lower college tuition for students who attend high school and graduate in state. It's believed that close to 30,000 illegal aliens are set to receive in-state tuition, while college-aged citizens from Nevada, Arizona and other states must pay the higher tuition rates.

"This is a clear case of American citizens being punished for being American citizens by a state government, and lawbreakers being given preferential treatment by government bureaucrats and black-robed lawyers," points out political strategist Mike Baker.
