Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a

sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Psalms 107:1 O give thanks unto the LORD, for **he is** good: for his mercy **endureth** for ever.

Psalms 26:7 That I may publish with the voice of thanksgiving, and tell of all thy wondrous works.

2Corinthians 9:11 Being enriched in every thing to all bountifulness, which causeth through us thanksgiving to God.

Colossians 4:2 Continue in prayer, and watch in the same with thanksgiving;

Philippians 4:6 Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.

Jonah 2:9 But I will sacrifice unto thee with the voice of thanksgiving; I will pay **that** that I have vowed. Salvation **is** of the LORD.

<<A Pakistani man carries an injured woman on her arrival at the hospital after two suicide bomb attacks on a 130-year old church after Sunday Church Service in Peshawar, Pakistan

Christianity is in danger of becoming extinct in its ancient homelands because of a rising tide of sectarian attacks, a senior minister warned on Friday.

Violence against Christian worshippers and other religious minorities by fanatics has become a "global crisis" and is the

gravest challenge facing the world this century, Baroness Warsi says.

"A mass exodus is taking place, on a Biblical scale. In some places, there is a real danger that Christianity will become extinct," she said at a speech at Georgetown University in Washington.

In the new year, Lady Warsi, the Minister for Faith who sits in the Cabinet, **will host an international summit to draw up a plan to end the violence against Christians - particularly in the countries where the faith was born.**

Writing for Telegraph.co.uk, Lady Warsi highlights the bombing of All Saints Church in Pakistan, killing 85 congregants, in September and the gun attack on a Coptic wedding party in Egypt as the latest outrages by Islamic militants.

"There are parts of the world today where to be a Christian is to put your life in danger," she writes. "From continent to continent, Christians are facing discrimination, ostracism, torture, even murder, simply for the faith they follow.

John 16:2: "yea, the time cometh, that whosoever killeth you will think that he doeth God service."

II Timothy 3:12: "Yea, and all that will live **godly in Christ Jesus shall suffer persecution.**"

John 15:20: "Remember the word that I said unto you, The servant is not greater than his lord. **If they have persecuted me, they will also persecute you...**"

"Christian populations are plummeting and the religion is being driven out of some of its historic heartlands. **In Iraq, the Christian community has fallen from 1.2m in 1990 to 200,000 today. In Syria, the horrific bloodshed has masked the haemorrhaging of its Christian population,**" she says.

REVEALED! The "Purpose Driven" Plan To Destroy Your Church

Contrary to Purpose Driven Church propoganda, millions have been leaving their churches after the change occurred.

In the past ten years a large percentage of churches in America, and in other countries have changed from a traditional New Testament church model to a contemporary Purpose Driven model, many with sorrowful results.

"If the foundations be destroyed, what can the righteous do?" Psalm 11:3

It is important that every church member know if their church is targeted for a Purpose Driven Church takeover. Initially, a small clique of church staff, possibly including the pastor or a new pastor, plans the change without telling the rest of the church membership

Church Transitions (which is an associate of Saddleback Church in California) trains the clique initiating the change in eight published steps. The church membership is not to be informed of the transition until the fourth step. After the sixth step in the process of change, if there are some in the church who voice concerns, the following is suggested:

1. Identify those who are resisting the changes;
2. Assess the effectiveness of their opposition;
3. Befriend those who are undecided about the changes;
4. Marginalize more persistent resisters;
5. Vilify those who stay and fight; and
6. Establish new rules that will silence all resistance.

This means the church membership is not told until it is too late to make a difference. In other words until the church is hijacked. Then the members either accept the changes, or leave the church, which they may have served and given to build. [Rick Warren](#), author of "The Purpose Driven Church" and "The Purpose Driven Life" has boasted: **"When you reveal the vision to the church, the old pillars are going to leave. But let them leave... they only hold things up."**

Dr. Warren is right in one way. It is the senior members of the church who should indeed hold a church up and keep it from falling into apostasy. While some PDC initiators may not implement the full PDC format, generally, these are the signs that your church is targeted for a Purpose Driven Church format:

- Change in music to a contemporary rock style.
- Removal of hymn books; eliminating the choir.
- Replacement of organ and piano with heavy metal instruments.
- Repetitive singing of praise lyrics.
- Dressing down to casual and informal attire.
- Eliminating of business meetings, church committees, council of elders, board of deacons, etc.
- The pastor, or a new leader with a few assistants, usually four, takes charge of all church business.
- A repetitive 40-day Purpose Driven Church study program stressing psychological relationships with each other, the community, or the world, begins.
- Funded budgeted programs are abandoned, or ignored, with ambiguous financial reports made.
- Sunday morning, evening, and/or Wednesday prayer meetings are changed to other

times; some may even be eliminated.

- Sunday School teachers are moved to different classes, or replaced by new teachers more sympathetic with the changes being implemented.
- The name "Sunday School" is dropped and classes are given new names.
- Traditional Christian symbols may be moved from both the inside and outside of the church buildings. The pulpit may also be removed.
- In accordance with Dr. Warren's instructions, new version Bibles are used; or only verses flashed on a screen are referenced during regular services.
- **Purpose Driven Church films, purchased from Saddleback, precede or are used during regular services.**
- The decor, including the carpets, may be changed to eliminate any resemblance to the former church.
- The word "church" is often taken from the name of the church, and the church may be called a "campus". Denominational names may also be removed.
- An emphasis on more fun and party sessions for the youth.
- Elimination of altar calls or salvation invitations at the close of the services.
- The elimination of such words as "unsaved", "lost", "sin", "Hell", "Heaven" and other Gospel verities from the pastor's messages.
- The reclassification of the saved and lost to the "churched" and the "unchurched".
- The marginalizing, or ostracizing, of all who are not avid promoters of the new Purpose Driven Program.
- Closed meetings between the pastor or chosen staff members without any reports made to the general membership.
- Open hostility to members who do not openly embrace the new program, or who may have left for another church.

II Corinthians 11:13-15: For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

II Peter 2:17-19: "These are wells without water, clouds that are carried with a tempest; to whom the mist of darkness is reserved for ever. For when they speak great swelling words of vanity, they allure through the lusts of the flesh, through much wantonness, those that were clean escaped from them who live in error. While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage."

Jeremiah 5:26-31: "For among my people are found wicked men: they lay wait, as he that setteth snares; they set a trap, they catch men. As a cage is full of birds, so are their houses full of deceit: therefore they are become great, and waxen rich. They are waxen fat, they shine: yea, they overpass the deeds of the wicked: they judge not the cause, the cause of the fatherless, yet they prosper; and the right of the needy do they not judge. Shall I not visit for these things?

saith the LORD: shall not my soul be avenged on such a nation as this? A wonderful and horrible thing is committed in the land; The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so: and what will ye do in the end thereof?"

What you can do to stop it

If your church is in the initial stages of change (music or the first 40-day program), your church could be saved by talking with other church members, and with activist intervention by 10-20 percent of the membership. **If nothing is done at this early stage, then by the time the program advances to step four, there is little that can be done except look for another church. Your church has been stolen and become a Purpose Driven entity** in association with Saddleback Church of Orange County or Willow Creek of Chicago.

You must educate yourself, and others, so that you can mobilize the membership to effectively resist. "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind" 2 Timothy 1:7.

Billions of dollars pour into the Purpose Driven Church movement. **Dr. Warren has stated he intends to send one billion Christians into the world to bring in the "Kingdom of Heaven"**. The entire movement appears cultish. Don't be fooled by the Saddleback Website. You don't catch many fish unless you have a look-alike bait! **The Purpose Driven Church books and most of the programs are published by Rupert Murdoch, who owns 175 newspapers worldwide, and a large percentage of the television and communications industry. He also owns several magazines, some of which have been classified as pornographic.**

Rick Warren & Rupert Murdoch – Saddleback's Most Infamous Member

January 13th, 2008 by Dr. Scott Johnson |
[external link to Worldnetdaily.com](#)

Mega-pastor & apostate hireling Rick Warren is being challenged by other Christian leaders for not disciplining a prominent member of his California Saddleback Church flock for being one of the world's leading pornographers. That would be Rupert Murdoch, chairman of News Corp., which, in addition to building a media empire through nude models and edgy, pushing-the-envelope Fox TV network shows, recently began building a stable of hard-core porn channels for its BSkyB subsidiary. The ties between Warren and Murdoch go beyond the spiritual. Murdoch also owns Zondervan, the company that published Warren's explosive bestseller 'The Purpose Driven Life' & Harper Collins which publishes the Satanic Bible. In a Nov. 12, 2006, Orange County Register story, Warren was asked about pastoring a man who publishes tabloids featuring topless women. He responded: 'I don't have to agree with 100 percent of what another person does in order to work with them on the 20 percent that we do agree on.' The article also points out Murdoch was among the first patrons to support Warren's 5 point PEACE plan, contributing \$2 million. This PEACE plan is integral to ushering the one world, new age religion of the Antichrist.

Rick Warren-Leading Apostate Christianity Straight to Hell

November 26th, 2006 by Dr. Scott Johnson |

....In this teaching we will look at Rick Warren's admitted membership in the Council of Foreign Relations (CFR) via a recent World Net Daily article. Also in a recent trip to the Middle East Rick Warren reported back that he could find no evidence of persecution of Jews or Christians while visiting there. Rick Warren has taken the mantle from Billy Graham and is poised to lead the modern day apostate church straight to hell. Rick Warren's has prophesied a so called "2nd Reformation" that will ultimately unite all religions worldwide....

[Rick Warren's Chrislam Becomes One Of The Fastest Growing Religions In America \(VIDEOS\)](#)

Chrislam is the merging of apostate Christianity and the ideology of Islam, and it is truly a pit of serpents and devils. One of the main founders of Chrislam and one of it's main drivers is Rick Warren from Saddleback Church in Southern California. Warren at the same time passionately denies his connection with Chrislam, while at the same time promoting it through his many ministries and outlets.

To understand where it all started, journey back with us to 2009 where Rick Warren addressed the annual meeting of the Islamic Society of North America. He opened by telling the audience how much he had in common with Muslims and the ideology of Islam. He preached a pro-globalization message of uniting together at any cost by laying down our differences.

He quoted no scripture from the bible, and only mentioned the Name of Jesus Christ once in passing. But what he did repeat over and over was how Muslims and Christians needed to "band together" and start work right away on "interfaith projects". Warren poured out his interfaith slop, and the Muslims ate it up

2Cr 6:14: Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

2Cr 6:15: And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

Proverbs 17:15: "He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD."

Where Chrislam Was Born: Rick Warren at the ISNA 2009 Conference from [Now The End Begins](#) on [Vimeo](#).

By the time he was done speaking to the Muslims, **Chrislam was born**. But Warren was only just getting started. The Yale Covenant was right around the corner.

Rick Warren was instrumental in the creation and signing of the Yale Covenant Between Islam and Christianity. This is the preamble to that covenant:

As members of the worldwide Christian community, we were deeply encouraged and challenged by the recent historic open letter signed by 138 leading Muslim scholars, clerics, and intellectuals from around the world. "A Common Word Between Us and You" (which) identifies some core common ground between Christianity and Islam which lies at the heart of our respective faiths as well as at the heart of the most ancient Abrahamic faith, Judaism... We receive the open letter as a Muslim hand of... cooperation extended to Christians worldwide. In this response we extend our own Christian hand in return, so that together with all other human beings we may live in peace and justice as we seek to love God and our neighbors... Before we "shake your hand" in responding to your letter, we ask forgiveness of the All-Merciful One and of the Muslim community around the world. [Yale Covenant](#)

Comment: Wherein the Islamic Quran clearly States:

"Believers (Muslims), take neither Jews nor Christians to be your friends: they are friends with one another. Whoever of you seeks their friendship shall become one of their number, and God does not guide (those Jewish and Christian) wrongdoers." - *The Quran, Sura 5:51*

These Muslims will do and say anything in order to advance Allah's Agenda:

[Qur'an \(3:54\)](#) - "...Allah schemed against them (the unbelievers): and Allah is the best of schemers." The Arabic word used here for scheme (or plot) is *makara*, which literally means deceit. If Allah is deceitful toward unbelievers, then there is little basis for denying that Muslims are allowed to do the same. (See also [8:30](#) and [10:21](#)) From another Muslim un"holy" writing "The Hadith" we read in: [Bukhari \(52:269\)](#) - "*The Prophet said, 'War is deceit.'*" The Muslims have proclaimed Jihad or 'holy War' against the Jews and America. A major part of this war is deceit. They are liars and admit to this in their own writings and 'holy books'!

Muslims are allowed to lie to unbelievers in order to defeat them. The two forms are:

- 1) *Taqiyya* - Saying something that isn't true.
- 2) *Kitman* - Lying by omission.

Allah has cursed the **unbelievers** and proposed for them **a blazing hell**. - [Sura 33:60](#)

Unbelievers are enemies of Allah and they **will roast in hell**. - [Sura 41:14](#)

You will note that the Yale Covenant preamble ends with this esteemed board of Laodicean apostates asking for "forgiveness from the All-Merciful One, Allah". They have placed the Muslim moon god on the same playing field as the God of

Abraham, Issac and Jacob from the Bible. **This Covenant was signed by hundreds of religious leaders from all across America.**

So though Rick Warren issues a constant stream of denials about his role in Chrislam, everywhere you look there he is. All the evidence always leads back to him. And he has recruited many others to join him.

John Hagee's son Matthew has a ministry that uses the crescent moon of Islam and the Christian cross as a logo.

<<Why does John Hagee's son use the Muslim crescent moon and christian cross in his logo? That's Chrislam!

Glenn Beck went to Israel and made a video promoting a universal religion with Christianity and Islam as its core. Note how he equates the God of the bible as the same as the moon god of Islam,

this is the essence of what Chrislam is all about.

Beck's universalist message is in perfect harmony with Rick Warren's global interfaith vision of Chrislam. We are seeing more and more pastors getting in line behind Warren's demonic vision.

*Dr Scott, I just had to share my **experience at a recent church service** I attended locally in Tampa, FL. Some of the events that transpired are nothing short of shocking. So I went to a large singles mid week church service tonight and was absolutely shocked at the service. **To start, blaring rock music with little to no substantive biblical relevance and most of the girls dressed in very provocative attire. That I was kind of expecting considering its a large "trendy" church and that's par for the course in these type young adult ministries. But the next part floored me. They were covering a series on biblical manhood and womanhood and broke the men and women out into separate groups. Both the men and the women were split into separate groups and there were women leading both groups. While in the men's group, I listened for a few minutes because I thought she was either going to introduce her husband or give a quick testimony but no I was incorrect. She was preaching to a group of single adult men (20s-40s) on how to be a biblical man. So let me get this straight, a woman is going to teach a man on how to be a man!!! UNBELIEVABLE!!! Then she stated that usually she addresses women's conferences and that this was her first time speaking to men and she was a little apprehensive...a few of the men actually applauded. It was like the twilight zone!***

I very close to speaking up right there and rebuking her for first violating biblical scripture on teaching men and then 2nd from the sheer idiocy of a woman trying to teach a man how to be a man. Instead, after looking around the room and not noticing anyone in disagreement, I just left instead. I'm sure I would be casting my pearls before swine in this situation.

Attached is a copy of the bulletin/program which as you can see is fairly crass. I believe the apostasy of the church is in full progress.

[The Sunday Assembly Atheist Mega-Churches Take Root In America](#)

"The fool hath said in his heart, *There is no God.*" [Psalm 14:1](#)

As we get closer and closer to the arrival of the Antichrist we see the rise of spiritual darkness spreading over not just America, but over the whole world. The bible has promised that this would take place in the time of the end, and so we are seeing this happen in front of us everywhere we look. **On the heels of this open celebration of pagan worship will follow Satanism and sacrifices of blood, animals and humans on the demonic altar.** It's all in the book of Revelation, go an look for yourself.

"And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts." [Revelation 9](#)

You want to see prophecy being fulfilled? Here it is.

Yahoo News: LOS ANGELES (AP) — It looked like a typical Sunday morning at any mega-church. Several hundred people, including families with small children, packed in for more than an hour of rousing music, an inspirational talk and some quiet reflection.

The only thing missing was God.

Nearly three dozen gatherings dubbed "atheist mega-churches" by supporters and detractors have sprung up around the U.S. and Australia — with more to come — after finding success in Great Britain earlier this year.

The movement is fueled by social media and spearheaded by two prominent British comedians & is no joke. *On Sunday, the inaugural Sunday Assembly in Los Angeles attracted several hundred*

people bound by their belief in non-belief. Similar gatherings in San Diego, Nashville, New York and other U.S. cities have drawn hundreds of atheists seeking the camaraderie of a congregation without religion or ritual.

The founders, British duo Sanderson Jones and Pippa Evans, are currently on a tongue-in-cheek **"40 Dates, 40 Nights"** tour around the U.S. and Australia to drum up donations and help launch new Sunday Assemblies. They hope to raise more than **\$800,000** that will help atheists launch their pop-up congregations around the world. So far, they have raised about **\$50,000.**

The movement dovetails with new studies that show an increasing number of Americans are drifting from any religious affiliation.

The Pew Forum on Religion & Public Life released a study last year that found 20 percent of Americans say they have no religious affiliation, an increase from 15 percent in the last five years. Pew researchers stressed, however, that the category also encompassed majorities of people who said they believed in God but had no ties with organized religion and people who consider themselves "spiritual" but not "religious." **Sunday Assembly — whose motto is Live Better, Help Often, Wonder More — taps into that universe of people who left their faith but now miss the community church provided, said Phil Zuckerman, a professor of secular studies at Pitzer College in Claremont.**

<<Attendees sing a song at the Sunday Assembly, a godless congregation, on Sunday, Nov. 10, in Los Angeles. Psa 14:1 The fool hath said in his heart, There is no God. They are corrupt, they have

done abominable works, there is none that doeth good.

Isa 44:6 Thus saith the LORD the King of Israel, and his redeemer the LORD of hosts; I am the first, and I am the last; and beside me there is no God.

Isa 44:8 Fear ye not, neither be afraid: have not I told thee from that time, and have declared it? ye are even my witnesses. Is there a God beside me? yea, there is no God; I know not any.

Subject: Just like you've been saying

Dr. Johnson, It's just like you've been saying, and I am black. I have encountered a lot of hate from black people in this Country more than the whites.

My family moved into an area where there was both blacks and mexicans; and Dr. Johnson the blacks in the area were the ones that was giving us the problems; They were picking fights with the kids and vandalizing our car and home.

Then we moved to an apartment complex where we had problems again with more black people. They broke a bedroom window at night they picked more fights with the kids so many times that we had to call the police; and they weren't any help.

But finally a new owner took over the complex and weeded out the undesirable out of the complex. It's better now thank GOD. But we're still planning on moving from this area.

Dr. Johnson my family and myself are from Trinidad, and we've been living in this country for almost 40 years, and we've never encountered any problems before with any white people; but as soon as we moved to a black and spanish area, there is where our problems with human beings started.

We've lived around white people for most of the 40 years and never encountered any problems with them whatsoever; but the blacks is a different story.

Dr. Johnson check out the story below.

Thank you and GOD BLESS YOU

[SURPRISE! MEDIA FINALLY WAKE UP TO KNOCKOUT GAME 'It's only new if you have been aggressively ignoring the epidemic of black mob violence'](#) Editor's note:

Colin Flaherty has done more reporting than any other journalist on what appears to be a nationwide trend of skyrocketing black-on-white crime, violence and abuse. WND features these reports to counterbalance the virtual blackout by the rest of the media due to their concerns that reporting such incidents would be inflammatory or even racist. WND considers it racist not to report racial abuse solely because of the skin color of the perpetrators or victims.

Thank you! Can I post this keeping you anonymous?

I have taken more flak from some of my black listeners about this than you can imagine. To them now I am nothing more than a bigoted racist that is also a heretic. In other words since I started to mention this subject they are trying to pick apart my theology and the ministry as well, in order to justify their points about me being a racist. In other words discredit the messenger and you discredit his message. Funny they never had a problem with my theology and this ministry before I started documenting all the black on white crime currently taking place,

and I tell them I realize this was the exact opposite in the days of slavery and for many decades thereafter (not to say white on black crime still does not go on) and that was equally as wrong. What I usually do is just ask them to refute the documentation below but they can't, so they attack me personally. I tell them some of my best friends are black and I absolutely love them and so does my daughter. God bless you!!!! Scott

Her Response:

Yes Dr. Johnson you can.

I am ashamed to see the young black youth of this Country wasting their lives on hate and lawlessness. They need the LORD JESUS plain and simple. I blame the parents of these youths for not raising their kids in the way the LORD intended. A whole generation of young black youths might be lost.

Black mob violence and the media silence--BIG LIST of racial attacks, assaults and threats

Why wasn't this Knoxville story, "4 blacks kill white couple" on the TV network news for months? How does the media decide which murders to sensationalize? James Patrick Riley says, "... If there is any racism in the system, it is skewed so far in the favor of blacks, that, frankly, it should be an embarrassment for those in the "race industry." FBI crime stats show that when there is a black/white incidence of violence, in 88 to 91% of the cases, the victim is white. Just last week, in St. Louis three black men were arrested on a "kill whitey" crime spree. Was Rachel Maddow wringing her hands over that? No.

SURPRISE! MEDIA FINALLY WAKE UP TO KNOCKOUT GAME 'It's only new if you have been aggressively ignoring the epidemic of black mob violence' Editor's note: Colin Flaherty has done more reporting than any other journalist on what appears to be a nationwide trend of skyrocketing black-on-white crime, violence and abuse. WND features these reports to counterbalance the virtual blackout by the rest of the media due to their concerns that reporting such incidents would be inflammatory or even racist. WND considers it racist not to report racial abuse solely because of the skin color of the perpetrators or victims.

The process of gathering and analysing [statistics](#) on an incarcerated African-American males has been taken by several studies on a specific age group, geographical location, causes of [incarceration](#) or simply the upbringing of a child over a course of years. Approximately 12%-13% of the American population is African-American, [but they make up 40.1% of the almost 2.1 million male inmates in jail or prison \(U.S. Department of Justice, 2009\).](#)^[1] Census data for 2000 of the

number and race of all individuals incarcerated in the United States revealed a wide racial disproportion of the incarcerated population in each state: the proportion of blacks in prison populations exceeded the proportion among state residents in twenty states; the percent of blacks incarcerated was five times greater than the resident population.

- *A black male born in 1991 has a 29% chance of spending time in prison at some point in his life.²*
- *Nearly one in three [African American](#) males aged 20–29 are under some form of criminal justice supervision whether imprisoned, jailed, on parole or probation.*
- *One out of nine African American men will be incarcerated between the ages of 20 and 34.*
- *Black males ages 30 to 34 have the highest incarceration rate of any race/ethnicity.*

One Comment read: This is what happens when you let the thug element take over. Get ready to see more of this. But since these youths get a cultural pass, it's probably better to simply cancel all the family events in Atlanta and let the thugs have the park. The cops know the courts won't do anything about them, so they don't waste time trying to control them. Why arrest these criminals when you KNOW the courts are just going to turn them loose again?

Scott Johnson’s Response to listener question: The Grace we received from God before salvation is called "prevenient grace". This is the grace we can look back on where God protected us and also used to eventually bring us to Him through Jesus Christ. I should of been dead so many times over I could never even recall them all. I was wild!! Yet the Lord had a plan for me (as he knows the beginning from the end) and I eventually got saved.

One definition reads: **“Prevenient grace” is a phrase used to describe the grace given by God that precedes the act of a sinner exercising saving faith in Jesus Christ. The term “prevenient” comes from the Latin and means “to come before.” By definition, every theological system which affirms the necessity of God’s grace prior to a sinner’s conversion has a type of prevenient grace.**

Ok these are the topics I need help on

The Lords supper (can it be done at home where we worship since we not church goers anymore). I think you mean the **Lord's Supper Question** See:

<http://thelordssupper.org/summaries.htm> I take the Lords supper with my daughter before I do my studies. We pray first and confess any sins **which is very important** do to see: 1 Cor. 27-32. We then recite 1 Cor. 23-26 and take the unleavened cracker (can get these in the Jewish section of any grocery store) and grape juice. Also see my teaching where I covered this in part here: **[Listener Questions & Answers](#)**

Disney Question (for my sister. we came across it yesterday and she is excited to show her friends at school any pdf or printout) **See the attachment and my teachings:** <http://www.contendingfortruth.com/?s=disney>

Regarding your: Question about being sorry enough for your past sins and will God bring them up to me at the Judgment?

A saved person will go to the Judgment Seat of Christ where the works they did after they got saved are judged:

[2Cr 5:10](#) For we must all appear before the judgment seat of Christ; that every one may receive the things [done] in [his] body, according to that he hath done, whether [it be] good or bad.

[1Cr 3:12](#) Now if any man build upon this foundation gold, silver, precious stones, wood, hay, stubble;

[1Cr 3:13](#) Every man's work shall be made manifest: for the day shall declare it, because it shall be revealed by fire; and the fire shall try every man's work of what sort it is.

[1Cr 3:14](#) If any man's work abide which he hath built thereupon, he shall receive a reward.

[1Cr 3:15](#) If any man's work shall be burned, he shall suffer loss: **but he himself shall be saved; yet so as by fire.**

But regarding our sins as a saved person the following verses apply:

Much more then, **being now JUSTIFIED BY HIS BLOOD**, we shall be saved from wrath through Him (Romans 5:9).

In Whom we have **REDEMPTION THROUGH HIS BLOOD**, the forgiveness of sins, according to the riches of His grace (Ephesians 1:7).

Forasmuch as ye know that ye were not **REDEEMED** with corruptible things, as silver and gold, from your vain conversation received by tradition from your fathers. But **WITH THE PRECIOUS BLOOD OF CHRIST**, as of a lamb without blemish and without spot: (I Peter 1:18-19).

NEITHER BY THE BLOOD OF GOATS AND CALVES, but by His own **BLOOD** He entered in once into the Holy Place, having obtained **ETERNAL REDEMPTION** for us (Hebrews 9:12).

But now in Christ Jesus ye who sometimes were far off are made nigh by the **BLOOD OF CHRIST** (Ephesians 2:13).

And, having made **PEACE THROUGH THE BLOOD OF HIS CROSS**, by Him to reconcile all things unto Himself; by Him, I say, whether they be things in earth, or things in heaven (Colossians 1:20).

Having therefore, brethren, **BOLDNESS TO ENTER INTO THE HOLIEST BY THE BLOOD** of Jesus (Hebrews 10:19).

Wherefore **Jesus also, that He might sanctify the people with His own BLOOD**, suffered without the gate (Hebrews 13:12).

But if we walk in the light, as He is in the light, we have fellowship one with another, **and the blood of Jesus Christ his Son CLEANSETH US FROM ALL SIN** (I John 1:7).

Subject: **Listeners Experience- New GI Joe DVD forces user to choose sides b4 unlocking movie or it won't play**

Dr. Scott, I'm seeing this more and more...I recently watched the latest GI Joe movie- GI Joe Retaliation. I loaded the dvd into the player and sat through the previews. Normally after the previews have played, one is brought to the Main Menu, where they can press

play and view the film. This time was different. Before I could reach the Main Menu to play the film, I had to make a choice. It was a forced choice. On the left side of the screen was the GI Joe symbol. The symbol is the side view of a Phoenix bird showing just one of its eyes. The Phoenix's jaw is open as if it is Screeching. Inside its jaws, is a 5 pointed star or Pentagram. On the right side of the screen was the symbol for Cobra, the archenemy of the GI Joes. The Cobra symbol is basically a front view of a red cobra about to strike. Above these two symbols, on the top of the screen it asks, "Which side will you choose?"

The viewer must click on either symbol to access the movie. Pressing the menu button on the remote does nothing. One must choose. I imagine each symbol opens a different version of the film. Remember, it asks, "Which side will you choose?". The problem is, BOTH symbols are Satanic. What I found so profound was, considering that both choices are evil, one must basically demonstrate their approval of the Satanic symbol before even being able to watch the movie! They have to choose a side! They must choose to side with one evil or the other! I often wondered what the spiritual implications are for such "choices".

Now this is not the first time I've experienced this sort of thing. This whole idea of "forced un-ethical decision making" is now quite common in the world of video games. I don't play them anymore but I know from first hand experience that many video games more or less force the player to make un-ethical decisions in order to finish the game. For example in terms of role playing video games, one may be presented with a choice. He or she, by way of their character, must either kill their partner who is slowing them down, to save them-self, or spare their partner's life, resulting in the player's injury or death, essentially ending the game. So the player cannot advance in the mission unless they make some un-ethical choice in the game. Another example would be, the player must abandon a group of sick people and let them die, because helping them would weaken their character or jeopardize the mission.

Now, an important thing to remember is that people don't just play these games to exercise their fingers. They play to win! Usually, the reward for finishing or solving a game is to see the ending. This is a VERY powerful reward and motivator. One can easily become obsessed with conquering the game and experiencing the ending. From the player's perspective, finishing the game is the primary goal. Thus if making un-ethical choices to achieve that end is necessary, then so be it. With this in mind, we can begin to understand that within the virtual world of video games, being righteous and honorable inevitably becomes a non-issue.

Some games offer the player a choice to play the game through as the good guy or as the bad guy. Many times though, the better ending and most rewarding game play results from playing through as the bad guy. Likewise, a better more dramatic ending or "reward" awaits the player who has the most power, not necessarily the most honorable one. The goal in these games is self-preservation, and self-gratification. Righteousness takes a back seat. The game designers understand what a powerful medium video games are and exploit it as a means to further corrupt the minds of the masses. The obviously Satanic agenda is to condition

gamers to embrace selfishness, violence, murder, betrayal, perversion etc, as these things bring results!

One can clearly see a Satanic philosophy perpetuated in video games and virtually all secular entertainment these days. The agenda is to proliferate a selfish, me first you next, survival of the fittest, I am god, mentality. My observation though, is that now the Hollywood and Gaming Industry wizards are forcing EVEN FURTHER user participation with regard to secular entertainment. Now, more than ever, the user is unable to merely sit back and be entertained, but is forced into essentially pledging their allegiance to the "dark side" in order to view the film or play the game. This is unfortunate to say the least!

Anyway, I thought I'd bring this to your attention as so many souls are snared by these means and rarely give it a second thought. God Bless!

Gummy Bears, Pharmaceutical Drugs And Vaccines Made Out Of People

By Michael Snyder, on November 7th, 2013

That is a really crazy headline, right? Unfortunately, it is not a joke. **Right now, gelatin made with human DNA fragments is already being used in pharmaceutical drugs and vaccines, and scientists believe that recent breakthroughs will soon make it economically feasible to use such gelatin in consumer products such as gummy bears and marshmallows on a massive scale. So are you ready for gummy bears made out of people? They are coming.**

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

Hosea 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

And this is just the tip of the iceberg. As you will read about below, scientists have also combined human DNA with mice, rabbits, goats, pigs, sheep and cows. We have arrived at a time in human history when advances in technology have opened the door to a lot of things that were once considered to be impossible, and scientists are having a field day. But in the end, where will all of this technology end up taking us?

Most people would never even imagine that the gummy bears that they are eating could potentially contain human DNA.

Well, from now on you might want to check, particularly if those gummy bears come from China. The following is an excerpt from a recent [io9 article](#)...

In 2011, scientists in Beijing reported on a method of creating large amounts of gelatin by inserting human DNA fragments into yeast. Human DNA-derived gelatin has actually been in use for a while, in vaccine preparation and the gel caps that many over the counter drugs come in. This method created such large quantities of gelatin that it would be practical to use it for more common consumer goods like candy and baking supplies. This is actually a breakthrough, because it avoids a whole lot of problems inherent in "natural" gelatin production. It's incredibly difficult to get consistent results when manufacturing gelatin, and consistency is very important with vaccines. Because gelatin is derived from animal by-products, it can cause allergic reactions or be off limits to people with ethical or religious reasons for avoiding animal products.

But who wants to eat human DNA?

Certainly not me. I have no plans to be a cannibal, but Satan sure has plans to make you one.

But unfortunately, millions of Americans are already getting human DNA in their pharmaceutical drugs and their vaccines...

In fact, human-derived gelatin is already in use by the pharmaceutical industry in the manufacture of certain pills and vaccines. The highly controlled production techniques of the laboratory offer a more consistent product than "traditional" gelatin, which is made from the bones and skin of pigs and cows.

Do you know what is in the pills that you are taking?

You might be eating people right now without even knowing it.

And guess what? Some genetically-modified crops contain human DNA as well. The following comes from a recent [Natural News article](#)...

Unless the rice you buy is certified organic, or comes specifically from a farm that tests its rice crops for genetically modified (GM) traits, you could be eating rice tainted with actual human genes. The only known GMO with inbred human traits in cultivation today is a GM rice product made by biotechnology company *Ventria Bioscience* that is currently being grown on 3,200 acres in Junction City, Kansas — and possibly elsewhere — and most people have no idea about it.

Since about 2006, *Ventria* has been quietly cultivating rice that has been genetically modified (GM) with genes from the human liver for the purpose of taking the artificial proteins produced by this "Frankenrice" and using them in pharmaceuticals.

Not only is it becoming more common for scientists to use human DNA in very bizarre ways, thanks to a recent breakthrough it will now be much easier for them to modify and change human DNA. The Independent [is reporting](#) that a technique **known as “Crispr” will now allow scientists to very accurately rewrite the DNA of specific individuals without danger of flaws and mistakes...**

For the first time, scientists are able to engineer any part of the human genome with extreme precision using a revolutionary new technique called Crispr, which has been likened to editing the individual letters on any chosen page of an encyclopedia without creating spelling mistakes. The landmark development means it is now possible to make the most accurate and detailed alterations to any specific position on the DNA of the 23 pairs of human chromosomes without introducing unintended mutations or flaws, scientists said.

The technique is so accurate that scientists believe it will soon be used in gene-therapy trials on humans to treat incurable viruses such as HIV or currently untreatable genetic disorders such as Huntington’s disease. It might also be used controversially to correct gene defects in human IVF embryos, scientists said.

Of course this technology will be heralded as a way to cure diseases, but there are countless other applications for this technology and scientists are absolutely giddy about what they could potentially do with this new tool...

“The efficiency and ease of use is completely unprecedented. I’m jumping out of my skin with excitement,” said George Church, a geneticist at Harvard University who led one of the teams that used Crispr to edit the human genome for the first time.

Would you like to run like an Olympic athlete?

Would you like to be 8 feet tall?

Would you like to have vision like a cat?

Would you like to have “super powers” that no other human has had before?

This technology will open up the door for scientists to create entirely new races of “super humans” and human/animal hybrids. And once the genie is out of the bottle, it will be nearly impossible to get it back again.

And of course scientists all over the world have already been creating bizarre human/animal hybrids for quite some time now. The following is an excerpt [from one of my previous articles](#)...

Just check out some of the truly bizarre human-animal hybrid experiments that have been taking place all over the globe according to [a recent Slate article](#)...

Not long ago, [Chinese scientists embedded genes for human milk proteins into a mouse’s genome and have since created herds of humanized-milk-producing goats.](#) Meanwhile, researchers at the University of Michigan have a method for [putting a human anal sphincter into a mouse](#) as a means of finding better treatments for fecal incontinence, and doctors are building [animals with humanized immune systems](#) to serve as subjects for new HIV vaccines.

Here are some other ways that humans and animals are being combined...

[-Rabbit Ovarian Eggs with Human Cells](#)

[-Pigs with Human Blood](#)

[-Sheep with Human Livers](#)

[-Cow Ovarian Eggs with Human Cells](#)

-Cat-Human Hybrid Proteins

And these are just the things that we know about.

So what is coming next?

Well, according to a new exhibition entitled "GROW YOUR OWN" at the Science Gallery in Dublin, Ireland we could see [some extremely bizarre things](#) in the years ahead... **Cheese made with bacteria from a human armpit? An 'Elvis mouse' with DNA from the king of rock and roll? Humans giving birth to dolphins?**

The exhibition, which opened last week, explores the weird and horrific world of synthetic biology (or synbio), an emerging field that looks to apply engineering to biology to come up with 'parts' that can be used to design solutions, much like you would engineer a circuit or programme software.

Perhaps the most shocking part of the exhibition is a display named "[I Wanna Deliver a Dolphin](#)". The following is how this display is described...

I Wanna Deliver a Dolphin... imagines a point in the future, where humans will help this species by the advanced technology of synthetic biology. A 'dolph-human placenta' that allows a human female to deliver a dolphin is created, and thus humans can become a surrogate mother to endangered species. Furthermore, gourmets would be able to enjoy the luxury of eating a rare animal: an animal made by their own body, raising questions of the ownership of rare animal life, and life itself.

If you want to check this sickening display out, you can find it [right here](#).

About the author: [Michael T. Snyder](#) is a former Washington D.C. attorney who now publishes [The Truth](#). His new thriller entitled "[The Beginning Of The End](#)" is now available on [Amazon.com](#).

Subject: **Binaural. Beats - More Insight**

Can you tell me more insight about what this is please?: Binaural Beats

Scott Johnson Response: Sorry I don't have a document on this but see below. It is evil. Stay away from it. I even had a machine that did this (Light and Audio) when I was unsaved and even back then I knew I had to destroy it. It allows demons to come into your body with very little effort. God bless!

Binaural beats are essentially the world's first digital mind altering drugs:

Teens Now Getting High Off "DigitalDrugs"

MUSTANG, Oklahoma – I-dosing on "digital drugs" is becoming an alarming new trend amongst teens.

Web sites are luring kids with free downloads of "digital drugs," which are audio files designed to induce drug-like effects. The sites claim it is a safe and legal way to get high, but parents fear it could lead to illegal drug use.

Videos of teenagers trying digital drugs are all over YouTube, leaving parents, educators and law enforcement officials with the Oklahoma Bureau of Narcotics and Dangerous Drugs concerned.

"Kids are going to flock to these sites just to see what it is about and it can lead them to other places," said OBNDD spokesperson Mark Woodward.

The digital drugs use binaural or two-toned technology to alter your brainwaves and mental state.

Recently Mustang Public Schools sent out a letter warning parents about the new trend after several high school students reported having physiological effects after trying one of these digital downloads. Students and graduates are still talking about it.

"I heard it was like some weird demons and stuff through an iPod and he was like freaking out," said Mustang High School student Meghan Edwards.

"We had never come across anything like this and anything that is going to cause these physiological effects in a student, that causes us concern," said Shannon Rigsby, Mustang Public Schools Communication Officer.

Another concern the OBN has is that many of these I-dosing sites lure visitors to actual drug and drug paraphernalia sites.

Subject: Re: **Buzzing in my head a symptom of silent weapons? & The Ultimate God-based Defense**

Comment: This was approved to be released by the source.

Brother, I'm listening to your new report on silent weapons. Certain places I've lived I have heard an intensely loud buzzing. Mostly in Saint Louis, and here under NORAD, it has been the loudest. I know that there is a very strong spiritual component to this, but have been very puzzled because I haven't heard of anyone else experiencing this.

Here's what I know for a fact. If I have sinful thoughts, the buzzing grows. Only by focusing upon God and keeping myself holy, as is humanly possible, with a quick repentant heart, am I protected. The buzzing is accompanied with sickly, low energy, and dimness of mind, but being constantly filled with God's Spirit COMPLETELY abolishes EVERY symptom and completely silences the buzzing. I am convinced that God's Spirit is the ULTIMATE weapon for all believers.

Brother, He is stronger than poison, radiation, GMO contamination, ALL of this. I may be a unique case. My childhood is pretty much a mystery. But do have sure symptoms (had, I'm totally healed by God) of trauma based manipulation at an extremely young age. And I have family that still works with our government with ties to the Presidio scandal.

What I'm trying to tell you is that we serve The Power Above ALL powers, Jesus Christ. It's good to protect ourselves, to eat good, to avoid poisons, to walk in wisdom, but in the end God Himself is the best defense we have. More than anything the brethren need to be prayed up, living holy and in constant worship. It seems so small, but just keeping a song of praise in our heart has more power than the armies of men and every plot of the enemy. It's just the truth, we need faith above all things. Ridiculous, crazy, unreasonable faith in God. Our God is so great that we can never approach the faith in Him that He deserves, so just get as much as you possibly can! God bless you!

Subject: **Alex Jones**

Yesterday I heard good ole Alex use the term "sub-creator" to describe himself and humanity. Wadda major case of grey matter gone numb! Alex will give truth with a lil bit of new age (garbage) just for fun. When the ascended masters show up good ole "sub-creator" Alex will publicly go to his knees and worship the lil (fake) jesus and all his followers will do the same. These luciferian (garbage) pushers all have their own special tasks Satan has bestowed on them. They all have their own diversions they focus on. All together it equals lost souls. I'll listen to "sub-creator" Alex to gather data, but I will not accept what he says as the total truth. Agenda is the word, and where your heart is reveals the truth (or lies). JW

Dr. Johnson, I am an RN and am responsible for all of our companies Joint Commission activities. For the first time ever, I am now required to track who, and more importantly, who does **not** get the annual flu vaccination. I am also required to have each "refusnik" tell me the reason why they refuse. I have to document this starting this year until 2020. I am also required to share my findings annually with the owners. I am also required to "educate" the staff on why they should get the shot. The Joint Commissions stated goal is for us to get to at least 90% "compliance" with getting the annual vaccination. While they did stress that the flu shot is not required for Joint Commission certification, this tracking is required. Makes me wonder what's going to happen in 2020... I am one of the refusees, and I did have fun putting together the studies that show the dangers of the flu shot and it's ineffectiveness. I have already been told to not talk about my view of the flu shot with any of the other employees. We have several employees who told me they never take the shot, never will, and never get the flu either. I will be adding to my stats who got he shot and still got the flu.

Subject: Re: **h7n9 and the zombie outbreak?**

You were mentioning the h7n9 and how it is hemorrhagic. Well with that, Hollywood is throwing us another bit of foreshadowing. On the TV show "walking dead", a few

zombies were shown without bites but old blood stains that bled from the eyes. Then a kid got sick and went to the shower, (this series takes place in a prison they made into a fortified base from zombies on outside). When he fell over dead, his eyes and mouth were bleeding very bad!! Then the flu was sweeping thru the prison and a few ppl caught it and died, then turned into zombies (you DONT have to be bitten to turn into zombie, everyone is infected and when they die, no matter how, they become a zombie) after the new show, another show called "talking dead" comes on and actors, producers, etc talk about the show. the main director was on and said how they saw info on the Spanish flu how they died that day once they got sick. He also said it was hemorrhagic (didn't know that) so could be some foreshadowing by big bro on coming h7n9 and the zombie outbreak????? Either way keep up the great work!!!!

Dr. Johnson: I just had to tell you that your recommendation worked. I had struggled with giardia (acquired from handling money at a gun show with my husband) for years. I had taken several courses of antibiotics.

Nothing had lasting effect and I was very careful not to re-infect myself. It was just that pernicious.

I have taken a mere three tablespoons of food grade DE, several days apart, and voila! It's gone. I am talking about jubilation here. Joy. Relief.
