Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect**."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Harlem Shake Brings Spirit of Antichrist to America's "Christian" Churches

"Let no man deceive you by any means: for that day shall not come, **except there come a falling away first**, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God."

2 Thessalonians 2:3,4

The scriptures say that in the end times, in the last days, there will be a great 'falling away' of believers from bedrock bible doctrine. The above quote from 2 Thessalonians clearly shows that, as does this quote from Paul to Timothy:

"For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto fables." 2

Timothy 4:3,4

Below is an example of the 'Spirit of Antichrist' on full display at Celebration Church in Jacksonville, Florida. In the end, it is the Christians who no longer have a desire or hunger to be fed from the word of God, but instead choose to side with the

devil and make a mockery of the church that Jesus Christ shed His own blood for.

Nothing shows that as clearly as our story on the Harlem Shake in the Churches of America.

From [The Examiner](#): Have you heard of the "[Harlem Shake](#)?" The dance has gone viral on the Internet, and Christians are doing it in several sectors, [according to Black Christian News](#).

The dance starts with the leader wearing a mask shaking in front of the people, and then they all join in for 30 seconds.

The words to the song are: "Con los terrorista" (With The Terrorists).

There are several groups and organizations doing the "Harlem Shake:"

- Rick Warren's Saddleback High School Ministry
- Jerry Falwell's Liberty University
- Destiny World Outreach Center
- Vineyards Student Harlem Shake
- City Church Downtown
- Celebration Church Jacksonville FL

I know this article will burn up some of our fan base, but let me be very honest with you. We are to sound the alarm when the Enemy appears on the radar screen. So let us get right to the point:

If you belong to or attend a Christian church that encourages demon-inspired 'dancing' to the Harlem Shake, you are in church with the Devil Himself. The Holy God of the Bible wants nothing to do with this foolishness. **The 'shake' is performed with a masked man inciting a crowd to gyrate their bodies by unseen forces to jungle-themed music.** Bright lights flash, artificial smoke is set off and an hypnotic, ever-

lowering bass beat causes the dancers to bang their heads. The author asks the question: **Are you so seared in your spirit by the filth you have surrounded yourself with that you can no longer recognize the Devil when he is laughing in your face??**

This is not the work of the Holy Spirit. **To see this in the church to me is proof positive that the great falling away is operating on all eight cylinders. The Harlem Shake comes from drug-using, heavy-drinking, fornication-glorifying rappers whose garbage has NO PLACE in the Church of Jesus Christ.**

If you do this in your church, you need to REPENT immediately. Return to [your first Love](#), and remember what it was like when the shed blood of Jesus made you clean and new. Get back to [a DOCTRINAL study of God's word](#) from the [King James Bible](#), and get back on your knees in fervent prayer. **If this is happening in your church, leave.**

Satan desires to sift you and grind your faith into a fine, dusty powder. Christian, you are UNDER ATTACK, and are losing the battle.

Some are so deluded by the world, the flesh and the Devil that they think the Harlem Shake and 'David dancing before the Lord' are the same thing?

Subject: **Abomination Alert--Churches Doing the Harlem Shake**

Hi you may want to look into this: <http://atwistedcrownofthorns.com/2013/02/21/dont-bring-that-harlem-shake-to-my-church/>

I find it disturbing that there are 100's of videos of church and youth groups doing this and (WARNING) some of them are in their underwear what worries me is to see young children in some of the videos.

Don't bring that 'Harlem Shake' to my church!

February 21, 2013

The [three month itch is back](#) and most fad driven churches are buzzing with the latest fad in town. **The rumor is if you do this (Gangnam style, Harlem Shake e.t.c), people will like your church & you will be considered a 'relevant' church. So every three months or less you will find all these self styled church growth gurus keeping a hand on the pulse of culture so as to keep the church looking trendy. The fads just keep coming and today it's the 'Harlem shake' (see video clip below)! With all this craziness going on in church (just like when [Kundalini and Slaying in the Spirit](#) was a fad) **there's hardly any time for Bible study and hey don't even speak about having reverence for the Lord or his house.****

These relentless overtures to make the church more hip or more culturally savvy are in themselves a danger to any church. They downgrade the gospel, make people seek excitements as vehicles for their silliness and pander after entertainment instead of seeking Christ as a Savior for their sins. Many believers come seeking for bread and to be fed but are offered stones!

Ah, it's just harmless fun in the sanctuary. No one is being hurt you reason – **but these very antics only harden the hearts of sinners to the gospel. (Let me take a deep breath here and add...) these antics when done in church actually blur the line between what is sacred and the profane. In the Bible such antics are called**

'abominations' and at other times 'foolishness'. I cannot for the life in me imagine the Apostle Paul saying to the Corinthians, 'When I came to you I chose to know nothing else but Christ and Him crucified the 'Corinth Shake'!

Please Mr. Worship leader guy or youth pastor or church growth consultant do not grieve the Holy Spirit by trying to bring these blasphemous fads to your local church or church youth group. **Instead relentlessly and faithfully point the sinners and kids entrusted to you to the cross.**

Kanye West's "Yeezus": New Album Mocks Jesus Christ – Pays Tribute To The Antichrist?

Demon possessed superstar rapper Kanye West has reignited his blasphemy of Jesus Christ with his new album entitled 'Yeezus.' The name is a play on the rapper's nickname 'Yeezy' and the name of The Lord Jesus Christ, is just the latest in direct insults this artist has made to the Christian faith. And not only has he once again compared himself to Jesus Christ with his latest album, West also gave a subtle nod to the Antichrist.

According to reports:

A pre-order page for Kanye West's **sixth solo album** listed 14 tracks without their titles, and including June 18th release date. Girlfriend Kim Kardashian and co-manager Don C also posted cryptic social media messages, including an Instagram picture apparently depicting the album artwork, that suggested the **June (6th month) 18th (6+6+6)** album release date. ([source](#)).

Beginning and End exposed the blatant satanic and Illuminati imagery and influence in the music of Kanye West in our article "[The Rise And Fall of Kanye](#)

[West: Illuminati Superstar.](#)" In it we showed how from the onset of his career, West became more blatant in his disrespect for Christianity and embrace of the occult.

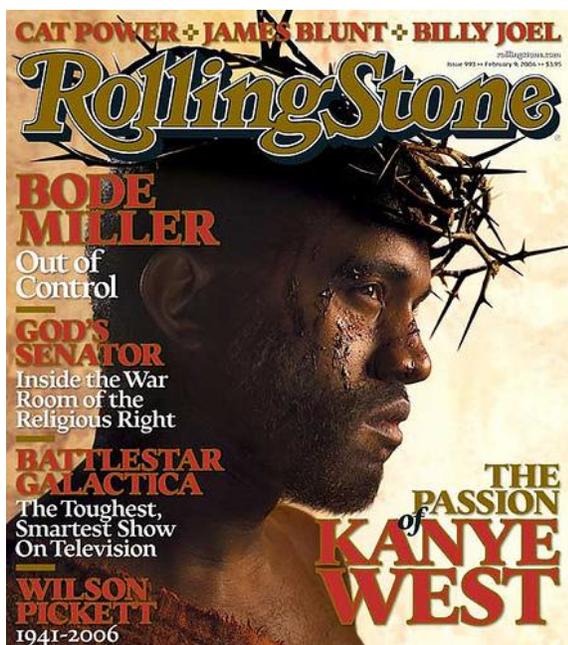

See:

Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. – Galatians 6:7.

Thou shalt not take the name of the LORD thy God in vain; for the LORD will not hold him guiltless that taketh his name in vain.

– Exodus 20:7.

But those things which proceed out of the mouth come forth from the heart; and they defile the man. For out of the heart proceed evil thoughts, murders,

adulteries, fornications, thefts, false witness, **blasphemies**: – Matthew 15:18. Remember this, that the enemy hath reproached, O LORD, **and that the foolish people have blasphemed thy name.** – Psalms 74:18.

Webster's 1828 Dictionary (which was based on the English of the King James Bible) defines blasphemy as: **"An indignity offered to God by words or writing; reproachful, contemptuous or irreverent words uttered impiously against Jehovah."**

Insulting the name of God or Jesus Christ is not something taken lightly by The Lord. Yet entertainers today remove any stigma from disrespecting the Christian faith and instead turn it into entertainment. **With superstar status and fame, it is only a matter of time before their fans follow suit and have their own attitudes adjusted and shifted to accept this blasphemous behavior without even realizing it.**

As noted in our first article, West made one of his early blasphemies against Jesus by depicting himself as the crucified Jesus on the cover of Rolling Stone magazine. But this was only the beginning. **Some of his other mockeries of the Christian faith are:**

Warning

"I got the Jesus on a chain that don't mean sh—" (Put On).

"Sunday morning, praise the Lord

You the girl that Jesus had been saving me for

So let's savor this moment, and take it to the floor

Black excellence, truly yours" (Murder to Excellence).

Additionally, West has been using "Yeezus" as his nickname for some time.

Kanye West, **left, wearing shirt with Baphomet design**, performs with his mentor, Jay-Z.

No Church In The Wild, a song he collaborated with occult and Freemasonic promoter Jay-Z, was a reference to there being no place for Christianity in the "wild" where real stars like Jay-Z and Kanye inhabit.

<<A shirt promoting a Jay-Z album from his Rocawear clothing line.

Jay-Z who calls himself "Jay-Hova" as a mockery of the name of God the Father, started this trend of taking on the name of God. It is all from a belief system that deludes celebrities and many others into believing they are gods or are on the path to god-hood. For high level initiates into the New Age movement and Freemasonry alike the goal is god-hood. This delusion is the same lie that Satan used in the garden of Eden to lure Eve into sin. The Secret, one of the best-selling New Age books of

all time, also teaches this concept. All three carry the same message:

“You are God in a physical body. You are Spirit in the flesh. You are Eternal Life expressing itself as you.” (*The Secret*, p. 164).

See Scott Johnson’s Teaching: THE SECRET: New Age NAME IT AND CLAIM IT

Here are excerpts from Kanye’s verse in “No Church In The Wild”:

We formed a new religion

No sins as long as there’s permission’

The running theme of the song – the rejection of Christianity and elevation of themselves as the Godhead, continues. **And like so many deceived occultists before them, Kanye promotes the idea of fornication as the real “law” of life. This completely aligns with the teachings of Satanist and black magick practitioner Aleister Crowley. Crowley, who referred to himself as “The Beast”, “666” and was declared the wickedest man on the planet, has been one of the most influential figures in pop culture as his philosophy of rejecting God and pursuing every sinful desire in pure rebellion has inspired entertainers from Led Zeppelin, The Beatles and Ozzy Osbourne all the way to pop stars today like Ke\$ha.**

Obviously Kanye West’s music embraces the sinful philosophies of Aleister Crowley.

His dark spiritual path started after a trip to Egypt where he claimed to channel the Egyptian god

Thoth. Crowley’s most quoted statement, “Do as thou wilt shall be the whole of the law” has a double meaning. It is an exhortation to enjoy every vice and sinful pleasure one desires. In the next sentence he wrote: “Lust, enjoy all things of sense and rapture. Fear not that any God shall deny thee for this .” This is the essence of satanic rebellion – pursuing any desire with no fear of God. But the occult meaning of “Do what thou wilt” is to use the power of “the will” (through aid of occult means and magic) to achieve whatever goal one has. And here is Jay-Z, aka Jay-Hova, wearing a shirt that is a tribute

to Crowley:

West continues in the song:

Two tattoos, one read “No Apologies”

The other said “Love is cursed by monogamy”

That’s somethin’ that the pastor don’t preach

As is the case with a person who denies God, there is no repentance (“no apologies”). This message is being blasted into the audience of pop culture today with phrases like “You Only Live Once” (or “Yolo”), “We’re Gonna Die Young!” and other mottos designed to encourage a life of seeking pleasure, rejecting authority and having

no concern for an afterlife. Artists like Kanye West are able to send this message through their demonically-inspired lyrics and constant promotion of their material

success – riding in luxury cars, wearing designer clothes and endlessly bragging about the millions of dollars they have made. And this is all a satanic deception. The Bible prophesied that society would be led from God and into rebellion as we approach the end times:

This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away. – 2 Timothy 3:1-5.

This passage sums up the constant message being pumped out of hip hop culture and pop music perfectly. **Like Kanye West, people have focused on self-love and vanity and reckless disregard for consequences of their action. West’s music is an extreme form of being a “lover of pleasure more than lover of God.”** And Scripture is clear that we are to avoid this type of influence.

<<West, driving a \$1.7M Mercedes Benz, he has no trouble attracting the attention of his adoring followers.

Certainly millions of women (and men) have been captivated by the “spell” of Jay-Z, Kanye West and Jay-Z’s protégé, [Rihanna](#). Across the planet millions of fans literally idolize these artists, plastering their walls with their image, listening to their music daily, following their social network updates and passionately promoting and

defending their false gods on the web. All based on their desire to be these artists and live the lavish lifestyle constantly bragged about on their records.

2 Timothy 3:7: “Ever learning, and never able to come to the knowledge of the truth.”

This verse says that those in rebellion (like Kanye West) are “ever learning, and never able to come to the knowledge of the truth.” The occult is all based on the acquisition of “secret knowledge.” In fact, the word “occult” means “secret.” From the Garden of Eden, Satan was able to tempt Eve into sin by offering hidden wisdom – by implying that God was withholding the true purpose of the fruit of the forbidden tree – that it could make her a “god.” And Satan’s strategy has not changed today as those in the occult, New Age movement or other similar doctrine, seek to reach higher levels or degrees in their quest for the ultimate secret or acquisition of immortality and godhood. But in all their learning, they fail to come to the real truth: there is only one Godhead and there is only one way to salvation: Jesus Christ.

See Scott Johnson’s Teaching: [True Salvation](#)

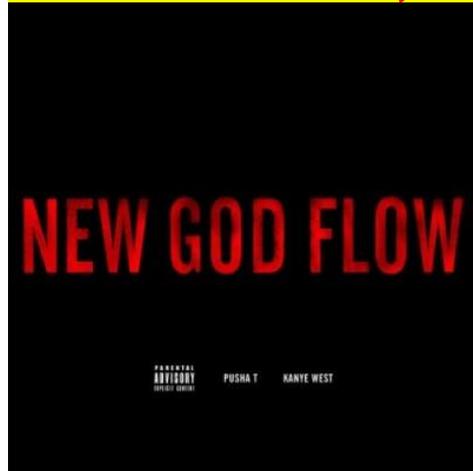

The information of the mystery schools was provided by fallen angels, devils & demons. Meanwhile the occultist foolishly ignores the Creator of all, the God of the Bible (the real Jehovah).

“Now as Jannes and Jambres withstood Moses, so do these also resist the truth: men of corrupt minds, reprobate concerning the faith.”

Jannes and Jambres were the two Egyptian sorcerers who had a duel of supernatural feats with Moses in the book of Exodus. Moses, sent by God to confront the Pharaoh of Egypt and demand the release of the then-enslaved Israelites, was empowered by God to perform miracles before the Egyptian King.

The sorcerers (Jannes and Jambres) thought they could equal God's power because they were high level sorcerers. But the serpents they created were consumed by the serpent of Moses and Aaron. **Recall that Crowley had his first demonic encounter in Egypt, which was the centerpiece of the ancient world of satanic, occult magic.**

Today, those who promote the occult and Crowley's anti-Christian philosophy still seek to contend with God and anyone who promotes faith in Jesus Christ.

<<The album cover for Kanye's song where he once again compares himself to God.

In 2012, Kanye also released a song called **“New God Flow”** again referencing himself as god. Here are some of the lyrics from the song:

Welcome to Sunday service if you hope to someday serve us...

Did Moses not part the water with the cane?

Did strippers not make an ark when I made it rain?

Once again, **Kanye asserts himself as being on the level of Biblical figures by comparing his throwing money at strippers (“making it rain”) to Moses parting the Red Sea at the Exodus and**

The Lord bringing the flood in the days of Noah.

West then mocks Christian prayer (which is done in the name of Jesus) to promote his own success. Those who continually challenge, mock and disrespect The Lord are only bringing more of God's just wrath down upon them.

And yet, millions of people all over the world are singing these lyrics every day, pulling their hearts deeper into sinful rebellion. And all of this is a part of Satan's plan. Because the Devil seeks to usurp The Lord and copy Him in every way, he is preparing the world for his own “seed” to rule over the masses: the Antichrist.

Why The Name Of Jesus Must Be Attacked

Satan knows the real truth of God and eternal life are here.

And she shall bring forth a son, and thou shalt call his name **JESUS: for he shall save his people from their sins. – Matthew 1:21.**

But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name.. – John 1:12.

But these are written, **that ye might**

believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name. – [John 20:31](#).

Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved. – [Acts 4:12](#).

Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father. – [Philippians 2:9-11](#).

These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God. – [1 John 5:13](#).

The most exalted name on Earth is the name of The Lord Jesus Christ. And this is the only name that can be called on for salvation. There is no other name that one can believe in to avoid hell and the lake of fire for eternity. This is why it is critical to Satan to get society to reject His name. Because Satan wants people to either worship him or burn in the lake of fire with him after he is permanently punished by God.

The enemies of Christianity (Satan and his fallen angels) know the power of the name of Jesus and will do whatever they can to lead the hearts and minds of society away from it. [2 Corinthians 4](#) says: “But if our gospel be hid, it is hid to them that are lost: In whom the god of this world [Satan] hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.” Satan is working to blind the minds of people and pop culture has provided an easy avenue to influence people to reject God and embrace sin and worldly pleasure.

If you are not a born again Christian, understand that there is a war taking place. And your soul is the prize. There is a reason rappers are not just writing about cars and money but are also attacking Christianity – because there is a spiritual agenda behind them. Make the right choice and instead of dancing to blasphemy, pray for forgiveness of your own sins and receive eternal life through the name of Jesus Christ, the True Savior and God in the flesh.

“Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven. But whosoever shall deny me before men, him will I also deny before my Father which is in heaven.” – [Jesus Christ, Matthew 10:32-33](#).

Celebs are now Falling for an Even More Sinister 'Religion' than Scientology - Introducing the Satanic Sex Cult known as the Ordo Templi Orientis (AKA the OTO) Attracting Hollywood Stars

By [Richard Price](#)--21 April 2013

Taken at face value it was an innocent enough remark, encouraging friends to explore 'a belief system to apply to day-to-day life to attain peacefulness'.

But when Peaches Geldof chose to share her 'religious' convictions with her 148,000 followers on Twitter, it lifted the lid on a much more sinister world than first impressions would suggest.

The 24 year old socialite is a devotee of Ordo Templi Orientis, known as OTO, and even has the initials tattooed on her left forearm.

Peaches Geldof has an 'OTO' tattoo (left) which is an acronym for the Ordo Templi Orientis

The OTO was founded by the infamous Aleister Crowley.

Crowley, who was born into an upper-class British family in 1875, styled himself as 'the Great Beast 666'. He was an unabashed occultist who, prior to his death in 1947, revelled in his infamy as 'the wickedest man in the world'.

His form of worship involved sadomasochistic sex rituals with men, women & children, spells which he claimed could raise malevolent gods and the use of hard drugs, including opium, cocaine, heroin and mescaline.

Crowley's motto — perpetuated by OTO — was 'do what thou wilt'. And it is this individualistic approach that has led to a lasting fascination among artists and celebrities, of whom Peaches is the latest in a long line.

Led Zeppelin's Jimmy Page, for example, routinely took part in occult magical rituals and was so intrigued by Crowley he bought his former home, Boleskine House, on the shores of Loch Ness in Scotland.

And there are now OTO lodges scattered around the country, practising the same ceremonial rituals and spreading the word of Crowley.

While membership is secret, Peaches is said to have been initiated into it, raising the prospect that many of her impressionable fans could try to do the same.

Converts: Rapper Jay-Z (left) and Led Zeppelin guitarist Jimmy Page are believed to be involved with OTO

When one of her Twitter followers asked how she could find out more about Thelema, another word for Crowley's teachings, Peaches directed her to read his books, which she described as 'super interesting'.

Other celebrities linked to OTO include the rapper Jay-Z, who has repeatedly purloined imagery and quotations from Crowley's work.

Whether wearing a T-shirt emblazoned with 'Do what thou wilt' or hiring Rihanna to hold aloft a flaming torch in his music videos (a reference to the Illuminati, a secret society whose name derives itself from Lucifer, or 'light bringer'), he has given the sect priceless publicity.

His clothing line, Rocawear, is shot through with OTO imagery such as the 'all seeing eye' in a triangle, the 'eye of Horus' (an ancient Egyptian symbol frequently referenced in occult texts) and the head of Baphomet (AKA the Goat of Mendes).

Yet OTO is much more than a marketing opportunity for attention-seeking celebs. It is a living religion, with adherents still practising occult rituals set out by Crowley in his books.

<<Malevolent: OTO was set up by Aleister Crowley

According to adherents of OTO it takes years of study before you can begin to understand what the religion is about — much like the equally controversial Church of Scientology.

A former FBI agent, Ted Gundersen, who investigated Satanic circles in LA, found that Crowley's teachings about 'raising demons to do one's bidding' required human sacrifice, preferably 'an intelligent young boy'.

Ex-Satanist Details Illuminati Spiritual Plan

December 28, 2012

<<(simulation of a earth Portal from a Stargate)

The goal of Satanists is to eventually have demonic spirits materialize in the guise of benevolent beings. According to a former Illuminati member they will use rituals, dimension portals and blood sacrifice to make this happen.

Marcos writes: Why would the elite spend hundreds of years studying these rituals, gematria, numerology, etc? Why do some spend their whole lives studying this garbage? If it didn't work at all, they would just get tired of it and go spend their millions in Monaco.

Many witnesses say spirits really appear. I personally know people who have seen and even talked to them. Many of these witnesses are very down-to-earth people (a software engineer for example).

We live in world where people worship a

wall where water has formed an image of Mary or a piece of toast with the face of the false Jesus.

I wonder what would happen if spiritual apparitions became commonplace.

People will need another explanation apart from the one given by the media.

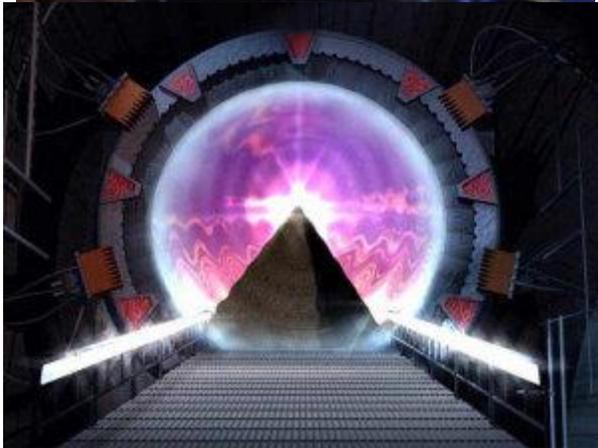

A recurring theme in TV and movies is the concept of portals that send travelers from one dimension or universe to another.

For example, "Stargate" presented this concept as well as aliens and spiritual ascension. Even the Smurfs wait for a specific celestial alignment in order to open a portal to our world.

A book, *Rastros do Oculto*, from Brazilian author, Daniel Mastral, may explain the recurrence of this theme in the media. Mastral used to be a high ranking Satanist, bred specifically to lead the group in Brazil, but instead he turned to Christ and became an evangelical. In the book, he states that occultism, magick and Satanism seek the opening of portals and communication with evil fallen angels, or demons.

This accumulated esoteric knowledge of the ages was passed down by demons in the form of rituals, in order to open these portals and alienate people from God, assuring their damnation. Misery likes company.

Comment: Knowing this is the case, it is a virtual guarantee Satan and his minions do not want you knowing this information.

2 Cor. 2:11 Lest Satan should get an advantage of us: for we are not ignorant of his devices.

1Ti 1:18 This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightest war a good warfare;

2Cr 10:3 For though we walk in the flesh, we do not war after the flesh:

2Cr 10:4 (For the weapons of our warfare [are] not carnal, but mighty through God to the pulling down of strong holds;)

2Cr 10:5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

2Cr 10:6 And having in a readiness to revenge all disobedience, when your obedience is fulfilled.

Eph 6:10 Finally, my brethren, be strong in the Lord, and in the power of his might.

Eph 6:11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high [places].

The previously mentioned author tells us that in Ancient Egypt, Satan promised an alliance to a few. These people, who became the Mystery School members, are known as the Brotherhood of the "Children of the Fire". According to Mastral, there are two kinds of portals: portals to the body and portals to Earth.

Portals to the body allow demons to interact and control humans.

The most basic ritual is channeling, where a medium lets a spirit talk through his mouth, dispensing counseling and commands.

Blood sacrifices, symbols, music, drugs and special meditation permit a higher level of demonic attachment and consequently, more spiritual powers to the follower.

These powers are the classic occult tricks of divination, telepathy (in fact messages delivered by demons), creation of fire, telekinesis, etc. These are not enhancements on the individual, but merely deeds done by spirits to look like the person has "evolved".

Much of the doctrine of chakras and the awakening of the kundalini spirit (total demonization) is in truth opening of bodily portals to demons.

More advanced followers can leave their bodies and perform astral projection, where they move around in their spirits, while their bodies are resting. In this condition, they can also visit and interact with demonic spirits.

The whole hierarchy in Satanism depends on power and the level of the demon who is "residing" with the person, his protector. Usually people with long family ties with the occult have the most powerful demons by their sides. Strong demons can indeed inflict disease and create accidents, and fights among Satanists are common.

Portals to Earth are more complicated. According to Mastral, reality is comprised of nine dimensions which overlap in space but are separated in practice.

He gives us the metaphor of an elevator. **Spirits from more elevated dimensions can go down to lower floors, but no one can go up.**

We live in the fourth dimension. **Below us there are several powerful demons who have been imprisoned by God as judgment.**

1 Pet. 3:18 For Christ also hath once suffered for sins, the just for the unjust, that he might bring us to God, being put to death in the flesh, **but quickened by the Spirit:**

1 Pet. 3:19 **By which also he went and preached unto the spirits in prison;**

1 Pet. 3:20 **Which sometime were disobedient, when once the longsuffering of God waited in the days of Noah, while the ark was a preparing, wherein few, that is, eight souls were saved by water.**

Jud 1:6 **And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.**

Jud 1:7 **Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.**

Lucifer is the only evil spirit to visit the ninth and highest plane.

Job 1:6 **Now there was a day when the sons of God came to present themselves before the LORD, and Satan came also among them.**

Job 1:7 **And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it.**

Some portals are temporary and some (the most important ones) are permanent.

Temporary portals depend on exact timing and special alignment of the dimensions, and this knowledge is beyond our science or perception.

That's why occultists obsess with numerology, gematria and astrology; for these are the tools that allow the calculations to be performed in order to profit from the portals to contact high level spirits.

Evil spirits cannot arbitrarily manifest in the middle of Fifth Avenue. They need the strong energy created in blood rituals in order to materialize. But once the ritual ends, they must go. More stable contact can only be achieved through portals.

Permanent portals are the main objective of Satanists (they like to be called children of Lucifer, with stress in the last syllable).

According to Mastral, there are 90 of them, and 72 have been opened by the turn of the century; nine more had been opened by 2006 and **the last the last nine are scheduled to be opened by 2013.** The exact conditions for the openings of these portals are known only to few witches of the highest rank. **We can expect that they require huge amounts of human sacrifice and psychic energy.**

Bentley's Kundalini Calling to Open the Stargates for Satan

June 29th, 2008 by Dr. Scott Johnson

On 6/23/08 C. Peter Wagner brought about 25 of his 'apostles' to the Lakeland revival for the purpose of endorsing, anointing & 'commissioning' Todd Bentley and to proclaim him as the number one revivalist of the century! The only thing missing was a crown. He

was called as 'God's' number one man of the hour. Bob Jones (Todd Bentley's spiritual 'portal to the Third Heaven' mentor) sent 'a word' that 'the poison' against Todd Bentley would end last night. Yet one more false prophecy in the books that will be quickly, collectively forgotten by the Charismatics. One of the 'apostles' prophesied that God has called Bentley to open the 'Portals' (magical stargates to the 'Third Heavens') in every city around the world. One of their main stated goals of this movement is the opening of the 'Northern Star Gate to the Nations'. We will be talking about this concept at length in this teaching.. And who will ever forget Stacy Campbell's devil manifesting her powerful Kundalini spirit to prophesy over Todd and lay her hand on his stomach to impart the Kundalini serpent devils to him? CHARISMA Magazine | 6/24/08 | Leaders Commission Todd Bentley at 'Lakeland Outpouring'... The special service was billed by leaders as one of the greatest moments in revival history. 'C. Peter Wagner said to Bentley on the platform: 'This commissioning represents a powerful spiritual transaction taking place in the invisible world.'

Breaking Current Events – Todd Bentley's False Revival Shutdown

Biblically Exposing & Fighting New Age Witchcraft

November 25th, 2007 by Dr. Scott Johnson

This teaching is a unique one regarding an email I received recently from a high level new-age witch. In this teaching we are going to be looking at some of Satan's devices and why he still is the "most subtle beast of the field" (See Genesis 3:1). New agers are well aware of the coming false-Christ and they are openly using mass witchcraft to usher in his presence. In conjunction with this (in order to deceive their duped followers) they are boasting many miracles, "deep healings" & supernatural manifestations; all these could easily Biblically fall under the 'signs and lying wonders' category that the Bible says will be a main characteristic of the 'End Times'.

These New Age witches (previously like Aleister Crowley (The 666 or Great Beast), L. Ron Hubbard (The inventor of Scientology), etc. are trying to open demonic doorways (they call portals/vortexes/stargates) in order defile humanity and this world we live in. This is one of the Spiritual battles that all Christians are called to. This is a real battle that we as Christians need to take the offensive on and persevere. Part two will cover how this teaching relates to Lord Maitreya.

Back to the main report:

A great honor given to a Satanists is to be able to pass through one of these portals and meet demonic powers in their "home turf". In this process, there is a temporal shift, with minutes on Earth meaning hours in the other plane (much like what happens in "alien" abductions).

The opening of these portals is the reason we have seen (since the 1950s) so many spiritual manifestations such as UFOs, light orbs and apparitions, sometimes in plain daylight.

Satan's hope is that with the opening of the last portals, powerful demons from lower dimensions will be able to come to earth and eventually, interact with humankind. They will not present themselves as demons, but as benevolent aliens and evolved spirits of light.

Mastral tell us that some human individuals are indeed empowered by changes in their DNA. This can happen in three ways: 1) demonic sexual spirits (incubus and succubus) can transport reproductive fluids among humans; 2) a demon possessed man can fertilize a woman, or, 3) very rarely, a couple can pass through a portal and have intercourse on the other side.

In all cases, **the evil energy affects the embryo's DNA in a way that makes it easier for the individual to interact with spirits and be a channel for more powerful psychic powers.** Normal people can't stand perfect possession from high level demons, the body would die, and that's why channelers are always exhausted after a "session".

The Satanists' goal is to eventually perfect a human who can stand a complete possession from a very high demon and exhibit powers never seen on Earth. This person may even exist today, and he will be the antichrist.

Mastral's explanations match what we know about Satanism and Mystery Schools.

Even if you don't believe in this weird spiritual reality, **you should be very concerned that our globalist elite does, and that they require human blood for their plans.**

We live in the age of **Alice Bailey's *Externalization of the Hierarchy*, when centuries-old occult secrets will be revealed.**

Comment: If you do a keyword search for Alice Bailey on Maitreya's website you get:

<http://www.googlesyndicatedsearch.com/u/shareinternational?q=Alice+Bailey&sa=GO>

The bad guys know that we know what they are doing, and we should expect open war soon. However, this is primarily not a physical war; it is a spiritual one: we have God on our side and his holy angels to protect us. Mastral himself decided to leave the group when he faced the fact that demons could not touch true Christians.

Satan knows he will be defeated, and wants to take as many as he can with him, while deceiving them with the promise of victory over God.

Ultimately, we have to remember Jesus' words: *I am the Way, the Truth and the Life, no man cometh unto the Father but by Me*". God has given us a "portal" to a higher dimension through His Son the Lord Jesus Christ.

Fortunately, no rituals or slavery from our part is required to reach Jesus. That's the secret Satan doesn't want us to know.

Hbr 4:14 Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast [our] profession.

Hbr 4:15 For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as [we are, yet] without sin.

Hbr 4:16 Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.

Rom 8:34 [It is] Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us.

Rom 8:35 Who shall separate us from the love of Christ? [shall] tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?

Rom 8:37 Nay, in all these things we are more than conquerors through him that loved us.

Rom 8:38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,

Rom 8:39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

The pagan sun-god was born on December 25. Notice the round halo or nimbus and the glow of Santa's Holy Day.

Halo's / Nimbus - SANTA Claus - Nimrod - Semiramis - Tammuz - The Babylonian Mystery Religion and Sun-god Worship Exposed

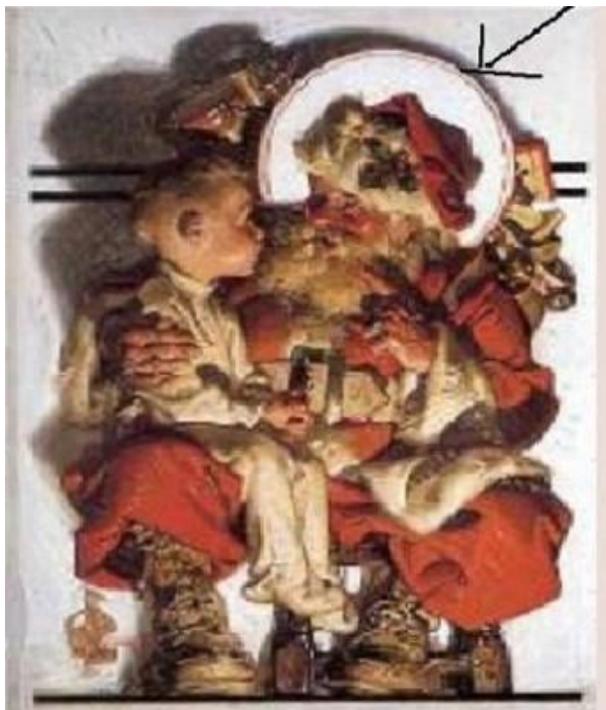

"the symbolism of the nimbus or halo was early in use among the pagans who determined its form. In the monuments of Hellenic and Roman art, the heads of the gods, heroes, and other distinguished persons are often found with a disc-shaped halo, a circle of light, or a rayed-fillet. They are, therefore, associated especially with gods and creatures such as

the Phoenix. The disc of light is likewise used in the Pompeian wall paintings to typify gods and demigods only. The custom of the Egyptian and Syrian kings (of having themselves represented with a rayed crown to indicate the status of demigods) spread throughout the East and the West. In Rome the halo was first used only for deceased emperors as a sign of celestial bliss, but afterwards living rulers also were given the rayed crown."

--Catholic Encyclopedia

SANTA – Claus and Sun-god Worship

"The nimbus (radiant light) or HALO around many of the ancient gods and goddesses originated in SUN worship." The NIMBUS or HALO was..originally indicative of SOLAR power and the SUN'S DISK is hence an attribute of SUN-GODS. --J.C. Cooper's Illustrated Encyclopedia of Traditional Symbols, p.112

"The adoption of the nimbus surrounding the heads or entire bodies of the Christian saints was a clear case of borrowing from the Orient, because from time immemorial the nimbus has been used there to signify spiritual ecstasy, as exemplified in large numbers of Buddhist images."

-- Encyclopedic Theosophical Glossary by Theosophical University Press

"Since the most ancient times, the sun has been a favorite "god" or god symbol of pagan people all around the world. The Babylonians, Persians, Egyptians, Greeks, and Romans all had their sun gods. The native peoples of North and South America widely practiced sun worship, as did their Asian ancestors. Sun worship was also widely practiced by the people of the Middle East,

and even the Israelites were sometimes corrupted by it: The Pagan Europeans too were deeply involved in sun worship, and many of their sun-god festivals were carried over when they professed conversion to Christianity. These can still be seen today in the Easter bonfire and sunrise services, and the Christmas burning of the Yule log."

-Sun Worship by Wayne Blank

"The heads of Saints didn't really glow as is so often portrayed in religious art. The use of the halo, or nimbus, originated with the pagan Greeks and Romans to represent their sun god, Helios. Later artists adopted it for use in Christian images." "Originally a very devious way of mixing idolatrous sun worship with Christianity (by converts who were not all that converted) the pagan halo became an unfortunate tradition in Christian art."-Sun Worship by Wayne Blank

"The birthday of the sun-god Mithra was December 25. Instead of opposing this idolatry, the Catholic church literally made up the idea that December 25 was Christ's birthday,

and celebrated the pagan holiday with a new name, "Christmas."

-Christmas; a Biblical Perspective by D. Fish

The First man to declare himself a god was Nimrod. His mother, Semiramis, declared herself to be "The Mother of god". Together with their son, Tammuz, they replaced the worship of Jehovah God, with a Triune - "false trinity" mystery god. Since Tammuz married his own mother - he blasphemously proclaimed himself both - "god - the Father" and "god - the son".

When the people's language was confused in Babel, they took with them the religion of Nimrod and spread it all over the earth.

Every pagan god and goddess has received some aspect of Nimrod & Semiramis worship and devotion. All the pagan sun-gods of the world claim to have been born on December 25th. When you honor and adore the "Baby Jesus" on December 25th, you have been duped into giving the pagan sun-gods of the world - honor, attention, and worship - without even knowing it.

"December 25....a festival was celebrated among the heathen, at that precise time of the year, in honour of the birth of the son of the Babylonian queen of heaven...the sun-god Nimrod...the same festival was adopted by the Roman Church, giving it the name of Christ."--The Two Babylons by Alexander Hislop

"December 25th - Instead of this day being the time of our Saviour's birth, it was the very day and season on which the pagans for centuries had celebrated the birth of the Sun-god. A study into this shows how far apostate church leaders went in their effort to merge Christianity and paganism into one apostate religion - even to placing the birth of Christ on a date to harmonize with the pagan birthday celebration of the sun-god. It was in the FIFTH Century that the Roman Catholic Church commanded that the birth of Christ be observed forever on December 25 - the day of the old Roman feast of the birth of Sol (one of the names of the sun-god).-- [Encyclopedia Americana, Vol. 6, p.623]

"The winter solstice (around Dec 25) was the time at which all the sun-gods from Osiris to Jupiter and Mithra had celebrated their (birthdays), the celebration being adorned with the pine tree of Adonis, the Holly of Saturn, and the Mistletoe tappers represented the kindling of the newborn sun-god's fire..."--[Man and His Gods, p.2013].

Actually there are many links between Christmas and sun-god worship. The most obvious link is the date itself. We also know that the Bible says that Jesus was born during a warm month, when the sheep and their shepherds were still spending the nights outdoors. We also know - that could not have been in December, because that time of year was too cold and rainy. History reports that back then, and even now, the sheep in the area of Bethlehen and Jerusalem, are kept indoors at night, after the month of October.

"In early Christian art the nimbus (halo) was NOT found on any images of God nor on any celestial beings."--Catholic Encyclopedia

"The real secret of Constantine and the bishops of Rome is their cunning introduction of sun worship and paganism into Christianity. It was done so shrewdly that, incredibly, it has been veiled within the faith for centuries. Through Constantine, paganism and Christianity joined hands in the Roman Empire. Sun worship, which appears in nearly every pagan religion in the world, soon appeared in Christian art, imagery, and theology. The halo often seen on Christ and Mary is actually a symbol of sun worship." --Beyond The Da Vinci Code by Alan Parker, Th.D

Mother and Child Worship

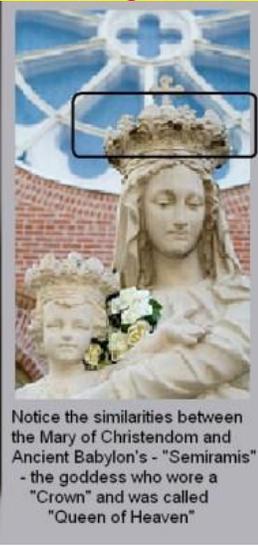

"Nimrod of Ancient Babylon - was the first human, to claim that he was a god. His mother, Semiramis claimed to be The Mother of God. Nimrod was born on December 25th, and since all other sun-gods were fashioned after him - the answer is obvious. Semiramis and Tammuz were worshipped as "Madonna and child." And as the generations passed, they were worshipped under other names in different countries and languages. Many of these are recognizable: Fortuna and Jupiter in Rome; Aphrodite and Adonis in Greece and Ashtoreth/Astarte and Molech/Baal in Canaan."

--Syncretismas! by Martin G. Collins--Forerunner, December 1995

"In his deified form, Nimrod the Sun god is known as Baal. Mythology reveals the fact that the god Baal, and the goddess, the queen of heaven, were universally

worshiped under various names and titles. History confirms, that Nimrod, and his wife, Semiramis, were the prototypes for all gods and goddesses that permeated all subsequent cultures and societies."--World Religions by David Terrell

"When Nimrod was a young boy, his mother, Semiramis, desired him, and in fact, ended up marrying him. When Nimrod died, and was made the sun god, Semiramis then had

an illegitimate son called Tammuz, who she claimed to be the son of Nimrod. Semiramis also declared that her son, Tammuz, was in actuality the return or rebirth of her husband, Nimrod."--

World Religions by David Terrell

"Tammuz became symbolized by the golden calf. Semiramis became known as the "queen of heaven," and was the prototype from which all other pagan goddesses came."--World Religions by David Terrell

"By history we can prove that Babylonian religion invaded the whole world and is the basis for every system of idolatry, and is the theme of mythology; though the names of the gods are different because of the various languages in the world. The world's major religions can be traced back to ancient Babylon. Satan is known as the father of lies which deceiveth the whole world (Genesis 3:1, John 8:44, Revelation 12:9), and Nimrod was the human "father" of all false religion."

--World Religions by David Terrell

"The logical person to replace the Great Mother of paganism was Mary, the mother of Jesus. It mattered not to pagan Rome whether they worshiped the goddess mother and her child under the Egyptian names of Isis and Horus, or the Babylonian names of Semiramis and Tammuz, or the Roman names of Venus and Jupiter, or under the names of the "Virgin Mary" and the "Christ-child.". Either way, it was the same old idol-religion."--Baal-mas--Where did Christmas Come from? Tom Adams

"The 'Christianization' of Pagan Customs, Symbols, and Terminology — Christianity had to undergo a transformation so that pagan Rome could "convert" without giving up its old beliefs and rituals. The actual effect was to paganize official Christianity. A compound religion had been manufactured, of which ... Christianity furnished the nomenclature, and Paganism furnished the doctrines and the rights. The idolatry of the Roman world had by no means been demolished. Instead of this, its pagan nakedness had been covered with the garb of a deformed Christianity."

--Vine, W.E, Gospel Tract Publications--The Collected Writings of W.E. Vine, Volume 5. Glasgow, Scotland, 1986, pp.436-439.

"After Nimrod's death (c. 2167 BC), Semiramis promoted the belief that he was a god. She claimed that she saw a full-grown evergreen tree spring out of the roots of a dead tree stump (the Yule Log) , symbolizing the springing forth of new life for Nimrod. On the anniversary of his birth (Dec 25), she said, Nimrod would visit the evergreen tree and leave gifts under it. His birthday fell on the winter solstice at the end of December."Syncretismas! by Martin G. Collins Forerunner, December 1995
God's Viewpoint of Compromise with pagan gods:

"Put away the strange gods that are among you, and be clean"(Gen. 35:2)

"Inquire not after their gods, saying, How do these nations serve their gods?

...You shall not do so unto Jehovah your God"(Deut. 12:30-31).

"Learn not the way of the heathen" (Jer. 10:2).

"And take heed, lest you lift your eyes to heaven, and when you see the SUN, and the moon, and the stars, even all the host of heaven, shouldest be driven to WORSHIP them, and serve them..."(Deut. 4:19).

Hi Dr. Johnson, **Will the silver protein work on some pre-cancerous looking places on my skin? Direct application?**

Thanks, John

My Response: Yes possibly but for the best product for any skin cancer or growth see: <http://www.lifelinewater.com/herb.html> This stuff is extremely potent when applied topically. Usually only one dose is needed.

From: Debi

Subject: [Contending for Truth:] foot fungus

Do you know of anything that will cure fungus in the toenails? I would greatly appreciate any help you may have.

Thanks, Debi

My Response: Yes you would apply the 5000ppm Mild Silver Protein directly over the nail fungus area twice a day, until the fungus is gone. It would also be helpful to take at least 30 drops by mouth once a day as well. See the attachments. God bless! Dr. J.

Mild Silver Protein Website: www.dr-johnson.com

From my newsletter we read:

Fatigue, Yeast/Candida, Antibiotics and Mild Silver Protein (Updated)

In this issue I am posting information from a book entitled "Beyond Antibiotics". This information does an excellent job of dealing with the subject of Antibiotics. If you break

down the word "Antibiotics", Anti means "against" and Biotic means "life". So the word "antibiotic" is defined as a substance against life. This fact by itself should raise a red flag in regard to their use. Not to say they are never needed, but as I have always stated: "You cannot drug your body into good health". As far as a natural product for boosting the immune system and dealing with yeast/Candida infections, my top recommendation is the Invive Mild Silver Protein (see below). This should be followed by a cycle of probiotics to replenish the beneficial bacteria in the intestinal tract (**Only buy refrigerated probiotics from a health food store). If our society would reach for products like these at the onset of a cold, flu or yeast infection, we would find ourselves far healthier and rarely in need of antibiotics. **Candida/yeast overgrowth is very prevalent in our society in men and women.** A yeast/candida overgrowth problem is not just a "female issue", as most people have a high amount of Candida/yeast colonies in their blood stream **due to excess carbohydrate and/or alcohol consumption.** This can easily be clinically verified through dark field microscopy. One of the main signs of candida/ yeast overgrowth is **fatigue**, as these colonies consume carbohydrates and alcohol as their primary, preferred fuel source. **Most of the time a person who craves excessive carbohydrates or alcohol is doing so based on the hunger drive of their internal candida/yeast colonies.** In this way a candida/yeast overgrowth problem is much like having a microscopic parasite problem throughout their whole body. **The Mild Silver Protein is the most effective product I have ever seen at eradicating candida/yeast overgrowth in the body.** It is so effective that one should start slow when using this product (See below). Until next time!--Dr. Johnson

Mild Silver Protein-Candida/Yeast Protocols:

CANDIDA / YEAST

2000 ppm, for **non-chronic Candida/Yeast** (under 6 months)

5000 ppm for **chronic Candida/Yeast** (over 6 months)

CANDIDA ALBICANS/YEAST OVERGROWTH, SYSTEMIC: Invive is so effective for systemic Candida that the "die off initial doses are too high, will produce "die off" symptoms. Start slow (research indicates) 1.25 ml (or 1/4 tsp.) to 2.5 ml (or 1/2 tsp.) of Mild Silver Protein for 5 to 7 days, then 2.5 ml (or 1/2 tsp.) - 5 ml (1 tsp.) for 7 days then 10 ml (or 2 tsp.) per day until asymptomatic. Dosage should be split up if possible and **each dosage should be held in the mouth for 1-2 minute for maximal absorption.**

*(When using the above protocol, most patients can consume fruits without harm **but avoid refined/high carbohydrate consumption & alcohol as these substances will feed a Candida/Yeast infection**)

** Also See Below: "**Start up dosage if a high amount of infection or yeast is suspected**"

Candida/Yeast Overgrowth of the Mouth (which usually manifests as a white coated tongue) Invive 2000ppm - 2 tsp. per day in 3 oz water, used as a "mouthwash" and then swallowed.

Candida/Yeast Overgrowth on the Skin (which usually manifests as a white spots on the skin) Ag-Cream - apply topically, where needed, b.i.d.

++To make the AG Cream (AKA Silver Cream) get some Aloe Vera gel and add drops of the 5,000 ppm silver to the gel to the point just before it starts to liquefy.

For more information or to order go to: www.dr-johnson.com

++ It also important to take a good refrigerated probiotic to recolonize your intestinal tract with good bacteria that will compete with Candida. You can find these at virtually any health food store. **Take on an empty stomach away from the Invive silver.** This should be the only other product you would need (beside the Invive silver) to deal with **Candida/yeast/white spots on the skin.**

Start up dosage if a high amount of infection or yeast is suspected:

Mild Silver Protein (5000 - 1100 PPM): This product does not taste good but it is vitally necessary for your success. To help the taste one drop of Peppermint Oil can be applied to your tongue prior to dosing the silver. I recommend 'Now Organic Peppermint Oil' which you can easily find online. You need to hold each dosage of silver under the tongue/cheeks for at least one minute (preferably 2-3 minutes). This gets it into your blood stream. There is some information you need to know on the label but initially follow the dosage I recommend on this sheet. Also remember that this product will leave a film on your teeth that can easily be dealt with by brushing your teeth after you have swallowed a given dosage. Important: Start by taking 1-2 drops of the mild silver protein under the tongue twice per day. If you feel alright, double the dose the next day. Keep doubling the dosage until you are at 1/2 tsp twice a day. The reason you need to do this is if you have a problem with Yeast/Candida; which is a high likelihood in most cases. Remember you may feel worse before you get better. That is quite common and part of the healing process. Because the Mild Silver Protein is so effective against yeast infections; one can only start out at the following dosage "if" one has a systemic (full blown/rampant) Yeast/Candida infection: If you are unsure play it safe and start with the dosages below:

1st day- 1-2 (drops) twice a day

2nd day- 4 (drops) twice a day

3rd day- 8 (drops) twice a day

4th day- 16 (drops) twice a day

5th day- 1/4 tsp. twice a day

6th day- 1/2 tsp. twice a day

Maintain this dosage for 3-4 more days and then go to a maintenance dosage of 10-15 drops per day.

If at anytime (during the 6 days mentioned above) one starts having extreme flu-like symptoms, (which is due to the healing crisis of toxins given off by the dying bacteria (NOT by the silver): One must hold at the above dosage and not move onto the next level until the flu-like/detoxification symptoms are gone. The proof is: Give this silver to a healthy person and nothing (as far as symptoms) will occur.
