**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Pro 1:20 **Wisdom crieth** without; she uttereth her voice in the streets:

Pro 1:21 She crieth in the chief place of concourse, in the openings of the gates: in the city she uttereth her words, [saying],

Pro 1:22 How long, ye simple ones, will ye love simplicity? **(Comment: Simple means naive or foolish)** and the scorers delight in their scorning, **(Comment: Scorn means to talk arrogantly, to boast, to mock, to deride)** **and fools hate knowledge?**

Pro 1:23 **Turn you at my reproof:** behold, I will pour out my spirit unto you, I will make known my words unto you.

Pro 1:24 Because I have called, and ye refused; I have stretched out my hand, and no man regarded;

Pro 1:25 But ye have set at nought all my counsel, and would none of my reproof:

Pro 1:26 **I also will laugh at your calamity; I will mock when your fear cometh;**

Pro 1:27 **When your fear cometh as desolation, and your destruction cometh as a whirlwind; when distress and anguish cometh upon you.**

Pro 1:28 **Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me:**

Pro 1:29 **For that they hated knowledge, and did not choose the fear of the LORD:**

Pro 1:30 **They would none of my counsel: they despised all my reproof.**

Pro 1:31 **Therefore shall they eat of the fruit of their own way, and be filled with their own devices.**

Pro 1:32 **For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them.**

Pro 1:33 **But whoso hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil.**

Isa 4:4 When the Lord shall have **washed away the filth** of the daughters of Zion, and shall **have purged the blood of Jerusalem** from the midst **thereof by the spirit of judgment, and by the spirit of burning.** **Comment: This is what happens to a city or country when there is no repentance over sin and innocent blood being shed.**

## ETs Are Here and the White House Knows it, Says Actual Former US Senator

The whole alien conspiracy thing? Turns out it's all true. Extraterrestrials have visited Earth. At least that what Mike Gravel says, and he's a former senator from Alaska. The White House has helped keep the truth about the "extraterrestrial influence that is investigating our planet" from the public. "It goes right to the White House," Gravel revealed this week in Washington, where he was paid \$20,000 by a UFO advocacy group to speak at the Citizen Hearing on Disclosure. Gravel is one of six former congress representatives who were paid \$20,000 by the UFO advocacy group Paradigm Research to participate in a Congressional-style Citizen Hearing on Disclosure in Washington this week, where witness after witness has presented first-hand accounts of UFO sightings and extraterrestrial visits.

Gravel says the strongest accounts of alien encounters are from former military officers, such as retired Air Force Capt. Robert Salas, who testified that UFOs temporarily disabled nuclear weapons on his watch.

"The smoking gun of the whole issue, which is when they saw hovering space craft in Wyoming and South Dakota over the ICBM missile silos that the missiles couldn't work," Gravel says.

Gravel says the media has aided what he sees as a government cover-up by not taking reports of ET encounters seriously.

"What we're faced with here is (in areas of the media and the government too) is an effort to marginalize and ridicule people who have specific knowledge,". [Source]

[UFOs Disabling Nuclear Missiles: Former Senator Says Veterans' Testimony is the 'Smoking Gun' Confirming a U.S. Government Cover-up](#)

**WASHINGTON, May 7, 2013 /PRNewswire-USNewswire/ Wall Street Journal** -- The following was released today by Robert Hastings:

In an interview with ABC News/Yahoo! News last Friday, former U.S. Senator Mike Gravel (D-Alaska) said **statements by U.S. Air Force nuclear missile launch officers-- regarding mysterious aerial objects interfering with the functionality of American ICBMs-- make clear that top government officials are lying to the public when they claim to have no knowledge of national security-related UFO incidents.**

Gravel first gained national recognition in 1971, by placing the still-classified Pentagon Papers--**which documented U.S. government malfeasance during the Vietnam War--into the public record.**

Gravel said the revelations by **former/retired Captains** Robert Salas, Bruce Fenstermacher, and David Schindele, as well as retired Security Policeman Sgt. David Scott, are **"the smoking gun of the whole issue" of government secrecy on UFOs.**

On September 27, 2010, Captain Salas co-hosted **the "UFOs and Nukes" press conference with noted researcher Robert Hastings, during which seven USAF veterans revealed ongoing UFO activity at U.S. nuclear weapons sites during the Cold War era. That media event was extensively and favorably covered by hundreds of news organizations worldwide, including CNN, which streamed the proceedings live.**

### **CIA Official Breaks Silence On Extraterrestrials**

**An anonymous CIA official (R) speaks with UFO researcher Richard Dolan in an anonymous location. It was the first time the official disclosed his knowledge of extraterrestrials.**

WASHINGTON—In a gripping testimonial, **an ailing former member of the Central Intelligence Agency (CIA) has talked via video for the first time publicly about his experience dealing with extraterrestrials, their craft and a cover-up.**

**The 15 minute prerecorded video of an anonymous former senior CIA officer was broadcast May 3 on the final day of the week long Citizen Hearing on Disclosure.** The 77-year-old man, though he was articulate, and sitting up as he spoke, was obviously in a poor state of health. **He worked for the CIA under President Dwight Eisenhower in 1958 and had chosen to break his long-held silence as he approached the end of his life.**

Organizer of the Citizen Hearing, Steve Bassett, introduced the video saying it offered an insight into the suffering of many military and government officials who are forced to live a world of secrecy and fear in what he calls the “truth embargo” about extraterrestrial encounters.

“This gentleman has received numerous threats from his government not to talk, but he wanted this testimony to be presented and we agreed. He has only been interviewed by two researchers who are here today, Linda Moulton Howe and Richard Dolan,” he said.

After the screening Linda Moulton Howe authenticated the former CIA official’s credentials and his account, telling the hearing she had spent three days with him in which she had recorded eleven 90 minute audio tapes in 1994. She said on her return to her home after the three days she had received a phone call from him saying he and his wife had been threatened with retaliation if they went public and she could not release the tapes.

Richard Dolan, who is visible in the video, also authenticated the man’s position.

The former CIA official had been involved with the U.S. Air Force’s Project Blue Book study of UFOs, which was initiated soon after the crash of a large object at Roswell, New Mexico in 1947.

### Eisenhower Threatened To Invade Area 51 Former US Congress Members Hear In Testimony

In sensational testimony submitted on the final day of the Citizen Hearing on [UFO] Disclosure, six former members of the U.S. Congress heard from a former CIA agent about an incident involving President Eisenhower and extraterrestrials. In a video testimony played today before the retired US Congress members, the agent alleged that President Eisenhower sought to gain information from a secret control group called MJ-12 about alien related projects at a facility near Area 51 called S-4, both of which are located in a remote region of Nellis Air Force Base, Nevada. When denied the requested information, Eisenhower allegedly authorized a personal message that the agent and his immediate superior would deliver to those in charge at Area 51 and S-4. The message was a direct threat that he would authorize a military invasion of Area 51 and S-4 if his request for information was not carried out. The former CIA agent is currently aged 77 and suffering from acute kidney problems and has only several months to live. A 15 minutes segment was played out of a longer interview where he went on the public record about how he was recruited by a senior CIA operative located out of Langley, Virginia to work with the CIA on the issue of extraterrestrial life.

See Scott Johnson’s Teaching:

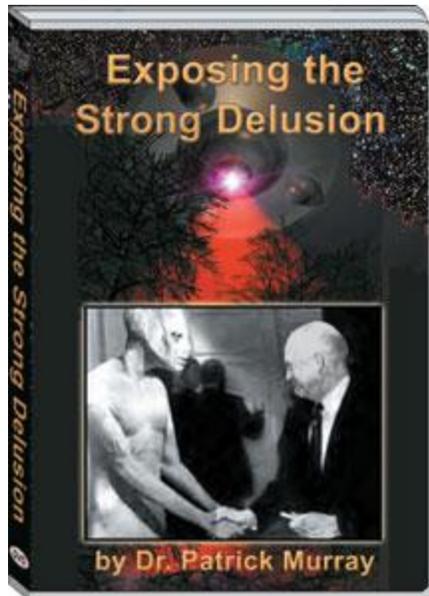

Strong Delusion: E.T.’s, Aliens, UFO’s, Nephilim, Project Blue Beam & the Grenada Treaty

Matthew 24:38 & Luke 17:26 say: “And as it was in the days of Noe (or Noah), so shall it be also in the days of the Son of man.’. What is the significance of this statement and how does it relate to the Nephilim, UFO and/or Alien Agenda? The flood epic of Genesis 6 begins with a strange account of the ‘sons of God’ (or

angels in the Old Testament), taking human wives. Gen 6:4: “There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.” The Hebrew word which is translated, ‘giants’ is ‘Nephilim’, which means, ‘The fallen ones’. Jude describes them as ‘angels, having left their first estate’. **These fallen angels came to earth for their own purposes & to corrupt the seed of humanity and ultimately destroy the human civilization so as to negate the Biblical statement made below by God himself.** Genesis 3:14-15: ‘And the LORD God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: And I will put enmity between thee and the woman, and between thy seed and her seed; **it shall bruise thy head**, and thou shalt bruise his heel.’

### EXPOSING THE STRONG DELUSION DVD

**Watch at:** <https://www.youtube.com/watch?v=OYxKBTVJlo8>

#### **Detailed Description**

**Dr. Patrick Murray shows you the same sons of god of Genesis 6 will once again cause a strong delusion. It began when a U.F.O spacecraft crashed in Roswell NM. Dr. Murray will expose the top-secret treaty (The Grenada Treaty) Harry Truman signed at Muroc Army Air Base (via the Eisenhower Administration) exchanging high technology for rights. They will deceive and briefly rule the world, pointing to the Antichrist as the answer to earth's problems. All who have not already received Jesus Christ as Lord will most likely believe the lie and be damned. God is sending a strong delusion for the last days - be prepared or risk the great falling away of Thes. 2.**

### Alien-Human Exchange Program Is Real

Consultant Bill Ryan, retired US Military Intelligence Officer Richard Doty, and author Whitley Strieber all discussed Project Serpo, an alleged secret exchange program of 12 military personnel to Serpo, a planet of Zeta Reticuli, between the years 1965-78. Ryan explained that he was a participant in a private ufology email forum and that in early November 2005, an “anonymous” contributor began revealing information about the Serpo Project, which Ryan has subsequently chronicled on his website serpo.org. Two other sources have also come forward, and all three are supposedly retired employees of the Defense Intelligence Agency (DIA), said Ryan, who added there is a total of 3,000 pages of information on the project that is being released in installments.

### The Citizen Hearing on Alien Disclosure

A Description of This Event Reads: *The Citizen Hearing on Disclosure* which was held in Washington DC from April 29 to May 3, 2013 will prove to be one of the most important events of the 21<sup>st</sup> Century. It will be remembered as a milestone in educating the public on Extraterrestrial Life and Secret Technologies in Space & Energy.

**The original [Disclosure Project](#) was the forerunner to *The Citizen Hearing on Disclosure* and was founded by Dr. Steven Greer. Quoting from the *Disclosure Project* website we read:**

***The Disclosure Project*** is a research project working to fully disclose the facts about UFOs, extraterrestrial intelligence, and classified advanced energy and propulsion systems. We have over 500 government, military, and intelligence community witnesses testifying to their direct, personal, first-hand experience with UFOs, ETs, ET technology, and the cover-up that keeps this information secret.

<http://www.disclosureproject.org/docs/obama/obama-briefing-intro-letter.pdf>

Capt. Robert Salas (USAF, Ret.) testifies and then describes a series of incidents that he witnessed both first hand and then has continued to study, where US Nuclear capabilities were disabled or compromised in conjunction with sightings of UFOs and unexplained phenomena in the vicinity of the bases.

## **Galactic Diplomacy: Getting to Yes with ET**

By [Dr Michael Salla](#) on May 8, 2013

*Galactic Diplomacy* is a new book that introduces first hand witness and whistleblower testimonies revealing that the USA, Britain, Russia and other major national governments have been secretly conducting, or known about, diplomatic relations with different extraterrestrial civilizations since at least 1952. These testimonies reveal that 'galactic diplomacy' (aka 'exodiplomacy') with extraterrestrial visitors began with discussions over the development of thermonuclear weapons, the first of which was detonated by the Truman administration in November, 1952. Diplomatic discussions then expanded to include issues such as technology development, alien bases, extraterrestrials living on Earth, human rights, and use of earth resources. In frustration over lack of government transparency with their citizens, some extraterrestrials began contacting private citizens to inform them of the true nature of alien activities on Earth, and diplomatic relations with governments. **Extraterrestrial life has been discovered, and senior national security officials have been reticent to disclose this fact not only to their citizens, but to most elected representatives. While the traditional approach among UFO researchers has been to accumulate further evidence to indisputably prove the existence of UFOs and the extraterrestrial hypothesis, after seven decades of officially sanctioned deception, such an approach is no longer suitable. The information age makes available the evidence of visiting extraterrestrial life at any computer terminal around the world. A new approach to the massive evidentiary pool is necessary.**

***Galactic Diplomacy* prepares the reader for the fact that technologically advanced extraterrestrial life exists, and has been visiting our planet since at least the 1940's. This fact has been kept secret by a carefully orchestrated set of policies developed by national security officials with the historic support of a small select group of elected government representatives. These policies are implemented in highly classified compartmentalized programs with strict need-to-know security provisions in place. This means that the vast majority of government, military and corporate officials are simply out of the loop on the extraterrestrial issue.**

Not only have select governmental authorities deceived their citizens and peers about extraterrestrial life, but major governments led by the U.S. have secretly entered into direct diplomatic relations with extraterrestrial life. Most disturbing is evidence that some major governments, principally the U.S., have entered into secret agreements with some extraterrestrial groups that have *de facto* 'treaty' status. Some of these agreements concern the acquisition and development of extraterrestrial technology, and their advanced knowledge, found around the world or in outer space.

**“Galactic diplomacy” – which I use as a synonym for “exodiplomacy” – is currently a highly classified national security program where a select group of authorized government, military and corporate officials, are secretly meeting to discuss extraterrestrial life and technology. In some cases, these officials are communicating directly with representatives of extraterrestrial civilizations.**

Vatican chief astronomer Father Jose Gabriel Funes in a long interview with the L'Osservatore Romano newspaper this week made news by saying 'Just as we consider earthly creatures as 'a brother,' and 'sister,' why should we not talk about an 'extraterrestrial brother'?. The statements by Funes are the latest in a string of recent comments by Vatican astronomers confirming a belief that discovery may be made in the near future of alien life. In asking whether little green men might be guilty of original sin, the Catholic theologian astronomers don't blink. Fr. Funes said he was sure that, if aliens needed redemption, they "in some way, would have the chance to enjoy God's mercy." Vatican astronomer, Guy Consolmagno was more explicit: there's no problem in getting the Son of God to every planet with ETs because, as Christians accept every Sunday during the Holy Eucharist, "Christ is truly, physically present in a million places, **and sacrificed a million times, every day at every sacrifice of the Mass.**"

Consolmagno tackled this subject in a 50-page booklet, Intelligent Life in the Universe. Approximately 7 years ago Monsignor Corrado Balducci made similar news when he said ETs were actually already interacting with earth and that some of the Vatican's leaders were aware of it. Before his death in 1999, maverick Catholic theologian Father Malachi Martin hinted at such more than once. Some perceive this as a careful doctrinal unveiling over recent years & a deliberate effort by church officials to 'warm-up' the laity to ET Disclosure

### **The UFO – Alien Phenomenon: The Next Great Challenge for the Church?**

August 23rd, 2009 | Comments Off | Filed in [Dedicated Teachings](#)

The interest in the search for extraterrestrial life is huge-mainly fueled by the enormous popularity of science fiction ('District 9' being the latest example) and its depiction of advanced alien life on other planets. Exopolitics is the growing movement that believes humans should publicly open dialogue with extraterrestrials. Gaven C. wrote to Gary Bates: "...just been watching the European Exopolitics 2009 in Spain on-line, **Dr. Steven Greer (Of 'The Disclosure Project')** is channeling aliens and encouraging everyone else to do so, the worrying thing is that they're answering, and he briefs the president on such issues. I just get the feeling that there is a paradigm shift happening right now in our culture, real fast, and it's taking the church by surprise, how this all ties in with end time prophecy I'm still processing...It certainly strikes me that if Christians aren't really founded firm on the Word with a creation world view then they will be hoodwinked by the E.T.'s, that these entities are here to "help us up to the next rung of our "evolutionary development", even claiming to be our creators. Will this be the great falling away?
