Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Bible Study: The Golden Rule - Enduring to the End – Biblical Qualifications for being an Overcomer - Overcoming through the Lord Jesus Christ

Matt. 7:12: Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets.

Matthew 22:36-40: Master, which is the great commandment in the law? Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself. On these two commandments hang all the law and the prophets.

I John 3:22-24: "And whatsoever we ask, we receive of him, because we keep his commandments, and do those things that are pleasing in his sight. And this is his commandment, That we should believe on the name of his Son Jesus Christ, and love one another, as he gave us commandment. And he that keepeth his commandments dwelleth in him, and he in him. And hereby we know that he abideth in us, by the Spirit which he hath given us."

Hebrews 12:24: And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaketh better things than that of Abel.

Matt. 7:13: Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat:

Matt. 7:14: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.

Matt. 7:15: Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.

Matt. 7:16: Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles?

Matt. 7:17: Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit.

Matt. 7:18: A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit.

Matt. 7:19: Every tree that bringeth not forth good fruit is hewn down, and cast into the fire.

Matt. 7:20: Wherefore by their fruits ye shall know them.

Matt. 7:21: Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven.

Matt. 7:22: Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? Comment: These all appear to be those who called themselves Christians.

Matt. 7:23: And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

Matt. 7:24: Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock:

Matt. 7:25: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock.

Matt. 18:3: And said, Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven.

1 Cor. 6:9: Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,

1 Cor. 6:10: Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

1 Cor. 6:11: And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.

Luke 21:34: And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares.

Luke 21:35: For as a snare shall it come on all them that dwell on the face of the whole earth.

Luke 21:36: Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Mat 10:22: And ye shall be hated of all men for my name's sake: but he that endureth to the end shall be saved.

Acts 3:19: Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord;

1Jo 5:4: For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith.

1Jo 5:5: Who is he that overcometh the world, but he that believeth that Jesus is the Son of God?

Rev 2:10: Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life.

Rev 2:11: He that hath an ear, let him hear what the Spirit saith unto the churches; He that overcometh shall not be hurt of the second death.

Rev 20:14: And death and hell were cast into the lake of fire. This is the second death.

Rev 21:8: But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

Rev 2:26: And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations:

Matt. 7:26: And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand:

Matt. 7:27: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.

Comment: In other words when the testing of persecution, trials and tribulation comes to false Christians, they will ultimately fall away and draw back into perdition.

True Salvation

++

“A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murderer is less to fear.” — [Marcus Tullius Cicero](#)

ISIS Leader Admits: We Are Being Funded By The Obama Administration

An ISIS leader named Yousef al-Salafi in **Pakistan has admitted that ISIS is being funded by the USA, and thus, the Obama administration.** This came from a statement done by the Pakistani government which interrogated Yousef and received this information from him. One source said that **al Salafi confessed that he and another ally — said to be an imam — was getting paid by the US to recruit youths to join ISIS for \$600 a recruit.**

There was a news report done on this:

The Obama administration funding ISIS should not surprise us. Let's not forget that the Obama administration has refused to back Egypt in its destruction of ISIS, and is working with Turkey which one of the main backers of ISIS. Let us also not forget that the USA supports the FSA and is working to continue to fund and train jihadists in Syria to overthrow the Assad regimen, an action that will only allow the Islamists, and ultimately Turkey, to dominate the Middle East.

Saudis Send Violent Prison Criminals to Fill Ranks of ISIS Sand Pirates in Syria

The world truly is ruled by the devil, and all of his demons are possessing the most powerful people in the world, and while they make us think that they are doing the "right thing," they are in reality supporting the epitome of all evil. From psychiatric drugs, Islamic terrorists, the slaughter of innocent infants, to the homosexual agenda, the evils that we see in front of our eyes are being empowered wicked men, embellished with suites and smiles.

We think the Islamic terrorists are the only *evil*, **but the truth remains that the most demonic people are the ones behind the curtain of destruction, directing the scenes of perdition, while going before cameras with sharp grins, hand waves, and a lofty podium, and they are in power only because the masses allow them to be in power.**

Let us always keep in mind that it was George Bush that removed Saddam Husain, **who was suppressing the jihadists and protecting the Christians, and all that did was set the stage for all of these Islamists to invade the Middle East, and from such chaos and disorder, ISIS was formed.**

The fact remains that American Government is aiding the persecution of Christians in the Middle East, because at the end of the day, that is the ultimate goal of the jihadists: destroy Christianity.

This ISIS commander was in Pakistan, **which means he was working to form a full sharia state in that country, which would only lead to a systematic slaughter of the Christian population.**

US/Turkey Sign Deal to Arm Islamic Death Squads in Syria ...

According to a Turkish Foreign Ministry Undersecretary and the US Embassy in Ankara, the **United States and Turkey have officially signed an agreement that would see the training and equipping of the phantom "moderate" Syrian "rebels" wreaking havoc on the Syrian people.**

The deal was signed Thursday evening by Turkish Foreign Ministry Undersecretary and U.S. Ambassador John Bass.

The U.S. Administration has been crowing for some time about a plan to train about 5,000 fighters per year for three years to fight against Assad in Syria and this agreement seems to be the public culmination of this specific plan. This assault on the Syrian government is, **of course, being presented as an attempt to fight ISIS.**

The U.S. military is also stating that it plans to send over 400 troops as well as Special Operations personnel to train these death squad fighters.

The United States and NATO have been promoting the false notion that there is such a

thing as a moderate rebel inside Syria since the crisis came to a head in 2010 where the collective intelligence agencies of NATO countries and Israel began funding, organizing, training, arming, and directing Islamic extremists to overthrow the secular government of Bashar al-Assad.

Ironically, this new agreement comes almost immediately after the United Nations and its NATO wing have publicly called for a ceasefire and truce in Aleppo. Of course, it is important to note that the calls for a truce have come in earnest after the Syrian military has surrounded the city and is poised to retake it.

The plan would involve a six-week truce and the halting of aerial bombardment and artillery shelling of Aleppo in all quarters of the city.

However, it is worth noting that the peace deal benefits only the Islamic death squad fighters funded by the West and operating on the ground inside the country, particularly those fighting inside Aleppo. For instance, the proposal seeks to end all aerial bombardment and artillery shelling of all quarters of the city – handcuffs that affect the Syrian military much more so than the death squads since the jihadists have no air force with which to bombard the city.

With the encirclement of the city by the Syrian military, the terrorist-held areas of the city are now in a decidedly defensive position so this will only benefit the Islamic Western backed death squads.

Few can deny that the proposed “truce” is very “convenient” in its timing from the point of view of NATO strategists.

It is curious because talks of “truces” were completely absent just as recently as 2011, when both organizations, the UN and NATO, backed hordes of terrorists sweeping across Libya, committing abhorrent atrocities including the systematic, genocidal extermination of Libya's black communities.

Indeed, NATO and UN peace treaties only seem to appear when the NATO terrorist proxies encounter serious trouble on the battlefield.

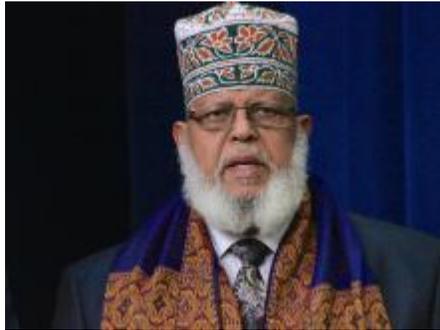

The United Nations peace plan is thus nothing more than an attempt to buy time for Western-backed jihadists to regroup, resupply, and re-strategize in hopes that some other “convenient” event take place in Syria that will break the encirclement in the meantime.

Regardless, it is clear to all who have even the slightest critical faculties left that ceasefires are only reserved for the allies of NATO and US imperialism. The United States and Turkey (as well as the whole of NATO) are suggesting that Assad stop firing at foreign-backed extremists who have unleashed hell on earth upon his country while, at the same time, openly declaring their intent to recruit, arm, and train these very same terrorists.

I used to believe this country was exceptionally great but now when I look at it I see strong communistic tendencies, a dictatorial power hungry Muslim president, the destruction of our freedom, ramped backing of ISIS terrorists, and much more! Perhaps most unsettling is the fact that while these forces gather strength, most Americans seem unable to grasp the magnitude of the challenges that face us. Truth be told, many have become accustomed to the apathetic mentality; if it doesn't affect them directly, then they ignore it. This is a huge problem that has led to most of the issues we have in our country today.

The Islamic religion is the world's fastest growing religion, **and according to the most recent Pew report on Muslim demographics; there are approximately 1.6 billion Muslims worldwide. Which means 24% of the world's population practice Islam (that's about one out of every four people on this planet!!).**

White House Summit on Violent Extremism Opens With Muslim Prayer – No Other Faiths Represented

(CNSNews.com) – **A Muslim prayer was recited at the start of the second day of the White House summit on “Countering Violent Extremism,” but no other religious text was presented during the portion of the event that was open to the press. Imam Sheikh Sa'ad Musse Roble, president of the World Peace Organization in Minneapolis, Minn., recited a “verse from the Quran” following remarks by Obama administration officials and Democratic members of Congress.**

“Mosques serve as (sic) beacon of hope,” Adam said. “While imams’ provide moral compass for the Muslim community in navigating life.”

OBAMA LETTING ISIS IN?

Top U.S. counterterrorism officials say **they worry potential terrorists could be hiding among refugees who are looking to come to the United States** after escaping the brutal war in [Syria](#).

“It's clearly a population of concern,” the director of the National Counterterrorism Center, Nicholas Rasmussen, told the House Homeland Security Committee on Wednesday.

Committee Chairman Mike McCaul, R-Texas, went further, **saying it would be a “huge mistake” to bring refugees from the conflict to the U.S.**

Obama administration to quadruple admission of Syrian refugees...

Program called 'backdoor for Jihadists'...

A senior FBI official **has admitted the United States is finding it virtually impossible to screen out terrorists that could be hiding among the thousands of Syrian “refugees” heading soon to American cities.**

The U.S. simply does not have the resources to stop Islamic radicals in Syria from slipping into the country through the State Department’s refugee-resettlement program, said Michael Steinbach, deputy assistant director of the FBI’s counter terrorism unit.

As a sequel to burning alive of the Jordanian POW pilot, ISIS decided to behead 21 Coptic Christians on a beach front in Tripoli Libya as their magazine *Dabiq* said that its branch in Tripoli had captured randomly 21 Coptic Christians (from an apartment complex) after checking their identification cards which said “Coptic Christian” and then executed them.

The undated photos showed the captive Coptic Christian workers wearing orange jumpsuits usually donned by Islamic State prisoners before they are executed by the jihadists.

ISIS declared in its magazine that every Muslim must kill Coptic Christians wherever they are found:

“And thus, the Islamic State strikes terror in the hearts of the Copts after it strikes terror in the hearts of their Catholic allies before ... Finally it is important for Muslims everywhere to know that in the great reward to be found on Judgment Day for those who spill the blood of these Coptic Crusaders wherever they may be found”.

[Obama Admin makes massive push to ban M855 .223 ammunition commonly used in AR-15s](#)

My fellow patriots and citizens, I am sorry to inform you the end of America is near as the Obama Administration is now making a massive push to ban M855 .223 commonly used in all AR-15 style rifles.

In fact the new push, headed up by the Bureau of Alcohol, Tobacco, Firearms, and Explosives (BATFE) and nasty Executive Orders signed by President Obama, if successful, would make M855 .223 rounds illegal and classified as “armor-piercing”.

This push marks the third executive action by the Obama Admin this year as the powers-that-be are now ramping up the next phase — full-on disarmament of the American people.

It has also been speculated that the possible round-up and execution of American citizens, deemed extremists or dissidents by the U.S. government, will soon begin with the gathering/culling of the red and blue list. While this is not for sure and there is no way to confirm this action, rest assured the plan still rests on the table.

There is still time to have our voices heard on this issue, the ban of M855 .223 ammo, as the BATFE is taking comments from the general public into careful consideration until March 16, 2015. However, please note that the BATFE will not acknowledge receipt of any comment.

Pre-Emptive Strike: Obama's DHS Warns Right Wing Terror Threat Greater than ISIS, Hamas-CAIR Celebrates

Obama's war on "countering violent extremism" turns inward — on Americans.

The DHS report targeting the right is a deliberate demonization of an increasing number of Americans who understand that our rights are being usurped and the US government has been hijacked by a collective of destroyers and anti-American operatives. This is not new. Obama made

these same vicious accusations in a similar DHS report in early 2009. It is a *strategy*. President Obama is taking the idea of pre-emption to a whole other level.

"The tyrant will always find a pretext for his tyranny,"

"A statist is a man who believes that some men have the right to force, coerce, enslave, rob, and murder others. To be put into practice, this belief has to be implemented by the political doctrine that the government—the state—has the right to initiate the use of physical force against its citizens. How often force is to be used, against whom, to what extent, for what purpose and for whose benefit, are irrelevant questions. The basic principle and the ultimate results of all statist doctrines are the same: dictatorship and destruction. The rest is only a matter of time." Ayn Rand

Obama and his appointed thugs have made the good guys the enemy. Clearly they anticipate that Americans will act against his coup at some point, and they are taking pre-emptive action. **Criminalizing patriotism.**

The world is in chaos. The jihad wars are raging in Africa, the Middle East and now Europe. **And the Obama administration has turned against Americans that would stand for righteousness.**

Psa 12:8 **The wicked walk on every side, when the vilest men are exalted.**

The Obama administration is anticipating some kind of civil war/civil action, and so they are drawing the line — **declaring those who stand in defense of the Constitution enemies of the state.**

Obama refuses to call Islamic terror Islamic, but will designate Americanism a terror threat.

This is exactly what I predicted in my 2010 book, [The Post American Presidency: The Obama Administration's War on America](#).

This report quotes liberally from the left-wing extremist group, SPLC, whose own members turned assassins have been involved in a number of shootings. **The SPLC has never designated an Islamic group a terrorist or even a hate group, but American patriots have been so branded.**

The DHS is a useless agency; worse, it has become Obama's political stormtroopers, targeting Obama's enemies list.

The absurdity of the report is made ever more ridiculous by all of the other daily headlines on Islamic terror and the human toll.

“DHS intelligence report warns of domestic right-wing terror threat,” CNN, February 21, 2015

A new intelligence assessment, circulated by the Department of Homeland Security this month and reviewed by CNN, focuses on the domestic terror threat from **right-wing sovereign citizen extremists** and comes as the Obama administration holds a White House conference to

focus efforts to fight violent extremism.

Some federal and local law enforcement groups view the domestic terror threat from sovereign citizen groups as equal to — and in some cases greater than — the threat from foreign Islamic terror groups, such as ISIS, that garner more public attention.

How much will the West Coast port shutdown cost?

The West Coast port deadlock has dragged on for months -- meanwhile, the goods that travel through the 29 ports that handle half of our maritime trade have been stuck in dock.

In the Old Testament prophets warned of judgment beginning at the coasts. . . . Jeremiah, warned nations that God's judgments can begin as whirlwinds on the **coasts of their lands**, then spreading from one end to the other:

Jer 25:32 Thus saith the LORD of hosts, **Behold, evil shall go forth from nation to nation, and a great whirlwind shall be raised up from the coasts of the earth.**

As we begin to witness the decimation of our borders we are now seeing events unfolding across America by our executive leadership **to destroy our southern border, allowing anyone in, while our western borders are seemingly being prepared for an invasion by China as US ports are largely OWNED by the Chinese.**

Chinese Setting the Stage For a Military Invasion of the United States West Coast When the Timing is Right?

I personally have not had the time to watch much news, but I've managed to catch just enough about the cargo ships to know this: There is a **TON** of goods **NOT** getting unloaded, and **NOT** getting shipped where they need to be, I know the issue has something to do with **UNIONS** and organized labor, and that Obama has disbursed his minion otherwise known as the Labor Secretary to resolve the work stoppage at our West Coast ports. Presumably we're supposed to believe the Labor Secretary's job is to facilitate an agreement, to get the unions back to work, and get the goods flowing again. What if I told you the labor secretary was **REALLY** dispatched to the West Coast with one mission: Make **CERTAIN** that there is **NOT** a successful negotiation!!!!

WHY WOULD OBAMA DO THAT?

He wants to see the **Trans Pacific Partnership** in **FULL GEAR ASAP!** Using my best imaginative skills, I can't even **IMAGINE** many ways Barack Obama could **POSSIBLY** do any **MORE** damage to the U.S. economy, or at a faster rate than he is **DOING RIGHT NOW**, and he is doing it without hardly even a **soul in the main stream media** paying **ANY** attention.

Dave Hodges says, "Most Americans will fail to notice the threat until they can no longer purchase food in the super-markets, or mail-order prescription medications are not shipped. The **SHEEP OF THIS COUNTRY** will still be in denial that this could ever happen. The unions have now been idled, at major American shipping ports, because the **MULTINATIONAL CORPORATE OWNERS** of the shipping companies are keeping their ships filled with **PERISHABLE** goods at sea **UNTIL ALL GOVERNMENTAL OPPOSITION TO THE FAST-TRACKED TRANS PACIFIC PARTNERSHIP IS ENDED!**" From the looks of things so far, Obama is probably going get away with this too.

What happens in a month or two when the United States is on our knees? Guess who to the rescue? **THE CHINESE!** They can bring all **THEIR** dock workers here, they will **EASILY** be able to undercut the costs associated with the American union workers with their ridiculous demands, and Americans are **SO GULLIBLE**, that we'll **REJOICE** when our supermarket shelves are full again. It reminds of how Americans think the lower gas prices are a good thing, when in fact they are one of the final nails in our country's coffin!

"LONG TERM, THESE GAS PRICES ARE THE FINAL NAIL..."

The United States was **FINALLY** on the verge of energy independence, and no thanks to Barack Obama who has cut permits for drilling down to just about zero. No, instead the U.S. has had **TREMENDOUS SUCCESS** on private

lands in places like North Dakota. The fracking has helped us almost achieve energy independence...!

Here is the problem with \$2.00 gas, **OR LOWER**: All those fracking companies financed their operations and the building of their infrastructure with **\$ TRILLIONS** in bonds, but they did so assuming oil prices would be at least **\$100 a barrel** and very steadily moving north. I haven't looked, but where is oil today? **\$45 a barrel?**

Saudi Arabia's oil infrastructure has been around for decades, so they can get oil up, and out of the ground for maybe 1/4 the price of the American fracking companies with all their brand new equipment. At these prices, it won't be long until **NONE** of the fracking operations can pay their investors and they all go belly up. **THEN**, gas will shoot back up, **AND** probably go **WAY** higher without any of the former fracking companies still in business. The U.S. will be even further from energy independence, with **HIGHER** gas, and that 5% growth Obama is touting will be **NEGATIVE** as we begin our nosedive into what is going to make the Great Depression look like good times.

Also there are **ALREADY OVER 500,000 FOREIGN TROOPS HERE ON OUR SOIL RIGHT NOW** to help with the implementation of whatever the "Master Plan" is. As I said, **"THERE WILL BE NO RECOVERY!"** To help get better understand why The United States will be **SO** weak economically, and why our enemies would be fools not to strike while the iron is **HOT**, my post titled: **HOW PLUNGING OIL PRICES WILL LEAD TO WORLD WAR III** (a combination of my thoughts and an article by **Michael Snyder**), it says the following:

In order for our current level of debt-fueled prosperity to continue, **the rest of the world must continue to use our dollars to trade with one another and must continue to buy our debt at ridiculously low interest rates**. Of course the number one foreign nation that we depend on to participate in our system is China. China accounts for more global trade **THAN ANYONE ELSE ON THE PLANET**. (including the United States), and **MOST OF THAT TRADE IS DONE IN U.S. DOLLARS... FOR NOW...**

This keeps demand for our dollars very high, and it ensures that we can import massive quantities of goods from overseas at very low cost. As a major exporting nation, China ends up with gigantic piles of our dollars. They lend many of those dollars back to us at ridiculously low interest rates. At this point, China owns more of our national debt than any other country does. **But if China was to decide to quit playing our game and started moving away from U.S. dollars and U.S. debt, our economic prosperity could disappear very rapidly. Demand for the U.S. dollar would fall and prices would go up. And interest rates on our debt and everything else in our financial system would go up to crippling levels**. So it is absolutely critical to our financial future that China continues to play our game. Unfortunately, there are signs that China has now decided to start looking for a **SMOOTH EXIT FROM THE GAME!** **IN NOVEMBER**, I wrote about how the central bank of China has announced that it is **"no longer in China's favor to accumulate foreign-exchange reserves."** **That means that the pile of U.S. dollars that China is sitting on is not going to get any higher**. In addition, China has signed a whole

host of international currency agreements with other nations during the past couple of years which are going to result in less U.S. dollars being used in international trade. You can read about many of these agreements in [this article](#). Later, we learned that **China STARTED TO DUMP U.S. DEBT during the month of December**. Many have imagined that China would try to dump a flood of our debt on to the market all of a sudden once they decided to exit, but that simply does not make sense. Instead, it makes sense for China to dump a bit of debt at a time so that the market will not panic and so that they can get close to full value for the paper that they are holding.

As [Bloomberg](#) reported, China dumped **NEARLY 50 BILLION DOLLARS** of U.S. debt during the month of December...

The American population's insistence on staying willfully ignorant has been a remarkable thing to witness over the last six years since the economic collapse in 2008. **Folks, we are witnessing the final paragraphs of the final chapter that was once the US economic superpower.**

I am not kidding you nor am I using any form of hyperbole when I say that this year is critical. Though I do not possess a crystal ball to tell you "EXACTLY" when the end will come, **what I do possess is major market as well as global indicators that can give me an idea as to a time frame. Using the vast amount of data at my fingertips what I can tell you is this: IT'S TIME TO PREPARE, and get your life in order.**

THE VACCINE HOAX IS OVER.! DOCUMENTS FROM UK REVEAL 30 YEAR COVER-UP

A Freedom of Information Act in the UK filed by a doctor there has revealed 30 years of secret official documents showing that government experts have:

1. **Known the vaccines don't work**
2. **Known they cause the diseases they are supposed to prevent**
3. **Known they are a hazard to children**
4. **Colluded to lie to the public**
5. **Worked to prevent safety studies**

Those are the same vaccines that are mandated to children in the US.

A mother whose newborn contracted measles is blaming "unvaccinated" children, despite evidence showing vaccinated children can still spread measles and statistics showing the measles vaccine was linked to more deaths in the past 10 years than the disease.

Not only that, but the person who may have given her newborn measles was vaccinated, according to officials.

Our 37 year old daughter, who lives with us, is totally disabled with Fibromyalgia and I believe it was caused by the shots she was given over the years. My wife is also disabled by Fibromyalgia, and she always faithfully took her flu shots. She was disabled by Chronic Fatigue Syndrome and Fibromyalgia. They both hit her like a freight train. She could barely lift her eyelids when both diseases hit her at once.
