Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

When Satan Visits Super Bowl 50

By now those of us who are awake and are enlightened in a good way know that the Illuminati love using large events with millions of viewers watching to promote their Satanic symbolism in which they many times foreshadow upcoming events through these Satanic produced ritualistic telecasts. This year we have Illuminati newcomer Coldplay headlining the Super Bowl Half Time Show and they will be joined by 2013

Headliner and Baphomet Princess Beyonce. Also appearing will be 2014 Satanic Golden Boy Headliner Bruno Mars. The latest Baphomet Golden Girl behind Katy Perry – **Lady Gaga will be performing the National Anthem.**

Luk 16:15 **And he said unto them, Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is abomination in the sight of God.**

The Satanic Origin of the Dabbing

When people look back on 2015, it will be impossible to ignore the dab movement. It's literally taken over mainstream media, with news anchors busting out dabs during their broadcasts. Though the dab has caught on and will probably be played out soon enough, the Satanic origins of the move are little known.

BORDER AGENTS ORDERED TO STAND DOWN--'MIGHT AS WELL ABOLISH IMMIGRATION LAWS'

In a shocking reversal of policy, U.S. Customs and Border Protection agents are being told to release illegal immigrants and no longer order them to appear at deportation hearings, essentially a license to stay in the United States, a key agent testified Thursday.

What's more, the stand down order includes a requirement that the whereabouts of illegals released are not to be tracked.

"We might as well abolish our immigration laws altogether," [suggested agent Brandon Judd](#), president of the National Border Patrol Council.

Testifying on the two-year border surge of immigrant youths, **Judd said the policy shift was prompted by Obama administration "embarrassment" that just over half of illegals ordered to appear in court actually do.**

"The willful failure to show up for court appearances by persons that were arrested and released by the Border Patrol has become an extreme embarrassment for the Department of Homeland Security. **It has been so embarrassing that DHS and the U.S. attorney's office has come up with a new policy,**" he [testified before the immigration subcommittee](#) of the House Judiciary Committee.

The biggest change: Undocumented immigrants are no longer given a "notice to appear" order, because they simply ignore them. Judd said that border agents jokingly refer to the NTAs as "notices to disappear."

Judd said the new policy "makes mandatory **the release, without an NTA,** of any person arrested by the Border Patrol for being in the country illegally, as long as they do not have a previous felony arrest conviction and as long **as they claim** to have been continuously in the United States since January of 2014. **The operative word in this policy is 'claim.'** The policy does not require the person to prove they have been here which is the same burden placed on them during deportation proceedings. Instead, it simply requires them to claim to have been here since January of 2014."

But even then, he added, the agency has been told not to track the illegals. "Not only do we release these individuals that by law are subject to removal proceedings, we do it without any means of tracking their whereabouts. In essence, we pull these persons out of the shadows and into the light just to release them right back to those same shadows from whence they came," he said.

The go free policy, he said, has prompted thousands of Latinos to cross the border, and among them are hundreds of criminal foot soldiers, according to other testimony.

"Immigration laws today appear to be mere suggestions. There are little or no consequences for breaking the laws and that fact is well known in other countries. If government agencies like DHS or CBP are allowed to bypass Congress by legislating through policy, we might as well abolish our immigration laws altogether," Judd concluded.

Paul Bedard, the Washington Examiner's "Washington Secrets"

MS-13 foot soldiers 'colonize new criminal territory'...

Criminal networks with Latin American roots, such as MS-13 and the 18th Street gang, are using the administration's open-door policy at the border to slip in recruits **that are causing a huge spike in murder and violence throughout the nation**, according to an immigration expert.

Testifying Thursday at a [House hearing on the border surge](#) of young Latinos, the expert said, **"Established gangs have been able to transfer an unknown number of experienced foot soldiers from Central America to help colonize new criminal territory in the United States."**

[Jessica M. Vaughan](#), the policy director for the Center for Immigration Studies, told the House Judiciary Committee's Immigration and Border Security subcommittee that "the tide of new young people, **many of whom have already been exposed or involved in street gangs at home, has provided a huge pool of new recruits for the gangs here.** Gangs such as MS-13 and 18th Street are enjoying a brutal revival in certain parts of the country and are establishing themselves in new places."

She added, **"Violent transnational gangs such as MS-13 have taken full advantage of the Obama administration's welcome mat to swell their ranks here, contributing to a noticeable spike in gang violence in certain localities – with tragic results."**

Vaughan offered dramatic details of the results of the "catch and release" policy employed by the administration as it grabs illegal immigrants crossing the border, then lets them go on a promise they will return for court hearings — **which few make good on.**

In the testimony provided in advance of the hearing to Secrets, she said:

— In Frederick County, Md., 20 miles from the White House, **crime has jumped since about 265 illegal unaccompanied Central American minors were placed there.** Gang fights in schools are now common and one of the older MS-13 "shot callers" was approved for President Obama's Deferred Action for Childhood Arrivals (DACA) program.

- In Boston, cops **just arrested 56 MS-13 gang members, many who arrived in the surge of younger Latinos. Some have been linked to teen murders in an initiation rite,** trying to prove themselves worthy of full membership.
- In Loudoun, County, Va., home to Washington's Dulles International Airport, **three unaccompanied minors who arrived in 2013 have been indicted for the gang-related murder of 17-year-old.**

'Chaos defines southwest border'...

Drug cartels bring unaccompanied children to the Rio Grande valley to serve as diversions that distract border security officials from smugglers and drug traffickers, according to a Border Patrol union official.

"The unaccompanied minors could have walked right up to the Port of Entry and asked for asylum," Brandon Judd, National Border Patrol Council official, told a House Judiciary subcommittee panel in prepared testimony on Thursday. "Why did the cartels drive them to the middle of the desert and then have them cross over the Rio Grande only to surrender to the first Border Patrol agent they came across? **The reason is that it completely tied up our manpower and allowed the cartels to smuggle whatever they wanted across our border.**"

After Reading the Headlines Above Satanic Mainstream Media Still has the Audacity to Release Reports Like this: "Border wall scaled; hurdles remain" & One question haunts family and millions of the undocumented: Will the US government give them the chance to stay? & High court to take up Obama actions & Opinion: Moral urgency

Jesús sits beside his parents, staring

at the walls of the packed waiting room as he searches for hints of what the future holds.

A large sign surrounded by red, white and blue bunting says "Welcome." A poster proclaims "Hope for a Better Life" above a quote from former U.S. President Jimmy Carter that describes America as "a nation of immigrants."

It's a warm day in September, 10 weeks after Jesús and his mother got off a Greyhound bus in Tupelo, Mississippi, and reunited with his father after 13 years apart. Since then, everything has felt exciting but uncertain.

Today, in this Memphis office, they hope to learn what happens next.

An insurance ad flashes across a TV screen on the other side of the room, showing sparkling blue water and the Statue of Liberty.

Jesús tells his mom he wants to visit the landmark someday.

The [Supreme Court](#) announced Tuesday that it will decide the fate of President [Barack Obama's](#) immigration actions this term.

The actions are aimed at allowing millions of undocumented immigrants to apply for programs that could make them eligible for work authorization and associated benefits.

Lies!!: [Opinion: Moral urgency](#)

The new year began with a new wave of government raids targeting immigrants from Central America and Mexico. About 120 were rounded up for deportation -- mostly women and children, many of whom had come to the U.S. fleeing violence in their home countries.

The raids are yet another depressing sign of the failed state of American immigration policy.

After nearly a decade of debate, everyone agrees that our immigration system is broken and needs comprehensive reform. But year after year slips by without a solution. In the vacuum created by polarization and inaction, deportation has become our government's "de facto" policy. << Total Satanic lies as evidenced by the reports we just covered above. For the few that are being deported, a tidal wave of new illegal aliens are coming in to take their place!!!!

[Because They Will Also Need An International Religions Umbrella, The Devil Pope Calls For A World Collaboration Of All Faiths](#)

In his first-ever video declaring his "prayer intentions," the Roman Catholic leader Jorge Bergoglio, also known as Pope Francis, called for dialogue and collaboration among those of the various world religions on Tuesday, asserting that they are simply "seeking

or meeting God in different ways." "Most of the planet's inhabitants declare themselves believers," he states in the production released on the Feast of Epiphany. "This should lead to dialogue among religions. We should not stop praying for it and collaborating with those who think differently." The video features clips of those from different world religions declaring belief in their various deities. "I have confidence in Buddha," a female lama announces. "I believe in God," a rabbi affirms. "I believe in Jesus Christ," a priest states. "I believe in Allah," an Islamic leader declares. Francis contends that all the religions of the world simply represent mankind's diversity in seeking God. He says that despite the differing beliefs, everyone is a child of the same God. "Many think differently, feel differently, seeking God or meeting God in different ways," he states. "In this crowd, in this range of religions, there is only one certainty that we have for all: we are all children of God."

The video then provides footage of the pontiff meeting with and embracing those of various religions, including Buddhists, Islamists and Orthodox Jews. It again cuts to

representatives of the world's religions, who now declare the same statement: "I believe in love." **Comment: Lies!!! He believes in deceiving you to get you into hell. That his true desire!!!!**

"I hope you will spread my prayer request this month: that sincere dialogue among men and women of different faiths may produce fruits of peace and justice," Francis states. "I have confidence in your prayers."

But not everyone is supportive of the Vatican's call for unity and common ground. Mike Gendron of Proclaiming the Gospel Ministries of Plano, Texas told Christian News Network that the pontiff's assertions that all mankind is "seeking or meeting God in different ways," and that all are children of the same God, are flawed.

"Tragically, those who do not know the Bible or who refuse to submit to it as the supreme authority for truth, will be deceived by the pope's latest pronouncement," he stated. **"The pope's assertion that all mankind meets with/seeks after the same God, just in different ways, is false according to the word of God. There are many who seek after false gods of their own imagination or false gods of their religious traditions. The only way to meet with the true God is His way, through the one mediator between God and man, the man Christ Jesus (1 Tim. 2:5)."**

"The word of God reveals that the human race is made up of people who are either children of God or children of the devil (1 John 3:10)," Gendron explained. "The Lord Jesus soundly rebuked the religious leaders of His day for refusing to believe the truth of His Word (John 8:40-43). Jesus told them that their father was the devil, who is the father of lies (John 8:44)."

"This remains true today," he continued. "The god of this world has created a variety of religions to blind all of his children from the light of the Gospel and the glory of Christ (2 Cor. 4:4)."

Gedron said that all are children of the darkness by nature, but man only becomes a child of God when he is reborn in Christ.

"Everyone is a child of the 'god of this world' until they exchange their religion for a relationship with the one true God through Jesus Christ," See: [True Salvation](#)

Gendron, a former Roman Catholic, also opined that the pontiff's ecumenicism is fulfilling prophesy about the formulation of a one world religion.

"As the pope continues to accelerate his ecumenical agenda to rebuild the religious tower of Babel, he will be fulfilling Bible prophecy. All the religions of the world already share a 'works-righteousness' salvation and they all are already united by a common spiritual bond," he said.

"As we see the prophetic one-world religion forming, we know the children of the true God will have no part of it because they have been sanctified by the truth and sealed with the Holy Spirit (2 Thes. 2:13)," Gendron stated.

Comment: But always be on guard and walk circumspectly as the bible says:

 [Mat 24:23](#) Then if any man shall say unto you, Lo, here *is* Christ, or there; believe *it* not.

 [Mat 24:24](#) For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if *it were possible*, they shall deceive the very elect.

Murdered Holistic Doctors Discovered Cancer-Causing Enzyme Being Added to All Vaccines

So apparently the holistic doctors who were all being killed in FL had found out via their research that the nagalase enzyme protein is INTENTIONALLY being added to the population via immunizations. Nagalase STOPS vitamin D from binding to the Gc protein. This completely strips a human being's body of one of its main natural abilities to kill cancer cells.

Nagalase is a protein that's also created by all cancer cells. This protein is also found in very high concentrations in autistic children. And they're PUTTING it in our vaccines!! This prevents the body from utilizing the Vitamin D necessary to fight cancer and prevent autism. Nagalase disables the immune system. It's also known to cause Type 2 Diabetes. So basically...they weren't killing these doctors because they had found the cure to cancer or were successfully treating autism... they're killing them because these Dr's had been researching and had the evidence that the vaccines they're injecting our children with are CAUSING our current cancer and autism crisis!! And that it's obviously being done knowingly and on purpose! The Dr's they killed in FL had been collaborating and were getting ready to go public with the information.

Depopulation 101..add poison to vaccines...make it law that all children must be injected to attend school. Slow kill methods. Evidentially they think they're being fair w/ their "survival of the fittest" type mentality. Only the best genes survive? These people have no souls.

Dr Ted Broer breaks the above info (about the nagalase) in this clip. The clip is short (from his July 25th Hagmann & Hagmann interview) but it's a MUST listen. Dr Ted Broer broke it on The Hagmann & Hagmann Report and it took them a whole hour just to get him on air b/c their 3 hour show was brought down and every line they tried to use kept disconnecting...and then their servers were brought down. They asked a bunch of ppl to pray against the attack and then finally got him on a secured line..and so a full hour into the show they were finally back on the air and connected to Dr Broer and the first thing he said was "I am in no way suicidal." He was super nervous holding onto this info...afraid he'd be taken out Hastings style before he got a chance to say it publicly. So listen to this short clip of him breaking the story.

It's a 19 min clip but the most important info is heard within the first 10 min. It is def some of the most important news I've ever heard. And it needs to go viral.

Play: <https://youtu.be/XYvLPCzeSo?t=19s>

And if you want to hear more of his interview this next video continues right where the last clip left off. The first video is just a clip of the most important part if you only have time to hear a little bit of it. As Dr. Ted Broer continues he explains WHY they're doing this. Why they're intentionally attacking our immune systems.

Innate Response Baby and Me Trimester I and II - 120 count 4 a day

Innate Response Baby and Me Trimester III and Post - 120 tablets 4 a day

The only other 'must product' she would need (for pregnancy) is a good fish oil to go with this, like: **Tuna Omega-3 Oil** (4 a day). This has a very high DHA Omega 3 content, which is essential for the baby's brain development.

Calcium Lactate (4/day) is also good as the prenats above may not have quite enough calcium.
