Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Discernment Detractors: Calling Good Evil

By Warren B. Smith

Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

— **Isaiah 5:20**

In the first book of Kings, God comes to Solomon in a dream and tells him he can ask for anything that he wants:

In Gibeon the Lord appeared to Solomon in a dream by night: and God said, Ask what I shall give thee.

— **1st Kings 3:5**

Solomon asks for discernment: He wanted to be able to discern the difference between what is good and bad—between good and evil. He answers God:

Give therefore thy servant an understanding heart to judge thy people, that I may discern between good and bad: for who is able to judge this thy so great a people?

— **1st Kings 3:9**

God is pleased with Solomon's request, noting that he asked *solely* for discernment rather than selfish things for himself:

And God said unto him, Because thou hast asked this thing, and hast not asked for thyself long life; neither hast asked riches for thyself, nor hast asked the life of thine enemies; but hast asked for thyself understanding to discern judgment;

— **1st Kings 3:10-11**

While our Adversary furiously attempts to undermine the importance of discernment by ridiculing it, we are *not to be ignorant* of his devices (2 Corinthians 2:11).

Some of the many accusations made by discernment detractors

1) If you **hate** deception and evil and try to expose it, you are **a hater**—but the Bible says:

*The fear of the Lord is to **hate evil**:*

— **Proverbs 8:13**

And have no fellowship with the unfruitful works of darkness, but rather reprove [expose] them. For it is a shame even to speak of those things which are done of them in secret. But all things that are reproved [exposed] are made manifest by the light: for whatsoever doth make manifest is light.

— **Ephesians 5:11-13**

*If the world **hate you**, ye know that **it hated me** before it hated you.*

— **John 15:18**

2) If you **contend** for the faith, you are **contentious**—but the Bible says:

*Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should **earnestly contend for the faith** which was once delivered unto the saints.*

— **Jude 1:3**

***Fight the good fight of faith**, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses.*

— **1 Timothy 6:12**

***Put on the whole armour of God**, that ye may be able to stand against the wiles of the devil. **For we wrestle not against flesh and blood**, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.*

— **Ephesians 6:11-13**

3) If you sound an **alarm**, you are an **alarmist**—but the Bible says:

*Blow ye the trumpet in Zion, and **sound an alarm** in my holy mountain: let all the inhabitants of the land tremble: for the day of the Lord cometh, for it is nigh at hand;*

— **Joel 2:1**

*If when he seeth the sword come upon the land, he blow the trumpet, and **warn** the people;*

— **Ezekiel 33:3**

*I write not these things to shame you, but as my beloved sons I **warn** you.*

— **1st Corinthians 4:14**

4) If you try to expose **heresy**, you are a **heresy hunter**—but the Bible says:

*But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in **damnable heresies**...*

— **2nd Peter 2:1**

*For there must be also **heresies** among you, that they which are approved may be made manifest among you.*

— **1st Corinthians 11:19**

And have no fellowship with the unfruitful works of darkness, but rather reprove them. For it is a shame even to speak of those things which are done of them in secret. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light.

— **Ephesians 5:11-13**

5) If you **critique** false teachings, you have **a critical spirit**—but the Bible says:

*And have no fellowship with the unfruitful works of darkness, but rather **reprove** [expose] them.*

— **Ephesians 5:11**

6) If you **name the names** of false teachers, you are **a name caller**—but the Bible names names:

***Alexander the coppersmith** did me much evil: the Lord reward him according to his works:*

— **2nd Timothy 4:14**

*This thou knowest, that all they which are in Asia be turned away from me; of whom are **Phygellus and Hermogenes**.*

— **2nd Timothy 1:15**

*And their word will eat as doth a canker: of whom is **Hymenaeus and Philetus**; Who concerning the truth have erred...*

— **2nd Timothy 2:17-18**

7) If you exercise **righteous judgment**, you are considered **judgmental**—but the Bible says: *Judge not according to the appearance, but **judge righteous judgment**.*

— **John 7:24**

1Cr 2:15 But he that is spiritual judgeth all things, yet he himself is judged of no man.

8) If you **separate** yourself from the things of the world, you are a **separatist** and into **separation**—but the Bible says:

*Wherefore come out from among them, and **be ye separate**, saith the Lord, and touch not the unclean thing; and I will receive you.*

— **2nd Corinthians 6:17**

9) If you think the way is **narrow**, you are **narrow-minded**—but the Bible says:

*Because strait is the gate, and **narrow is the way**, which leadeth unto life, and few there be that find it.*

— **Matthew 7:14**

10) If you think Jesus is the **only way**, you are exclusivistic and **way off**—but the Bible says: *Jesus saith unto him, **I am the way**, the truth, and the life: no man cometh unto the Father, but by me.*

— **John 14:6**

11) If you mark them which cause **divisions** contrary to doctrine, you are **divisive**—but the Bible says:

*Now I beseech you, brethren, **mark them which cause divisions** and offences contrary to the doctrine which ye have learned; and avoid them.*

— **Romans 16:17**

12) If you believe Jesus' prophetic words in the Book of Revelation that the battle of Armageddon **will** happen one day, then you are a **"Doomsday Deceiver"**—but the Bible says: *And he gathered them together into a place called in the Hebrew tongue Armageddon.*

— **Revelation 16:16**

Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand.

— **Revelation 1:3**

16) If you expose Satan (Beelzebub), you are called Satan (Beelzebub) too—but the Bible warns:

It is enough for the disciple that he be as his master, and the servant as his lord. If they have called the master of the house Beelzebub, how much more shall they call them of his household?

— Matthew 10:25

Encouragement

Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. Rejoice, and be exceeding glad: for great is your reward in heaven:

— Matthew 5:11-12

Yea, and all that will live godly in Christ Jesus shall suffer persecution. But evil men and seducers shall wax worse and worse, deceiving, and being deceived. But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them; And that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus. All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works.

— 2nd Timothy 3:12-17

Vatican now trying to steal KJV

Illustration from Foxe's Book of Martyrs of William Tyndale just before he was strangled and burned at the stake by the pope's inquisitors. Tyndale, more than any other man, was responsible for the translations leading up to the KJV, not the Catholic priests, as Rome is now trying to claim.

Issue Date: May/June 2012

Cary Summers, organizer of a recent Bible exhibit in the Vatican is quoted by the Catholic News Agency during a CNA tour of the display saying: "If it had not been for the Catholics of the 1500s there would be no King James Bible."

If it were possible, 60 million corpses would be "turning over in their graves" in response to the arrogance of this lie. Summers goes on to explain: "Many of the original bibles that formed the basis of the King James Bible came from Catholic priests. Very few changes were made. The ancient writings that the King James writers actually mimicked and copied were by Catholic priests."

What appalling hypocrisy that the Catholic death cult would believe that the world has forgotten their bloody inquisition that slaughtered millions of Bible believers who stood on the KJV as God's word for the common man.

The Bible exhibit, called Verbum Domini (Word of the Lord) is an unprecedented collection of some 40,000 artifacts. It is another ploy by the pope to coax members of other "faiths" into his ecumenical trap. Rare Jewish, Protestant and Orthodox artifacts are included to "manifest a 'shared love of God's word' that exists among those religions."

In order to shed more light on the boldness of this lie, BATTLE CRY interviewed David W. Daniels, author of the book, [Did the Catholic Church Give Us the Bible?](#)

BC: What have you found in your research as the connection of Roman Catholicism to the KJV?

Daniels: **The Vatican has it backwards. Rome would not have a Bible to pervert, if it were not for the preserved words of God that we have in the King James Bible.**

BC: So, how did this come about?

Daniels: There are two streams of bibles: the preserved stream that flows right through history with God's faithful people passing it down word for word, from generation to generation, from hiding place to hiding place, until the printing press enabled them to spread it openly for the whole world to enjoy. This stream ends at a fountain of life, the KJV.

BC: Was the pope part of this process?

Daniels: The popes fought it every inch of the way. And from the beginning, the Devil used his scholars, (who, by the way, couldn't agree on anything) to create a second stream of manuscripts, full of contradictions and perversions. The "Whore of Babylon" (See Rev. 17 and 18) hated the preserved Bible. But they couldn't kill all the believers or simply substitute their own bible, because God kept His promise to preserve His words. As Jesus said: "Heaven and earth shall pass away, but my words shall not pass away."

BC: So, they switched tactics?

Daniels: Yes. Since burning Bibles (and people at the stake), failed to stop God's preserved words in the KJV, Rome claimed to "fix" it with "scholarly" and "easier to read" bibles, switching the text to the perverted manuscripts.

Westcott and Hort aided the plot by pasting together a Greek New Testament from the polluted stream of manuscripts. Now Christians are bombarded with so many fake bibles that nobody knows what to believe. Solid faith in God's Bible has been replaced by Satan's doubt-making "Yea, hath God said?" So popes can take credit for most bibles on the market—but not the KJV.

For complete details of these two streams, see [**Did the Catholic Church give us the Bible?**](#) Available from Chick Publications.

True Account of a Faithful Christian Martyr at the Hands of Catholic Butchers

March 05, 1558 – Thomas Van Imbroek **was beheaded as a faithful**, persevering witness for Christ and sealed his testimony with his blood at the tender age of twenty-five years. He was a printer at Cologne on the Rhine and a **God fearing man who was arrested for the sake of the truth of the gospel in the year of 1557.** He was confined in the tower and interrogated for his beliefs on baptism and marriage. His wife wrote letters of encouragement. Two priests urged him vehemently to repent and asked him why he did not have his children baptized, his answer

was always the same, the scriptures teach nothing of infant baptism; and they who will be baptized according to God's Word must first be believers." The priests proclaimed him a heretic and brought him to the rack, where he was closely questioned but not tortured. This occurred three times. He was brought to the Landgrave's house, who would have set him at liberty but he was afraid of the Emperor and the Bishop. Neither fire, water, or sword could move Thomas from his convictions. Again he was brought to the Landgrave's house and his people tried to persuade him to recant which was of more value to them than his martyrdom, but he would not. Finally Thomas was brought before the high court of justice where he was condemned to death in the presence of the Landgrave who dyed his staff of authority in the supposed Christian blood. The letters he had sent from prison to his wife and brethren, along with other things, contained a confession of his faith and his beliefs about baptism. A small volume was published from these writings.

TSA Hired Accused Sex Abuse Priest Pedophile As Screener

Steve Watson--Infowars.com--May 25, 2012

A former Catholic priest who was defrocked after it was discovered he had sexually abused young girls is now working as a security screener for the TSA it has been revealed.

[The CBS 3 I-Team](#) in Philadelphia reports that Thomas Harkins, a priest in South Jersey until 2002, is now working at a security terminal at Philadelphia International Airport.

Although his main duty is to screen baggage, part of Harkins' job with the TSA also involves screening passengers passing through body scanners and conducting pat-downs where necessary.

"The Diocese of Camden removed him from ministry because it found he sexually abused two young girls. Now, in a new lawsuit, a third woman is claiming she also is one of Harkins' victims." the CBS affiliate reports.

Details of the new lawsuit filed in a federal court against Harkins were revealed by the CBS team and they do not make for pretty reading. It says that he sexually abused an 11-year-old girl up to 15 times in the early 1980s when he was a priest at Saint Anthony of Padua parish in Hammonton, NJ.

The CBS team tracked Harkins down and confronted him over the allegations. He refused to answer questions and sought refuge in a restricted TSA security area.

"They should know who they're hiring," Karen Polesir, a Philadelphia spokeswoman with the [Survivors Network of those Abused by Priests \(SNAP\)](#) told CBS.

"As the public, we are screened to our underwear getting on a plane, and yet they hire a man like that." she added.

The TSA claims that it puts all its employees through background checks, and that Harkins was not flagged because criminal charges were never brought against him.

However, as we have repeatedly noted, this is not an isolated case. **In fact, the TSA has consistently hired violent criminals and even pedophiles, indicating that the agency does not follow through on background checks.**

Last month, a television station in Atlanta reported that the TSA is so swamped with background checks **it is now hiring just about anybody to grope and irradiate the public.**

"In a move that could affect security at airports around the nation, the Transportation Security Administration confirmed Wednesday it had such a backlog of background security checks, airport employers were allowed to hire any employee needed," **WSBTV** reported.

Vatican: Pope to strengthen special relations with the PLO

by [ivarfjeld](#)

Yasser Arafat kissed the hand of the late Pope John Paul II.

To secure Churches in the Palestinian territories, the unHoly See will strengthening the special relations with the PLO.

This is the essence from a fresh Press release in the Vatican. A Pontifical delegation has returned from Ramallah, where there were held talks between the "*unHoly See*" and the **Palestinian Liberation Organisation (PLO)**.

The Vatican signed a Basic Agreement with the PLO in 2000. The talks aimed at a **comprehensive international agreement regulating and promoting the presence and activities of the Catholic Church in the Palestinian Territories.**

"Both sides agreed on establishing a working group to elaborate the aforementioned comprehensive agreement".

Source: Vatican [Press](#) release.

Authors reply:

The Vatican is of course flattered that an Islamic terrorist organization promises not to persecute Catholic Churches in a proposed Islamic statehood which will become a Jew-free zone.

Just like Catholic churches struck a deal with Hitler to keep Catholic Churches open, while the Jews were slaughtered in gas chambers by the "*German liberation organization*" who ruled in Berlin.

It is a shame, that there is totally silence from the Vatican, in regards to the PLO and the Islamic Worlds refusal to recognize the state of Israel. The Vatican is also praising Mahmoud Abbas who is a holocaust denier.

Comment: 5-14-12--I just checked Tom Horns website and was once again sickened by all the Catholic Church & Pope praise. Also this guy (Rick Wiles) on Tru News who interviews Horn goes out of his way to make it clear he has many Catholic listeners and is not here to offend any of them. Here is for yourself at:

RICK WILES & TOM HORN DISCUSS PETRUS ROMANUS (MP3):

"Without question the most important research in our lifetime."

I just added the info below to my research on Horn:

Comment: Notice in the next 3 articles posted on Tom Horn's Website that everything hinges on what the Vatican is withholding from Catholics regarding the "Third Secret" of Fatima, as if we all desperately need the full disclosure of this evil, ungodly, demonic apparition to finally have the full picture regarding the end times. We don't need Satanic prophecies and visions in order to have truth though, in fact Satan can offer us nothing but lies and deception, but according to Tom Horn it is of utmost importance all these false, demonic Catholic prophecies be decoded and brought forth in order for Christianity (in general) to finally get the full end time picture. Lies!!!

Notice also the constant blaming of Vatican II for the current corrupted state of the Catholic Church, ignoring the fact that it has always been corrupted from its Satanic inception. Also notice the constant use of applying holy terms to any highly regarded Catholic in Tom Horns articles. It is truly disgusting to see him and other supposed Christians lick the Pope's boots over and over again when they should be warning Catholics they are all on their way to hell if they keep trusting in this works based death cult for salvation and not pointing Catholics to the true Jesus Christ in the Word of God.

The article text begins with 'SOTTO IL MONTE GIOVANNI XXIII, Italy (CNS) - The feast of Our Lady of Fatima, May 13, is the occasion every year for millions of devotees to celebrate the apparition of Mary to three Portuguese peasant children in 1917 and to meditate on her call for repentance and conversion by the modern world.'

portion of Mary's revelations. The controversy is associated in a particular way with **the pontificate of Blessed John XXIII**, because one of the **Fatima visionaries, Sister Lucia dos Santos**, committed the so-called "Third Secret" to writing, with instructions that the pope should read it in the year 1960. **Blessed John**, who was pope from 1958 to 1963, declined to reveal the secret, which was reportedly published by the Vatican in 2000. But some argue that the long-suppressed document contains something more disturbing than was disclosed, **perhaps a prophecy of what they call the "great apostasy": the modernizing changes that followed the Second Vatican Council (1962-65), which was called by Blessed John.** One man with whom such skeptics would very much like to talk is Archbishop Loris F. Capovilla, **Blessed John's** personal secretary, who was present when the pope read the secret for the first time.

[As Detailed In The New Book "Petrus Romanus", Famous Italian Media Personality Alleges Fatima Cover Up](#)

In his uncharacteristically explosive response to Cardinal Bertone, Antonio Socci concluded **the Vatican had withheld an important part of the Fatima revelation during its celebrated press conference and release of "The Message of Fatima,"** June 26, 2000. Socci describes in the introduction to his book how at first he truly believed the Vatican's official version of the Fatima Message, which with its release to the public claimed to be the final Secret. Then Socci came across an article by Italian journalist Vittorio Messori, entitled "The Fatima Secret, **the Cell of Sister Lucy Has Been Sealed,**" and a series of **questions cast suspicions on the Vatican's authorized publication....** Not long after, Socci came across a second similar thesis published in Italy by a young and careful writer named Solideo Paolini, which convinced Socci to begin a probe of his own focusing on the biggest question of them all—was a portion of Lucy's hand-written document, **which contained the principal words "of the Blessed Virgin Mother" concerning end-times conditions at Rome, being withheld from public view by the Vatican due to its potentially explosive content?**

[Tom Horn & Cris Putnam Investigated Lucy Of Fatima, Found Her Trapped Inside A Vatican-Imposed "Mafia Code of Silence"](#)

Something about the Third and Final Secret was different, a phenomenon evidently to be avoided and obfuscated at all costs by the hierarchy of Rome. At a minimum, it spoke of the apostatizing of the clergy and dogma that followed Vatican II. And yet perhaps these were simply devices to lead to something more sinister, elements so dark that it was keeping Lucy awake at night. When she finally had written down the Secret in 1944 under obedience to Rome, she had a hard time doing so because of its terrifying contents. It had taken a fresh **visit from**

the "Holy Mother" herself to convince Lucy it was okay. Then in the years following, she had been ordered by the Vatican to remain silent concerning its disclosure. Visits to her for hours at a time were made by Cardinal Bertone under orders from the pope during which the two of them would **go over the diminutive aspects of the vision in private.**

Human genetic engineering has always been the stuff of

The majority of Catholics would likely say that the Church opposes any genetic modification in humans. But that is not what our Church teaches. Actually, the Church does support human genetic engineering; it just has to be the right kind. Surprised? Most Catholics probably are.**

A month ago, I interviewed a **very holy priest, Fr. John Carlo Rosales of the Franciscan Friars of the Immaculate** in a TV show that I entitled, "The 4th Secret of Fatima." This week, we did a sequel to that show, entitled "Are we now in the end of times?" We did it in time for **the 95th anniversary of the first apparition of our Blessed Virgin Mary in Fatima, Portugal**. What triggered my curiosity is that **our Lady** revealed to the children (which Sister Lucia wrote and made public) that the Pope would be climbing up on top of ruins over the dead bodies of martyrs and would be shot and killed. So the question is... **who was that Pope revealed in the 3rd Secret of Fatima?** I will limit this to what was predicted that would happen to the Pope. St. Pope Pius X (whose name was Giuseppe or Joseph in English) was Pope in (1903-1914) **prayed with Franciscan Friars and went into a trance**. I suggest that you should also Google St. Malachy, who predicted the last Pope... and in his list Pope Benedict XVI would be the second to the last Pope. **St. Malachy's prophecies are highly accurate**....

Regarding a rebuke I received that I should not be exposing Tom Horn & make a public apology this was a recent response:

Sorry he has made way too many public comments and posted far too many articles on his own website flagrantly pointing people to Catholicism. **Over and over he has made it clear that the Catholic Church has just been infiltrated since Vatican II by "Masonic Infiltrators" and that is why she is currently corrupted. In other words Catholicism would be fine is it wasn't for the changes that have taken place since Vatican II which is a total lie from the pit of hell as it has always been corrupted from its inception.** As a result of these massive mixed signals **he has created** massive confusion among his followers; just read the comments below many of the articles he posts on his own website (**many of which I have read online**). It is not my fault he has done this and the 2 quotes you posted do not "Undo" or "Negate" all the other flagrant quotes I have cited over and over in my teachings on him. **You have this all backwards** Sandy, he is the one that needs to correct all the things I have mentioned and stop sending all these mixed signals and cry out to God to forgive him for doing so, as the way it stands a whole lot of people are going to end up in hell **as a result of his actions. I have tried to email him about this going back years ago but he never responds so what choice did I have!!!!!!?????? I waited for years before I released this information, giving him space to repent and hoping he would do the right thing.**

May the Lord Jesus Christ strike me dead this day if you are right in your assessment of me!!!!!! So if you don't hear from me anymore you were right and on the side of righteousness.

[Roman Catholic Nazi memorial in Croatia a disgrace to Europe](#)

by [ivarfield](#)

This is not the memorial mass we are going to report on, but the present Pope kneeling in front of the beautified area for the **Nazi Catholic Bishop Stepinac** of Croatia, June 2011.

The Nazi legacy lives on.

A Jewish organization recently condemned a memorial Mass in two Catholic churches in Croatia for Ante Pavelic, the fascist leader of the country under the Nazi regime.

The Mass was held on Dec. 28 of 2011 in Zagreb and Split to mark the anniversary of Pavelic's death in 1959 & **"is a disgrace for the Croatian people,"** Efraim Zuroff, the center's director in Jerusalem, said in a statement. He called on Croatian authorities to ban commemorations of Pavelic's death.

Under Pavelic's Ustasha regime during World War II, hundreds of thousands of Serbs, as well as Jewish and Roma civilians, were imprisoned and murdered in Croatian death camps. Zuroff called the Mass "a total ridicule of Christian values" and an insult to Pavelic's victims. Source: [JTA](#), Jewish News Agency. Let's take a look at some more pictures:

The Nazi Catholic Cardinal Stepinac is beautified and adored as a fake wax figure.

Some saints are preserved in chemicals, and painted in silver. This Croatian saint has a golden look.

This photo of a Catholic kissing his glass coffin.

Pro 21:16 The man that wandereth out of the way of understanding shall remain in the congregation of the dead.

The death mask that hangs on the glass coffin is also golden in color.

The Vatican relations with the Nazi proxy regime in Croatia, expose the nexus. **Not only were the Roman Catholic priests and bishops active supporters of the Pavelic-regime. Even today the Roman Catholics in Croatia hail the memories of the Nazis.**

The late Pope has done his best to please his subjects in Croatia. John Paul II beautified the local Cardinal Aloysius Stepinac who hailed Pavelic. The Present Pope kneeled and prayed in front of the wax corpse of the beautified bishop during his visit to Croatia 4th of June 2011. **87,8 of the population in Croatia are Roman Catholics.**

This is what Wikipedia has recorded about **Nazi leader Ante Pavelic and Bishop Stepinac.**

During World War II, on 6 April 1941, Yugoslavia was invaded by Nazi Germany and its allies. Having previously agreed to form a Croatian satellite, the Germans and Italians established therein the Independent State of Croatia, and installed the Ustaše movement into power.

*Fiercely nationalistic, **the Ustaše were also fanatically Catholic.***

*In the Yugoslav political context, **they identified Catholicism with Croatian nationalism and, once established in power, set about persecuting and murdering non-Catholics.***

As the archbishop of the capital, Stepinac enjoyed close associations with the Ustaše leaders.

Stepinac publicly exhorted his hierarchy to pray for the Independent State of Croatia, and publicly called for God to "fill the Ustaše leader, Ante Pavelić, with a spirit of wisdom for the benefit of the nation".

The Pope beatified Stepinac in Croatia on October 3, 1998.
