Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect**."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Malachi 3:16 Then they that feared the LORD spake often one to another: and the LORD hearkened, and heard it, and a book of remembrance was written before

him for them that feared the LORD, and that thought upon his name. (17) And they shall be mine, saith the LORD of hosts, in that day when I make up my jewels; and I will spare them, as a man spareth his own son that serveth him. (18) Then shall ye return, and discern between the righteous and the wicked, between him that serveth God and him that serveth him not.

I want everyone to take a good look at the picture above and those seen throughout this article. **Those are not homeless people**

scavenging in garbage bins for food and clothes and anything they may need to survive, they are Greek citizens "rooting through rubbish to grab discarded items they can sell or eat."

Anneliese Sterry, from Gloucester Foodbank, said: 'This is not a surprise to us at all. It is not uncommon for this to happen. 'We have people coming to use who have not eaten for days. We have just one where a mother came in with her eight year old. She was complaining of pains because she hadn't eaten anything.'

“Whoso stoppeth his ears at the cry of the poor, **he also shall cry himself, but shall not be heard.**” Prov. 21:3

Preparation Regarding the End-times

Rev 6:5 ¶ And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand.

Rev 6:6 And I heard a voice in the midst of the four beasts say, A measure(1) of wheat for a penny(2), and three measures(1) of barley for a penny(2); and [see] thou hurt not the oil and the wine.

Strong's G5518 - choinix

χοῖνιξ

1) a choenix, a dry measure, containing two setarii (less than a quart) (*or as much as would support a man of moderate appetite for a day*)

Strong's G1220 - dēnariion

δηνάριον

2) A Roman silver coin in NT time called the denarius...It was the principal silver coin of the Roman empire. From the parable of the labourers in the vineyard, *it would seem that a denarius was then the ordinary pay for a day's wages.* (Mt. 20:2-13)

If we have wisdom we should prepare for this, like God instructed Joseph to do:
Gen 41:34 Let Pharaoh do [this], and let him appoint officers over the land, and take up the fifth part of the land of Egypt in the seven plenteous years.

Gen 41:35 And let them gather all the food of those good years that come, and lay up corn under the hand of Pharaoh, and let them keep food in the cities.

Gen 41:36 And that food shall be for store to the land against the seven years of famine, which shall be in the land of Egypt; that the land perish not through the famine.

Pro 6:6 ¶ Go to the ant, thou sluggard; consider her ways, and be wise:

Pro 6:7 Which having no guide, overseer, or ruler,

Pro 6:8 Provideth her meat in the summer, [and] gathereth her food in the harvest.

Pro 22:3 A prudent [man] foreseeth the evil, and hideth himself: but the simple pass on, and are punished.

1Ti 5:8 But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.

A common refrain from Americans when warned that this is what we will see in America soon, is "it can't happen here!"

History tells us that not only can it happen here, it will.

GREECE: A WINDOW INTO AMERICA'S FUTURE

When a country goes bankrupt because they spend more than they take in, they borrow money from other countries. When they can no

longer make payments on those loans the economy collapses. That is where Greece is at now. Without another bail-out (borrowing more money they cannot afford to pay back) total collapse is imminent. Banks are closed, ATM withdrawals are limited and once again they are planning to raid depositors' money to pay for necessities.

Excellent read on [Society's Five Stages of Economic Collapse](#) can be found over at Target of Opportunity.... the similarities of what we are seeing right here in America will astound you.

Greece is already in Stage Four: ".....Now the economy collapses. There is a rush for everything and the shelves go empty in a matter of hours. Society falls into chaos. The control of urban areas shifts when violent gangs takeover control of the streets and urban neighborhoods. The government issues restrictive measures in an attempt to control the economy. Everything is in short supply and heavily rationed. Food and

gasoline is very expensive and there are very long lines to get them when they are available....."

<<(Greece - Lines outside of grocery store)

After reading the Five Stages, ask yourself what stage best describes America now?

A LOOK AT WHAT IS COMING TO AMERICA

America's debt is over \$18,112,975,000,000, that is the last reported number, but it has been frozen at that number for 15 weeks, so no one truly knows how much it has risen in the last 15 weeks.

America is showing signs of partial stage two and three of Economic Collapse: **STAGE 2** signs seen in the U.S. now include; "Ever increasing numbers of people receive government assistance in one form or another. People are paid not to work." **STAGE 3** signs seen in the U.S. include; Foreclosed houses sit vacant and deteriorating by the tens of thousands. Middle class neighborhoods begin to look like slums. The government begins to print currency to pay its bills and support the tens of millions on public assistance."

Warnings are coming from all directions, financial experts, stock market experts, traders, investors... the warnings have been coming for years but are increasing in frequency and urgency.

Despite these warnings, people keep burying their head in the sand and repeating the same themed answers... "it is fear mongering,"... "it hasn't happened yet,".... and the favorite "it can't happen here."

The only reason America is not Greece right this second is because the U.S. Dollar is still the world's reserve currency... Period. This means the FED can continue to print money with nothing to back it up, but that is about over as can be seen by the history of world reserve

currencies, shown in the chart below.

Countries that have held the world reserve currency status ranged from 80 years to 110 years. Portugal (1450 - 1530) 80 years - Spain (1530 - 1640) 110 years - Netherlands (1640 -1720) 80 years - France (1720 - 1815) 95 years and - Britain (1815 - 1920) 105 years.... for an average of 94 years that any country maintains the world reserve currency.

The U.S. has held that status since 1920 until present day, 2015..... 95 years.

Back to the [Society's Five Stages of Economic Collapse](#), here are the last two stages:

STAGE 4. The Grab for Power

The collapse can transition to this stage at any time after Stage 3. Most of the middle class have lost everything. What used to be well manicured middle class neighborhoods are filled with the carcasses of empty houses damaged and destroyed by vandals. The nation's infrastructure has been seriously neglected and is

in need of a major overhaul. The power grid becomes unreliable. Rolling blackouts are a daily occurrence. You can no longer buy or sell gold or own foreign currency. Inflation is out of control. Now the economy collapses. There is a rush for everything and the shelves go empty in a matter of hours. Society falls into chaos. The control of urban areas shifts when violent gangs takeover control of the streets and urban neighborhoods. The government issues restrictive measures in an attempt to control the economy. Everything is in short supply and heavily rationed. Food and gasoline is very expensive and there are very long lines to get them when they are available. Affordable quality health care is non-existent and your job is a distant memory. You will do without what you are unable to provide for yourself. You will discover what it is to live in a third world country.

STAGE 5. Freedom, Liberty, and Independence are Lost

The government implements martial law. Fighting between civilians and government forces break out nationwide. Maintaining more than a 30 day supply of food is considered hoarding food and is illegal. Severe poverty and starvation become a common sight. The government offers marginally acceptable food, water and shelter in exchange for your Freedom, Liberty, and Independence.

Democracy ends and a Socialist form of government takes over under the guise of fixing society's problems with the false promise that peace and prosperity will return better than it was just a few years ago. A Totalitarian regime assumes power and the individual freedoms and liberties once enjoyed by the people are completely eliminated.

Stage five is why so many people are worried about exercises like Jade Helm 15... whether a collapse happens during the months the military training exercises is scheduled to take place or whether the exercise is to make sure the military is prepared for

a future event, doesn't matter.

"THEY" ARE PREPARED.... ARE YOU?

We have been warned, told to prepare, stock up on necessities like food, water, canned goods, medical supplies, batteries, etc..... but most people keep putting it off other than taking a few dollars each week and buying things to store for emergencies, because the MSM keeps telling us the economy is getting better, despite the fact that 93,626,000 are not even in the labor force! "Those not in the labor force has increased by 1,512,000 in the past year." ([Source](#))

As has been reported before, multiple times, the super-rich are scared and buying up bolt-holes with private airstrips to "[escape if the poor rise up](#)," and [Doomsday lairs and bunkers are being stockpiled by the elite](#) as "they" prepare for what is coming....

They are already fully prepared for what is coming... are you?

What good is having money in the bank if you will not be able to access it when the economy collapses? What good is having the money, in hand, to buy necessities if the shelves are all empty? By the time the MSM tells you about it, it

will be too late.

[NC: Illegal aliens charged with 250 child molestations in March - FEDS NOT TRACKING!](#)

Dave Gibson

Immigration Reform Examiner

April 3, 2014

Of course, the federal government fails to keep statistics on the number of crimes committed by those here illegally, so we simply don't know.

However, if the total number of sex crimes committed in this country by illegal aliens was ever divulged, it would forever bring to an end, any hopes of amnesty legislation actually getting through Congress...Hence, the secrecy!

In March 2014, illegal aliens were charged with more than 250 separate counts of sex crimes against children, throughout the state of North Carolina. Of course, this figure is not an anomaly, as those here illegally were charged with more than 150 acts of child molestation during the previous month in the Tarheel state.

[View February's report...](#)

This war against the children of North Carolina is simply the inevitable result of both the Obama administration's decision to basically suspend all immigration enforcement, as well as city governments throughout the state implementing so-called 'sanctuary policies' which shield criminal aliens from possible deportation.

Once again, the citizen advocacy group known as [NCFIRE](#) has provided this reporter with a list of illegal aliens who were charged with various sex crimes against children in several counties across the state of North Carolina.

That long list of offenders and their unspeakable crimes follows (Remember, this list contains only 251 offenses, there were several more recorded last month.):

-TORRES, LEONCIO, PEREZ

County: UNION

Court Date: 03/05/2014

Charges: Two counts of first-degree sex offense w/child, indecent liberties w/child

-ISER, JORGE

County: WAKE

Charges: Three counts of indecent liberties w/child, two counts of indecent exposure, solicitation by computer

-VIDAL-MONTEJO, ESTEBAN

[WASH POST LEAD FRIDAY: Obama goes for integration over deportation for illegals...](#)

The Obama administration has begun a profound shift in its enforcement of the nation's immigration laws, **aiming to quicken the integration of long-term illegal**

immigrants into society rather than targeting them for deportation, according to documents and federal officials.

In recent months, the Department of Homeland Security has taken steps to ensure that the majority of the United States' 11.3 million undocumented immigrants can stay in this country.

While public attention has been focused on the court fight over President Obama's highly publicized executive action on immigration, DHS has with little fanfare been training thousands of immigration agents nationwide to carry out new policies on everyday enforcement.

Illegal Alien Perpetrator in killing was previously deported 5 times

(CNN)Kate Steinle was walking on a busy pier in San Francisco with her father when there was a single popping sound in the air.

She fell to the ground, struck by a bullet, the victim of what police say appears to be a random killing.

The man accused of firing the deadly shot -- 45-year-old Juan Francisco Lopez-Sanchez -- is an illegal alien, a repeat felon who has been deported five times to Mexico, according to immigration officials.

It would have been six, a federal law enforcement source told CNN, as authorities in San Francisco wanted him on a drug-related warrant.

So U.S. Immigration and Customs Enforcement, which had Lopez-Sanchez in its custody in March after his release from federal prison, turned him over to San Francisco deputies. ICE said they requested an immigration detainer, asking that the agency be notified before Lopez-Sanchez was released.

But San Francisco is a city that doesn't honor such requests and the sheriff's department released him. Freya Horne, chief legal counsel to the San Francisco County Sheriff, told CNN that he was let go because there was no legal cause to detain the suspect.

On Wednesday evening, he shot the 31-year-old Steinle at Pier 14 once in her upper body, according to police. He was found about a mile away an hour later and arrested.

"She just kept saying, 'Dad, help me, help me,'" Liz Sullivan, the victim's mother, told CNN affiliate KRON. Sullivan said her heart stopped twice on the way to the hospital and she died during surgery.

"She fought for her life," Sullivan said. "They said how strong she was but they just couldn't save her."

REPORT: Schools implant IUDs in 6th grade girls -- no parental notice...

Earlier this month, LifeNews.com reported on a high school in Seattle, Washington that is now implanting intrauterine devices (IUD), as well as other forms of birth control and doing so without parental knowledge or permission.

The IUD is known as a long acting reversible contraception, and may even act as an abortifacient. So, a young teen in Seattle can't get a coke or candy bar at her high school, but she can have a device implanted into her uterus, which can unknowingly kill her unborn child immediately after conception. Or, if she uses another method, she can increase her chances of health risks for herself.

The high school, Chief Sealth International, a public school, began offering the devices in 2010, made possible by a Medicaid program known as Take Charge and a non-profit, Neighborcare. Students can receive the device or other method free of cost and without their parent's insurance. And while it's lauded that the contraception is confidential, how can it be beneficial for a parent-child relationship when the parents don't even know the devices or medication their daughter is using?

As it turns out, Chief Sealth isn't the only school in Seattle doing this. As CNS News reports, more schools are fitting young girls — as young as 6th grade — with the devices and doing so without their parents knowing.

School-based health clinics in at least 13 Seattle-area public high schools and middle schools offer long-acting reversible contraceptives (LARCs), including IUDs and hormonal implants, to students in sixth-grade and above at no cost, according to Washington State officials.

LARCs are associated with serious side effects, such as uterine perforation and infection. IUDs, specifically, can also act as abortifacients by preventing the implantation of a fertilized egg.

The state and federally funded contraceptive services are made possible by Take Charge, a Washington State Medicaid program which provides free birth control to adults who are uninsured, lack contraceptive coverage, have an income at or below 260 percent of the Federal Poverty Level — or, in this case, to teens who don't want their parents to know they're on birth control.

In an email exchange with the Washington State Health Care Authority and CNSNews.com, a Take Charge spokesperson acknowledged that underage students are eligible for a "full array of covered family planning services" at school-based clinics if their parents meet the program's requirements.

Take Charge added that "a student who does not want their parents to know they are seeking reproductive health services is allowed to apply for Take Charge using their own income, and if they are insured under their parents' plan, the insurance would not be billed."

When asked if a sixth grader could get an IUD implanted without parental consent, Take Charge told CNSNews.com: "We encourage all Take Charge providers to offer long-acting reversible contraceptives (LARCs) in their clinics. A young person does not need parental consent to obtain a LARC or any other contraceptive method...If the young person is not choosing abstinence, she would be able to select a LARC and have it inserted without parental consent."

Matthew 12:37: "For by thy words thou shalt be justified, and by thy words thou shalt be condemned."

Isaiah 5:20: "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!"

Luke 17:1 Then said he unto the disciples, It is impossible but that offences will come: but woe unto him, through whom they come!

Luke 17:2 It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones.

- **"You practice your religion and let me practice mine." "My religion is a holy ritual child sacrifice." Patricia Baird-Windle, Founder and owner of *Aware Woman Center for Choice***

A priest once commented: "Abortion is a demonic industry, Abortion is a blood sacrifice of innocent blood to the devil. The clinics are like temples, the doctors are like priests, the medical table is like their altar. It's a ritualized sacrifice. They have a dogma called *pro-choice*, a hierarchy called *Planned Parenthood*, and guardian angels in the form of police guards that will arrest you if you try to stop them."
