**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness,

but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

**II Chronicles 7:14:** "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Graphic Video: Muslims Slaughter Convert to Christianity in Tunisia**  
by Raymond Ibrahim [Gatestone Institute](#) June 4, 2012

Liberal talk show host Tawfiq Okasha recently appeared on "Egypt Today" **airing a video of Muslims slicing a young man's head off for the crime of apostasy, in this case, the crime of converting to Christianity and refusing to renounce it. The video—be warned, it is immensely graphic (the actual execution appears from minute 1:13-4:00). For those who prefer not to view it, a summary follows:**

A young man appears held down by masked men. His head is pulled back, with a knife to his throat. **He does not struggle and appears resigned to his fate.** Speaking in Arabic, the background speaker, or "narrator," chants a number of Muslim prayers and supplications, mostly condemning Christianity, which, **because of the Trinity, is referred to as a polytheistic faith: "Let Allah be avenged on the polytheist apostate"; "Allah empower your religion, make it victorious against the polytheists"; "Allah, defeat the infidels at the hands of the Muslims"; "There is no god but Allah and Muhammad is his messenger."**

Then, to cries of "Allahu Akbar!"—or, "God is great!"—the man holding the knife to the apostate's throat begins to slice away, even as the victim appears calmly mouthing a prayer. **It**

takes nearly two minutes of graphic knife-carving to sever the Christian's head, which is then held aloft to more Islamic cries and slogans of victory.

Visibly distraught, Tawfiq Okasha, the host, asked: "***Is this Islam? Does Islam call for this? How is Islam related to this matter?... These are the images that are disseminated throughout the electronic media in Europe and America.... Can you imagine?***" Then, in reference to Egypt's Muslim Brotherhood and Salafis, whose political influence has grown tremendously, he asked, "**How are such people supposed to govern?**"

In fact, only the other day a top Egyptian Salafi leader openly stated that [no Muslim has the right to apostatize](#), or leave Islam, based on the canonical hadiths, including Muhammad's command, "**Whoever leaves his religion, kill him.**" Islam's most authoritative legal manuals make crystal clear that apostasy is a capital crime, punishable by death.

The first "righteous caliph," a paragon of Muslim piety and virtue, had tens of thousands of people slaughtered—including by burning, beheading, and crucifixion—simply because they tried to break away from Islam. According to the *Encyclopaedia of Islam*, the most authoritative reference work on Islam in the English language, "there is unanimity that the male apostate must be put to death."

Finally, a word on the "prayers" or supplications to Allah made by the Muslim executioners in the video: these are standard and formulaic. It is not just masked, anonymous butchers who supplicate Allah as they engage in acts of evil; rather, top-ranking Muslim leaders openly invoke such hate-filled prayers.

**See here for examples of prominent Muslims supplicating Allah to strike infidels with cancer and disease "till they pray for death and do not receive it," and even formalized prayers in Mecca, blasted on megaphones as Muslims pilgrimage and circumnavigate the Ka'ba, supplicating Allah to make the lives of Christians and Jews "hostage to misery; drape them with endless despair, unrelenting pain and unremitting ailment; fill their lives with sorrow and pain and end their lives in humiliation and oppression."**

**Video: Taliban shoot woman 9 times in public execution as men cheer**

By the **CNN Wire Staff**--Sun July 8, 2012--**Kabul, Afghanistan (CNN)** -- A shot rings out, but the burqa-clad woman sitting on the rocky ground does not respond.

The man pointing a rifle at her from a few feet away lets loose another round, but still there is no reaction. He fires a third shot, and finally the woman slumps backwards.

But the man fires another shot. And another. And another. Nine shots in all.

Around him, dozens of men on a hillside cheer: "God is great!"

Officials in Afghanistan, where the amateur video was filmed, believe the woman was executed because two Taliban commanders had a dispute over her, according to the governor of the province where the killing took place.

Both apparently had some kind of relationship with the woman, said Parwan province governor Abdul Basir Salangi.

"In order to save face," they accused her of adultery, Salangi said.

Then they "faked a court to decide about the fate of this woman and in one hour, they executed the woman," he added.

By John Scheerhout, Manchester Evening News – "A victim of the child sex grooming scandal that shocked the country has spoken of her relief after its 'vile' mastermind was finally unmasked.

Shabir Ahmed, 59, **can today be named as the leader of the group of Asian men who raped, abused and exploited vulnerable teenage girls in Rochdale.**

He was jailed last month for 19 years alongside nine other members of the gang.

But his identity has remained a secret for legal reasons – until now.

Ahmed can finally be named **after being convicted of 30 counts of rape against a young** girl in a separate case. Police said the victim had been 'systematically' raped during a 'horrific' campaign of abuse that lasted many years.

Ahmed, of Windsor Road, Oldham, had denied the allegations but was found guilty at Manchester Crown Court.

He claimed the girl had made up or imagined her ordeal – **and smirked as the jury rejected his lies.**

One father, who watched from the public gallery as Ahmed was convicted in the latest case, said: **'He is horrible, evil – the vilest, most perverted individual.'** [Read more.](#)

### **More Rotten Fruit from the "Religion of Peace": Egypt's "first sex-slave marriage" took place mere days after the Muslim Brotherhood's Muhammad Morsi was made president.**

Last Monday, on the Egyptian TV show called "the truth", a journalist showed a video-clip of a **Muslim man, "marrying" his slave**. Before making the woman, who has a non-Egyptian accent, repeat after him certain verses of the Koran's, instead of saying the usual "I marry myself to you," **the woman said "I enslave myself to you," kissing him in front of an applauding audience.**

Then, even though she was wearing a hijab, her owner-husband declared that she is forbidden from such trappings and commanded her to be stripped of them, **so as "not to break Allah's laws."** She took her veil and abaya off, revealing, by Muslim standards, a seductive red dress (all the other women present were veiled). The man claps for her and the video-clip (which can be seen [here](#)) ends.

The man, who identified himself as an Islamic scholar who studied at Al Azhar and is an expert at Islamic jurisprudence, then appeared on the show, **giving several Islamic explanations to justify his marriage, from Islam's prophet Muhammad's "sunna," or practice, of "marrying" enslaved captive women, to Koran 4:3, which declares: "Marry such women as seem good to you, two and three and four... or what your right hands possess."**

**...according to Islamic doctrine and history, she is simply a sex-slave. Linguistic evidence even suggests that she is seen not as a human but as a possession.**

Even stripping the sex-slave of her hijab, the way Awn did, has precedent. According to Islamic jurisprudence, whereas the free (Muslim) woman is mandated to wear a hijab, **sex-slaves are mandated only to be covered from the navel to the knees—with everything else exposed.** Awn even explained how Caliph Omar, one of the first **"righteous caliphs," would strip sex-slaves of their garments, whenever he saw them overly dressed in the marketplace.**

**Awn further went on to declare that he believes the idea of sex slave marriage is ideal for today's Egyptian society.**

### **More Evil, Debauched Fruit of the "Religion of Peace" Islam--Female Genital Mutilation: Summer of Horror for British Muslim Girls (Warning Inappropriate Image around the 6:00 minute mark): <http://www.radicalislam.org/videos/female-genital-mutilation-summer-horror-british-muslim-girls>**

**One Response to the Above Video Says:**

[Harry Tapp](#)

**You might want to read the Quran/Hadith and study the history of Islam before supporting it....**I always thought Allah was the same God that I believed in. When the Gaza strip flotilla event happened a little over a year ago I became curious and began to investigate. This led me to Islam, Mohammed, and the Quran/Hadith, **the more I read the more I saw a god that I would not want to know. The last 1400 years up to current events are Islam in action. Sharia the threat to America (Google it) reveals the Islamic strategy to dominate the world.** Three forms of jihad - peaceful, violent, silent. We are experiencing the silent with the Muslim Brotherhood doing the work and CAIR providing cover. They don't integrate they isolate build in numbers with high birth rates and immigration then assimilate cultures. All the while building Mosques placing their people in key positions and manipulating the courts to push for Sharia. Islam is a fascist totalitarian ideology that operates under the guise of being a religion to gain acceptance. Have a look at Bukhari, volume 9, book 87, number 111 where Islam

started with Mohammed in the cave of Hira in 610 AD. **The angel physically assaulted, caused fear and terror which ultimately led to suicide attempts. Does this sound like an angel of God?**

Mohammed (**the serial pedophile**) is the political, military, spiritual leader and he is the ONLY one that god speaks to. How convenient. Convert or die, talk bad about me or Allah you die. Non believers and the disobedient suffer pain in this life and the one after. the only way to insure paradise is martyrdom and the reward is eternal luxuries of food, drink and virgins for endless copulations. What a deal :-)

**My God is bigger than that and has plans that go far beyond our ability to comprehend. Time to wake up America turn back to the face of God and drive out Islam...**

**Brothers in Egypt Ruthlessly Slaughter Their Own Mother, Aunt & Sister**

Tue, June 12, 2012 by Raymond Ibrahim

According to yesterday's edition of [Yom7](#), two brothers in a village in Assuit, Egypt, slaughtered their mother, sister, and aunt, **"after discovering their sister's actions were contrary to morality."**

After chaos erupted in the house, including gunfire, local police surrounded and broke into the home, only to find the aunt, a 55-year-old housewife, **"with her head sliced off"**; the mother, a 55 year old housewife, **found "drowned in blood by the entrance of the house"**; and the sister, a 39 year old widow, **found butchered in a room.**

The two brothers—were subsequently arrested, and confessed to the murders in detail.

**Such slayings are not rare occurrences in the Islamic world, and even in the West—wherever there are Muslims. A day before this story emerged, a Muslim man in Germany beheaded his wife in front of their six children—while screaming "Allahu Akbar!" or "Allah is greater!"—"throwing her dismembered head from the roof of their apartment."**

by Itamar Marcus and Nan Jacques Zilberdik

Yesterday Ibrahim Hamed (**who orchestrated suicide bombings in which more than 45 Israelis were murdered**) was sentenced by Israel to 54 life sentences in prison.

**The Palestinian Authority views terrorists like Hamed who have orchestrated suicide bombings as heroes. Recently Palestinian Media Watch reported that PA TV twice broadcast a video dedicated to Hamed and other terrorists serving multiple life sentences for murders, calling them "brave prisoners" and flashing their pictures on the screen.**

Hamed, who planned and organized numerous suicide bombings including the ones at **Hebrew University (9 killed), Cafe Moment (12 killed), and Cafe Hillel (7 killed)**, **was among the terrorists specifically mentioned by PA Chairman Mahmoud Abbas, when he publicly wished for their release.** Speaking at a PA ceremony celebrating the release of Palestinian terrorist prisoners by Israel in exchange for Hamas-captured soldier, Abbas said:

**"We now see some of the most prominent among them [released] and the rest, Allah willing, will be [freed] soon, very soon.."**

Abbas Al-Sayid who was also **praised by Abbas is serving 35 life sentences for planning two suicide bombings including the Passover Seder bombing that murdered 30.**

The PLO's Ambassador to India, Adli Sadeq, has **referred to Hamed as one of the "fighters who**

carried out quality operations."

**'Israel ... will turn into ashes within seconds' Mahdi fever fueling confidence behind reckless rhetoric, threats**

**By Reza Kahlili**

A senior Iranian cleric is warning Israel that if it attacks the Islamic state's nuclear facilities, it will be burned to the ground.

In an event dubbed "Followers of Hidden Imam," Ayatollah Khatami, a member of the Assembly of Experts and the substitute Friday Prayer leader of Tehran, said, "Should Israel commit madness, it will turn into ashes within seconds," according to Fars News Agency.

Shiites believe their 12th Imam, Mahdi, will reappear at the end of times and kill all infidels, raising the flag of Islam in all four corners of the world.

The attendants at Tuesday's event, which was organized by the cultural center for the "Hidden Imam" in the city of Shiraz, discussed actions needed for the reappearance of the last Islamic messiah.

"The followers of the Imam have one thing in common, and that is a love for martyrdom (Well they can only love martyrdom once) and complete submission to their leader," Khatami said.

"The heartbeat of the nuclear issue is in the hands of the supreme leader (Ayatollah Ali Khamenei), and the decision of what to do with America is only upon him."

As revealed in the Iranian documentary "The Coming Is Upon Us," centuries-old hadiths have predicted the current climate in the Middle East – the fall of Saddam Hussein in Iraq and Hosni Mubarak in Egypt, and the events in Afghanistan and other parts of the region – which has Iran's radical leaders excited the time for Mahdi's reappearance is ever closer.

More importantly, the hadiths cited in the documentary said the two most important events that would trigger the coming would be the death of Saudi King Abdullah (who is currently very ill) and then the destruction of Israel.

[An editorial](#) in the Iranian Keyhan newspaper on Wednesday laid out the plans for the coming and said: “For the Zionists and the Christians, who know the miserable destiny of the Jews, they themselves are followers of evil and are damned in the kingdom of Allah,” the editorial said, calling Khamenei the deputy of the last Islamic messiah on earth and Hassan Nasrollah, the leader of the Lebanon terrorist group Hezbollah, his commander.

[Psa 89:4](#) Thy seed will I establish for ever, and build up thy throne to all generations...

[Rom 11:2](#) God hath not cast away his people which he foreknew.

[Rom 11:11](#) ¶ I say then, Have they stumbled that they should fall? God forbid: but [rather] through their fall salvation [is come] unto the Gentiles, for to provoke them to jealousy.

[Rom 11:25](#) For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in.

[Rom 11:26](#) And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob:

[Rom 11:27](#) For this [is] my covenant unto them, when I shall take away their sins.

[Rom 11:28](#) As concerning the gospel, [they are] enemies for your sakes: but as touching the election, [they are] beloved for the fathers’ sakes.

“There is clarity in the words of Allah in regards to the Jews – ‘they broke their oath, therefore we damned them and made their hearts out of stone’ – so that they cannot be forgiven.”

The followers of the “Hidden Imam,” the editorial says, are those whose “hearts are of steel; they have no doubt about God, they are solid as a rock, their victorious flag will

### 22 rockets from Gaza; 150 in six days...

Gaza-based terrorists fired 25 rockets into southern Israel on Saturday, causing damage to a school and factory. The latest attacks bring the total number of rockets and other projectiles fired from the Strip to approximately 150 over the past six days.

Amid reports from Gaza Saturday night that Hamas was now seeking a ceasefire, security sources said "quiet will be met with quiet, but further rocket fire will be met with further fire [from Israel]."

### Israel: The last rocket hit the graveyard in Magen

by [ivarfjeld](#)

My Jewish friends in Magen live under the constant threat of Koran-based Islamic terrorism. **Even the Basket ball court in Magen has a bomb shelter. They have 15 seconds from Code Red to take cover.**

Published: 24.02.12:

[Source:](#) Ynetnews.com

My comment:

I have friends in the kibbutz of Magen.

This Kibutz is located 4,5 kilometers from Gaza, inside mainland Southern Israel.

Thursday evening my Jewish friends came under yet another attack from Gaza.

One of the four rockets fired into Eshkol Regional Council, exploded inside the grave yard of Kibutz Magen.

Siwan explains:

*"It was around 11 pm, and I was in bed with our firstborn newborn son. When Code red is sounded, we have 15 seconds to run to the bomb shelter. There was obviously no time to run".*

*"My husband, our son and I took shelter in the kitchen. Than came the sound of a huge explosion", explains Siwan.*

**Please understand that Islamic terrorists do not work for "peace". They work for the total destruction of the Jewish homeland.**

**Koran-based Islam is like a cancer. It has not only crippled the Arab World for the last 1000 years. It wants to export its violence, evil and wickedness to all free and democratic Western socialites.**

When the Messiah returns to Earth, the enemy of the truth shall face an iron rod in Zion.

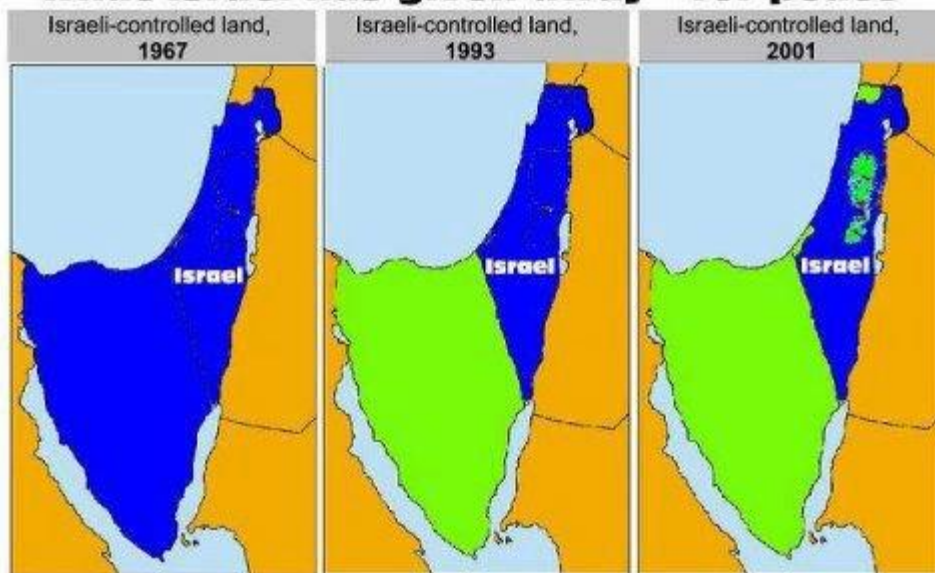

**Zec 14:12 ¶ And this shall be the plague wherewith the LORD will smite all the people that have fought against Jerusalem; Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth.**

### Israel & the Consequences of Taking Her Land

## What Israel has given away – for peace

<http://www.jewishindy.com/modules.php?name=News&file=article&sid=9488>

Israel is a Jewish democratic nation **1/19th the size of California**, and is one of the smallest nations on the face of the earth. With only about 8,000 sq. miles of land mass it is **roughly two times the size of Rhode Island**. Israel is 260 miles at its longest, has a 112-mile coastline, is 60 miles at its widest, and between 3 and 9 miles at its narrowest. **The nation of Israel is surrounded by twenty-two hostile Arab/Islamic dictatorships that are 640 times her size and 60 times her population.** Arab propagandists call Israel "expansionist." There is NO truth to this statement as Israel, occupies **one-sixth of one percent** of the lands called Arab. There are 13 million Jews in the world (almost 5 million fewer than they were in 1939) and 300 million Arabs and 1.4 billion Muslims.

### Muslim Cleric: Jerusalem to be Capital of Egypt Under Mursi Rule

By Rachel Hirshfeld, U.S.--6/9/2012

If Muslim Brotherhood candidate **Mohammed Mursi** were to become president (which he did become on June 30<sup>th</sup>), Egypt's capital would no longer be Cairo, **but would be Jerusalem**, a prominent Egyptian cleric said at a presidential campaign rally, which was aired by an Egyptian private television channel. Specifically he said "Our capital shall not be Cairo, Mecca or Medina. **It shall be Jerusalem with God's will. Our chants shall be: 'millions of martyrs will march towards Jerusalem,**" according to the video aired by Egypt's religious *Annas TV*.

The video, which went viral after being posted on YouTube, was translated into English by The Middle East Media Research Institute (MEMRI).

"**The United States of the Arabs will be restored on the hands of that man [Mursi] and his supporters.**," Hegazy said, as the crowds cheered, waving Egyptian and Hamas flags.

"**Tomorrow Mursi will liberate Gaza,**" the crowds chanted.

"**Yes, we will either pray in Jerusalem or we will be martyred there,**" Hegazy said.

Hegazy's speech came during a **presidential campaign rally** at the Egyptian Delta city of Mahalla, where Mursi attended along with the Muslim Brotherhood Supreme Guide Mohammed Badei and other supporters.

**New Muslim Tracts--Camel's in the Tent**

## The Sky Lighter

## A Germans View of Islam

**The author of this article writes:** This is by far the best explanation of the Muslim terrorist situation I have ever read. His references to past history are accurate and clear.

Not long, easy to understand, and well worth the read. The author of this email is said to be Dr. Emanuel Tanay, a well-known and well-respected doctor.

### A German's View on Islam

A man, whose family was German aristocracy prior to World War II, owned a number of large industries and estates. When asked how many German people were true Nazis, the answer he gave can guide our attitude toward fanaticism.

**'Very few people were true Nazis,' he said, 'but many enjoyed the return of German pride, and many more were too busy to care.**

I was one of those who just thought the Nazis were a bunch of fools. **So, the majority just sat back and let it all happen. Then, before we knew it, they owned us, and we had lost control, and the end of the world had come. My family lost everything. I ended up in a concentration camp and the Allies destroyed my factories.'**

We are told again and again by 'experts' and 'talking heads' and the American President Obama that **Islam is the religion of peace and that the vast majority of Muslims just want to live in peace...** It is meaningless fluff, meant to make us feel better, and meant to somehow diminish the spectre of fanatics rampaging across the globe in the name of Islam.

**The fact is that the fanatics rule Islam at this moment in history. It is the fanatics who march. It is the fanatics who wage any one of 50 shooting wars worldwide. It is the fanatics who systematically slaughter Christian or tribal groups throughout Africa and are gradually taking over the entire continent in an Islamic wave. It is the fanatics who bomb, behead, murder, or**

honour-kill. It is the fanatics who take over mosque after mosque. It is the fanatics who zealously spread the stoning and hanging of rape victims and homosexuals. It is the fanatics who teach their young to kill and to become suicide bombers.

**The hard, quantifiable fact is that the Islamic majority, the 'silent majority,' is cowed and extraneous.**

Communist Russia was comprised of Russians who just wanted to live in peace, yet the Russian Communists were responsible for the murder of about 40 million people. The peaceful majority were irrelevant. China's huge population was peaceful as well, but Chinese Communists managed to kill a staggering 70 million people.

**The average Japanese individual prior to World War II was not a warmongering sadist.**

**Yet, Japan murdered and slaughtered its way across South East Asia in an orgy of killing that included the systematic murder of 12 million Chinese civilians; most killed by sword, shovel, and bayonet.**

And who can forget Rwanda, which collapsed into butchery. Could it not be said that the majority of Rwandans were 'peace loving'?

History lessons are often incredibly simple and blunt, yet for all our powers of reason, we often miss the most basic and uncomplicated of points:

- **Most Muslims have been made irrelevant by their silence.**
- **Most Muslims will become our enemy if they don't speak up, because like my friend from Germany, they will awaken one day and find that the fanatics own them, and they will be Islamically bound to go along with their plans of annihilation of the infidels.**
- **Peace-loving Germans, Japanese, Chinese, Russians, Rwandans, Serbs, Afghans, Iraqis, Palestinians, Somalis, Nigerians, Algerians, and many others have died because the peaceful majority did not speak up until it was too late. As for us who watch it all unfold, we must pay attention to the only group that counts--the fanatics who threaten our way of life.**
- **Lastly, anyone who doubts that the issue is serious and just deletes this email without sending it on, is contributing to the passiveness that allows the problems to expand. So, extend yourself a bit and send this on and on and on! Let us hope that thousands, world-wide, read this and think about it, and send it on - before it's too late.**

**"In Germany, the Nazis first came for the communists, and I did not speak up, because I was not a Communist.**

**Then they came for the Jews, and I did not speak up, because I was not a Jew.**

**Then they came for the trade unionists, and I did not speak up, because I was not a trade unionist...Then they came for me... and by that time, there was no one to speak up for anyone."**

**PA youth taught that suicide terrorists are "greatest role models" on EU-funded NGO's TV program**

[http://palwatch.org/main.aspx?fi=157&doc\\_id=6957](http://palwatch.org/main.aspx?fi=157&doc_id=6957)

by Itamar Marcus and Nan Jacques Zilberdik

Last week, **Israel transferred the bodies of 91 terrorists including numerous suicide bombers to the Palestinian Authority. A PA TV program for youth, *Speak Up*, glorified the 91 terrorists saying they were:**

**"More honored than all of us... They are the greatest role models for us."**

The TV program is co-produced by PA TV and PYALARA, a program for youth **funded by the EU, *Save the Children* and other international donors.**

**The following is the statement on PA TV honoring the terrorists:**

"Unfortunately, we or even embrace them (the terrorists), but were satisfied standing before their bodies...before their sanctified message: The homeland won't die, but we will die for it. **These [Martyrs] are more honored than all of us... They are the greatest role models for us**, not only because they fought and struggled for the homeland, but also because they went beyond the sacrifice [of] strain and effort, to the stage where they actually sacrificed their lives for the homeland."

[Palestinian Media Watch](#) reported that the PA leadership participated in a national funeral treating these 91 terrorists as heroes and Islamic Martyrs. At the funeral, suicide bombers and other terrorists were presented as role models for others to "follow in their path":

This is the second time in a few weeks that EU-funded **PYALARA has chosen to glorify terrorists. In May, PYALARA, on its other PA TV program Jerusalem Scenes, honored Palestinian terrorist prisoners serving multiple life sentences for planning suicide bombings that murdered many Israelis.**

The mother of one of the terrorists who is serving 26 life-sentences said on TV:

**"I am proud and pride myself on having a son in prison."**

The father-in-law of another terrorist who is serving 60 years told the PYALARA interviewer:

**"I always remember Alaa - a person of exalted moral values."**

***The following is the transcript of the PA TV's visit to the homes of terrorist prisoners on the program Jerusalem Scenes, produced jointly by PYALARA and PA TV:***

**PA TV host:** "More than 250 prisoners from Jerusalem are held in the occupation's prisons, most of them on a hunger strike. It is our duty to visit the families of some of the prisoners, to hear from them and **to see how they encourage their children to continue in the path of their struggle** against the Israeli occupation.

**PYALARA and Speak Up** [[http://www.pyalara.org/about\\_us.php?lang=1](http://www.pyalara.org/about_us.php?lang=1)]

**PYALARA's website lists the following as sponsors:**

[<http://www.pyalara.org/donors.php?lang=1>]

The TV host telling youth to view terrorists and suicide bombers as "role models" corresponds with PYALARA's agenda, as its website states that creating "role models" is one of the important purposes of its TV program:

"The greatest success of [the youth program] *Speak Up* comes from its peer-to-peer approach, in which young people act as **role models** and reach out to their own peers through their active role..." [<http://www.pyalara.org/tv.php?id=9&lang=1>]

### Obama's pal Louis Farrakhan praises Sharia law, threatens 'Death' Unless 'America Submits', Allah Will 'Bring Down' America's Skyscrapers

The vile race baiter, inciter, white hater, Jew hater, America hater Louis Farrakhan..... and best friend to Obama's spiritual mentor, Jeremiah Wright, is laying it out for us, friends: Allah Will 'Bring Down' America's Skyscrapers: Horrific New Farrakhan Audio Praising Sharia Law and Threatening 'Death' Unless 'America Submits' [Billy Hallowell](#)

The Islamic Minister Louis Farrakhan isn't one to avoid controversial language. In his Sunday address in San Diego, the Nation of Islam leader slammed Israel among other things said.

During the last 10 minutes, the fiery Farrakhan erupted with fervency, applauding the violence of sharia law and giving some cryptic warnings to America regarding Iranian intervention.

**Muslim's are exempt From Obamacare but Christians who refuse to pay, liens can be placed against assets and hard prison time could accompany noncompliance.**

By **Herbert London**--May 11, 2012--"Equal protection"? **Muslims are exempted from the mandate because insurance is *haram*.**

In a curious way **the privilege granted Muslims and denied to most others translates into what Muslims call "dhimmitude," or the taxing of non-Muslims in exchange for the acceptance of their presence. Intentionally or not, ObamaCare allows for the establishment of this practice and Sharia dictates in the United States. Conversely, if a Christian refuses to pay for required health care insurance, liens can be placed against assets and hard prison time could accompany noncompliance. Non-Muslims are, in effect, paying a tax to subsidize Muslims.** Whether one accepts the proposition, cross-subsidization is built into the law: the young are coerced into underwriting the elderly and **non-Muslims are being coerced into subsidizing Muslims.** Taking from Peter to give to Paul usually pleases Paul. But the question of fairness remains, as does the "equal protection" clause in the Constitution. **Ultimately the public will ask why some should be favored to the exclusion of others.**

It is certainly odd that the U.S. circa 2012 has become *Animal Farm*, with privilege granted to some and not others. Equal protection is now simply one of those clichés honored more in the breach than in practice. **There may be many reasons for opposing ObamaCare, but none (other than the huge funding of Planned Parenthood under Obama Care)** is more important than the illogic of differential treatment.

**By arguing the Muslim view that insurance is *haram*, legislators open themselves up to further manipulation. What is likely to be next? Are there other concerns Muslims consider inappropriate because of the demands of Sharia? At what point does this form of "soft extortion" end? When it comes to Muslims it never will!**
