**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. **But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**I John 4:18:** "There is **no fear** in love; but **perfect love** casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

**Heb 13:6:** "So that we may boldly say, The Lord *is* my helper, and I **will not fear** what man shall do unto me."

**II Timothy 1:7:** "For God **hath not** given us the spirit of fear; but of power, and of love, and of a sound mind."

**Censored Gulf news: People bleeding internally, millions poisoned says 'EPA whistleblower'**

*Mark Kaufman, EPA*

*whistleblower of Democracy Now! states:*

*"...we have dolphins that are hemorrhaging. People who work near it are hemorrhaging internally. And that's what dispersants are supposed to do.."*

In its report, [EPA Whistleblower Accuses Agency of Covering Up Effects of Dispersant in BP Oil Spill Cleanup](#), Democracy Now! states that "many lawmakers and advocacy groups say the Obama administration is not being candid about the lethal effects of dispersants," so Amy Goodman interviewed Hugh Kaufman, a **senior policy analyst at the EPA's Office of Solid Waste and Emergency Response** and a leading critic of the decision to use Corexit" who disclosed how the officials are lying about many things related to the catastrophe **poisoning "millions of people."** (Listen: [Real Audio Stream](#) or [MP3 Download](#))

The transcript includes Kaufman saying, "And I think the media now has to follow the

money, just as they did in Watergate, and tell the American people **who's getting money for poisoning the millions of people in the Gulf.**"

While concerns over the impact of chemical dispersants continue to grow, Gulf Coast residents are outraged by a recent announcement that the \$20 billion government-administered claim fund **will subtract money cleanup workers earn by working for the cleanup effort from any future claims.**

The "Vessels of Opportunity" program has employed hundreds of Gulf Coast out of work people because of the spill which Kaufman says is viewed as yet another way **"to limit the number of lawsuits against BP."**

"And the government—both EPA, NOAA, etc.—have been sock puppets for BP in this cover-up. (Emphasis added)

Kaufman concurs with [MSNBC's report](#) last week, that **"sole purpose in the Gulf for dispersants is to keep a cover-up going for BP to try to hide the volume of oil that has been released and save them hundreds of millions, if not billions, of dollars of fines... not to protect the public health or environment. Quite the opposite.."**

He says to follow the money, and that leads to individuals in the Obama Administration, naming Mr. Geithner, Mr. Summers with close ties to Larry Fink who owns BlackRock that owns most BP shares.

He commented on the **children being poisoned:**

"...you know, when you're on the sand with your children and they dig, and there's a little water?—**they documented there was over 200 parts per million of oil waste in the water, and it's not noticeable to the human eye...** On top of it, the contamination in one of the samples was so high that when they put the solvent in, as a first step in identifying how much oil may be in the water, **the thing blew up,** just as he said, probably because there was too much Corexit in that particular sample."

When Goodman asked Kaufman to comment on the similarities between the Ground Zero of the Gulf catastrophe and what happened at Ground Zero of 911, he explained that he did the ombudsman investigation on Ground Zero, "where EPA made false statements about the safety of the air" ... since proven to be false.

**Marine Toxicologist Riki Ott; 'We need to start talking about who's going to pay for evacuation'**

When Louisiana residents ask **marine toxicologist** and community activist [Riki Ott](#) what she would do if she lived in the Gulf with children, **she tells them she would leave immediately. "It's that bad. We need to start talking about who's going to pay for evacuations."**

In 1989, Ott, who lives in Cordova, Alaska, experienced firsthand the devastating effects of the Exxon Valdez oil disaster. For the past two months, she's been traveling back and forth between Louisiana and Florida to gather information about what's really happening and share the lessons she learned about long-term illnesses and deaths of cleanup workers and residents. In late May, she began meeting people in the Gulf with symptoms like headaches, dizziness, sore throats, burning eyes, rashes and blisters that are do deep, they're leaving scars. People are asking, **"What's happening to me?"**

She says the culprit is almost two million gallons of Corexit, the dispersant BP is using to break up and hide the oil below the ocean's surface. **"It's an industrial solvent. It's a degreaser. It's chewing up boat engines off-shore. It's chewing up dive gear on-shore. Of course it's chewing up people's skin. The doctors are saying the solvents are making the oil worse."**

**Watch:** [In a widely watched YouTube video](#), Chris Pincetich, a marine biologist and campaigner with the Sea Turtle Restoration Project, said Coast Guard planes are flying overhead **at night** spraying Corexit on the water **and on land**. "People need to realize that their water, their air, the sand they're walking on, the things they're touching when they wake up in the morning, are coated with this stuff," he said. "We are producing an experiment in the Gulf, the likes that no one has ever seen and top scientists admit that, so we're all part of the experiment."

**Evidence Points To BP Oil Spill False Flag**

June 8, 2010 by [NotForSale2NWO](#)

- Huge increases in sales of shares and stocks in **days and weeks beforehand** by major stockholders

- Government uses disaster to push for Carbon Tax, Nationalization talk

On April 12th, just over one week before the Deepwater Horizon rig exploded, Halliburton, the world's second largest oilfield services corporation, surprised

some by acquiring Boots & Coots, a relatively small but vastly experienced oil well control companies.

The **company deals with fires and blowouts on oil rigs and oil wells**. It was responsible for putting out roughly one third of the more than 700 oil well fires set in Kuwait by retreating Iraqi soldiers during the Gulf War.

The deal itself is still under scrutiny with Boots and Coots **facing an ongoing investigation** into “possible breaches of fiduciary duty and other violations of state law”

Where this information gets really interesting is with the fact that **Halliburton is named in the majority of some two dozen lawsuits** filed since the explosion by Gulf Coast people and businesses who claim that the company is to blame for the disaster.

Halliburton was forced to admit in testimony at a congressional hearing last month that it carried **out a cementing operation 20 hours before the Gulf of Mexico rig went up in flames**. The lawsuits claim that four Halliburton workers stationed on the rig improperly capped the well. **Read more...**

### **Obama Joins UN Effort to Dictate Acceptable Behavior on the Internet**

Kurt Nimmo--Infowars.com--July 21, 2010--The United States — along with the UK, China and Russia — **have agreed to work together under the globalist umbrella of the United Nations to determine “norms of accepted behavior in cyberspace,”** according to **Computer Weekly**. France, Germany, Estonia, Belarus, Brazil, India, Israel, Italy, Qatar, South Korea, and South Africa are also involved in the effort.

Robert Knake, a cyberwarfare expert with the Council on Foreign Relations, says the signed agreement represents a significant change in U.S. posture. Participation of the U.S. demonstrates the Obama administration’s strategy of diplomatic engagement, according to Knake.

“To achieve that goal nations will share information about their cybersecurity laws, develop **international standards of conduct**, and help less developed countries tighten their cybersecurity. The principles have been finalized for the United Nations, but there is no indication when they will be reviewed,” reports **Bert Knabe** for Lubbock Online.

**Evgeny Morozov**, a Belarus-born researcher and blogger who writes on the political effects of the internet notes that much of the data on the supposed cyber threat “are gathered by ultra-secretive government agencies — **which need to justify their own existence — and cyber-security companies — which derive commercial benefits from popular anxiety.**”

Our nation will be even more in subjection before a global security bureaucracy that does not answer to our elected representatives, does not respect our national sovereignty and our Constitution and Bill of Rights.

**United Nations** Secretary-General [Ban Ki-moon](#) announced in 2009 that the globalist organization has moved to **prevent “hate speech”** on the internet. “There are those who use information technology to reinforce stereotypes, to spread misinformation and to **propagate hate**,” Ki-moon said during a seminar on “hate speech” held in June of 2009. “Look no further than last week’s shocking shooting at the Holocaust Memorial Museum in Washington, DC. For years, the alleged shooter was well known for spewing racist venom through the internet and elsewhere.”

The **corporate media and liberal bloggers attempted to place blame for the Holocaust museum shooting on members of the patriot movement**. James W. Von Brunn, the accused shooter and avowed white supremacist, “was a right-winger — a far right-winger,” [David Neiwert](#) wrote last June. “More to the point, this is precisely the same belief system that today fuels the cottage industry in **conspiracy theories — promulgated by the likes of Ron Paul and Alex Jones** — that the Fed is part of a massive conspiracy of ‘international bankers’ to enslave Americans and destroy the country.”

Following the release of the **Department of Homeland Security’s report labeling gun owners, returning veterans, and patriot movement activists as the number one threat to national security, the corporate media launched into a concerted effort to portray “rightwing extremists” who defend the Constitution as domestic terrorists.**

Obama partisans — **including members of the FCC — characterize conservative talk radio as hate speech and demand it be shut down**. Obama’s regulatory czar, [Cass Sunstein](#), has argued that the government ban “conspiracy theorizing” and infiltrate “extremists who supply conspiracy theories” to disrupt the efforts of the “extremists” to propagate their theories over the internet.

## **Horrific History of Gun Control in other Countries**

The 20th Century is riddled with people stripped of their ability to protect themselves through "common sense gun control" and then murdered by their governments.

In 1929, the Soviet Union established gun control. From 1929 to 1953, about 20 million dissidents, unable to defend themselves, were rounded up and exterminated.

-----

In 1911, Turkey established gun control. From 1915 to 1917, 1.5 million Armenians, unable to defend themselves, were rounded up and exterminated.

-----

Germany established gun control in 1938 and from 1939 to 1945, a total of 13 million Jews and others who were unable to defend themselves were rounded up and exterminated.

-----

China established gun control in 1935. From 1948 to 1952, 20 million political dissidents, unable to defend themselves, were rounded up and exterminated.

-----

Guatemala established gun control in 1964. From 1964 to 1981, 100,000 Mayan Indians, unable to defend themselves, were rounded up and exterminated.

-----

Uganda established gun control in 1970. From 1971 to 1979, 300,000 Christians, unable to defend themselves, were rounded up and exterminated.

-----

Cambodia established gun control in 1956. From 1975 to 1977, one million educated people, unable to defend themselves, were rounded up and exterminated.

-----

Defenseless people rounded up and exterminated in the 20th Century because of gun control: 56 million.

### **Obama To Demand 75% Of Your Income In Taxes**

If President Obama repeals the Bush tax cuts and imposes a 20 percent value added tax, or VAT, on the U.S., Americans may be facing tax rates where more than half of everything earned is confiscated by the federal government in the form of income taxes, Jerome Corsi's Red Alert reports. Add Social Security taxes and the tax burden quickly advances to more than 60 percent. "Adding state property and income taxes to the burden, the amount government confiscates could be in the **75 percent range** before Americans have a chance to vote Obama out of office in 2012," Corsi wrote. "Are Americans willing to be taxed 75 percent of every dollar earned? In a five-day work week, **will Americans be willing to work four days for the government?**" Corsi asked. He said as Obama moves the U.S. in the direction of becoming a European-style social welfare state, it is important to **consider taxation levels typical in Europe**. Corsi noted that even high levels of taxation are not sufficient in Europe to prevent debt levels from

rising to crisis proportions, as has been seen in Greece and is looming on the horizon in Portugal, Spain and Italy.

**Ex-congressman: President a 'threat,' must be impeached 'We have man in White House who brazenly disregards his oath of office'**

July 23, 2010--By Bob Unruh--2010 WorldNetDaily--A former congressman and GOP presidential candidate says for current members of [the House](#) and Senate to uphold their oath of office that includes the [defense](#) of the [United States against](#) enemies "foreign and domestic," they need to be filing impeachment charges against Barack Obama.

Former U.S. Rep. Tom Tancredo, R-Colo., joined what has become a growing surge of those recommending the ultimate solution for a president they believe not only has disagreeable [policies](#), but is participating in actions that damage the nation.

Tancredo wrote in a opinion piece [in the Washington Times](#) that, "Mr. Obama's refusal to live up to his own oath of office – which includes the duty to defend the United States against foreign invasion – requires senators and representatives to live up to their oaths. Members of Congress must defend our nation against all enemies, foreign and domestic. Today, that means bringing impeachment charges against Mr. Obama."

**URGENT ALERT: WAL-MART TO BEGIN ITEM-LEVEL TAGGING CLOTHING WITH RFID YOUR HELP IS NEEDED! PLEASE JOIN US IN OPPOSING WAL-MART'S RFID PLANS**

Today the Wall Street Journal broke an enormous story: Wal-Mart, the nation's largest retailer, has declared war on our privacy. The giant retailer has announced it will begin placing item-level RFID (Radio Frequency IDentification) tracking tags on clothing sold in its stores. While the tags can be removed from clothing and packages, they can't be turned off, and they are trackable

THIS IS HUGE NEWS. It is the first step to the planned roll-out where global corporations like IBM, Procter & Gamble, and Wal-Mart's technology partner NCR plan to equip every product with a tracking device and use a network of RFID readers to monitor and observe **YOU everywhere you go**. It is the frightening world detailed in our book "Spychips: How Major Corporations and Government Plan to Track Your Every Move with RFID," and it is finally coming to pass.

Unless we stop it, Wal-Mart's roll-out is scheduled to begin next month.

Here is the Wall Street Journal article:

[http://online.wsj.com/article/SB10001424052748704421304575383213061198090.html?mod=WSJ\\_hpp\\_LEFTTopStories](http://online.wsj.com/article/SB10001424052748704421304575383213061198090.html?mod=WSJ_hpp_LEFTTopStories)

As you know, RFID is a powerful tracking technology that raises unprecedented privacy concerns. Wal-Mart's plan does more than just threaten our privacy -- it is poised to become a direct threat to our freedom and civil liberties, as I will describe in future emails.

It is imperative that we immediately act to oppose Wal-Mart's RFID rollout. I have placed calls and given Wal-Mart an opportunity to respond, but as of this afternoon, Wal-Mart corporate executives and media representatives have not returned my calls.

In the meantime, we are formulating a response to Wal-Mart's plans that will protect consumers. I will keep you posted on this breaking story.

In freedom,

**Christians Expose Mormon Religion**

LDS MORMON PROPHET **Gordon B. Hinckley SAID HE WORSHIPS A DIFFERENT JESUS CHRIST!**

*"No I don't believe in the traditional Christ. The traditional Christ of whom they speak is not the Christ of whom I speak. For the Christ of whom I speak has been revealed in this the Dispensation of the Fullness of Times." Gordon B. Hinckley, Deseret News, Church News section, Salt Lake City, Utah, week ending June 20, 1998, p.7*

*Joseph Smith says he has done more than JESUS CHRIST: "I have more to boast of than ever any man had. I am the only man that has ever been able to keep a whole church together since the days of Adam....Neither Paul, John, Peter, nor JESUS "CHRIST" ever did it. I boast that no man ever did such a work as I. The followers of JESUS "CHRIST" ran away from Him; but the Latter-day Saints never ran away from me yet. (LDS History of the Church, Vol. 6, p. 408, 409)*

**Isa 14:12** ¶ How art thou fallen from heaven, O Lucifer, son of the morning! [how] art thou cut down to the ground, which didst weaken the nations!

**Isa 14:13** For thou hast said in **thine heart**, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

**Isa 14:14** I will ascend above the heights of the clouds; I will be like the most High.

**Isa 14:15** Yet thou shalt be brought down to hell, to the sides of the pit.

Joseph Smith said God was once a man:

"God himself was once as we are now, and is an exalted Man, and sits enthroned in yonder heavens...I say, if you were to see him to-day, you would see him like a man in form -- like yourselves, in all the person, image, and very form as a man....it is necessary that we should understand the character and being of God, and how he came to be so; for I am going to tell you how God came to be God. We have imagined and supposed that **God was God from all eternity, I will refute that idea, and will take away and do away the veil, so that you may see....and that he was once a man like us; yea, that God himself the Father of us all,** dwelt on an earth the same as Jesus Christ himself did."

(Journal of Discourses, Vol. 6, p. 3).

**LDS Mormon church believes you have to be Judged by Joseph Smith to get to HEAVEN** "No man or woman in this dispensation will ever enter into the celestial kingdom of God without the consent of Joseph Smith...every man and woman must have the **certificate of Joseph Smith Junior**, as a passport to their entrance into the mansion where God and Christ are... [Joseph Smith] reigns there as **supreme a being in his sphere**, capacity, and calling, as God does in heaven." LDS PROPHET **Brigham Young**, JoD, vol.7,p.289-91

**LDS Brigham Young:** "Who can tell us of the inhabitants of this little planet that shines of an evening called the moon? ...when you inquire about the inhabitants of that sphere you find that the most learned are as ignorant in regard to them as the ignorant of their fellows. **So it is in regard to the inhabitants of the sun. Do you think it is inhabited? I rather think it is. Do you think there is any life there? No question of it; it was not made in vain,**" (Journal of Discourses, Vol. 13, p. 217)

MORMON PROPHET JOSEPH SMITH taught of MOONMEN

According to Oliver B. Huntington, Joseph Smith taught that "**The inhabitants of the moon are more of a uniform size than the inhabitants of the earth, being about 6 feet in height. They dress very much like the Quaker style and are quite general in style, or fashion of dress.**

**They live to be very old; coming generally, near a thousand years.**" (Journal of Oliver B. Huntington, Vol. 3, p. 166; as recorded at the Utah State Historical Society).

LDS PREACH TO THE INHABITANTS OF THE MOON

"In my Patriarchal blessing, given by the father of Joseph the Prophet, in Kirtland, 1837, I was told that I should preach the gospel before I was 21 years of age; that I should preach the gospel to the inhabitants upon the islands of the sea, and **to the inhabitants of the moon**, even the planet you can now behold with your eyes." (The Young Woman's Journal, published by the Young Ladies' Mutual Improvement Associations of Zion, 1892, vol. 3, pp. 263-64)

HOW THE BOOK OF MORMON WAS MADE **Joseph Smith would put the SEER STONE into a HAT, and put his face in the HAT, drawing it closely around his face to**

exclude the light; and in the darkness the spiritual light would shine. A piece of something resembling parchment would appear, and on that appeared the writing. One character at a time would appear, and under it was the interpretation in English... Thus the Book of Mormon was translated... (LDS MORMON CHURCH MAGAZINE Ensign, Jul 1993, 61)

### **Mormons Believe Satan is Jesus Brother**

In the Discourses of Brigham Young, on Pg.53-54: "Who will redeem the earth, who will go forth and make the sacrifice for the earth and all things it contains?" The Eldest Son said: "Here am I"; and then he added, "Send me." But the second one, which was "Lucifer, Son of the Morning," said, "Lord, here am I, send me, I will redeem every son and daughter of Adam and Eve that lives on the earth, or that ever goes on the earth."

Spencer W. Kimball, Conference Report, April 1964, Pg.95 "There is another power in this world forceful and vicious. In the wilderness of Judaea, on the temple's pinnacles and on the high mountain, a momentous contest took place between two brothers, Jehovah and Lucifer, sons of Elohim." Spencer W. Kimball, Faith Precedes the Miracle, Pg.87 "Similarly Satan had contended for the subservience of Moses. Satan, also a son of God, had rebelled and had been cast out of heaven and not permitted an earthly body as had his brother Jehovah."

The Teachings of Spencer W. Kimball, Pg.33 "... The principal personalities in this great drama were a Father Elohim, perfect in wisdom, judgment, and person, and two sons, Lucifer and Jehovah. (12/19/59)"

### **Twilight 'Girl Porn' And The Books Of Mormon**

Twilight author Stephenie Meyer is widely known to be a member of the Church of Jesus Christ of Latter-Day Saints (LDS), and openly acknowledges that her faith has had an impact on the books. "Unconsciously, I put a lot of my basic beliefs into the story," she has said. To begin with, Stone pointed out several superficial elements in Twilight that she says clearly correspond to the LDS faith. These include the description of Edward Cullen, which she said matches the mythical description of church founder Joseph Smith "down to his nose and hair color," as well as the series' overarching juxtaposition of a "dark" race of werewolves ("Lamanites" in Mormon legend) that fight an epic battle with the "white" race of vampires ("Nephites"). Bella's journey of "conversion" to vampirism corresponds to the goal of winning "eternal life" by embracing the Mormon faith and overcoming - in a sense - the "natural man" that stands in the way of heavenly perfection. In addition, Stone even points to the presence of an authoritarian, hierarchical race of enemy vampires who are based in Italy and "enforce the code of conduct that pass for the morals of their world" - the Volturi - as closely corresponding to the Mormon attitude toward Catholics. Thematically, Stone points to the series' emphasis on personal "perfection," and the predestination of couples as

having pre-selected each other for a literally eternal bond, as two themes directly correlating with Mormon sensibilities.

### **Project Bioshield Explained**

On July 21st, 2004 President Bush signed the 5.6 billion dollar Project BioShield into law. Under Project Bioshield the government can impose **mandatory vaccinations on Americans, while simultaneously declaring martial law based on any emergency, real or imagined:** [www.whitehouse.gov/news/releases/2003/02/20030203.html](http://www.whitehouse.gov/news/releases/2003/02/20030203.html)

The Military Vaccine Resource Directory [www.milvacs.org](http://www.milvacs.org) says: The term Bio-Fascism describes the merging of the (1) military medical establishment, (2) The FDA & public health bureaucracies, and (3) the Pharmaceutical Medical Cartels. What will American citizens do when nurses, accompanied by armed police and soldiers, come to their door and order them to be vaccinated? Since 9/11, Federal and State laws have **been changed to now allow for this.** The American people do not understand that the bioterrorism legislation passed by Congress since 9/11, make the USA Patriot Act look tame by comparison.

### **HIV vaccines cause 50 percent false positive rate in HIV tests**

by Mike Adams, the Health Ranger, NaturalNews Editor (NaturalNews) It may come as a big surprise to most people, but HIV tests given to people today don't actually test for the presence of the HIV virus. **Rather**, they test for the presence of HIV *antibodies* that the immune system creates to *defend* itself against HIV. And just because you have HIV antibodies doesn't mean you actually carry HIV. **In some circumstances, up to 50 percent of HIV positives are false**, causing havoc with the lives of those patients who are falsely accused of being "HIV positive."

This startling fact was revealed in a recent study that's being published in the July 21 issue of the *Journal of the American Medical Association*. It shows that patients who are recruited for HIV vaccine trials often end up testing positive for HIV even though they were only exposed to the vaccine, not the virus.

"Almost half of HIV-negative people who participate in clinical trials for HIV vaccines end up testing positive on routine HIV tests -- even though they're not actually infected" reports US News & World Report.

Some vaccines caused a false positive rate of **over 86 percent**.

What this new study clearly demonstrates is the complete lack of scientific credibility of common HIV tests. It also demonstrates the dangers of getting vaccinated against HIV, because the mere act of receiving an HIV vaccination may cause you to test positive for HIV which, in turn, can have many serious repercussions in your life:

- You may be denied employment because tests show you are "HIV positive."
- You may be denied health insurance coverage or be charged significantly more than others for the same coverage.
- You may be denied residence in other countries, as many countries require HIV tests for prospective new residency.
- You may be falsely accused of having AIDS by health authorities who archive your medical records and use them against you.
- You may be arrested and sent to prison, accused of attempted murder, by sleeping with someone and not telling them you were HIV positive (even though you don't have AIDS).
- You may be denied the opportunity to participate in certain professions or activities (such as sporting events).

- You may be socially stigmatized and thought of as an "AIDS carrier."
- You may be shunned by your spouse.

### **Human-Animal Hybrids In Life VS. Death Struggle**

In what may seem more like a Hollywood science-fiction plot, as in the forthcoming movie "Splice," **lawmakers are trying to prevent scientists from combining human and animal embryos to make "human-animal hybrids."** In "Splice," two scientists defy ethical boundaries and splice together human and animal DNA to create a new organism, also known as a chimera. While the idea of such an experiment may seem far-fetched, scientists around the world have been **dabbling in creation of human-animal hybrids for years.** Today, Ohio's Senate Health, Human Services and Aging Committee passed S.B. 243 – a ban on human-animal hybrids. The bill prohibits "human cloning, the creation, transportation, or receipt of a human-animal hybrid, the transfer of a nonhuman embryo into a human womb, and the transfer of a human embryo into a nonhuman womb." Mark Harrington, executive director of the Center for Bio-Ethical Reform Midwest and president of the Pro-life Institute, presented expert testimony. "We all want to see treatments for sickness," he said. "We all want to see cures for disease. But the question is at what price?" He added, "I am becoming more and more convinced when it comes to emerging bio technologies like human-animal hybrids that many of these researchers **do not believe in any limits on research** as long as it has the possibility to produce an economic end that suits their agenda."

***RNN NOTE:*** As Chelsea Schilling points out in her article above for WND, several states are trying to pass legislation outlawing the creation of mature human-animal hybrids. ***But this legislation has failed in some states and does not address privately funded laboratories or other countries where the research is rapidly expanding.*** Look for Tom and Nita Horn's chilling new expose into this field due out this November.

### **Transhumanist Mind-Conditioning: "Splice Yourself!"**

Cloning and DNA manipulation is at the center of a many heated ethical debates, but why not have a little fun with it via this site featuring an online game based on the forthcoming sci fi horror thriller, *Splice*—the story of scientists who cross the species boundary by **splicing human and animal DNA** to disastrous results. With this online game, **you can splice yourself –via a photo- with some animal DNA and voila!** You turn into your own version of Dren, the human/animal DNA clone from the film! You upload a photo of yourself, which can be culled from your favorite social media site, like Facebook, or you can upload from your personal online photo gallery or even a

webcam! Then you let the biotechnology begin! You really create a new version of yourself and the results are terrifying. **You can then unleash the *Splice*-version of yourself on the world via social networking platforms!**

### **Group Donates £800,000 For Human/Animal Hybrid Clones**

The UK's Motor Neurone Disease Association has announced it will donate £800,000 (US \$1,200,000) **to fund human/animal "hybrid embryo" cloning research** by the same Edinburgh University team that created "Dolly" the cloned sheep. The 3-year project, led by the team at the MRC Centre for Regenerative Medicine and headed by Dr. Ian Wilmut, hopes to develop human brain cells that carry the hereditary form of Motor Neurone Disease (MND) called TDP-43. The experiments will involve removing the nucleus of the gamete or "ova" of an animal, most likely a pig or cow, and inserting the nucleus taken from a donor patient. The resulting cloned human/animal hybrid embryos that survive will be cultivated for several days until they reach the stage at which embryonic stem cells are obtainable. These stem cells, the researchers say, can be

used to create nerve cells that carry the TDP-43 gene.

### **Ex-Counter Terrorism Czar Says Next Threat Will Emerge In 2012 From Those Resisting Transhumanism**

Resistance is futile — or so Richard Clarke, former counter-terrorism czar, wants everyone to believe. In his 2007 book, *Breakpoint*, Mr Clarke makes it very clear who the new enemy will be in the coming years: **Luddites, his term for those who will not accept the coming technological innovations.** So how about Synthetic Biology, programmable cells that can "seek and invade" other cells. What could go wrong? Forget the fact that the book reads like a 5th-rate "Hardy Boy" novel. It takes us into the hubristic thought process of the power elite. Their plan: to use advanced technology to **become more-than-human, gods if you will. And anyone that attempts to stop this is by definition a terrorist.** For the next debate may be about "what is a human": **Should humans change the species with human-machine interfaces and genetic alterations?** And for those who say that *Breakpoint* is only fiction, Mr Clarke reassures us, "Breakpoint, set in 2012, is **meant to be predictive**, at least about technology." Adding, "Sometimes you can tell more truth through fiction."

**Gen 3:1-5 ¶ "Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? And the woman said unto the serpent,**

We may eat of the fruit of the trees of the garden: But of the fruit of the tree which [is] in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. And the serpent said unto the woman, Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, **and ye shall be as gods**, knowing good and evil."

### [State Rep Says President Was Told Of Aliens On Earth](#)

Henry W. McElroy, Jr, **retiring State Representative to New Hampshire**, declared this week that **former US President Eisenhower was briefed about the presence of extraterrestrial intelligent beings on Earth**. McElroy also said that the document he viewed while at the State Legislature made **reference to the opportunity for Eisenhower to meet the alien visitors**. This new revelation could result in timely support for the August 2010 election on the Denver ballot initiative to create an **Extraterrestrial Affairs Commission**. The proposed commission would collect credible evidence and whistleblower testimony regarding UFOs and visitors to Earth of extraterrestrial origin. It would then share such evidence with the public through the Denver city government web site at no cost to the city budget. The aim of the commission is to brief the public with information previously viewed only by a privileged few.

### [Dr. Scott Johnson - The Strong Delusion, E.T's, Aliens, UFO's, Granada Treaty 1/41](#)

**Dan 2:43** "And whereas thou sawest iron mixed with miry clay, **they shall mingle themselves with the seed of men: but they shall not cleave one to another**, even as iron is not mixed with clay."

Noah Websters 1828:

Mingle: Mix

Cleave: Unite aptly, aptly fit

This passage is obviously debatable as to its relevance, but its a passage which always gets placed into this topic. Here, **Daniel is interpreting a dream about the "final kingdom" of mankind just before the return and reign of Jesus Christ**. One might be tempted to believe this passage merely refers to a political mixture, given the larger context of the prophecy, but in looking at the original language there seems to be a strong indication that it is a "marriage," or sexual type of union & it worth considering, given **Matthew 24:37: (But as the days of Noe [were], so shall also the coming of the Son of man be.)** and the overall angel-hybrid understanding of scripture (which Daniel operated from, as it was the Orthodox Jewish view at the time, and only disappeared from the historical Christian church between 300-500 AD.)

This Daniel 2:43 passage could be referring to hybridization in the final days, which would also confirm Matt. 24:37. One cannot deny that hybridization is a major theme of today's UFO and abduction research however, making it more than worthy of consideration.

---

A short impression of the book Aliens by Bryan Appleyard: It is estimated that 2% of Americans have had experiences that are 'consistent with those that abductees experienced before they knew they were abductees.' And since aliens are most unlikely to show partiality in whom they abduct, the figure of 2% may be applied to the entire world's population. The alien phenomenon - sightings, abductions, well thought through

and widely believed theories as well as a hugely popular alien fiction market - is too persistent to be due simply to mass delusion. Denying this would be poor science, or as Appleyard writes, "The aliens are, indeed, the contemporary incarnations of the angels, demons and goblins of the past..".

- After being involved with over 1000 experiencers (alien abductees), a former registered nurse, who is now a professional counselor and clinical hypnotherapist, has concluded that alien "abductions" are not only real encounters, but that they are **about spiritual awakening and galactic contact**. Mary Rodwell is not alone, as a growing number of academics, scientists and politicians, such as the former Canadian Minister of Defense Hon. Paul Hellyer, are starting to support the core of her paradigm shifting views about life in the Universe and that some UFOs are extraterrestrial spaceships. -- Press Release Newswire, Feb 22, 2006 -

---

"The symbolic display seen by the abductees is **identical** to the **type of initiation ritual or astral voyage that is imbedded in the [occult] traditions of every culture...the structure of abduction stories is identical to that of occult initiation rituals...the UFO beings of today belong to the same class of manifestation as the [occult] entities that were described in centuries past.**"

"I felt an absolutely indescribable sense of menace. It was hell on earth to be there [in the presence of the entities], and yet I couldn't move, couldn't cry out, couldn't get away. I'd lay as still as death, suffering inner agonies. Whatever was there seemed so monstrously ugly, so filthy and dark and sinister. Of course they were demons. They had to be. And they were here and I couldn't get away."

**"Fire in the Sky" Abduction Scene: Grey Aliens Torture an Abducted Man on Their Ship Extreme--Not for the faint hearted**

My findings confirm what I suspected a decade ago: **a spiritual war is taking place on Earth. Alien experiencers and covert human experimentation operatives (CHEOPs) experiencers are right in the line of fire. Our immortal souls are spoils of war.** Only by following God's commandments can we ensure the survival of our souls. We must do unto others as we would have others do unto us.-May God bless all those who fight for righteousness and truth.

-Unlocking Alien Closets- Leah A. Haley

In mans modern efforts to reject the Bible, he instead embraces the UFO cult-inspired doctrine of "panspermia" (AKA The Ancient Astronaut Theory) that humans were created and manipulated by aliens.

But Ephesians 6:12 and other passages state that violent angelic enemies of mankind occupy the heavens. "Outer space" may seem a slight stretch, but the translation above of Eph 6:12's "high places" ("above the sky, celestial..." above) would certainly include this.

**Ephesians 6:12**

"For we wrestle not against flesh and blood, but against principalities, powers, against the rulers of the darkness of this world, against spiritual wickedness in high places"

Here, we see that the church is called to wage war not against deceived humanity when they disagree with us, but most directly against evil spiritual forces responsible for deceiving the earth. The word "powers" as used here, is the same word found in I Peter 3:22: "Who is gone into heaven, and is on the right hand of God; **angels and authorities and powers being made subject unto him.**" Here is a breakdown of the meanings of: powers, principalities, rulers, high places.)

Principalities - Strong's 746 "arche"

**defined as: chief in various applications of order, time place or rank (cf, the English words: architecture, archangel)**

Rom 8:38, Eph 3:10, Col 1:16, Col 2:15, Titus 3:1

Powers - Strong's 1849 "exousia"

**defined as: mastery; magistrate, superhuman, potentate: delegated influence, authority, jurisdiction...**

Luke 12:11, Romans 13:1 x 2, Eph 3:10, Col 1:16, Col 2:15

Rulers - Strong's 2888 "kosmokrater"

**defined as: an attribute of Satan, a world ruler.** (only use of this word in the NT)

High - Strong's 2032 "epouranious"

**defined as: above the sky; celestial; heavenly**

---

"Good" extra-terrestrial beings of course exist, but the Bible much more specifically calls our attention to the fact that there are "bad ones" seeking to thwart God's purposes, and to **lead mankind to false doctrines about our origins and place in the universe. Until the 4th Century's "Sons of Seth" heresy (still taught in seminaries today), the early church taught and fully understood that fallen angelic hosts had mated through humans. Sadly, this reality has been lost to our modern understanding, making the UFO/Alien deception all the more believable for mankind and one the modern day Church totally avoids for the most part.**

### **Hip Hop is now an "official" Religion!**

Mon 19 Jul 2010--Rap pioneer KRS-One is the **self proclaimed prophet of a new religion: Hip-Hop religion.** KRS-One announced he will soon release **The Gospel of Hip Hop: The First Instrument**, a 600-page book that examines the spirituality of Hip-Hop culture. The Hip-hop artist and founder of the Stop the Violence Movement, KRS-One, claims his soon to be released spiritual book is the announcement of a new Hip-Hop religion on earth which claims **it will become the world's dominant new religion.**

KRS-One goes on: "Well, I think I have the authority to approach God directly, I don't have to go through any religion...I can approach God directly myself and so I wrote a book called The Gospel of Hip Hop to **free us** from all this **nonsense garbage right now.**

**Matthew 12:37: "For by thy words thou shalt be justified, and by thy words thou shalt be condemned."**

**II Peter 2:17-19:** "These are wells without water, clouds that are carried with a tempest; to whom the mist of darkness is reserved for ever. **For when they speak great swelling words of vanity, they allure through the lusts of the flesh,** through much wantonness, those that were clean escaped from them who live in error. **While they promise them liberty, they themselves are the servants of corruption:** for of whom a man is overcome, of the same is he brought in bondage."

**Galatians 1:6-10:** "I marvel that ye are so soon removed from him that called you into the grace of Christ **unto another gospel:** Which is not another; but there be some that trouble you, **and would pervert the gospel of Christ.** But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, **let him be accursed.** As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, **let him be accursed.** For do I now persuade men, or God? or do I seek to please men? **for if I yet pleased men, I should not be the servant of Christ.**"

I respect the Christianity, the Islam, the Judaism but their time is up." To recap: KRS-One's book is the new Bible, it's going to be the best selling book on earth, **and no matter what God thinks,** hip-hop is the new religion of the world.

From Wikipedia:

The Temple of Hiphop is a ministry, archive, School, and Society (M.A.S.S.) founded by KRS-One. Its goal is to maintain and promote hip hop culture. The Temple of Hiphop maintains that hip hop is a genuine political movement and culture, as **it has been accepted by the United Nations as a culture.** The Temple of Hiphop calls on all hip hop fans to celebrate Hip Hop Appreciation Week, occurring in the third week of May. It encourages DJs and MCs to teach people about the culture of Hip, to write more socially conscious songs, and radio stations to play more socially conscious hip hop. Hip Hop History Month (November), founded by the Universal Zulu Nation, is also recognized. <http://grou.ps/arisingvoice/blogs/item/hip-hop-is-now-an-official-religion>

### **Sex Trade: Innocence Lost In America's Heartland**

For years, Americans have watched international reports of human trafficking thinking it couldn't happen here. But now, researchers are finding more and more domestic cases and not just in the big cities or the border states. They're in the heartland. Shared Hope International, a Christian anti-trafficking organization, **reports that up to 300,000 children in the U.S. are at risk for trafficking each year.** Twelve years old is the average age of entry. "Men are buying younger children," Shared Hope founder and former congresswoman Linda Smith said. **"They're buying more violent acts with the children and those children aren't willingly saying 'I want to be prostituted.'** Now we're seeing 9, 10, 11-year-olds. **Eleven years old is common--snatched from a middle school, lured through a mall or online.**" Traffickers are kidnapping or luring these children from all kinds of communities. Ohio is just one place where it's surfacing.

**Mat 18:6** But whoso shall offend one of these **little ones which believe in me, it were better for him that a millstone were hanged about his neck, and [that] he were drowned in the depth of the sea.**

**Psa 64:5-10** They encourage themselves [in] an evil matter: they commune of laying snares privily; they say, Who shall see them? They search out iniquities; they accomplish a diligent search: both the inward [thought] of every one [of

them], and the heart, [is] deep. **But God shall shoot at them [with] an arrow; suddenly shall they be wounded. So they shall make their own tongue to fall upon themselves: all that see them shall flee away. And all men shall fear, and shall declare the work of God; for they shall wisely consider of his doing. The righteous shall be glad in the LORD, and shall trust in him; and all the upright in heart shall glory.**

### **Uniting Religions for World Change: The G8 World Religions Summit**

by Carl Teichrib--Forcing Change--(courtesy Kjos Ministries)

**Points to Ponder About Christian Interfaith Involvement:** 1) The interfaith approach is rationally directionless. **If all religions are equally valid or hold some common level of spiritual authenticity, as the interfaith movement asserts, then all religions are ultimately baseless.** Therefore, the nonbeliever can logically reject Christianity as a meaningless sect among many meaningless faiths. For by acknowledging another religion as a vehicle that proclaims the revelation of God, even tentatively, the exclusive nature of God as revealed in the Bible (Isaiah 45:18-22; John 14:6-7) can no longer be viewed as exclusively true. The door has now been opened to consider any other spiritual claim as legitimate; and to not accept these other claims would demonstrate an intolerant exclusivity.

**Isa. 45:18** For thus saith the LORD that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the LORD; and there is none else.

**Isa. 45:22** Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else.

**Isa. 45:23** I have sworn by myself, the word is gone out of my mouth in righteousness, and shall not return, That unto me every knee shall bow, every tongue shall swear.

**John 14:6** Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, **but by me.**

**John 18:37** Pilate therefore said unto him, Art thou a king then? Jesus answered, Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should **bear witness unto the truth. Every one that is of the truth heareth my voice .**

**Eph. 4:4** There is **one body, and one Spirit,** even as ye are called in one hope of your calling;

**Eph. 4:5** **One Lord, one faith, one baptism,**

**Eph. 4:6** **One God** and Father of all, who is above all, and through all, and in you all.

2) The interfaith position muddies the Christian mission of bringing the good news of Jesus Christ as God incarnate who came to redeem sinful humanity. Inter-religious bridge building bolsters the idea (continued on page 17)

**A Pagan observer to the 2010, G8 World Religions Summit reports:** A sacred fire was lit. Mother Earth, we were told, needs to hear that we love her, so give a “prayer of gratitude” to the Earth; “Because out of Mother Earth comes all we need to live ... she gives us the food, the water, the medicines, and the teachings.”

We were asked to privately perform a water ritual, for this will give strength to Mother Earth. Everything that’s alive, “even the water” it was explained to the delegates and observers, has the spirit. We were told that religiously speaking, “there is not only one way, there is many ways” – and to go to the sacred fire and “invoke the spirits.”

Drummers summoned the power of the eagle spirit, because it brings “the spirit of love, it brings vision. The Eagle carries our wishes and our prayers.” And this eagle spirit will tell the Great Spirit of the wonderful things happening in this gathering. And what a gathering! As an observer to the 2010, G8 World Religions Summit (WRS), I listened as the opening ceremonies set the tone for this remarkable event. The Secretary General of the WRS, Dr. James Christie – the Dean of Theology at the University of Winnipeg – **welcomed us as religious equals**, stating that what was important was that we “offer our service, and ourselves, and our lives” **to the “God we know by so many names.”**  
**(1)**

This multi-faith perspective was evident in full color; Hindu swamis in flowing orange attire, members of the Saudi Ministry of Islamic Affairs dressed in desert garb, Jewish yamakas, cross pendants and clerical collars, Shinto robes, Orthodox priests in black, Salvation Army uniforms, and Baha’i leaders and evangelical Christians in business suits. Religions from every corner of the planet were represented. Even so, very few people have heard about the G8 World Religions Summit, held in Winnipeg, Manitoba from June 21-23.

Nevertheless, what occurred in Winnipeg will likely have a far more real impact than the political G8 Summit. Why do I say this? Because of the direct lines of influence that radiate from the World Religions Summit right down to individual bodies. It’s a top-down strategy **ensuring that religious people will fall in line with an emerging global framework – a type of world theology along with an international system of socialism. And it’s going to work, particularly well in the Christian community.**

The history of the G8 World Religions Summit goes back to 2005. That year, Jim Wallis of Sojourners – a **left wing Christian advocacy group** – teamed up with the Archbishop of Canterbury to “raise the voices of the **faith leaders of the world in unity** and in a call for justice.” (4) The 2005 event was a small, ecumenical affair made up of representatives from Catholic groups, the National Association of Evangelicals, World Vision, the Salvation Army, the Mennonite Central Committee, the World Evangelical Alliance, and other church bodies.

These leaders released an “Action on Poverty” document calling for governments to alleviate poverty, and for faith communities to generate the necessary moral will. The text itself was very short and ambiguous, with a underlying socialist slant.

The next year, the G8 religious summit took place in Moscow and a host of other religions contributed; leaders from the Muslim, Jewish, Buddhist, Hindu, and Shinto communities – **along with Christians**, hashed out another declaration, this time calling for a “more **systemic partnership of religious leaders with the United Nations**.” In 2007 at Cologne, the emphasis was on the **UN Millennium Development goals** and the support for a worldwide **climate change “protection agreement.”** 2008 and 2009 saw the religious leaders meeting in Japan and Italy.

**Dr. Scott Johnson - Witchcraft and the Emerging One World NWO Religion 1/27:**  
[http://www.youtube.com/watch?v=YW\\_yclaOfV4&feature=related](http://www.youtube.com/watch?v=YW_yclaOfV4&feature=related)

Japan's declaration called for **religions to unite** in a “commitment to peace.” It also recognized that “religious communities are the world’s largest **social networks** which reach into the furthest corners of the earth.” In other words, religions are powerful actors in the global field.

Hence, Japan summit demanded a system of “Shared Security” based on interdependence, the establishment of an “**Earth Fund dedicated to environmental protection,**” and a **binding global climate treaty**. Another document was released in Japan, recognizing that the “dharmic, pantheistic and ancestor traditions of Eastern societies remain a practical tool... **in defence of the environment.**” And **religious diversity was expounded as part of the divine, cosmic order – therefore, “we seek to be considered equal partners.”** (5)

Finally in Rome, faith leaders focused on the worsening global economy and broadly called for a “new financial pact,” without really explaining what it would entail. To be fair to the Rome event, the entire summit was overshadowed by the almost simultaneous release of Pope Benedict’s encyclical *Charity in Truth*, which shook the international community in its **brazen call for a world political authority “with teeth.”** (See the Forcing Change report, “Sowing the Seeds of Global Government,” Volume 3, Issue 8)....

What all of this represents, from the first event in 2005 until Winnipeg, **is the intentional move within Christendom to politically unite with other faiths “in one community.”** The motivator: Social Justice – world peace, care for the Earth, and alleviating poverty. And who doesn’t want peace, a healthy environment, and the poor raised above their poverty?

**Contrast these last statements with Maitreya's most recent newsletter:**  
***Share International magazine, July - August 2010 The search for peace by the Maitreya (AKA: Devil Betraya) —, through Benjamin Creme, 13 June 2010***

***Without doubt, the most important achievement by humanity would be the ending of war. This achieved, men’s energies would be released to tackle the many other pressing problems which beset them today: the millions who starve needlessly in a world of plenty; the precarious ecological imbalance of the planet; the ever-***

*widening gap between the developed rich and the developing poor nations; the growing incidence and fear of terrorism, ever more sophisticated; the hardship and fear engendered by the economic collapse around the world....*

*From Our viewpoint, these problems are real and pressing, and stem from one single condition: **the separatism which sits like a heavy yoke on the shoulders of humanity and prevents all action in unison.** Ideology rather than reason still guides the minds and actions of governments whose decisions affect the lives of all.*

*Today, this problem is increased by the **re-opening of the religious divide between Christianity and Islam.** In a growingly secular world, the **fundamentalist adherents of both religions are more and more bellicose, raising the temperature of confrontation to ever more dangerous heights.** In particular, Islamic terrorism, **in complete contradiction to the teaching of the Prophet (Comment: More total lies),** has brought a new dimension to the struggle for a peaceful world. How can this process be reversed? There is but one way to grapple with these problems, one which has never been tried but which, at a stroke, **would ease the lot of countless millions and bring, at long, long last, true and lasting peace to a world in agony.***

*Men must realize that they are not separate, never were and never shall be, that they are part of a divine and seamless whole which enfolds us all, to which, **in our own way, we give the name of God.** Men must realize that God is peace, is justice, sharing and trust... **Maitreya's task is to show men this truth, and to remind them that at the core of their yearning lies the peace they all desire, waiting to be made manifest.***

-----  
**Dan. 8:25:** And through his policy also he shall cause **craft to prosper in his hand;** and he shall magnify [himself] in his heart, **and by peace shall destroy many:** he shall also stand up against the Prince of princes; but he shall be broken without hand.

These are admirable goals. But something else is going on, raising the question: What does the Christian community have to sacrifice in the name of interfaith partnering for "social justice"?

Not surprisingly, the **only time the name "Jesus Christ" came up at the 2010 WRS was when He was compared with Buddha and Mohammad as a religious figure. Nobody dared present Him as "the way, the truth and the life... the only way to the Father." (John 14:6).** Love, compassion, and "spiritual law" were tossed about freely in the speeches. But nobody was willing to rock the boat by venturing into what Francis Schaffer called "true truth."...

The interfaith approach, by default, recognizes **Jesus as one spiritual leader in a long line of religious reformers. That's all. Nothing more.** Hence, at global interfaith events, like the one that took place in Winnipeg, Christian representatives remain silent on the

subject of Jesus Christ as truth, "...the only way to the Father." For to do otherwise would be divisive and contrary to the ideal of "one community."

By default, the Christian community has to sacrifice Truth. Therefore, it was no surprise that on different occasions I heard participants criticize Christian missions and Christian "fundamentalists."

The representative of the Pacific Council of Churches told us that everything is interconnected, and that we need to revisit the ancient [pagan] religions and myths – those ancient ways that were "deliberately pushed aside" by Christian missionaries – in order to understand and appreciate this interdependence.

Another speaker explained that it was time to put aside the past dogmas of traditional faiths, and that the litmus test for religions in this global era was interdependence and transcendent spirituality. Religions, we were repeatedly told, needed to unify if the planet is to survive....

## **Quantum Spirituality Has Entered the Church Through Christian Leaders by Warren Smith**

Leonard Sweet is definitely one of the point men for today's emerging/postmodern/**Purpose Driven Church**. As **Rick Warren has aligned himself with Sweet**, it is important to remember that Sweet has described former and present New Age figures as his "heroes" and "role models." He has openly acknowledged that his **quantum "new cell theory" understanding of "new light leadership" was formulated with the help of veteran New Age leader David Spangler.**

*The teachings of Alice Bailey, Benjamin Creme and David Spangler along with numerous other influential New Age writers state that we are to **undergo a mass-planetary initiation that will usher us into a New Age**. An age that many a poet and philosopher have written about; a golden age of peace, harmony and brotherhood.*

***David Spangler called it the "Luciferic initiation" because of its association with the experience of light. Call it a planetary Pentecost like Barbara Marx Hubbard or another name given by H.P. Blavatsky, it does not matter, for the result is the same. Once one experiences this new light they are changed with a new set of views and values that encompass their whole life. Be it political, spiritual, or education.***

*"If men look for the Christ Who left His disciples centuries ago, they will fail to recognize the Christ Who is in process of returning" (Alice Bailey & Ascended Master Djwhal Khul The Reappearance of the Christ, Chapter III – World Expectancy, <http://laluni.helloyou.ws/netnews/bk/reappearance/reap1018.html>).*

*Benjamin Creme who is the voice of proclamation for the new Christ-Maitreya says, The Master Jesus is going to reform the Christian churches" (Benjamin Creme, Reappearance of the Christ, p. 85).*

**Dr. Johnson's Teaching: [Deception Afoot: Maitreya & 'Master Jesus'](#)**

*This reform means “change.” When you look at the mysticism now taking place inside the church along with practices of other religions being added, one cannot also think about this prophecy by Alice Bailey: “This Church will be nurtured into activity by the Christ and His disciples when the outpouring of the Christ principle, the **TRUE second Coming** has been accomplished... the **Christian church in its many branches can serve as a nucleus through which world illumination may be accomplished**... the church as a teaching factor should take the great basic doctrines and (shattering the old forms in which they are expressed and held) show their true and inner spiritual significance. ... Teachers must be trained; **Bible knowledge must be spread; the sacraments must be mystically interpreted, and the power of the church to heal must be demonstrated**” (Alice Bailey, *The Externalization of the Hierarchy*, 1957, Lucis Publishing).*

Additionally, Leonard Sweet describes mystical New Age priest Pierre Teilhard de Chardin as “Twentieth-century Christianity’s major voice.”<sup>1</sup> And while Sweet’s almost “in your face” New Age sympathies are there for all to see, **Rick Warren, and other Christian figures continue to hold him in high esteem**. But it is just business as usual as Warren’s apologist tells us that “Doctrinally/theologically, Leonard Sweet is about as Christian as anyone can get.”<sup>2</sup>

**[Dr. Scott Johnson - Rick Warren Leading Apostate Christianity Straight To Hell... Rick Warren & Rupert Murdoch – Saddlebacks Most Infamous Member](#)**

While appearing to be somewhat of a 21st century renaissance man who leaves everyone in the wake of his postmodern intellect, Leonard Sweet’s “scientific” postmodern/quantum/New Age view on things raises some critical questions—particularly in regard to his association with Rick Warren. If Warren, Sweet, and other Christian leaders continue to move the church towards the New Spirituality, how will it ultimately play out? Will we see Warren, Schuller, Sweet, McLaren, and other “New Light” leaders **signing a mutual accord someday affirming that God is “in” everything? Will that proclamation be based on new “scientific findings” from quantum physics? Will they explain that Pierre Teilhard de Chardin and the “God” of Neale Donald Walsch and William Young had it right—that “the sub-atomic reality” is that God is in every atom? That God really is—scientifically speaking—“in” everyone and everything?** Pro 13:20 He that walketh with wise men shall be wise: **but a companion of fools shall be destroyed.**

Rom 1:21 Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.

Rom 1:22 **Professing themselves to be wise, they became fools...**

But what about the inevitable reaction that will come from those referred to by Rick Warren as “fundamentalists”<sup>7</sup> when they accuse Warren of flip-flopping? Will Warren defend his new worldview by repeating what he said at the Saddleback Civil Forum—that **“sometimes flip-flopping is smart because you actually have decided a better position based on knowledge that you didn’t have”?**

**James 1:8: A double minded man is unstable in all his ways.**

Armed with seemingly scientific “facts” from quantum physics, will Warren defend his new worldview by stating, “That’s not flip-flopping. Sometimes that’s growing in wisdom”? Is this where Warren, Sweet, and other Christian leaders will try to take the church? Are they about to take a big “quantum leap” into the New Spirituality of a New Age (**The Age of Aquarius**) that is based on the findings of the “new science”? Given the continued New Age implications of the emerging Purpose Driven movement, it would seem that this is a real possibility. (from A “Wonderful” Deception, chapter 13)

**From the promotion of the book called 'Glory Zone, by reprobate David Herzog we read:**

*Is there something beyond your current Christian experience that seems to be lacking?*

*Is God calling you to the next level of His Glory?*

*Through scripture and firsthand experience, author David Herzog unravels the mysteries of:*

*Quantum Physics and the Glory*

*How Creation Obeys Your Word*

*Prophetic and Revelatory Glory*

*Walking on Water and Through Walls*

*Invading Governments with the Glory*

*Geographical Portals and Gateways*

*Creative Miracles and Resurrections*

Now the word ‘fundamentalist’ actually comes from a document in the 1920s called the Five Fundamentals of the Faith. ### [New Book By WND Takes On Heresy Of 'The Shack'](#)

Millions of evangelical Christians are among the masses who have embraced William Paul Young's "The Shack" as though it were gospel. Even three years since its release, "The Shack" has remained on numerous best-seller lists for more than 100 weeks – a claim no other book can make. Yet it is infused with counterfeit Christianity, argues "Burning Down 'The Shack': How the 'Christian' Best-seller is Deceiving Millions," a new title from WND Books that publishes June 1. Worse, says author James De Young, its depiction of God as an African woman who suffered Christ's crucifixion – and the book's exclusion of any existence of Satan and hell – represent just some of its many dangerous deceptions. If such deceptions, which upend biblical teachings on sin, redemption, salvation and damnation, go unchallenged, says De Young, this "feel-good novel" could prove terribly divisive and destructive to millions of Christians. "The Shack presents a depiction of God that changes, 'the glory of the uncorruptible God into an image made like to corruptible man,'" said Joseph Farah, publisher and CEO of WND Books, citing Romans 1:23. "But Paul Young also offers a warped portrayal of the Trinity, denies the supreme divinity of Jesus Christ, diminishes the realities of sin without redemption and shrugs off damnation.

II Thes. 2:7-12: "For the mystery of iniquity doth already work: only he who now letteth [will let], until he be taken out of the way. And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: [Even him], whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness."

### [Home Depot target of boycott](#)

Sponsorship of "gay pride" festivals has gotten a major U.S. retailer in hot water with the American Family Association -- so much so that the prominent pro-family group is asking its supporters to boycott the retailer

For several years, The Home Depot has given its financial and corporate support to open displays of homosexual activism on main streets in America's towns. **And, it says it will continue to do so!**

***"At the end of the day here, we're not going to...forbid our associates to be involved in these pride festivals in any way."*** - Stephen Holmes, company spokesman. (Note: The associates participating in these parades were clearly doing so as representatives of the company.)

Rejecting several requests by AFA to remain neutral in the culture war, The Home Depot has chosen to sponsor and participate in numerous gay pride parades and festivals. Most grievous is The Home Depot's deliberately exposing small children to lascivious displays of sexual conduct by homosexuals and cross-dressers, which are a common occurrence at these events.

The goal of every homosexual organization supported by The Home Depot is to get homosexual marriage legalized. [BoycottTheHomeDepot](http://BoycottTheHomeDepot.com) provides just a glimpse of how broad its support for the homosexual movement is. The Home Depot says it is committed to furthering the homosexual agenda.

**See it for yourself.** Photos at [BoycottTheHomeDepot.com](http://BoycottTheHomeDepot.com), taken during recent homosexual events sponsored by The Home Depot, show:

- Children being encouraged to visit gay sex websites.
- Employees using company property to push gay marriage.
- The Home Depot employees riding and marching in homosexual parades.

2. **Call your local store manager.** Let him know that you will not be shopping in his store until the company stops supporting the homosexual agenda. You can find his [number here](#). (click "Store Finder").
3. **[Print the paper petition](#) and distribute it** at Sunday School and church..
