Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against

surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Blasphemy Calling Obama "Our Lord and Savior"--Controversy Over Obama Depicted as "The Christ"

A controversial painting went on display this week in Boston at Bunker Hill Community College. Michael D'Antuono's work, "Truth," pictures President Obama in a crucifixion-like pose with a crown of thorns on his head. This came on the heels of the Soul Train Awards Sunday, in which Jamie Foxx referred to the President as his "lord and savior."

Federal Land Seizure Act Resuscitating Itself from the Dead

As you will remember, Senator Jon Tester (D-MT) -- who is "F" rated by Gun Owners of America -- is pushing this "hunting" bill which authorizes the Obama administration almost unlimited power to seize private lands for "environmental" purposes. While it purports to the contrary, the bill would allow these seizures without the permission of the landowners for virtually any reason.

[Please go here to read the details about the details of this nefarious bill in our previous alert.](#)

[And contact your two U.S. Senators and urge them to OPPOSE S. 3525, the Federal Land Seizure Act of 2012.](#)

URGENT: Senate UN Treaty Vote Set - Call Now!

We have just received word that the U.S. Senate will hold a straight up or down vote on Tuesday, December 4, **on whether or not the United States should ratify the United Nations Convention on the Rights of Persons with Disabilities (CRPD). If 2/3 of the senators present vote yes, the United States will ratify this UN treaty. It is wrong for the United States to ratify a United Nations treaty that will give up our sovereignty to unelected, unaccountable UN bureaucrats.**

We have been told that the pro-CRPD side is waging one of the most aggressive, organized lobbying campaigns ever. **The U.S. State Department and Obama Administration officials are pressuring individual senators to support the CRPD.**

Please call your two U.S. Senators today, tomorrow, Monday, and Tuesday. You can reach them through the Capitol Switchboard at 202-224-3121, or you can find your Senators' phone numbers by clicking on your state at <http://parentalrights.org/states>. Please give them some or all of this message: "I urge you to oppose the UN Convention on the Rights of Persons with Disabilities. **This treaty surrenders U.S. sovereignty to unelected UN bureaucrats and will threaten parental care of children with disabilities.** Our nation already has laws to protect disabled Americans. This treaty is unnecessary and will hurt families. If the Senate ratifies this treaty, it would be the first time ever that the U.S. has ratified a treaty that obligates us to recognize economic, social, and cultural entitlements as rights under domestic law."

WW3 IMMINENT?: BREAKING! Canada cuts all ties with Iran, closes embassy, orders diplomats home within 5 days

OTTAWA CITIZEN Foreign Affairs Minister John Baird delivered a diplomatic bolt from the blue Friday, **abruptly and unexpectedly severing ties with Iran, shuttering Canada's embassy there and giving Iranian diplomats in Ottawa five days to get out of the country.** Baird rattled off a litany of long-standing grievances with Iran during a hastily organized news conference in the Russia, where he and his Prime Minister are participating in this weekend's meeting.

Shock Video: Syrian Rebel Massacres 10 Unarmed Prisoners With the Obama administration preparing to green light **direct U.S. intervention in Syria**, **this is another reminder of where Americans' tax dollars will be heading – to support gangs of brutal extremist Muslim terrorists.**

"New footage posted on the Internet appears to have been filmed by a Syrian rebel who points the camera along the barrel of his gun **as he shoots 10 unarmed prisoners,**" **reports Reuters.** **The graphic clip shows prisoners lying on the ground begging for their lives before they are gunned down. One pleads, "I swear to God that we are peaceful," before being slaughtered.** After the massacre, **the gunman shouts "Allah Akbar, Jabhat al-Nusra,"** referring to the Nusra Front, an Al-Qaeda offshoot that has **claimed responsibility for innumerable suicide bombings in Syria that have killed hundreds of innocent people.**

Hamas: Killing Jews is worship of Allah "Repeat in the name of your Jihad: Death to Israel!"

During the eight-day military **conflict between Hamas and Israel**, Hamas broadcast various ideological messages on its official Al-Aqsa TV station. One recurring message called **for the killing of Jews, which Hamas defined as a religious Islamic act in worship of Allah.** During one music video, these words were shown on the screen:

"Killing Jews is worship that draws us close to Allah"

The following are additional lyrics from the video:

"[Oh] lovers of the trigger: Killing the occupiers [Israelis] is worship that Allah made into law..."

Obama punts to Congress over repercussions for UN Palestine vote

The White House won't seek to punish the Palestinian Authority for this week's statehood vote at the United Nations & did not vow to veto pending legislative proposals to cut off U.S. aid in retaliation.

The U.N. General Assembly voted 138-9 on Thursday [to recognize](#) the Palestinian Liberation Organization (PLO) as **a non-member observer state**, over the strident objections of the United States and Israel. **In response, the Senate is expected to vote next week on legislation placing new restrictions on the \$600 million in annual U.S. aid to the Palestinian Authority.**

Questions about repercussions are "better directed at the Congress than at us," State Department spokeswoman Victoria Nuland said Friday. **She said the State Department is still trying to release \$495 million in pending funds** for fiscal year 2012 that were held up following the Palestinians' failed effort last year to become a full member of the U.N.

Abbas 'Victory Speech': Jerusalem 'Eternal Capital of Palestine'

By Chana Ya'ar 12/2/2012

PA Chairman Mahmoud Abbas in Ramallah

"The time has come for the US and EU to remove Hamas from the list of designated terrorist organizations," Hamas Prime Minister Haniyeh said Sunday.

"Hamas and the Palestinian groups are national liberation movements that are defending themselves against Israeli aggression on our people," Haniyeh told the delegation.

Meanwhile on Sunday Chairman Mahmoud Abbas **promised someday the PA flag would fly over "Jerusalem, eternal capital of the state of Palestine."**

Thousands of people greeted Abbas rapturously upon his return from the United Nations, where the General Assembly granted the PLO, representing the PA, **upgraded status as a nonmember observer state.**

Abbas said he was also presenting the UN "victory" to Palestinian prisoners in Israeli jails for their "legendary sacrifices and steadfastness."

Abbas boasted that the UN vote has both provoked and isolated Israel in the international arena."

Comment: Kinda funny all these demon possessed Islamic madmen have such a weird Satanic lust for Israel, Jerusalem & the Temple Mount. I wonder if it has anything to do with Gods preoccupation with Israel, Jerusalem and the Temple Mount; as I'm sure Satan would never try to counterfeit God plans, or in this case totally take over and give Israel, Jerusalem and the Temple Mount to the Muslims, so as to negate the Word of God's prediction of a rebuilt Temple the Israelites will build and so many other Bible verses. Mat 24:15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)

Dan 11:31 And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily [sacrifice], and they shall place the abomination that maketh desolate.

Dan 12:11 **And from the time [that] the daily [sacrifice] shall be taken away, and the abomination that maketh desolate set up, [there shall be] a thousand two hundred and ninety days.**

1Ki 9:1 **And it came to pass, when Solomon had finished the building of the house of the LORD, and the king's house...**

1Ki 9:2 **That the LORD appeared to Solomon the second time, as he had appeared unto him at Gibeon.**

1Ki 9:3 **And the LORD said unto him, I have heard thy prayer and thy supplication, that thou hast made before me: I have hallowed this house, which thou hast built, to put my name there for ever; and mine eyes and mine heart shall be there perpetually.**

Zec 12:1 **The burden of the word of the LORD for Israel, saith the LORD, which stretcheth forth the heavens, and layeth the foundation of the earth, and formeth the spirit of man within him.**

Zec 12:2 **Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah [and] against Jerusalem.**

Zec 12:3 **And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it.**

One Comment on this Video read: The situation with Palestinians is not at all comparable since (1) the IAF is not targeting them. **(2) Israel warns the Palestinians who live in harms way where they should go. What other army takes such pains (sending leaflets, emails, texts, and phone calls) in order to avoid civilian suffering.**

Some Different Definitions of Zionism & Zionist

Zionism (Hebrew: ציונות, *Tsiyonut*) is a form of nationalism of Jews and Jewish culture that supports a Jewish nation state in territory defined as the Land of Israel.^[1] Zionism supports Jews upholding their Jewish identity and opposes the assimilation of Jews into other societies and has advocated the return of Jews to Israel as a means for Jews to be liberated from anti-Semitic discrimination, exclusion, and persecution that has occurred in other societies.^[1] Since the establishment of the State of Israel, the Zionist movement continues primarily to advocate on behalf of the Jewish state and address threats to its continued existence and security. Critics of Zionism consider it a colonialist^[3] or racist^[4] movement. Some scholars consider certain forms^{[5][6]} of opposition to Zionism to constitute Antisemitism.^{[7][8]}

Zionist - a Jewish supporter of Zionism

Jew, Hebrew, Israelite - a person belonging to the worldwide group claiming descent from Jacob (or converted to it) and connected by cultural or religious ties

Zionism: Before Judaism was a religion, it was a nation. For 13 centuries there was a nation of Israel. **Zionism is simply the modern political movement to liberate Jews from the ovens of Europe and centuries of Muslim oppression and reestablish Jewish self-determination on the land that historically gave birth to the Jewish people.**

Hypocritically, many people who harbor animus toward Jews and Israel refuse to grant this right to Jews, although they are eager to grant the right of self-determination to Palestinian Muslims Arabs...even though the nation of Israel is surrounded by twenty-two hostile Arab/Islamic dictatorships that are 640 times her size and 60 times her population. Arab propagandists call Israel "expansionist" but there is NO truth to this statement as Israel, occupies one-sixth of one percent of the lands called Arab.

One Writer States:

Zionism has partially achieved its ultimate goal, the modern state of Israel, via secretive plotting and heavy funding by the **Jewish [Zionist] Rothschild international banking**

family, most prominently embodied in the Bank of England. It is loosely and unofficially estimated that the Rothschilds control almost three fifths the world's wealth of about \$500 trillion in fiat money through the indebtedness of world governments, while about another \$100 trillion of the world's wealth is controlled by the Rockefellers. Another 11 rich and powerful banking families, as well as wealthy individuals, families and governments, control the remaining \$100 trillion of the world's wealth. Many of these families are or claim to be of a Israelite bloodline.

Rev 2:9 I know thy works, and tribulation, and poverty, (but thou art rich) and [I know] the blasphemy of them which say they are Jews, and are not, but [are] the synagogue of Satan.

Rev 3:9 Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.

Also this group of secret, international bankers, often referred to as the Illuminati, was behind the Balfour Declaration, the Versailles Treaty, and America's involvement in both World Wars I and II. Millions of people have been murdered, maimed, enslaved and impoverished by this secret, Zionist and communist banking cartels.

The Zionist Illuminati are the driving force behind a one-world government New World Order. Why do the multi zillionaire international bankers, communists, and Jewish Zionists want a New World Order? Well most money is created in the form of debt to the privately owned banking cartel. Imagine if you could create money out of thin air. Imagine you have the credit cards of all the nations in your pocket. Your first impulse is to lend money to your nominees so they can buy most of the world's real wealth for you. Your second impulse is to establish a totalitarian system ('world government' 'globalization') to prevent any nation from challenging this system or defaulting on their 'debt' to you. To make them accept 'world government,' you need to weaken them by having them fight among themselves, run up huge debts for armaments (which you will sell them), kill off the cream of their population, and become demoralized and decadent. You accomplish this through your ownership of politicians and the press and your control of MI-6, CIA, [and] Mossad, etc., who carry out terror and assassinations for you.

The "Jews Against Zionism" Website states:

What is Zionism?

[Theodor Herzl](#)

Zionism is a movement founded by Theodor Herzl in 1896 whose goal is the return of Jews to Zion, the Jewish synonym for Jerusalem and the Land of Israel.

The name of "Zionism" comes from the hill Zion, the hill on which the Temple of Jerusalem was situated. Supporters of this movement are called "Zionists".

The purpose of this website is to explain why traditional Jews do not support Zionism (the return to the land called "Israel") and why the Zionist ideology is totally contrary to traditional Jewish law and beliefs and the teachings of the Holy Torah.

Comment: A Biblical rebuttal to this will follow.

The Zionist movement which was formed at the latter part of the last century, sought to endow the Jews with a nationalistic character which was heretofore strange to them. It sought to deprive them of their historically religious character and offered in substitution of faith in G-d **and adherence to the Torah & Sabbath, and belief in their ultimate redemption by the coming of the Messiah**, a nationalistic ideology and the possibility of establishing through political media, a **Jewish national homeland**. We find it of supreme importance to emphasize that **we are fearful of the consequences of the Zionist rebellion against the Creator**. We wish not to be affected by the behavior of this government **who in the name of Israel, persist in their renunciation and utter disregard of religious Judaism** such as is clearly attested by their laws.

So from a Biblical Standpoint is Zionism Predicted??

Sign #1: The Return

Hundreds, perhaps thousands, of Bible passages predict the return of Israel to their land. Here are only two.

Eze 20:34 And I will bring you out from the people, and will gather you out of the countries wherein ye are scattered, with a mighty hand, and with a stretched out arm, and with fury poured out.

Eze 20:35 And I will bring you into the wilderness of the people, and there will I plead with you face to face.

Eze 20:36 Like as I pleaded with your fathers in the wilderness of the land of Egypt, so will I plead with you, saith the Lord GOD.

Eze 20:37 And I will cause you to pass under the rod, and I will bring you into the bond of the covenant:

Comment: This may be why Israel has enemies on every side currently as this is God's way of pleading with them and them passing under the rod of correction to bring them to the point of repentance; so they will cry out to Him for their protection.

Eze 20:38 And I will purge out from among you the rebels, and them that transgress against me: I will bring them forth out of the country where they sojourn, and they shall not enter into the land of Israel: and ye shall know that I [am] the LORD.

Comment: This does not bode well for the Muslim terrorists in Palestine.

Isaiah 11:11-12 And it shall come to pass in that day, [that] the Lord shall set his hand again the second time to recover the remnant of his people, which shall be left, from Assyria, and from Egypt, and from Pathros, and from Cush, and from Elam, and from Shinar, and from Hamath, and from the islands of the sea. And he shall set up an ensign for the nations, and shall assemble the outcasts of Israel, and gather together the dispersed of Judah from the four corners of the earth.

Sign #2: Israel - Reborn in a day

Israel, a nation that had not really existed as a separate nation for nearly 2,500 years, was declared a new sovereign state by an act of the United Nations on May 14, 1948. The nation was born in a day.

Isa 66:7 Before she travailed, she brought forth; before her pain came, she was delivered of a man child.

Isa 66:8 Who hath heard such a thing? who hath seen such things? Shall the earth be made to bring forth in one day? [or] shall a nation be born at once? for as soon as Zion

travailed, she brought forth her children.

Isa 66:9 Shall I bring to the birth, and not cause to bring forth? saith the LORD: shall I cause to bring forth, and shut [the womb]? saith thy God.

Isa 66:10 **Rejoice ye with Jerusalem,** and be glad with her, all ye that love her: rejoice for joy with her...

Sign #3: The Order of the Return

The first returning Jews to Palestine came primarily from eastern Arab countries. The next major movement came from the western countries of Europe, especially Germany. Then they came in great numbers from Russia (north) during the end of the 1980's. The last great migrations of Jews returning to Israel came from Ethiopia in the south. This precise order of return was predicted by Isaiah the prophet.

Isa 43:1 But now thus saith the LORD that created thee, O Jacob, and he that formed thee, **O Israel,** Fear not: for I have redeemed thee, I have called [thee] by thy name; thou [art] mine.

Isa 43:5 Fear not: for I [am] with thee: **I will bring thy seed from the east, and gather thee from the west;**

Isa 43:6 **I will say to the north, Give up; and to the south, Keep not back: bring my sons from far, and my daughters from the ends of the earth;**

Isa 43:21 This people have I formed for myself; they shall shew forth my praise.

Sign #4: A pure language

With the return of the nation, the ancient Hebrew language has been revived and become the official language of the state. Prior to this happening, the Jews spoke an impure form of the language called Yiddish. The return to a pure common language was again predicted by the prophets.

Zephaniah 3:8-10 Therefore wait ye upon me, saith the LORD, until the day that I rise up to the prey: for my determination [is] to gather the nations, that I may assemble the kingdoms, to pour upon them mine indignation, [even] all my fierce anger: for all the earth shall be devoured with the fire of my jealousy.

Zep 3:9 For then will I turn to the people a pure language, that they may all call upon the name of the LORD, to serve him with one consent.

Zep 3:10 From beyond the rivers of Ethiopia my suppliants, [even] the daughter of my dispersed, shall bring mine offering.

Sign #5: Named cities of Israel

There are many cities in Israel that bear the ancient names of previous Jewish cities. Some of these that bear their Biblical identification include: Cana, Nazareth, Jericho, Nain, Bethany, Bethlehem, Hebron, Gaza, etc. **Again, as the ancient nation was in the process of being destroyed, Ezekiel the prophet predicted that many of the ancient cities would, in fact, be**

re-inhabited and settled in the exact locations.

Ezekiel 36:11; 24 KJV - "And I will multiply upon you man and beast; and they shall increase and bring fruit: and I will settle you after your old estates, and will do better [unto you] than at your beginnings: and ye shall know that I [am] the LORD.... For I will take you from among the heathen, and gather you out of all countries, and will bring you into your own land."

Sign #6: From desolation to productivity

The restoration of the agriculture and of the trees and forests of Israel has been another remarkable miracle. Scarcely 75 years ago the country was a desolate wasteland, full of malarial swamps and deserts. Today the replanted forests are flourishing and the Israeli agricultural production is one of the great wonders of the world. This tiny country exports quality produce around the world. "Again, just as predicted!"

Isa 27:6 He shall cause them that come of Jacob to take root: Israel shall blossom and bud, and fill the face of the world with fruit.

Isa 35:1 The wilderness and the solitary place shall be glad for them; and the desert shall rejoice, and blossom as the rose.

Isa 35:2 It shall blossom abundantly, and rejoice even with joy and singing: the glory of Lebanon shall be given unto it, the excellency of Carmel and Sharon, they shall see the glory of the LORD, [and] the excellency of our God.

Alex Jones Cancels Speaking Tour 3 Days After Exposure As Possible STRATFOR Double Agent

February 16, 2012

Truther.org

On February 12, 2012, [David Chase Taylor](#) of [Truther.org](#) broke the story that Alex Jones was likely an intelligence tool for STRATFOR, a private Zionist intelligence agency located in Austin, Texas. As detailed in the [original article](#) (see below), STRATFOR admits to being an intelligence gathering center and therefore it stands to reason that Alex Jones and his affiliates of [Inforwars](#) and [PrisonPlanet](#) have likely been gathering intelligence, data and info on patriotic Americans since 1996, coincidentally the exact same year that STRATFOR was founded.

Just three days after Taylor's original article entitled "[Is Alex Jones A STRATFOR Double Agent?](#)" was published, Alex Jones abruptly canceled his nationwide speaking tour

without a reason except that “the collapse is so imminent”.

On February 29, 2012, the exact same day the story regarding Jones and STRATFOR became an internet sensation, Alex Jones and Infowars released a new news story, with the words “STRATFOR” and “Israel” in the title of the story. The only problem with the Infowars story was that it was old news from November 13, 2011, packaged as new news for February 29, 2012.

The bogus Infowars news article was a calculated move by Alex Jones and his Infowars crew to muddy the waters in regards to the information linking Jones to STRATFOR. By creating a bogus news story with two key search terms in the headline, people searching online for information regarding Jones and STRATFOR would be led astray.

Although the pathetic attempt by Jones did not work, as evidenced by the 3,000 plus websites currently carrying the Jones STRATFOR story, the fact that Alex Jones and Infowars published a bogus story shows they are in fact trying to block the story.

If the allegations linking Jones to STRATFOR were not true, why would they try to cover it up?

A global intelligence company, Strategic Forecasting, Inc., also known as STRATFOR, was founded in 1996 in Austin, Texas, by George Friedman. Alex Jones’ career was also founded in 1996 when he began his radio career with a public-access television cable TV program, but was quickly promoted and hired on at KJFK in Austin hosting a show entitled “The Final Edition”.

STRATFOR’S WEBSITE: STRATFOR delivers critical intelligence and perspective through:

Point 5 Reads: Intelligence Guidance: Internal memos that guide STRATFOR staff in their intelligence-gathering operations in the immediate days ahead.

Stratfor’s Products: strategic intelligence, tactical intelligence, custom intelligence, written and multimedia analysis, corporate security analysis, geopolitics

George Friedman (born 1949 in Budapest, Hungary) is an American political scientist and author. He is the founder, chief intelligence officer, financial overseer, and CEO of the private intelligence corporation Stratfor.^[1]

Biography

Friedman’s childhood was shaped directly by international conflict. He was born in Hungary to Jewish Holocaust survivors.

The founder of Stratfor, Dr. George Friedman, has admitted that he is a Zionist.

Prior to joining the private sector, Friedman spent almost twenty years in academia, teaching political science at Dickinson College. During this time, he also regularly briefed senior commanders in the armed services as well as the Office of Net Assessments, SHAPE Technical Center, the U.S. Army War College, National Defense University and the RAND Corporation, on security and national defense matters.^[3]

Fred Burton is Stratfor’s vice president for intelligence,^{[1][2]} and is considered “one of the world’s foremost experts on security, terrorists and terrorist organizations.”^{[3][4]}

Burton was a special agent with the U.S. Diplomatic Security Service.

Burton was also appointed by Washington to assist in the investigation of the assassination of Israeli Prime Minister Yitzhak Rabin. He is the former deputy chief of the counterterrorism division of the U.S. State Department’s Diplomatic Security Service.

Alex Jones and his team of reporters, writers, and producers routinely schedule, host and quote former and current intelligence officials such as Dr. Steve Pechenik (DOD), Wayne Madsen (NSA), Lt. Col. Anthony Shaffer (Senior Fellow at the Center for Advanced Defense Studies), David MacMichael (CIA), Ray McGovern (CIA), and James Wesley Rawles (ARMY Intelligence)

just to name a few. These intelligence operatives provide Alex Jones' listeners with unique insights into political, economic, and military developments.

Like STRATFOR, Alex Jones' publicity list includes celebs like **Charlie Sheen, Willie Nelson, Jesse Ventura and Joe Rogan, as well as a number of other "elite" individuals within government, intelligence, Hollywood, and the corporate world. How and why Jones is so deeply connected to the "elite" despite being a "conspiracy theorist" is a mystery and quite baffling unless he is indeed part of an intelligence network.**

The following is an excerpt from an article entitled "[McStrategy](#)":

How would you like to tap into an exclusive private intelligence service staffed by ex-CIA analysts who glean exclusive information from shadowy sources, cross-grid raw intel to detect relevant patterns, and alert you by email when the product requires your attention?

Welcome to Stratfor, the brainchild of George Friedman, a Texas academic and sometime U.S. government consultant, who became an intelligence entrepreneur and runs **what the press routinely calls "a private CIA" out of an office building in downtown Austin.**

Friedman's private CIA, for that matter, isn't much different from the official version.

The comparisons of Stratfor with the CIA are not entirely off-base. **By main force and superior salesmanship, George Friedman has managed to replicate the key features of the intelligence establishment on a private footing.**

Alex Jones Hires CIA / Stratfor agent as Publishing Editor in Chief

Recently it has been made know that Infowars.com has hired an ex-Stratfor employee, Molly Maroney, as their Managing Editor. For a news agency of their nature this is certainly alarming. **However even more alarming is Infowars' suppression of this information and censorship of loyal followers that post, talk, or in any way attempt to bring up this information within the Infowars media enterprise ie. prisonplanet.com, planetinfowars.com, the Alex Jones radio show... etc.**

Due to Alex Jones' previous links to Stratfor (see previous report), his staff's connections to Stratfor, and Jones' own remarks "once a CIA always CIA;" there are huge red flags here. He has also failed to address his Stratfor connections properly & combined with the censorship of his followers posting related information, one can only assume he is totally guilty of a cover up regarding this matter.

Here is Molly Maroney's most current resume available online where she openly admits to interning at Statfor (2009-2010) and now is now the "Managing Editor/Graphic Designer" of Alex Jones InfoWars Magazine since July of 2012.

<http://www.dailypublius.com/wp-content/uploads/2012/11/121.png>

For seven months in 2010, Maroney was also employed by Parker Media, LLC which is a media production corporation. Also employed at Parker Media is Richard Parker, founder of the firm. Interestingly, Richard Parker's name came up when WikiLeaks released documentation known as "The Global Intelligence Files" wherein "over five million e-mails from the Texas headquartered 'global intelligence' company [Stratfor](#)" was made public. **These emails outlined how Stratfor, an intelligence publishing front for the Central Intelligence Agency (CIA), provided comprehensive intelligence for such corporations and US government agencies as:**

- **Bhopal's Dow Chemical Co.**
- **Lockheed Martin**
- **Northrop Grumman**
- **Raytheon**
- **Department of Homeland Security**

- US Marine Corp
- US Defense Intelligence Agency (DIA)

Stratfor was involved in “selling” intelligence from informers, pay-off informants, money laundering schemes and psychological methods facilitated sourced and often raw intelligence. **On a list of recipients of those communications was Richard Parker, founder of Parker Media – and former boss of Maroney during her employment at Parker Media, LLC. Richard Parker himself worked for Stratfor an executive editor between August 1999 and August 2002.**

From her dealings with Parker Media, Maroney became an “intern” for Stratfor. She was at the CIA front intelligence collecting corporation for 11 months; between October 2009 and August 2010. In fact, Maroney’s employment at Parker Media and Stratfor intersected as she was working for Parker Media during the same time she was involved with Stratfor.

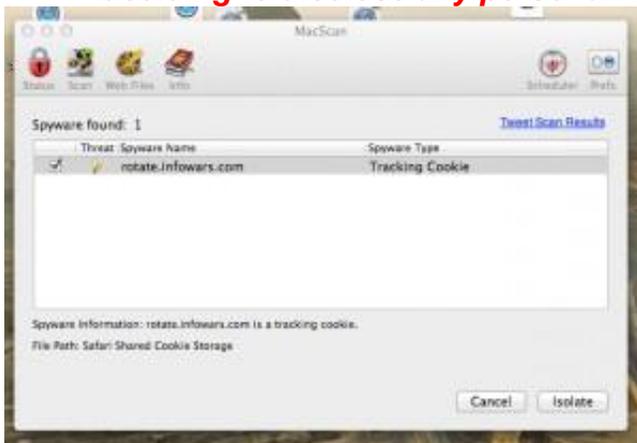

As Maroney was finishing her internship with Stratfor, she began working with the Texas Senate under Senator John Witmire. Witmire currently serves as Chairman of the Senate Criminal Justice Committee, member of the Senate Government Organization Committee and the Senate Finance Committee where he is involved with finalizing funding appropriations for Texas state agencies and governmental programs.

Obviously there are suspicious that Jones has been corrupted and is working with Stratfor. Jones also has questionable guests who provide misinformation cloaked as intelligence like CFR member Steve Pechenik, David MacMichael and Ray McGovern from the CIA, James Wesley Rawles from the Army Intelligence.

Jones’ own privacy policy on his website, PlanetInfoWars states that:

- 3.2. **“we may use your personal identifying information” “when complying with an order” from ..other government entities...**
- 3.4. **“We us cookies, log files, and third parties to create a profile of our users and the information gathered is personally identifiable as belonging to you...”**
- 3.7. **Any information you disclosed to third parties on our Website or other websites becomes public information, and you should exercise caution when deciding to disclose any personal information.**

When a user visits the InfoWars, PrisonPlanet or PlanetInfoWars websites, they are infected with a Tracking Cookie that tracks the movement and gathers information about the user across the internet.

This is information that is very useful to Stratfor. Having information about users that frequent the websites owned by Jones (that can then be turned over to Stratfor for intelligence gathering purposes) and is extremely valuable to a CIA operation that is trying access the temperament of the general public and make sure that they log and tract the whereabouts of the Patriot community that relies on Jones.

Planetary Alignment with the Giza Pyramids on Dec 3, 2012

What will happen in the night sky over Giza mimics the layout of the Pyramids at Giza.

The fact is that the planetary alignment matches exactly layout of Pyramids at Giza on 12.3.12 and this will happen just 18 days before 12.21.12...6 plus 6 plus 6 = 18

**PLANETARY ALIGNMENT WITH THE GIZA PYRAMIDS,
IT ONLY HAPPENS ONCE IN 2,737 YEARS**

The planetary alignment that will take place on Dec 3, 2012 is a dead-on alignment with the Pyramids at Giza. ... & will take place one hour before sunrise at Giza.

Luk 21:25 And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;

Luk 21:26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.

Is it possible that Giza pyramids were built to honor (or warn about) specific time marked by the planetary convergence?

Positions of planets can be used as a perfect clock. Such a clock can mark date in time (in the past and/or in the future).

Also, it should be noted, that planetary convergence only happens every 2,737 years, and its different for at least 2 more cycles running the program forward... and doesn't happen again for over 28,000 YEARS if you run that program backwards in time...

The Dec 3, 2012 planetary alignment can be verified by anyone who can use astronomy program like Starry Night and superimpose night sky image of 3 planets on Dec 3, 2012 on the image of 3 pyramids at Giza.

One of our visitors sent us his verification of the planets and pyramids of Giza image we posted on April 2011:

I just made this video which checks the alignment of 03 December, for those interested in the subject: <http://www.youtube.com/watch?v=QAL9un1D0UI>

What's Going On At Yellowstone?

Thursday, November 29, 2012 13:37

Readings of the [Norris Junction](#) Yellowstone seismology graphs are currently off the charts. Suddenly at 6pm Mountain time on November 28th, seismological readings spiked, as shown on 2nd graph below. Is the [Yellowstone](#) mega-volcano reacting to the approaching cosmic alignment that is about to occur on [December 3rd, 2012](#)? **According to Discover Magazine's "Bad Astronomy Blog"; Mercury, Venus and Saturn will indeed fall into alignment over the Giza pyramids on December 3, 2012.** What kind of effect will that alignment have upon our planet Earth? Could Yellowstone's awakening be just another one of the many [earth changes](#) that are now [happening](#) across the planet, including an uptick in seismic activity in the area surrounding the Long Valley Caldera in Long Ridge, California? Whether the earth changes have anything to do with a rumored approaching 'Planet X' is beyond me. NASA once again has [warned](#) us that we have nothing to worry about. Then again, it sure seems like a lot of [strange](#) things are happening with our planet lately **and December 21st, 2012 is only weeks away...**

Massive Sinkhole Still Growing – Ohio: 4 Football Fields Long, 30' Deep Shuts Down 8 Mile Stretch Of Road + LA Sinkhole Situation Getting Worse

The most powerful earthquakes in the history of the United States happened along the New Madrid Fault in 1811 and 1812. Those earthquakes were reportedly felt more than 1,000 miles away. Scientists assure us that one day we will once again see very powerful earthquakes along the New Madrid fault. It is only a question of when it will happen. Today, the New Madrid fault zone covers portions of Illinois, Indiana, Missouri, Arkansas, Kentucky, Tennessee and Mississippi. However, a major earthquake of magnitude-8.0 or greater would likely have a dramatic effect all the way from the Great Lakes all the way down to the Gulf of Mexico. When most Americans speak of the "big one", they think of what may happen along the coast of California someday, but the truth is that a New Madrid earthquake could potentially do far more damage. So is there evidence that the New Madrid fault zone is waking up? Yes, there is. According to [Bloomberg](#), there **has been "a sixfold increase in the number of earthquakes that have shaken the central part of the U.S. from 2000 to 2011". Much of that increase is being blamed on human activity such as mining, drilling and fracking.** So could human activity aggravate the fault zone so much that it could set off a truly history-making earthquake at some point? Well, the potential is certainly there. That is why so many people are so

concerned about the monster sinkholes that have appeared in the region in recent months. For example, a massive sinkhole down in Louisiana is now over 8 acres in size and it has forced hundreds of people to flee from their homes. You can see video of the Louisiana sinkhole [right here](#). Meanwhile, we learn that illnesses are breaking out across the area near the Louisiana sinkhole as a resident testifies that “every other household has some kind of illness” as the video below confirms.

An 18’ deep sinkhole (picture below) recently appeared in Pennsylvania, according to this [report](#) & over in Ohio, a giant sinkhole has suddenly formed that is more than 30 feet deep and that is the size of four football fields. That sinkhole caused part of State Route 516 [to collapse](#) and authorities say that it will likely be closed for many months. You can see video of the gigantic sinkhole in Ohio [right here](#). Are these monster sinkholes an indication that major earth changes are coming along the New Madrid fault? Has reckless human activity awoken a sleeping giant that we should never have messed with?

Is The New Madrid Sleeping Giant Awakening?

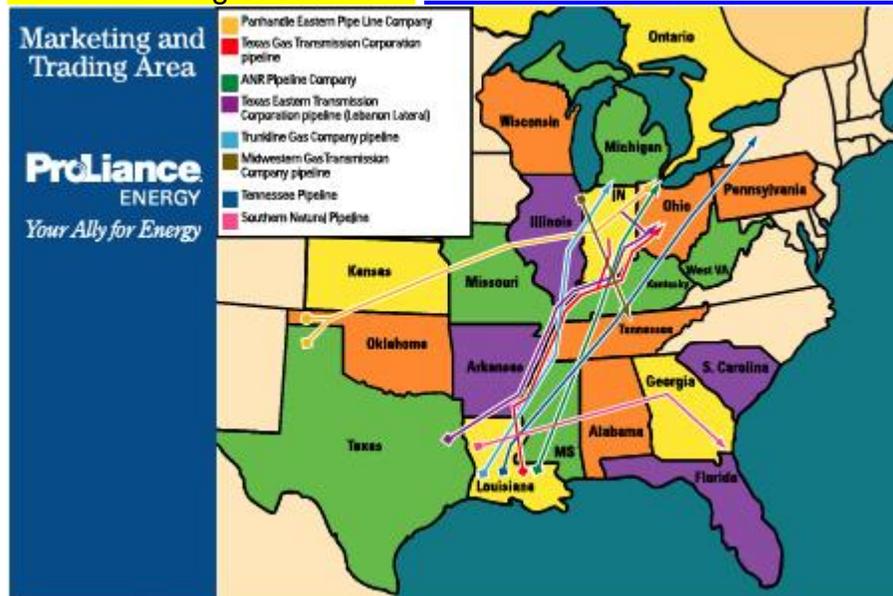

Tuesday, November 27, 2012

[Two more quakes; is the New Madrid fault line waking up?](#)

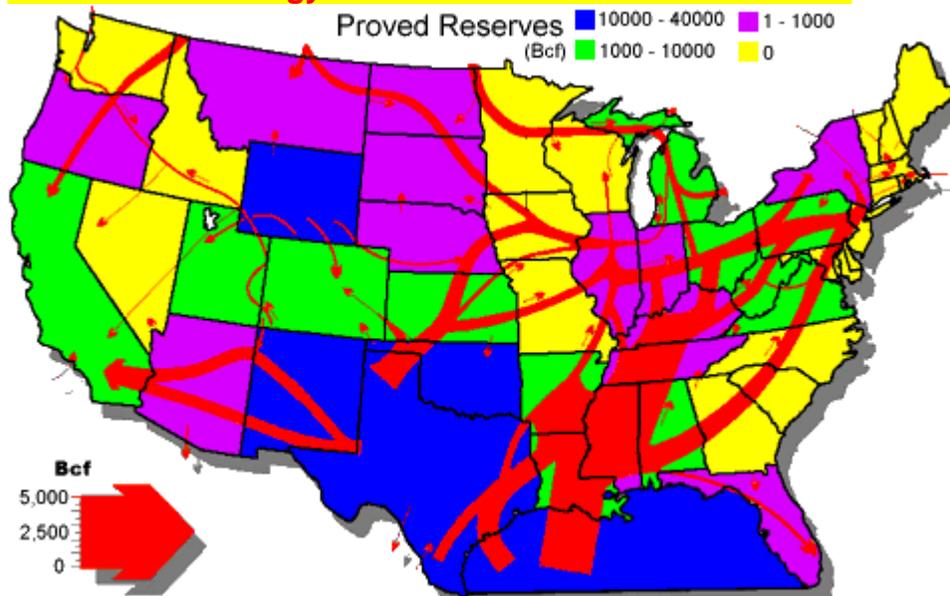

It appears that the sleeping giant could be awakening with recent shallow earthquake activity in Edmond, Okla. and in Illinois.

Plus there was a 4.3 just 10 days ago which makes the questions begin to fly: Could the New Madrid fault line be gearing up for 'the big one'? When [Ky. Experienced a 4.3](#) two weeks ago, it was [felt across 10-12 states..Full story here](#)

This is also of great concern: [The Little Known New Madrid Pipeline Bomb](#)

We've heard a lot about the New Madrid Fault. **Despite the dangers and warnings, the area continues to be flooded, fracked, drilled, HAARPed, and tornadoed, with extreme weather fluctuations only escalating. All the while this region is home to 15 nuclear reactors. As if that's not enough, there's also a little known factor that will really make your hair stand on end. The fault zone is criss-crossed with major gas and oil pipelines delivering these volatile energy sources all over the United States.**

The main production areas and pipeline routes for natural gas (American Gas Association)

This company (ProLiance Energy) delivers billions of cubic feet of gas per year through 19 major pipelines. Note how the pipelines cross the New Madrid Seismic Zone.

An earthquake in the middle of the country, along the precarious New Madrid fault, could have enormous fiscal and energy consequences. "Virtually every natural gas pipeline in the nation is built over that fault," Geller says. "You'll see the explosion reflected off the moon." –insurancenewsnet.com

Mississippi River could become impassable in two weeks

Scott Wuerz | Belleville News-Democrat

According to the American Waterways Operators and Waterways Council, the country's busiest inland waterway is nearly too low already for barges loaded with coal, steel and other commerce.

And it is expected to dry up considerably in the next couple of week due to the summer drought and the U.S. Army Corps of Engineer's move to hold back water from the Missouri River.

"Of particular concern are hazardous rock formations near Thebes and Grand Tower which threaten navigation when water levels drop to anticipated, near historic lows," the agencies said in a joint release. "The rock formations, combined with the reduced flows from the Missouri River, will prohibit the transport of essential goods along this critical point in the river, effectively stopping barge transportation on the Mississippi River around Dec. 10."

Worlds Waters Turn Blood-Red

Tuesday, November 27, 2012

Exodus 7:17 This is what the LORD says: By this you will know that I am the LORD: With the staff that is in my hand I will strike the water of the Nile, and it will be changed into blood.

SEVERAL popular Sydney beaches, including the iconic Bondi, resembled scenes out of an apocalyptic film today after an algae bloom turned the water blood red.

Patches of the red algae, a natural phenomenon that can be exacerbated by certain weather conditions, were sighted between Bondi Beach and Maroubra Beach this morning.

Both Bondi Beach and Clovelly Beach were closed while authorities conduct tests in the water.

And If you think this is a once off , think again: Below is China's Yangtze River Mysteriously turns Red Blood! (Sept 7, 2012)

Also there has been a BLOOD RED SEA in Russia!

A lake in the Camargue in southern France, a river delta right where the Rhône meets the sea, turned blood red, causing some panic. But fear not: scientists are saying that the color is due to a natural phenomenon, reports NY Daily. A high concentration of salt taking the form of salt flats caused the water to run an eerie blood red color, says French scientists.

So What is causing this to happen ALL OVER THE WORLD ? Is it Natural ? A Warning ?
