Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**TRANSFORMATIONAL FESTIVALS--DWARFING Burning Man—
TOMORROWWORLD: THE LARGEST "GLOBAL" HEADONISTIC PAGAN
FESTIVAL IN US HISTORY JUST HELD IN ATLANTA GEORGIA--26-27-28
SEPTEMBER 2014**

https://en.wikipedia.org/wiki/Transformational_festival

FACT: The largest global Transformation Festival (Tomorrowland) ever held in the US, DWARFING Burning Man by comparison in size, reach and global scope will be in Georgia this September, 2014 (it changes countries annually for the past ten years). This year it will have nearly 200,000 participants for three straight days, and broke every record for global ticket sales for ANY type of event including the Olympics and Superbowl, when it sold out of the 180.000 tickets available electronically in ONE SECOND, with two million attempted simultaneous

purchases. Why is no one covering this? At this point there seems to be no evangelical outreach and a very small number of Christian's are even aware. The father and son from Nevada below, who have been witnessing outside of the Burning Man festival, the father since 1997, are the only ones they see at that event. **So imagine this will have little to no outreach, little prayer, warning and exposure at this point two weeks out.**

Deut. 18:12 For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.

Deut 18:13 Thou shalt be perfect with the LORD thy God.

Jeremiah 7:28: "But thou shalt say unto them, **This is a nation that obeyeth not the voice of the LORD their God, nor receiveth correction: truth is perished, and is cut off from their mouth.**"

Luke 16:15b: "...God knoweth your hearts: **for that which is highly esteemed among men is abomination in the sight of God.**"

Isaiah 66:3-4: "...Yea, they have **chosen their own ways, and their soul delighteth in their abominations. I also will choose their delusions,** and will bring their fears upon them; **because when I called, none did answer; when I spake, they did not hear: but they did evil before mine eyes, and chose that in which I delighted not.**

Psalm 97:10: "**Ye that love the LORD, hate evil...**"

In the interview I posted below a father and son from Nevada are on the call and are set up and witnessing for Jesus Christ at the Burning man festival this year.

As the host said near the end of the interview, this is something that he does not see other podcasters or the Church engaging, truly aware of, or prepared to engage. I would agree. This interview woke me up as it was not in my vernacular, let alone on my radar.

The fact that it sold out globally in one second, according to Mr. Tiechrib, setting an unprecedented record for ANY type of event, really show the seriousness of this movement. Also that dialogue on this in the Christian community seems to truly been completely off the radar for most.

The father and son said they are the only ones they have ever seen outside the Burning Man festival witnessing for Christ. **That too is a very important reason to spread the word, as there would seem to be a huge need to both have people at these festivals to witness and also bring this movement to light.** This interview, linked below, with Carl Tiechrib is **about how these "transformational festivals" are occurring, such as Burning Man, with a plethora of other "transformational festivals" with similar and diverse names, around the world. They represent a foreshadowing of the direction of the secular culture in just a few years that will be mainstream according to Carl. Many of the thinkers from CEO's and the very rich, to college professors, artists and philosophers to many youth and college students, to drifters and hitchhikers are among those who attend these festivals. The CEO and corporate executives in marketing and advertising are able to have personal, active participation and intermingle in order to see and experience where art and culture are moving in a "post modern world".**

They are celebrating their unity via group experience. That is what transformational festivals are all about according to the interview. This movement seems to be diametrically opposed to Christianity and is very focused against only it as a religion.

Carl says he recently learned of between 150-

200 of these types of festivals. He researched further and the number of attendees in the smaller festivals ranged from perhaps three hundred or so to ten thousand.

He further went on to say that there are many, many more appearing and it is an "exploding phenomena" .

The Tomorrowland Festival, which he discussed and had close to 200,000 attendees, was held last year, if memory serves, in Belgium. It is being held outside of Atlanta during the end of this September, 2014. Next year the location

is Brazil. The list of future countries is listed on very high end Tomorrowland website.

One astounding bit of info is regarding the sales for this event. Carl said in the interview that they had 180,000 tickets for sale for the Atlanta festival. At the time the sale went online, two million people attempted to buy tickets, from all parts of the world, the minute they went on sale. All 180,000 tickets were sold out in just a second. Yes one second according to Carl. He said it broke all records for any type of event ever. Planes are painted and decorated from Brazil and other places around the world to send the participants.

There are many similarly named festivals from the Burningman festival. Many others with different names and are unrelated, except for the spirit of the global movement, along with the largest of them all, the Tomorrowland festival, which is more dance and rave based.

Carl calls them the book ends of history as they represent the "Oneness" movement that is primeval in nature and going back to the tower of Babel. He believes that this is all coming quickly full circle.

They also go a bit into the above mentioned Oneness religion and the increasing open hostility to witnessing that is occurring, as seen by the father and son team. The father has been going there (on and off since 1997) witnessing.

In this interview, which the host says is one of the most informative and important interviews he has ever done, it is stated that the energy, attendance and money is something the Emerging Church is emulating.

These festivals according to Carl create new myths and new narratives for this new post modern culture. They also discuss how this ties in with Common Core and the World Core via Robert Mueller.

Please consider listening to the interview and doing a teaching on this, if one person (due to your study) changes course and is Saved it will be all worth it; and I believe many may decide not to attend and also if many people can pray against it or go and witness outside of it, a great work can be

done for the Lord against this evil in your southern backyard Brother Scott.

As Carl says their cultural significance is far bigger than the Olympics with these transformational festivals in their combined effect on the culture in the US and all over the world. I believe someone needs to warn, inform and pray against this.

PA TV has broadcast many Palestinian mothers who have expressed joy over the deaths of their children in the Israeli-Palestinian conflict, because it grants the deceased the exalted Shahada status - Martyrdom-death for Allah, which bestows many rewards on the "Martyr" and his family.

Scott Pelley: **Do you have any idea how many men were killed in that massacre?**

Sayid: **I think about 380.**

Scott Pelley: **And how many survivors?**

Sayid: **Ten to 12.**

He told us, **as the ISIS fighters were finishing off the victims, a plane flew overhead and scared them away. He and his brother, who'd been shot three times, crawled out of the mass grave.**

Scott Pelley: **After the shooting stopped, what happened to the women? What happened to you?**

Nadaya: **They told us to come downstairs. They took our IDs, phones, our gold. They even ripped the gold earrings out of some of the kids' ears. ISIS used the local villagers trucks, started loaded up 16 to 20 women at a time and taking us away. The final destination was a little town.**

Scott Pelley: **And when you got there, what happened?**

Nadaya: **There was someone at the front door. He would take off our head scarfs and rip open the front of our dresses. And he would touch us, sexually abuse us.**

Later, Nadaya was imprisoned in a house where, she says, women were given away as prizes.

Nadaya: **The very next morning a sheik from Tel-Afar came and picked up three girls for himself. Two were my friends. He had the right to take three, and an ISIS militant had to right to take one. A friend of mine, who was taken by an ISIS commander and returned, had told us, they're doing everything they please with us, raping us, sexually abusing us, and that the ISIS men would tell them if you do not convert, we will rape you all, and sell you all to ISIS militants in Syria where a young girl could be sold for about \$800.**

Muslims Take 1.5 MILLION Homeless Children, And Rape Ninety Percent Of Them, Young Boys And Girls

September 11, 2014--In the Muslim nation of Pakistan, there are **1.5 million homeless children, and Muslim men have raped and molested 90% of them.** As read from [a report:](#)

There are 1.5 million street kids in Pakistan — an estimated 90% of them have been sexually abused at some point in their lives.

Rape in Pakistan is so common, it's barely taboo. Last week the Daily Mail interviewed a bus driver from Peshawar who says, **after his shift is over, he likes to**

go into the slums and rape street kids. Sometimes he pays them a dollar. But often he doesn't – he just joins in a big gang rape.

“Once, there was a boy on the bus and everyone had sex with him,” he told the Daily Mail. “I did it too but what else could I do? They invited me. And he was that kind of boy anyway.” He says he's raped 12 different children.

This wasn't a solitary rapist, hiding in the shadows, afraid of being seen or being caught. This was men joining together, unworried about social norms, unworried about someone stopping them.

A poll of 1,800 Pakistani men found that a third don't think raping street kids is a crime – and they don't even think it's a bad thing to do.

So in Islam rape, pedophilia, and incestual rape, is extremely common. Why?

Because Islam is a cult, and all cults, once they deepen their claws into a society, will inundate it with all sorts of sadistic violence and depravity. This is why the Mormon compounds, or any cult compound, always indulge in massive child molestation, underage marriage, abuse, and rape.

And then there's so-called honour killings – where families kill their own daughters for social improprieties, real or perceived.

Every year close to 1,000 Pakistani girls are murdered by their own fathers, brothers or even mothers, for “moral indiscretions” ranging from going out on a date to dressing in western clothing to marrying the wrong man.

What a horrific, hypocritical, Satanically sanctimonious duality -- a country that has normalized the rape of children, but would rather murder its own daughters than have embarrassing gossip about them.

And this Islamic, Satanic debauchery is being imported around the globe. Rotherham, UK, has received this import: mass rape gangs. Between 1997 and 2013, that city of just 250,000 had 1,400 girls – as young as 11 – systematically “groomed,” raped and prostituted by Pakistani gangs. Fourteen-hundred out of a city of 250,000. The girls were white Christians; in the eyes of the Pakistani Muslim gangs, they were sub-human, like Pakistan's own street orphans.

Rotherham police knew all about it. But they were paralyzed with fear – fear of being called racist if they dared to act. They found the mass rape of a generation of the city's girls less intolerable than the risk of being called politically incorrect or “Islamophobic.”

British Islamic State recruits routinely rape hostages as young as NINE - and are put in suicide squads because they're seen as 'useless' fighters, says whistleblower

A purported former IS member turned whistleblower says all the group's fighters are told it is their God-given right to rape non-Muslim prisoners.

He claimed that those preparing to sacrifice themselves on suicide missions are particularly encouraged to subject prisoners to depraved sexual ordeals, and that many of those would-be martyrs are British.

He claimed that Islamic State fighters routinely rape girls as young as nine held hostage at the terror group's training camps

Among other dramatic claims, Mr Omer said:

* Islamic State fighters are promised 72 'eternal virgins' in heaven if they are martyred while fighting for the group;

* Non-Muslim women help

captive are fair game for sexual exploitation because 'God wills it';

* Some Muslim women who join the group are promised rewards in the hereafter if they willingly offer their bodies to jihadists in 'Sex for Jihad' programmes - although it is mostly commanders who benefit;

* Turkish soldiers turn a blind eye to the movements of extremists back-and-forth across the border with Syria.

Isis Spokesman says: 'Supporters Should Kill Europeans, Americans and Canadians in Any Way Possible,'

by Jack Moore, [International Business Times](#), September 22, 2014 :

An Isis spokesman has published a call to arms for Muslims around the world to kill American, Canadian and European citizens for their governments' role in a coalition against the radical Islamist group in Iraq and Syria.

Following Australia's largest terror raids and France's first air strikes on the group, Isis (also known as Islamic State) spokesman Abu Muhammad al-Adnani ash-Shami called on supporters to launch insider attacks on western populations, particularly "the spiteful and filthy French".

"If you can kill a disbelieving American or European – especially the spiteful and filthy French – or an Australian, or a Canadian, or any other disbeliever [...] including the citizens of the countries that entered into a coalition against the Islamic State, then rely upon Allah, and kill him in any manner or way however it may be," he said in a 42-minute speech released on social media.

Comment: Imagine the backlash if just one Christian on earth had given a similar speech!!!!

“Kill the disbeliever whether he is civilian or military, for they have the same ruling. Both of them are disbelievers. Both of them are considered to be waging war. Both of their blood and wealth is legal for you to destroy.”

Adnani called the coalition against the terror group a **“crusade”** and warned **Western civilians will not be safe, even in their own homes.**

“You will not feel secure even in your bedrooms,” he said. “You will pay the price when this crusade of yours collapses and thereafter, we will strike you in your homeland and you will never be able to harm anyone afterwards.”

Beheading suspect recently fired, Oklahoma police say

The **Muslim man who beheaded a woman and stabbed another woman at his Oklahoma workplace**, had recently been fired. Moore Police Sgt. Jeremy Lewis said police are waiting until Alton Nolen, 30, is conscious to arrest him in Thursday's attack. **Nolen severed the head of Colleen Hufford, 54, Lewis said. "Yes, she was beheaded,"** Lewis told The Associated Press before a Friday news conference.

Lewis said Nolen then stabbed Traci Johnson, 43, a number of times before Mark Vaughan, a reserve sheriff's deputy and the company's chief operating officer, shot him.

"This was not going to stop if he didn't stop it. It could have gotten a lot worse," Lewis said. "The threat had already stopped once we arrived."

Nolen, 30, was terminated from his job at Vaughn Foods on Thursday just before the rampage occurred.

Nolen also recently had been trying to convert co-workers to Islam, citing investigators' interviews with people.

Despite all this the **Police are classifying this Islamic Jihad attack as “workplace violence”...!!!!!!**

Nolen calls himself **“Jah’Keem Yisrael”** on his Facebook page, where he uploaded photos of himself reading the Koran and wearing Muslim religious clothing.

He also posted: **“Ima Tell You Off Top Im Not Your Friend My Friends Are At The Mosque All Around The World,”** he

wrote in a description of himself. **“Im an Muslim from the Tribe of Judah...My Ancestors Who Are The True Jews Here In America Today Are Originally From Israel. They Were Bombed Outta Israel By The Roman Catholic Army So They Fled To Egypt And The Afrikans Sold Us To The White Man As Slaves Along With Any Other Black Person Here In Amerika Today Aka The True Jews From Israel. Our Ancestors Are Originally From Israel. Were Not from Afrika.”**

Nolen's Facebook "cover" photo appears to be of several Taliban fighters, according to a Google reverse image search.

He also wrote **"SHARIA LAW IS COMING!!!!"** alongside a picture of Pope Benedict XVI. He posted [a photograph](#) in March of a **protester holding a sign saying, "Islam Will Dominate the World. Freedom Can Go To H***."**

'Alton Nolen was convicted in January 2011 of multiple felony drug offenses, assault and battery on a police officer and escape from detention.'

'Nolen has a criminal history dating back to 2006 that includes charges of possession of a controlled substance and assault and battery on a police officer. He was imprisoned from April 2011 to March 2013 and is currently listed as being on probation.' How is he even out of prison with that record??? **And no doubt he converted to Islam in prison.**

Which is an interesting aside. A Federal Bureau of Prisons report around 9-11 pointed out that the Islamic Wahhabis were the single largest US prison proselytizing group in the US. They had huge amounts of funds behind their work from the Saudi government and had access to prisoners when other religions were 'delayed' access. Their proselytizing was frequently of a rather 'radical' nature and converted cons were more likely to be problems than not.

What was most interesting about the report **was how quickly it was made a classified' item and withdrawn from circulation after (ALLEGEDLY) an unnamed heavily-Wahhabi Mideast government raised h*** about it. They are still there handing out Korans and hatred but their access is far more quietly dealt with now.**

I don't know if this is true in all states, **but prisons in Tennessee respect all Islamic dietary and worship rules. Christians are not afforded any special access...I was told they especially observe Ramadan.**

Around DEARBORN, MI, there have been beheadings that have been quashed because of PC and Muslim police.

"On a horrifying note, one of the police officers in the jail told us that there are honor killings in Dearborn but that they get covered up by the police department. He said that he had walked into houses where girls had been beheaded or had had their throats slit. (But check the local newspapers. You won't find any mention of these crimes.)"

Several Muslims attended the press conference.

Not all at the news conf. were muslims but I'm guessing probably 30-40 were out if the 100-120 total who were there.

Fired Muslim Oklahoma City nursing home worker threatened beheading of women, police say

In a bizarre coincidence, a fired Oklahoma City nursing home employee was arrested

Friday **after a co-worker reported he threatened to cut her head off.**

<<Jacob Mugambi Muriithi, 30, is being held in the Oklahoma County jail on a terrorism complaint. His bail is set at \$1 million.

The arrest came on the same day police in Moore revealed fired Vaughan Foods worker Alton Alexander Nolen beheaded a co-worker after he was fired Thursday. Nolen is a Muslim convert.

Muriithi was identified as a native of Kenya who is living in Oklahoma City. He worked at Bellevue Nursing Home in northwest

Oklahoma City, police reported.

The co-worker reported Muriithi threatened her while they were both working at the nursing home Sept. 19, a police detective wrote in an arrest warrant affidavit.

The woman was not identified.

She said Muriithi identified himself as a Muslim and said he “represented ISIS and that ISIS kills Christians,” the detective told a judge in the affidavit. **The two had not worked together before.**

The woman said she asked him why they kill Christians and he replied, “This is just what we do,” the detective reported.

“The victim said Jacob asked her what time she got off work and she replied by asking him in a joking manner if he was going to kill her,” the detective wrote. **“Jacob told the victim, ‘Yes,’ he was going to cut her head off. The victim asked Jacob what he was going to cut her head off with and he said, ‘A blade,’ then told her after he did it he was going to post it on Facebook.**

“The victim said Jacob was serious when speaking and never made any statements that he was joking or playing around.”

[Obama Praised Muslim Cleric who Endorsed Fatwa Against American Troops...](#)

September 24, 2014 **President Barack Obama favorably quoted and praised (on Wednesday in his speech before the United Nations) a controversial Muslim cleric whose organization has reportedly endorsed the terror group Hamas and supported a fatwa condoning the murder of U.S. soldiers in Iraq.**

Obama in his remarks offered praise to controversial cleric Sheikh Abdallah Bin Bayyah and referred to him as a **moderate Muslim leader who can help combat**

the Islamic State of Iraq and (ISIL or ISIS's) radical ideology.

However, Bin Bayyah himself has long been engulfed in controversy for many of his views, including **the reported backing of a 2004 fatwa that advocated the murder of Americans fighting in Iraq.**

This is not the first time that the Obama administration has extolled Bin Bayyah, **who also has served as the vice president of a Muslim scholars group founded by a radical Muslim Brotherhood leader who has called**

“for the death of Jews and Americans,” [according](#) to Fox News and other reports.

U.S. Immigrant Population Hits All-Time High at 41.3 million

The number of legal and illegal immigrants living in the United States reached an all-time high, at 41.3 million people, in 2013, according to a new report from the Center for Immigration Studies. The U.S. immigrant population has doubled since 1990, while the general population has risen just over 20 percent. The greatest increases over the last three years in the immigrant population over the last three years, between July 2010 and July 2013, came from the Middle East, Asia, and the Caribbean. Approximately 2.5 million immigrants from "predominantly Muslim countries" reside inside the U.S. right now, a new report from the Center for Immigration Studies found. Comment: They're prepositioning their Islamic army just like they do in every country they invade and defile. This is known as stealth jihad.

[At least 40,000 illegal aliens vanish into USA just recently...](#)

WASHINGTON (AP) — For nearly three months this summer, the Obama administration carefully avoided answering questions about what happened to tens of thousands of immigrant families caught illegally crossing the Mexican border and released into the United States with instructions to report back to immigration authorities.

Homeland Security Secretary Jeh Johnson and others said they faced deportation. But it turns out that tens of thousands of those immigrants did not follow the government's instructions to meet with federal immigration agents within 15 days. Instead, they have vanished into the interior of the U.S.

The Homeland Security Department privately acknowledged that about 70 percent of immigrant families failed to report as ordered.

The government did not specify the total number of families released into the U.S. since October. Since only a few hundred families have already been returned to their home countries and limited U.S. detention facilities can house only about 1,200 family members, the 70 percent figure suggests the government released roughly 41,000 members of immigrant families who subsequently failed to appear at federal immigration offices. HOUSTON, Texas -- A large new illegal immigrant housing center will be opened in South Texas. The South Texas Family Residential Center will ultimately hold 2,400 individuals, primarily families, who were apprehended while crossing the Texas-Mexico border. During their stay at the center foreigners will be provided with taxpayer-funded "medical care, play rooms, social workers, educational services, and access to legal counsel," Breitbart Texas has learned.

[MILITARY TO ALLOW ILLEGALS TO SERVE...](#)

For the first time, the program — known as Military Accessions Vital to National Interest, or MAVNI — will be open to immigrants without a proper visa if they came to the U.S. with their parents before age 16. More specifically, they must be approved under a 2012 Obama administration policy known as Deferred Action for Child Arrivals, or DACA.

The new DoD policy may be the first phase of a broader government wide effort to ease pressure on immigrants and create new paths to citizenship. President

Obama, frustrated with the failure of Congress to pass any substantial immigration reform, has vowed to aggressively use his presidential authority to change the way immigration policies are carried out.

Network of churches provide sanctuary to illegal aliens...

A network of two dozen churches has promised to offer "physical sanctuary" to illegal immigrants facing deportation, saying they want to create a safe haven that federal officials won't invade as a way of preventing the migrants from being kicked out of the country.

The movement is the latest effort by activists trying to stop as many deportations as possible after failing to win relief from President Obama, who earlier this month temporarily shelved his plans to expand his nondeportation policies, angering Hispanics and immigrant advocates. Dubbed Sanctuary 2014, the movement consists of 24 churches in 12 cities scattered across the country that have vowed to open their doors to holding illegal immigrants facing deportation.

"All over the nation, communities of faith are saying we won't break our promise, and so

we declare sanctuary," said the Rev. Alison Harrington, pastor at Southside Presbyterian Church in Tucson, Arizona.
