**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**I Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Psalm 140:4-7:** **Keep me, O LORD, from the hands of the wicked; preserve me from the violent man; who have purposed to overthrow my goings.** The proud have hid a snare for me, and cords; they have spread a net by the wayside; they have set gins for me. Selah. I said unto the LORD, Thou art my God: hear the voice of my supplications, O LORD. **O GOD the Lord, the strength of my salvation, thou hast covered my head in the day of battle.**

**A Listener writes:** The day of battle is also the great day of the Lord God almighty...

These are beautiful words to hear, especially the word "covered" meaning a hedge of protection, to block or to stop the approach.

Please notice in conjunction with this the term "violent", this is the same word as used in

**Genesis 6:10-13** And Noah begat three sons, Shem, Ham, and Japheth. The earth also was corrupt before God, and the earth was filled with **violence**. And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth. **And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.**

That is a frightful sign of the times we are living in. It puts Matthew 24:37 in perspective **"But as the days of Noe were, so shall also the coming of the Son of man be."**

**My Comment:** **Hate to burst everyone's warm-happy-fuzzy bubble but this video is 5 years old:** This video was originally posted on **September 24, 2007**--Iranian President

Mahmoud Ahmadinejad meets leaders of Neturei Karta International ([www.nkusa.org](http://www.nkusa.org)) an anti-Zionist Jewish group on Monday, at the start of a visit to New York for the U.N. General Assembly meeting [http://www.youtube.com/watch?feature=player\\_embedded&v=R-](http://www.youtube.com/watch?feature=player_embedded&v=R-)

[r04SQ97\\_Q](#) & just as the Koran instructs to Muslims to make a pretense of friendship towards your enemies (lie to them) until the time you can subdue them and destroy them.

Muslims will do and say anything in order to advance Allah's Agenda: [Qur'an \(3:54\)](#) - "...Allah schemed against them (the unbelievers); and Allah is the best of schemers."

The Arabic word used here for scheme (or plot) is *makara*, which literally means deceit. If Allah is deceitful toward unbelievers, then there is little basis for denying that Muslims are allowed to do the same. (See also [8:30](#) and [10:21](#)) From another Muslim "holy" writing "The Hadith" we read: [Bukhari \(52:269\)](#) - "The Prophet said, 'War is deceit.'" The Muslims have proclaimed Jihad or 'holy War' against the Jews and America. A major part of this war is deceit. They are liars and admit to this in their own writings and 'holy books'! Muslims are allowed to lie to unbelievers in order to defeat them. The two forms are:

1) *Taqiyya* - Saying something that isn't true.

2) *Kitman* - Lying by omission.

In reality, Ahmadinejad is a Holocaust denier who has threatened to wipe Israel off the map. That should tell you how much he loves Jews. I mean look at what he just said the other day in New York!!!: Ahmadinejad Says Israel Will Be 'Eliminated' see:

<http://www.reuters.com/article/2012/09/24/us-un-assembly-ahmadinejad-idUSBRE88N0HF20120924>

5 years ago Iran was not ready to go to war with Israel, as they believed the arrival of their awaited savior the Imam Mahdi was not close enough and they did not have the Middle East domination of the Muslim brotherhood and radical Islam that they currently enjoy now (thanks to the US government helping to install the current, Islamic, radical, puppet dictators now occupying many Middle Eastern countries).

Also the second recommend link in the description of this video is (David Duke) who was the former head of the KKK:

[The Official Website of Representative David Duke, PhD](#)

The official web site of the former Klan leader.

[www.davidduke.com](http://www.davidduke.com)

Duke leavens his doctrine by lying & saying the only ones that want the war with Iran is Israel and the USA, when all the middle east Islamic leaders are quoted over and over calling for the total annihilation of Israel and great Satan.

[Ahmadinejad Says Israel Will Be 'Eliminated'](#)

Speaking in New York today, Iranian president Mahmoud Ahmadinejad said Israel will be "eliminated." Ahmadinejad made the remarks to reporters. He's in New York in for the United Nations General Assembly.

[Reuters adds:](#)

On Sunday, U.N. Secretary-General Ban Ki-moon met with Ahmadinejad and warned him of the dangers of incendiary rhetoric in the Middle East.

Ahmadinejad did not heed the warning and, speaking to reporters through an interpreter, alluded to his previous rejection of Israel's right to exist.

"Iran has been around for the last seven, 10 thousand years. They (the Israelis) have been occupying those territories for the last 60 to 70 years, with the support and force of the Westerners. They have no roots there in history," he said, referring to the founding of the modern state of Israel in 1948.

Comment: I guess he conveniently forgot about Abraham (which Islam acknowledges) being the progenitor of the Israelites which happened thousands of years ago.

Ahmadinejad goes on to say: "We don't even count them as any part of any equation for Iran. During a historical phase, they (the Israelis) represent minimal disturbances that come into the picture and are then eliminated," Ahmadinejad added.

[http://www.weeklystandard.com/blogs/ahmadinejad-says-israel-will-be-eliminated\\_653010.html](http://www.weeklystandard.com/blogs/ahmadinejad-says-israel-will-be-eliminated_653010.html)

Her sign says "Behead all those who insult the Prophet".

<http://twitchy.com/2012/09/15/australians-shocked-by-muslim-men-and-kids-signs-behead-all-those-who-insult-the-prophet/>

Using violence and threats the Muslim world is trying to impose restrictions on our freedom of speech, all over the West.

Things that are forbidden under Sharia Law: Free speech

Under Sharia Law, speaking your mind is forbidden if anything you say contradicts Islam or in any way supposedly "hurts the feelings" of Muslims it is forbidden; but they can butcher and comment wholesale evil on a multitude of levels and we the "Infidels" are commanded to shut up, cower and love the Islamic tyranny.

Prominent Muslims urge beheading Westerners, putting their decapitated heads on Display To Silence Attempts to Mock the False Prophet/Pedophile/Murder Muhammad Sunday, September 23, 2012--More intolerance and disrespect from the savages demanding unlimited tolerance, respect and submission.

On September 18, 2012, Muhib Al-Rahman, a senior writer on a leading jihadi forum suggested that Muslims living in Denmark, Germany, the Netherlands, and the U.S. kill Westerners and display their decapitated heads along roads with a statement reading: "This is the punishment of those who insult our prophet." While expressing respect for those Muslims calling for a boycott on European and American products over the release of the

B-rated trailer "Innocence of Muslims" (which negatively depicts Muhammad), Muhib insists that the best way to deter people from insulting Muhammad and his wives is to implement his proposal.

### Senior AQAP Sheikh: The Only Response To Insults To The Prophet's Muhammad's Honor Is Bloodshed And Beheadings

In a 10-minute audio message a senior sheikh in Al-Qaeda living on the Arabian Peninsula, **exhorts the Muslims to attack the US for distributing the anti-Muhammad film. On September 17, 2012, Al-Bayan, a media outlet of the jihadi movement in Egypt, published a *fatwa* on jihadi forums issued by Ahmad 'Ashoush (a prominent figure in the movement) **calling to kill the creators of the anti-Islamic film "Innocence of Muslims."** It should be noted that several months ago, 'Ashoush issued a similar *fatwa*, urging to kill non-Muslims who insult Muhammad, in retaliation for a cartoon row in Germany.

**Libya Friday sermon: "Oh Allah, destroy the rancorous Christians and the corrupting Jews"**

From [MEMRI](#) Following are excerpts from a Friday sermon in Benghazi, Libya, which aired on Libya Al-Hurra TV on September 14, 2012.

**Islamic Preacher:** Oh nation of Islam, I was so overwhelmed with grief that I could not express it. How could I possibly depict the tragedy that had happened? We remained quiet when they butchered the elderly. We remained quiet when they slaughtered the children. We were

restrained when they violated the honor of women. All that is left is the mocking of our Prophet. No, a thousand times no...

Oh nation of Islam, who will come to the aid of the Messenger of Allah? Who will come to the aid of Muhammad, who **sacrificed everything he had in order to deliver us this religion?**

**Oh, how he suffered for our sake! Oh, how often his honorable face was spat upon for our sake! Oh, how many times he was banished from his land for our sake! After all this, how can we not boycott anyone who attacks our beloved Prophet?**

Indeed, oh Muslims, the time has come for us to adopt a firm stance, and to **detonate our wrath upon them**, with deeds they will not be able to ignore. Let us stab them in their main artery, the secret behind their power. Let us stab them in their economy. The Prophet Muhammad said: **"Wage Jihad against the polytheists, using your wealth, your hands, and you tongues."**

**Oh Allah, destroy the rancorous Christians. Oh Allah, destroy the rancorous Christians and the corrupting Jews. Oh Allah, destroy them for they cannot withstand you.**

**Note the open hatred of and incitement against Jews and Christians. But no governments will take any note of this, or call for any restrictions upon the speech of hate-filled imams in mosques. No, the problem is not this imam; it's the movies about Muhammad and cartoons mocking him!**

### Proof Allah is a Fraud

As proof that the above claim is a lie, we need only turn to the Koran itself, *The Women*, 4.171...

"...believe therefore in Allah and His apostles...Allah is only one God; **far be It from His glory that He should have a son**, whatever is in the heavens and whatever is in the earth is His, and Allah is sufficient for a Protector."

Clearly, the Koran (written about 600 A.D.) **DENIES** the Son of God, Jesus Christ! The Koran teaches that **God has no Son**. In contrast, the Word of God, the Bible, declares in John 3:16...**"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."**

1st John 2:22 calls ALL Muslims "LIARS" because they deny that Jesus is the Christ...

**"Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son."**

According to the Word of God, you are a liar and an ANTI-Christ if you deny the Father AND THE SON. Clearly, the Koran and the Bible are completely INCOMPATIBLE. Islam is a big lie, totally contrary to the Word of God. The Koran is filled with demonic lies! There is no common ground.

It is abundantly clear that Muhammad DIDN'T introduce Allah to the world:

1. **"But history establishes beyond the shadow of doubt that even the pagan Arabs, before Muhammad's time, knew their chief god by the name of Allah (*The Moon God*) and even, in a sense, proclaimed his unity...Among the pagan Arabs this term denoted the chief god of their pantheon, the Kaaba, with its three hundred and sixty idols."** (The Moslem Doctrine of God, Samuel M. Zwemer 1905, p 24-25).
2. **"Historians like Vaqqidi have said Allah was actually the chief of the 360 gods [one for each day of the year] being worshipped in Arabia at the time Muhammad rose to prominence... Interestingly, not many Muslims want to accept that Allah was already being worshipped at the Ka'ba in Mecca by Arab pagans before Muhammad came. Some Muslims become angry when they are confronted with this fact. But history is not on their side. Pre-Islamic literature has proved this."** (Who Is This Allah?, G. J. O. Moshay, 1994, p 138).
3. **"Islam also owes the term "Allah" to the heathen Arabs. We have evidence that it entered into numerous personal names in Northern Arabia and among the**

Nabatians. It occurred among the Arabs of later times." (Why I Am Not A Muslim, Ibn Warraq, 1995, p. 42).

4. "Before Islam, the religions of the Arabic world involved the worship of many spirits, called jinn. Allah was but one of many gods worshiped in Mecca. But then Muhammad taught the worship of Allah as the only God, whom he identified as the same God worshiped by Christians and Jews." (A Short History of Philosophy, Robert C. Solomon, p. 130).

So obviously "Allah" is NOT the true and living God of the Bible. The Godhead was manifest in Christ Jesus--God in the flesh (John 1:1-3,14; Colossians 2:9; 1st Timothy 3:16). Islam is repackaged polytheism. (Comment: How Ironic as that is what they accuse the Christians of being) Islam is paganism wrapped in monotheistic dogma.

### Muslim Day Parade: Blasphemy, Dawah and prayers en masse in the street "takbir" "Allahu akbar"

**Takbir** is the Arabic term for the phrase **Allāhu Akbar**. It literally means "god/Allah is greater", It is usually translated "god/Allah is [the] Greatest,". It is a common Islamic Arabic expression.

Today in New York City was the Muslim Day Parade, where Muslims protested against blasphemy and for the imposition of the sharia in America.

The Muslim Consultative Network had a table for people to draw a subway sign and held up a sign: "*Don't Hate, Educate*" in response to our anti-jihad subway campaign. **Shouldn't these Self proclaimed "moderate" Muslims be standing with me in opposing jihadi attacks? Aren't these the peaceful Muslims who should be vocally denouncing the jihadists who give Islam a bad name?** Most Muslims skipped the parade and showed up for the mass prayer in the street -- 23rd street Wudu station. Prayers on the street a parade, screaming takbir for blocks.

While [Urban Infidel](#) was uploading videos and photos I'm flipping through the [official magazine of the 2012 Muslim Day Parade](#) when I see the above photo illustration of the black flag of Jihad (Holy war) totalitarian Islam flying above the White House.

And the book table and many topics as well as the Muslim blasphemy calling Jesus Christ a Prophet who is lower than Big Mo. ( Book Title: *Jesus a Prophet of Islam*) And in spite of these offenses and the return of the obscene P\*\*\* Christ 'art' work, no Christian "savages" appeared on the scene burning flags and destroying embassies.

## ISLAM'S LIES AND PENETRATION INTO US AND OUR GOVT!

Subject: ISLAM LIE

This was posted on FB (FACEBOOK) this morning. I have seen similar things in recent past, but this is particularly scary. Everyone in the US should pay attention.

FB: WARNING FROM A FORMER MUSLIM.

**I was born and raised as Muslim. My whole family is still Muslim. I know every genetic code of Muslim. I know Islamic brain. I live and breathe with them. I am an insider. I left Islam when I understood that Islam is a sick and evil religion.**

The following are the Islamic message to the West.

To the infidels of the West:

The Constitution for the new Islamic Republics of EuroArabia and AmerIslamia is under construction.

**We will fight the infidel to death.**

- **Meanwhile American laws will protect us.**
- **Democrats and Leftist will support us.**
- **N.G.O.s will legitimize us.**
- **C.A.I.R. Will incubate us.**
- **The A.C.L.U. Will empower us.**
- **Western Universities will educate us.**
- **Mosques will shelter us**
- **O.P.E.C. Will finance us**
- **Hollywood will love us.**
- **Kofi Annan and most of the United Nations will provide cover for us.**

**Our children will immigrate from Pakistan, Egypt, Saudi Arabia, Iran, and Indonesia and even from India to the US and to the other Western countries. They will go to the West for education in full scholarship. America is paying and will continue to pay for our**

**children's educations and their upbringing in state funded Islamic schools.**

**We will use your welfare system. Our children will also send money home while they are preparing for Jihad.**

We will take the advantage of American kindness, gullibility, and compassion. When time comes, we will stab them in the back. **We will say one thing on the camera and teach another thing to our children at home.** We will give subliminal messages to our children to uphold Islam at any cost. Our children in America will always care more about Islamic Country's interest than US interest.

**We will teach our children Islamic supremacy from the very childhood. We will teach them not to compromise with Infidel. Once we do that from the very early age our children won't hesitate to be martyr. We will take over the Europe first and then US will be the next. We already have a solid ground in the UK, Holland, Sweden, Spain, Italy, Germany, and now in the US.**

Our children will marry Caucasian in Europe and in America. We will mixed with intricate fabric of the Western society but still will remember to Jihad when time comes. Who are we?

**We are the "sleeper cells".**

We will raise our children to be loyal to Islam and Mohammad only. Everything else is secondary.

**At the time of the real fight we will hold our own children as our armor. When American or Israeli troops shoot at us the world will be watching. Imagine,... Imagine the news in the world "Death of Muslim babies by infidels".**

We know CNN, ABC, CBS are broadcasting live. Al-Jazeera will pour gasoline on the fire. The news will spread like wildfire. "Americans killed 6 babies, 10 babies". "Jews killed two women", ... We won't hesitate to use our children as suicide bombers against you.

**Visualize the news flash all over the world, ...Moslem mother is sobbing, ....crying. ....Her babies are killed by Jews and Americans, the whole world is watching live. Hundreds of millions of Muslims all around the world are boiling. They will march through Europe. We will use our women to produce more babies who will in turn be used as armor/shield. Our babies are the gift from Allah for Jihad.**

**West manufactures their tanks in the factory. We will manufacture our military force by natural means, by producing more babies. That is the way it is cheaper.**

You infidels cannot defeat us. We are 1.2 billion. We will double again. Do you have enough bullets to kill us?

**On the camera:**

- **We will always say, "Islam is the religion of Peace."**

- **Moderate Muslims will say there is no link between Islam and Terrorism and the West will believe it because the West is so gullible.**

- **Moderate Muslims all over the world will incubate Jihadist by their talk by defending Islam.**

- **Using Western Legal system we will assert our Sharia Laws, slowly but surely.**

- **We will increase in number. We will double again.**

**You will be impressed when you meet a moderate Muslim personally. As your next-door neighbor, coworker, student, teacher, engineer, professionals you may even like us. You will find us well mannered, polite, humble that will make you say, "wow, Muslims are good and peaceful people", But, we will stab you in your back when you are sleeping.**

**There will be more 9/11 in Europe and in America. We will say, "We do not support terrorism but America got what it deserved."**

**Muslims, CAIR and other international Islamic Organizations will unite. We will partner with the leftist ACLU, with Koffi Annan and the UN... Fasten your seatbelt. The war of civilizations has just begun.**

**We will recite Quran and say Allah-Hu-Akbar before beheading infidels, as we have been doing it. We will video tape those and send it to all infidels to watch. They will surrender -**

**ISLAM means surrender.**

**We will use your own values of kindness against you. You are destined to lose.**

**Hear the Word of the Lord Islam!!**

## **Kansas City & New Jersey Muslims Want Limits on Free Speech**

Sep 27, 2012--By **Todd Starnes**

**Islamic leaders in Missouri and New Jersey are calling for lawmakers to limit free speech** after B rated anti-Muslim trailer sparked outrage across the world.

**The Islamic Society of Greater Kansas City has launched a petition calling on Congress to “establish a law against insulting one’s religion.”**

“We understand the First Amendment (Amendment I) to the United States Constitution is part of the Bill of Rights and, as such, prohibits the making of any law respecting an establishment of religion, impeding the free exercise of religion, abridging the freedom of speech, infringing on the freedom of the press, etc., **but when the allowance of “free” speech incites violence it should be banned,**” read a statement from the Islamic Society. **Comment: Exactly from the Islamic playbook we just read from in the previous report. Notice it is not the fault of the Muslims who killed, raped and destroyed, supposedly as a result of this joke of a movie trailer. It’s as though they are admitting they are such psychopathic demon possessed animals they**

just cannot be held responsible for their actions if they are offended in the very least. No religion on earth is afforded these kinds of concessions except the “Religion of Peace” Islam. May the Lord Jesus Christ lay bare every one of their lies and expose all the wickedness they have wrought.

While condemning the violence that was originally blamed on the film, the Muslim group said it would “be in everyone’s interest to ban such actions from reoccurring.”

“We condemn the violence (Comment: Lies and Lip Service!) and feel that, in spite of the First Amendment of the U. S. Constitution, action may be necessary to pass such a bill or, at least, censure such actions in order to calm the current situation as well as prevent future re-occurrences,” the statement read.

The Islamic Society in Kansas City is not alone in their calls for limiting free speech.

“We, as Americans, have to put limits and borders [on] freedom of speech,” Imam Mohammad Qatanani told **The Blaze**.

He leads the Islamic Center of Passaic County, one of the largest mosques in New Jersey.

### Clinton offers \$45 million to Syrian rebels, who want more support

*By Hannah Allam | McClatchy Newspapers*

NEW YORK — Secretary of State Hillary Clinton on Friday announced \$45 million in additional aid for Syrian Islamic opposition activists, the latest U.S. push for influence in a civil war that’s raged beyond the international community’s control.

U.S. humanitarian aid for Syria now will total more than \$132 million this year, though Syrian rebels are more interested in weapons and military training than in the American promises of more “nonlethal assistance.” The Western press chose their words carefully, ensuring that the term “civilian opposition” was repeatedly used to describe the armed terrorist forces attempting to violently overthrow the Syrian government.

In reality, the “opposition” in Syria constitutes foreign terrorist legions flowing across Syria’s borders, and in particular, staging and crossing over from NATO-member Turkey.

In fact, it was recently admitted by the terrorist legions themselves that their headquarters has been located within Turkish territory for the duration of the conflict. In a recent France 24 article titled, “[Free Syrian Army move HQ from Turkey to Syria](#),” armed militants claimed they had only just recently “moved from Turkey to within Syria.”

## Obama Moves to Give Egypt \$450 Million in Aid Meets Resistance

By [STEVEN LEE MYERS](#)

The Obama administration notified Congress on Friday that it would provide **Egypt's new radical Islamic government an emergency cash infusion of \$450 million**, but the aid immediately encountered resistance from a prominent lawmaker wary of foreign aid and Egypt's new course **under the leadership of the Muslim Brotherhood**.

The aid is part of the \$1 billion in assistance that the Obama administration has pledged to **Egypt to bolster its transition to democracy after the overthrow last year of the former president, Hosni Mubarak**. Its fate, however, was clouded by concerns over the new government's policies and, more recently, **the protests that damaged the American Embassy in Cairo**.

## Coptic Christians 'flee Egypt town after death threats'

*Egyptian Christian Copts gather at the Bishoy Monastery in March 2012.*

**AFP - Several Christian families have fled their homes in Egypt's Sinai peninsula after receiving death threats from suspected Islamist militants**, officials and residents told AFP on Friday.

**Last week, flyers began circulating in the town of Rafah on the Gaza Strip border demanding that its tiny Coptic population move out, residents said.** Officials at the local church informed the authorities of the threats, but no action was taken, they added.

**Days later, a shop belonging to one of the families was fired on with automatic rifles, witnesses said.**

**The events prompted the families to leave Rafah but there were conflicting accounts over whether they had done so voluntarily or been evicted.**

## President Obama Declares The Future Must Not Belong to Practicing Christians

[Erick Erickson \(Diary\)](#) | September 25th, 2012

**In his speech to the United Nations General Assembly today the President of the United States declared that the future does not belong to practicing Christians.** Already, the media and the left are in full denial, probably based on their general lack of understanding of theology. This would have been a gaffe had Mitt Romney said it. **But with Barack Obama, he's just speaking bold truths. His bold truth declares that the future does not belong to practicing Christians.**

[Pay careful attention to what he says.](#)

***The future must not belong to those who slander the prophet of Islam. Yet to be credible, those who condemn that slander must also condemn the hate we see when the image of Jesus Christ is desecrated, churches are destroyed, or the Holocaust is denied. Let us condemn incitement against Sufi Muslims, and Shiite pilgrims.***

So consider this.

**It is a Christian belief that Mohammed is not a prophet. Actual Christians (as opposed to many of the supposed Christians put up by the mainstream media) believe that Christ is**

**the only way to salvation. Believing that is slandering Mohammed. That's just a fact. If you don't believe me, you go into the Middle East and proclaim Christ is the way, the truth, and the life and see what happens to your life.**

Then Barack Obama went on to say "Yet to be credible, those who condemn that slander must also condemn the hate we see when the image of Jesus Christ is desecrated, churches are destroyed, or the Holocaust is denied." **Note he says we cannot "slander the prophet of Islam" but it's only the image of Christ in the next sentence — not actually Christ himself desecrated. **If this is so, why does Barack Obama's government continue funding the National Endowment for the Arts, which funded Christ in p\*\*\*, the Virgin Mary painted in dung, etc.?** Comment: In other words (like the good Muslim/Socialist/Luciferian/pathological liar that he is) he is giving the Infidel Christians some lying lip service to make it look like he is attempting to be fair.**

**Psa 31:18 Let the lying lips be put to silence; which speak grievous things proudly and contemptuously against the righteous.**

**Psa 59:12 [For] the sin of their mouth [and] the words of their lips let them even be taken in their pride: and for cursing and lying [which] they speak.**

**Psa 59:13 Consume [them] in wrath, consume [them], that they [may] not [be]: and let them know that God ruleth in Jacob unto the ends of the earth...**

**Pro 10:18 He that hideth hatred [with] lying lips...[is] a fool.**

**Pro 12:22 Lying lips [are] abomination to the LORD: but they that deal truly [are] his delight.**

**'P\*\*\* Christ' returns to New York along with 'P\*\*\* Moses'**

**September 27, 2012 by Howard Portnoy**

Midtown Manhattan has been the scene of much religious reflection and blasphemy of late. One act of solemn reflection took place at the 140-year-old Central Synagogue on 55th Street, where Jews assembled on Wednesday to observe Yom Kippur, the holiest day on the Jewish calendar. While they prayed, **a few blocks away a man who has called the state of Israel a "malignant cancer" prayed as well—for their and its destruction. In his speech before the United Nations General Assembly (video here), outgoing Iranian "President" Ahmadinejad asked God to bring "a new order" that "will do away with ... everything that distances us."** If the intent wasn't clear enough, he later explained in an interview with the Associated Press that **he expects that Israel will soon become an "historical footnote."**

Today the blaspheming continues at the Edward Tyler Nahem Gallery on 57th Street, where the **state-sponsored "artwork" P\*\*\* Christ goes on display for a month. The work, in case you missed the controversy that swirled around its debut in 1987, consists of a photograph of a crucifix floating in the artist's urine.**

The week has been noteworthy not only for its anti-religious acts **but for the conspicuous inaction on the part of those whose faiths were defiled. Jews chose not react to Ahmadinejad's incendiary remarks by storming the Permanent Mission of the Islamic Republic of Iran to the United Nations in New York or by burning the Islamic flag in the streets of Manhattan. Christians did not fire bomb the D.C. headquarters of the National Endowment for the Arts, the government agency that funded the creation of P\*\*\* Christ, or demand that its artist, Andres Serrano, be "cut up into little pieces" (the fate suggested by one Muslim protester for the maker of the anti-Islamic film).**

But the best way to see the folly of all of this & its disconnect with reality is through a litmus test of sorts proposed by Mario Loyola at National Review Online:

Find an enterprising young artist willing to create a 'P\*\*\* Mohammed' version of Serrano's work, and ask the museum to hang it right next to the P\*\*\* Christ. It could be part of a 'P\*\*\* Religion' exhibit. If the gallery declines (as it surely would), then perhaps one could gather together a small group of Manhattan atheists to march these 'p\*\*\* portraits' right up 1st Avenue past the United Nations, in homage to the First Amendment.

Every last person who complains will have to explain why they said nothing during the 20-plus years that the revolting P\*\*\* Christ has been touring art galleries around the world. They will be forced either to treat Islam and Christianity the same **or finally admit the cowardly truth, which is that the degree of respect for any given religion is proportional to its followers propensity for violence & even more importantly how much protection and support the New World Order boys have given to a given false cult religion that ultimately is serving their purposes like useful idiots.**

### **Jesus Not Allowed': Anti-Faith Sentiment Sweeps US**

By Paul Strand--CBN News Washington Sr. Correspondent--Tuesday, September 25, 2012  
Could you imagine going to jail for your faith? **A recent report warns that it could happen. CBN News investigated the growing wave of hostility to Christianity in America that's led to hundreds of court cases.**

Angela Hildenbrand faced the very real possibility of going to jail for her faith. **The trouble began when a federal judge ruled that no one at her Texas high school could pray or even use words like "prayer" or "amen" during the 2011 graduation ceremonies.**

**As class valedictorian, Hildenbrand felt God deserved the praise, even if it meant jail for her.**

"I was definitely preparing myself to have to make that sort of tough decision and mentally prepare myself for what well could be coming next," she told CBN News. Hildenbrand's case is just one of more than **640 cases of religious hostility** cited in a new report by the **Liberty Institute**. General Counsel Jeff Mateer, who takes on many of these cases, helped put the survey together.

"The atheists and the secularists are well-organized and they're well-funded," the Liberty Institute attorney told CBN News.

"The rate of hostility to people of faith is overwhelming," he said. "It's increasing. Every day, we're getting calls."

Hi Scott, **i am noticing a huge influx of assault on God's word, especially on YouTube, with so called believers saying they have the Holy Spirit, but don't need the bible, and then the pseudo Christians are quoting what scripture they want and saying the rest is corrupted by man, and then we have the main stream media and what seems like Satan moving things up a gear with the whole Alien creators "Prometheus" idea.** Here is yet another video apparently **from a former Vatican employee that translated the original bible**, so you can be sure it will be flowing with the pure Catholic truth.

## [Did the Catholic Church Give Us the Bible?](#)

### **The True History of God's Words**

There is not one history of the Bible, but two. **One is a history of God preserving His words through His people. The other is of the devil using the Roman Catholic church to pervert God's words through her "scholars."**

**Written in a down-to-earth style Daniels shows that the Bibles Rome gave us are really clever counterfeits, designed to eliminate God's preserved words in English, the KJV. You will see why the KJV is the only Bible you can trust.**

Will you trust God and believe His preserved words, or will you trust yourself to pick a Bible version that says what men think God meant to say?

Hi Scott;

I was initially excited to hear of a new Baptist church starting up in my hometown, but upon attending there a few times I'm now disappointed. It is Reformed Baptist... & they **do the annoying thing of jumping back and forth between different versions during the sermon, namely the ASV, ESV, and Holman translations. I heard the latest NIV version has neutered God by replacing all masculine pro-nouns with gender neutral language. The closest KJV church from where I live is 2 hours away. I've listened to yours and numerous other presentations promoting the case for the KJV. The relentless attack on God's Word via the flood of different translations may well be the #1 crisis facing Christianity today. The way the serpent enticed Eve to sin was through undermining what God had said.**

**Comment:** Yes this is predicted:

**Amo 8:11 Behold, the days come, saith the Lord GOD, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the LORD:**

**Amo 8:12 And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the LORD, and shall not find [it].**

**[Dan 12:4](#) But thou, O Daniel, shut up the words, and seal the book, [even] to the time of the end: many shall run to and fro, and knowledge shall be increased.**

**Claim: Obama hid 'gay life' to become president  
Chicago homosexual community shocked he could keep it secret**

by [Jerome R. Corsi](#)

Jerome R. Corsi, a Harvard Ph.D., is a WND senior staff reporter. He has authored many books, including No. 1 N.Y. Times best-sellers "The Obama Nation" and "Unfit for Command." Corsi's latest book is ["Where's the REAL Birth Certificate?"](#)

**A prominent member of Chicago's homosexual community claims Barack Obama's participation in the "gay" bar and bathhouse scene was so well known that many who were aware of his lifestyle were shocked when he ran for president and finally won the White House.**

"It was preposterous to the people I knew then to think Obama was going to keep his gay life secret," said Kevin DuJan, who was a gossip columnist in Chicago for various blogs when Obama was living in the city as a community organizer and later a state senator.

**"Nobody who knew Obama in the gay bar scene thought he could possibly be president,"** said DuJan.

DuJan, founder and editor of the Hillary Clinton-supporting website HillBuzz.org, **told WND he has first-hand information from two different sources that "Obama was personally involved in the gay bar scene."**

"If you just hang out at these bars, the older guys who have been frequenting these gay bars for 25 years will tell you these stories," DuJan said. **"Obama used to go to the gay bars during the week, most often on Wednesday, and they said he was very much into older white guys."**

Obama, DuJan said, is "not heterosexual and he's not bisexual. **He's homosexual.**"

Investigative journalist Wayne Madsen, who worked with the National Security Agency from 1984 to 1988 as a Navy intelligence analyst, confirmed DuJan's claims.

**"It is common knowledge in the Chicago gay community that Obama actively visited the gay bars and bathhouses in Chicago while he was an Illinois state senator,"** Madsen told WND.

WND also spoke with a member of the East Bank Club in Chicago, who confirmed Obama was a member there and was known to be a homosexual. The upscale fitness club, which has some 10,000 members, is not a "gay" facility. **But it's one of a number of places identified by the Chicago homosexual community as a "gay gym," where homosexuals meet and engage in sexual activity.**

In April, [WND reported](#) a federal judge dismissed a libel case against Larry Sinclair, a homosexual who claimed Obama's 2008 presidential campaign had paid to rig a polygraph test regarding **Sinclair's sensational charge that he had sex and used cocaine twice with Obama while Obama was an Illinois state senator.** Sinclair tells his story in ["Barack Obama & Larry Sinclair: Cocaine, Sex, Lies & Murder."](#)

[WND also reported](#) former radical activist John Drew **has said that when he met Obama when Obama was a student at Occidental College, he thought Obama and his then-Pakistani roommate were "gay" lovers.**

In addition, rumors have swirled around Obama's relationship with his personal aide and former "body man," Reggie Love, [who resurfaced on the eve of the Republican National Convention to](#)

support his old boss. Love resigned from the White House in November 2011 after compromising photographs of him as a college student received wide circulation. WND also has documented in two separate articles, [here](#) and [here](#), that Obama wore a gold band on his wedding ring finger from the time he attended Occidental College through his student days at Harvard Law School.

DuJan said that during Obama's first presidential campaign, **"there was fear in the gay community" about talking openly about Obama being homosexual, particularly after the murder in December 2007 of Donald Young, the openly gay choir director at Jeremiah Wright's Trinity United Church of Christ, who was known to be a close friend of Obama.**

**"People did not want to talk openly about Obama being gay," he said.**

**"Then, when we saw how Larry Sinclair was demonized, anybody who would expose Obama worried they would be silenced if they dared to speak the truth about Obama's gay life," DuJan said.**

DuJan said he has been told "Obama's secrets would have to come out just like John Edwards' secrets came out."

**He said Obama stopped going to gay bars and bathhouses in Chicago when he began running for the U.S. Senate in 2004.**

"Back then, Obama could walk around Chicago and people generally wouldn't recognize him, even though he was a state senator in the Illinois assembly at the time," DuJan said.

DuJan insisted that while he's a supporter of Hillary Clinton, he holds no personal animus toward Obama.

"I opposed Obama not because I'm a racist, or that I hate Obama, **I just knew the type of person Obama associated with in Chicago,**" he said.

**He pointed to Obama's association with convicted Chicago real estate magnate Tony Rezko, Nation of Islam leader Louis Farrakhan and Rev. Wright.**

**"Obama was a dirty politician that the media never wanted to vet – that's what concerned me about Obama,"** Du Jan said.

DuJan spoke further of his claims about Obama in an [interview Monday night on Andrea Shea King's show on BlogTalkRadio.com](#), which included questions from WND during the last half of the show.

Madsen published an article in his Wayne Madsen Report in May 2010 **claiming Obama and Chicago Mayor Rahm Emanuel were members of the same gay bathhouse in Chicago.**

**"President Obama and his chief of staff Rahm Emanuel are lifetime members of the same gay bathhouse in uptown Chicago, according to informed sources in Chicago's gay community, as well as veteran political sources in the city,"** Madsen wrote.

**He said the bathhouse, "Man's Country," catered "to older men," noting "it has been in business for some 30 years and is known as one of uptown Chicago's 'grand old bathhouses.'"**

**Madsen wrote his 2010 report after traveling to Chicago to interview bartenders and customers at several "gay" bars.**

DuJan gave WND a list of "gay" bars in Chicago where older customers hang out and tell stories about how Obama, prior to 2004, frequented visited to pick up men for sex, including several on Halstead Street, widely known as an "uber-gay Chicago street.

[Writing in HillBuzz.org Tuesday](#), DuJan said **one room at Man's Country bathhouse is still referred to as the "presidential suite," because "the current President used to haunt the place when he was a just another Illinois state senator that no one had ever heard of or cared about."**

DuJan said he believes that, someday, "all of this is going to be as public knowledge as JFK's affair with Marilyn Monroe and the other women he cavorted with while married to Jackie."

Erik Rush in his excellent WND.com commentary, strongly suggests that there was more to this bear hug than meets the unsuspecting eye

**Excerpt:>>>>>> ..... In my opinion, the pizza restaurant stop was definitely not unscheduled. Not only did Van Duzer visit the White House in June during the course of charity work in June, but he didn’t look surprised to see the president when he arrived. Although it was clear from the video that the two men had not just met,** toward the end of the clip, Obama presents Van Duzer with a few questions that were crafted to suggest that this was their first encounter.

**Then there was the undignified nature of the encounter. You don’t just grab the president of the United States and lift him off his feet – although you might do so with your girlfriend. Then, there was the whole grabby thing. The president and the pizza man literally couldn’t keep their hands off each other, and Obama’s demeanor at this venue was more that of a guy cruising a bar than that of a campaigning incumbent. I know that I am among many who got the creeps while watching the now-famous exchange.**

During the discussion with Corsi, Kevin Dujan asserted that Obama's homosexuality was common knowledge within Chicago's gay community, as it were. It is not much different, he says, than closeted gay men in Hollywood, who maintain families and sham marriages with wives in order to advance themselves professionally.
