Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Occult Calendar--Satanic Sacrifices? A Million in US to Go Missing In 2010

2009 December 13--by Richard Evans--Here is a list of Satanic sacrificial days, which is accurate.

Statistics on missing persons in the United States are difficult to find, but are appalling. The following missing persons estimates are from the Kyle Fleischman Foundation: 2,300 American people are reported missing on a DAILY basis.

“Human trafficking” is a very real and huge activity worldwide. Among other uses trafficked people are a pool of victims for selection for occult human sacrifices. Mary Ann estimated tens of thousands of sacrifices routinely occur world wide on the dates on the calendar. Best advice to the public is know where your pets and children are at all times. It is estimated that in 2010 over 1,000,000 missing persons will be registered with law enforcement agencies in the US alone. 814,957 were registered in 2007.

As of December 1, 2007 only 105,229 missing persons cases were considered “active”. In 2007 only 15.8% of the missing persons cases registered were classified as “located” by the National Crime Information Center.

52% of “active” cases were juveniles. 11% were considered young adults ages 18-20. 55% of missing adults are men, 40% of them white, 30% African American, 20% Latino. Only in October of 2001 were adults made inclusive of the National Missing Children's Organizations national clearinghouse database for missing people--this was called Kristen's Law. Kristin was also a Charlotte, NC native, like Kyle.

Little legislation since Kristen's law has been initiated by the government to address the growing problem of missing adults cases in our county. No new laws have been enacted and little federal support has been given.

Satanic holiday dates change annually according to the regular calendar and differ from cult to cult

Subject: **Fasting Question**

Dear Dr. Johnson,

...We fast frequently (usually for one day - just water, no food). However, this week God instructed Lee to fast, but this time NO water. It was very difficult for him - it ended up being approximately 30 hours. He started eating/drinking yesterday morning and was doing pretty well. A little tired, sore, etc. But late last night, he started getting a VERY severe headache - he said it feels like his brain is swollen. Not like any headache he's ever had. He is also very dizzy. We are very hesitant of "normal" doctors and he doesn't want to go to the hospital, but I am scared. Can you tell me if this is normal after a fast like this? I've been online all morning and can't really find anything like this. Any advice you can give is greatly appreciated.

Subject: RE: Fasting

Yes this is the most radical kind of fasting. In the Bible there is an instance where a 3 day (no water, no food) fast is done. This is the most severe type of fasting and as a result probably the most powerful kind of fast regarding supercharging your prayers. I have been convicted by the Lord to do this type of fast 2 or 3 times. The last time I did it I started out with a 3 day no water/no food fast and then fasted with no food for 4 more days to make a total 7 days of fasting. It was tough but I seemed to do alright with the no food/no water, but I if you did this kind of fast you would (like a marathoner would do) **hydrate your body for a couple of days prior to starting this fast. That way you are already well hydrated prior to going on the fast.** Many people are dehydrated and they don't even know it (as the thirst mechanism is really not a totally accurate indicator of hydration) and as a result if they start a no water fast it can really devastate them as they are already dehydrated to begin with. I think this is

what happened to your husband. Have him drink **at least 1/2 his body weight in ounces of purified water** for two days prior to ever trying this type of fast again. The severe headache sounds like a dehydration headache to me. Also see the attachment. God bless!

Subject: Re: **Proposal Regarding an Esther Fast Starting Saturday Night June 16th**

Hi Dr. Scott: I am right now in day three of a four day fast (only water, nothing else) so I'm not sure if that relates in any way to the suggestion I have, but perhaps it does.

Here is my suggestion: Given the lateness of the hour, and the seeming inevitable judgment of God's wrath that is soon to come upon America, it seems to me that we should call for a three day Esther fast. "Go gather together all the Jews that are present in Shushan, and fast ye for me, and neither eat nor drink three days, night or day. I also and my maidens will fast likewise; and so will I go in unto the king . . ." Esther 4:16a. Obviously there was extra power in everyone fasting together.

Ideally, we could summon all of America to fast and perhaps, like Ninevah, God would repent "of the evil, that he had said that he would do unto them, and he did it not." Jonah 3:10. But, in reality, there is probably about a 0% chance of getting all of America to do an Esther fast. Similarly, there is also probably no chance of getting the "evangelical church" to fast either.

What is left? How about setting a specific date and then calling upon all of your listeners to do an Esther fast for three days. The purpose wouldn't be to have God repent of the evil he plans for America, but rather that God would give supernatural wisdom and insight to those who are able to hear his truths. Perhaps specifically:

- 1. Before God's judgment arrives: Resources to prepare, wisdom, provision, divine providence, understanding, directing us individually to where we need to go or will be going when things get really bad, finding other likeminded people who can support one another.**
- 2. After the judgment arrives: Wisdom, understanding, safety, shelter, food and water.**

It seems to me that, if possible, this should be expanded beyond your listener base to anyone who God might call to participate. I am sure you know of many other pastors who might participate including D. A. Waite, Mike Slattery, etc.

On a practical note, I am sure that many of the Jews who fasted for Esther were not living in accordance with God's truths but it appears that it still was helpful for them to participate in the fast.

Subject: RE: **Proposal Regarding an Esther Fast**

WP:...Yes I really want to get this going ASAP as the Summer Solstice is coming up which is a June 20, 2012, at 7:09 P.M. (EDT) AKA Eastern Daylight Time. This is a huge time for human sacrifice (especially infants) worldwide and I think we could kill two birds with one stone with this fast being directed towards stopping the evil planned for the 20th and also the points you mentioned. Yes this is long overdue. This is next Wednesday at 7:09 EDT so I think I will put up brief announcement today (Wendes.) with a little study on this and request everyone start Saturday night after their last meal going till Tuesday night. If they want to start Sunday that is fine as well as it well they would just need to start is before 7:09 PM EDT Sunday.

God bless you!
