Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Hypnosis, the Hypnotic Gaze, the Occult & the Satanic Charlatan Braco--Part 2

George Kenney, 51, was known to hypnotize students to help them achieve better test scores and peak athletic performance, despite being warned by his superiors to discontinue the practice. The popular principal allegedly defied those orders.

If convicted, the two misdemeanor charges could put the former principal behind bars for up to one year.

Kenney's use of the practice came under scrutiny **after Kenney acknowledged he had hypnotized Wesley McKinley, 16, the day before the teenager killed himself** in April. Brittany Palumbo, 17, **killed herself in May of last year, five months after her session**. Marcus Freeman, 16, the school's star quarterback who was treated by Kenney, **died in a car crash**.

An internal investigation found the principal, who is not licensed but has taken some hypnosis courses, had hypnotized as many as 75 people-- students, parents and staff-- on school grounds. **So out of the 75, 3 are dead.**

One athlete told private investigators he had received 30 to 40 sessions from Kenney, according to the Herald Tribune.

Kenney initially denied using the technique of Palumbo and Freeman (two of the teens who died) when interviewed by a private investigator hired by the district. **He later admitted he had treated both students.**

"Dr. Kenney admitted that he lied ... and he admitted that he did have sessions with both of the other deceased students," a report by Steele Investigations Agency, which was released in June, stated.

Kenney, who learned hypnosis at the [Omni Hypnosis Training Center](#) in DeLand, Fla., had made podcasts on reducing test anxiety and improving sports performance through hypnosis.

Paul Crouch says: 'God help anyone who would ...get in the way of TBN'

February 14th, 2012

Trinity Broadcasting Network's president and founder Paul Crouch Sr.'s policy of putting family members in positions of power at the largest "Christian" TV network in the world may have come back to bite him. Last week that **the granddaughter of Trinity Broadcasting**

Network's Paul and Jan Crouch has accused the world's largest Christian broadcaster of unlawfully distributing charitable assets worth more than \$50 million to the company's directors.

The charges were leveled in a [federal lawsuit filed by Crouch granddaughter Brittany Koper](#) (far left) against her former lawyers, who also do legal work for Trinity; who reportedly **instructed her to "shut up" about what she discovered in her position as financial officer**. The complaint says that the lawyers intimidated Ms. Koper into returning her own perks which included her house, car, jewelry, life insurance and home furnishings. **Failure to do so would**

result in jail time for her, the attorneys allegedly threatened.

Coincidentally, that same month Koper's father, Paul Crouch Jr, resigned his position from TBN as Chief of Staff, to "pursue other ministry opportunities." His hasty retreat baffled many people. Why would he leave TBN as second in command next to his dad to take a position at a small minority-owned network?

"Observers have often wondered how the **Crouches can afford multiple mansions on both coasts, a \$50 million jet and chauffeurs,**" said Koper's attorney, Timothy MacLeod to the Orange County Register who broke the story of Koper's lawsuit on February 9, 2012.

Mat 6:19 ¶ Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:

Mat 6:20 But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:

Mat 6:21 For where your treasure is, there will your heart be also.

That same day, Paul Crouch Sr. and his younger son Matthew Crouch **made veiled threats at anyone who would try to come against TBN:** On Thursday, Feb. 9 — **Paul Crouch** and his son, **Matt**, were having a live chat on **TBN's "Behind the Scenes."** Paul was reminiscing about how TBN began back in 1973 — **God spoke to him** as he was driving on MacArthur Boulevard — **and the conversation took a turn that Koper's attorney finds somewhat menacing.** "You know what's funny Dad?" Matt said (**at minute 8:38 on the video**). "There have been a few attempts in the TBN history to upset TBN, to stop TBN, to — **there have been a few fools in the 38, 39 year history, coming up on 40 years, and you know what, any attempt at stopping TBN — they have no idea who they're actually pushing into the corner. You and Mom get pushed in a corner, God help you. That's a lesson I've learned from you, seriously.**"

Pro 17:15 He that justifieth the wicked, and he that condemneth the just, even they both [are] abomination to the LORD.

Isa 5:20 ¶ Woe unto them that call evil good, and good evil;...

Isa 5:24 ¶ Therefore as the fire devoureth the stubble, and the flame consumeth the chaff, [so] their root shall be as rottenness, and their blossom shall go up as dust: because they have cast away the law of the LORD of hosts, and despised the word of the Holy One of Israel.

Isa 5:25 Therefore is the anger of the LORD kindled against his people, and he hath stretched forth his hand against them, and hath smitten them: and the hills did tremble, and their carcasses [were] torn in the midst of the streets. For all this his anger is not turned away, but his hand [is] stretched out still.

Paul Crouch responded: "God help anyone who would try to get in the way of TBN, which was God's plan. ... I have attended the funerals of at least two people who tried...."

"Boy, anyone that's ever tried to get in the way of this network – don't. Don't try it. Don't try it, I'm telling you. You're playing with fire. God says 'I will build my church, and the gates of hell shall not prevail against it.' And TBN, you know what, just plain old TBN as a great network entity is proof of the sovereignty of God and the power of God against hell and high water. This network stands as a monument to the faithfulness of God. **He did it.** Jan and I were just simple little kids — we didn't even know what we were doing. It was God's idea. He did it all."

Crouch then appealed for donations. "Anyone have a need?" he asked. "Plant a seed. Get to the phone."

The comments were directed at no one in particular, but they resounded with Koper.

Tts 1:7 For a bishop must be blameless, as the steward of God; not selfwilled, not soon angry, not given to wine, no striker, not given to filthy lucre;

Tts 1:8 But a lover of hospitality, a lover of good men, sober, just, holy, temperate; TBN's Paul Crouch Pays Homosexual Lover \$425,000 Hush Money

Ford, an ex-convict, drug user and convicted child molester, had been employed by TBN as a limo driver, telephone receptionist, and also as a photographer, even though he had few job skills and did not know how to operate a camera.

Gay lovers Ford and Crouch evidently had a falling out, and a legal dispute ensued. Ford was given \$425,000 in hush money by Crouch, a TBN lawyer says, and he agreed to keep quiet about his and Crouch's sexual relationship.

Paul Crouch and his alleged homosexual lover, Enoch Lonnie Ford (right), as pictured in the *Los Angeles Times*, Sept. 12, 2004, page A29.

However, more recently, Ford came back to demand a staggering ten million dollars from Crouch and TBN, or else! Allegedly, TBN and Crouch then offered one million dollars to Ford in exchange for his not publishing a finished book manuscript that Ford had threatened to publish detailing the gay tryst between he and lover Crouch.

TBN and Crouch *admit* that \$425,000 hush money was paid Ford, but, predictably, deny all other charges.

According to *L.A. Times* reporter William Lobdell, when Paul Crouch's youngest son, **Matt**, first learned of his father's sexual transgressions he told TBN lawyer David Middlebrook, "*I am devastated. I am confronted with having to face the fact that my father is a homosexual.*"

James Logden, founder of an internet web site promoting the gay lifestyle, said: "**Gay people were not taken by surprise. Many of us had always suspected the flamboyant Paul Crouch was queer. After all, he's married to puffy-lipped, pink-coifed Jan Crouch, a drag queen if there ever was one.**"

Romans 1:26-28: For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are

not convenient...Romans 1:32: "Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

Lev 18:22-30: **Thou shalt not lie with mankind, as with womankind: it is abomination.** Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion. **Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you: And the land is defiled: therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants.**

Tts 1:9 Holding fast the faithful word as he hath been taught, that he may be able by sound doctrine both to exhort and to convince the gainsayers.

Tts 1:10 ¶ **For there are many unruly and vain talkers and deceivers, specially they of the circumcision:**

Tts 1:11 **Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's sake.**

Trinity Christian Center, which does business as TBN, is a nonprofit in the eyes of Uncle Sam, which means it doesn't pay taxes on its income. **It reported revenues of \$175.6 million**, expenses of **\$193.7 million**, and **net assets of \$827.6 million** at the end of 2010, according to its tax returns. **Its highest-paid officer was Paul Crouch.**

Koper's attorney, **Tymothy MacLeod**, said that Koper is readying documentation regarding her charges and will submit a package to the **Internal Revenue Service** for its review.

In her suit, **Koper says that she had been threatened by Trinity officials.**

"After and as a result of reporting and objecting to her employers' unlawful conduct, **Ms. Koper was terminated by the TBN Companies,**" the suit says. "In retaliation, the TBN Companies also terminated Ms. Koper's husband, **Michael Koper**, who was Trinity Broadcasting's Corporate Secretary and Vice President of Media Services.

"When questioned about the grounds for termination, **Matthew Crouch, a director at Trinity Broadcasting, began tapping the firearm he had brought to the meeting and asked Ms. Koper what she thought would happen when she wrote a memo to the board critical of Matthew**

Crouch's financial improprieties. Matthew Crouch continued tapping the gun he was holding to ensure that Ms. Koper recognized the lethal threat being made."

Several years ago, someone who was suing TBN for plagiarism told this reporter that after filing suit against them, her brake lines were cut on her car and she was being tailed wherever she went. If these allegations are true, then TBN cannot point the finger at God for their protection. They seem to be taking matters into their own hands.

Paul Crouch, TBN and Rome

The following is from the editor's newly published book *Flirting With Rome: Volume 4--The Charismatics*. Volume 1 traces Billy Graham's relationship with Rome from 1950 to present. Volume 2 covers other key Evangelical men and organizations. Volume 3 deals with the Southern Baptist Convention's Rome connection. Volume 4 deals with the Charismatics. These volumes can be ordered from Way of Life Literature in the States (P.O. Box 610368, Port Huron, MI 48061-0368, fbns@wayoflife.org). All four volumes US\$10.00. Single volumes are US\$2.50. Add \$3.00 S/H.

Few Charismatic leaders have more influence than Paul Crouch, head of the popular Trinity Broadcasting Network (TBN) which has a worldwide audience through its satellite system.

Crouch is a staunch supporter of Charismatic-Roman Catholic relationships.

In 1984 Arthur Blessitt was interviewed by Paul Crouch on TBN. "Blessitt described how he had received the eucharist (mass) while participating in a rally of 600,000 Roman Catholics in Poland. He said he first registered an objection when the priest came toward him for he knew that Catholic doctrine forbids giving the wafer to a Protestant. The priest said, 'You're one of us,' and Blessitt accepted it. At that point the studio audience cheered and Crouch said, 'The walls are coming down. His body is one. There's no difference.' He went on to say that he was erasing the word 'Protestant' from his vocabulary. 'I'm not protesting anything,' he said (*Plains Baptist Challenger*, June 1984).

On his "Praise the Lord" show, Friday, May 31, Paul Crouch announced that Benny Hinn was arranging a private meeting for him with Pope John Paul II. Crouch said that he would be asking "his holiness" when the walls between Protestants and Catholics would come down and the church would be one as Jesus asked the Father (*CIB Bulletin*, July 1991).

Paul and Jan Crouch met with **Mother Teresa** in 1992, and Jan testified: "It was a dream come true. I had my questions all prepared, but when this precious tiny lady came by, all I could do was fall to my knees. What will it be like when we see Jesus Himself, face to face? I felt I had a little foretaste that day!" (*Plains Baptist Challenger*, June 1992).

Voice of the Martyrs Supports Catholicism & Other False Religions

September 18, 2009 by [Patrick Burwell](#)

Voice of the Martyrs (VOM) does not differentiate heretics from Christians in their reporting; **They lump Catholics, Adventists and any other professing Christian faith in with their claim of being persecuted for Jesus.** <http://onlyjesussaves.com/blog/archives/743>

I asked a representative of their ministry on Twitter what their policy was after discussing the issue with him and he gave me this link on their website: <http://www.persecution.net/faq-kinds.htm>

In that document you can see the ministry policy is not to be concerned with who is who.

Apparently all someone needs to do is claim Jesus to get on "the list."

Why is VOM wasting funds meant to help Christians on heretics?

Richard Wumbrand is not a Catholic but, as I am told by @VOMC on Twitter but Richard suffered in a prison "with Catholics." **It is clear by their policy statement on the matter that V.O.M. considers Catholicism to be merely a denomination of Christianity.**

There are many Protestants that were tortured by Catholics that would argue very vehemently with you if they could; so we must argue for them instead.

Catholics are not Christians!

Wumbrand seems to have elevated his personal experience above scriptural authority.

I am saddened to hear **VOM are allowing themselves to be used by heretics to spread their heresy as they help "persecuted" Catholics rebuild their "churches."**

It would not be difficult for you, Voice of the Martyrs, to identify the "denomination" of the person under persecution, but yet you refuse to do that and so you taint your news of Christian Persecution with doubt.

Subject: Gary Stearman Hand Sign

Hey Scott, I remember when you did a warning on Gary Stearman showing that he was unsure of whether a UFO (and abduction experience) was from God or the Devil. I was watching a video he did on angels from October 2, 2010. [Between the 12 and 13 minute mark](#) he flashes the cornuto hand sign twice when talking about the Cherubims in Genesis 3! This cannot possibly be by accident (after all Satan is a cherub)! I have also seen him flash the sign in a less obvious way in more recent videos. He has shown who his allegiance is to now. There are probably plenty of other times throughout his many video recordings that this same thing has happened..

God Bless,

Thanks, Scott, I knew people who worked for Pat Robertson at CBN back during the time he was courting the Presidential nomination. **My Christian friends described him as reminding them of Hitler and said that he often blew up into ranting fits of rage.** I met Robertson in 1984 or 5 on my first 700 Club appearance. Dr. Lester Sumrall was also there for the show. I didn't get a bad feeling from Dr. Sumerall, **but when Pat shook my hand to greet me...I felt sickened by his vibration. He felt evil.** He and Dr. Sumrall seemed to be buddy -buddy which bothered me because I thought that someone like Dr. Sumrall...should have even better spiritual discernment than I...a fairly new addition to The Body of Christ. After the show, Pat invited Dr. Sumerall and me to his office for a chat and **to see his priceless art collection.** I politely excused myself from the invitation. **In truth, I could not bear to be in that man's company. It always bothered me that Dr. Sumrall, who wouldn't let just anyone touch him or shake his hand, seemed to be oblivious to the evil presence around Pat and was all too friendly with the man.**

Robert Schuller Trusts Catholic Church With Crystal Cathedral

A view of Crystal Cathedral in Garden Grove, California August 10, 2011.

The bankruptcy sale of Crystal Cathedral, the glass-walled Orange County church known for its "Hour of Power" broadcasts, **has touched off a bidding war between a Roman Catholic diocese and a local university.** The church's ministry, meanwhile, has announced that its campus is not for sale and launched a pledge drive to keep the cathedral.

"The Roman Catholic Church isn't going to change its theologies," Schuller said in an interview with the Los Angeles Times published Sunday. "I trust them."

The ministry's decision to sell the famous building to the Roman Catholic Diocese of Orange County raised some controversy at first. In the Sunday interview, **the 85-year-old minister said he has always respected the Roman Catholic faith and considers it the "mother church."**

More of Tom Horn's Promotion of the Roman Catholic Church: PETRUS ROMANUS (Pt 12)

The False Prophet And The Antichrist Are Here

Of course we could cite once again a plethora of Church Fathers, Marian apparitions, and Catholic seers down through time that had forecast these events as a pre-game for the arrival of Petrus Romanus. Even Saint Francis of Assisi—one of the most venerated religious figures in history—gathered his devotees shortly before his death and prophesied that: "At the time of this tribulation a man, not canonically elected, will be raised to the Pontificate, who, by his cunning, will endeavor to draw many into error and death... Some preachers will keep silence about the truth, and others will trample it under foot and deny it...for in those days Jesus Christ will send them not a true Pastor, but a

destroyer." As we are now preparing to send our investigation [Petrus Romanus: The Final Pope is Here](#) to the printer, the Vatican enters the Golden Anniversary of Vatican II, a perfect time, Illuminati would say, to install Petrus Romanus and to exact their revenge. And the unpleasant reality is that a conflict over who will become Petrus Romanus is at this moment boiling beneath the surface at Rome, largely unknown to the public but nevertheless foresaw by Catholic mystics such as...

ARE YOU KIDDING ME? Does he admire the PEDAPHILIA too? How about all that blood drinking? Sodomy? Burning babies in ovens from pregnant nuns who had sex with priests? Man has this gotten my fire wood ablaze.. I can NOT believe the utter brazenness to try and mix bible doctrine with Catholic prophecy and say IT'S LEGITMATE! Horn even tried to use examples of pagans given prophecy in the Bible like Nebuchadnezzar to support the Fatima garbage! First thing I thought to myself was.. THE BIBLE IS ALL WE NEED! IT'S ALL IN THERE! The book is COMPLETE!...

Yes that's my listener from Germany. He told me all about it but I didn't realize his questioning was going on during the show!

Wow you nailed it brother!! Reading your emailed got me fired up! **Quayle actually said he admired the Catholics!?!?** I just reiterated much of the same sentiment you described below in the teaching I just posted. I would like to read your email below (keeping you anonymous) on a future teaching and after I can hear this blasphemous interview. God bless!

Just for some highlights of this interview:

++ At 17:57 Steve Quayle refers to the “Catholic Believers”

++ At 32:28 Steve Quayle highlights how important it is for Protestants to know the “Third Secret of Fatima”

++ At around 41:00 Tom Horn says God sometimes uses things like these Catholic prophecies (which this interview and Tom Horns whole ministry seems dedicated to at this point) to propagate truth and then sites how supposedly accurate some of these prophecies have been as further proof. At that point all three (Tom Horn, Steve Quayle & Chris Putnam) in this interview go on a long tangent lamenting that point and saying how it appears that these Catholic prophecies appear to be being used by God to propagate truth.

[Deu 13:1](#) ¶ If there arise among you a prophet, or a dreamer of dreams, and giveth thee a sign or a wonder,

[Deu 13:2](#) And the sign or the wonder come to pass, whereof he spake unto thee, **saying, Let us go after other gods, which thou hast not known, and let us serve them;**

[Deu 13:3](#) Thou shalt not hearken unto the words of that prophet, or that dreamer of dreams: for the LORD your God proveth you, to know whether ye love the LORD your God with all your heart and with all your soul.

Comment: By hearkening and repetitively pointing their listeners to these Catholic prophecies you give credence and validity to this pedophilic, blasphemous, idolatrous, “salvation by works” death cult that has horrifically slaughtered millions upon millions of true Christian martyrs in the Inquisitions alone. **Why aren't they bringing these issues up?!? Why are they not warning their listeners about this soul damning cult!!!** There is zero condemnation of the Roman Catholic Church from any of them in any interview I have heard at all!!! They should be warning people about the deception of these Catholic prophecies, not pointing people to them and other articles that fragrantly promote the Catholic Church.

++ **Play** 104:50 to 105:39 In response to my listener (Chris from Hamburg Germany) Steve Quayle says how there are Christians that need to grow up & how he admires Catholics for their stance on abortion and that there are some true Christians that are Catholic just like there are Protestants.

++ So much more I could not even cover due to time constraints.

Interestingly the day after this interview this was on Steve Quayle's site:

One Day After Tom Horn Tells Steve Quayle On Omega Man Radio That The Vatican Is Being Ruled By 'Omerta' Code Of Silence, Whistle-Blower In Holy See Claims Same: The mole claims to be one of more than 20 people within the Holy See who have leaked sensitive documents to the Italian media in the last few weeks, in an affair that has been compared to the WikiLeaks scandal and dubbed "Vati-leaks". The unidentified man, who said he had worked in the Vatican for more than 20 years, made the claims in an interview to be aired on Italian television on Wednesday night. His face was hidden and his voice digitally distorted when he appeared on the TV channel, La7. [more](#)

Then this article appeared on Steve's site:

Priest Warns Obama: Better Knock The Catholic Church Out Now - You've Awakened The Giant: Fr. John Hollowell's truly amazing monologue needs to be spread far and wide. It's a wake up call, and one of the most encouraging statements I've heard in a long time. It's a Divine battle cry! The talk heats up after minute 2 where he notes in this talk addressed to Planned Parenthood Pres. Cecile Richards that "we have not doubt" that in the future Planned Parenthood will be seen as the "slave traders, the Nazis, the Communists and all those groups that seek to oppress people." [more](#)

Comment: Amazing, as we just heard Steve admires the Catholic Church for their stance against abortion and then follows it up with this flagrant praise for the Catholics Church's most recent stance against Obama and Planned Parenthood, that according to Steve's website "needs to be spread far and wide" & "It's a Divine battle cry!". I'm sure no one reading this would get mixed signals about what it means to be a born again Christian and a Catholic. No condemnation of this death cult, just praise!!

Hello Scott,

I don't know if you've heard this or not, but Tom Horn was interviewed recently by **Derek and Sharon Gilbert of Peering Into Darkness (PID) Radio** on his upcoming book. **They specifically asked him about his views on the doctrine of the Catholic church. He doesn't say anything to dispel what you've been reporting on him the last few weeks. You've got to hear them for yourself, if you haven't already. Here's the link and you can fast forward to about the 52:45 mark for the applicable comments.**

Thank you very much. Why in the world would a Protestant need to understand the 3rd Secret of Fatima?!

Yes, none of them condemn Catholics, and since you mention the Jesuits, **I will say that the way Tom Horn answers the question on the PID Radio show sounds very Jesuitical to me.** He doesn't address the main issues and I'm sorry to say that Derek and Sharon Gilbert fell for it. And I agree with you that it's possible they could be **closet Jesuits since that has been their goal since their inception - to undo the Protestant Reformation and bring the entire "Christian" world under the authority of the Pope, and they'll attempt to accomplish this "by any means necessary" including lying, deception, infiltration, etc. as you mentioned when you gave their oath of initiation.**

Fatimah (Arabic: فاطمة; fāṭimah. c. 605–632) was the youngest daughter of Muhammad and his first wife Khadija.

She was Muhammad's favorite daughter. Fatima or the *Greater Mary* is known as the "*Mary of Islam*" by many as the equivalent to Mary of Bethlehem because of her moral purity and her position as the *Virgin of Islam*; seen by some as the mystical "Light" of Muhammad as is seen in the name Fatimah al-Zahra or "Daughter of Light".

Interestingly, the Catholics venerate a Fatima *occurrence* as well.

The name of the town Fatima (formerly a small village) comes from the Arabic name Fatima, and legend says it derives from a **local Moorish princess named Fatima** who, following her **capture by Catholic forces during the Islamic occupation** of Portuguese territory, was **betrothed to Gonçalo Hermigues, Count of Ourém, converted to Catholicism**, and was baptized before marrying the Count in 1158.

Between May and October of 1917, three shepherd children, Lúcia Santos and her cousins Jacinta and Francisco Marto **reported visions of the Virgin Mary very close to Fatima**, Portugal. They had this experience on the **13th day** of each month at approximately the same hour. Lúcia described seeing Mary as "*brighter than the sun*, shedding rays of light clearer and stronger than a crystal glass filled with the most sparkling water and pierced by the burning rays of the sun."

Learn how the papacy helped start Islam, only to have this new daughter rebel against her.

You'll understand the Arab's place in Bible prophecy. Muslims have been saved by reading this book.

[Glenn Beck Goes Global, Meets With Catholic Clergy & Int'l Tea Party Leaders in Rome](#)

Posted on February 19, 2012--The political discourse has been dominated by [the religious liberty debate](#) that **continues to intensify between the Catholic Church and the Obama administration** – an issue that Glenn Beck has tackled quite frequently on his radio and television programs. This weekend, The Blaze has confirmed **that Beck flew from Miami to Rome, where he had meetings with prominent Catholic Church leaders. In addition to holding discussions with them about important religious freedom issues, Beck also met with individuals from various countries to discuss the creation of an international Tea Party movement.**

[\(Related: Beck's Europe Trip Sets the Stage for Religious Freedom Coalition & Int'l Tea Party Movement\)](#)

During his dialogue with Cardinals, Monsignors, Archbishops and other Catholic leaders, the popular host **pledged support for the church**, while also discussing **ways in which members of various faith communities can join in solidarity against secular attacks against religion**. As evidenced through his work, Beck has **long encouraged people of all faiths to stand together — distinct and separate in their beliefs — but united in their support of everyone to practice those ideals without persecution**.

2Cr 6:14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

2Cr 6:15 And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

2Cr 6:16 And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in [them]; and I will be their God, and they shall be my people.

2Cr 6:17 Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean [thing]; and I will receive you,

Additionally, Beck met with **Tea Party leaders** from Rome, Serbia, Milan, Germany, Austria, and London, among other localities, to begin discussing an **international coalition that is being headed by FreedomWorks**. Reflecting the ideals held by peace and freedom proponents in America, the persons involved discussed their **goals for an integrated global effort to champion Tea Party ideals**.

On his radio show on Monday Beck will be sharing all of the details surrounding his meetings with church leaders and international Tea Party groups, while also **delving into his vision for a multi-faith coalition that stands in support of religious liberty**.

Beck and his wife walk in Vatican City

These meetings with Catholic leaders are the latest in a series of discussions that Beck has had with numerous faith leaders, including evangelical pastors and rabbis, among others. His efforts to connect with these theologically diverse individuals reflect his desire to bring adherents from various faith traditions together to support religious liberty here in America and abroad.

“We are not battling for the next election, we’re battling for the very soul of each of us and of our nation,” he recently proclaimed on GBTV.

Religious liberty is becoming an issue of great importance across the globe, as Christians, Jews, Muslims and other faith traditions grapple with an increasingly hostile clash with the atheist and “freethinking” community. Additionally, governmental policies are, in many ways, beginning to mirror secularist ideals that tend, in the views of many religious peoples and institutions, to threaten spiritual expression. **(Comment: True but this is the carrot & the excuse that Satan is offering to the Christians to justify them yoking up with false cults & religions)**

The examples are limitless. Earlier this month, England’s high court found prayer before local council meetings to be unlawful, and last week Baroness Sayeeda Warsi, a Muslim who is also a British Cabinet member, maintained that Europe is being threatened by militant secularism. Considering New York City churches’ battle for the right to rent public school buildings, incessant attacks on Ten Commandment displays, and secularists’ never-ending efforts to force churches to violate their consciences, Beck’s coalition is coming at an appropriate time.

The Sick, Disgusting, Pagan, Catholic, Pope John Paul II Blood Tour

On May 1, 2011, a ritual was held at the Vatican for beatification of the late pope John Paul II. During the service the current pope, kissed a vile of the blood of his predecessor. The Vatican declared the blood “a relic for veneration.” Now, the blood is on a world tour.

The blood was most recently on the tour was Colombia. According to the Catholic News Agency, the blood would “be on display for veneration (adoration and worship) January 2-22 in the cities of Bogota and Cartago.” According to Father Slawomir Oder, postulator of John Paul II’s cause for canonization and custodian of the relic, “His blood is the symbol of life, life given for God and for others and its presence reminds us of the Christian vocation to spend one’s life loving God and neighbor,”^[1] The presence of the blood in Bogota lead to long lines, as the picture below illustrates.

The blood was in Mexico last August. According to Newstimes.com, in an article titled “Can John Paul II bring hope to Mexico?”:

In what Catholic leaders pray can help end Mexico’s tribulation of gangland slaughter, the late Pope John Paul II, or rather a bit of his blood, has begun a tour of the country.

Col 1:12 Giving thanks unto the Father, which hath made us meet to be partakers of the inheritance of the saints in light:

Col 1:13 Who hath delivered us from the power of darkness, and hath translated [us] into the kingdom of his dear Son:

Col 1:14 In whom we have redemption through his blood, [even] the forgiveness of sins:

Rev 1:5 And from Jesus Christ, [who is] the faithful witness, [and] the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, **and washed us from our sins in his own blood,**

Several thousand believers filed Thursday past a small crystal capsule holding the blood at Mexico City's Basilica of the Virgin of Guadalupe, ground zero of this country's Catholic faith. Extracted from John Paul shortly before his death in 2005, the blood rests in the folded hands of a glass-enclosed wax effigy of the pontiff. Can anything be more creepy?

What are we as Christians to make of this? I asked that very question to a former Catholic who has now been heading a Christian ministry aimed at bringing the Truth to the Catholics of the world. His reply was short and sweet and to the point: "It is all part of the disgusting fruit of Rome, paganism and unregenerate people." I completely agree. It is disgusting and it is pagan. And it screams of idolatry. What is the purpose of this tour? It is for the veneration of this relic. Veneration is worship, adoration and awe, much in the same way the Roman church worships and adores the Eucharistic wafer and Mary.

What is it with the Roman church and relics? They do have many. Some are claimed to be the actual wood of the cross on which Christ died. Others can be pieces of clothing belong to their dead saints, said saint's body parts; fingers and such, heads or even their entire bodies. A monastery in the Sinai desert, St. Catherine's, claims to possess the still alive actual burning bush from which God first spoke to Moses! Never mind that the bush is at least 3,460 years old. Just what is the purpose of these relics? The Roman church has hundreds of dead people they have deemed "saints," they venerate Mary and they have thousands of relics all around the world. They have "patron" saints for almost anything from carpenters to the internet. (Pagan religions have gods and goddesses for almost anything too) How many members of the Church of Rome have St. Christopher medals or a small statuette of him on their dashboards when they travel in order to be kept from harm? Of course, those are good luck charms, which are no different than what the pagan world uses.

What these do is draw attention away from the One who we must worship! All of this praying to Mary, to dead people, to statues and to relics draws people away from God, not toward Him. Is it any wonder God said:

Exd 20:3 ¶ Thou shalt have no other gods before me.

Exd 20:4 ¶ Thou shalt not make unto thee any graven image, or any likeness [of any thing] that [is] in heaven above, or that [is] in the earth beneath, or that [is] in the water under the earth:

Exd 20:5 Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God [am] a jealous God

That is exactly what the Church of Rome is doing! God is not the object of their worship, **not with all the different things they pray to and adore.** Those in the Roman church must wake up! The Truth is not in your church and unless something happens soon, it never will be. **Your leaders are sending you to hell with their false Gospel, their false Christ and their false salvation.** The only way to salvation and eternal life in Heaven is through faith and trust in Christ. Salvation does not come from the pope or the traditions of the Church of Rome. Pagan practices such as those the Roman Church use, cannot save a soul. John 14:6 says: **Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. That's it. No amount of confessions to a priest, of worshipping a wafer, kneeling in front of a statue of Mary or obeying the teachings of the Roman Church will save you. All Catholics must know that they have been led astray by their leadership. They must repent and come to Christ and leave the false religion that has deceived them all these years.**
