But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. ## Jury Deadlocks Against Incarcerating Kent Hovind

### MESSAGE FROM ERIC HOVIND:

This morning at 10:30 the Jury concluded their deliberation. Around 11:15 the verdict was read before the court. 4 counts were brought against Kent Hovind. Three counts of Mail Fraud and one count of Criminal Contempt of Court. Count 1 Conspiracy to Commit Mail Fraud – Unable to come to a verdict  
Count 2 Mail Fraud – Unable to come to a verdict

**Count 3 Criminal Contempt of Court – Guilty** According to the Pensacola News Journal, years ago, Hovind had been prohibited under a court order not to contest the government's lien on the properties. Because he did file papers, including a "lis pendens," which warns potential buyers that the land is under dispute, he was charged with contempt. The mail fraud charges were for actually mailing the documents from prison.

**Count 4 Mail Fraud – Unable to come to a verdict**

So the jury was unconvinced that Hovind, and ministry trustee Paul Hanson, had sought to defraud the government by mailing the documents. As they deadlocked and could not come to an agreement on three of the four charges against Hovind, the evolutionary foe was declared guilty of only the contempt charge.

While supporters are disappointed that the jury declared Hovind guilty of any of the charges at all, they state that they are thankful for the outcome for the most part.

"I think the Lord God Almighty worked in a mighty way here," Free Kent Hovind organizer [Rudy Davis](#) told reporters. "They threw their best lawyers; they had five days of prosecution; they read hundreds of documents, hundreds of emails, voicemails they had sequestered—everything they could throw at the man."

US Prosecutors Tiffany Eggers, IRS Agent Scott Schieder and Judge Rodgers are behind the charges filed against Kent Hovind

Originally Dr. Rebecca Horton, of Pensacola Christian College (EDITORS NOTE: Dr. Rebecca Horton was more than likely awarded handsomely (by the IRS) for falsely accusing Kent Hovind) & reported Hovind to the IRS.

-----  
The Criminal Contempt of Court count contained two different charges. One charge was from a 2012 order and the other from a 2007 ruling from Judge Rodgers. Kent was not found guilty on the 2012 charge but was found guilty on the 2007 charge. This count was from the original 2007 case when Judge Rodgers forfeited Kent Hovind's interest in the property. The order did not restrict Kent from presenting filings to question this decision; therefore, Kent's attorney asked the Judge to rule that there were not enough facts presented to the jury to find Kent guilty of that verdict. The Judge said that she would take that under advisement.

Thomas Keith, Kent's attorney said that in a Federal Case it is rare to see anything other than a guilty verdict. While he would still like the Judge to find that there was not enough evidence presented on the Contempt of Court charge and overturn the verdict, this is considered a huge success.

On the one guilty charge, if Judge Rodgers does not overturn it, there is no limit to the penalty that she can impose. Please pray that she would show leniency during the sentencing. Sentencing is scheduled for June 12, 2015.

**Minister for Satan--Creflo "Give me a Dollar" Dollar asks for \$60 million in donations for a new jet**

(CNN) Creflo Dollar is hoping a few folks will see fit to bless him. The minister, known for being a prosperity preacher at his Atlanta-area World Changers Church International, is seeking "200,000 people committed to sow \$300 or more (to) help achieve our goal to purchase the G650 airplane."

**The figures were presented Friday in a nearly six-minute video on the Creflo Dollar Ministries website and total more than \$60 million needed to buy the Gulfstream G650, which goes for a reported \$65 million.**

The Gulfstream G650 can fly eight passengers and four crew members some 8,000 statute miles at a cruising speed of Mach 0.85, according to specs posted on [gulfstream.com](http://gulfstream.com). The jet comes with two Rolls-Royce engines, high-speed Internet and two multichannel satellites and

allows for a 2½-hour commute from New York to Los Angeles.

**"The G650 is the biggest, fastest, most luxurious, longest range and most technologically advanced jet -- by far," according to [gulfstream.com](http://gulfstream.com). The Gulfstream G650 would comfortably allow the ministry to make its way around the world.**

The project isn't limited to member donations, as the site states that "we are asking members, partners and supporters of this ministry to assist us in acquiring a Gulfstream G650."

The request goes on to detail that the luxury jet will transport Pastors Creflo and Taffi Dollar and member of the Dollars' church around the globe **to help them spread the gospel.**

**The Prosperity Gospel is a theology that promises wealth and health to those who tithe 10% of their income to the church. His teachings include Name-It-Claim-It "gospel" of material prosperity. Spiritual prosperity is rarely mentioned. He also teaches that "humans are gods". He also denies the divinity of Jesus Christ, but lifts up man as divine. See: <https://simplicityinchrist.wordpress.com/2007/02/13/creflo-dollars-god/>**

The video includes parishioners, a pilot, a project manager **and even the President of Liberia**, Ellen Johnson Sirleaf, **advocating on behalf of the pastor.**

In soliciting the donations, Dollar's site states, **"We need your help to continue reaching a lost and dying world for the Lord Jesus Christ. Your love gift of any amount will be greatly appreciated."**

**Attempts to contact Dollar's ministry for comment were unsuccessful.**

### **FCC Rules Designed to Stifle Internet Political Speech**

On Thursday the Federal Communications Commission made public a document detailing its so-called net neutrality rules that were approved two weeks ago on a 3-2 vote. **A PDF version of the document can be [downloaded here](#).**

**The rules impose heavy regulations on what is currently a free and open internet and will ultimately result in federal government micromanagement.**

**The rules will also accelerate and finalize a long term government objective of censoring political enemies and limiting their use of the internet. Serious political opposition to the establishment has flourished on the internet and the federal government has stumbled in previous efforts to regulate speech its considers politically threatening.**

**Control of the internet is the primary motivation behind the FCC rule-making agenda, not net neutrality and the fallacious call to regulate corporations and enforce the principle that all data is equal.**

The desire to assert that control became obvious in February, 2014, **when the FCC terminated a study that threatened the First Amendment right to freedom of the press.**

The study on "critical information needs" would have asked journalists about their "news philosophy" and raised the specter of an underhanded attempt to revive the Fairness Doctrine.

**The Commission's decision to adopt President Obama's plan marks a monumental shift toward government control of the Internet. It gives the FCC the power to micromanage**

virtually every aspect of how the Internet works. It's an overreach that will let a Washington bureaucracy, and not the American people, decide the future of the online world.

**The entire rubric of cyberespionage and cybersecurity is designed for state control over the individual, not for protection from Anonymous and hackers in China or Russia.**

In fact, the drastically overblown and often fictional threat of cyber security is engineered specifically to curtail free speech from political opposition to the state.

**Recently refurbished cyber security legislation, having failed to become law in the recent past, is now being dusted off in congressional committees. Once enacted, cybersecurity measures will run concurrent to FCC rules and will impose a matrix of control over the internet.**

Obama and the federal government have bent over backwards to portray net neutrality as a win for the little guy. In fact, despite all the siren warnings about socialism and the FCC by Obama's opponents, **the agency is in the pocket of the telecommunications industry and always has been.**

Its current appointed boss, Tom Wheeler, is a former lobbyist for the cable and wireless industry, with positions including President of the National Cable & Telecommunications Association and CEO of the Cellular Telecommunications & Internet Association.

Net neutrality is a classic Trojan horse & it will be used not only to censor speech and marginalize opposition to the political class, but will also deliver the internet to large and forever consolidating media corporations.

As the NSA and the behavior of corporations in league with the intelligence community reveals, the internet will, after the FCC rules take hold and cybersecurity laws are implemented, **finally be sanitized of meaningful political opposition and, as well, serve as a surveillance platform and a tool for corporate advertisers to categorize and target individuals.**

**++ Abortions in the Name of God—Devil Dr. Willie Parker joins faith leaders to launch statewide campaign**

**Dr. Willie Parker considers himself a devoutly religious man. The Alabama-based physician abides by the Bible's words, and lives according to his deeply held spiritual values of Christianity.**

**JUST TEXAS**  
FAITH VOICES *for* REPRODUCTIVE JUSTICE  
March 10, Temple Beth Shalom (Austin)

Featuring Dr. Willie Parker,  
profiled in *Esquire Magazine*  
"The Abortion Ministry of Dr. Willie Parker"

The most essential value of his religion, says Parker – one that he believes is universal to any major faith tradition – **is compassion.**

**Comment: Yes aborting an innocent helpless baby shows incalculable & immeasurable "COMPASSION" FOR THE DOOMED BABY THAT IS**

**BUTCHERED IN THE WOMB!!!!** And Parker, a trained OB-GYN and family planning health care provider, **shows his compassion by providing abortion care to women when they have unplanned pregnancies or lethally flawed ones.**

**Matthew 12:37:** "For by thy words thou shalt be justified, and by thy words thou shalt be condemned."

**Proverbs 18:2:** "All the ways of a man are clean in his own eyes; but the LORD weigheth the spirits."

**Proverbs 17:15:** "He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD."

**Isaiah 5:20:** "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!"

**Jeremiah 48:10:** "Cursed be he that doeth the work of the LORD deceitfully..."

**Isa 14:9:** **Hell from beneath is moved for thee to meet [thee] at thy coming: it stirreth up the dead for thee...**

**Isa 66:24:** **And they shall go forth, and look upon the carcasses of the men that have transgressed against me: for their worm shall not die, neither shall their fire be quenched...**

**II Timothy 3:13:** "But evil men and seducers shall wax worse and worse, deceiving, and being deceived."

**Matthew 7:16-17:** "Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit..."

**Isaiah 66:3-4:** "...Yea, they have chosen their own ways, and their soul delighteth in their abominations. I also will choose their delusions, and will bring their fears upon them; because when I called, none did answer; when I spake, they did not hear: but they did evil before mine eyes, and chose that in which I delighted not.

**Psalms 97:10:** "Ye that love the LORD, hate evil..."

**Titus 1:15b-16:** "...unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled. They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate.

**Jeremiah 5:26-29:** "For among my people are found wicked men: they lay wait, as he that setteth snares; they set a trap, they catch men. As a cage is full of birds, **so are their houses full of deceit: therefore they are become great, and waxen rich.** They are waxen fat, they shine: yea, they overpass the deeds of the wicked: they judge not the cause, the cause of the fatherless, **yet they prosper**; and the right of the needy do they not judge. Shall I not visit for these things? saith the LORD: **shall not my soul be avenged on such a nation as this?**

While religious-right and conservative activists in Texas and elsewhere may shudder at the thought, **Parker performs abortions because he is a Christian, not despite it.**

**"It's not mutually exclusive to do the work that I do and hold the values that I hold,"** he told the *Chronicle* in a recent phone interview. **"The Bible tells us to love our neighbors with all our strength. Neighbors also mean struggling women who are going through times that are very complicated for them."** **Comment: I guess innocent helpless babies in the womb don't qualify as this 'Vessel of Satan's'**

“Neighbor” and therefore they are fair game to be annihilated. He must sleep so well knowing he is serving his master Satan in such a mighty way!!! I guess he needs to check his Bible again as Jesus said:

**Luke 17:1** Then said he unto the disciples, It is impossible but that offences will come: **but woe unto him, through whom they come!**

**Luke 17:2** **It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones.**

As part of a **second religious awakening** and a realization that **reproductive justice would be his own civil rights struggle**, Parker began providing abortions full-time, to provide care for the most needy and most vulnerable women. A physician of more than two decades **and abortion doctor of 10 years**, Parker makes the drive to Mississippi's **Jackson Women's Health Organization** twice a month – the **last remaining** abortion clinic in the state. After a series of harsh reproductive health and “TRAP” laws enacted with the support of active anti-choice activism, the clinic is the only one surviving.

Parker – **once a Baptist preacher in his teenager years** – **and other faith leaders from Protestant, Jewish, Roman Catholic, and Unitarian faiths** plan to gather on Tuesday, March 10 at **Temple Beth Shalom** to help launch a **new statewide campaign in support of access to reproductive health care for all citizens**.

**TOOLS Eph 4:18** Having the understanding darkened, being alienated from the life of God through the ignorance that is in them, because of the blindness of their heart:

**TOOLS Eph 4:19** **Who being past feeling have given themselves over unto lasciviousness (Meaning: unbridled lust, excess, outrageousness, shamelessness) to work all uncleanness with greediness.**

**Jer 1:4** Then the word of the LORD came unto me, saying,

**Jer 1:5** **Before** I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

**Eph 2:10** For we are his workmanship, created in Christ Jesus unto good works, which God hath **before ordained** that we should walk in them.

**Psa 22:10** **I was cast upon thee from the womb: thou art my God from my mother's belly.**

**Psa 139:13** **For thou hast possessed my reins: thou hast covered me in my mother's womb.**

**Psa 139:14** **I will praise thee; for I am fearfully and wonderfully made...**

The physician will address an audience that knows all too well the ramifications of ideologically driven health laws. Still **in limbo** at the **5th Circuit Court of Appeals** (the same appellate court that held the Jackson clinic's fate in its hands), the final provision of Texas **House Bill 2 is expected to close all but seven abortion clinics in the state**. **Comment: Pray this would happen!!**

Echoing Texas clinic leaders, Parker says anti-choice laws don't prevent abortion – only legal, safe abortions. For those local lawmakers **who use their religious faith as a defense for onerous abortion regulations**, Parker insists they be **guided by humanity, not ideology**. **Comment: In this case we know he is referring to the Christian ideology of not slaughtering your unborn baby. What a slime bag hypocrite. He says he is a deeply religious Christian man and at the same time he**

could care less what the Bible says about child sacrifice and murdering your own baby. You can't have it both ways you stinking devil!! Openly proclaim you serve and adore Satan you forked tongue devil!! Get it off your chest, as you will feel a whole lot better for it & your coven will appreciate you taking such a strong stance for Lucifer!! Don't try to ride the coattails of the Bible or Christianity to justify your Satanic occupation!!!

#### **++ THE BLOODY TRUTH ABOUT Abortion & WICCA Witchcraft**

**If there is no relationship between abortion and witchcraft, then why is there such a disproportionate network of abortion providers associated with the Wiccan religion?** Witchcraft is an ancient religion requiring child sacrifice which has resurfaced in our day. **A revival of neo-paganism has brought with it a revival of human sacrifice in the form of abortion.** A brief study of cities where abortion on demand is prevalent reads like a metaphysical road map. In each inquiry, we did not have to dig for facts; **information on the relationship between witchcraft and the abortion industry was offered with little resistance.**

- **"You practice your religion and let me practice mine." "My religion is a holy ritual child sacrifice." Patricia Baird-Windle, Founder and owner of Aware Woman Center for Choice**
- On August 4, 1992, **two employees of Aware Woman abortion clinic**, Veronica Jordan and Rebecca Morris, registered a non-profit religious corporation **known as the Wiccan Religious Cooperative of Florida (WRCF)**. The stated purpose of the WRCF **is to provide an umbrella organization for witch covens throughout the state of Florida. The incorporation papers list two abortion clinic employees as directors of the Wiccan organization.**
- Shortly after the Wiccan Religious Cooperative of Florida was founded, Carol Ebbing, **another Aware Woman abortion clinic employee ordered this book entitled: The Sacrament of Abortion.**
- The book, authored by a Ginnette Paris, **a witch in France, presents abortion as "a sacred act." Paris calls abortion: "a sacrifice to Artemis, who refuses to give life if the gift is not pure" (that is innocent or preborn life).**
- The January 1993 issue of **the Wiccan Open Circle newsletter described the founding of the Wiccan Religious Cooperative of Florida: "A year ago the dream of an umbrella group under which many covens would function and be committed to peace and harmony 'For The Good Of All,' was just that, a dream. But now it is a reality and a very, very big part of the lives of many people."**
- **This issue of Open Circle, published at the time the pro-life organization, Operation Rescue National, held an event in Melbourne, Florida, alerted Central Florida area Wiccans and Pagans, "... steps are being taken to protect not only Aware Woman, but a woman's right to choose. Work is being done mundanely, financially, and magically, to help get through the next few months and beyond."**
- **Readers of Open Circle were encouraged to become "clinic escorts" and were told how they could help fund the South Brevard National Organization of Woman's program to "help low income women have abortions."**

- Wiccans were also encouraged to work their magic on the area surrounding the Aware Woman abortion clinic: "... many individuals and groups have been helping to magically protect the building and property ... This has been done by magical and psychic shielding being put on and around the property...."

### **Massacre of Innocence--Exposing The Occult Roots of Abortion**

This presentation **looks at the spiritual roots of abortion and exposes the myths surrounding child killing. Little known historical facts about abortion and how they relate to modern feminism are presented logically and accurately. Has been effective in converting many to a pro-life position.**

Massacre of Innocence goes **where no pro-life presentation has gone before in "tearing the lid off abortion" to reveal the spiritual realities we must battle if we will bring an end to this crime.** The presentation is absorbing, fast-paced, informative and incredibly devastating to any attempt to justify abortion.

**"At last, a presentation that ties up the loose ends and looks at the spiritual reality behind abortion. Well done, incisive, and prophetic – every Christian needs to watch The Massacre of Innocence."** — **Gary Bergel, Intercessors for America**

## American Tourists Stunned After Watching Horrific Public Satanic Black Mass In Mexico

**13 March 2015**--Horried tourists have told of their shock and disgust after attending a devil-worshipping 'Black Mass' in Mexico.

"They sacrificed unto devils, not to God; to gods whom they knew not, to new gods that came newly up, whom your fathers feared not." Deuteronomy 32:17 (KJV)

At the twisted cult's annual 'Black Mass' in the Mexican state of Veracruz, people from across the world to seek change in their lives by taking part in devil worship. They looked on as chicken and goats were sacrificed before their fresh blood was poured over participants who had pledged their souls to Satan.

Worshippers indulge in brutal animal sacrifice, dance before burning pentagrams and disappear into a subterranean cave where solemn oaths are sworn before a large statue of the devil and a committee of shamans.

<<Brutal: A screaming goat had its throat slit at the 'Black Mass' in Mexico's state of Veracruz

'They weren't just sacrificing these animals, but they were torturing them first', said Randall Sullivan,

visibly shaken by what he had witnessed.

'It seems as if pain and suffering are part of the experience, and there's no doubt there's a dark power in blood sacrifice. The next step would be human sacrifice', Sullivan said, 'and I frankly think these people have done it'.

'It was disgusting', said shocked Michelle Gomez following the gruesome ritual.

'The fact that they would do that to a defenseless animal is sickening, and makes me scared about the lengths they would go to in order to see the Devil'. 'It makes me scared for myself to think I've witnessed this. They need to stop these rituals', she said with tears in her eyes beside a burning pentagram which the satanists had used to summon Beelzebub. Michelle, who comes from Austin, Texas was at the ceremony in an attempt to improve her own psychic powers.

'Tonight we are going to open the portal to another dimension so that those who ask to communicate with Satan will be heard', said Joyri Ra, a devil worshipper from southern Mexico who wears a necklace made of human finger bones.

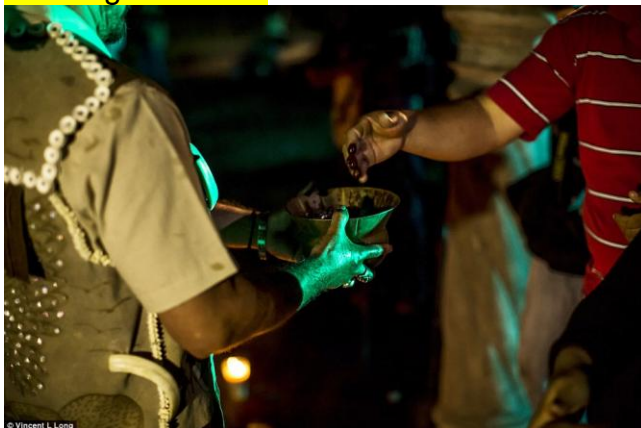

'Their blood will be offered up to the dark powers', he said, shrouded by the thick smoke billowing out of the fiery altar over which the decapitated chickens were held once bled dry. 'We are calling upon Satan, the prince of the Earth, to appear before us'.

Torture: One witness said: 'They weren't just sacrificing these animals, but they were torturing them first'

Sacrifice: The fresh blood of chicken and goats was gathered in a bronze bowl poured over participants

Experts: Chief shaman Enrique Verdon, who wears a dead anteater on his head, said: 'Our black magic stems from Native American Olmeca culture, and we are experts in calling upon the devil and his dark power' People come to our devil-summoning ceremonies when they want to achieve change in their lives', he told the MailOnline in his office decorated with figures of the skeletal Saint Death, pentagrams and pelts of exotic animals.

'Some come to ask Satan to give them success in the future, others come to get over their difficult pasts'.

Shocked: Randall Sullivan (left) and Michelle Gomez (right) were left horrified by what they witnessed

**Grim:** A shaman pours the fresh blood of a chicken onto a worshipper's forehead as part of the dark ceremony. The lakeside town of Catemaco on Mexico's Gulf Coast is a destination for many 'pilgrims' who come in search of spiritual experiences. Enrique Vernon organises the annual mass at his ceremonial grounds on White Monkey Mountain to the west of the town.

**Smeared:** Chief shaman Enrique Verdon said: 'The blood pumped from a still-beating heart is the purest form of energy'

'Our marriage is failing, and this is something we both have faith in', said Alejandro Montes, shortly before he and his wife smeared the blood of a sacrificed goat over their faces in an attempt to save their relationship.

The pair had travelled to Catemaco from Monterrey in northern Mexico in order to pledge their souls to Satan in return for a happy marriage.

'We've tried everything and this is our last resort', said Alejandro, whose extramarital affair had strained their union. 'I'm willing to put my soul on the line to prove my commitment'.

A total of eight people underwent the ritual last week. Many witnesses were present at the ceremony, including a number of international tourists who had come to Mexico specifically to witness the black mass.

Randall Sullivan, a visitor from Portland, Oregon had heard of the event through his involvement in spiritualistic circles, and had come to witness the spectacle.

'I want to know how these shamans work their magic', he said before the ceremony.

'They are the only people I've heard of who can mix black and white magic, that's like mixing God and the Devil'.

**A total of eight satanic priests had come from across Mexico to conduct the ceremony below a full moon.**

**'We are all powerful individuals. Some are healers, others are destroyers'**, said Joyri Ra, a devil worshiper from southern Mexico

**'Tonight we are going to open the portal to another dimension so that those who ask to communicate with Satan will be heard'.**

The ceremony began with a group of teenage girls, all dressed in black underwear, carrying the terrified sacrificial offerings along a candlelit path to the main altar filled with burning charcoal onto which the waiting shamans would throw handfuls of putrid herbs.

**'The girls must be virgins, and be both mentally and physically pure'**, said Roselia Belli, a 'black witch' who uses strong tobacco and piercing screams in her own exorcism ceremonies, for which she charges clients more than £200 an hour.

**Those who had come to plead their cases to Satan were called forward and ordered to kneel before the shamans, who wrung the necks and removed the heads of chickens before pouring the birds' blood over the kneeling penitents' heads.**

**'The blood pumped from a still-beating heart is the purest form of energy', chief shaman Enrique Verdon told the horrified crowd.**

**'These animals have to die so that we can continue our spiritual work.'**

<<Virgins

The chief shaman goes onto to say: **'Their blood will be offered up to the dark powers'**, he said, shrouded by the thick smoke billowing out of the fiery altar over which the decapitated chickens were held once bled dry.

**'We are calling upon Satan, the prince of the Earth, to appear before us'.**

The sacrifice of animals for display has been outlawed in the state of Veracruz, but is nevertheless still widely practiced in the devil-worshipping communities of the rural areas where this ceremony took place.

**'This sacred blood give us the energy and spiritual power we need to make our black magic'**, said Enrique Verdon, as he cut the throat of the final sacrificial offering: a screaming goat whose blood was collected in a bronze jar to be passed around. **'We encourage our visitors to take this blood, pumped from a still-beating heart, and rub it into their skin in the name of purity'.**

Summon: Following the sacrifices, the shamans stood before a large burning pentagram and attempted to summon the devil through their chants

Oaths: The eight shamans gathered round each individual penitent and swore oaths to the effect that their soul now belonged to Satan

In total, eight animals were sacrificed during the ritual.

Following the sacrifices, the shamans stood before a large burning pentagram and attempted to summon the devil through their chants, before descending with the new adherents of the black mass to an underground cave decorated with inverted crosses, animal carcasses and a large statue of Satan with an erect phallus.

The eight shamans gathered round each individual penitent and swore oaths to the effect that their soul now belonged to Satan, and that if their promises to the devil were not upheld then their spirit would be forfeit. The committee of shamans screamed 'Hail Lucifer!' following each new oath and prostrated themselves before the statue, over which the remaining blood from the sacrificial offerings had been poured.

**'If you don't fulfil your promises to Satan he will take everything away from you', preached Joyri Ra as he wiped sacrificial blood from the statue onto the forehead of Alejandro Montes.**

**'You are taking on a serious dark curse'.**

**'I felt terrified during the entire process', said Alejandro, who took soul-binding oaths before the shamans and the devil statue that he would not be unfaithful to his wife again.**

**'But now that it's done I feel strong. I believe things will improve now'.**

The dedicated black masses by the devil worshipping cult began in 1970. Held on the first Friday of March, they have grown steadily in both notoriety and popularity over the subsequent 45 years.
