**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

## The UN Plot to Confiscate American Guns

17 Jul, 2014 by [Dave Hodges](#)

The evidence is mounting that Obama and his colleagues at the United Nations are preparing for complete gun confiscation of civilian owned American guns. There is a new document, previously held secret, which has surfaced and clearly signals the intention of the United Nations to engage in gun confiscation in the relatively near future. The document is a smoking gun, however, the existence of the document is not even needed to prove the point that there is a major confrontation, brewing between the American people and an international peace-keeping UN force, right around the corner.

The following is a smoking gun document that presents seven sequential steps designed to culminate in the total disarmament of the American nation. For those of

you that know your history, **you will note that there were 17 genocides in the 20th Century and in each case, these genocides were preceded by gun confiscation by the host government.**

According to the [Democide Project](#) located at the University of Hawaii, **governments have killed far more people, an estimated 260 million victims, than even war. History shows that if we ever allow government, the UN, or the U.S., to ever be able to seize our guns, we are signing our death warrant!**

**The following document is a declaration of war against the United States people.**

For those who find the document to be on the blurry side, see the Appendix to view a clearer copy.

United Nations Office for Disarmament Affairs

Disarmament Commission – Civilian Weapons Confiscation Study Group

New York, 29-31 July 2013

The issue of military grade weaponry in the hands of civilians looms ever larger in the face of the global implementation of 22/Agenda 21 by member nations. In particular, the United States of America has an estimated 500 million weapons in the hands of its civilian population. **This is not just a static problem, it is a massive dynamic problem for the process of confiscation as there will be those who refuse to surrender their firearms.**

The conclusion of discussions by the CWCSG led to the adoption of a proposed agenda to begin the process for introducing to member nations a framework by which they can begin codification of national laws to disarm civilians within their borders through a graduated process.

Within the discussion framework, we have identified several problem areas that must be addressed, they are:

1. Classification of military grade weapons to be made illegal for possession.
2. Creation of programs to provide reasonable compensation for voluntary surrender of said arms.
3. Codification of laws to begin the restricting and strict licensing of concealable firearms.
4. Codification of laws to begin the restricting and strict licensing of hunting grade firearms.
5. Codification of laws to restrict the sale of and possession of ammunition and components to manufacture ammunition.
6. Finally, codification of laws to completely makes any and all firearms illegal to own, possess or use outside of military and law enforcement usage.
7. Creation of a United Nations Police Taskforce with the specific mission of assisting member nations with the collection of weaponry from civilian hands.

The CWCSG will submit its findings and final recommendations once we have created the codification framework for member nations for a full review by the Office of the Secretary General.

The UN and its cohorts are accomplishing steps 1-5. They are now working on steps 6 and 7 which would constitute complete disarmament of the American people.

If one examines the first five steps of the plot, it is easy to ascertain the pattern of gun confiscation that Obama has attempted to follow. **I do not believe that Obama has to completely implement steps 1-5 before moving to enforce steps 6 and 7.** Therefore, even though Obama has not completely implemented the first five steps across the country, he has done enough to usher in Steps 6 and 7 in this United Nations disarmament plan. Again steps 6 and 7 are:

**6. Finally, codification of laws to completely makes any and all firearms illegal to own, possess or use outside of military and law enforcement usage.**

**7. Creation of a United Nations Police Taskforce with the specific mission of assisting member nations with the collection of weaponry from civilian hands.**

The proof for the validity of the intentions signaled by this document does not lie in the authenticity of any single document. **The smoking gun evidence that Obama is progressively moving towards seizing all 300,000,000 civilian guns in this country lies in the ubiquitous manner in which Obama has pursued sequential and progressive steps toward the disarming of the American people.** As it has been said, “Judge a man by what he does, not by what he says”. The cases in point would what Obama has tried to accomplish after the Boston Marathon Bombing, the Batman Aurora, CO. shootings and the Sandy Hook event. With some very sloppy steps following these events, **Obama has progressively attempted to make guns more difficult to obtain and he has greatly expanded what is defined as “military grade weapons” and to limit what is considered to be “appropriate” for hunting as has tried to block Americans from obtaining as many of these weapons as possible.**

I am certain that most people familiar with present Second Amendment debates will recognize the various and omnipresent “gun buy-back” programs funded with your tax money designed to remove guns from civilian hands.

**“2. Creation of programs to provide reasonable compensation for voluntary surrender of said arms”.**

How many times have we witnessed Obama standing before the cameras and national press corps and threaten to take unilateral action against our gun rights following each one of the false flag events mentioned above? In each instance, Obama has used thinly veiled excuses that he only wants to take away guns that “military grade weapons”.

**“1. Classification of military grade weapons to be made illegal for possession.**

**Breaking: Executive Order 13662: Obama Bans AK-47s**

Posted on [July 17, 2014](#)

**On Wednesday Barack Obama used his powerful pen to effectively ban AK-47s, and other Kalashnikov Russian-made imports, indefinitely. This will include the import of parts and accessories so it affects current owners as well as those looking to make a new purchase. If you like your gun, you can keep it. Just don't expect to be getting parts for it without paying a small fortune.**

The Executive Order was issued under the guise of punishing Russia with more sanctions. Considering AK-47s are one of the weapons that this administration, and certain members of congress, have been looking to ban, that excuse doesn't seem to hold much credibility.

Even if the the UN document designed to disarm America, listed above, was not genuine (and it is), the following, **very public document has been proven to be very authentic.**

**The United Nations is advertising for the following position:**

**Job Title Code: DISARMAMENT, DEMOBILIZATION AND REINTEGRATION OFFICER**

**Department/Office: Department of Peacekeeping Operations**

**Duty Station: New York**

**Job Description: A minimum of seven years of progressively responsible experience in disarmament, demobilisation and reintegration or related area. Experience working within peacekeeping, peace-building or development programmes operations is desirable.**

**Experience with small arms control, conflict/post-conflict crisis management, economic recovery is desirable.**

**Experience coordinating multiple partner agencies, funds or programmes is desirable.**

**<<Secretary of State, John Kerry, signing away America's freedom, security and longevity as he signs the United Nations Arms Trade Treaty.**

There is even more fuel to throw on this raging fire as we consider the fact that, at the behest of President Obama, Secretary of State John Kerry illegally, and in direct violation to the Constitution of the United States, signed the United Nations Arms Trade Treaty. **The UN Arms Trade Treaty contains all 7 provisions listed above in the Disarmament Commission of**

**the United Nations.**

There are some who will undoubtedly state that all of these actions potentially lie in the future and there is nothing to worry about and they will advise the country to go back to sleep. **However, America, we are being occupied in this latest invasion of our country by illegal aliens from Central America (carrying drug resistant TB, Bacteriological Pneumonia, etc.), while in South America**

(Denege Fever is becoming worse) and in West Africa (Ebola is exploding). **According to Dr. Jane Orient and many other health professionals, we are facing a series of possible pandemics.**

**These health crises will be the pretext to roll out the United Nations and their peace-keepers.**  
**300 vials found at lab** *The same federal scientist who recently found forgotten samples of smallpox at a federal lab also uncovered over 300 additional vials, many bearing the names of highly contagious viruses and bacteria like Denege fever.* **The new revelations raise serious concerns about the government's ability to secure its collections of potentially deadly pathogens.**

**CDC director admits lax handling of dangerous pathogens**

**CDC Closes Labs After Accidents With Flu, Anthrax Samples** *The Wall Street Journal*

**Vials of Smallpox Virus Found in Unapproved Maryland Lab** *ABC News*

**Scientists found some smallpox vials lying around in an unsecured federal lab** *The Week*

**(RSS)**

What we should be focusing on, as well, is the military invasion that is about to unfold in this country. This will be the military invasion that will be UN sponsored and it will be the one that seizes our guns. Take a look at the following images of UN military vehicles spotted and photographed in our country in the past several weeks.

An occupation force is being mobilized.

Even more disturbing is the fact that [Warren Buffet](#), in 2011, headed an effort to help the United Nations acquire all materials needed for the building of nuclear weapons. This is

a clear signal that three years ago, the United Nations began making plans to eventually engage in nuclear blackmail, or nuclear war, with nations that might opposed their grand takeover of the plant.

Under the guise and distraction of a massive and disruptive illegal immigration invasion of the United States, the real threat lies in what going to follow the massive resettlement into this country by what will be millions of immigrants. Dr. Jane Orient stated on my most recent radio interview with her that it is not a matter of "if" but "when" we will see pandemic outbreaks of virulent diseases and viruses for which Americans have no immunity. And of course, the humanitarian efforts will be brought into play as they pose as medical rescuers driving around in white MRAP vehicles.

<<Obama and Obama, a very dangerous alliance for America.

In the next part in this series, I will be presenting clear and irrefutable proof that the Obama administration is assembling a multinational "peace-keeping UN arms seizure military organization. And as a teaser, would anyone care to guess who is one of the primary financiers will be for this United Nations effort? **It would none other**

**than the President's half brother, Malick Obama.** **Can you say "The Muslim Brotherhood?"**

### **+++BREAKING PZ NEWS FROM V The Guerrilla**

Yesterday PZ Insider Debby sent me the following Podcast V The Guerrilla. V is a well know rogue economist and someone that I have been following for a while. He sees the same things I have been pointing out. He has been on many of the radio shows out there trying to get the word out.

Well yesterday's podcast was pretty mind blowing. **V is spelling out an economic time table that is concerning to me.** Some of it sounds pretty out there, but when you start putting the pieces together, well what he is spelling out seems plausible.

He also put out his latest article in conjunction to his breaking news Podcast, **you can read it by clicking the link below.** Again, he is providing things that are VERY plausible and fall into the same

timeline that I have been warning about for all of you who have been paying attention to my economic timelines. I am not presenting this to scare the tar out of you, it did rattle me up a little yesterday and it caused me to do some deeper research. I will do a follow-up on this in the next several days.

## **Doomsday Ultimate Reaper Virus Unleashed? 100 Scientists Added To Dead Scientist List After MH17 Is Shot Down**

With it now being common knowledge that **108 Australia-bound AIDS researchers, activists and health workers were on board the doomed flight MH17, 100 new names have been added to a rapidly growing list of now dead scientists.**

**chemists, astronomers and engineers** as the MH17 mystery takes a new turn as shared in the 1st and 3rd videos below. In the 1st video, called “Malaysian Flight MH17 Bomb On Board To Kill Joep Lange”, our videographer shares why he feels that Lange, President of the International AIDS Society from 2002 to 2004, was targeted.

Coincidentally, or not, former President Bill Clinton also knew a number of the scientists who died aboard MH17 as shared in the 2nd video. Are these more names to be added to the **body count that surrounds the Clinton family?** **What did these scientists know, or were about to learn at this ‘very important AIDS conference’, that we don’t know?** It is also known that pharmaceutical industries, many of whom are run by the government, do not want a cure for diseases to be found because of the profits they make off of medicines. Furthermore, many are aware of the global elite’s agenda to depopulate the earth by billions. After all we have heard it from many globalists themselves including: George Soros, Bill Gates, Clinton, Rothschild, and more.

*“If I were reincarnated, I would wish to be returned to Earth as a killer virus to lower human population levels.”* [Price Phillip, Duke of Edinburgh](#)

*“Depopulation should be the highest priority of U.S. foreign policy towards the Third World.”* [Henry Kissinger](#)

*“A total world population of 250-300 million people, a 95% decline from present levels, would be ideal.”* [Ted Turner, in an interview with Audubon magazine](#)

*“Society has no business to permit degenerates to reproduce their kind”* [Theodore Roosevelt](#)

If we take all of these ‘clues’ into consideration would it be safe to assume that the scientist on board MH17 were about to present breakthrough research which could have resulted in the AIDS cure? Could these men have been ‘taken out’ by the global elitists in order to protect their highly-profitable AIDS industry, which generates billions of dollars for government run pharmaceutical companies? **PUT THIS IN CONTEXT OF V’S 4 STAR GENERAL’S ULTIMATE KILLER PLAGUE COMING AND ITS SAFE TO ASSUME THAT THE AIDS VIRUS, GENETICALLY ALTERED, MAYBE INCORPORATED INTO “DOOMSDAY ULTIMATE REAPER VIRUS”! ADD THESE DEAD SCIENTISTS TO THE ON GOING “DEAD SCIENTIST LIST” AND A VERY CLEAR PICTURE EMERGES.”**

## MH17 Hauled Gruesome Cargo of Decomposing Corpses and Possibly Tainted Blood

By Yoichi Shimatsu--7-19-14

In these still early hours following the mystery crash of MH17, one must dare to think the unthinkable. An investigator goes to where the evidence leads, and the evidence so far from the crash site indicates a hellish scenario beyond imagining.

Besides the nearly 300 passengers aboard the ill-fated Malaysian Airlines, **the plane’s cargo bay was loaded with dozens of infected corpses drained of their blood and countless packets of possibly virus-contaminated blood serum,** according to the local eyewitnesses.

The gruesome finding points irrefutably to Malthusian skullduggery at the highest levels of the World Health Organization (WHO) by sponsoring a covert biological warfare program against the population of Asia. A systematic investigation is now required to uncover potentially the deadliest plot against humanity in modern history. The more predictable outcome, unfortunately, is likely to be a cover-up on an unprecedented scale to protect the globalist elite from scrutiny, legal prosecution and justice.

**The blatant violation of international laws for transporting infectious agents indicates a criminal intent in their use at destination.** IATA, the watchdog agency for air travel, **strictly controls and registration rules in the conveyance of corpses and infectious substances due to the dangers of accidental spillage or deliberate biowarfare.** The WHO also imposes tight reporting rules

for physical transfer of materials between laboratories, and is therefore now caught in flagrantly violating its own rules.

The notable failure by the Amsterdam-Schiphol Airport customs clearance, in addition to the WHO and IATA, to warn emergency crews and investigators at the crash site of a potential epidemic danger, proves that the gruesome cargo was transported illegally without registration. The UN and WHO are directly implicated in this covert transfer of biowarfare agents in the cargo hold, which was also accompanied by over 100 of their top virus researchers, staff members and NGO supporters in the passenger cabin.

According to rebel commander Igor Girson, as quoted by AP, reported that local villagers who rushed to the crash scene found "a significant number of the bodies weren't fresh." The first-responders also said the corpses had been drained of blood and reeked of decomposition.

Could the cadavers have been air-freighted for simple anatomy classes? That is a freshman question. Paying air-cargo fees to send bodies to Asia is more of a financial loss than sending coal to Newcastle. There is no shortage of fresh John Does on ice from places like the Philippines. Drained of blood and reeking from decay, the corpses can be nothing other than carriers of an infectious disease.

Decomposed cadavers and tainted blood exposed to wind, soil and ground water pose a present and clear threat to public health for millions of people across Ukraine, western Russia and the countries of the Black Sea, including Moldova, Turkey and even as far as Greece. A regional warning needs to be issued, but none is forthcoming, not when the WHO is implicated while its executives, the hidden elitist sponsors of genocide, scramble for the cover of respectability. These reprobates nestled in the medical bureaucracy are far worse than ordinary war criminals. <http://www.rense.com/general96/dutch.html>

Scott, Please add to your Newsletter that: INVIVE Silver is "NOW" is offering a "Limited Time Offer" of a "FREE BOTTLE" of 1,100 ppm Colloidal Silver worth \$30.00 with every purchase over \$99. This special ends September 1<sup>st</sup> 2014. Go to: <http://www.dr-johnson.com/>

**AIDS:** (acquired Immune Deficiency Syndrome)

(Invive Mild Silver Protein is not a "cure" for AIDS. It should, however, always be included in an AIDS protocol.) Comment: To round out this protocol I would add in Immuplex by Standard Process (6 a day), Congaplex by Standard Process (6 a day) and Echinacea by Mediherb (3 a day)

Invive 5000ppm 1 TBL b.i.d. until testing is negative for HIV. Most HIV/AIDS patients have skin problems ranging from mild rashes to Kaposi's Sarcoma (KS). Use, in addition to the above: Ag-Cream topically to condition b.i.d.

++To make Ag-cream just add the 5000ppm silver drops to aloe-vera gel until it starts to liquefy.

For lung infections nebulize 100ppm Invive Mild Silver Protein directly into the lung fields for 3-4 minute intervals several times per day.

Now with a sinus infection the best way to directly go after this is to get any nasal spray atomizer bottle (like Afrin) and dispose of what is in the bottle and add 500ppm silver to the bottle. Now to make the 500ppm just add 10 parts distilled water to one part 5000ppm. This will be the strength you use in a nasal spray bottle. One drop of eucalyptus oil to this 500ppm solution is also very good for nasal use. When you use the 500ppm in the nasal spray bottle make sure you tip your head back and spray 3-5 times per nasal passage. You can do this several times per day. You would also want to take 1/4 tsp. of the 5000ppm held under the tongue 3 times a day until you are doing better.

Invive Silver Dosing Chart for children/babies

5 cc per 30 lbs Bodyweight. 5cc = 1tsp.

That means a 30 lb. child receives 5 cc in total per day, in divided doses of 1.2 cc q.i.d.

A 10 lb. baby receives 2 cc in total per day, in divided doses of 1.6 cc total per day.

That means 7 minims (drops) Q.I.D.:

There are .062 cm<sup>3</sup>-cc (cubic centimeters) in a minim (drop).

Therefore 1.6 cc total per day divided by .062= 26 drops in total per day.

Q.I.D.= 26 drops total per day divided by 4= 7 minims (drops) sublingually every 6 hours.

**Mild Silver Protein Website:** [www.dr-johnson.com](http://www.dr-johnson.com)

Dr. Johnson

**Start up dosage if a high amount of infection or yeast is suspected:** Mild Silver Protein (5000 - 1100 PPM): This product does not taste good but it is vitally necessary for your success. To help the taste one drop of Peppermint Oil can be applied to your tongue prior to dosing the silver. I recommend 'Now Organic Peppermint Oil' which you can easily find online. You need to hold each dosage of silver under the tongue/cheeks for at least one minute (preferably 2-3 minutes). This gets it into your blood stream. There is some information you need to know on the label but initially follow the dosage I recommend on this sheet. Also remember that this product will leave a film on your teeth that can easily be dealt with by brushing your teeth after you have swallowed a given dosage. Important: Start by taking 1-2 drops of the mild silver protein under the tongue twice per day. If you feel alright, double the dose the next day. Keep doubling the dosage until you are at 1/2 tsp twice a day. The reason you need to do this is if you have a problem with Yeast/Candida; which is a high likelihood in most cases. Remember you may feel worse before you get better. That is quite common and part of the healing process. Because the Mild Silver Protein is so effective against yeast infections; one can only start out at the following dosage "if" one has a systemic (full blown/rampant) Yeast/Candida infection: If you are unsure play it safe and start with the dosages below:

1st day- 1-2 (drops) twice a day

2nd day- 4 (drops) twice a day

3rd day- 8 (drops) twice a day

4th day- 16 (drops) twice a day

5th day- 1/4 tsp. twice a day

6th day- 1/2 tsp. twice a day

Maintain this dosage for 3-4 more days and then go to a maintenance dosage of 10-15 drops per day. If at anytime (during the 6 days mentioned above) one starts having extreme flu-like symptoms, (which is due to the healing crisis of toxins given off by the dying bacteria (NOT by the silver): One must hold at the above dosage and not move onto the next level until the flu-like/detoxification symptoms are gone. The proof is: Give this silver to a healthy person and nothing (as far as symptoms) will occur. If you have any questions please feel free to email Dr. Johnson at: [drjohnson@ix.netcom.com](mailto:drjohnson@ix.netcom.com)

### Obama's Hitler Youth in Training? Plus Photos

I'm currently doing some training at Camp Atterbury, IN and there is a group of about 50 boys here ages 10-15 maybe? At first I just figured they were at a normal summer boot camp. Then I noticed the reflective vests they are wearing that say, "Community Emergency Response Team". This doesn't really alarm or shock me since myself and your listeners know they are training our children to be snitches and act as Obama's Hitler Youth. It really reminded me of everything I have been reading from Dave Hodges for what they have planned for our children. I just figured I'd share with you and your listeners. I'm attaching 2 pictures, 1 of the reflective vest and 1 of the kids in his camo uniform. **See:** <http://www.stevequayle.com/index.php?s=602> I can only imagine the brainwashing they are doing on these young boys. **Subject:** **Massive Plane Movement in the US**

Yesterday in Fall River, MA at least 30 maybe more planes went by (not at the same time sometimes 2 at a time, but about 5 min apart) anyway my daughter and I were watching this( trying to keep track) anyway a plane that looked different from the other planes was flying by so I stood up to take a picture and noticed something else in front of this plane. (which happened to be a drone) anyway I sat down after taking that picture, but my daughter was still looking up when she spotted (was another drone) something and started pointing and yelling mommy look. Anyway I took the picture of this

drone which was difficult because of the way it was moving. I've attached the pictures of the two drones. God bless. -AR

**I just witnessed a line of 'passenger' jets coming out of the southwest and going directly over Colorado Springs at approximately less than 15,000 ASL with one every 3 to 4 minutes from 5pm til 8:54 pm**

First alert from near Colorado Springs, Co. - "I think there is a massive troop movement going on...I just witnessed a line of "passenger" jets coming out of the southwest and going directly over Colorado Springs at approximately less than 15,000 ASL with one every 3 to 4 minutes from 5pm til 8:54 pm. If each one carried a "passenger" load of 200, that would be close to say 60 loads or more since the pace quickened from about 7pm on....That is 12,000 potential TROOPS moved from somewhere southwest of central Colorado...Anyone else hearing of anything strange....large numbers of landings at some military installation? Foreign troops seen anywhere? Anybody? None of these were leaving "trails" but up above at around 30,000 there were lots of them....the sky is trashed....I think I got a good glimpse of Armageddon tonight on several levels. The sky doesn't even look like it belongs to my planet."

Second alert, just as soon as I posted this on social media, from an ex-military friend in Arizona.

"On the way up from PHX today, at 2.30 .. there was a Military Convoy of no less then 45 heavy armored vehicles .. they were headed north on the 17 .. it greatly alarmed me .. as I was headed West on 69 .. 3 Apache Helicopters and 2 Black Hawks flying in formation were flying East adjacent to the Hwy.."

Stay safe and God bless, sir.

**WHATS GOING ON IN COLORADO SPRINGS? ALL RENTAL CARS TAKEN BY THE MILITARY**

Hi Steve, I had read your Q Alert regarding all the planes flying into CO Springs. At 9:30 tonight, my friend's son called from Colo. Spgs. airport, just having arrived from Atlanta. The son had reserved a rental pickup truck days in advance. **When he flew in tonight, he was told that the military had needed all the rental vehicles so there were none available and he would be put up in a hotel tonight. There were about 10 other people getting the same story from the rental car reps. They were told that all of the different rental companies are saying the same thing. Something must be up for sure - traveling around in rental cars and pickups would not be noticed by general public.**

Lee in CO-----UPDATE 8:12 AM -----Steve,I just read the last Q Alert regarding the rental cars in Colorado Springs being sold out. Honestly, for once I wanted to verify if this was actually the case or bluster, so I went on Hertz's website to try to rent a car today and everything came up "Sold Out"! I for one believe very strongly that we are approaching the time and hour when we are going to have to endure to the end! V ROBERT *Jul 16, 2014*

**ARMOR MOVING ON BORDER BETWEEN TENNESSEE AND KENTUCKY**

It seems that it was most likely southern eastern conus, but also picked up this activity in Ohio, Pennsylvania, Nevada, California, etc. Florida and North Carolina were the strongest. Remember, the Smokey mountains and also Appalachian mts have lots of the chinese and the ruskies troops encamped as witnessed, plus the latest video thru Steve shows convoy in smokies along with locals saying it is regular thing, all training for upcoming war and becoming more blatant about it as if to psycho prep folks for presence. **I wanted to tell you that I can verify the articles you posted about the church being used to round up the sheep is true here in Georgia.**

Steve,I wanted to tell you that I **can verify the articles you posted about the church being used to round up the sheep is true here in Georgia. I do not go to church but I have family members that still do. To their shock everything I have been telling them for months smacked them in the face yesterday morning at their huge mega church. The Gov. of our state came to talk about how the state needs the church in times of crisis to be strong and a light to the**

**community during a dark time. Also he talked about how God has put our Government in place for a reason. This can all be verified because it is on their website.** God have mercy on us all. BevC.

**Increasingly these verses apply to true, Bible believing, saved Christians trying to fellowship in a 501c3 corporate church in America:**

**2 Cor. 6:14: Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?**

**2 Cor. 6:15: And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?**

**2 Cor. 6:16: And what agreement hath the temple of God with idols? for ye are the temple of the living God;** as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people.

**2 Cor. 6:17: Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you,**
