**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Finally, another source is reporting that **Iran has possessed nuclear warheads and that Western Intelligence has known of it for years!** NEWS BRIEF: "[Iran already has nuclear weapons: Western intelligence has known it for years](#)", by Reza Kahlili, The Washington Times, October 27, 2011

"The pressure the United States and the West is bringing to bear on Iran to keep it from acquiring nuclear weapons is all for naught. **Not only does the Islamic Republic already have nuclear weapons from the old**

**Soviet Union, but it has enough enriched uranium for more. What's worse, it has a delivery system."**

In June, 2002, Cutting Edge was posting [Daily News Updates](#) when we were shocked to see a Global Research article reporting that a Russian general had admitted that Iran had nuclear warheads and regional delivery systems (Read full details in [NEWS1660](#), entitled, "**Mushroom Clouds In The Middle East**", Part 2).

Our research following this June, 2002, news conference revealed that Iran had bought nuclear warheads "off the shelf" from Pakistan -- which has always been hurting for cash -- and then turned to North Korea for delivery systems, i.e., regional missiles.

This Washington Post article stated that Iran bought nuclear warheads "off the shelf" from the old Soviet Union, specifically Kazakhstan.

**However Iran came to possess nuclear warheads is irrelevant; the fact is, the Washington Post is confirming our repeated assertion that Iran already possesses nuclear warheads and that the West knows it fully well.**

This fact means that Western leaders are deliberately engaging in lying propaganda designed to keep everyone constantly on edge and worrying about war and about economic collapse.

Let us return to our featured Washington Post story.

"Meanwhile, Paul Muenstermann, then vice president of the German Federal Intelligence Service, said Iran had received two of the three nuclear warheads and medium-range nuclear delivery systems from Kazakhstan. It also was reported that Iran had purchased four 152 mm nuclear shells from the former Soviet Union, which were reportedly stolen and sold by former Red Army officers. To make matters worse, several years later, Russian officials stated that when comparing documents in transferring nuclear weapons from Ukraine to Russia, there was a discrepancy of 250 nuclear weapons."

If Iran already has 250 nuclear weapons, that is a sizeable arsenal, must larger than the one Israel is supposed to wield....

## **U.S. Fighting On the Same Side as Three Terrorist Groups In Syria**

**Washington's Blog** February 26, 2012

[Al Qaeda](#) is supporting the Syrian opposition.

So is the [Muslim Brotherhood](#).

And [Hamas](#).

This is curious, given that the U.S. is [supporting the Syrian opposition](#) (and see [this](#)), [considering military options](#) for ousting the Syrian government, American allies [Britain and Qatar](#) allegedly already have foreign troops inside Syria, and the U.S. has been planning regime change in Syria for over 50 years.

**I thought Al Qaeda, Hamas and the Muslim Brotherhood were America's mortal enemies.**

If Hezbollah joins the opposition, it will be a clean sweep. **Why are we backing terrorists?**

**The puppetmasters create "dis order" so the people will demand "order". The price of "order" always entails a handing over of control and loss of freedom on the part of the citizenry. Out of "chaos" comes "order" - THEIR order - their new WORLD order.**

The trick of creating chaos and then seizing power (under the pretense of putting things back in order) is a tried and true method of deception and manipulation. It's the meaning behind the Latin motto: ORDO AB CHAO meaning ORDER OUT OF CHAOS **the motto of the 33<sup>rd</sup> degree Freemason.**

It's also referred to as the *Hegelian Dialect* after the philosopher Georg Hegel who wrote about its effectiveness. He described it as: THESIS -- ANTI-THESIS -- SYN-THESIS.

Others have described it as: PROBLEM -- REACTION -- SOLUTION in that firstly you *create* the problem; then secondly you *fan the flames* to get a reaction; then thirdly (like Johnny-on-the-spot) you *provide* a solution. The solution is what you were wanting to achieve in the first place, but wouldn't have been able to achieve under normal circumstances.

Orwell described it as REALITY CONTROL.

There are literally HUNDREDS of examples of this method being used effectively throughout the course of history. A well-known example is the bombing of Pearl Harbor which resulted in the United States entering the Second World War. Chaos was required and so chaos was created.

**"The road to tyranny, we must never forget, begins with the destruction of the truth"**  
**William J. Clinton 10/15/95 speech given at the University of Connecticut.**

-----

**"Fictions are necessary to the people, and the Truth becomes deadly to those who are not strong enough to contemplate it in all its brilliance. In fact, what can there be in common between the vile multitude and sublime wisdom? The truth must be kept secret, and the masses need a teaching proportioned to their imperfect reason."**

Syria will hold elections and enact a new Constitution in less than two weeks.

But the U.N passed a resolution recently calling for Syrian president (Bashar al-Assad) to resign. **The U.S. and it's allies will try to use this as a proclamation of "international backing" for an invasion of Syria.**

Russia said today it does not support regime change:

The deputy minister also said that Russia does not intend to persuade Syrian President Bashar Assad to accept the Arab League's proposal on sending a joint LAS and UN peacekeeping force to Damascus.

**Russia opposes any regime change, or removal of President Assad.** In addition, Moscow insists on recognizing the role of the opposition in the current violence.

Russia has sent a large naval force to Syria in a show of support for the Syrian government, and a high-level Russian general and former member of the Russian joint chiefs of staff has said that Russia will defend Iran. Iran and Syria have had a mutual defense pact for years, and Iran is purportedly directly assisting the Syrian military in its fight with the rebels ... sending 15,000 troops of its own. And China has warned against an attack on Syria.

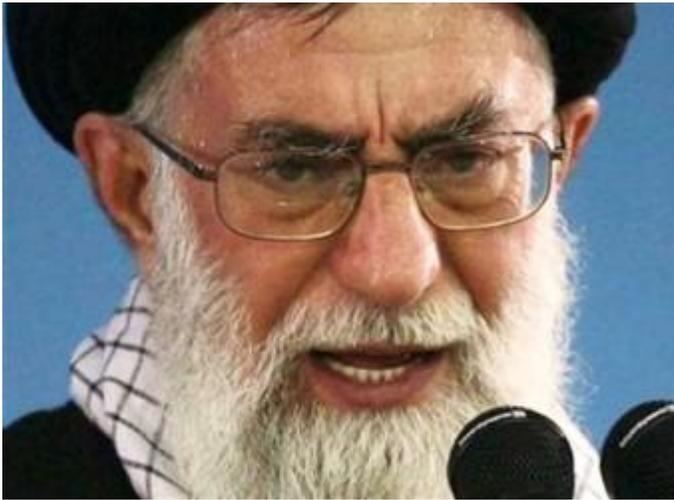

The Pentagon is readying for the possibility of intervention in Syria, aiming to halt Syrian President Bashsar Assad's violent crackdown on protesters, citing a US military official.

According to the official, the intervention scenario calls for the establishment of a buffer zone on the Turkish border, in order to receive Syrian refugees. The Red Cross would then provide the civilians humanitarian aid, before NATO crews would arrive from Turkey and join the efforts.

**The measure would pave the way for the US to declare an aerial blockade on Syria.**

**Ayatollah: Kill all Jews, annihilate Israel**

By [Reza Kahlili](#)

The Iranian government, through a website proxy, **has laid out the legal and religious justification for the destruction of Israel and the slaughter of its people.**

**The doctrine includes wiping out Israeli assets and Jewish people worldwide.**

Calling Israel a danger to Islam, the conservative [website Alef](#), with ties to Iran's supreme leader, Ayatollah Ali Khamenei, said the **opportunity must not be lost to remove "this corrupting material. It is a "jurisprudential justification" to kill all the Jews and annihilate Israel, and in that, the Islamic government of Iran must take the helm."**

The article, written by Alireza Forghani, an analyst and a strategy specialist in Khamenei's camp, now is being run on most state-owned sites, including the Revolutionary Guards' [Fars News Agency](#), showing that the regime endorses this doctrine.

**Because Israel is supposedly going to attack Iran's nuclear facilities, Iran is justified in launching a pre-emptive, cataclysmic attack against the Jewish state, the doctrine argues.**

On Friday, in a major speech at prayers, Khamenei **announced that Iran will support any nation or group that attacks the "cancerous tumor" of Israel.**

Forghani details the Islamic duty of jihad as laid out in the Quran for the sake of Allah and states **that "primary jihad," according to some Shiite jurists, can only occur when the Hidden Imam, the Shiites' 12th Imam Mahdi, returns. Shiites believe Mahdi's return will usher in Armageddon.**

**In the absence of the hidden Imam,**

## “In the midst of war, fear and famine, new hope is in the world for us all”

Many now expect the return of their awaited Teacher. He is awaited by all religious groups as: the **Christ by Christians**, **the 12th Imam/ Imam Mahdi by Muslims**, by Jews as the **Messiah**, as **Krishna by Hindus** and as **Maitreya Buddha by Buddhist**. Millions now know that the Teacher who fulfills all these expectations is already living among us.

Maitreya, the World Teacher, **has not come alone**, but with a group of wise Teachers (**the Masters**) who have long guided humanity from behind the scenes. They are returning to the everyday world to help us solve our most critical global problems. Maitreya is not a religious leader, but an educator in the broadest sense. He is here to inspire us to create a new era based on sharing and justice, so that all may have the basic necessities of life: food, shelter, health care, and education. His open mission in the world is about to begin. As Maitreya himself has said: 'Soon, now very soon, you will see my face and hear my words.'

...Forghani says, “defensive jihad” could certainly take place when Islam is threatened, and Muslims must defend Islam and kill their enemies. To justify such action, Alef quotes the Shiites’ first imam, Ali, who stated “Waging war against the enemies with whom war is inevitable and there is a strong possibility that in near future they will attack Muslims is a must and the duty of Muslims.” In this regard, Ayatollah Khamenei has issued a fatwa in which he has even authorized carrying out primary jihad in the age of the absence of the Hidden imam.

The article then quotes the Quran (Albaghara 2:191-193): “And slay them wherever ye find them, and drive them out of the places whence they drove you out, for persecution [of Muslims] is worse than slaughter [of non-believers] ... and fight them until persecution is no more, and religion is for Allah.”

It is the duty for all Muslims to participate in this defensive jihad, Forghani says. A fatwa by the late Ayatollah Ruhollah Khomeini made it clear that any political domination by infidels over Muslims authorizes Muslims to defend Islam by all means. **Iran now has the ICBM means to deliver destruction on Israel and as we have seen already has nuclear warheads for those missiles.**

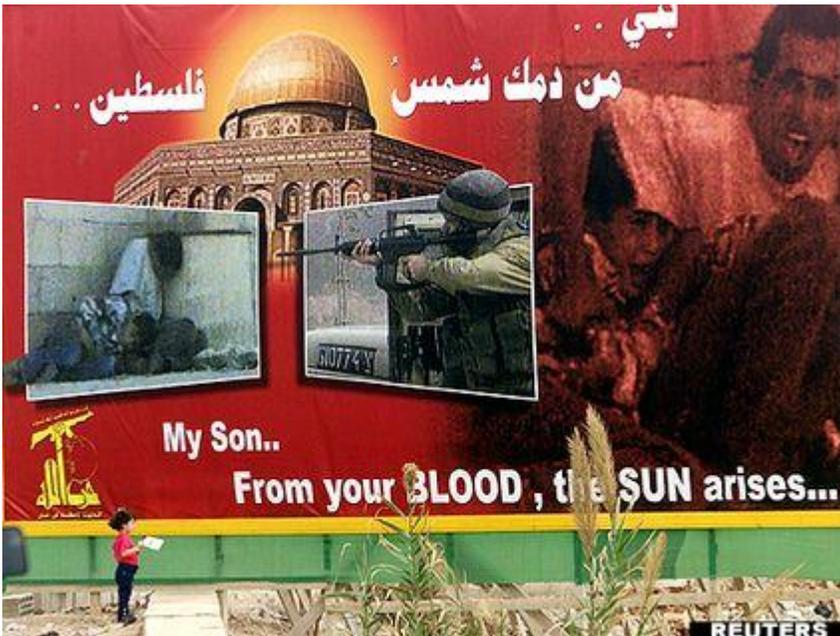

**In order to attack Iran, the article says, Israel needs the approval and assistance of America, and under the current passive climate in the United States, the opportunity must not be lost to wipe out Israel before it attacks Iran.**

**«Jews are enemies of Allah and humanity – Kill them»**

by [ivarfjeld](#)

**Palestinian and Islam TV spreads venom in Arabic against the Jewish people.**

A sermon calling for the genocide of Jews was broadcast Friday by which is under the control of PA Chairman Mahmoud Abbas. The speech called the Jews the enemies of God and humanity, and compared Jews to Nazis.

The following is the transcript of excerpts of the hate speech in a mosque broadcast on PA TV:

**«The loathsome occupation in Palestine - its land and its holy places - by these new Mongols and what they are perpetrating upon this holy, blessed and pure land - killing, assassination, destruction, confiscation, Judaization, harassment and splitting the homeland - are clear proof of the hostility, incomparable racism, and Nazism of the 20th century».**

**«The Jews, the enemies of Allah and of His Messenger, the enemies of Allah and of His Messenger! Enemies of humanity in general, and of Palestinians in particular - they wage war against us using all kinds of crimes, and as you see - even the mosques are not spared their racism».**

**«Oh Muslims! The Jews are the Jews. The Jews are the Jews. Even if donkeys would cease to bray, dogs cease to bark, wolves cease to howl and snakes to bite, the Jews would not cease to harbor hatred towards Muslims. The Prophet said that if two Jews would be alone with a Muslim, they would think only of killing him. Oh Muslims!**

Palestinian-TV spread the message of hate, destruction and death.

### Rhetoric reaching dangerous point of no return: Iran tells the world to soon look for 'great event' from Allah

by The Extinction Protocol

February 3, 2012 – **TEHRAN** - Amid crippling sanctions over its nuclear weapons program, Iran is continuing to prepare itself for war against the West, and now is **warning of a coming great event.** **“In light of the realization of the divine promise by almighty God, the Zionists and the Great Satan (America) will soon be defeated,” Ayatollah Khamenei, the Iranian supreme leader, is warning.** Khamenei, speaking to hundreds of youths from more than 70 countries attending a world conference on the Arab Spring just days ago, told a cheering crowd in Tehran that **“Allah’s promises will be delivered and Islam will be victorious.”** The countries represented included Bahrain, Egypt, Libya, Palestine and Tunisia, all of which have been involved in the Arab Spring. In his remarks, Khamenei advised the youths to remain vigilant, stating that the Islamic awakening in the region has delivered several blows to the enemies of Islam and that all Muslims, despite their own historical and social differences, remain **united in opposing the “evil hegemony of the Zionists and the Americans.”**

**Khamenei then claimed the current century as the century of Islam and promised that human history is on the verge of a great event and that soon the world will realize the power of Allah.** Many clerics in Iran have stated that **Khamenei is the deputy of the last Islamic messiah on earth and that obedience to him is necessary for the final glorification of Islam.** Khamenei has been heard to say that the coming of the last Islamic Messiah, the Shiites’ 12th Imam Mahdi, is near and that specific actions need to be taken to protect the Islamic regime for upcoming events. **Mahdi, according to Shiite belief, will reappear at the time of much bloodshed and most likely WW3.** Selected forces within the Revolutionary Guards and Basij reportedly have been trained under a task force called **“Soldiers of Imam Mahdi”** and they will bear the responsibility of security and protecting the regime

against uprisings. Many in the Guards and Basij **have been told that the 12th Imam is on earth and soon will announce publicly his presence after the needed environment is created.** Sources within Vali'eh Amr, the revolutionary forces in charge of the supreme leader's protection, also recently revealed an assassination attempt on Khamenei that was thwarted just in time. –WND

### **Deception Afoot: Maitreya & 'Master Jesus'**

February 1st, 2009 by **Dr. Scott Johnson** |

Share International is now advertising Maitreya's emergence on the The History Channel, Rush Limbaugh, Nancy Grace, Anderson Cooper 360 & the Wall Street Journal. Maitreya seems to have a strangely similar "share and save the world" agenda to that of Purpose Driven Pastor Rick Warren with his Global P.E.A.C.E. Plan and also President-elect Barack Obama with his Global Poverty Act and Universal Service Plan – men who apparently have no aversion to working with any or all of the world religions or non-religions to "save the planet".

Share International says Maitreya (**who claims to be the 12<sup>th</sup> Imam or Imam Mahdi**) is coming with the satanic counterfeit "Master Jesus" also known as "Sananda Immanuel" : "In collaboration with Maitreya; **Master Jesus is deeply interested in unifying the religious thought of East and West. According to the Plan, this will lead to the One Universal Church, uniting all peoples into the One Humanity...It is forecast that the Master Jesus will yet occupy the chair of the Pope of Rome, and that from that seat he will then be able to re-inspire and re-orient the whole field of Christian religion, diverting it from its present political and temporal trends, towards a more spiritual approach.**"

The Mahdi will appear suddenly, according to a report from Mecca. Though no one can know the day,

**"Another beautiful moment of the Savior's appearance is the coming down of Prophet Jesus from heaven," says the report. "Imam Mahdi receives him courteously and asks him to lead the prayers. But Jesus says you are more qualified for this than me. We read in the book Tazkarat ol-Olia, 'the Mahdi will come with Jesus son of Mary accompanying him.' This indicates that these two great men are complement each other. Imam Mahdi will be the leader while Prophet Jesus will act as his lieutenant in the struggle against oppression and establishment of justice in the world. Jesus had himself given the tidings of the coming of God's last messenger and will see Mohammad's ideals materialize in the time of the Mahdi."**

In a greeting to the world's Christians for the coming new year, Iranian President Mahmoud Ahmadinejad said he expects **both Jesus and the 12th Imam/ Imam Mahdi**, to return and "wipe away oppression."

"I wish all the Christians a very happy new year and I wish to ask them a question as well," said Ahmadinejad, according to an Iranian Student News Agency report cited by [YnetNews.com](http://YnetNews.com) "My one question from the Christians is: What would Jesus do if he were present in the world today? What would he do before some of the oppressive powers of the world who are in fact residing in Christian countries? Which powers would he revive and which of them would he destroy?" asked the Iranian leader.

"If Jesus were present today, who would be facing him and who would be following him?"

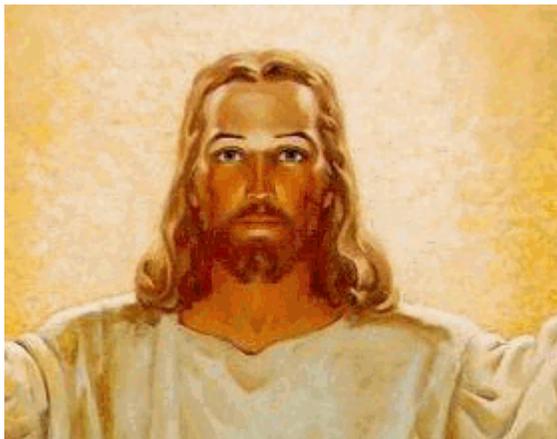

In a videotaped meeting Ahmadinejad discussed candidly a strange, paranormal experience he had while addressing the United Nations in New York last September. He recounts how he found himself bathed in light throughout the speech. But this wasn't the light directed at the podium by the U.N. and television cameras. It was, he said, a light from heaven.

According to a transcript of his comments, obtained and translated by [Joseph Farah's G2 Bulletin](http://Joseph Farah's G2 Bulletin), Ahmadinejad wasn't the only one who noticed the unearthly light. One of his aides brought it to his attention.

The Iranian president recalled being told about it by one of his delegation: "When you began with the words 'in the name of Allah,' I saw a light coming, surrounding you and protecting you to the end."

Ahmadinejad agreed that he sensed the same thing. He sees his main mission, as he recounted in a Nov. 16 speech in Tehran, as to "pave the path for the glorious reappearance of Imam Mahdi, may Allah hasten his reappearance."

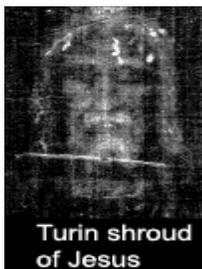

According to Shiites, the 12th imam disappeared as a child in the year 941. When he returns, they believe, he will reign on earth for seven years, before bringing about a final judgment and the end of the world.

### Sananda Immanuel Or the Master Jesus

Plays the role of "Jesus" in the astral realm and near death experiences. He's the one Michaelangelo painted a portrait of that the churches then accepted as the picture of "Jesus." Most churches today have pictures of this Sananda hanging in them somewhere. Most believers correlate the picture of Jesus that they see as the real Jesus when it is really this Sananda Immanuel who will come to earth playing Jesus, the Son of God. A very good deception. The church was groomed for hundreds of years for this one.

## Imam Mahdi Rising: What Iran Is Teaching Their Population

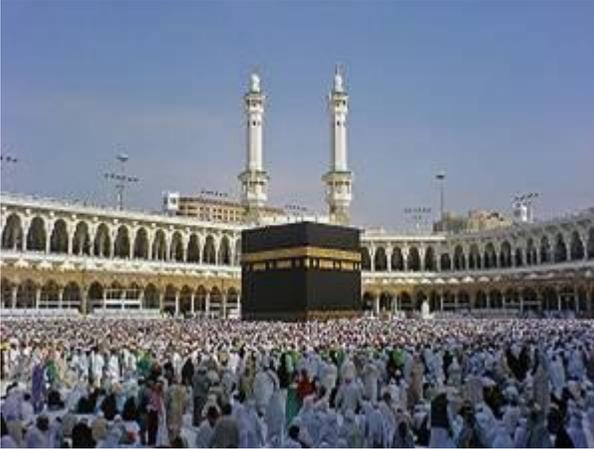

Posted on [December 28, 2011](#)

***"People will rise from the East, preparing the way for the re-appearance of the Imam Mahdi."***

- quoted from an Iranian video proclaiming the imminent appearance of the Muslim Savior, who is known to many American theologians as the Christian Antichrist.

Was the 2011 "Arab Spring" a prophesied spiritual sign which American Christians should study? I have written about certain Mideastern predictions of their coming "last Imam", the 12th

Mecca Imam or the **Imam Mahdi**, several times during the last few years. Today I am giving readers an update in advance of 2012.

Islamic pilgrims gather at Mecca

The [Iranian government](#) is presently engaged in a massive public education effort to inform their citizens and those of neighboring Muslim states that the rise of the Imam Mahdi, their “last Muslim savior” is imminent. They are also teaching their people that when the Imam Mahdi arrives on the world scene, he will make Iraq the seat of his world government, specifically the town of Kufa, or Al-Kufah. This sleepy village is north northwest of Baghdad and just to the west of Samarra. At the end of this essay I have posted two videos which are english translations of the Iranian propaganda machine’s present efforts to prepare their people for the arrival of the Imam Mahdi and for war. There is not a doubt in my mind that when or if US forces withdraw totally from Iraq, that Iran will quickly sweep in and begin anew their own conquest of the region, based on what’s being set forth in these two videos.

The Iranian people see the rise of the Imam Mahdi as a time heralding the arrival of a **global government** of ‘peace, prosperity and justice’.

[ See the highlighted quote in this Iranian news article:

<http://worldmeets.us/kayhan000061.shtml#axzz1evPi8sCn> ]

This would imply that Iran supports the **longstanding globalist UN mandate which is attempting to march the nations of the world toward an eventual dissolution of their own sovereignty and into an international super-state.** Many American Christians are vehemently opposed to this plan of future world governance, myself being one of them. The UN’s well known alignment with the Luciferian philosophies of the **Lucis Trust** and other new age think tanks place their world governance plans squarely at odds with true Christianity.

**Scott Johnson’s Teaching:**

**The U.N., Lucis Trust, World Goodwill, Earth Charter, Maitreya**

**March 16th, 2008**

**Cited: “There is therefore no doubt that only this anticipated savior [ The Muslim Imam Mahdi] will be capable of establishing a global government of peace, prosperity, and justice and cleanse the earth of all vestiges of corruption and oppression.”**

<http://worldmeets.us/> <http://worldmeets.us/kayhan000061.shtml#ixzz1evYUPo6x>

I ponder how Muslims arrive at this conclusion, inasmuch as the arrival of the Imam Mahdi has long been prophesied to be eventually accompanied by ‘the war to end all wars’, or World War three. This war breaks out midway into his conquest of the nations.

The two opposing faiths [Islam and Christianity] have wildly different interpretations of *who is who, and what they will do* as the Imam Mahdi arrives on the world scene at the converging apex of Last Days events. There is no compromise possible between the root core beliefs of

Islam and those of biblical Christianity. **Any pretense that such a negotiated “meeting of theological minds” and / or “merging of the two faiths” is possible, is both flawed and erroneous, tantamount to sin itself, as it infers blasphemy against the Divinity of Jesus Christ. Islamic belief holds that Jesus was a mortal prophet and nothing else.**

The final Son of Perdition, or the Imam Mahdi, is said in the book of Daniel to “enter peaceably, by flatteries.” This is what the KJV Christian Bible teaches. [Islam’s “savior” aka their Imam Mahdi is known as our “final Son of Perdition” or the final Antichrist.](#) He is a man of the knowledge of “dark sentences” – a “vile person,” a man who “destroys wonderfully.” He is described as a man who knows how to “forecast his devices” against his enemies, a man who will “speak lies at the table.” He will be the man who first makes a covenant with Israel, and then soon thereafter breaks this covenant as “his heart shall be against the holy covenant.” [ Daniel 11:28 KJV ]

I don’t pretend to be an expert on this complex subject, but everything I read in translated Muslim articles from the Mideast appears to be a *supreme distortion and an ongoing obfuscation of the true facts* about the Lord Jesus Christ as presented in the Christian Holy Bible.

According to [the above cited article](#), **Muslims do not believe that Jesus was ever crucified. So American Christians, a people of faith in the Bible will accordingly philosophically part ways with Islam at that opening juncture, right off the bat.** I am citing some of these well known facts for new readers who may not really know what most Muslims do, or do not believe about the Life of Christ and His Divinity. Their refusal to believe that Jesus was ever crucified refutes any possible belief that He was resurrected and ascended. Therefore Islam is denouncing another primal tenet of Christianity, God’s promise of everlasting life for believers through their faith in the life, death, crucifixion and resurrection of Jesus Christ.

According to the article [the last or 12th Mahdi will spontaneously appear in Mecca at the Holy Kaaba \[ the black stone \] and the entire world will be notified of his appearance.](#) Could this “spontaneous appearance” refer to the so-called “Day of Declaration” that Share International claims which will announce the appearance on the world scene of “Maitreya”? Benjamin Creme has claimed that “all eyes will see him” RE: Maitreya’s ‘Day of Declaration.’

Cited from [BeastWatch Blog](#):

**“According to Shi’ite Muslim teaching, the Mahdi will return at the end of time to rule for 7 years. We call this period “the Tribulation.... Ahmadinejad and his cabinet say they have a ‘signed contract’ with Mahdi in which they pledge themselves to his work. What does this work involve? The wiping Israel off the map and conquering the entire globe.”**

**Some Christian truth researchers have speculated that an international television campaign might be used to achieve such a global notification of the Imam Mahdi’s arrival. [CNN aired slick advertisements for the "World Teacher" in early 2010, creating uproar in American Christian circles.**

I have wondered aloud whether HAARP Blue Beam aerial hologram technology would be used to achieve a *faux or make believe supernatural appearance* of the Last Mahdi. The technology is there via HAARP Blue Beam hologram projections. Prince Charles was projected via hologram from London to a conference in Dubai several years back.

A hologram is a living moving image of a person or object which is fully animated, so real that in many instances it cannot be discerned from the original. But the hologram is only a replication, an animated and artificial representation of the original. The meaning of the word “image” is a “representation” of an other real person, object, locale, or original source. What else is a hologram but a lifelike projected “image” of someone or something?

**[Strong Delusion: E.T.’s, Aliens, UFO’s, Nephilim, Grenada Treaty](#)**

July 20th, 2008 by Dr. Scott Johnson | **\*\*For [information on Project Blue Beam](#) see the end of part 5 and all of part 6 in the study link above.**

I do not put anything past the UN in their fervor to pull the wool over the eyes of unsuspecting populations and establish global governance. Cited:

*“The Mahdi will reappear at the Holy Kaaba in Mecca, at which time the entire world will be informed of his advent. He will root out superstition and distortion by reviving the pure and pristine message of Islam as taught by the Prophet Muhammad. He will proceed to Iraq, where he will choose the city of Kufa as the seat of his global government of peace, prosperity and justice.”*

<http://worldmeets.us/> <http://worldmeets.us/kayhan000061.shtml#ixzz1eveBXafd>

I must and of course will always abide by the Christian teachings of the Holy Bible. **Bible prophecy has already been fulfilled so many times since the return of the Hebrew people to their ancient homeland in Israel in 1948, that, for me, there is no argument as to which set of scriptures are real, reflecting God’s Will and intent for humankind, and which are the opposing false doctrines set forth upon the earth to deceive humankind and re-designate Jesus as a mere mortal prophet, denying that He was the incarnate Son of God.**
