Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect**."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

FLASHBACK: Temp data fiddling 'biggest science scandal ever'...

As was reported in late October, the U.S. government placed illegal gag orders on the National Weather Service, NOAA and the U.S. Department of Commerce, exposed by Dane Wigington at Geoengineering Watch.

The power structure is beginning to panic as the public wakes up to the criminal climate engineering insanity. The growing police state is completely out of control and becoming unimaginably blatant with their actions.

Bill Hopkins, the executive vice president for the National Weather Service employees organization (NWSEO) said this: ***"As a taxpayer, I find it highly disturbing that a government agency continues to push gag orders to hide how they operate. This is the work of the American government, owned by the American public, and should be open to the American public."***

WORLD LEADERS GATHER TO 'SAVE THE WORLD'

Almost 150 heads of state, including David Cameron, Barack Obama and Indian Prime Minister Narendra Modi, are heading to Paris for the start of the most important environmental meeting for decades.

Ahead of the summit, more than 175 countries have postponed pledges (known as intended nationally determined contributions, or INDCs) to cut their carbon emissions which, if enacted, would be enough to limit global warming to 2.7C. But the United Nations has pledged to limit climate change to 2C and would much prefer it to be 1.5C.

This means there is much work to be done in Paris.

- **Paris climate change activists placed under house arrest At least 24 climate change activists have been put under house arrest by French police. They are accused of defying a ban on organising protests during next week's 2015 UN Climate Change Conference in Paris.**

This report reads: Silencing Truth In America And Across The World - It Is Not Just Alternative Media They Are Trying To Silence, It Is TRUTH Itself: American journalists are censored, threatened on college campuses and images pertaining to "crybullies" are blocked from Facebook, while reporters in Turkey are arrested and lawyers assassinated, and in France Alternative News websites are being shut down and Green activists are being placed under house arrest. In Canada a man who has worked tirelessly and relentlessly to expose the damage done by the Fukushima nuclear reactor meltdowns and the subsequent cover-up of said damage was arrested, then gagged, had his video evidence deleted by YouTube, while Facebook censorship against conservatives continues unabated. From one end of the globe to the other, physically, and virtually on the Internet, truth is being silenced.

Paris Attack Expected to Make Climate Deal "More Likely"--Disproven anthropogenic climate change theory supposedly drives IS

Kurt Nimmo | Infowars.com - November 29, 2015

The UN is pulling out all the stops. The 2009 conference held in Copenhagen came close to codifying the warmist agenda, but failed. This year nearly 150 heads of government will meet in Paris with the recent attacks as a backdrop.

The [BBC](#) reports:

While many leaders including Presidents Obama and Xi Jinping were always set to attend this conference, the recent violent attacks in Paris have encouraged others to come in an expression of solidarity with the French people.

Unlike at Copenhagen, the French organizers are bringing the leaders in at the start of the conference rather than waiting for them to come in at the end, a tactic which failed spectacularly in the Danish capital...

Delegates are in little doubt that the shadow cast over the city by the attacks will enhance the chances of agreement.

According to Tom Burke, former UK government adviser on climate change and now chairman of environmental think tank E3G, the leaders will insist climate change spawns terrorism.

This [E3G produced a report in 2013 that claimed "climate change and resource scarcity" were prime motivators for the Arab Spring](#). Obviously terrorism in Syria

has nothing to do with supposed climate change. The Syrian “civil war” was manufactured in the West to overthrow the government of Bashar al-Assad. The introduction of foreign jihadists and the Islamic State by the United States, the Gulf Emirates and Turkey has more to do with instability (Ordo Ab Chao) than the “threat multiplier” (as the Pentagon calls climate change) of weather.

Planned Parenthood shooter not fitting left's stereotype--Robert Lewis Dear registered to vote as 'female,' previously charged as Peeping Tom

Robert Lewis Dear

Throughout Friday's [six-hour armed standoff](#) at the Colorado Springs Planned Parenthood facility that left three dead and nine wounded, social media **feasted on the fact the gunman was described as a white man, as WND reported.** It didn't take long for that meager

piece of information to morph into “Christian,” “pro-lifer,” and “Republican,” even though authorities had not then — or even yet — released any information about the gunman's motive.

So far, Robert Lewis Dear, 57, of Hartsel, Colorado, is disappointing those who tried to stereotype pro-life Christians as terrorists.

No evidence of Dear's involvement with pro life groups has surfaced. Pro-life groups denounced the shooting and indicated they had neither interacted with, or ever heard of him.

[Read the tested and proven strategies to defeat the abortion cartel, in “Abortion Free: Your Manual for Building a Pro-Life America One Community at a Time.”](#)

As it turns out, Dear's not even a Republican — he's registered to vote in Park County, Colorado, as unaffiliated. And as a female!

Colorado Planned Parenthood shooting: Five astonishing things the mainstream media isn't reporting (that everyone should know)

by Mike Adams, the Health Ranger, (NaturalNews) In the aftermath of the Colorado Springs Planned Parenthood shooting, the mainstream media is -- predictably -- functioning as nothing more than the propoganda arm of the Obama administration.

It's no surprise the Obama administration is already using the latest shooting tragedy at a Planned Parenthood in Colorado to promote the anti-gun agenda. In a statement released today, Obama scorned what he called the “easy accessibility of weapons of war on our streets,” all the while admitting that the gunman's motive is still unknown.

“The last thing Americans should have to do, over the holidays or any day, is comfort the families of people killed by gun violence,” a statement from the President read. Comment: Yet Obama creates and promotes gun free zones where these killing zones can flourish.

accessibility of weapons of war on our streets to people who have no business wielding them. Period. Enough is enough."

In addition to twisting the reporting on the story in an attempt to blame all gun owners for the actions of one lunatic, the media is deliberately censoring critical parts of this story in order to mislead the public.

Some things you haven't been told by the mainstream media

- Did you know that the shooter self-identified as a female in his voter registration?
- Did you know this shooter was NOT active in any pro-life activities?
- Were you aware that in addition to butchering early & midterm babies in the womb without any mercy; Planned Parenthood also commits violence every day against nearly-born children by killing them during "partial birth abortions" & also harvest their organs. (Do you know which other country is famous for harvesting human organs for resale? It's Communist China...)
- Also most firearms owners support local law enforcement and don't "hate" cops or wish to shoot them?
- Did you know that you are more likely to be struck by lightning than killed in a mass shooting in America?
- Were you aware that "gun control" really means a gun monopoly in the hands of the government while disarming law-abiding citizens?
- Did you know there have already been 2,700 shootings this year in Chicago, one of the most tightly gun-controlled cities in America?

CHAOS On All Levels As Islamic Generated Genocide Hits America! Arming The Enemy As Obama Vows Millions More 'Refugees' During His Last Year

By Susan Duclos - [All News PipeLine](#)

With Barack Obama once again vowing to welcome "millions" of refugees as long as he is president, just as new warnings from Greece emerge stating it is "nearly impossible" to find Jihadists among those refugees, we see the FBI taking threats against WWE Survivor Series event in Atlanta on Sunday seriously.

Not that one specific threat warning matters with multiple targets on ISIS's hit list within the U.S., but Obama's open door policy is looking more and more like a deliberate attempt to destroy America.

France remains on high alert, Brussels is reportedly on "lockdown" and has raised their national threat level fearing a Paris-like attack "based on quite precise information about the risk of an attack like the one that happened in Paris ... where several individuals with arms and explosives launch actions, perhaps even in several places at the same time."

With this map showing how many states already have large enclaves of Muslim refugees within the U.S. and knowing the Jihadists have infiltrated the those fleeing Syria and other countries, as evidenced once again by more "Syrians" caught in Honduras with "fake passports," it makes the interview shown below, highlighted by Zero Hedge, all the more important for everyone to see.

When a conservative warns Barack Obama's Syrian policy is illegal it is waved away as simple "politics." When Alternative News websites warn that World War III is on the

doorstep, might have already started, they are called "conspiracy theorists."

One has to wonder what those same critics think when a member of Obama's own

party, a U.S. Congresswoman, takes the national stage and states outright that the Obama administration and the CIA are conducting an "illegal" war against Bashar Assad in Syria, & are arming the "actual enemies of the United States" and also asserts that Obama's illegal actions are setting us all up for a "direct head-to-head conflict with Russia."

The House Democrat is Representative Tulsi Gabbard, who joined with Republican Representative Austin Scott on Friday to introduce

legislation to end the "illegal" war to overthrow Assad, as reported by the [Associated Press](#), but the interview (which went largely ignored) occurred on CNN last month & is being highlighted on Zero Hedge as they point out Gabbard "fully grasps the big picture."

Gabbard provides [10 reasons the U.S. must end its war to overthrow the Syrian government of Assad](#) on her Congressional website.

[* Obama Gives \\$500 Million More To Arm And Train 'Syrian Rebels' - What Could You Do With Just One Million Dollars?](#)

We also see reports being highlighted about the "first majority-Muslim city of the U.S." and how the majority of Americans now feel like "a stranger in their own country," and we have to wonder if Americans even realize we are following in the footsteps of Europe as we watch the Muslim endgame play out right before our very eyes.

Every person in America, especially those refusing to see what happening, needs to watch the video below titled "The Endgame - Genocide Documentary" because what has already happened in Europe is happening in the United States right now, this very second, and it is only going to get worse as Obama vows to allow "millions" more refugees into our nation during his last year as president."

I have said it before and will say it again... Barack Obama is arming our own executioners and then bringing them into America.

[Study: Mixed-race people have identity problems & have the greatest risk of suffering from mental health problems](#)

A British report has found that mixed-race people have the greatest risk of suffering from mental health problems, in many cases because they are unhappy being mixed, and instead preferring to associate with one of their parent's races.

Many Black and White mixed-race people prefer to call themselves "Black", for example Barack Obama, and find it depressing to consider themselves mixed.

The report called '*Mixed Experiences – growing up mixed race: mental health and wellbeing*' collected information from many different studies, along with interviews from mixed-race people talking about their experiences as children.

Co-author Dinah Morley was said there was a lack of understanding over what it meant to be mixed race.

"I was surprised at how much racism, from black and white people, had come their way," Morley said, *"A lot of children were seen as black when they might be being raised by a white single parent and had no understanding of the black culture. The default position for a child of mixed race is that they are black."*

Morley said the most occurring experience was that they were *"too white to be black, too black to be white"*.

Anti-Whites are not concerned with the mental health of White people, or even non-White people. **All anti-Whites care about is their idea of getting rid of race. Only in White countries this idea of theirs is forced, and amounts to a genocide against White people.**

Genocide does not have to be violent. **On the contrary, genocide is basically defined as purposely getting rid of a group.**

So when predominately White countries are forced to have their borders opened to a massive, non-White, third world immigration (despite public disapproval) it still shoved down their throats. Millions of non-Whites are needed to pour into White countries because how can White people be mixed out of existence otherwise?

++ Federal statistics and studies show that blacks are 39 times more likely to commit a violent crime against whites than whites committing violent crimes against blacks. Oprah Winfrey recently said that racism will not disappear until older white Americans die. But what she did not mention is the inescapable fact that racism is alive and well in the minds of many black Americans. So

predominate is this hatred many blacks are convinced other blacks are racist. In a recent [Rasmussen poll](#), 31% think most blacks are racist.

"I hate white people," said LeShawn Marten, a black man who attacked an older white man in New York's Union Square, knocking him into a coma that ultimately resulted in his death. **Not a word about the racist nature of the attack from Sharpton, Jackson or Winfrey.** Even the establishment media is [reluctant to characterize the attack as racist](#).

Police Kill More Whites Than Blacks, But Minority Deaths Generate More Outrage

<<<< 22 April 2015 Nobel Prize-winning novelist Toni Morrison says she wants to see an officer shoot an unarmed white teenager in the back before agreeing that the “conversation about race” is over, but she almost certainly already has received her wish.

An analysis released last week shows that more white people died at the hands of law enforcement than those of any other race in the last two years, even as the Justice Department, social-justice groups and media coverage focus on black victims of police force.

“People keep saying, ‘We need to have a conversation about race,’” Ms. Morrison told the (U.K.) Telegraph in an April 19 interview.

“This is the conversation. I want to see a cop shoot a white unarmed teenager in the back,” said Ms. Morrison, who also has won the Pulitzer Prize for her work, which includes the bestsellers “Beloved” and “Song of Solomon.” “And I want to see a white man convicted for raping a black woman. Then when you ask me, ‘Is it over?’, I will say yes.”

cadre of Leftists scream about the Confederate Flag being ‘offensive’ and ‘Right Wingers’ being domestic extremists – SILENCE from the same when there are calls for the mass slaughter of Whites in America.

I keep warning about the increasing signs of an impending genocide being openly discussed and planned in America by Leftist ideologues of various stripes.

Official government documents refer to White Conservative Christians who oppose abortion as ‘potential domestic terrorists’, and classify Right Wing Conservatives and returning vets as ‘Extremists’. Ideologues have called Southern Whites ‘Monsters’ and a bigger threat to the country than Jihadist Islam. Some media hacks are demanding the entirety of Southern ethnic culture to be eradicated, along with whites.

Now that life is cheap and government-funded organizations are killing babies by the tens of millions and selling their harvested parts for profit, what does it matter that other ‘undesirables’ and ‘threats’ to ‘society’ are suggested to be eliminated?

'Gays' shopped for Christian clerk to target

'Gays' demand 'irreversible harm' to Christians

None of this matters to a society that is collapsing into wickedness and evil. The more heinous the suggested acts, the more it will be applauded, urged, lobbied and eventual policies made to enact them. Human life is cheap in America now, and the ideologues and unfettered maniacs like Farrakhan and Malik Zulu Shabazz get applause for suggesting the wholesale slaughter of a race and people they have demonized. White policemen today. Conservative Christian Whites tomorrow.

If you take Farrakhan at his word, (which you must understand his black Muslim followers do) – he is demanding the Federal Government do the deed of eradicating White people whom he blames for everything from slavery to the deaths of black children. Even though he says nothing about the true

exterminator of the black race in America, which is Planned Parenthood. The rhetoric is designed to incite action into violence. He is asking for 10,000 black men amidst a “million” man march on DC in October 15, 2015; who are willing to die, to kill those whom Farrakhan blames for black issues. There is no mistaking his words here:

“Retaliation! If the federal government won’t intercede in our affairs, then we MUST rise up and kill those who kill us; stalk them and kill them and let them feel the pain of death that we are feeling!”

Hear it for yourself: <https://www.youtube.com/watch?v=yr7Q9KzjBKg>

So the question comes up when watching this: why isn’t this hate-mongering genocidal wannabe Islamic terrorist arrested for ‘terroristic threatening’, ‘death threats’, ‘Incitement’ and any and other charges that would certainly be levied against any white Christian Conservative talking this way about say……The blacks or illegal aliens or Muslims or abortionists and their clinics???? Certainly any White Christian anywhere publicly advocating violence like this, would be met with calls for immediate arrest, if not warranting a SWAT team.

The hypocrisy regarding this issue knows no end.

See in Obama’s Amerika, it is a crime to protest death mills harvesting baby parts for sale, but it is ‘free speech’ to incite 10,000 black men to rise up and KILL Whites – whether they be police or families and people based on the color of their skin.

The civil society is unravelling. How is it possible to co-exist alongside a people who want you and your race dead and demand that their government help them do it. You cannot co-exist alongside a people who will vote for those who will make their demands become public policy.

We can thank His Heinous Barack Obama I, for creating the conditions that will exacerbate a race war, followed by a genocide.

Why are Swedish women emigrating in record-breaking amounts?

Sweden's 2014 emigration statistics have been released last month, and they show that Swedish-born women are emigrating away from Sweden in record-breaking amounts. In 2014, a total of 51,200 people emigrated, and 23,900 of those were women. This means that in all of Sweden's history, 2014 was the year when the most women left the country.

So why exactly is this happening? The country is having immigration and "diversity" forced on it with such severity that many Swedes are simply "White flighting" to another country entirely.

Sweden is dying fast. Men now outnumber women, it is taking 10,000 asylum seekers every week, and the government is spending the equivalent of \$4 billion a year to move them in.

The majority (58%) of Swedes say that there are too many immigrants, but the government (as do most Western governments) simply refuses to listen, and insists that the Swedes are wrong.

Is it any wonder why Sweden's Social Democratic Party wants to officially put the country in a "state of emergency"?

The elite have tried to engineer the demographics of Sweden through open door immigration policies. Their goal was to get rid of the White Swedish majority and turn the country into a random assortment of people.

This is White Genocide; genocide is defined by the goals you seek – not the methods you use. They seek to get rid of the White majority, therefore it is genocide.

Vet: Dangers of Syrian Refugees! Read This Now!

Wednesday, November 18, 2015

Christopher Allard 23 hrs · Edited ·

I don't typically go on rants or express my political beliefs here, but I just have to get this off my mind.

As some of you know, I'm active duty Army. Aside from that, **I am a medic. I've spent 3 years of my life overseas in both Afghanistan and Iraq. I've seen**

some pretty atrocious sites caused by war, from both sides.

I've picked up blown up body parts of friends and I've saved the lives of guys who were trying to kill me and my guys right before I was keeping them from their

72 virgins; or whatever they believe awaits them on the other side. Here is an unbiased truthful view to the Syrian refugee situation.

My first deployment to Iraq, in 2006, my unit **voluntarily ran a children's burn clinic outside of the FOB (Forward Operating Base). It was a constant target for attacks. You would think that people wouldn't shoot mortars or rockets at their own children, but you would be wrong. We saw hundreds of children, from infants to 18 year olds.**

The overwhelming majority of the kids we saw (90% or better) were clear cases of abuse. These parents were literally dunking their kids in boiling water, or throwing hot chai at their kids' faces... Yes, we're talking about babies, toddlers, kids not even old enough to understand why their parents would do these things to them. HUNDREDS of kids...

We saw quite a few of these kids that were sexually abused, both girls and boys. Their parents acted if nothing was wrong with this, even when confronted by our doctors. This is the mentality of their society, not the viewpoint of a few individuals... these beliefs have been accepted to the vast majority of these people.

Many were educated, well dressed, well-spoken men, but yet, they still raped their own children, and kept chai boys (if you don't know what that means, google it.)

During that deployment, we also captured the 3rd largest EFP (explosively formed penetrator) cache that had ever been captured. There were hundreds of copper plates, homemade explosives, fake curbs to house the EFP's, hundreds of mortars and rockets and howitzer rounds, even an anti-aircraft gun. **All of these things came from one place, Syria. Almost every single IED (improvised explosive device) or EFP we found, or or hit, could be traced back to Syria... A lot of the terrorists we captured were from SYRIA... Imagine that.**

Fast forward a couple years, and I find myself in Helmand Province, in Afghanistan... We had a group of Afghani's that were paid to help guard our little mud hut in the middle of an Afghan village (I wasn't on an FOB) **These guys also kept a "chai boy"; a boy, about 11 years old, who was there to serve these guys sexually. We heard him being sexually assaulted many times, but there was nothing we could do about it. We asked the police, the Afghan Army, and we were told the same thing every time.... it's their culture, and accepted as the norm....**

Once again, we captured Syrian made explosives, weapons, and other items... We found Syrian passports during raids... And people out there want us to let these people into the US, with our kids, and near our wives. Near our schools, near our churches, synagogues, malls. Places where we should never have to fear being blown up, shot, kidnapped and tortured...

Don't forget what they did to the Egyptian Coptic Christians, or the Jordanian pilot... Don't forget about what they do to rape victims! They stone these women to death for being raped! They behead their own people. Do you think they will show mercy to you? Look at the rape statistics in Denmark, Sweden, Belgium. Facts don't lie... 97% of rapes committed in Sweden were committed by Muslim immigrants... And you want 10,000 of these people here? Even if just 1% of these so called "refugees" were ISIS supporters, or active ISIS terrorists, would that be

acceptable to you? Chew on it... think about it. Take a good look at your kids or your wife and decide if the risk is worth taking. Feel free to share this if you want.

Farrakhan: Blacks Must Rise Up And Kill Whites--Calls For 10,000 Black Muslim Men To 'Retaliate'

While Obama and the Praetorian Media's cadre of Leftists scream about the Confederate Flag being 'offensive' and 'Right Wingers' being domestic extremists – SILENCE from the same when there are calls for the mass

slaughter of Whites in America.

I keep warning about the increasing signs of an impending genocide being openly discussed and planned in America by Leftist ideologues of various stripes.

Official government documents refer to White Conservative Christians who oppose abortion as 'potential domestic terrorists', and classify Right Wing Conservatives and returning vets as 'Extremists'. Ideologues have called Southern Whites 'Monsters' and a bigger threat to the country than Jihadist

Islam. Some media hacks are demanding the entirety of Southern ethnic culture to be eradicated, along with whites.

Now that life is cheap and government-funded organizations are killing babies by the tens of millions and selling their harvested parts for profit, what does it matter that other 'undesirables' and 'threats' to 'society' are suggested to be eliminated?

[Black mob beats white man carrying Confederate Flag...](#)

(Gateway Pundit) A mob of black youths beat a white man carrying a Confederate flag in Charleston last weekend. The video was posted earlier this week.

The youths beat the man down to the pavement and then took his flag.

One man was carrying a bat.

Comment: Again if the tables were turned and it was a group of whites beating up a black man carrying a 'black lives matter' flag, this report would be front page news for weeks with innumerable calls for the eradication of white men.

[Shock Video: Black Couple Beat White Woman: "Wrong Hood, B****"](#)

Another shocking video which depicts a vicious racial attack has emerged showing a black couple beating a white woman while the man yells, "Wrong hood, b**!"**

The footage shows a man brutally punch the woman, causing her to fall to the ground. The incident occurred in Milwaukee's north side.

A black woman then joins in the attack, as the couple are seen repeatedly stomping on the woman's head, with the man shouting "Wrong hood, b**!" over and over.**

[Black mobs routinely terrorize cities across the country, but the media and government are silent. Read the detailed account of rampant racial crime in "White Girl Bleed A Lot: The Return of Racial Violence to America and How the Media Ignores It."](#)

One sided racial violence is exploding. Along with widespread racial crime – even riots. In hundreds of episodes in more than 80 cities since 2010, groups of black people have been roaming the streets of America – assaulting, intimidating, stalking, threatening, vandalizing, stealing, shooting, stabbing, even raping and killing. In cities big and small. In ways expected and unexpected. But local media and public officials are silent.

Play: <https://www.youtube.com/watch?v=vdFrQW8BSmA>

Crime is colorblind, says a Milwaukee police chief. Race is not important, a Chicago newspaper editor assures us. That denies the obvious: America is the most race-conscious society in the world. We learn that every day from black caucuses, black teachers, black unions, black ministers, black colleges, black high schools, black music & black moguls. We learn it in stories written by

members of the National Association of Black Journalists. We talk about everything except black mob violence and lawlessness. That is Taboo. Result: Few know about it. Fewer still are talking about it.

Today it is at epidemic levels in almost every city in the country. The list of cities under attack is long and getting longer – with some cities suffering dozens of attacks in the last few years alone. And more, more, more. Des Moines, Iowa? Yes, at the Iowa State Fair, no less – during what one cop called Beat Whitey Night. Peoria, Illinois? Absolutely: As many as nine race riots in 2011 alone – right in the middle of Middle America. Milwaukee? Yes, on the Fourth of July, after looting a nearby convenience store, a crowd of nearly 100 blacks set upon some white teens on a picnic. After beating one white woman, a black woman noted, “Oh white girl bleed a lot.” And the Milwaukee state fair is probably the most explicit and public hate crime arena anyone has seen in years. Hundreds of black people roamed the fairgrounds, targeting white people for violence. You didn’t hear about that?

Editorial Reviews

“Reading Colin Flaherty's book made it painfully clear to me that the magnitude of this problem is even greater than I had discovered from my own research. He documents both the race riots and the media and political evasions in dozens of cities across America.” – Thomas Sowell, National Review

“Colin Flaherty has done more reporting than any other journalist on what appears to be a nationwide trend of skyrocketing black-on-white crime, violence and abuse.” – WND.com

“This is an important book. You must read White Girl Bleed a Lot.” – Rev. Jesse Lee Peterson

“What’s happening, as the book makes indisputably clear is, first, black mob violence against nonblack persons and property, and second, appalling indifference, denial, and cover-up by police and the media.” – John Derbyshire

racism white supremacy is universal on Planet Earth...

are you STUPID???? Lol, black people cannot be racist. Oh really?? I love how you are supposedly creating and controlling the narrative here as though you are the ultimate judge, jury and rule maker regarding this subject. How utterly hypocritical of you. Oprah Winfrey recently said that racism will not disappear until older white Americans die. But what she did not mention is the inescapable fact that racism is alive and well in the minds of many black Americans. So predominate is this hatred many blacks are convinced other blacks are racist. In a recent Rasmussen poll, 31% think most blacks are racist but I guess according to you this is all made up lies.

“I hate white people,” said LeShawn Marten, a black man who attacked an older white man in New York’s Union Square, knocking him into a coma that ultimately

resulted in his death. **Not a word about the racist nature of the attack from Sharpton, Jackson or Winfrey.** Even the establishment media is reluctant to characterize the attack as racist.

Where is the Black & Mainstream Media Outrage?? BRUTAL FOOTAGE of Unsuspecting Navy Veteran (Walking with a Cane) Knocked Out by a Black Thug in “Knockout Attack” (VIDEO) The Navy veteran NEVER saw it coming.

HORROR! Black Youths Mock and Laugh at Unconscious and Bloody Victim After July 4th Beatdown (VIDEO)--Police had to rescue the man from an attacking mob of about forty Black people

*Which black people can put whites in jail (A black law enforcement officer), stop them from getting jobs, re-draw re-districting lines for voting purposes, discriminate in housing, etc etc etc... Oh really that's collectively every white persons fault, how convenient for you and all that share your belief system, here's what an honest black man has to say about this: **Play to 5:51: (Caution some language)** <https://youtu.be/nZdLKJfPM?t=15s> I actually had another black listener attack me the other day (like you are doing) and tell me **the Charleston Church Shooting was a “national call to repentance for all white people”** as if all whites are responsible for that shooting to which the vast majority of whites (including myself) would never condone that Satanic behavior ever. But hey for people like yourself it just easier to blame and hate all whites I guess. Now if I apply the same logic and blame game mentality you are invoking here, **then I can (as a white person) say that every time a white girl is raped or beat or a violent act is committed against a white person (which happens at a 39 to 1 disproportionate ratio against whites, according to federal statistics, see below) that everytime I see that happening that I can indict all blacks and tell them that every time this happens it is a national call to repentance for all black Americans.** How is that for fair? Do you like having the same illogical standards you are applying to whites applied to yourself?? I'm sure the very thought of this is outrageous to you and it is equally outrageous to me as well **and to God as God abhors unjust scales and balances.***

Federal Statistics Show Blacks are 39 Times More Likely to Commit Violent Crime Against Whites Than Vice Versa
Examiner

EQUALITY FACTS #13
THE INDISPUTABLE FACTS ABOUT RACIAL EQUALITY

90% of all interracial crimes in the U.S. are committed by blacks against whites.

Source: U.S. Dept of Justice
<http://bjs.ojp.usdoj.gov/index.cfm?ty=dcdetail&iid=245>

August 25, 2014

The **“New Century Foundation”** studies Federal crime reports, and found significant differences in crime ratio between races, verified by the FBI's NCVS, **National Crime Victimization Survey**, and The Department of Justice's UCR, **Uniform Crime Reports**, FBI Communication's Division, 304-625-4995.

They state emphatically that the Judicial System is **not biased against minorities but statistically:**

Blacks are seven times more likely than people of other races to commit murder, and eight times more likely to commit robbery.

Blacks are three times more likely to use a hand gun, and twice more likely to use a knife.

Hispanics commit three times more violent crimes than whites, but the statistics are nebulous because sometimes they are classified as white, so it could be far higher.

The best indicator of violent crime levels in an area is the percent of the population that is black and Hispanic.

Blacks are 39 times more likely to commit a violent crime against whites than vice versa, and 136 times more likely to commit a robbery against whites.

Forty-five percent of black crime is against whites, 43 against other blacks, and 10 percent against Hispanic.

Blacks are seven times more likely to go to prison, Hispanics three times).

Also here is another honest take on this subject: [Black Pastor Drops Epic Truth Bomb About Charleston Shooting \(Video\)](#)

In this video, the Pastor BEGINS by calling out President Obama and the Department of Injustice, calling them race hustlers, and saying that if the races of the shooter and victims had been different, the incident would have received little to no attention from the media. Why is it that Obama and the rest of the race hustlers tell us that we cannot judge the entire religion of Islam by the actions of a few fanatics, but it's okay to judge all conservatives and all gun owners by the actions of an obvious lunatic?

I expected more from you. Instead you turned out to be a sniffing prejudice insignificant blight on christendom. ENDEAVOR TO KEEP THE UNITY IN THE SPIRIT OF THE BOND OF PEACE... is what the Bible says. Oh, so what your really

saying here is that in order to not offend the blacks I need to (especially as a white person) keep my mouth shut about all the truth I just went over above as that would be much more Biblical and pleasing to God. I'm sure you would have no problem being held to that same standard. *I make no apologies for exposing evil and as a watchmen it is one of my primary jobs and callings: Ephesians 5:11-*

16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them...** But all things that are **reproved** are made **manifest** by the light: for whatsoever doth make **manifest** is light. (Comment: "Light" always overcomes and exposes darkness) Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, **not as fools**, but as wise, Redeeming the time, **because the days are evil.**" The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Manifest: Plain, open, clearly visible to the eye or obvious to the understanding; apparent; not obscure or difficult to be seen or understood.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant of his devices.**"

shame on you. shame on you.

ARE BLACK POLICE ILLEGALLY MURDERING WHITE CHILDREN AND OTHER WHITE PEOPLE IN THE STREETS????? Thank you for bringing up that subject!! And yes they are, as cited above. Unbelievable that you would really bring this up as I just went over the disproportionate crime and murder rate statistics of black on white attacks. I guess you believe that it is the whites that are really the ones that are attacking the blacks in the streets and all the video footage and evidence are just all lies. It is actually a white plot against all blacks, to which I am the head of. It's funny how you never refuted the 34 page document I sent you documenting all the black on white crime but would just prefer to attack the entire white race blaming us for all the problems of the black race. Honest black people disagree with you. But how convenient for you. Keep up the great work!!!

No. white police commit crimes of illegal murder killing black children.... Oh really is that why in NYC 51% of black women abort their babies because it is white police forcing them to do so??? Also what do you have to say about this report: **Police Kill More Whites Than Blacks, But Minority Deaths Generate More Outrage-** 22 April 2015 Nobel Prize-winning novelist Toni Morrison says she wants to see an officer shoot an unarmed white teenager in the back before agreeing that the "conversation about race" is over, but she almost certainly already has received her wish. **Comment:** Her wish has been granted: [Why Unarmed White teen killed by police hasn't led to national protests](#)

Zachary Hammond was on a first date with a girl on July 26 in Seneca, S.C., when they stopped at a Hardee's parking lot in his car. Police said they suspected the girl of selling marijuana and set up a sting operation to try and catch her in the act.

When confronted with law enforcement, Mr. Hammond attempted to flee and a police officer shot him twice. In the end, Hammond had been killed and his companion was charged with a minor drug possession.

The death of Hammond, who was 19, bears some strikingly similarities to the death of Samuel DuBose, a black Cincinnati man who was shot by a police officer on July 19. In both cases, the two men were unarmed and the official police record that said the suspects attempted to run officers over has been called into question by conflicting sources. The difference in media attention thus far, however, is notable.

Currently on social media, debate is raging about the lack of attention Hammond's death has gotten from #AllLivesMatter proponents, who have been accused of trying to distort the message of #BlackLivesMatter activists fighting for parity for black people in the criminal justice system.

Continuing: An analysis released last week shows that more white people died at the hands of law enforcement than those of any other race in the last two years,

even as the Justice Department, social-justice groups and media coverage focus on black victims of police force.

"People keep saying, 'We need to have a conversation about race,'" Ms. Morrison told the (U.K.) Telegraph in an April 19 interview.

“This is the conversation. I want to see a cop shoot a white unarmed teenager in the back,” said Ms. Morrison, who also has won the Pulitzer Prize for her work, which includes the bestsellers “Beloved” and “Song of Solomon.” “And I want to see a white man convicted for raping a black woman. Then when you ask me, ‘Is it over?’, I will say yes.”

Virginia,US: Muslim Firefighter Incites Violence Towards Police Officers Stating ‘.We Have to Start Putting Them in Body Bags..’

by, Tisha Lewis | [Fox News](#) |

TRIANGLE, Va. - Neighbors of Fairfax County firefighter Khalil Abdul-Rasheed were stunned by his posts on social media.

The 15-year veteran of the Fairfax County Fire and Rescue

Department reportedly responded to a post about police encounters by saying, “We have to start

putting them in body bags...”

Abdul-Rasheed apparently continued his post saying, **“Pull the cops off, lay on the individual, form a circle or throw punches.”**

The Fairfax County Fire and Rescue Department said its internal investigation process continues while Abdul-Rasheed is off the front lines.

“The Fairfax County Firefighter involved in the social media post has been placed on paid administrative leave,” said Fairfax County Fire and Rescue in a statement. “An internal investigation process is underway.”

Black Pastor Drops Epic Truth Bomb About

Charleston Shooting (Video)

In this video, the Pastor BEGINS by calling out President Obama and the Department of Injustice, calling them race hustlers, and saying that if the races of the shooter and victims had been different, the incident would have received little to no attention from the media.

Why is it that Obama and the rest of the race hustlers tell us that we cannot judge the entire religion of Islam by the actions of a few fanatics, but it’s okay to judge all conservatives and all gun owners by the actions of an obvious lunatic?

Federal statistics and studies show that blacks are **39 times** more likely to commit a violent crime against whites than whites committing violent crimes against blacks. Oprah Winfrey recently said that racism will not disappear until

older white Americans die. But what she did not mention is the inescapable fact that racism is alive and well in the minds of many black Americans. So predominate is this hatred many blacks are convinced other blacks are racist. In a recent [Rasmussen poll](#), 31% think most blacks are racist.

"I hate white people," said LeShawn Marten, a black man who attacked an older white man in New York's Union Square, knocking him into a coma that ultimately resulted in his death. **Not a word about the racist nature of the attack from Sharpton, Jackson or Winfrey.** Even the establishment media is [reluctant to characterize the attack as racist.](#)

I finally had some time to listen to your audio from three weeks ago and wow do I have a few things to add to what was said in regards to the black mob violence that was taking place especially in Peoria, Illinois. From my own personal experiences the things that were said were certainly true and more. I moved out of Peoria the day I graduated from college back in June of 2011. Two weeks prior to that I was jumped by about ten african americans in a very bad neighborhood of Peoria (the southside). I was beat within inches of my life, stripped of my shorts, and robbed of my money. I had to go to the hospital of course and get treated etc. Of course the cops filed a report but nothing was done. It was a very horrific experience but was the last straw I needed to finally move out of there after 7 years (7 years tribulation...). I also had an experience back in Dec 2007 where I was viciously assaulted and tazed by the Peoria police. I was in and out of court over this situation for years... I contacted one of the top lawyers in Peoria to see if he would take my case, but he declined and said he does not handle cases like mine. A few months later he took a case for a black man who was running from the police and was wanted on charges etc... They assaulted him etc. He took this case but not my case... I wonder why. Peoria... It is one of the worst cities in America per capita for STD's and abortions. Peoria... Baal Peor? I would venture to guess this is where Peoria's name really originates from though I am sure there is an exoteric interpretation of this place.

Police Kill More Whites Than Blacks, But Minority Deaths Generate More Outrage

<<<< 22 April 2015 Nobel Prize-winning novelist Toni Morrison says she wants to see an officer shoot an unarmed white teenager in the back before agreeing that the “conversation about race” is over, but she almost certainly already has received her wish.

An analysis released last week shows that more white people died at the hands of law enforcement than those of any other race in the last two years, even as the Justice Department, social-justice groups and media coverage focus on black victims of police force.

“People keep saying, ‘We need to have a conversation about race,’” Ms. Morrison told the (U.K.) Telegraph in an April 19 interview.

“This is the conversation. I want to see a cop shoot a white unarmed teenager in the back,” said Ms. Morrison, who also has won the Pulitzer Prize for her work, which includes the bestsellers “Beloved” and “Song of Solomon.” “And I want to see a white man convicted for raping a black woman. Then when you ask me, ‘Is it over?’, I will say yes.”

Was Attack on Mother and Toddler Part of Racist Knockout Game? Another attack barely mentioned in mainstream media--Why is there a double standard when it comes to coverage of racial attacks by mainstream media?

Black people in the United States are more likely to be victims of violent confrontations with police officers than whites because they commit more violent crimes than whites per capita.

– **FACT:** Despite making up just **13% of the population**, blacks commit around half of homicides in the United States. [DOJ statistics show](#) that between 1980 and 2008, blacks committed 52% of homicides, compared to 45% of homicides committed by whites.

More up to date [FBI statistics](#) tell a similar story.

In 2013, black criminals carried out 38% of murders, compared to 31.1% for whites, again

despite the fact that there are five times more white people in the U.S.

– **FACT:** From 2011 to 2013, **38.5 per cent of people arrested for murder, manslaughter, rape, robbery, and aggravated assault were black.** This figure is three times higher than the 13% black population figure. **When you account for the fact that black males aged 15-34, who account for around 3% of the population, are responsible for the vast majority of these crimes, the figures are even more staggering.**

– **FACT:** Despite the fact that black people commit an equal or greater number of violent crimes than whites, **whites are almost TWICE as likely to be killed by police officers.**

According to data from the Centers for Disease Control, between 1999 and 2011, **2,151 whites died as a result of being shot by police compared to 1,130 blacks.**

Critics argue that black people are overrepresented in these figures because they only represent 13% of the population, **but they are underrepresented if you factor in violent crime offenders. In other words, you would expect the number of blacks and whites killed by police to be roughly equal given that they commit a roughly equal number of violent crimes, but that's not the case. Whites are nearly 100% more likely to be victims.**

And what about black on white violence in general?

– **FACT:** Despite being outnumbered by whites five to one, **blacks commit eight times more crimes against whites than vice-versa, according to FBI statistics from 2007. A black male is 40 times as likely to assault a white person as the reverse. These figures also show that interracial rape is almost exclusively black on white.**

“Even allowing for the existence of discrimination in the criminal justice system, the higher rates of crime among black Americans cannot be denied,” wrote James Q. Wilson and Richard Herrnstein in their widely cited 1985 study, “Crime and Human Nature.” **“Every study of crime using official data shows blacks to be overrepresented among persons arrested, convicted, and imprisoned for street crimes.”**

It's clear that the greater propensity for black people to commit violent crimes is a driving factor as to why blacks are becoming involved in more violent confrontations with police than their 13% population figure suggests they should be. If the 911 calls are coming from black areas and are related to black people committing violent crimes, then of course black people are more likely to be involved in violent confrontations with cops.

November 30, 2014--I have been thinking of what to say about the situation in Ferguson. **As a Christian, as a black, as a woman that grew up middle-class between Detroit and Atlanta, I have many different experiences to form a perspective on the situation.**

I listened to this video and found myself agreeing with most of what this young man has to say.

But what are the changes that we need to make – as black people, as people, as Americans?

Here are some of my suggestions:

1. **Stop blaming others for the decisions that we make.**
2. **Turn off the television so that we can learn to think for ourselves.**
3. **Stop thinking that hard work is not meant for us.**
4. **Stop hating on people of other cultures that come over here, start businesses and thrive.**

5. Start reading things that will edify us and teach us how to become self-sufficient.
 6. Stop reading trash.
 7. Teach our children how to think, and solve problems without violence.
 8. Value education and utilize it to better ourselves.
 9. Stop being envious of people that succeed and excel in what they do
 10. Take an interest in what goes on in our communities.
 11. Get active in our churches and houses of worship.
 12. Teach our children how to be ethical and integral.
 13. Be examples to everyone that is watching, they are watching.
 14. Be lawful but respectfully question authority.
 15. Be passionate about life.
 16. Motivate others to be and act positive.
 17. Respect and help the homeless, widows, orphans and the elderly.
 18. Respect ourselves.
 19. Don't throw trash out of our cars onto the street.
 20. Respect and treat others as we would want to be respected.
 21. Tell the truth no matter the consequences.
 22. Forgive.
 23. Love, don't hold grudges, it only makes us bitter.
 24. Share good news with others and don't hoard successful strategies.
 25. Pray.
 26. Seek wise council before making rash decisions.
 27. Manage our money so that we will not always be broke busted and disgusted.
 28. Don't take what does not belong to us whether it be physical or intellectual.
 29. Keep our minds sharp and clear of evil thoughts.
 30. Eat as healthy as possible so that our minds won't be foggy.

[BREAKING: The REAL Michael Brown They Don't Want You to See... \(SHOCKING VIDEO RELEASE\)](#)

Most people are aware of who Michael Brown is. Or should I say “was?” Well, most people only know the Michael Brown that Imam Al Sharpton and many other ignorant race-baitors would have you believe he was.

This is the REAL Michael Brown they don't want “you” to see...

Play: <https://www.youtube.com/watch?v=Sn2eDyaq3mQ>

This is Lesley McSpadden. She is Michael Brown's Mom. She never married his Dad.

This is Louis Head. Lesley's boyfriend, they are not married. He is not Michael's Step-dad.

Michael did not live with them. They did not care enough about him to raise them in their home.

Michael lived with his Grandmother, Pearlie Gordon. She raised him. Lesley and Louis had Pearlie and her friends attacked and beat up, and stole money from her. Why? She was selling T-shirts memorializing Michael. Lesley felt "entitled" to the money.

Lots of love in that "family."

If anything is to be mourned it is the fact that Michael never had a chance to live with two real parents who loved and raised him in their home. He only became important to them when he was dead.

That is the true sadness of Michael Brown.

Why don't Sharpton, Jackson, Holder, and Obama focus on the need to rebuild real, solid family units and values in the Black Community where parents are dedicated to their kids and they focus on their lives *before* and not *after* they are gone.

Michael Brown did not have that opportunity.

Ferguson Riots: Principled People Repudiate Rioters!--Don Boys, Ph.D.

<http://donboys.cstnews.com/ferguson-riots-principled-people-repudiate-rioters>

America's melting pot is seething and about to explode. **Two generations have been taught that Blacks are special because they were slaves more than a hundred years ago. Because of that they are to be considered a special group and not held to the same standard of others. That is classic racism.**

...While consisting of 14% of our population, we know that about 60% of black births are illegitimate but we must not discuss it. We know that prisons are full of black criminals but that is embarrassing. We know that many black areas are so dangerous even police officers are fearful to enter.

But Blacks were slaves. No, they were not. Not one person now in America was a slave. It is time to realize that the disgraceful time of slavery in the U.S. (a product of Whites and Blacks) **is not an excuse for affirmative action, parasitic welfare, violence, immorality, looting, vandalism, school absenteeism, etc. Many of us would find slaves in our ancestry if we traced it because slavery had no racial boundaries.**

I am so weary of **racial bigots** making race an issue when it is not an issue. Let's ask the honest question: **Did the suspect (whatever his race) do the dastardly**

deed or not? People with character will stand with truth not with emotion—even when a friend or family member is the culprit.

How can America be racist when we have a black President, a black Attorney General, and roughly 20% of the federal workforce is black while only 14% of the population is black? Furthermore, more than 40% of all federal entitlements go to black Americans and that's more than three times the rate that go to Whites. Moreover, the top entertainment "stars" are black as well as being among the wealthiest of Americans.

Every American has a constitutional right to discuss, disagree, and debate anything in America. A thousand people marched and Black Panthers chanted: *What do we want?– Darren Wilson! How do we want him? – Dead!* Such people are scum. Others chanted, "Time to kill a cop!" The New Black Panthers led a large crowd of "useful idiots" in chanting, "Black Power, Black Power." Why aren't those lowlifes in jail?

Missouri State Highway Patrol Captain Ron Johnson was placed as head of the police response team and seems to be a qualified black officer; however, he made matters worse by hugging and commiserating with the protesters! .

Principled people know that many of the protesters are simply thieving looters who would have been shot 80 years ago. Looters have historically been shot!

Decent, law-abiding citizens will always defend the right to protest in America but no person with character will defend the looting, burning, robbing, and shooting of people. When the explosion happens, such people—the protesters and their supporters—will have bloody hands. That goes for Obama, Jackson, Sharpton, NAACP, and cowardly politicians who made racist decisions for personal benefit.

Michael Brown Innocent Unarmed Teen ... 6' 3" 300 lbs ... not so fast!

Another shocking example of major media hype getting in the way of the facts...

"That so-called 'kid' has a rap sheet a mile long already. How about the true account as it appears on Facebook? Let's take a look at that whole 'innocent' situation. The news media reported that an unarmed teen was shot 8 times and killed by a Ferguson Police Officer.

Did you know that the unarmed teen was 6 foot 3 inches and 300 lbs, or that according to witnesses in the complex (not other police officers, WITNESSES IN THE COMPLEX), the unarmed teen along with another suspect blocked the officer's vehicle from responding to a call by standing in front of it? After words were exchanged, the 'innocent' teen rushed the officer tackling him back into the driver's seat of the police

car. As the unarmed teen was on top of the officer beating him to where his face has several contusions and his eye is still swelled shut this morning, the officer went for his gun and fired. I think we all agree that the officer should have let the unarmed teen beat him to death rather than fire the shot because he was an 'unarmed black teen' that was looking forward to going to college next week.

After the round goes off, the unarmed teen backs out of the car and starts to walk away. The officer who was just severely assaulted by being punched in the head repeatedly, points his gun at the teen, tells him he's under arrest. The unarmed teen turns and, according to witnesses, again the WITNESSES IN THE COMPLEX, the teen starts yelling at the officer daring him to shoot. He AGAIN rushes the officer at which point the officer, who was just beaten, fires at the unarmed innocent teen."

Subject: Fw: **Words of a dying black man Ferguson and Michael Brown** (MUST READ!!! and SO TRUE!!!)

This is most interesting and if you only read one e-mail today this should be it. It is written by a dying black man whom I'd love to shake hands with. It is long and uses graphic language a time or two – so just grin and bear it and digest the 'message' this man delivers in no uncertain terms. It will be interesting to find out who wrote this. Perhaps we will know in time. The words of a dying man have always captured my attention, right or wrong, they are worth reading. I believe what this dying man has to say has a lot of truth. May not be what some will want to hear.

I wanted to clear up a few black and white questions and answers. The things I state are facts. They are not downloaded from some media website, not propaganda, just observations from a 70-year-old black man born in America.

I was told by my parents (yes, a married man and woman with my last name) that I was nigger. We lived in "Nigger Town" in a small Texas town, no A/C, grass growing through the floor, no car, no TV. We washed our bodies with lye soap that my mother made by hand. I thought I was a nigger until I graduated high school, went to college, did an enlistment in the Army and got a job. I am now retired, own my own home, have six children by ONE WOMAN and we all have the same last name. I have a Bachelor's Degree in Liberal Arts and a Master's Degree in Sociology. My retirement, VA disability from combat in the Korean War (I only have one leg) and part-time pay in a local college, is about \$125,000 a year. From dirt poor nigger, to old, black, proud American.

Yes, I am black, and I can say "nigger", because I understand the true meaning of the word.

Let's clear up a few things about the Michael Brown incident.

Fact: It is not called "shoplifting or stealing", it's called "robbery", which is a felony. Brown stole something and assaulted someone, that means ROBBERY. It's on video and it's a fact. Not shoplifting, not theft, not "lifting" a few cigars, but ROBBERY!

Michael Brown, like Trayvon, was portrayed by the media as a "little black boy", cute little headphones and his cap and gown photo gunned down by a ruthless police assassin, executed by "whitey". First, I have never seen a cop drag a person into their car's driver door to arrest them. So, let us be clear, Michael Brown was a nigger; a sorry assed, criminal, hoodlum, nigger. Nobody wants to say that, but I will. He had a criminal record a mile long, was known for numerous assaults, robberies, including the one you saw with your own eyes and still refuse to call it a robbery. He was, like so many others, living a life that he thought he was "entitled" to, just for being alive. Gangsta rap, weed, drinking, guns and those stupid-assed low profile rims makes him some kind of bad-ass nigger.

I have fought communist Chinese and North Korean soldiers in the 1950's with more honor than that nigger. Yep, I peeled potatoes and shot communists.

That's the only job a nigger soldier could get.

Rodney King? Black Riots!

Trayvon? Black Riots!

Hurricane Katrina? Black Riots! Stealing TV's, designer clothes, etc.
O.J. Simpson kills white man and white woman - found NOT GUILTY? Did white folks riot? Nope!

In fact, when is the last time white people rioted? Civil War, maybe? That's because they are, relatively, civilized people, much like many black Americans. Protesting is one thing, hell, I'm all for it. Even if you are an ignorant idiot you have a right to protest.

Stop only showing the young black "cap and gown" photos of Michael. Charles Manson may have a few of those laying around, as well. **Show the nigger "gangsta" photos of the "poor unarmed teenager" (grown man) pics that have been removed from his Facebook page, holding the loaded pistol, smoking weed, with a mouthful of money.**

Militarization? The stupid-assed media that publicizes this has no idea what "militarization" really is. Cops wear helmets and vests and drive armored vehicle because unemployed niggers thrown bricks at them, moron! You put on an "Adam 12" uniform and walk down the streets of Ferguson during the criminal riots. I can guarantee that you'll jump into the first armored "military tank" that you see.

You only "want the police" when you "need the police" otherwise, you mock and fear what you do not understand about the police. And by the way, the police are trained to take your shit, but I wouldn't fool around with those Army National Guard, they aren't as well disciplined "culturally" to take your shit like police do every day. They will ventilate your black asses with M-16's with military precision and extreme prejudice.

And finally, the way we protest and demand justice, is run down the streets breaking stuff, looting stores, and acting like a bunch of untrained monkeys? Hell, after Rodney King, criminal niggers were actually killing people, thinking they were entitled to be worse criminals than they already were. For those black criminals that do that, you are a disgrace to your race, inflamed by idiots like Al Sharpton, instead of listening to logic from proud black Americans, like Bill Cosby, Samuel Jackson, Colin Powell, Allen West, me, etc. (And may I add Dr. Ben Carson? Boomer).

You blame white people for your ignorance, criminal acts, unemployed laziness, etc.

You blame white people for 89% of the prisons in America being full of blacks. They did nothing wrong, the racists white cops framed them all, right? No chance at school, no chance for college, military, employment? BULL S***! More niggers kill niggers, than niggers killing whites, whites killing niggers, and whites killing whites - COMBINED. I find this astounding. It's not white peoples' faults, the Emancipation Proclamation was signed by a white man years ago. You can go to school, get a job, buy a house, and vote, JUST LIKE WHITE FOLKS!!! You are not a slave, you are not discriminated against! Slavery is abolished and nobody alive today was alive when it was popular. Get over it! You are discriminated against because you are a criminal, sorry-assed nigger. Otherwise, black Americans are treated like everyone else. If you choose to create "baby daddy and baby mama" and fake disabilities as an excuse for laziness to draw social security disability instead of husband, wife, family, job, mortgage, it's YOUR FAULT, not white folks. And there are a lot of proud black Americans that will tell you the same, as I AM ONE OF THEM!!! Remember, the way you act on the camera is remembered by everyone who sees it. They will never forget it. It shows them how you, as the black race, respond to situations that don't particularly go the way you think they should. It will become a reference standard, something they expect from you when the next media report doesn't go your way. Stop being stupid niggers and be a proud black American. My parents raised me well, but they were wrong about one thing, I am not a nigger.

I will not be around long. While my mind is still sharp, and my aim is still good, my body is eating away with cancer. It started in the prostate, and is spreading rapidly. After I die, I have asked my children to publish my writings, and include my name. Although I am not expecting any miracles I can only hope that American will stop blaming color, start blaming criminals see people for what they really are. We have too many countries that want us dead. We should not be fighting each other.

Dr. Johnson, It's just like you've been saying, and I am black. I have encountered a lot of hate from black people in this Country more than the whites.

My family moved into an area where there was both blacks and mexicans; and Dr. Johnson the blacks in the area were the ones that was giving us the problems; They were picking fights with the kids and vandalizing our car and home.

Then we moved to an apartment complex where we had problems again with more black people. They broke a bedroom window at night they picked more fights with the kids so many times that we had to call the police; and they weren't any help.

But finally a new owner took over the complex and weeded out the undesirable out of the complex. It's better now thank GOD. But we're still planning on moving from this area.

Dr. Johnson my family and myself are from Trinidad, and we've been living in this country for almost 40 years, and we've never encountered any problems before with any white people; but as soon as we moved to a black and spanish area, there is where our problems with human beings started.

We've lived around white people for most of the 40 years and never encountered any problems with them whatsoever; but the blacks is a different story.

Dr. Johnson check out the story below.

Thank you and GOD BLESS YOU

In other words since I started to mention this subject they are trying to pick apart my theology and the ministry as well, in order to justify their points about me being a racist. In other words discredit the messenger and you discredit his message. Funny they never had a problem with my theology and this ministry before I started documenting all the black on white crime currently taking place, and I tell them I realize this was the exact opposite in the days of slavery and for many decades thereafter (not to say white on black crime still does not go on) and that was equally as wrong. What I usually do is just ask them to refute the documentation below but they can't, so they attack me personally. I tell them some of my best friends are black and I absolutely love them and so does my daughter. God bless you!!!! Scott

Her Response:

Yes Dr. Johnson you can.

I am ashamed to see the young black youth of this Country wasting their lives on hate and lawlessness. They need the LORD JESUS plain and simple. I blame the parents of these youths for not raising their kids in the way the LORD intended. A whole generation of young black youths might be lost.

Why wasn't this Knoxville story, "4 blacks kill white couple" on the TV network news for months? How does the media decide which murders to sensationalize? James Patrick Riley says, "... If there is any racism in the system, it is skewed so far in the favor of blacks, that, frankly, it should be an embarrassment for those in the "race industry." FBI crime stats show that when there is a black/white incidence of violence, in 88 to 91% of the cases, the victim is white. Just last week, in St. Louis three black men were arrested on a "kill whitey" crime spree. Was Rachel Maddow wringing her hands over that? No.

SURPRISE! MEDIA FINALLY WAKE UP TO KNOCKOUT GAME 'It's only new if you have been aggressively ignoring the epidemic of black mob violence' Editor's note: Colin Flaherty has done more reporting than any other journalist on what appears to be a nationwide trend of skyrocketing black-on-white crime, violence and abuse. WND features these reports to counterbalance the virtual blackout by the rest of the media due to their concerns that reporting such incidents would be inflammatory or even racist. WND considers it racist not to report racial abuse solely because of the skin color of the perpetrators or victims.

Dr. J, I don't know if you've seen this yet. [Thanks for the teaching I'm an African American I agree with the crime statistics. I've been saying this for years and I'm branded a sell out by my own race \(Like our Lord\). Jesus said this would happen and i love Him for it.](#)

[America is the midst of an epidemic of racial mob violence and the media refuses to report it.](#)

In my book, I documented hundreds of examples of black mob violence in more than 70 cities big and small throughout the country.

Many of the episodes are on YouTube. I also documented how the media and public officials ignore, condone, excuse and even lie about this wave of lawlessness. Despite a growing mountain of

evidence, some still deny this problem exists. (Curiously, the same people who deny the problem are always the first to explain it away.)

So here are the links to racial mob violence throughout the country, following the organization of the chapters in my book: Some by city, some by theme, i.e. racial violence against Asians, “gays,” Jews, women and others.

I followed up many of the links with phone calls or emails to confirm the racial nature of the attacks and lawlessness.

Many of the individual links are definitive. Treat the others as clues that are part of an investigative package that help us determine the racial quality of the mayhem. And how public officials and media react to it.

!!!Editor’s note: Some of these links will have images and language that is objectionable:

Approximately 12%-13% of the American population is African-American, [but they make up 40.1% of the almost 2.1 million male inmates in jail or prison \(U.S. Department of Justice, 2009\).](#)^[1] Census data for 2000 of the number and race of all individuals incarcerated in the United States revealed a wide racial disproportion of the incarcerated population in each state: the proportion of blacks in prison populations exceeded the proportion among state

residents in twenty states; the percent of blacks incarcerated was five times greater than the resident population.

- *A black male born in 1991 has a 29% chance of spending time in prison at some point in his life.²*
- *Nearly one in three African American males aged 20–29 are under some form of criminal justice supervision whether imprisoned, jailed, on parole or probation.*
- *One out of nine African American men will be incarcerated between the ages of 20 and 34.*
- *Black males ages 30 to 34 have the highest incarceration rate of any race/ethnicity.*

But since these youths get a cultural pass, it's probably better to simply cancel all the family events in Atlanta and let the thugs have the park. The cops know the courts won't do anything about them, so they don't waste time trying to control them. Why arrest these criminals when you KNOW the courts are just going to turn them loose again?*

Justice Department Statistics About Black On White Race Violence--'The Race War Of Black Against White' by Paul Sheehan *The Sydney Morning Herald*, Australia, 20 May 1995

The longest war America has ever fought is the Dirty War, and it is not over. It has lasted 30 years so far and claimed more than 25 million victims. It has cost almost as many lives as the Vietnam War. It determined the result of last year's congressional election.

Yet the American news media do not want to talk about the Dirty War, which remains between the lines and unreported. In fact, to even suggest that the war exists is to be discredited. So let's start suggesting, immediately.

No matter how crime figures are massaged by those who want to acknowledge or dispute the existence of a Dirty War, there is nothing ambiguous about what the official statistics portray: for the past 30 years a large segment of black America has waged a war of violent retribution against white America.

And the problem is getting worse, not better. In the past 20 years, violent crime has increased more than four times faster than the population. Young blacks (under 18) are more violent than previous generations and are 12 times more likely to be arrested for murder than young whites.

Nearly all the following figures, which speak for themselves, have not been reported in America:

- According to the latest US Department of Justice survey of crime victims, more than 6.6 million violent crimes (murder, rape, assault and robbery) are committed in the US each year, of which about 20 per cent, or 1.3 million, are inter-racial crimes.
- Most victims of race crime—about 90 per cent—are white, according to the survey "*Highlights from 20 Years of Surveying Crime Victims*", published in 1993.
- Almost 1 million white Americans were murdered, robbed, assaulted or raped by black Americans in 1992, compared with about 132,000 blacks who were murdered, robbed, assaulted or raped by whites, according to the same survey.
- Blacks thus committed 7.5 times more violent inter-racial crimes than whites even though the black population is only one-seventh the size of the white population. When these figures are adjusted on a per capita basis, they reveal an extraordinary disparity: blacks are committing more than 50 times the number of violent racial crimes of whites.
- According to the latest annual report on murder by the Federal Bureau of Investigation, most inter-racial murders involve black assailants and white victims, with blacks murdering whites at 18 times the rate that whites murder blacks.

These breathtaking disparities began to emerge in the mid-1960's, when there was a sharp increase in black crime against whites, an upsurge which, not coincidentally, corresponds exactly with the beginning of the modern civil rights movement. Over time, the cumulative effect has been staggering. Justice Department and FBI statistics indicate that between 1964 and 1994 more than 25 million violent inter-racial crimes were committed, overwhelmingly involving black offenders and white victims, and more than 45,000 people were killed in inter-racial murders. By comparisons 58,000 Americans died in Vietnam, and 34,000 were killed in the Korean war. When non-violent crimes (burglary, larceny, car theft and personal theft) are included, the cumulative totals become prodigious. The Bureau of Justice Statistics says 27 million non-violent crimes were committed in the US in 1992, and the survey found that 31 per cent of the robberies involved black offenders and white victims (while only 2 per cent in the reverse).

When all the crime figures are calculated, it appears that black Americans have committed at least 170 million crimes against white Americans in the past 30 years. It is the great defining disaster of American life and American ideals since World War II. All these are facts, yet by simply writing this story, by assembling the facts in this way, I would be deemed a racist by the American news media. It prefers to maintain a paternalistic double-standard in its coverage of black America, a lower standard.

Interracial Rape Statistics

When whites commit violence -- rape, murder, assault -- how often do they choose black victims? Shouldn't a nation of bigots target blacks most of the time? At least half of the time? Of course, it does not. **When whites commit violence, they do it to blacks 2.4 percent of the time. Blacks, on the other hand, choose white victims more than half the time. [317]** In those cases in which the race of the killer is known, blacks kill twice as many whites as whites kill blacks. Black-on-white robberies and gang assaults are twenty-one times more common than white on black. In the case of gang robbery, blacks victimize whites fifty-two times more often than whites do blacks. [318]

The contrasts are even more stark in the case of interracial rape. Studies from the late 1950s showed that the vast majority of rapes were same-race offenses. Research in Philadelphia carried out in 1958 and 1960 indicated that of *all* rapes, only 3.2 percent were black-on-white assaults and 3.6 percent were white-on-black. **Since that time, the proportion of black-on-white rapes has soared. In a 1974 study in Denver, 40 percent of all rapes were of whites by blacks, and not one case of white-on-black rape was found. In general, through the 1970s, black-on-white rape was at least ten times more common than white-on-black rape. [319]**

Because interracial rape is now overwhelmingly black on white, it has become difficult to do research on it or to find relevant statistics. The FBI

keeps very detailed national records on crime, but the way it presents rape data obscures the racial element rather than clarifies it. Dr. William Wilbanks, a criminologist at Florida International University, had to sift carefully through the data to find that in 1988 there were 9,406 cases of black-on-white rape and fewer than ten cases of white-on-black rape. [320] Another researcher concludes that in 1989, blacks were three or four times more likely to commit rape than whites, and that black men raped white women thirty times as often as white men raped black women. [321]

Interracial crime figures are even worse than they sound. Since there are more than six times as many whites as blacks in America, it means that any given black person is vastly more likely to commit a crime against a white than vice versa.

Racial violence: One weekend

Colin Flaherty Oct. 16, 2013

Newspapers may be loathe to report the black mob violence that struck New Haven, Hoboken, Minneapolis and other cities over the weekend. But those involved don't hide it. They celebrate it.

At least they did in New Haven, home of Yale University.

The occasion was a Sunday night "All Black Affair" at a downtown restaurant — just one of many parties that went by this name at that location. Most are targeted to New Haven black professionals. This one was for black teenagers.

It was not about a dress code.

By 9 p.m. the manager of the Kudeta (pronounced coup d'état) knew she had more trouble than she could handle: The promoters advertised the party and charged admission. That was not supposed to happen.

Neither were the large fights that started inside and “spilled out into the streets” involving [as many as 500 people in what a local TV station called a “massive brawl.”](#)

News8 picks up the story:

Police say at some point, kids in ski masks arrived on bikes and an all out brawl broke out,” said reporter Kent Pierce. “Every available officer in the city was sent in to try and stop the fight. Even the chief of police was there.”

Eventually the fighting stopped. The crowd scattered to two other nearby teen night clubs. Police were called to stop fights there as well.

Eyewitness News in New Haven called the party a “near riot” and a “near catastrophic event.”

[The New Haven Register dutifully reported](#) “There were no reported assaults or injuries at the scene.” And that “a police investigation is looking into the possibility that laws were broken.”

For others in the downtown, lawbreaking and chaos were not a “possibility,” but a dangerous reality.

The local NBC affiliate reported “neighboring restaurants and businesses told police they feared for the safety of their customers and were locking their doors to keep out members of the crowd.”

No arrests were made because police were concentrating on crowd control, officials said.

Several party goers blamed police for causing the violence. Others at the Register web site wondered about the racial nature of the festivities: “One can only imagine the outrage expressed in this newspaper had there been a party held downtown on Sunday night for 500 people with flyers handed out calling the event “The All White Affair Party” Miggity Mike promoted the All Black Affair. What local news called a riot, he called just having a good time. On his Instagram pages, he posted several pictures of the violence: “My Party Made the News,” he bragged. “If that doesn’t explain how big it was idk (I don’t know) what else could.”

He also encouraged party-goers to pick themselves out of videos of the news coverage because his party: “Keeps Showing Up on the News — Who Sees them self up here?”

The question received 100 likes in reply. “bro u the sickest,” said one of his admirers.

None of the New Haven media reported how the All Black Affair was not about clothing. How it was promoted by black people for black people. How this was just latest in a series of black mob violent episodes there.

In August, a downtown motorcycle mechanic was almost killed when a mob of black people pushed him off a motorcycle, then stole it.

“Our problem is that people have been reporting that this is a race-related issue, nothing in our investigation supports that whatsoever,” said [David Hartman of the New Haven police department.](#)

Editors are fond of saying that because no one carried a sign, or uttered racial slurs, or issued a press release, that means there is no evidence the violence is race-related.

But a lot of people in New Haven are starting to wonder why there have been so many recent episodes of black mob violence. And why the newspapers are loathe to cover it in any way – other than to deny it is happening.

Many examples of this kind of black mob violence are documented in [White Girl Bleed a Lot: The return of racial violence and how the media ignore it](#).

One week after the attack on the mechanic, [a black mob beat a white jogger](#). They broke his arm, but did not steal anything from him. That came one month after a similar attack on a female security guard near the same place.

In June, four black men attacked a man with hammer, inflicting serious brain injuries on him.

In January, a white man had to be put into a witness protection program after he was the target of repeated black mob violence.

In October, two doctors in a Yale residency program were attacked by a black mob of “20 teens.” One of the doctors had his ear sliced off. A few minutes later, they found another doctor and beat him too.

In December, the local paper reported that two more Yale students were the victims of mob violence; though the paper never identified the assailants by race, witnesses and readers did — then wondered why the paper did not.

The Register also reports that illegal aliens several times have been the victims of this mob violence. But the fact that blacks are beating Hispanics often goes unreported because the illegal aliens fear contact with police.

At least one resident noticed: The reporter “has jumped through a lot of hoops to write this story,” said Steve Scott, [at the Register web site](#). “How many black teens targeted the two white Yale students? He doesn’t tell us, but he reminds us that illegal immigrants have it so much worse...and...it was warmer than usual...and beware of the chopper-style bike...and robbery was not a motive. Whoa, covering your pc tracks while trying to write a story that was directly related to race is hard.”

New Haven was the largest occasion of racial violence over the weekend, but lots of others created varying degrees of havoc across the country.

A few hours before the All Black Affair, 82 miles down the turnpike, New York and New Jersey media responded to a similar story in a similar way: Report the crime. Ignore the racial violence.

A group of at [least six black people “rampaged” through a PATH commuter train](#) early Sunday morning. Four people were hospitalized after they were assaulted and robbed on the train near Hoboken.

Racial violence in that Northern New Jersey town barely breaks the news any more. And when it does, editors and reporters are careful never to point out the perpetrators are black.

At least one reader noticed: “black against white violent crime is the true silent epidemic.”

For frequent and regular and vicious racial violence, backed up with relentless media denial, few cities can match Minneapolis. Over the weekend, a mob of black people at the University of Minnesota assaulted and robbed at least four people in four separate attacks.

Or as the local paper calls them: “A roving pack of robbers.”

Police told the [Star-Tribune](#) “[that at least one victim was inebriated at the time](#), and “historically, that is a factor” in people making themselves vulnerable to attack. “But weather is probably the biggest factor,” said campus police Deputy Chief Chuck Miner. Race of the victims? Racial anger and resentment from the predators? That had nothing to do with anything. Everyone in Minneapolis knows that, so reporters did not even ask — about these assaults, or “six other similar crimes in the last two months.”

Chief Miner may think that drunken students enjoying nice weather is to blame, but federal law requires college police to list all the details of the crime. Including race. For that we turn to an obscure police report at the University of Minnesota web site to tell us what the local media would not:

“In each case, two or more victims were assaulted and robbed by a group of five or six black males. No weapons were used in the robberies, but in all four cases victims sustained minor injuries after being punched or kicked by the suspects.”

In the first [few months of last year, downtown Minneapolis was the site of more](#) than a dozen cases of black mob violence. Some leaving the victim with permanent brain damage. Some not even reported. Or investigated.

The Star-Tribune’s crime reporter was having a hard time piecing it all together: The recent increase in what he called “flash mob” violence and mayhem is “random” and “no other real pattern emerges” and the “motivation for the attack remains unclear.”

Police and reporters may have a hard time figuring it out. But more and more people in Minneapolis are realizing their downtown is caught up in a wave of racial violence, featuring groups of black people — big and small, men and women, young and not so young — marauding through the downtown; beating, hurting, destroying and stealing. Sometimes right in front of police.

A lot of it on YouTube. With lots of witnesses 15 to 20 times in 2011.

With several recent attacks in September of this year as well.

In Minneapolis, a [headline from the Star Tribune tells part of the story](#), but conceals the rest: “Flash mob actions worry Minnesota police.” McKinney fills in some of the details about one of the incidents from March 2012:

“We were just biking, the three of us, having some laughs and enjoying the night,” said the cyclist, who didn’t want his name used out of fear for his safety. It was 7:45 p.m. and the street was crowded with people enjoying the unusually warm evening, he said.

“Suddenly “some kid” ran up to the man’s friend and punched him in the face, breaking his jaw. Another eight to 10 youths surrounded the cyclists, yelling and trying to provoke a fight.

“Two police officers had been watching seven youths at a bus stop when they saw them “suddenly surge” toward the cyclists.

“As the officers gave chase, the group fled with one victim’s bike. They ran through the seating area at Oceanaire’s patio, picking objects off the tables to throw at one of the bicyclists running after them.

Eventually four people were arrested, all black.

The bikers got off easy compared to the St. Patrick’s Day mauling 20 black people inflicted on a Minneapolis graphic artist named Pieter. He suffered serious brain injuries and now has no short-term memory. A local bank has turned videos of the crime over to the police. He is afraid to use his last name

An hour before he was beat and kicked into the Intensive Care Unit, 20 black people assaulted an out-of-town couple at the exact same intersection. The Star Tribune may be squeamish about reporting the race of the criminals, but City Pages is not:

“Melissa screamed as three separate youths came at Kirk, throwing punches. Kirk says he was able to dodge the blows. He remembers one of the assailants smiling while he threw punches, “like it was fun.” As people on the street started to take notice of the attack, the mob dispersed, leaving Kirk one-on-one with a man he says was over 6 feet tall.

“I dodged several of his punches before he ran off,” Kirk said, adding that he himself didn’t punch anyone. “I believe that if it wasn’t for my wife’s screaming I would have been seriously injured.” Thankfully, he ended up with nothing more than a swollen neck. Melissa, a 33-year-old school teacher, was pushed, and one of the assailants burned her hand with a cigarette, she says.

“After the mob dispersed, Kirk and Melissa made their way back to the Marquette. There, they talked to a police officer about the incident.

“Wrote Melissa in an email: The “cop wasn’t that interested in taking a report, since we didn’t have descriptions — just African-American...[I] wonder how many people have been attacked, since our story isn’t even part of the stats.”

Minneapolis has lots more.

In Grand Rapids [over the weekend, black mob violence outside of a downtown](#) night club left one dead. The violence is just the latest in a series of fatal episodes there.

In Fayetteville over the weekend, three black people tried to rob a Chinese restaurant. A restaurant employee shot one of the robbers in the head, fatally. But one restaurant worker remains hospitalized in critical condition after a robber shot him.

In Bellefontaine over the weekend, 50 miles northwest of Columbus, police found [50 black people fighting outside of a bar](#). They arrested one person, who, said the Examiner, “later apologized to the officer.”

In Indianapolis over the weekend, police put the public on alert after an armed black mob robbed two people. The mob threatened to do the same at a downtown event sponsored by the Indiana Black Expo — an event that even the local paper has to admit has become “inescapably tied” to epic levels of violence.

In the Detroit suburb of Hamtrack over the weekend, two black people beat a 59-year old white person known as the “cat man” for taking care of stray animals. ““He’s a wonderful kid, he’s very respectable to the elderly people in the community, and I think he was just brought into something, not being in my care,” said Mark Real, one of the perpetrator’s father to the NBC affiliate.

The man is in critical condition and family wonders if he will survive. The alleged attackers were 13 and 14-years old.

Neither of these attacks was listed in the reports police issue to media and neighborhood groups.

Macquarrie himself has chosen not to speak with the media; he doesn’t want to enflame controversy, said the Register.
