Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble

themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Red Alert! You Know Something's Up When Government Gives "ToolKits" To Churches! Thousands Have Accepted! Is Your Church Involved?

The fall of the church has just been expedited!!! In an effort to sign up as many victims as possible for Obamacare the government has stretched their tentacles to partner with churches and other faith-based organizations. They have gone as far as to print Obamacare documentation including flyers, bulletin inserts, media announcements, and even "talking points." These materials are part of their

“Second Sunday & Faith Weekend of Action Toolkit” a toolkit geared towards religious organizations. Sadly over 5,500 churches eagerly pounced on the opportunity to “marry” their government over this Obamacare initiative.

Church Asks Followers to Submit to Government, Call 911 on Suspicious Neighbors

February 9, 2015--A church hosting a law enforcement appreciation sermon **asked its followers to pledge their allegiance to government this weekend, arguing that**

all state authorities throughout history have been ordained by God.

According to an anonymous visitor of the Gold Creek Community Church in Mill Creek, Washington, who

provided exclusive photos. **Attendees were ordered to submit to the state without question.**

“They had police worship today and last week was military worship where they played clips of American Sniper...” the source said. “They were telling people to basically worship government and worship police no matter what. No mention of police brutality, no mention of the stingray systems grabbing our data...”

The church’s pastor, Dan Kellog, who is also reportedly a police chaplain, used the Romans 13 bible verse to justify his position. **Romans 13 has long been used by**

authoritarian regimes to force compliance. Romans 13 has routinely been cited by tyrants throughout history in an attempt to prevent Christians from opposing their rule,

indeed, it was Hitler's favorite bible verse. "Religious groups such as the Catholics in 1930's Germany also used the verse as an excuse not to rise up against the Nazis when they were still a minority political party."

Near the end of the sermon, members of the congregation were asked to raise their right hands and make a pledge, which included the promise to call 911 on "suspicious" neighbors.

"I pledge to call 911 if I see someone suspicious in my neighborhood," the pledge stated.

While working with law enforcement to create a safer community is a noble cause, the sermon made no mention of the duty of Americans to oppose and protest unconstitutional legislation and dictates.

The sermon's content is eerily similar to a 2009 document passed out to churchgoers in Ohio that told Christians to support President Obama due to his status as "God's minister."

Since at least 2006, the Department of Homeland Security has used Romans 13 under a FEMA program to train pastors to become literal secret police. Pastors are tasked with teaching their congregations to submit to every government action including forced relocation under martial law.

During the aftermath of Hurricane Katrina, pastors operating under the "Clergy Response Team" program were used to quell dissent as police and military carried out unconstitutional gun confiscation.

PASTORS TO HELP DHS IN ARRESTS AND DETENTION OF AMERICANS IN FEMA CAMPS

February 25, 2015

<<Pastors serving government over God. The fact that FEMA has recruited up to an estimated 28,000 pastors, as a low end estimate, to as many as 100,000 pastors, as a high end estimate, in order to form the clergy response team is very disturbing, not to mention frightening. The reports of pastoral betrayal are now coming in from multiple sources and there is no denying where this is headed. Below is an interview that Alex

Jones did with my friend Pastor Butch Paugh. I have been on Pastor Butch's show many times and my experience with him is that he is not only a committed man of God, he is a very serious researcher. In the following video, Pastor Butch tells Alex just how far FEMA's plot is to use pastors to entice willing self-incarceration into FEMA camps.

Play to 6:19: <http://youtu.be/MgzKiGc58Mk>

In the following short clip, the DHS/FEMA freely admit to enlisting pastors as part of the Clergy Response Team run by NOVAD. There is no hiding it now, it is out in the open.

Play: <http://youtu.be/pxEzO0emZsk>

As if the Clergy Response Teams are not enough to convince you that your church has been compromised by the non-Christian forces connected to the globalists, then you need to consider the impact of 501c3 regulations and how they limit the preaching of the word of God from the pulpits of America.

Let's review a stunning Interview with Pastor/Congressman **Admitting DHS/IRS Is Telling Pastors What They Cannot Say from the Pulpit**

MSNBC interviewed a pastor, who also happens to be the Chairman of the Congressional Black Caucus, Emmanuel Cleaver (D-MO.). Representative Cleaver stated very clearly that Preachers are being muzzled by the 501c3 regulations being enforced for the Justice Department and the IRS. In 2014, Representative Cleaver headed up a meeting with several thousand clergy along with representatives from FEMA, the IRS and Eric Holder. According to Cleaver, the pastors minister to a total of about 10 million Christians.

Cleaver clearly stated that the purpose of the meeting was to **"equip the pastors with what they need to know about what they can say and not say in the church..."**

If you find this too hard to believe, let the Congressman tell you in his own words what I have just written here:

Through the 501c3 regulations, DHS and FEMA have made it nearly impossible for your pastor to tell you the truth as to what is coming.

As part of the Clergy Response Team training, their initial and primary training was to tell their flock to obey the DHS version of Romans 13.

After watching a number of videos and interviewing several pastors with regard to the undermining of the church by FEMA/DHS, I interviewed a whistleblower who was a pioneer in the formation of the Clergy Response Team, Pastor Walt Mansfield.

Pastor Mansfield was among the first of the pastors recruited to become a part of the Clergy Response Team. The revelations he conveyed to me about this program had pastors doing a whole lot more than preaching Romans 13. Pastor Mansfield was recruited to become a member of the Clergy Response Team which would operate under the control of NOVAD and DHS. Mansfield's revelations about his experiences are stunning and concerning at the same time.

Pastor Mansfield attended several briefings and he could barely believe his ears. He learned of the government's plan to enact martial law as well as to implement forced population relocations. Mansfield emphasized that when martial law is enacted, the enforcement would be immediate. In other words, family members will be separated from each other and part of the training that the clergy received was how to comfort separated family members.

Pastor Mansfield emphasized that the FEMA/DHS drills were predicated on bioterrorism. The pastors were trained to go to homes where people refused to be relocated by the authorities and their immediate job was to convince the reluctant

to willingly go to the relocation camps. Ostensibly, this was to be done in lieu of sending in the SWAT teams.

I asked Mansfield if FEMA camps were real and he stated that much of the clergy training focused around this scenario of pastors operating within the forced relocation centers. **The main goal of a pastor assigned to a FEMA camp was to bring order and encourage compliance with DHS requests (Judas Goats!!!), hence, the emphasis on Romans 13.**

The pastors were forced to sign a non-disclosure. The most interesting and disturbing fact that I learned was the fact that the pastors were told not to quote Scripture. The DHS document which was prepared for the pastors clearly stated that Scripture had been used to “oppress” people in the past and the presenters strongly discouraged its use. Please see the following excerpt from one of the DHS training manuals:

Healing Scripture and Prayer In the Pastoral Crisis Intervention

“During a time of crisis people do go through a “crisis of faith.”

Sometimes a quick mention of God and scripture may not be helpful. As we all know the Scripture has been used to oppress, dominate and at the same time used for healing and reconciliation- renewing of relationship with God and people. If the pastor senses it is appropriate to use the scripture and prayer, it must carefully be done for healing of victims & not to uphold pastoral authority.” (Page 14)

In other words, all legitimate pastoral authority was abrogated by the pastors who participated in the roundup of American citizens.

Also on page 14 of the same training document, **pastors were admonished to avoid “Unhealthy God talk...”** Specifically pastors are ordered to avoid using references to God when helping people cope with the loss of a loved one:

“4. God must have needed him/her more than you.”

“5. God never gives more than we can handle.”

Pastor Mansfield also revealed that pastors will be issued badges under the Clergy Response Team program. Any pastor not displaying the badge, indicating that they have been trained under these guidelines, will not be permitted into the established and designated “DHS safety zones”. Pastors are absolutely forbidden to publicly to speak about any aspect of the program. If you were to ask your pastor if they are a FEMA trained pastor, they will not likely tell you.

Disturbingly, Pastor Mansfield reiterated several times that the number one job of these pastors is to calm down people and encourage their compliance within the peoples’ new surroundings (i.e. FEMA camps).

Pastor Mansfield also stated that pastors will be utilized as informants. This violates the legal privilege of confidentiality between pastor and church-goer that is currently recognized by law. All church-goers can no longer trust the sanctity of personal confessions and revelations made to pastors, priests or rabbis. This

one illegal act by DHS completely undermines the Christian Church in America! Many of us have been quick to point out that this bastardization of the Romans 13 is designed to

force compliance to government edicts who might not otherwise comply.

Related Background Legislation

[3]On December 31, 2011, President Obama signed the National Defense Authorization Act[4] (NDAA[5]) into law which in addition to allocating \$662 billion to the Pentagon also **contains a measure which allows U.S. citizens to be taken into custody and held indefinitely without ever being charged with a crime.**

Not only can any citizen deemed a threat to “national security interests of the United States,” be held forever without receiving a trial, but the military will be the ones arresting those citizens.

NDAA Section 1022, subsection c allows “(1) Detention under the law of war without trial until the end of the hostilities authorized by the Authorization for Use of Military Force.”

[6]The **National Emergency Centers Act or HR 645[7]** mandates the establishment of **“national emergency centers”** to be located on military installations for the purpose of providing “temporary housing, medical, and humanitarian assistance to individuals and families dislocated due to an emergency or major disaster,” according to the bill.

The legislation also states that the camps will be used to “provide centralized locations to improve the coordination of preparedness, response, and recovery efforts of government, private, and not-for-profit entities **and faith-based organizations”**.

The bill also provides **that the camps can be used to “meet other appropriate needs”**, as determined by the Secretary of Homeland Security. This is a carte blanche mandate that many fear could mean the forced detention of American citizens in the event of widespread rioting following a

national emergency or a total economic collapse.

Conclusion

What pastor could, in good conscience, participate in this heinous program? Only a pastor who has turned their back on Jesus could ever be a part of such a tyranny. The pastors in America are being coerced to participate in this because (in part) when an emergency is declared, no pastor, who does not have the “FEMA-trained government badge” will be allowed to be in a declared “emergency” area. **Pastor Mansfield and many of the other pastors that I spoke with felt strongly this was the government’s way of removing Jesus from America’s landscape and set the stage for the ushering in of a new-age religion.**

It is mindboggling to fathom **how so many reporters and media types deny the existence of FEMA camps under these circumstances.** It is also disturbing that any pastor would agree to participate in a program in which Jesus and the Bible end up on the cutting room floor. **The only viable way to preserve Christianity is for all Christians to leave their churches and form Bible home study groups.**

Since I began investigating how widespread the takeover of the church is by DHS/FEMA, I have been contemplating the potential wisdom of Aleksandr Solzhenitsyn who made the following quote:

Solzhenitsyn once said that:

“We should have resisted the KGB at the front door. If the KGB thought that they might not go home that night, the Russian people might have had a different fate”.

WILL YOU SUBMIT TO ILLEGITIMATE AUTHORITY?

'The Boston Globe' reported on 9/16/09 that Boston disease trackers are implementing a draconian experiment aimed at eventually creating a citywide registry of everyone who has had a flu vaccination. When people arrive for their shots, they will get an ID bracelet with a barcode. Basic information – name, age, gender, address – will be entered into the database. There will be electronic records, too, of who gave the vaccine and whether it was injected into the right arm or the left, and time-stamped for that day. Also on 9/16/09 Reuters reported U.S. public health officials know a significant number of deaths will be blamed on the H1N1 vaccine, which will roll out within weeks, and they are struggling to be ready. They expect an avalanche of so-called adverse event reports, which are reports of death, illness or other health trauma that occur within two weeks after receiving treatment — in this case, the swine flu vaccine. Again Reuters reported the same day that the Canadian government has sent body bags to remote Indian reserves as it prepared for the winter flu season, sending a jarring message at odds with its promise that it's ready for the H1N1 flu. We will also be discussing the lateness of the hour, Chemtrails, forced vaccinations, vehicle choke-points and much more.
