**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

**II Chronicles 7:14:** "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

THIS IS REAL [www.StopTheCrime.net](http://www.StopTheCrime.net) The image (Map) is from the White House website and the technologies and methodologies are described in the NASA - Future of War Circa 2001 and additional comments are contributed by Dr. A. True Ott . . .We are continuing with further investigation on this and if you know anyone that can contribute please contact us . . .  
Comments that follow are from Dr.A True Ott -  
You know what the NASA War document outlines. You know the "silent weapon" document. I know the DIGITAL GWEN signals - and I know without a doubt the specific harmonics needed for mass mind control.

Do you know what the "X-Factor" to their pulsed ELF (extra-low-frequency) mind control happens to be? Something called NEGATIVE OXYGEN IONS. Let me try to sum up in 6th grade language. The oxygen we breath is composed of two oxygen molecules bound together. If the oxygen molecule is stripped of electrons, it becomes

POSITIVELY charged. Conversely, if there are EXTRA electrons attached to the oxygen, it becomes NEGATIVELY charged. STUDY after STUDY after STUDY on this (largely by DARPA, Stanford Research Institute (SRI) and CIA MK Ultra) during the 60's and 70's showed that humans breathing negative oxygen ions have markedly better cognitive reasoning skills, are much less likely to be mind-controlled on a massive scale, and more importantly - are much more physically healthy. Negatively-charged oxygen ions are vitally important for healthy humans.

Now you must understand that the PRIMARY SOURCE of negative oxygen ion GENERATION is the seashore. The waves of the salty surf crashing onto the coastline rocks and sand 24/7 generate MASSIVE NEGATIVE IONS OF OXYGEN - which in turn supplies the entire nation with what can best be described as "good vibrations" (sorry Beach Boys!) Prevailing winds then circulate the negatively charged oxygen ions throughout the nation.

What strikes me immediately is the fact that these DIGITAL WAVE SIGNALS as shown on the map, are specifically only heavily concentrated along America's coastlines, and nowhere else. It appears to me as if TPTB are seeking to electromagnetically strip electrons from the air. I can see no other reason for this, frankly. The net result will, to me, simply result in a much more chemically depressed national population - and viola - a much more easily mind-controlled nation.

## **The U.S. Governments "Secret" Crime of Organized Stalking and Electronic Torture Against American Citizens . . .**

posted on [StopTheCrime.net](http://StopTheCrime.net) . . .

Learn About the Mind Control and Torturous Electronic Targeting of Individuals . . . this is Body and Brain Rape!

Our reality is NOT what we Think . . . we have been manipulated by FEAR - Massive Media Propaganda and a subverted educational system by an Agenda that has been Hiding in Plain Site . . .

Keep in mind that AMERICA is no longer under the Constitution or rule of law . . .

AMERICA is U.S.A, Inc. controlled by international bankers and mega corporations that are posing as a legitimate government and are not . . . So one must ask WHY are the targeted victims asking the president to HELP them? (as you will read in the link below)

The president is a "puppet" controlled by the international banking cartel and is committing these crimes as dictated by the bankers and the military industrial complex . Mission Accomplished. . now Earth, Inc. - Slavery and Genocide Programs - no morals, no ethics, no mercy . . .

To validate what has just been said please read the "Silent Weapons Quiet Wars" which is the international bankers policy for slavery and genocide. War has been declared by the bankers against all global citizens . . .The bankers tell us whenever you have a few wealthy groups in a position of great power and who are able to manipulate global

economies without the consent of the people a state of war has been declared by the groups with the power against the people . . . A Declaration of War using a silent weapons system has been implemented against the masses - against us . . .

<http://groupstalkingbyindians.blogspot.com/2013/07/letter-published-to-obama-on.html>

It is important to realize that we must all learn the facts about what is happening to many fellow countrymen and women - and rather than labeling them CRAZY understand that these programs of stalking, electronic torture, mind control, surveillance, etc. are REAL - and these programs are in FULL operation . . . Read the "Matrix Deciphered" by Robert Duncan and investigate for yourselves the technologies and military operations now under the silent weapons system . . .

Go to [StopTheCrime.net](http://StopTheCrime.net) - to the mind control link to learn more and read the "Silent Weapons Quiet Wars" . . .and take a look at the "NASA WAR Plan" . . .

### **Elite Underground Tunnels & Cities Completely Stocked As Of March 2013**

Monday, August 12, 2013--Back in March of 2013, Beforeitsnews carried [this story](#) confirming that there are indeed underground cities beneath America and that they were being 'stocked up', as confirmed by a truck driver, also in this video. These tunnels and cities stretch from Area 51 to the Denver International Airport (NWO home base), from Maine to Washington DC (now we know what they were 'building' under the White House). This compilation video explores all the proof that we now have that the 'elite' are preparing for 'something big' and that their 'underground bunker systems' were completely stocked up as of March 2013. With talk of impending 'doom' ranging from economic collapse to an approaching 2nd Sun and a pole shift on our sun, there's a wide range of disasters they might be preparing for.

**Are these machines causing all of the sinkholes and unexplained loud 'booms' across the country as the Earth beneath our surface is displaced?**

How does the Denver International Airport fit into all of this? Will the DIA really be the next capitol of the United States and if so, what does that mean for our collective future?

This map below purports to be from Majestic 12 showing the US governments underground bunker and tunnel system on the Western half of America. Is this real or some kind of a hoax?
