**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not ignorant of his devices.**"

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Scientific America says: GMO Golden Rice Frankenfood Opponents Should Be "Held Accountable" for Health Problems Linked to Vitamin A Deficiency**

**Comment: This Satanic propaganda piece stated:** *"Their study, published in the journal Environment and Development Economics, estimates that the **delayed application of Golden Rice in India alone has cost 1,424,000 life years since 2002. That odd sounding metric – not just lives but 'life years' – accounts not only for those who died, but also for the blindness and other health disabilities that Vitamin A deficiency causes. The majority of those who went blind or died because they did not have access to Golden Rice were children. These are real deaths, real disability, real suffering, not the phantom fears about the human health effects of Golden Rice thrown around by opponents, none of which have held up to objective scientific scrutiny.*** **Comment: Lies!!! See below It is absolutely fair to charge that opposition to this particular application of genetically modified food, has contributed to the deaths of and injuries to millions of people. The opponents of Golden Rice who have caused this harm should be held accountable."** **Comment: Wow, it must really be important to Satan for everyone to be consuming a high amount of GMO death food. I am sure it wouldn't have anything to do with it altering and defiling our DNA, which was the same thing that was happening in Noah's day, just from a different angle.** <http://blogs.scientificamerican.com/guest-blog/2014/03/15/golden-rice-opponents-should-be-held-accountable-for-health-problems-linked-to-vitamin-a-deficiency/?print=true>

**Groundbreaking investigation reveals Monsanto teaming up with US military to target GMO activists**

(NaturalNews) A hard-hitting investigative report recently published by a prominent German newspaper has **uncovered some shocking details about the tactics being used by chemical giant Monsanto in assuming control of global agriculture.** According to this thorough analysis, **Monsanto appears to be aggressively targeting independent researchers, scientists, activists, and others opposed to genetically-modified organisms (GMOs) by utilizing the vast resources and manpower of both the United States federal government and the American military-industrial complex**

The report, which recently appeared in the July 13 print edition of *Suddeutsche Zeitung* (SZ), **explains in rigorous detail how both individuals and groups opposed to GMOs and other chemical-based crop technologies have been threatened, hacked, slandered and terrorized for daring to digress from the pro-GMO status quo. On numerous documented occasions, pertinent information about the dangers of GMOs or lack of GMO safety data has been effectively blocked from timely release by mysterious forces that many say are the chemical industry in disguise. As it turns out, Monsanto has many**

close friends within the ranks of the U.S. federal government these days. Scores of key government positions, in fact, are now held by former Monsanto executives, a strategic move that has given the multinational corporation exclusive access to the types of resources necessary to carry out cyber attacks against its opponents on a massive scale.

Monsanto's own executives have even admitted in years past that so-called cyber "warfare" is necessary for the purpose of protecting its own economic interests both domestically and abroad.

"Imagine the internet as a weapon, sitting on a table," former Monsanto Head of Public Relations Jay Byrne is quoted as saying back in 2001. "Either you use it or your opponent does, **but somebody's going to get killed.**"

**These are powerful words, and ones that ring increasingly true as reports continue to emerge about Monsanto's intimidation tactics against foreign governments that refuse its offerings. Confidential documents recently made public through Wikileaks, for instance, revealed a plan by government officials to "retaliate" against nations that refused to accept GMOs, even when the people of those nations wanted nothing to do with the technology.**

All the sordid details of the U.S. government's collusion activities with the biotechnology industry are available in the full English-translated SZ report, which you can read here:

### [UK GMO Science Update Slammed as 'Unadulterated Propaganda'](#)

A new report in the UK entitled "GM Science Update" has been heavily criticised for containing very little real science and page after page of "unadulterated propaganda" such as might be found in any of the publications of the GM / biotechnology corporations or their trade associations.

At a "news briefing" yesterday, the authors of the Report presented their findings at the invitation of the Council for Science and Technology (CST) (1). According to the news briefing, the Council "... last year... asked a group of independent scientists to look into the developments in the science of GM crops since the Royal Society report published in 2009." However, on the CST web site there is no record of any Council meetings in 2013. There is no published record of how the report was commissioned, and how its "independent" authors were chosen. But because the CST is essentially the Prime Minister's personal science advisory committee, and because he who pays the piper calls the tune, it may reasonably be assumed that the Council's unwritten brief is to provide appropriate science in support of predetermined political positions — in this case, an unwavering commitment on the part of the Government to GM crops and foods.

## 150 Global Scientists Condemn Retraction of Seralini GMO Study

Article: [www.endsciencesensorship.org](http://www.endsciencesensorship.org)

**150 scientists and experts are condemning a journal editor's retraction of a study that found serious health effects in rats that ate a Monsanto genetically modified (GM) maize with Roundup herbicide.** The editor of the Journal of Food and Chemical Toxicology (FCT), Dr Wallace Hayes,

claimed he retracted the study by Prof Séralini's team because some of its findings are "inconclusive". This rationale was widely derided by scientists.

**The retraction came just months after the arrival of a former Monsanto scientist on the editorial board of FCT.**

## Monsanto and GMO lies revealed

by Jonathan Landsman (NaturalNews) In May 2013, two million people in over 50 countries expressed outrage over Monsanto's desire to own the food supply through genetically-altered (and patented) seeds that threaten all life on this planet. Genetically modified organisms (GMOs) are when a plant or animal has been genetically engineered with DNA from bacteria, viruses or other plants and animals. **Whether you like it or not, you are eating genetically manipulated food without your consent.**

Henry Kissinger once said, 'Who controls the food supply controls the people...' This comment plus many other dark and sinister ideas come from control hungry, greedy and, often times, dangerous psychopathic people and corporations.

**Generally speaking, many of the biggest bio-tech companies in the world would have us believe that GMOs are 'perfectly safe' and designed to 'more efficiently' feed the world. But, GMOs do not generate greater yields; effectively resist drought conditions; have greater nutritional value or any other consumer benefit.** In fact, a growing body of evidence connects GMOs with health problems, environmental damage and violation of farmers' and consumers' rights. The unforeseen consequences of altering the natural growth cycle of our food may be staggering. The facts are undeniable - science has proven that eating GMOs can cause cancer tumors, infertility and birth defects.

In the United States, the Food and Drug Administration - which is supposed to protect the public from unsafe foods and drugs - is being run by ex-Monsanto executives. Can you say 'conflict of interest'?

**The U.S. government refuses to conduct long-term research on the effects of GMOs on human health.**

**The U.S. Congress and president have approved the (nicknamed) *Monsanto Protection Act* which bans the courts from stopping the sale of Monsanto's genetically-modified seeds. This, alone, proves how little politicians care about you and me.**

In truth, most lawmakers care more about corporate interest and getting re-elected with the help of corporate campaign contributions (payoffs), than human health concerns.

Organic farmers suffer to make a living, while Monsanto and other bio-tech companies receive corporate handouts and political favors.

Monsanto's **GMO** seeds harm the environment. Just google, "gmo and bee colony collapse" and you'll uncover one of the worst effects of GMOs.

### **Iraqi Cabinet OKs Law Allowing Child Marriage, Marital Rape**

Women in Iraq took to the streets on International Women's Day to protest the recent decision by the cabinet **to approve draft legislation to institute sharia law in Iraq based on Shiite jurisprudence.** The legislation would change Iraq's current personal status law, which has been called the most progressive in the Muslim-majority Middle East countries. The current laws uphold women's rights in the areas of marriage, child custody and inheritance. **The new legislation would permit marriage for girls as young as nine-years old. In the case of divorce,**

custody of any child over the age of two would automatically be given to the father. In addition, the new legislation allows marital rape, giving the man the right to sexual intercourse with his wife whenever he chooses. Overall, all marriages, divorces and inheritance cases would be legislated according to the Ja'afi interpretation of shariah law and administered by Shiite clergy members. Protesters took to the streets, shouting, "On this day of women, women of Iraq are in mourning."

Hanaa Eduar, a prominent Iraqi human rights activist, said, "We believe that this is a crime against humanity. It would deprive a girl of her right to live a normal childhood."

### Christians' throats slit in pagan slaughterhouse--Video footage reveals systematic execution of victims

***Editor's Note: EXTREME CAUTION ADVISED: The videos linked and embedded in this story are extremely graphic, showing brutal executions, and the bodies of those killed in those executions.***

After exposing videos of "ritual human sacrifices" of Christians by Muslims, a former Palestinian Liberation Organization member-turned-Christian has discovered a new set of shocking videos that show human slaughterhouses in which non-Muslims are executed.

The videos, posted by Walid Shoebat, and his son, Theodore Shoebat, are horrific, showing heads neatly lined up against a wall and bodies suspended by their feet in a room.

Also shown is the testimony of a witness who was threatened with being "sacrificed." "I have never seen something like this," Shoebat told WND. "I have been investigating this story for the past two weeks. **The story is probably the most horrific I have ever [done]. It proves with footage actual systematic [sl]aughterhouses of human beings, including Christians in Syria.**"

The witness video, translated by Shoebat's organization, Rescue Christians, includes the testimony of Saif Al-Adlubi, who inexplicably was identified for "sacrifice" but then not killed before government soldiers arrived.

**"This is the reality of Islam, it is a pagan and utterly depraved and sadistic religion. It takes the soul of a man and purges any remnants of human affection from his very being. Look to your own soul, and understand your own obligation to help the Christians,"** Shoebat said.

**Al-Adlubi reported witnessing Armenians who were waiting their turn to be slaughtered.**

**An "Egyptian butcher ... grabbed the neck of one elderly Armenian Christian," Al-Adlubi said.**

**He said the executioner then said, "You're an aged man and your neck is soft and I don't have to sharpen my knife for you."**

The report blames the "gruesome systematic human extermination centers" of the Islamic State of Iraq and the Levant, AKA: ISIS (a radical Islamic organization in Syria and the Middle East).

Al-Adlubi is described in the report as a **Muslim fundamentalist** who joined the Free Syrian Army and was a militant. **He was captured** (which is when he saw these

atrocities) but later “made it out when the Syrian militia” defeated the rebels in that location.

Al-Adlubi said he was called a heathen, “kafir,” and he responded, “How could I be considered kafir if I pray and fast?”

“You are ‘murtad’ (apostate),” he was told.

“I asked him, what is my destiny. I want to get a closure. What is it, a year two years in prison?” Al-Adlubi said.

He said he was told, “**Rejoice, you will be sacrificed.**”

**Al-Adlubi reported seeing “bodies of young men who were systematically slaughtered and disemboweled.”**

**“The slaughterhouse was on a hill (Comment: Like any good Pagan devil they are instructed by Satan to perform their sacrifices preferably in the high places). It is secluded and is void of any homes nearby,” he said. “I witnessed lifeless bodies hanging upside down as if they were slaughtered sheep. In the center of the slaughterhouse is a huge Egyptian about two meters high. He was the one doing the slaughtering.”**

***Editor’s Note: EXTREME CAUTION ADVISED: The videos linked and embedded in this story are extremely graphic, showing brutal executions, and the bodies of those killed in those executions.***

*The interview:*

Shoebat said several Arabic language news sources, [Alwatan](#), [AlJazeera](#) and [Mufaker](#), corroborated some of the details.

Shoebat reported: **“The prison centers where the ISIS controls have become miniatures of what was during the Nazi SS extermination camps, except the ISIS carries out the extermination in a much more horrific way. ISIS transforms the prisons into kangaroo courts with systematic slaughterhouses and killing centers to exterminate Christians and Muslims who disagree with the Takfiri ideology. Once they are found guilty, the way they deal with the victims was as if they were cattle.”**

He said a Syrian Christian named Kamil Toume **also confirmed the reports, with video, purportedly of the Siba district slaughterhouse in Homs, Syria.**

In an interview, Toume brought additional information, Shoebat reported.

“You never heard of Umm Muhammad slaughterhouse?” Toume asked.

**Additional footage shows two slaughterhouses, one in Bayyada and the other, from several years ago, in Al-Siba.**

**Al-Adlubi said the victims included Armenian and Syrian Christians along with Shiite and Sunni Muslims.**

Walid Shoebat: **“The stories told by Al-Adlubi and Toume add up. Toume sent us some footage that circulated the Syrian community after the human slaughterhouse finally ended, and the ugly remaining evidence was revealed when Umm Muhammad’s slaughterhouse in the Siba’ district in Homs was busted by Syrian police three years ago in August 2011.”**

Shoebat said Al-Adlubi’s story **“also checks out from footage obtained from Al-Bayyada, another slaughterhouse, which Rescue Christians was able to obtain footage from.”**

**“And just as was stated, they were hanging upside down, headless, like slaughtered sheep. The heads were removed from the root of the chest cavity just**

as Al-Adlubi stated when describing how the Egyptian was doing his meticulous methods and how Toume described the Umm-Muhammad slaughterhouse.”

“We report this story because of the silence on the systematic killing of Christians, Shiite minorities and even Sunni Muslims in Syria who disagree with the Takfirist theology. The story is reminiscent to the initial reporting on the extermination of European Jewry and other minorities when little coverage was given to the truth in these days,” Shoebat said.

[WND reported](#) last week Shoebat had uncovered videos showing Muslims conducting “ritual human sacrifices” by slitting the throats of their victims or putting a bullet in their heads.

[Shoebat noted that the speaker](#) in one video uses the term Qurban just before gunfire erupts and men lined up in a row fall to the floor one by one. Shoebat explained that the Arabic term Qurban “can only signify a sacrifice, which indicates that the filmed slaughter is nothing but a ritual human sacrifice.” Another video shows the throat of the “sacrifice” being slit with a knife. “Christians are being killed in these very rituals every day, and the bloodshed will not stop. We must work together to rescue them,” Shoebat said.

Shoebat describes himself as a former “radicalized Muslim willing to die for the cause of jihad.”

Shoebat said he converted to Christianity in 1994. He now is raising funds to assist Middle East Christians [through a foundation he created called RescueChristians.org](#).

[WND recently reported](#) that the Catholic nun Hatune Dogan claimed members of the jihadist factions in Syria (trying to oust President al-Assad) are draining the blood of Christians they behead and selling vials to Islamic radicals for \$100,000 apiece.

The Christians, she said, are beheaded in ceremonies in which they are forced to kneel, with their hands and feet bound as the Muslim radicals read a death sentence imposed because the victim refuses to renounce Christianity and embrace Islam.

[WND also has reported](#) that the ISIS, considered to be the most ruthless of the Sunni Islamic militant groups fighting in Syria, has ordered a Christian community in Raqqa, Syria, to pay nearly 38 pounds of gold as a “guarantee of their safety.” The alternative offered was death.

The videos discovered by Shoebat are graphic. <http://www.wnd.com/2014/03/christians-throats-slit-in-pagan-slaughterhouse/print/>

**Gov't helpless to stop massive Christian cleansing--'Now doesn't seem like the time for that'**

A wave of weekend violence by the Nigerian jihadist organization Boko Haram that killed more than 115 Christians in northeastern Borno state underscores the helplessness of a government that now is attempting a “soft approach” to stopping the carnage.

**In February alone, Boko Haram killed more than 400 people in its ongoing effort to subdue Christians and establish Islamic law, or Shariah, throughout the northern African nation, noted Todd Daniels, an analyst for International Christian Concern, a group that assists persecuted Christians worldwide.**

**The Muslim attacks have forced more than 300,000 people to leave their homes in northeastern Nigeria since 2010, according to a United Nations estimate.** Most are internally displaced and some have fled to Chad, Cameroon and Niger.

Daniels told WND the Nigerian government is paralyzed, noting a report that President Goodluck Jonathan is going to try a soft approach and sit down and talk.

“Now doesn’t seem like the time for that,” Daniels observed.

**“They tried the military approach, and that was ineffective, but it’s not likely that talking will bring any results.”**

**In a recent nighttime rampage, Boko Haram killed two in a village in Borno state, killed a pastor and his family, burned the pastor’s house and burned several church buildings.**

**In a string of similar attacks, Muslim herdsmen of the Fulani tribe killed 20 people in one village, killed a state governor and burned down the governor’s house.**

Roggio said Boko Haram is continuing to grow and now is able to attack at will.

“They’ve attacked military bases, towns numerous times, racking up high body counts,” he said.

Daniels said **the attacks are having an impact on the Christian schools in the north, where 85 schools are being considered for closure, affecting 120,000 students.**

The administrators are fearing more attacks, he said, **noting Boko Haram’s goal of eliminating Western education from the country.**

Roggio said the government apparently is incapable of responding to the attacks.

**The Nigerian government has claimed several times that Boko Haram had been defeated.**

**“But that’s obviously not the case,” Roggio said. “In my estimation, they’ve lost control of the situation.”**

Daniels believes that the government has been compromised.

International Christian Concern analyst Ryan Morgan said it appears there’s not even an attempt to prevent the deaths.

3/19/2014--International Christian Concern (ICC) has learned that a Christian mother of two and her cousin were beheaded by al-Shabaab Islamic extremists once their Christian faith was discovered. The extremists beheaded them publicly in front of her daughters and many of the villagers in the town square.

Morning Star News [reported](#) that Sadia Ali Omar, the mother of the two girls, and her cousin were beheaded in the port town of Barawa in the Lower Shebelle Region on March 4. Before the two were martyred in front of many witnesses, sources report that the Islamic extremists said, "**We know these two people are**

**Christians who recently came back from Kenya - we want to wipe out any underground Christian living inside of mujahidin [jihadists'] area."**

**Al-Shabaab is a rebel militia group who has vowed to rid Somalia of all Christians as converting from Islam in Somalia is punishable by death. The militants who "slaughtered" the two believers "became suspicious of Omar and Moge due to their irregular attendance at Friday mosque prayers,"**

sources said.

Corey Bailey, Regional Manager for ICC says, "*It is an injustice that a mother can be murdered in front of her children merely for being a follower of her chosen faith. Al-Shabaab is an Islamic extremist group that has vowed to make Somalia 'purely Islamic.'* The practice of torturing and killing converts from Islam must be addressed by the international community and should have no place in modern society."

### **Leading Iranian Ayatollah: Mahdi (Islamic Messiah) Is Coming And He Has Plans To 'Behead Western Leaders'**

A leading ayatollah of Iran's Islamic regime is promising that Western leaders will be executed by the Islamic messiah, the state-owned media outlet [Mehr news reported Saturday](#).

"When Imam ['Mahdi,' the last Shiite Imam] comes, he will behead the Western leaders," warned Ayatollah Mohammad Kashani, the interim Friday prayer leader of Tehran and a member of the Assembly of Experts, the body that chooses the supreme leader.

The Shiite clerical establishment in Iran believes that at the end of times, **the 12th Imam, Mahdi, a ninth century prophet, will reappear with Jesus Christ at his side, kill all the infidels and raise the flag of Islam in all four corners of the world.** [A video revealed in 2011](#), "The Coming Is Upon Us," showed regime intentions: change in the Middle East, destruction of Israel and the coming of Mahdi. The video, produced by the regime, was to be distributed in the Middle East.

### **SHOCKING: AL-QAEDA OPERATIVES INSIDE THE IRS**

MARCH 19, 2014--Al-Qaeda spy and convicted felon Weiss Russell is currently working as a financial management analyst under the IRS Deputy Chief Financial Officer. As reported by [Patrick Poole](#) of PJ Media, **Russell was convicted of spying for al-Qaeda operatives in 2008 for secretly accessing the FBI's database to tip off al-Qaeda operatives who were under surveillance.**

And this is rumored to be just the tip of the iceberg! **What is our Commander-in-Chief, Barack Hussein Obama, doing about al-Qaeda operatives infiltrating the IRS? Launching an investigation? Raiding IRS offices? Rounding up all the Islamists and Muslim Brotherhood operatives in his administration? None of the above. Obama has in fact welcomed Islamists into his administration with open arms. Time to impeach Obama.**

### **Mark Blitz & THE HEBREW ROOTS MOVEMENT – ANOTHER FALSE GOSPEL** **July 11, 2013**

I remember my last time while flying to Israel I met a very interesting man. We were both talking about how excited we were to be going to the "Promise Land" and how great it will be to check out all the great places referred to in the Scriptures. He appeared to be a devote believer, so he said, **and yet before long I found out that he believed the Apostle Paul was the worst thing that happened to the followers**

of Christ. He said that all the writings of the Apostle Paul – which make up the majority of the epistles – are wrong. I WAS DUMBFUNDED! Little did I know I had encountered my first devotee of the “Hebrew Roots Movement”, a cult within the Christian Church.

In this man’s own words, he stated that Christians don’t really know the “real Jesus” nor do they understand the Bible. Conveniently, just like Mormonism, and all other cults, the Hebrew Roots Movement have their own “version” of the Bible, which of course, is the only version you are allowed to use.

They are one of the leading groups attempting to delegitimize the Apostle Paul, and while they may be the most overt, they are not alone in this teaching. Other groups, like “El Shaddai”, which was started by Rabbi Mark Blitz, also condemn the Apostle Paul as heretical and his writings “deceive” the Christians.

One very clear aim of the Hebrew Roots movement is to drag you away from Mount Calvary and the finished work at the cross of Christ, and to keep dragging you back all the way back to Mount Sinai and place the yoke of the Law which was given to the Israelites, (what they love to call the “Torah”), after Christ has freed you from it.

Here is Mark Blitz quoted directly from his website:

*“My goal is not to convert Jews to Christianity but to bring non-Jews to a better understanding of YHVH through a better understanding of Torah. I think most Christians do not know YHVH as He really is but know Him as they have tried to create Him in their image... Many Christians believe they have a relationship with YHVH but they don’t.”*

The “Sacred Name” & Hebrew Roots Movement Exposed

January 3rd, 2010 by Dr. Scott Johnson Teaching Overview:

Have you found eternal salvation through the Holy name of our Lord Jesus Christ? Have you found true deliverance from your old sinful past, the world and it’s pleasures, in this most precious name? What about the reality of the peace of God, and the assurance nothing can separate us from the love of God? Have you seen lives changed, miracles wrought, families restored, and others responding towards God, at the preaching of this Name above every other name?

What if someone came along and said this Name you have been saved and set free by is not the correct name at all but a misnomer? What if someone came along and said the wonderful name of your Saviour was a corrupt Greek name, derived from a false god called Zeus? How would you react? What would your response be? What if you were told the true name of God could not and should never even be uttered and the substitute for God’s name is the name Yahweh?

Beware!!! This is exactly what is happening in some spheres of Christendom today, through sources of the Hebrew Roots / Messianic / Sacred Name Movement, as it infiltrates itself into the Body of Christ.

Titus 1:14: “Not giving heed to Jewish fables, and commandments of men, that turn from the truth.”

Back to the quote from Rabbi Mark Blitz:

The time is coming when the Jewish people will recognize the role Yeshua played **and they will then fulfill their mission in the Torah to the nations. They will straighten out the Christians theology in what Yeshua was really saying. There will be Christians who will be saying what can these Jews know about Yeshua when in actuality you will have the correct understanding.**"

Hebrew Roots teacher Mark Blitz has also stated quite bluntly on his website:

[http://web.archive.org/web/20130115235622/http://elshaddaiministries.us/audio/more/g\\_oal\\_of\\_hr.html](http://web.archive.org/web/20130115235622/http://elshaddaiministries.us/audio/more/g_oal_of_hr.html)

**"I believe Christianity has hijacked Yeshua and has been presenting an Egyptian, which is why Yeshua is not recognized....The time is coming when the Jewish people will recognize the role Yeshua played and they will then fulfill their mission in taking Torah to the nations. They will straighten out the Christians theology in what Yeshua was really saying"** (Ibid.).

No wonder these guys hate the Apostle Paul so much! He warn of their exact lies! He warned of those even in his day, that tried to force believers back into the Law and Paul stated that is was a "yoke of bondage". Jesus Himself took that yoke of the Law off of our backs. Without a doubt, the main "other gospel" that Paul warned against is rooted in the "Hebrew Roots" and "Sacred Name" movements.

**Comment: The Bible is clear:**

**Hebrews 12:24:** "And to **Jesus the mediator of the new covenant**, and to the blood of sprinkling, that speaketh better things than that of Abel."

**Hebrews 8:6:** "But now hath he obtained a more excellent ministry, by how much also **he is the mediator of a better covenant**, which was established upon better promises."

**Galatians 5:4:** "Christ is become of no effect unto you, whosoever of you are justified by the law; ye are fallen from grace."

**James 2:10:** "For whosoever shall keep the whole law, **and yet offend in one point, he is guilty of all.**"

**Romans 9:31:** "But Israel, which followed after the law of righteousness, **hath not attained to the law of righteousness.**"

**Galatians 2:21:** "I do not frustrate the grace of God: for if righteousness come by the law, then Christ is dead in vain."

**Galatians 3:21:** "Is the law then against the promises of God? God forbid: **for if there had been a law given which could have given life, verily righteousness should have been by the law.**"

**Philippians 3:9:** "And be found in him, not having **mine own righteousness, which is of the law, but that which is through the faith of Christ, the righteousness which is of God by faith:**"

**Romans 10:4:** "**For Christ is the end of the law** for righteousness to every one that believeth."

**Titus 1:14:** "**Not giving heed to Jewish fables**, and commandments of men, that turn from the truth."

**John 14:6** "Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me."

**Romans 3:22-31:** "Even the **righteousness of God which is by faith of Jesus Christ unto all and upon all them that believe: for there is no difference: For all have sinned, and come short of the glory of God; Being justified freely by his**

grace through the redemption that is in Christ Jesus: Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God; To declare, I say, at this time his righteousness: that he might be just, and the justifier of him which believeth in Jesus. **Where is boasting then?** It is excluded. **By what law? of works?** Nay: but by the law of faith. Therefore we conclude that a man is justified by faith without the deeds of the law. Is he the God of the Jews only? is he not also of the Gentiles? Yes, of the Gentiles also: **Seeing it is one God, which shall justify the circumcision by faith, and uncircumcision through faith**. Do we then make void the law through faith? God forbid: **yea, we establish the law.**"

**Galatians 3:26-29:** "For ye are all the children of God **by faith in Christ Jesus**. For as many of you as have been baptized into Christ have put on Christ. **There is neither Jew nor Greek**, there is neither bond nor free, there is neither male nor female: **for ye are all one in Christ Jesus**.

And if ye be Christ's, **then are ye Abraham's seed**, and heirs according to the promise."

**Colossians 3:1,11** "If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God...Where there is **neither Greek nor Jew**, circumcision nor uncircumcision, Barbarian, Scythian, bond nor free: but Christ is all, and in all."

**Ephesians 2:8-9:** "For **by grace are ye saved through faith**; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast."

**Romans 5:1:** "Therefore **being justified by faith**, we have peace with God **through our Lord Jesus Christ:**"

**I John 5:1-5:** "Whosoever believeth that Jesus is the Christ is born of God: and every one that loveth him that begat loveth him also that is begotten of him. By this we know that we love the children of God, when we love God, and keep his commandments. **For this is the love of God, that we keep his commandments:** and his commandments are not grievous.

For whatsoever is born of God **overcometh the world**: and this is the victory that overcometh the world. **Who is he that overcometh the world, but he that believeth that Jesus is the Son of God?**

**I John 3:22-24:** "And whatsoever we ask, we receive of him, **because we keep his commandments**, and do those things that are pleasing in his sight. **And this is his commandment, That we should believe on the name of his Son Jesus Christ, and love one another**, as he gave us commandment. **And he that keepeth his commandments dwelleth in him, and he in him**. And hereby we know that he abideth in us, by the Spirit which he hath given us."

**John 13:34-35:** "A **new commandment** I give unto you, **That ye love one another; as I have loved you, that ye also love one another**. **By this shall all men know that ye are my disciples, if ye have love one to another.**"

**John 15:12-13:** "This is my commandment, **That ye love one another, as I have loved you**. Greater love hath no man than this, that a man lay down his life for his friends."

**Romans 13:8-10:** "Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. For this, Thou shalt not commit adultery,

Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. Love worketh no ill to his neighbour: therefore love is the fulfilling of the law." Galatians 6:2: "Bear ye one another's burdens, and so fulfil the law of Christ."

Acts 15:24: "Forasmuch as we have heard, that certain which went out from us have troubled you with words, subverting your souls, saying, Ye must be circumcised, and keep the law: to whom we gave no such commandment:"

1 Timothy 1:5-7: Now the end of the commandment is charity out of a pure heart, and [of] a good conscience, and [of] faith unfeigned: From which some having swerved have turned aside unto vain jangling; Desiring to be teachers of the law; understanding neither what they say, nor whereof they affirm.

**Back to the main report:**

**These cults preach another gospel, a “gospel” without biblical salvation. You will be hard pressed to read or hear them say, “...Believe on the Lord Jesus Christ, and thou shalt be saved...” (Acts 16:31) That is not their focus. They want you to obey Torah. These cults actually have no “gospel” – no “good news”. It basically teaches you must “convert” to Judaism, and obey the Torah. The Torah will not and cannot save you. The Torah only proves that we are sinful by nature and will never attain salvation by our deeds. Keep the Torah all you like, but if you are not **SAVED**, you are lost in your sins. The Bible is crystal clear on this. I know this is going to be very offensive to a lot of people, but remember, it offended people in Jesus' day as well. The Pharisees and Sadducees were infuriated with the teachings of the Lord Jesus! They hated Him! So much so they killed Him for teaching it. And, of course, this is why they hated Paul so much! They killed Paul for teaching it. But it's the truth, like it or not.**

**The goal of the Bible is to lead you to Jesus, not lead you to the Torah. The Torah simply lets you know your lost condition; the solution to that problem is in the finished work of Jesus at the cross.**

I hope this post helps you to see **the real ambition of “Hebrew Roots” and the “Sacred Name” movements, and how serious their teachings deviate from the**

**Scriptures.** This can be summed up here: **Gal 2:4: And that because of false brethren unawares brought in, who came in privily to spy out our liberty which we have in Christ Jesus, that they might bring us into bondage: Gal 2:5: To whom we gave place by subjection, no, not for an hour; that the truth of the gospel might continue with you.**

**I hope this ultimately helps you to understand that the purpose and goal of God's Word is not to lead you to the Torah, but to lead you to THE LORD JESUS CHRIST.**

"Neither is there salvation in any other: for there is none other NAME under heaven given among men, whereby we must be saved." Acts 4:12

**Pastor Hagee Denies Jesus Christ as the Messiah!-Part 2**

November 4th, 2007 by Dr. Scott Johnson

11/4/2007–Pastor John Hagee is now boldly & openly proclaiming that Jesus Christ was not the Messiah (the Christ)!...The second part of this teaching will be devoted to refuting Hagee's new book (In Defense of Israel), in which he relentlessly twists Scripture in order to deceive his readers. The net effect is a perversion of the Gospel of Jesus Christ. Some exact quotes from this book read: 'Jesus refused to produce a sign ... because it was not the Father's will, nor his, to be Messiah'. (p 138) 'The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews.' (p. 140) '**They wanted him to be their Messiah, but he flatly refused.**' (p. 141) 'Jesus rejected to the last detail the role of Messiah in word or deed.' (p. 145) Hagee's own writings condemn him, especially in light of: 1 John 2:22: 'Who is a liar but he that denieth that Jesus is the Christ? He is antichrist...'

**Jhn 1:10: He was in the world, and the world was made by him, and the world knew him not.**

**Jhn 1:11 He came unto his own, and his own received him not.**

**Jhn 1:12 But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:**

**Mat 23:37 O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not!**

**Mat 23:38 Behold, your house is left unto you desolate.**

**John Hagee's words directly contradict the central message of the entire New Testament. Indeed, John Hagee's words directly contradict the fundamental declaration that defines the Christian Faith, which is that **Jesus is the Messiah** (i.e. the Christ).**

This is what Peter declared in his first sermon to thousands of his fellow Jews gathered at Pentecost (Acts 2:36):

**Therefore let all the house of Israel know assuredly, that God hath made that same Jesus, whom ye have crucified, both Lord and Christ. (Messiah)**

Hagee teaches a heresy known as "[Zionism](#)." **Religious Zionism teaches that God has a separate covenant with Israel and another for the Gentile Church.** This is unbiblical and is sometimes called a "Dual Covenant" or ethnic salvation. Hagee stated to the Houston Chronicle that **he believes Jews have a special covenant with God and do not need to come to the cross for salvation. According to Hagee Jews don't need to be born-again. Mr. Hagee told the Texas newspaper:**

**"I believe that every Jewish person who lives in the light of the Torah, which is the word of God, has a relationship with God and will come to redemption"**

**(Houston Chronicle, April 30, 1988). But here is an accurate description of God's ultimate plan for the Israelites near the end of the tribulation: "In all the land ... two parts therein shall be cut off and die; but the third shall be left ... I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, The LORD is my God." [Zech 13:8-9]**

The *Houston Chronicle* newspaper then quoted Hagee's own shocking words...

**"I'm not trying to convert the Jewish people to the Christian faith... In fact, trying to convert Jews is a waste of time. Jews already have a covenant with God and that has never been replaced by Christianity." (Houston Chronicle, April 30, 1988, sec, 6, pg. 1).**

I love Jewish people, but they will burn in Hell as quick as any Gentile who rejects Jesus as their Christ.

#### **4 Blood Moon**

#### **Tetrad Frenzy**

The 6<sup>th</sup> seal of Revelation (which chronologically is part of the great tribulation or the second 3.5 years of the tribulation) describes a unique event that needs proper interpretation.

-

There is a big frenzy on the internet because there will be

2 red moons in 2014 and 2 red moons in 2015 that fall on Jewish feast Days.

While this is interesting, people fail to realize that blood moons are not unusual, and that having a blood moon may mean nothing at all.

Having them fall on a Jewish feast day is interesting, and may be seen as “bad luck,” but it is NOT a promise that something revolutionary, like the wrath of God, or that the 6<sup>th</sup> seal is about to happen.

**People forget that not only will the sun and moon turn dark at the same time, but the stars will also fall from the sky!!!!!!.**

Getting fixated on just some lunar eclipses is a waste of time, although I do think 2014 and 2015 will see troubles.

People are selling books now with this distorted prediction that the rapture will happen, all based on what the moon is doing, **and they are ignoring that the fact that there is no predicted solar eclipse, or meteor shower, expected at the same time.**

**Bad Diagram:** This diagram is misleading.

**A Solar eclipse 3/20/15** will be seen in western hemisphere only, and will not be seen in Israel.

<http://eclipse.gsfc.nasa.gov/SEplot/SEplot2001/SE2015Mar20T.GIF>

**A Lunar eclipse** is not due until April 4, 2015, two weeks later, and it won't be visible in Jerusalem either.

<http://eclipse.gsfc.nasa.gov/LEplot/LEplot2001/LE2015Apr04T.pdf>

**Understanding Eclipse Geometry**

**There is no natural way a solar and lunar eclipse can happen at the same time.**

**The sun and the moon are on the same side of the earth for a solar eclipse, and on opposite sides of the earth for a lunar eclipse.**

**So the sun and moon need time to each get into position for their own eclipse.**

**This is why they need to be at least 2 weeks apart.**

**It takes time to travel into position.**
