Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

I John 4:18: "There is **no fear** in love; but **perfect love** casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

Heb 13:6: "So that we may boldly say, The Lord *is* my helper, and I **will not fear** what man shall do unto me."

II Timothy 1:7: "For God **hath not** given us the spirit of fear; but of power, and of love, and of a sound mind."

Prov. 1:23: Turn you at my reproof: behold, I will pour out my spirit unto you, I will make known my words unto you.

Is. 28:9: Whom shall he teach knowledge? and whom shall he make to understand doctrine? them that are weaned from the milk, and drawn from the breasts.

Hbr 5:12 ¶ For when for the time ye ought to be teachers, ye have need that one teach you again which [be] the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat.

Hbr 5:13 For every one that useth milk [is] unskilful in the word of righteousness: for he is a babe.

Hbr 5:14 But strong meat belongeth to them that are of full age, [even] those who by reason of use have their senses exercised to discern both good and evil.

Eph. 4:14: That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive;

The White House finds itself suddenly on the defensive regarding the entire fable of the killing of Osama bin Laden!

NEWS BRIEF: "[White House alters narrative of bin Laden raid](#): Factual errors over bin Laden operation forces White House to double back and fix their story", By Stephen Collinson, Middle East Online, 2011-05-05

++"Factual errors concerning some of the most explosive details of the raid that killed Osama bin Laden have forced the White House to double back and fix their story ... Adjustments to the story, which began to be told late on Sunday, have seen the narrative embroidered with new details and left a host of unanswered questions about the circumstances and results of the raid."

Every time the government initiates a disaster, officials seem clumsy with their details, and have to backtrack. This happened in the disaster at [Waco, at Oklahoma City and the attacks of 9/11](#). Now, Obama officials are having to go back to fix some of their original details. What are some of these factual errors?

1) "On Monday, the White House said that bin Laden was armed when he was shot dead in his comfortable compound in a Pakistani garrison not far from Islamabad."

"But a day later, White House spokesman Jay Carney corrected the account, saying the terror chief was unarmed when gunned down by a Navy SEAL, raising doubts about the US assurances that they were ready to take bin Laden alive."

If American SEALs killed an unarmed man, that is premeditated murder!

2) "On Monday, John Brennan, President Barack Obama's counter-terror chief, said that bin Laden's wife had died after being used as a human shield in the attack, implying a cowardly act of self-defense by the the Al-Qaeda leader."

"Officials soon rowed back from that story too and Carney provided a new chronology on Tuesday, saying that bin Laden's wife had rushed a Navy SEAL officer confronting her husband, and had been shot in the leg but did not die."

Wow! Not only was the original story wrong when it said that bin Laden's wife died as he was using her as a human shield, but now we discover that she really did not die after all!

3) "There have also been differing accounts over which of bin Laden's adult sons was killed in the raid, Hamza of Khalid ... Carney's account on Tuesday notably did not mention the death of a bin Laden son."

What was the excuse for all these factual errors? Officials claim they were caught up in "the fog of war". [What happened was what always happens during these planned incidents; the government seems incapable of presenting a coordinated event, where all officials are on the same page at the same time.](#)

Americans must have the courage to believe that our government does not have our best interests at heart; in fact, their Plan boldly calls for the mass elimination of all domestic enemies and, during the "cleansing cycle of the Earth" by the AntiChrist will be the annihilation of 2/3 of the entire population! Please take a few moments to read "[From Waco To 9/11 – Understanding That Our Government Does Not Have The Best Interests of Its Citizens At Heart And May Even Deliberately Kill Them](#)", [NEWS1952](#).

As we stated in an earlier News Alert discerning Americans will have real trouble believing this story that American forces have just now killed Osama bin Laden as Osama has been reportedly dead for a number of years!

NEWS BRIEF: ["Confirming Cutting Edge teaching since October, 2001, a former CIA operative has confirmed that Osama bin Laden has been dead for years!"](#), Cutting Edge Newsletter, October 8, 2008, Paragraph 'V'.

++"An important news item that flew under the radar for the most part last week was the assertion from former CIA operative turned whistleblower Robert Baer said that Osama Bin Laden is long dead. The hugely respected intelligence & foreign policy expert told Terry Gross, host of National Public Radio show Fresh Air, 'Of course he is dead'..."

"There is voluminous evidence to suggest Bin Laden is long dead. According to French newspaper Le Figaro, Bin Laden was on a kidney dialysis machine after he had one shipped to his base in Kandahar, Afghanistan in 2000, and when the CIA personally visited him in a Dubai hospital. Other accounts suggest he was also suffering from Hepatitis C at the time and had only two years left to live."

Actually, in our Daily News Updates in late October, 2001, we began to receive rumors that bin Laden had died! Later, in October, 2008, a former Bush CIA official stated that bin Laden was most certainly dead and that he had died a long time ago.

When the American government promptly buried "Osama bin Laden" at sea only hours after his purported killing and before any independent pathologists could verify that the dead man was really bin Laden, I knew that this "killing" was a fake and was staged for propaganda purposes. Because the whole story is fake, the Obama White House has now backtracked on its declaration that it would release photos of the dead man.

NEWS BRIEF: ["Obama rejects releasing bin Laden death photo"](#), Aljazeera News, 04 May 2011

"Barack Obama, the US president, has told an American television channel that he has decided not to release photos showing the body of Osama Bin Laden, the al-Qaeda leader, after he was killed by US commandos. Jay Carney, the White House spokesman, said Obama had consulted members of his national security team before making the decision."

"There is no doubt that we killed Osama bin Laden. You will not see bin Laden walking on this Earth again', the president said. 'It is not in our national security interests to allow those images, as has been in the past the case, to become icons to rally opinion against the United States', Carney said."

This next segment reveals possibly one of the fundamental reasons the President decided not to release any official photos of bin Laden's "death".

"US president decides against releasing images of al-Qaeda leader's body as some raise concerns over legality of raid."

Right! Since bin Laden was killed even though he was unarmed, President Obama and some Pentagon officials might have reason to worry about being brought up on charges of War Crimes by the increasingly effective "International Criminal Court"!

But, we also have to realize that, immediately following any release of official pictures of a dead bin Laden, photographic experts throughout the world would be analyzing these photos using the very best equipment in the world. The White House does not want to be called a "liar" by these kind of photographic experts.

Already, people are worrying about Islamic reprisals for the "killing" of Osama bin Laden.

"Truth is not what is; truth is what people believe it to be"- Adolf Hitler

NEWS BRIEF: ["Fears bin Laden killing may spark reprisals"](#), ABC News, May 3, 2011

++"International law enforcement agency Interpol has called for extra vigilance in the wake of the killing of Osama bin Laden by US special forces. The United States has issued security warnings to Americans worldwide, and a top Republican lawmaker briefed by the White House on bin Laden's death said US security agencies were working to prevent any attacks on the United States or its installations overseas."

" 'This is a key moment because Al Qaeda has to avenge. This is a terrible defeat for them and they have to move as quickly as they can and it's up to us to stop them', said congressman Peter King."

Since "truth" has been accurately defined by the Master Propagandist of the 20th Century as being "what people believe it to be", Muslims are a real danger because they believe the White House story that Osama bin Laden was killed.

T-Shirts are selling on the streets of New York City which say, "Obama got Osama".

Furthermore, President Obama has painted a very large target on his back by claiming this assassination of bin Laden was carried out at his specific order.

Therefore, the Western powers not only need to fear vengeful terrorist attacks in their cities, but the White House needs to fear a specific assassination attempt on President Obama.

[December 2001: Bin Laden Already Dead - Report](#) 26 Dec 2001--Fox News Osama bin Laden has died a peaceful death due to an untreated lung complication, the****

Pakistan Observer reported, citing a Taliban leader who allegedly attended the funeral of the Al Qaeda leader. Bin Laden, according to the source, was suffering from a serious lung complication and succumbed to the disease in mid-December, in the vicinity of the Tora Bora mountains. The source claimed that bin Laden was laid to rest honorably in his last abode and his grave was made as per his Wahabi belief. About 30 close associates of bin Laden in Al Qaeda, including his most trusted and personal bodyguards, his family members and some "Taliban friends," attended the funeral rites. The Taliban source who claims to have seen bin Laden's face before burial said "he looked pale... but calm, relaxed and confident."

Osama Bin Laden STAGED Media Spectacle To Be Used To Ramp Up Full Scale Police State

As I write this article, the corporate controlled media is continually pushing the possibility of retaliation from Al Qaeda over the death of their leader.

“At this point it seems likely that the major reason for **the unveiling of a dead man** was to condition the public into accepting TSA groping in train stations, malls, sporting venues, and any other major public event.”

That’s right, this whole staged event is being used to **condition** the American people into believing that terrorists are around every corner. This fear will be used to place TSA security in so called soft spots nationwide, effectively ending America as we know it.

'Quartet may recognize Palestinian state'

Ynet

04.19.11 / [Israel News](#)

American and European diplomats warned that if Prime Minister [Benjamin Netanyahu](#) fails to present a new peace initiative soon, **the Quartet may be compelled to recognize a Palestinian State in the 1967 borders, with east Jerusalem as its capital**, the Los Angeles Times reported on Tuesday.

According to the report, Netanyahu **is under mounting pressure to unveil a new plan** that would jump-start the deadlocked negotiations between [Israel](#) and the Palestinians.

Tough Stance

PM: We won't be dictated to /
Attila Somfalvi

Prime Minister [Benjamin Netanyahu](#) said Thursday that his government will stand firm against any international pressure to reignite the Israeli-Palestinian peace process **by accepting the PA's unilateral conditions.**

Speaking at a [Likud Party](#) Passover toast, Netanyahu said, "We will stand for our principles and fight those who try to dictate terms that would strip us of security and peace."

[Full story](#)

If the prime minister does not deliver, the **Quartet members** – which include the United State, Russia, The European Union and the United Nations – may opt to resume the peace process by officially endorsing a Palestinian state.

US Secretary of State Hillary Clinton hinted last week that the international community may apply pressure on both sides in order to promote a settlement to the longstanding conflict, which she said was as pressing as ever given recent developments in the Arab world.

"The Israel Omen"

The Ancient Warning of Catastrophes Has Begun, Powered By Ominous Attempts To Remove Israel From God's Promised Land"

Did God's "Omen" return with the return of the Jews to the land of Israel in 1948?

The Israel Omen powerfully reports a series of historically destructive events since 1991, connected by a common thread: warnings found in Ancient Hebrew prophetic Scripture. Are these events the telling signs of an ancient Divine omen, the same omen ignored by the Egyptians 3,500 years ago as Moses was leading the children of Israel out of Egypt by God's mighty hand?

As the nations of the world gather to remove the Jew from God's promised Holy Land, **the international group dubbed the Quartet is leading the effort; eerily ancient Hebrew Scripture foretells of a group of four (4) nations coming against Israel to remove her from her land at the End of the Age.** Was the financial collapse that

began in 2007 the beginning of God's curse against all nations who attempt to remove the Jews from the Promised Land? Your view of current events might never be the same!

Prophecy Sign: Events leading up to the war against Israel as seen in Psalm 83.

Psa 83:1 Keep not thou silence, O God: hold not thy peace, and be not still, O God. Psa 83:2 For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head...Psa 83:4 They have said, Come, and let us cut them off from [being] a nation; that the name of Israel may be no more in remembrance. Psa 83:5 For they have consulted together with one consent: they are confederate against thee...

“Rival Palestinian factions Fatah and Hamas have reportedly reached an agreement to end their four-year rift by forming a caretaker government and holding new elections next year, according to Palestinian officials and a statement from Egypt's intelligence service, which helped broker the talks.” **Here is the most important part of today's report. “Palestinian Authority President Mahmoud Abbas and Prime Minister Salam Fayyad are also eager to end the strife as they prepare to ask the United Nations in September to recognize Palestinian statehood” Don't forget the PLO factions think that in September the UN will take action to divide up Israel to make a Palestinian State. Not only will this lead to the Psalm 83 war but you will also see the curse of God fall on all the nations who attack Israel.** Now that these PLO factions have come together we are one more step closer to the war. If you are new to prophecy, read Psalm 83 and you will see that these are the same people God said would go after Israel.

<http://www.latimes.com/news/nationworld/world/la-fg-palestinians-deal-20110428,0,6346777.story>

What was Israel's response to this new pact? “The Palestinian unity deal agreed in **Cairo** crossed “a red line,” Israel's Avigdor Lieberman said on Thursday, warning that an array of measures could be taken against the Palestinian Authority. “With this accord, a red line has been crossed,” the ultra-nationalist foreign minister told Israel's military radio a day after the Palestinian parties announced a surprise reconciliation agreement.

“Israel immediately said that the Palestinian

Authority could not have peace with both Hamas and Israel. Hamas has carried out bombings and rocket attacks against Israel for years and does not recognize its right to exist.” Last night I was watching the BBC nightly news. One of the reporters said something that I totally agree with. The reporter stated the agreement that patched up the Fatah and Hamas factions means the Middle East peace talks are now dead! You can see this will be the case by what Benjamin Netanyahu said today. Knowing what God has shown us concerning the Psalm 83 war, and knowing that Paul warned that sudden destruction would come while they are calling for Peace and security we know that the Palestinian Authority will stay on course with Hamas. **Many people probably won't pick up on the importance of the agreement signed by the two factions in Cairo. Psalm 83 points out that Egypt will join the PLO factions when they attack Israel. The road to the Psalm 83 war is being laid out, and most of the world is void that God has spoken to us in detail about this coming war.**

Do you find it odd that almost every week now news out of Israel is talking about war breaking out? I quote, "If war breaks out between Israel, Syria, and **Hezbollah**, Syrian President Bashar Assad's regime will "play powerful cards" in south Lebanon and will not hesitate to respond, senior security officials in Syria said, according to the Kuwaiti newspaper Al Rai. According to the officials, in case of war with Israel, Syria and Hezbollah will compete with each other over who will fire the first Scud or Fateh missile at Tel Aviv."

Some of you may have not seen this news from yesterday but look at what is suppose to happen on May 15, 2011, and look at the nations who are suppose to do it!

“Sunday, May 15th To commemorate the Palestinian exodus day 1948 (Nakba) when well over 750,000 Palestinians were forcibly expelled out of their home land by Israel, similar number of Thousands angry Arab protesters from **Egypt, Jordan, Syria, Lebanon** along with their **Palestinian** brothers from **Gaza** and the occupied west bank will advance toward Israel in what they call, the third intifada” **Now take a look at the photo above and see who God said is going to come against Israel. They are exactly the same nations! Is it possible that May 15 could light the fuse for the Psalm 83 war? If it doesn't happen during this week, we know the birth pain sign is telling us it is very close.**

Think another war isn't coming ask Israel's army if they think its a joke. They are preparing for it. "Israeli daily Maariv revealed in its Tuesday issue that Israeli occupation forces had built an underground city in Northern Israel to train for an imminent war against Lebanese Shia group Hezbollah. The army command allowed two reporters and a camera crew from Maariv to enter the city. The reporters were told by a military commander that the concept of the city is based on Củ Chi, the Vietnamese underground network constructed in the wake of the US invasion and used for transferring intelligence and preparing for battle. The commander stated that Hezbollah had already dug tunnels in southern Lebanon. He added that it was necessary to launch the project following the second war on Lebanon where the Israeli military was only able to incur a limited number of injuries to Hezbollah fighters until they emerged from their underground defenses"

All the nations in the above report will take part in the Psalm 83 war. Now I want to turn my attention to Iran, which is another nation God warns us about in Ezekiel chapter 38. Iran is one of the nations that God is going to destroy for coming against Israel and Jerusalem. For years Iran has been trying to get the PLO and its bordering nations to attack Israel. After the news broke that the two PLO factions have joined forces again, look at what came out of Iran.

“The unity agreement between Hamas and Fatah is a "blessed, positive move," Iranian Foreign Minister Salehi said Thursday according to the IRNA news agency.” “Salehi also said he hoped that the reconciliation agreement would **lead to acceleration of the developments in the Palestine region and to acquiring great victories in confrontations with the ruthless occupiers.**” **Salehi doesn't know this but the confrontations is speaking about have already been written down in the Psalm 83 and Ezekiel 38 wars. For any of you who do not believe Israel will win both these wars, all I can tell you is stand by and remember what you were told by God in His Word!**

<http://www.ipost.com/International/Article.aspx?id=218190>

Not only is Syria on its way to fulfilling what was written **about it in Psalm 83, Isaiah 17:1, and Jeremiah 49:24-27, but this nation is also fulfilling Jesus warning in Matthew 24:7 were He warns us about (Kingdom coming against kingdom).** Here is the latest news concerning this civil war. “Syrian security forces have killed at least 500 civilians in a crackdown on a "peaceful democratic uprising", a Syrian human rights organization said on Thursday.”

Prophecy Sign: When you read Psalm 83, and especially verse 4 it says “They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance.”

“A new Palestinian Authority TV program recognizes all of the Land of Israel – from Tel Aviv to the Negev – **as "Palestine,"** belying PA Chairman Abbas' non-recognition of Israel.

The Palestinian Authority is trying to carry out Iranian President Mahmoud Ahmadinejad's threat to "wipe Israel off the map" and has done so by displaying maps of "Palestine" covering all of Israel at the same time its leaders talk about "two states for two people." The real intentions concerning the State of Israel can now be seen in a new PLO video. When the PLO sees the future of Israel it doesn't even see Israel at all, instead the land of Palestine. This has always been the goal of the PLO and now they are getting in Israel's face showing them what they see for the future. In my March 24, 2011 post I showed you that Egypt has wiped Israel off the map in much the same way as the PLO has just done.

The link to what Egypt has done is below. The bottom line is this, these nations are sending a message to Israel, and that message is the same message God warns about in verse 4. The time is coming when Egypt, the PLO, and the rest of the nations in Psalm 83 will actually try to physically wipe Israel out. If you are new to prophecy you have to understand who wins. God shows us Israel will not be defeated when the Psalm 83 war breaks out.

Israel is a Jewish democratic nation **1/19th the size of California**, and is one of the smallest nations on the face of the earth. With only about 8,000 sq. miles of land mass it is **roughly two times the size of Rhode Island**. Israel is 260 miles at its longest, has a 112-mile coastline, is 60 miles at its widest, and between 3 and 9 miles at its narrowest. **The nation of Israel is surrounded by twenty-two hostile Arab/Islamic dictatorships that are 640 times her size and 60 times her population.** Arab propagandists call Israel "expansionist." There is NO truth to this statement as Israel, occupies **one-sixth of one percent of the lands called Arab.** There are 13 million Jews in the world (almost 5 million fewer than they were in 1939) and 300 million Arabs and 1.4 billion Muslims.

Arab propagandists and biased irresponsible news services call Israel "expansionist" and the "aggressor" against Arab peoples. Israel has fought only defensive wars; to the Arabs, Israel's resistance to *their* aggression — which would lead to Israel's total destruction if allowed to go unchecked — is illogically viewed as an "act of aggression." Is "illogical" the proper term to be using here? Of course it is. **But is logic really a considered factor in much of today's news propaganda?**

Prophecy Sign: 1 Thessalonians

5:3 "While people are saying, "Peace and safety," destruction will come on them suddenly, as labor pains on a pregnant woman, and they will not escape."

Part of the last days prophecy puzzle is knowing what will happen in Egypt. Paul's warning about the call for Peace and safety has already come to pass and now we are waiting for the destruction part of this verse. Egypt will play a role in this destruction when they join in on the Psalm 83 attack against Israel in the very near future. **This is one of the reasons we saw Egypt's government fall last month and is now leaning toward a new government which will come against Israel.** The week that Egypt started to riot I asked you to watch the news, and if you did you would hear that Egypt wants to break off the peace agreement with Israel, which has been in place since 1979. My warnings about this stem from knowing what God has told us about the Psalm 83 war. It only stands to reason that if God said Egypt was numbered in the attack on Israel that something must have taken place to stop the peace between these two nations. That something turned out to be the call for a new government which would help feed Egypt's people, and bring down what the Egyptians perceived as a dictatorship. Now Hosni Mubarak's government has been cast out you are in fact hearing the call to get rid of the peace agreement with Israel. I quote,

"Most Egyptians are in favor of **annulling a peace treaty with Israel**, according to a Pew Research Center poll released on Monday. The US-based think tank polled 1,000 adults throughout Egypt between March 24 and April 7, finding that only 36 percent would maintain peace. The percentage of Egyptians who support annulling the treaty (54%) does not vary amongst those who sympathize with Islamic fundamentalists and those who do not." For those of you who think the warning about what is to happen to Egypt is bogus, all I can say is just watch the news. God has a perfect track record of fulfilling every word He has spoken.

New Hoggard DVD!

"The Mystery of Mecca"

Islam Revealed

Pastor Hoggard nails the spiritual truth about the religion of Islam. Why are the followers of Islam so constantly filled with rage? Why has Islam historically murdered so many Christians that northern Africa and the Middle East today are predominately Muslim? Why is it that the only "peace" Islam affords its enemies is the "peace of the grave"? Pastor Mike reveals that Islam is simply pagan worship of the Goddess, and that all of Islam is simply and only paganism to its very core.

Controversial Billboard Warns Of Apocalypse

By Lindsey Reiser - Multimedia Journalist

Thursday, April 14, 2011 - 5:42pm

EL PASO - There's a national movement making its mark right here in El Paso. It's controversial, and you may not agree with it, but they're trying to spread their message in a big way.

This group says God will destroy Earth by fire this October. But they say the real end is coming next month when - according to this group - the doors to redemption will be shut.

"May 21 is when God shuts the door to salvation and that's the beginning of God's wrath," said Johnny Dennis. He spends most of his free time pouring over the Bible. In studying the word so closely, he says he and others have been able to calculate the world's end.

"On October 21, the 'Feast of Tabernacles, is when God destroys this world by fire," he said.

The billboards you see around town are the work of Dennis, with the help of Family Radio. There are 25 billboards warning El Pasoans of "the end."

"It shows a man kneeling down, praying, and it says cry mightily unto God," Dennis said. He said October 21 is exactly 7,000 years after God first destroyed the earth with water. The only way to avoid "the end" is to approach God and repent.

"You're left with the fact that you're going to die, and that's a horror story," Dennis said.

Before the billboards, Dennis held up a sign on major intersections. Now there are billboards all across the country, thanks to Family Radio and another group, 'WeCanKnow.com.' They've also put up their own billboards across Texas.

"The goal is to blow the trumpet, meaning sound the alarm," Dennis said. Of course he realizes some people may not agree, nor might most churches.

"I'm sure they thought Noah was crazy," he said.

But he's not taking any chances.

"We're running out of time, and in the blink of an eye we'll be at the day of judgment," he said. The billboards will be up until May 21st.

& on May 21, 2011, when Harold Camping is once again proven wrong, will he and his false date setting be like a dead body upon which the vultures of the air will descend for a feast? Remember, Preacher Camping has been wrong as he set 1994 as the year in which the Rapture was going to occur.

NEWS BRIEF: ["Harold Camping Will go Mad on May 11, 2011"](#), The American Vision, January 5, 2010

"Camping sold tens of thousands of copies of '1994'? He followed this book with '**Are You Ready?: Much More Evidence that 1994 Could be the End of the World**'

The media give Camping's view front-page coverage every time he opens his mouth because of his calculated prediction that Jesus will return on a specific date **as they know he'll be wrong.** "

Why would the Mass Media give Harold Camping such coverage as he spouted his false message? That fact alone should have given people pause for concern. The Mass

Media hates genuine Christianity and will never allow a genuine preacher any kind of real coverage.

When Camping is proven wrong again, he will have done his best to discredit the Bible. Scoffing unbelievers will have one more reason to not believe Jesus Christ or His Bible.

Do you remember the flap in 1988, when another false prophet, Edgar Whisenant, published a little book entitled, "**88 Reasons Why the Rapture is in 1988**"? Going back to [The American Vision article](#), quoted above, we read:

"Camping sounds a lot like **Edgar Whisenant who predicted that the rapture would take place in September 1988, a certainty that he backed up with his booklet 88 Reasons Why the Rapture is in 1988 and the claim "Only if the Bible is in error am I wrong; and I say that to every preacher in town."**[4] When the certainty of his prediction failed with the passing of September 1988, Whisenant, who worked as an engineer with NASA, claimed he had "made a slight miscalculation of one year because of a fluke in the Gregorian calendar. Jesus was actually going to return during Rosh Hashanah of 1989! Whisenant published his discovery in *The Final Shout—Rapture Report 1989*. 'The time is short,' he said. 'Everything points to it.' This publication was subsequently retitled 'The Final Shout—Rapture Report 1990 and has since been re-titled yearly as *The Final Shout—Rapture Report 1991, 1992, 1993, 1994* and so o'n. In case you don't know, it's now 2010.

One eye-witness recalls his involvement in this false prediction.

NEWS BRIEF: "[Rapture Occurred](#)", Blog, December 7, 2009

"Back in 1988, I was in a large Charismatic church in San Jose that was mostly singles. During that year there was a book out titled, "88 Reasons why the Rapture will be in 1988". Well, that little book took off like a wildfire in Northern California. The media kept talking about the upcoming Rapture. It went on and on, and everyone around here was caught up in it. The little white book said that the Rapture would take place after sunset on the eve of the day before Rosh Hashana, and the little book had about a hundred pages of biblical mathematics to back it up."

"Anyway, **that little book is still alive and doing well today, because Harold Camping of Family Radio. Harold Camping teaches that on that very Rosh Hashana in 1988 the Church Age ended.** What made 88 Reasons go over so well in this area was the mathematics of it. This is a high tech area."

Harold Camping claims his prediction is based upon infallible mathematics. It sounds like false prophets love to shove reams of supposed mathematics at a gullible public. My Dad used to say "Figures don't lie, but liars figure"!

What are the mathematics of Harold Camping and his prediction that the Rapture is going to occur on May 21, 2011?

NEWS BRIEF: "Judgment Day Is Coming, May 21, 20-11???", Tribulation Watch Newsletter, May 2011

"By Camping's understanding, the Bible was dictated by God and every word and number carries a special significance. He noticed that particular numbers appeared in the bible at the same time particular themes are discussed. The Number 5, Camping concluded, equals 'Atonement'. Ten is 'completeness'. Seventeen means 'heaven'.

"Camping patiently explained how he reached his conclusion for May 21, 2011.

" 'Christ hung on the cross April 1, 33 AD ... now go to April 1, 2011 and that is 1,978 years'. Camping then multiplied 1,978 by 365.2422 days - the number of days in each solar year, not to be confused with a calendar year. Next, Camping noted that April 1 to May 21 encompasses 51 days. Add 51 to the sum of the previous multiplication total and it equals 722, 500. Camping realized that $(5 \times 10 \times 17) \times (5 \times 10 \times 17) = 722, 500$. Or, to put into words: (Atonement x Completeness x Heaven) squared."
