Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

II Chronicles 7:14: "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

I John 4:18: "There is **no fear** in love; but **perfect love** casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

Heb 13:6: "So that we may boldly say, The Lord *is* my helper, and I **will not fear** what man shall do unto me."

II Timothy 1:7: "For God **hath not** given us the spirit of fear; but of power, and of love, and of a sound mind."

Rick Warren's "Daniel Plan" Doctor Oz Will Lead Mass Hypnosis on TV

Christian Research Network has posted a video clip where Rick Warren's Dr. OZ is announcing that on Monday **he and a fellow doctor are going to "hypnotize America."** [Click here](#) (**Play from 57 second mark to the end**) to watch this video.

If you haven't kept up on what is currently happening at Saddleback Church with Rick Warren, please read the following articles where it documents that **Rick Warren is using New Age promoting doctors to get his congregation healthy. Meditation, Tantric sex Yoga and Reiki demonic channeling are just some of the occult techniques that these doctors advocate.**

If you think that this is just about Saddleback Church and has nothing to do with you or your church or your grown children's churches, please think twice about that. The repercussions of what is happening right now at Saddleback could be astronomical, and yet ... once again, there is absolute *silence* from Christian leaders.

Subject: Rick Warren

Hi Scott,

I was just listening to your teaching on Rick Warren and agree with you that these preachers who fly around in their own jet and own several mansions are not following Jesus. I recently had a disagreement with a friend who happens to listen to Joyce Meyers about her 8 million dollar jet and \$23,000 toilet. I gave her this verse which is very direct concerning preaching for riches. It appears she is more concerned about how Joyce makes her feel than what the Bible says.

[You Won't Believe Chili's' Radical "Gay Task Force" Agenda!](#)

Dear Readers, this is not just another e-mail about boycotting yet another irresponsible corporation. It's about educating the nation on the incredibly extreme and unhealthy agenda of the pro-Homosexuality-Bisexuality-Transsexuality Lobby -- and holding company executives accountable for financing that agenda. Last week in Minneapolis, I and a few other **pro-family advocates went undercover at the annual "Creating Change" grassroots homosexual conference** put on by the **National Gay and Lesbian Task Force**. There were more than 2,000 LGBT activists in attendance! Some of the "change" we heard advocated in the various workshops, and which we will document in the days and weeks ahead, was shocking. Yet this agenda is one that the left-leaning media refuses to examine, much less expose. So AFTAH will do the media's job for them by laying out the Gay Task Force's extremist vision, which includes:

- **Taxpayer-financed "sex change" operations for transsexuals (not to do so is "discrimination" against "transgenders");**
- **Using polling, focus groups and emotional arguments to persuade evangelical Christians to ignore Scripture and accept homosexuality-based "rights";**
- **Using the tragedy of homosexual youth suicides to shame Christians into stop calling homosexuality sinful;**
- **Celebrating sadomasochism (consensual sexual violence and degradation) and "kinky"/fetish sexual behaviors**
- **Pro-homosexuality lessons for grade school kids (because waiting until middle school is too late to reach them);**
- **"Non-judgmental condom advocacy for young men in the name of HIV prevention -- and even being non-judgmental in "safe sex" training when it comes to bizarre/disgusting "fetish" behaviors**
- **Predicting not just a future "gay" president of the United States but also a "bi" and a "transgender" president! (I'll withhold the jokes...);**
- **Celebrating bisexuality and "genderqueer" lifestyles (see this definition for latter: <http://en.wikipedia.org/wiki/Genderqueer>: People who identify as genderqueer may think of themselves as being both man and woman or as being neither man nor woman and therefore falling completely outside the [gender binary](#). They may express a combination of masculinity and femininity or neither. Many genderqueers see gender and sex as separable aspects of a person and sometimes identify as a male woman, a female man, or a male/ female/ intersex genderqueer.¹**
- **Using "gender identity" laws to pressure businesses to bend to the transgender agenda of "Gender-Neutral Restrooms".**

There is much, much more -- the homosexual Task Force puts the "D" back in "Deviance," that's for sure. Stay tuned as we lay out the "change" that this high-

powered organization and "Friend of Barack Obama" is promoting for America -- with help from **Chilis restaurants, Wells Fargo, Southwest Airlines**, and other major corporations. God bless you and thanks for standing with us! -- **Peter LaBarbera, Americans For Truth, www.aftah.org; americansfortruth@gmail.com.**

Chili's Restaurant Funds Radical National Gay & Lesbian Task Force--Chili's is proud "National Corporate Sponsor" of extreme homosexual group

READ IT ONLINE: <http://americansfortruth.com/news/labarbera-chilis-restaurant-in-cahoots-with-national-gay-lesbian-task-force.html>

Chili's, owned by Brinker International, is a "National Corporate Partner" of the National Gay & Lesbian Task Force, which celebrates gender confusion, bisexuality and sadomasochism.

By Charlie Butts – OneNewsNow – 2/4/2011--Christian activist **Peter LaBarbera** is calling attention to a popular restaurant chain's association with the National Gay and Lesbian Task Force.

Homosexual activists called for a boycott of Chick-fil-A restaurants after a Pennsylvania franchise provided box-lunches for a recent seminar encouraging traditional marriage. The national chain and many of its franchise owners across the U.S. have pledged to contribute to everything from marriage seminars to retreats and counseling for its employees.

LaBarbera, founder of Americans for Truth About Homosexuality, argues that Chick-fil-A is a fine Christian company and suggests that a boycott of the company is absurd. But he points out that another popular restaurant — Chili's — **supports the National Gay and Lesbian Task Force**, which he says promotes polyamory, the practice of having more than one open romantic relationship at a time.

“[That group] holds an annual ‘Creating Change’ seminar with some of the most deviant workshops you’ve ever seen,” says LaBarbera. “They promote so-called ‘sexual freedom,’ which basically wants to do away with all sex-oriented laws in the United States such as limiting adult industries near neighborhoods.”

“And so we’re calling on people to stop going to Chili’s because it supports this radical, leftist, deviant agenda promoted by the National Gay and Lesbian Task Force,” he remarks.

LaBarbera concludes with this admonition: “...If you want to take a small step to stand up for family and marriage, take your family out to Chick-fil-A — and drive right by when you see a Chili’s.”

TAKE ACTION: Contact Chili’s Restaurants M-F 9:00 AM – 5:00 PM Central Time at: [800-983-4637](tel:800-983-4637); or use the Chili’s contact page or that of their parent company, Brinker International. You can call Dallas-based Brinker 8:00-5:00 Central at [972-980-9917](tel:972-980-9917), or through their Guest Relations line at [800-983-4637](tel:800-983-4637). (Brinker also owns Maggiano’s Littly Italy and Romano’s Macaroni Grill restaurants.)

Jerusalem UFO and Rider on a White Horse in Cairo are Signs of Maitreya, the World Teacher

LOS ANGELES, Feb. 9, 2011 /PRNewswire-USNewswire/ — Two miraculous phenomena have recently been seen by millions worldwide on television and the internet: a glowing UFO hovering over Jerusalem’s Temple Mount, and an ethereal figure in white riding a white horse through the crowds gathered in Tahrir Square in Cairo, Egypt, captured on video.

The UFO was filmed by at least five different witnesses. The Sydney Morning Herald reported: “Perhaps more intriguing is the fact it was shot from various angles that all seem to be in sync, particularly at the moment when the object flies upwards at high speed.” UK’s Channel 4 News noted that the videos appear to show “the exact same ball of light” and that “the mystery deepens as flying is forbidden above the sacred site, so the light cannot come from a plane.”

What do these phenomena mean? Who is creating them? What is their significance at this time of crisis and change?

According to Benjamin Creme, artist, author and lecturer, these are two of many signs or miracles which herald the emergence into public life of Maitreya, the World Teacher. On 14 January 2010 Benjamin Creme announced that Maitreya had, for the first time, appeared (incognito) on television. Since then he has appeared 29 times in the USA, and more interviews are expected soon in the Americas, Japan, Europe and the rest of the world.

According to Benjamin Creme’s Master, the UFO in Jerusalem was one of the four ‘stars’ seen around the world since December 2008 that herald Maitreya’s open emergence. He also confirms that the Rider on the White Horse was a blessing from Maitreya to show the immensity of what the Egyptian people are doing, and that he is with them in their struggle for justice and freedom. **Maitreya has often appeared as the Rider on a White Horse – an age-old symbol for a teacher to come. Many now**

expect the return of their awaited Teacher, whether they call him the Christ, Messiah, the fifth Buddha, Krishna, Kalki Avatar or the Imam Mahdi.

Subject: **Listener Comment Regarding Jerusalem UFO and the "V" Series**

You know I heard nothing about the UFO thingy over Jerusalem in the news and I'm pretty adept to what's going on around the world. I actually gasped when I watched the video. Michael Cohen's **quote regarding, 'aliens taking an interest in our religions' and a 'coming unholy marriage between these demonic beings...and major religions', made me think of the TV series "V". Last week's episode shows the Visitor's need for to align themselves with the Catholic Church so as to be accepted by the world. And the church complies. The Visitors are looking to destroy the human soul so they need to find out more about it.**

Listener Comment Regarding the "V" Series

Author : Jennifer

E-mail : jdbmoore

Comment:

I actually watch the Show "V". I believe it has a lot of foreshadowing of what's to come. It's very mysterious because we're finding out things bit by bit. Up to now we've learned that the V's have been on **earth (sleepers) for quiet some time and that they have been experimenting with pregnant women and the unborn children without the mothers even knowing. They've actually tampered with the DNA of unborn children, taken a chunk of it out so that they can replace it with something else (but with what? we've yet to find out).** The V's queen (Anna) is now trying to understand the human soul because she feels that in order to destroy the humans she needs to understand them which would make it easier to conquer them. **I hate that the only Christian representative is the Pseudo-Christian Catholic church. Anna wanted the Catholic's support and for them to**

excommunicate anyone that spoke against the V's. When the "priest" said no at first, Anna demonstrated some "BLUE ENERGY" and threatened to appease the Catholic followers with "signs and miracles" (lying) and she would steal their faith from the Catholic Church. The priest then complied to her request.

She is so focused on human women and preparing them for breeding. It's a very interesting show.... So glad that you mentioned this to your listeners Dr Scott.

Assange reveals significance of Wikileaks UFO cables

February 8, 2011. Michael E. Salla, Ph.D.

In the first of a series of "Live People's Conferences" where Julian Assange directly responds to public questions about Wikileaks, he has clarified the nature of most UFO references in its yet-to-be-published diplomatic cables. Back on December 3, 2010, Assange raised expectations when he said in an interview in the Guardian newspaper that "it is worth noting that in yet-to-be-published parts of the cablegate archive there are indeed references to UFOs." This led to many wondering whether an alleged U.S. government cover-up of UFOs and extraterrestrial life was going to be finally exposed. Indeed, one of the diplomatic cables released by the Norwegian newspaper, Aftenposten, referred to extensive funding for UFO research in the former Soviet Union. In his February 6 response to a question about UFOs, Assange revealed that the contents of the yet-to-be-published diplomatic cables largely dealt with the Raelian UFO cult and its claims of cloning.

The "Ancient Astronaut" Lie: The Shocking Origin of the "Intelligent Design" Theory

December 28th, 2007 by Dr. Scott Johnson |

This is a special study I felt convicted to do after viewing a 27 minute internet video put out by the **Raelian cult**. This video does one of the most thorough jobs of condensing most of the coming "New Age/New World Order" lies that I have ever witnessed. Most of these lies seem so appealing to the unsaved, for the same reason Eve was seduced by the serpent in the Garden of Eden: Because they promise: "Ye shall be as gods". If anyone buys into this then all accountability to a Holy God goes out the window & they feel they can live anyway they want. Satan is still "The most subtle best of the field" and he has not changed his tactics as you will see when you listen to this audio. In this teaching I will be playing the sound from this video and stopping to comment along the way so I can ultimately present a full rebuttal to this most egregious heresy. This "Ancient **Astronaut**" theory is going to unfortunately take many people to hell and is going to be one of the cornerstones of the grand deception the Antichrist will perpetrate.

Subject: You need to see this

Hello Brother Scott

Recently a man named Craig Mundie came and spoke at the Cleveland Clinic as part of a speaker series. He is a Cleveland native and the Chief Research and Strategy Officer at Microsoft.

Here's the link to check out the details.

<http://www.clevelandclinic.org/ideas/speaker-archives.htm> **Anyways, Cleveland Clinic is a huge New World Order sympathizer institution (they have a U.N flag out front btw) so they thought it fitting to invite a one worlder in to give his speech.** You've talked about technology, advancement etc. I saw this video in a link from the Cleveland Clinic's president to the employees and found it on youtube. **You REALLY need to see this.** He mentions data mining, the future of what he calls, "telepresence", avatars, intimately binding together human physiology w/ technology, TV screens that watch you as you watch them, getting technology to think for you based on the history of what you've been doing. Basically one red flag after the next. One of the most telling points is toward the very end during Q&A time. **The question about language is posed, and in response he said, "The world is globally connected now, and people want to do business all over the world all of the time and language is always a problem..."** He goes on to discuss how close they are at Microsoft to coming out with real time language translation software. **You speak German into the phone, and I hear english on the other line.**

Which means... "Dear Nimrod, it's been 4,000 years... but we're back."

Gen 11:1 ¶ And the whole earth was of one language, and of one speech.

Gen 11:2 And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there.

Gen 11:3 And they said one to another, Go to, let us make brick, and burn them throughly. And they had brick for stone, and slime had they for mortar.

Gen 11:4 And they said, Go to, let us build us a city and a tower, whose top [may reach] unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth.

Gen 11:5 And the LORD came down to see the city and the tower, which the children of men builded.

Gen 11:6 And the LORD said, Behold, the people [is] one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.

Gen 11:7 Go to, let us go down, and there confound their language, that they may not understand one another's speech.

Gen 11:8 So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city.

Gen 11:9 Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth.

All Banks Notified by DHS of Unannounced Warrantless Looting of Anyone's Personal Bank Accounts or Safe Deposit Boxes!

The Last Official Act of Any Government is to Loot the Nation...

According to in-house memos now circulating, the DHS has issued orders to banks across America which announce to them that "under the Patriot Act" **the DHS has the absolute right to seize, without any warrant whatsoever, any and all customer bank accounts, to make "periodic and unannounced" visits to any bank to open and inspect the contents of "selected safe deposit boxes."**

Further, the DHS "shall, at the discretion of the agent supervising the search, remove, photograph or seize as evidence" any of the following items "bar gold, gold coins, firearms of any kind unless manufactured prior to 1878, documents such as passports or foreign bank account records, pornography or any material that, in the opinion of the agent, shall be deemed of to be of a contraband nature."

DHS memos also state that banks are informed that any bank employee, on any level, that releases "improper" "classified DHS Security information" to any member of the public, to include the customers whose boxes have been clandestinely opened and inspected and "any other party, to include members of the media" and further "that the posting of any such information on the internet **will be grounds for the immediate termination of the said employee or employees and their prosecution under the Patriot Act."**

If people have their emergency money in a safe deposit box or an account in a bank

that closes, they will not be allowed into the bank to get it out. They can knock on the door and beg to get in but the sheriff's department or whoever is handling the closure will simply say "no" because they are just following orders.
