**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. **But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

This is definitely HTA - HAARP Type Array infrasonic undulation. But it's not just the array we know as HAARP in Alaska. It is a miriad of TTA network arrays (Thermal Transient Anemometer) working in concert. **Arrays can be ground based, Satellite emitters, Field antenna signal boosters, flight based, ship based, mobile or even hand held.** (Depending on the civilian or military use.) There are even TTA signal echo buoys throughout our oceans. **The Ionosphere is fortified with chemtrails as a reflective frequency mirror.**

You have to ask yourself who is at the helm? And why are they doing it? What could be gained by manipulating a storm that so far has killed many people, on a journey of devastation expected to eclipse any in this century, at least on the north east coast so far????!!

National news networks are warning that the election could be directly affected, delayed or hampered because of the devastation and loss of services such as electricity, travel etc...

The reality of weather modification is no conspiracy theory.

But ask yourself this, **"If we can modify weather then why don't we still do it for the good. For instance, seeding clouds to make it rain, so our breadbasket doesn't become a dust bowl, or so fires that burned for so long could be quenched?**

**And why don't we steer hurricanes away from murderous rampages, instead of directing them into it?" There is no more question we have the technology.**

Since before the 50's, weather modification techniques have existed. In fact, the threat of "weather weapons" was so imminent that the United Nations felt it necessary to draft a treaty ensuring no nation would use this "new means of warfare" against one another. Why would the U.N. draft a treaty if weather modification was just a conspiracy theory?

Treaty defined "weather weapons" as follows: *"[...] the term "environmental modification techniques" refers to any technique for changing (through the deliberate manipulation of natural processes) the dynamics, composition or structure of the Earth, including its biota, lithosphere, hydrosphere and atmosphere or of outer space."*

## Hurricane Sandy Under Aerosol Geoengineering by DHS to Modify Intensity and Land-fall?

By Harold Saive--[theintelhub.com](http://theintelhub.com)--October 30, 2012

The 2010 **American Meteorological Society (AMS) meeting presented details of a aerosol geoengineering program run by the Department of Homeland Security.**

The program included discussion of how aerosols were effective at decreasing and increasing the intensity of Hurricane Katrina.

**The current aerosol geoengineering of Hurricane Sandy is a continuation of the Hurricane Aerosol and Microphysics Program (HAMP).**

**There are Potential Law Suits to be Filed – [Chemtrail Geoengineering Lawsuit](#)**

The Department of Homeland Security in the matter of **operation HAMP** could have their immunity from liability and prosecution tested in [class-action law suit](#).

**The confirmed aerosol geoengineering, deliberate manipulation and potential intensification of Hurricane Sandy under the DHS H.A.M.P. operation, could be prosecuted as criminal act when the consequence cannot be distinguished from a Weapon of Mass Destruction to be inflicted on the lives and property of citizens of the United States by DHS's deliberate and covert experimental modification.**

### New Jersey Contracted RFID Evacuee Tracking Tech Just Days Before Sandy Formed

November 4, 2012

By a strange amazing coincidence the State of New Jersey announced a 5-year contract for RFID tracking technology used to assist in evacuation (by identifying and monitoring the location of evacuees and emergency assets during hurricanes or other disasters) just four days before Hurricane Sandy began to form.

A [press release](#) was published October 18, 2012 announcing that [Radiant RFID](#), based in Austin, Texas, would provide the [New Jersey Office of Homeland Security and Preparedness](#) (OHSP) with the RFID technology it has already used during disasters in Texas and other locales, as during 2008's Hurricane Gustav. From the press release:

***Radiant RFID will provide the New Jersey Office of Homeland Security and Preparedness (OHSP) with an RFID-based managed evacuation solution that tracks evacuees, pets, emergency transport vehicles and commodities deployed at state shelters in preparation for and in the event of a hurricane, natural disaster or other incident to assist in reunification of families.***

Hurricane Sandy [formed just four days later](#), October 22, making for notable timing as New England hasn't been hard hit by a hurricane since 1938. Who could have seen the devastation to New York, New Jersey and other parts of the East Coast coming when that area [hadn't been hit](#) by a major hurricane for some 70 years?

The **tracking scheme registers evacuees, their pets and other displaced persons with wristbands containing RFID chips that are registered with each individual. These wristbands are scanned whenever evacuees enter buses or arrive at FEMA emergency shelters, enabling Homeland Security to track entire populations during disasters, as well as inventory supplies, transportation and other assets throughout the process.**

See Radiant RFID's graphic, demonstrating the tracking and monitoring loop:

Radiant RFID boasts that their technology helps families to be reunited more quickly, but it also allows FEMA, Homeland Security, and other bloated, big government agencies to once again gain more power from crisis – at the cost of civil liberties and security.

The same technology that critics fear amounts to a *Mark of the Beast* system remains in the hands of agencies that have set up internment camps that have been readied for political dissidents and other “potential domestic terrorists.”

Homeland Security / FEMA's overall inept response to natural disasters serves as a mask to distract the public from admitted continuity of government plans to circumvent the constitutional form of government under a significant enough national crisis. Many sources indicate that a large scale economic collapse, and the ensuing unrest, would readily fit that bill and RFID tracking technology would serve to control those populations.

**school and college, and his house is completely gone.** One story I heard was about this one guy who evacuated his house during Hurricane Irene but then it got looted. So when they told him to evacuate for Sandy, he said, 'I'm not leaving.' **Now they can't find him, his 13-year-old daughter is dead, and his wife is in critical condition at the hospital.** These are the stories. My stepfather and my mother....when they heard the storm was coming, they said, **'It's not going to be that bad. Irene didn't do anything.'** They had two flashlights and a couple of scented candles. Little did they know.

### **In New York's Public Housing, Fear Creeps In With the Dark**

By [CARA BUCKLEY](#) and [MICHAEL WILSON](#)

It would be dark soon at the [Coney Island Houses](#), the fourth night without power, elevators and water. Another night of trips up and down pitch-black staircases, lighted by shaky flashlights and candles. Another night of retreating from the dark.

On the second floor of Building 4, an administrative assistant named Santiago, 43, who was sharing her apartment with five relatives, ran through a mental checklist. Turn the oven on for heat. Finish errands, like fetching water for the toilet, **before the light fades.**

**"We don't dare throw out garbage at night,"** she said. "We make sure everything's done."

Elsewhere in the building, Sandra Leon, 35, a mother of two, kept an eye on her door fearing another attempted break-in. Victor Alvarez, 60, waited for any word of his wife, Lucet, who suffers from schizophrenia **and had disappeared into the wreckage-strewn neighborhood.** And Marilyn Smalls, 48, sipped a room-temperature Corona that she had liberated from a gas-station trash bin the day before, along with sodas and bags of beef jerky — **which drew neighbors knocking, as word of the haul got out.**

Perhaps more so than in any other place in the city, the loss of power for people living in public housing projects forced a return to a primal existence. Opened fire hydrants became community wells. Sleep-and-wake cycles were timed to sunsets and sunrises. People huddled for warmth around lighted gas stoves as if they were roaring fires. **Darkness became menacing, a thing to be feared.**

A lack of friends or family in areas with power, or cars or cab fare to get to them, meant there were few ways to escape. Dwindling dollars heightened the pain of throwing out food rotting inside powerless refrigerators, and sharpened the question of where the next meal would come from. Some had not left their apartments since the storm swept in.

**Islam and the World to accept new Nazi-state around Jerusalem**

by [ivarfjeld](#)

**A Muslim controlled Palestinian state will be as free from Jews as Nazi-Germany was during the Holocaust.**

Neville Chamberlain made "peace" with Hitler, and sold Czechoslovakia to the Nazis. The World is sleeping & the Political leaders in the West are preparing for a "Palestinian" state. **In this statehood (if the Muslims get their way) Jews will be rejected citizenship, and denied any rights to properties. There is already a death penalty for Arabs selling land to Jews, enforced by the Palestinian Authority (PA) in Ramallah. There are two million Arabs with full Israeli citizenship, most of them Muslim. To build an Islamic state with no Jews is real racism.**

**Chamberlain and Hitler shake hands during the Munich Conference in 1938.**

Obama shake hands with Mahmoud Abbas during peace talks in Washington.

**Mahmoud Abbas** is the **President of the Palestinian Authority**, and has also been the **Chairman of the Palestinian Liberation Organization or PLO**, having been elected on November 11, 2004 after Yasser Arafat's death.

**Abbas' very first speech as Prime Minister, on April 28, 2003, included demands that Israel release all terrorists**, the opposite of what is called for under the Road Map for Peace.

In his presidential election speech, confusion in America arose over his position of terrorism, when Abbas **stated to a crowd chanting "a million shahids, (which means martyrs for Allah in this case)" "I present this victory to the soul of brother martyr Yasser Arafat and to our shahids," then Abbas promised to protect the "strugglers" (*terrorists*) wanted by Israel for "terrorist" attacks, and that "the little jihad has ended and now the big jihad is beginning".**

**Obama treats an Islamic terrorist like a man of peace. Similarly Hitler and the Nazis were hailed as peacemakers in the 1930's before the extermination of the Isrealites and other deemed "inferior races" in the 1940's.**

Israel's plan to build new homes in East Jerusalem and the West Bank should be countered by international recognition of a Palestinian state, the chief Palestinian negotiator said on Tuesday.

Raising the stakes in the deadlock over stalled peace talks, Muslim Spokesperson Mr. Erekat said it was clear from the latest announcement of building plans **that Israel wants settlements, not peace.** "Israeli unilateralism is a call for immediate international recognition of the Palestinian state," he said in a statement.

**Comment: As if these devils think it is unjust and essentially an act of war for Israel to build on her own land!! The nation of Israel is surrounded by twenty-two hostile Arab/Islamic dictatorships that are 640 times her size and 60 times her population. Arab propagandists call Israel "expansionist" but there is obviously NO truth to this statement as Israel, occupies one-sixth of one percent of the lands called Arab.**

That's right: There was an elite SS brigade made up of Arab Muslims:

The Grand Mufti meets Heinrich Himmler:

Chillin' with his good friend Adolph Hitler:

They even had their own flag:

The world paid little attention when the late Yasser Arafat declared a Palestinian state in 1988. But political winds have shifted and now Israel is seriously concerned that Palestinian President Mahmoud Abbas might win recognition.

Source: Israeli Daily, [Haaretz](#).

**Ivar's comment:**

To accept the districts of Judea and Samaria free from Jews, **will be like committing national suicide for the state of Israel.**

**If the Jews have no rights on the Mountains in Zion, the Islamic World will gradually be able to dismantle any right issues for today's Jewish homeland.**

**The goal for men like Mahmoud Abbas and Saeb Erekat is to totally eradicate any Israeli state, where the Jews are currently a majority.**

If this proposed Nazi-state ever comes into existence, Israel will lose control over its borders. When the Jordan valley is gone, the Islamic forces of Hamas and Hizbullah will soon get a foothold next to Jerusalem. Even Ben Gurion Airport and Tel Aviv will become within range of primitive rockets made by Islamic terrorists.

The leaders in the West today, are at the same wrong path as Neville Chamberlin in 1938. **Did you know Adolf Hitler was voted Man of the Year in 1938 by Time Magazine.**

By declaring "peace in our day", he did not only deceive himself and England but 60 million people had to ultimately die because of this foolishness of making a deal with the devil.

## **Anglican archbishop of Canterbury Rowan Williams accept Pope as "Holy Father"**

by [ivarfeld](#)

The Anglican archbishop of Canterbury wants "Christians" (Meaning Catholics and Anglicans) to pray together and place them self before "God".

The Anglican Church is on its way back to Rome & eager to serve the Pope in the Vatican.

Rowan Williams the current Anglican Archbishop was invited to the Roman Catholic Synod of Bishops for the new evangelization & to express his views on the Second Vatican Council. **Williams addressed the Pope as "Your holiness", and underlined the need for full Church unity.**

The link below reads:

**Rowan Williams may or may not be the Antichrist**

The most evil man in the universe, possibly.

<http://blogs.telegraph.co.uk/news/jamesdelingpole/100167673/rowan-williams-may-or-may-not-be-the-antichrist/>

Here is Rowan Williams the Anglican Archbishop with head bowed, kissing the ring of the Pope, which is a sign of total submission.

“Praying together isn’t just a casual thing, a marginal activity,” he said.

When divided Christians “share the prayer of the Church”, even if they cannot share the fullness of that prayer in the **Eucharist, they are placing themselves before God together and showing the world what it means to be Christian.**

**See Scott Johnson’s Teaching:**

**National Council of Churches Affirms the Catholic Church as the ‘ONE TRUE Church’**

July 22nd, 2007 [external link to http://www.aloha.net](http://www.aloha.net) In response the Popes recent announcement that the Catholic Church is the one, true church and all other Christian denominations are just pretenders; I received a link (see:

<http://www.nccusa.org:80/news/070711oberlinvatican.html> ) to a news announcement from **the National Council of Churches (NCC) that stated: “The Vatican statement, released Tuesday, reaffirmed that the Catholic Church is the one, true church,** even if elements of truth can be found in separated churches and communities, such as Protestant and Orthodox churches.” I was almost speechless as I read this. Instead of outrage the NCC just agreed with the pope. It’s really no wonder though, as this statement foreshadows the fact that all the luke-warm protestant denominations will eventually affirm this same position and come under the Catholics apostate, whorish banner to fulfill the biblical prediction of a one world church under the antichrist’s and false prophet’s rule.

The **National Council of the Churches of Christ in the USA** (usually identified as **National Council of Churches** or **NCC**) is an [ecumenical](#) partnership of 37 [Christian](#) faith groups in the United States. This teaching will dovetail into last week's Catholic expose at: [Billy Graham, Homosexuals, Catholics & Apostasy](#). This teaching will also extensively cover the Catholics obsession with the Eucharist and how this practice equates to repackaged "Pagan Sun Worship". You will also learn how the Catholic Church has officially removed the 2nd commandment (regarding idol worship) and compensated for this by spitting the 10th commandment to cover their blasphemous tracts.

**Back to the main report:** Preparing to retire, **Rowan Williams said he obviously was disappointed that efforts to promote full, visible Christian unity had not**

progressed further, but no one could deny that Christians pray and work together today in a way that would have been unimaginable in the 1950s.

This is the exact words of Williams, in his address to the Pope:

*"I am deeply honoured by the Holy Father's invitation to speak in this gathering: as the Psalmist says, 'Ecce quam bonum et quam jucundum habitare fratres in unum' [How good and how pleasant it is when brethren dwell together in unity]. The gathering of bishops in Synod for the good of all Christ's people is one of those disciplines that sustain the health of Christ's Church".*

Source: The Catholic [Herald](#)

**Ivar's comment:**

I will never get tired of warning Christians not to listen to men like Rowan Williams. **Not following reprobates like this is a matter of refusing the blessings from Heaven, and eventually a matter of eternity in Heaven or Hell.**

Jesus the Messiah addressed His Father as 'Holy Father'. This is the title of God the Father in Heaven & is not to be used as a title for a mortal human being.

**Jesus said in Matt. 23:9 "And call no [man] your father upon the earth: for one is your Father, which is in heaven."**

When a Human being claims he must be honored, and addressed as "The Holy Father" it is blasphemy and spiritual prostitution. Jesus does not want us to call any priest or spiritual leader "Father". We have only one Father, and that is Father God in Heaven. **When the Pope claims to be infallible and the 'Holy Father', he sets himself up in the seat of God & only God is infallible. The Pope also claims to be above God because the Popes edicts and proclamations throughout the ages have always superseded and overridden the Word of God. So Catholics are essentially taught that the Bible cannot be understood correctly unless the Pope interprets it.**

**The Papal title of VICAR OF CHRIST which in Latin is VICARIUS CHRISTI, means a SUBSTITUTE FOR CHRIST, which is similar with the Antichrist assuming the power of the Almighty on earth! This blasphemous claim is made repeatedly by**

various Popes and is the very foundation of Roman Catholicism and its Papacy. Clearly then, Vicar of Christ (Vicarious Christi) and Antichrist have very similar meaning! **The Pope has the audacity to actually substitute himself in place of Jesus Christ on earth.** Pictured above is a photograph of the Pope's triple crown taken from the Vatican Museum with the inscription of "**Vicarius Filii Dei**" which literally it means "**Substitute for the son of God**" or "**Anti-Christ.**"

### Double-Take: EU 'Tolerance' Poster Includes the Cross, Hexagram, And ... Wait, What Is That?

Posted on October 19, 2012 by Daniel Hannan [to his blog](#) the following picture of a [Europe4All](#) poster currently on display at the European Commission:

Oh, that's nice. Tolerance and inclusion? It's like one of those "coexist" bumper stickers you see in the U.S. (usually right next to the sticker that says "My other car is a broom"):

The HEXagram, the Mark of the Beast & the Hebrew Roots Connection

9/23/2007

<http://www.gospelgrace.com/israelzionism/sixpointedstar/OriginSixPointedStar.htm>

Many believe the six-pointed star/HEXagram is a Jewish/Christian symbol but nothing could be further from the truth as it is one of the highest most wicked of all occult symbols. This is a very prevalent symbol in the Hebrew Roots / Messianic movement. The six-pointed star/HEXagram is a curse mark no matter what name it may have: Star of David, Solomon's Seal, Double Triangle, Shield of David, etc. When an occult practitioner puts a curse on someone, he uses the HEXagram. 'Brethren, my heart's desire and prayer to God for Israel is, that they might be saved. For I bear them record, that they have a zeal for God, but not according to knowledge.' (Rom 10:1-2) It is not my goal to condemn the Israelites, but to condemn the six-pointed star, a curse symbol. The hexagram star was mentioned and condemned by the God of Israel in Amos 5:26 and it was called by Him, 'the star of your god, Moloch' or otherwise called 'Chiun'. Reference was also made to the Israelites having it in the wilderness in Acts 7:43 by Stephen. Here it was called the Star of Remphan. All these names refer to the 'god' Saturn. Now, the name SATURN in Chaldee is pronounced Satur; but, as every Chaldee scholar knows, consists only of four letters, thus – Stur [ed. Star?]. This name contains exactly the Apocalyptic number.' (Hislop, p. 269) S = 060 T = 400 U = 006 R = 200: = 666 Now Saturn is also the sixth Planet from the Sun, has six letters and Saturn is associated with Satan which has a very similar spelling.

### The 'Cross of Christ' vs. the 'Accursed Tree'

2/17/2008--In this study we will look at the differences between the 'Cross of Christ' and the 'Accursed Tree' of the Bible. The cross symbol (in various forms) has been used both as a religious symbol and as an ornament from the dawn of man's civilization. Various objects dating from periods long before the Christian era, have been found marked with crosses of different designs in almost every part of the old world. The cross symbol was found in Scandanavia as the Tau cross symbolized the hammer of the God Thor. In Hinduism, the vertical shaft represents the higher, celestial states of being; the

horizontal bar represents the lower, earthly states. The ankh cross and is from Egypt (which is a Tau cross topped by an inverted tear shape.) and is associated with Maat, their Goddess of Truth. It also represents the sexual union of Isis and Osiris. The use of a human effigy on a cross in the form of a scarecrow has been used from ancient times also. In historic times a human would be sacrificed and hung on a cross just the way the many Churches of the Christian religion depicts today. The sacrifice would later be chopped to pieces; his blood and pieces of flesh were widely distributed and buried to encourage crop fertility. The first crucifixion scenes didn't appear in Christian art until the 7th century by the Catholic Church. The original cross symbol was in the form of a Tau Cross and it was so named because it looked like the letter tau or our letter 'T'. The Catholic Church copied (& later modified) this symbol from the pagan Druids, who made crosses in this form to represent the Tau god. This was done so those that worshipped this pagan god Tau would come into the Catholic Cult.

**Act 17:29 Forasmuch then as we are the offspring of God, we ought not to think that the Godhead is like unto gold, or silver, or stone, graven by art and man's device.**

**Act 17:30 And the times of this ignorance God winked at; but now commandeth all men every where to repent:**

**Back to the main article: You know, it's this sort of magnanimous inclusivity that won the European Union the Nobel Peace Prize. As this poster clearly illustrates, people of all — Wait, what is that?**

**2Cr 6:14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?**

**2Cr 6:15 And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?**

**2Cr 6:16 And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in [them]; and I will be their God, and they shall be my people.**

**2Cr 6:17 Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean [thing]; and I will receive you,**

**2Cr 6:18 And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.**

**Pro 21:16 The man that wandereth out of the way of understanding shall remain in the congregation of the dead.**

**Jesus Christ said in Matt. 15:14 ...they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch.**

**Rev 18:4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.**

**Rev 18:5 For her sins have reached unto heaven, and God hath remembered her iniquities.**

**Jesus Christ said: at Mat. 10:32 Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven.**

Mat 10:33 But whosoever shall deny me before men, him will I also deny before my Father which is in heaven.

Mat 10:34 Think not that I am come to send peace on earth: I came not to send peace, but a sword.

Mat 10:35 For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law.

Mat 10:36 And a man's foes [shall be] they of his own household.

Mat 10:37 He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me.

Mat 10:38 And he that taketh not his cross, and followeth after me, is not worthy of me.

Mat 10:39 He that findeth his life shall lose it: and he that loseth his life for my sake shall find it.

**Seriously? The hammer and sickle symbol (made infamous by the Soviet Union) has made its way onto a poster promoting inclusion and tolerance? We could go on about the irony of placing a symbol that's as closely tied to communism as the swastika is to Nazism but Hannan says it best:**

*For three generations, the badge of the Soviet revolution meant poverty, slavery, torture and death. It adorned the caps of the chekas who came in the night. It opened and closed the propaganda films which hid the famines. It advertised the people's courts where victims of purges and show-trials were condemned. It fluttered over the re-education camps and the gulags. For hundreds of millions of Europeans, it was a symbol of foreign occupation. Hungary, Lithuania and Moldova have banned its use, and various former communist countries want it to be treated in the same way as Nazi insignia.*

Yet here it sits on a poster in the European Commission, advertising the moral deafness & blindness of its author.
