Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Former Satanist: "I Performed Satanic Rituals Inside Abortion Clinics"

<<Former Satanist wizard Zachary King converted to Christianity in 2008

In an interview with the Lepanto Institute, former Satanist Zachary King shared about his 26-years in the occult and his involvement in ritual abortions. **As LifeNews previously reported,** many Satanists believe abortion is sacred and some participate in the procedures themselves. In fact, King explained that participating in abortions is particularly important for Satanists because it's considered the best way to give an offering to Satan.

He explained, "In Satanism, killing something or the death of something is the the most effective way of getting your spell accomplished. As far as trying to get Satan's approval, to give you something that you want, killing something is the best way to go. Killing something is the ultimate offering to Satan, and if you can kill an unborn, that is his ultimate goal."

King said that he joined a satanic coven when he was 14-years-old and participated in his first abortion three months before his 15th birthday. **He explained,** "Just after I turned 14, the coven members came to me and said that I was going to be involved in an abortion in about 9 months. **There was a sex party with all the male members between 12 and 15 and a female member over 18 and her purpose was to get pregnant, and then she was going to have an abortion in 9 months.**"

The abortion took place in a farmhouse and King said it was surprisingly cleaner than many of the actual abortion facilities he visited later.

He described the experience like this: "There was a woman in stirrups about to have a baby who was surrounded by 13 top members of our coven, which were all high priests and priestesses. I was inside the circle with the woman and the abortion doctor. All the

adult members of my coven were there. There were several women kneeling on the floor, swaying back and forth chanting 'our body and ourselves' over and over again. Off to the side were several male members of our coven all chanting and praying."

Apparently, King didn't have to perform the actual abortion, he just had to insert the scalpel and get blood on his hands. The former Satanist did admit that particular abortion was the worst he had ever seen.

He said, "...The doctor reached in, ripped the baby out and threw it onto the floor where these women were swaying. The women looked like they were possessed, and when the doctor threw the baby out to them, they cannibalized the baby."

Unbelievably, King went on to participate in 141 ritual abortions. He said that prior to being a high wizard he only did five but after that he did significantly more. [In the interview](#), King also said that high profile abortion facilities drew members of the occult because of the opportunity to perform ritual abortions.

[Here's more from the interview:](#)

L.I. – How did you get invited to do satanic abortions at these [high profile abortion facilities]? Did someone call you? How did that come about?

King – As the high wizard, you're the go-to guy in the satanic coven, so most people either call someone that they know in that coven or they'll call because we did a lot of work with the Illuminati as well, so they'll call them. **This is all, obviously people that have to be in the know of these kinds of things, but you get invited to participate. The World Church of Satan isn't the only organization that does satanic sacrifices in [these facilities]. There are other witchcraft organizations, such as wiccans, who are really involved in committing abortions inside these [high profile facilities]. You sometimes get invited to do the ritual abortion by the director of the facility or some high-up administrator, or sometimes the doctor is a Satanist and they'll invite you to come in and participate in an abortion or they will want to do a ceremony at the end of the day.**

Now, at the end of the day, every day, satanic groups do like a Black Mass service, usually around midnight, and it will be an extended service that will last about 2 or 3 hours where they dedicate all the babies that were killed that day to Satan. It doesn't matter why women go in for the abortion, all the babies get dedicated to Satan at the end of the day.

L.I. – What would happen when doing these ritual abortions? What general events would take place during these rituals?

King – There are kids that come to these events, but they're generally not in the room when the abortion is taking place. They're in a separate room and they have contests to see which one of the kids can stay up until 3:00 am, and the kid that can stay up that late gets a reward. **The men who are not a part of the top 13 are doing spells and chanting. They also are casting spells to protect them against anyone who might be praying against them, like a Christian praying against them. Also, whoever we have in our pocket for protection, so if we've paid off a sheriff's deputy or cop or something like that, then no one is investigating us at that time. There are women chanting and swaying. The 13 members are surrounding the woman about to have the abortion, and they are the ones conducting the actual magick spell. In one instance, the one asking for the spell was the mayor of the town. He came to us because he wanted to pass some ordinance for his town, and he had tried it two**

or three times and it never went through. He had been a member of the coven for quite some time. He had tried every legal avenue to get this thing through, and it never worked, so he got somebody to agree to have an abortion and for it to happen at our satanic coven and during a night where we could do the abortion and do the spell at the same time.

Generally, in a small-town coven, which is what that was, everyone would show up to the event. In a bigger place, like when I was a member of the World Church of Satan, you would get the high wizard, the people who want their spell to take place would be there. There would be the abortion doctor and his nurse. Many times, at [high profile abortion facilities], there's a whole lot of them because a lot of the people that work at those places are witches or Satanists. So, you'll get a lot of the people there willing to participate in the satanic event.

Blood Rave to douse Amsterdam dancers in gallons of blood

Aug 20, 2015

<< Blood Rave (Picture: Facebook/Blood Rave)

The Netherlands will have its first ever "Blood Rave" – a dance party where dancers are sprayed with 5 thousand liters of blood – in Amsterdam on Halloween night.

The event has been posted on Facebook, but with no specifics except for the date – October 31st – so far. A total of 728 guests have indicated that they are going. One of the organizers, who want to remain anonymous due to the nature of the event, told the AD

that this is will be the first blood party in the world and the demand for it is high.

The Blood Rave is based on the opening sequence of the 1998 vampire movie Blade. The opening shows a club full of dancing people suddenly sprayed with blood. The organizers want to use the same elements to recreate this scene. "In real life it is just more extreme." one said to the newspaper. In terms of attendees, they expect somewhat "freaky" people in terms of personality.

++ Halloween, Human Sacrifice, Stonehenge and the Wicker Man

Dr. Scott Johnson

Sermon Overview: In this teaching we will be taking an extensive, shocking look at virtually all the Halloween traditions modern day humanity currently embraces. Halloween is not just innocent entertainment, its symbols and practices breathe new life into the dark rituals and symbols of past civilizations. Satan's main strategy has always been to tempt people to love what God hates, prompt them to pursue his enticing path, and deceive them into thinking that his 'new' way is as good. Since his strategies don't change, God's warning in Proverbs 14:12 is as relevant now as it was in King Solomon's days. Most people follow the masses, and

the masses follow the media, especially when it promotes thrills and adventures that feed the lust for forbidden thrills. The occult has always focused on gory images of violence, death and destruction. We see it in today's media, music, and movies. As people become desensitized to occult violence and horror, the images in popular entertainment grow increasingly and indescribably evil. Yet, this is old news. Thousands of years ago, God warned us, 'All those who hate Me love death.' (Proverbs 8:36)

In this teaching we will be learning about the coming “Black Awakening” of demonically possessed, mind controlled “Satanic Super Soldiers”/”Chosen Ones” who are highly adept in the black arts/witchcraft and take their religion very, very seriously. They will be “triggered” at some future date to bring about as much havoc and chaos as possible to usher in the reign of the Antichrist/New World Order. This is also the motto of the 33rd Freemason which is “Order out of Chaos” with a double headed eagle as its symbol. More importantly we will be discussing the spiritual weapons of a Christian’s warfare against this wickedness.

Goddess Kali, Hindu God Of Death And Destruction Projected On Empire State Building

[Geoffrey Grider](#) | August 10, 2015 | **Is the Illuminati sending us a message of coming events?**

“And Jacob called unto his sons, and said, Gather yourselves together, that I may tell you *that which shall befall you in the last days.*” **Genesis 49:1 (KJV)**

The Times of India [reports today](#) that **“In a breathtaking spectacle, Goddess Kali was projected on the Empire State Building in New York.”** For those of you not

familiar with the Goddess Kali, she is the Hindu god of death and destruction. The name of Kali means black, time, death, lord of death; she is therefore called the Goddess of Time, Change, Power, and Destruction. She is known as the “Black One”, or the “Dark One”. We wonder if perhaps this is not an Illuminati message of coming events soon to take place?

*I was amused by your brief excursion through the NYC metropolitan region. What you experienced was a good day, according to commuter standards. I have driven through here, taken the trains and buses and walked. Travelling by train from New Jersey to Connecticut is probably the worst anyone could ever go through. It's a four hour trip and 30 dollars one way, you have to transfer three places and each transfer point involves going up and down stairs, **fighting (and I do mean fighting) your way through angry belligerent people**, hoping to get to your train on time, because they frequently change platforms or cancel trains or breakdowns. **The worst are the people with backpacks or those wheeled suitcases, which they use as weapons to knock you down or cut you off.. People whack you from the back or walk right into you***

if they are approaching and then give you an angry stare as if to say 'Why do you even exist'

Walking the streets of New York can be just as evil and disastrous.. Angry drivers, bicycle riders going down a one-way street the wrong way and knocking people down, crowds and crowds of people who won't let you pass, and those creepy people with like ten dogs on leashes all over the sidewalk.

I've literally had nightmares of being trapped in New York, with all these strange vampire-like people staring at me and running me down.

Thank God I live now up in Connecticut and don't commute anymore. Those nightmares are gone and my stressful life is no more. Craig

Craig: Wow!! Yes I had heard about the horror stories but I finally got to experience a little sampling of the hell that is NYC. After this hellish ordeal I

ordered a gross of:  tee shirts and will be passing them out to everyone I know.

Yes that was the most evil driving experience I have ever went through & God help any Christians that would have to live in or near that place.

God bless you! Scott

Hi Dr Scott, Just wanted to tell you that I agree wholeheartedly with you about the NY area...We live about 50 miles north of the city, and it is definitely spilling out into our bedroom community. It is a Lake community and we have lived here practically our whole lives, but you can see some things happening and it makes me nervous....

Anyhow, I was listening to your current events and Jon, my husband, went out to Montauk for a fishing trip and left yesterday around 3....It usually takes 3 hours and maybe 10 minutes to get out there. It took over 4 hours and the road was filled with maniacs! talk about road rage!!! He called me at one point because some woman in a beemer almost wiped him out on the Hutch!....thinking of the timing...I am pretty sure that was when I was praying for him... I think NY is incredibly evil...in and around it...I hate driving past the city. It is always extremely stressful . I think there is a lot of demon possession around there...

Subject: [Contending for Truth:] **The Baphomet Statue in Detroit**

About that Baphomet statue unveiling in Detroit. I live in Detroit, **and shortly after the event, I spotted a ton of glowing orbs just floating around the sky on my way to work 10:00 at night. This is the first time I've ever seen anything called a UFO, and it was the weirdest thing I've ever seen.** They certainly were not choppers because there were no strobing lights and because of the totally abnormal way they moved. It looked more like the scene from the movie Signs with the glowing orbs over the city. I don't have footage, just thought I'd let you know.

From: James

Subject: Re: **Bigfoot**

There has been a lot of people seeing these bigfoot creatures near UFOs. I watched a Les Stroud survivor man series he did on bigfoot. He was on top of this mountain in Canada and he had strange experiences. He saw big huge strange lights like a ufo. He also started seeing orbs. He then at night had strange dreams and felt like he could not move like something was pressing down on his chest. There is alot of crazy stuff going on. It is only going to get much worse sense the land is getting more and more defiled. America is more and more transforming into the God the leaders worship. I know you know this that there is a many symbols in Washington DC. The one symbol I think of is the pentagram and the bottom point that represents baphomet, rests on the White House. Now since gay marriage has been legalized you are hearing more and more that these statues are being raised up in America. This Baphomet figure is a statue with male and female parts. I find it interesting that the genders are being merged like never before in this country. People in this country that do not have a firm foundation in the KJV and a good understanding of the spiritual realm & the Nephilim; are not going to make it. I have had people tell me that I am a nut. Oh well we will see.. God bless James

++ Vatican Vault Spilled! Pope to Announce Church Preparations For Alien Contact Former Chief Council For Jesuit Order Shares All

We already know about Pope Francis opening admitting he would baptize an alien entity, but now he has taken it one step further and rumors are abounding across the internet that the Vatican is about to disclose their preparations for Alien contact in 2015. But is that just a rumor? Or is there some truth behind it? According to

Daniel P. Sheehan—a Harvard College Government and Foreign Policy Scholar as well as the [former U.S. chief councilmen for the Jesuit Order](#)— **says this very well might be the case.**

At a Ufology conference dubbed [Contact in the Desert](#) held at Joshua Tree, California, May 29-31, 2015, Daniel Sheehan was one of the main speakers. At the conference **Sheehan talked about Pope Francis avoidance of such an announcement because of the repercussions it would cause.** According to [Neon Nettle](#) he stated the following:

“Pope Francis wants to position the Catholic church and the Jesuit order to be able to accept major shift in human consciousness a result of Alien existence as well as the evolution of a 6th faculty of human consciousness. The 6th faculty will constitute a new form of religion and contact between humans and advanced telepathic aliens.

“So in a nutshell? Well, from what Sheehan had just described, it looks like the largest single religious denomination on Earth is now mobilizing for the disclosure of E.T’s.”

Below is the video clip found on the conferences website, where Sheehan admits that the Catholic Church is readying themselves for the unveiling of alien contact. Not only that but he speaks about the New World Order and the elite ruling society running things from behind the scenes and keeping us in the dark:

Vatican linked to United Nations video on integrating extraterrestrial life

On August 10, **the United Nations Children Fund (UNICEF) released a video showing an extraterrestrial child being integrated into a normal human classroom.** The video shows the child initially being mocked, and then accepted

after he uses advanced psychic abilities to levitate actors in a school play. **The video was released (beta tested) in Chile, and has to date generated over seven million views.** What earlier [alternative media coverage](#) of the video **missed is the Vatican’s involvement through an organization founded by Pope Francis, which is sponsoring the UNICEF attempt to change the way children are educated. This suggests a direct link between the Vatican and a secret United Nations effort to integrate extraterrestrial life into human society.**

Upon the video’s [release on Facebook](#), UNICEF Chile announced: **“Knowing someone else is a great opportunity to live valuable experiences. Say yes to integration!”**

While UNICEF is depicting the video as an effort to have children accept those who are physically different to them, to reduce incidents of violence, **the video’s use of an alien stargirl suggests a far more compelling explanation. The real purpose is to prepare humanity to openly welcome and integrate extraterrestrial life.**

An [agreement signed](#) in Rome on April 21, 2015 **by Pope Francis began a five year period of collaboration between the Vatican created organization “Scholas Occurrentes” and UNICEF:**

Scholas and UNICEF will initially cooperate in a series of joint activities worldwide... The alien child video is explicitly aimed at “bringing an end to violence and promoting the **connectedness of all young people,**”. **This is evidence of a direct link between the Vatican and the UNICEF alien video. It is therefore reasonable to conclude that the Vatican is secretly part of the United Nations initiative to prepare humanity to welcome and even integrate extraterrestrial visitors.**

Play to 1:47: [UNICEF’s extraterrestrial alien diversity propaganda](#)

This is not that great a surprise. **Pope Francis and Vatican astronomers have previously referred to extraterrestrials as capable of being baptized, and accepted as ‘brothers in Christ’. In May, 2014, the Pope said he would baptize Martians if they asked.** Months later, in September, Vatican astronomer Guy Consolmagno (a Jesuit like Pope Francis), **gave an address at a symposium sponsored by NASA and the Library of Congress, where he discussed baptism of extraterrestrial life.** Shortly after, on Oct 27, 2014, **Pope Francis released a statement where he referred to “beings of the universe” (extraterrestrials) as a major part of God’s evolutionary plan:**

He created beings and allowed them to develop according to the internal laws that he gave to each one, so that they were able to develop and to arrive and their fullness of being. He gave autonomy to the beings of the universe at the same time at which he assured them of his continuous presence, giving being to every reality. And so creation continued for centuries and centuries, millennia and millennia, until it became which we know today, precisely because God is not a demiurge or a magician, but the creator who gives being to all things.

If it was further disclosed that extraterrestrials have historically played an important role in humanity’s evolution, then a strong theological justification has been established for integrating them into human society.

Finally, what is important to keep in mind is Pope Francis’ **upcoming visit to the United Nations headquarters in New York on September 25 to address the General Assembly.** The August 10 release of the alien child video raises the possibility that the Pope will raise the extraterrestrial issue during his United Nations speech. Prior to the Pope’s speech, he will meet with President Obama on September 23, and address a joint session of the United States Congress the next day. All these events coincide with a prediction concerning **cosmic energies peaking on September 23, which is also the vernal equinox, and leading to major global changes.**

It is very possible that a major Papal speech concerning extraterrestrial life is being coordinated at the highest levels between leaders at the United Nations and the United States. Regardless of what the Pope chooses to disclose during his upcoming U.S. tour, it is very significant that he is linked to a secret United Nations effort to educate humanity on the importance of welcoming and integrating extraterrestrial life into human society.

Full ET disclosure plan involves document dumps & whistleblowers coming forward

by [Dr Michael Salla](#) on June 16, 2015

A secret space program whistleblower Corey Goode has revealed (in detail) the goal of an alliance of secret space programs concerning disclosure of extraterrestrial life and technology.

Goode describes the goal as a “full disclosure event’ involving massive document dumps on a scale that overwhelms the corporate run media’s ability to spin and limit disclosure

efforts to protect elite individuals being exposed for crimes against humanity.

Goode appeals to other whistleblowers to come forward, as he has, to reveal their knowledge of secret space programs.

From June 5-9, Goode attended a series of [three meetings](#) between different factions and **alliances concerning how much to disclose about the truth of extraterrestrial visitors and secret space programs using advanced technologies.** **During his June 9 meeting with human elites he describes as the “Committee of 200” and others, an offer was made for a “controlled disclosure”.**

In his [June 15 response](#) to one of these questions, he explained the goal:

A full disclosure event would consist of a major data dump on the Internet with many hundreds of thousands of document, audio and video files on multiple mirrored sites for everyone to have access to. There would be a collapse of the corporate media machine and a 24/7 television and radio education campaign would be initiated. Not all channels and stations would be co-opted so people are not overwhelmed and could “tune out” as they needed to due to the stress.

He [then explains](#) what a “partial” or “controlled disclosure” event, such as the November 2015 offer by the Committee of 200, would entail:

If a person or group go public and reveal the existence of ET visitation and some advanced technologies, **but not** technologies that would collapse a “New Financial System” or reveal the crimes against humanity that have been perpetrated by the “Human Elite” and certain “Off World Groups” then you have not been told the whole truth.

That would be a partial disclosure where the narrative has been controlled by a group preserving their power and avoiding the release of their crimes. The majority of the world would be shocked by this information alone and it would occupy their imaginations for some time. Very few at that current moment would realize that this was just another deception.

Goode then went on to appeal to other whistleblowers to come forward:

That is why some of us are disclosing what we are now so that other whistle blowers will come forward when they see it is safe to do so.

[Vatican Easing Humanity Toward Alien Disclosure?-Part 3](#)

Table of Contents: Vatican chief astronomer Father Jose Funes made news by saying 'Just as we consider earthly creatures as 'a brother,' and 'sister,' why should we not talk about an 'extraterrestrial brother'?' The statements by Funes are the latest in a string of recent comments by Vatican astronomers confirming a belief that discovery may be made in the near future of alien life. In asking whether little green men might be guilty of original sin, the Catholic theologian said he was sure that, if aliens needed redemption, they "in some way, would have the chance to enjoy God's mercy." Vatican astronomer, Guy Consolmagno was more explicit: there's no problem in getting the Son of God to every planet with ETs because, as Christians accept every Sunday during the Holy Eucharist, "Christ is truly, physically present in a million places, and sacrificed a million times, every day at every sacrifice of the Mass." Consolmagno tackled this subject in a 50-page booklet, Intelligent Life in the Universe.

Approximately 7 years ago Monsignor Corrado Balducci made similar news when he said ETs were actually already interacting with earth and that some of the Vatican's leaders were aware of it. Before his death in 1999, maverick Catholic theologian Father Malachi Martin hinted at such information more than once.

Some perceive this as a careful doctrinal unveiling over the last 24 months & a deliberate effort by church officials to 'warm-up' the laity to ET Disclosure.

There is no doubt we are in a threshold of deception. Even the Catholic Church is in on this deception as it prepares the world for Alien Disclosure. Why is the Catholic Church pushing the idea of Aliens from another planet? The Nephilim are poised to return.

“A large part of the available UFO literature is closely linked with mysticism and the metaphysical. People need to stop believing in that Sons of Seth theory. These things are hybrids. Just like in the Old Testament there was different types of giants. There

are different types of Nephilim today. American Christians just refuse to realize this truth. They also refuse to realize the spiritual realm. It is very sad.

NASA predicts imminent discovery of alien life: the hidden exopolitics agenda

Written by [Dr Michael Salla](#) on July 30, 2015.

On Tuesday, Dr. John Grunsfeld, head of NASA's Science Mission Directorate told the House Science, Technology and Space Committee that extraterrestrial life is on the verge of being discovered. Was his discovery prediction merely a pitch for more funding based on recent scientific discoveries, or is there a deeper 'exopolitics' agenda at play concerning the imminent disclosure of extraterrestrial life?

[Grunsfeld told](#) the House Committee:

Are we alone? Many, many people on planet Earth want to know.... We are on the cusp of being able to answer that question.

NASA's recent scientific discoveries and bold predictions by Grunsfeld and other NASA officials lead to the conclusion that the public is being prepared for the imminent discovery of extraterrestrial life.

Beginning in early March 2015, there was [an alleged meeting](#) on the moon involving up to 70 private individuals along with about 120 officials representing different secret space programs and national governments who heard plans about disclosing the existence of extraterrestrial life. The meeting was addressed by an 8ft tall extraterrestrial who belongs to an alien race called the "Blue Avians" that is part of an alliance called the [Sphere Being Alliance](#).

<<Illustration of Blue Avian that appeared on stage in secret meeting held on the moon in March 2015

The Sphere Being Alliance is allegedly intent on helping bring about full disclosure of extraterrestrial life.

Two of the individuals that attended that secret moon meeting have revealed themselves to varying extents. Corey Goode, publicly revealed himself in early April. The second individual, a military officer who uses the pseudonym Lt Col Gonzales, more recently allowed [summaries](#) of two secret space program meetings he attended in June to be released. **Goode's and Gonzales' testimonies suggest that public officials at NASA, the European Space Agency and other national space programs have been advised that plans are advancing quickly behind the scenes to disclose to the general public the truth about extraterrestrial life.** In order to better prepare the world for the psychological shock of discovering that extraterrestrial life is real and that

government institutions have been withholding this for decades, officials such as Grunsfeld are very active in playing up the imminent nature of a discovery of extraterrestrial life.

This agenda suggests that any NASA announcement about the discovery of extraterrestrial life is preparation for further disclosures about when alien life was first discovered, when it first made contact with humanity, and why this vital information was kept secret from the public for decades.

Bible Verses About the Endtimes

I Chronicles 12:32: "And of the children of Issachar, **which were men that had understanding of the times, to know what Israel ought to do;** the heads of them were two hundred; and all their brethren were at their commandment." ||

Thessalonians 2:1-12: ¶ "Now we beseech you, brethren, **by the coming of our Lord Jesus Christ, and by our gathering together unto him,** That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. **Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;** Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

Remember ye not, that, when I was yet with you, I told you these things? And now ye know what withholdeth that he might be revealed in his time. For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way. **And then shall that Wicked be revealed,** whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: Even him, whose coming is after the **working of Satan with all power and signs and lying wonders,** And with all deceivableness of unrighteousness in them that perish; **because they received not the love of the truth, that they might be saved.** And for this cause **God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.**

Matthew 24:24: For there shall arise false Christs, and false prophets, **and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.**

Hebrews 12:24-29: And to **Jesus the mediator of the new covenant,** and to the blood of sprinkling, that speaketh **better things** than that of Abel. See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven: Whose voice then shook the earth: but now he hath promised, saying, **Yet once more I shake not the earth only, but also heaven.** And this word, Yet once more, **signifieth the removing of those things that are shaken,** as of things that are made, **that those things which cannot be shaken may remain.** Wherefore we receiving a kingdom which cannot be moved, let us have grace,

whereby we may serve God acceptably with reverence and godly fear: For our God is a consuming fire.

Matthew 24:3-8: And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? **and what shall be the sign of thy coming, and of the end of the world?** And Jesus answered and said unto them, **Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many. And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.** All these are the beginning of sorrows.

++ Secret United Nations Space Program Preparing for Alien Invasion

Written by [Dr Michael Salla](#) on August 18, 2015.

Global elites offer to begin limited disclosure of extraterrestrial life & technology in Nov 2015

Written by [Dr Michael Salla](#) on **June 9, 2015--Corey Goode has just released a bombshell of a report** about a secret meeting he claims to have attended on Tuesday morning with a group of approximately 200 elite leaders from around the world on the issue of disclosing extraterrestrial life and technology.

In releasing his detailed report, Goode is continuing the process described by the Sphere alliance to create a “Full Disclosure Event,” as opposed to the “limited disclosure” proposed by the Committee of 200.

It is not coincidental that starting on June 11-14, the annual [Bilderberg Group meeting](#) is being held in Telfs-Buchen, Austria; and features many financial, political and scientific leaders from around the world. It's highly likely that some or many of the Committee of 200 that Goode claims he witnessed at the Cathedral-like building commonly found in Europe, may be attending this elite global conference. If so, they almost certainly will communicate the recent developments concerning extraterrestrial life and secret space programs, and recommend Bilderberg members prepare for major global reforms. See Report: "[Human Elite Attempt to Negotiate Cessation of SSP Alliance Disclosure in Latest Conference](#)" <http://exopolitics.org/global-elites-to-begin-limited-disclosure-of-extraterrestrial-life-technology-in-nov-2015/>

Secret Space Program Conferences discuss full disclosure & humanity's future

Written by [Dr Michael Salla](#) on June 11, 2015.

Secret space program whistleblower Corey claims he has just completed three diplomatic conferences with representatives of different secret space programs, human looking extraterrestrial visitors and global elites. The purpose of the conferences held from June 5-7 were

to find how each of these groups would respectively respond to the disclosures soon to occur where humanity learns about the existence of extraterrestrial life and secret space programs; and where a new global financial system replaces the current exploitative one that leads to 'financial slavery' for many.

The issues discussed at the three diplomatic conferences Corey Goode claims he attended from June 5-9 are astounding in their implications. If he has accurately reported what occurred, **then humanity is about to witness the most remarkable set of disclosures about extraterrestrial life and secret space programs imaginable. The scope of these programs, and the crimes committed in them, will lead to war crimes that dwarf those conducted at Nuremberg, and will usher in enormous global changes at a political, technological and economic levels.**

While some cite lack of documents and hard evidence in support of Corey's claims as reason to dismiss them, my own investigations of the claims of whistleblowers and extraterrestrial contactees suggest another approach. Carl Sagan's dictum "extraordinary claims require extraordinary evidence" is not sensible when it comes to the claims of whistleblowers and contactees simply because their revelations typically involve national security topics that are highly classified. This historically has made it [illegal for evidence](#) of these topics to be publicly circulated, thereby making it almost impossible to confirm such claims.

A more appropriate research dictum to apply to Corey's claims is "extraordinary claims require an extraordinary investigation." That requires keeping an open mind as we analyze Corey's claims; consider personal factors such as his sincerity, commitment and consistency; circumstantial evidence; look for documentary and hard evidence, interview supporting witnesses such as Lt Col Gonzales, and analyze any documents

that emerge that may be part of the promised massive document dump that Corey had described as accompanying the “full disclosure event.”

Bio-technology hybrids open the door to extraterrestrial AI robots replacing humanity

Written by [Dr Michael Salla](#) on June 7, 2015--Professor Martin Rees, the Royal Astronomer and former head of the Royal Society, made some startling statements about robotics and the search for extraterrestrial life. In comments published in [yesterday's Daily Telegraph](#), **he claimed that it is far more likely that extraterrestrials will be discovered to be advanced robots rather than organic life forms.** Rees believes this is due to the requirement for technological enhancements to organic life forms in

order for interstellar space travel to occur. **Rees claims are supported by Google Director for Engineering, Ray Kurzweil, who recently said that by 2030 most humans will have nanobots implanted in the brain to augment human intelligence in order to access the cloud internet and perform other complex tasks.**

Here's what [Rees said](#) about the search for extraterrestrial intelligence:

I think it is quite likely that within a few centuries the **overriding intelligence will be machines because they will have an easier time spreading beyond the Earth because they are not organic and most exploration will be by machines and not humans**.... If you were to detect a SETI (Search for Extra Terrestrial Intelligence) signal it would be far more likely that it would be from a machine and not an organic creature.

Rees continued to say that he was not very optimistic about humanity's long term survival prospects, but far more so about AI robots:

There has been just a thin sliver of time when organic beings have existed and billions of years after machines will take over, so they will be the future.

He believes that “cyber adaptations” (commonly referred to as “transhumanism” or “hybrid humans”) where humans integrate technology for space colonization, will mark the start of a post-human future dominated by human hybrids and eventually AI robots.

See Scott Johnson's Teachings:

[Cloning, DNA Manipulation & Corrupting The Seed & the Book of Enoch-Part 2](#)

Rees' claims are echoed by Ray Kurzweil who [last week spoke](#) about how human brains could be enhanced from nanobots created from DNA strands:

Our thinking then will be a hybrid of biological and non-biological thinking... We're going to gradually merge and enhance ourselves. In my view, that's the nature of being human – we transcend our limitations.

But Stephen Hawking warned against the danger of AI in [an interview](#) with the BBC in December 2014:

The development of full artificial intelligence could spell the end of the human race.... It would take off on its own, and re-design itself at an ever increasing rate.... Humans, who are limited by slow biological evolution, couldn't compete, and would be superseded.

Secret Group Battling Alien Agenda to Kill 90% of Population!

This article by Preston James of [VeteransToday](#) is as accurate as you can be about such things. He has a lot of sources in Intelligence agencies around the world. I know from my own personal experience and the word of God that the name of Jesus Christ will protect you from a demonic attack as he discusses.

I also know 100% that aliens are demonic entities that flee in the name of Jesus.

Many in the new age movement have been deceived to think there are "good" aliens and "bad" aliens but that's not true and is designed to make aliens your false god so you go to hell where the new world order followers goes when they die. All aliens are evil and serve Satan no matter what anybody tells you.

If Jesus wasn't your only hope then the NWO sure wouldn't be trying to take you away from him! If Jesus wasn't REAL then why do we have over 600 interviews now where alien attacks stopped in the name of Jesus! All of these aliens have an agenda and are liars and we've caught them lying about everything they've told us. Be sure you watch the video that follows with Joe Jordan, a longtime member of MUFON and former atheist that proves aliens are demonic with over 600 cases now where the name of Jesus Christ stopped alien abductions. This proof has been banned from being shown at all the UFO conferences! This is ironic because those at UFO conferences complain that the government covers up the proof that aliens are real but yet the entire UFO community is covering up the truth that aliens are demonic!

Oh and here's one last interesting tidbit. When I loaded up this video a month ago, it played without any problems of video distortions but now somebody at Google has gone into this video and put distortions all over the face of Joe Jordan. This has only happened once within the last 2 weeks! It's almost as if Satan himself got into this powerful video and tried to make Joe Jordan look like some weird

alien as his face is twisted all around constantly through the video now. It's VERY strange as you'll see. These distortions are not on my copies and only appeared in the last 2 weeks. Also be sure to review [Ed Slade's video](#). **Ed worked with the fallen angel aliens at Area 51. He did not discover these aliens were the fallen angels as described in the Bible until near the end of his career there.** Ed was killed for spreading the truth about the aliens (after he retired) through microwave weapons that gave him hundreds of strokes. The PTB DO NOT want you to learn the truth about aliens so PLEASE don't fall for Satan's trap here. **Aliens are not your buddies. They aren't going to come save the planet as people like David Wilcock and others in the new age movement have told you for many years now. Pray against ALL these aliens and ask God to take them out of the skies. You can do this in the name of Jesus Christ!** <http://beforeitsnews.com/alternative/2014/07/secret-group-battling-alien-agenda-to-kill-90-of-population-2996076.html>

Secret Files Reveal Why Aliens Mutilate Cattle

Since the late 1960's a strange cattle mutilation phenomenon has been plaguing farmers and ranchers all across the globe. At first these occurrences were thought to be the heinous acts of cult groups and predators as claimed by the FBI in 1979, however with the continued up-kick in cattle mutilations these theories have gone out the door!

In fact cattle mutilations are back with a vengeance, and the weirdness is so high that it literally jumps off the charts. Animals dropped from a height, entire brains missing, no bodily fluid traces, internal organs removed, and more bizarre findings. Something is going on, something deeper than we want to know. The connection to these mutilations may be found inside the "YELLOW BOOK" which **says the main basis for longevity was the capacity of human cells to recuperate. Anyone will grow old when their cells can't be restored and they start a process of deterioration and die. The secret of longevity is the restoration of the cells.**

This can be done using,

- Altered Adrenalin,
- Altered Coradrenalin,
- Cordrazyme

All of these substances have a base of Adrenalin, which is produced in the adrenal medulla. During the 60's scientists discovered that **these drugs can be synthesized from the medullary portion of the adrenal gland of the cattle.** They need big quantities in order to synthesize a small portion of the mentioned substances above.

The main interest to Aliens, is breeding, with humans of course. They need the cattle's tissues because they have the same carron cells as the human being at Genetic levels. They can send teams and take the material they need, and it doesn't matter where or how much. If they need it, they just take it.

<http://humansarefree.com/2014/04/secret-files-reveal-why-aliens-mutilate.html#more>

Aliens Organic Robots

Evidence is beginning to mount that many of the human and animal organs from mutilation victims are being used by an entirely different 'alien' group than the reptilians-saurians, although the saurians are apparently assisting in the construction of physical-biological 'forms' which can be 'possessed' by an insidious group of SPIRIT or SUPERNATURAL non-physical entities, the 'infernals'. The LEADING EDGE Magazine for March, 1990, quoted one 'inside' source as saying that: "These beings... have a physical presence & generate biological structures that function as containers for them... the aliens manufacture containers for themselves... fabricate their own bodies - using biologicals gained from humans and cattle..."

10 reasons why aliens are actually fallen angels/demons

1. Aliens of our time are an exact match to the behavior of the demons and fallen angels mentioned in the Bible.
2. Aliens never affirm the deity of Christ nor do they claim to come in his name.
3. Aliens change their stories to delude man into believing their lies.
4. Aliens are said to be so advanced, and from so far away, yet they seem to need us for their survival.

There are various accounts of aliens taking tissue samples (for food and cloning?) and impregnating women.

5. Alien abductions are stopped by invoking the name of Jesus Christ. See: [CE4 Research - Alien](#)

Resistance

6. Aliens bring ideas that man needs to unite worldwide for a new era of conscienceness.

This uniting involves being told to get ready for their leader (Antichrist?) and to forget about one's religion, which will make way for a one world religion/government.

7. Aliens most often abduct & contact "New-agers" and occultists.

It is my position that these "space brothers" are not too interested in contacting Christians, and for one obvious reason.

8. Aliens are not opposed to human worship and they deny Creator God & they assume that role instead.

9. Aliens give man technology but usually these "advancements" are for man's destruction.

There are "black projects" that governments have in their budget and these projects are usually tied to weapons of war. Much of the technology for such weaponry is said to come from extraterrestrials.

10. Aliens emit horrible odors, such as sulfur.

Some call it the stench of Hell.

I hope you don't mind me asking, but I've never understood what a demon, or Satan is? Satan was the highest angelic order of beings called a Cherubim in the bible. He fell and tempted 1/3 of regular angels and they fell. The demons are most likely the disembodied spirits of the slain Nephilim primarily from Noah's day. This is complicated, but listen to my teachings:

++ ++ [Sleeping giants in stasis chambers ready to awaken whistleblower claims](#) [Matthew 24:38 & Luke 17:26](#) say: **“And as it was in the days of Noe (or Noah), so shall it be also in the days of the Son of man.”.**

Written by [Dr Michael Salla](#) on August 5, 2015--In the [latest Cosmic Disclosure episode](#), Corey Goode makes some **startling claims about sleeping giants located in stasis chambers hidden all around the world.** He says that during his down-time in secret space program assignments (1987-2007) he would review information on “smart glass pads.” The pads were a Wikipedia-like repository of information that personnel in the secret space programs could access about various aspects of ancient Earth history, extraterrestrial life, advanced technologies, etc. [Goode described seeing information about giants that once lived on Earth, now sleeping in stasis chambers.](#)

Goode described stasis chambers as being originally built by an “Ancient Builder Race”; and that these stasis chambers perfectly preserved the giants inside them & had been found all over the world. According to Goode, **the smart glass pads revealed that Abraham Lincoln had seen one of the stasis chamber giants in one of the ancient mounds found across the United States. This is supported by Lincoln himself who said:** *The eyes of that*

species of extinct giants, whose bones fill the mounds of America, have gazed on Niagara, as ours do now.

In support of his remarkable claims, **Goode discussed two youtube videos which he had earlier shared with the host, David Wilcock.** Goode said he believed they were examples of sleeping giants that had distinctive red hair and white skin. The videos were released on Youtube and are in the Russian language. In the first video (below) Goode believes the stasis giant has died due to human interference.

In the next video, **Goode believes the stasis giant is still alive (see picture above).** The videos show what appear to be perfectly preserved bodies lying in sarcophagi of some kind. **There is no sign of advanced technology other than jewelry placed around the sarcophagi and on the bodies.** How credible are Goode’s claims?

The two videos cited by Goode have been subjected to much internet discussion. **One of the videos dates to a discovery in 2008 following excavations for a building in the Kurdistan region of Iran.** A google translation of [a Russian article](#) about the discovery follows:

According to data obtained, **photos show the found sarcophagus and find in it the body of an ancient magician.** Detection time — Spring 2008. The displacement of the ground tomb came to light when the cultural layers (of the remnants of the ancient city) were excavated. **To watch go to:** https://vk.com/wall10894398_662

A poster on a [discussion forum](#) was able to find a Russian article that discussed the discovery of the bodies in the videos released by Goode. The article gave a revised estimate for the age of the sarcophagus:

In the territory of Iran (formerly Persia...) ... **The above-mentioned artifacts were discovered by accident, when building a house. The builders found an underground mausoleum thousands of years ago, with three sarcophagi.** (later corrected to be about 850 years old)

The name of the ancient magician or magi was “Jaromir” who was said to be “biologically active” – i.e., in some kind of dormant/stasis state. Ancient manuscripts and an ancient map of Russia were also found in the sarcophagus.

The first of the preserved and/or sleeping bodies does not, however, appear to be a giant in comparison to the human hand in the video. It is hard to estimate size of the being in the second video. The data used for the videos is said to be reliable, if so, then they are stunning evidence that ancient stasis chamber technology exists, that can and does preserve bodies for extremely long periods of time, just as Goode claimed. There is extensive evidence for the skeletal remains of giants being found around the world, as well as references in the Old Testament. So it's possible that some giants did make it to secret stasis chambers hidden around the world as Goode claims.

As to the question of why giants or other humans would allow themselves to be put into stasis, centuries or millennia ago, to awaken in our age, Goode claims the answer may lie in cosmic energies that our solar system is increasingly encountering. This is – something he claims secret space programs have been closely monitoring.

++ Show Cancelled, You Won't Believe What It Reveals About September and CERN! Creepy Coincidence You Have to See To Believe!

Back in 2013, the television show “Rewind” was scheduled to air on the SyFy Channel however due to reasons not disclosed, the show never aired past the first episode despite the fact that the pilot was a huge success.

Years later, we may have discovered the reason why SyFy pulled the series from this extremely controversial show and you won't believe some of the things that were discovered.

In the video below youtuber, C.Ervana, delves into the pilot of the movie and uncovers some “coincidental” details found linking it to the highly discussed month of September. Not only that but she further describes how the movie reveals the opening of CERN on September 23rd—which just so happens to be the “Day of Atonement” on the Jewish calendar. Here is

the breaking report and trust me! It's well worth the 9 minutes!

Play: <https://www.youtube.com/watch?v=lba12r37pvg>

When is CERN Scheduled to “Open the Door”? Answer—September
When is the United Nations Meeting? Answer—September 25th-27th and on the 26th they will be hosting the “International Day for the Total Elimination of Nuclear Weapons” A “world peace” gathering.

Is it all just one big fat coincidence? Or are we really being given signs about something coming in the month of September?

Subject: Re: [Listener Asteroid Question](#)

My concern is that they will fake something. Perhaps drop something near the Atlantic to cause a wave and I live in FL, pretend and say it was a piece of an asteroid. Thinking logically, it doesn't make sense that they would want to destroy FL, it will be useful for them in so many ways. I just have to pray. The LORD can always stop their plans, as I hear you say so many times.

Scott Johnson's Response: Oh yes I agree. That is a one reason I moved out of FL 5 years ago. I had visited an Army colonel in the mountains of NC about 7 years ago (when I still lived in FL) and he begged me to get out of FL for that very reason. He told me they had nukes off the coast in the Atlantic deep water and at the appointed time they would detonate them causing a huge tsunami that would roll right over FL. Also that is just one scenario that could cause this. See: https://www.youtube.com/results?search_query=canary+islands+tsunami&spfreload=10

Here be dragons: Creature lands at Seattle building site

August 24, 2015--The Seattle Times) By [Andie Waterman](#) -- A fire-breathing dragon landed in Seattle at a busy South Lake Union construction site on Monday, but it didn't fly in on its own power. A crane from construction firm Lease Crutcher Lewis brought the 12-foot-tall, 2-ton sculpture to rest at 300 Boren Ave. N., the site of a future Amazon.com building.

"It's an ancient symbol, the dragon, and it goes as far back as roots can go in the origin of man," said the sculptor, Marcus Devine, of Toledo, Lewis County, who creates dragons out of copper, iron, steel and scrap metal.

The steel dragon is attached to the top of a bigger sculpture by Devine, and its levitation above the construction site was the brainchild of construction superintendent Ron McDonell, who collects Devine's dragons in addition to Harley-Davidsons and hot rods.

For the artist, the sculpture portends many things. But then again, he said, it just means one thing.

"It's all about the world coming together," he said of the piece, which he's calling "Global Presence." It recalls a design out of a Galileo sketchbook: a female dragon perches menacingly on an egg-shaped steel ring which contains a steel globe, out of which a baby dragon is hatching somewhere in the middle of the Pacific.

It's also equipped with copper wires that can be hooked up to a propane tank to breathe fire through the nostrils, and can project a multicolored "kaleidoscope" of the various continents from the globe in the dark. It can also turn on its circular platform.

The fearsome look of the female, who represents mother nature, doesn't have to be a negative sign, said Devine — she's just "prodding" humanity to progress and adapt to natural change.

++ Reptilian Controversy

Leading Illuminati author Fritz Springmeier is quoted saying: "The subject of reptilian humanoids has been here long before people like David Icke came on the world scene. Mythology all around the world from numerous isolated groups, as well as sophisticated ancient peoples like the Greeks, Persians, Chinese and Hindus have all believed in reptilian humanoids, and the Bible refers to Satan and his demons in reptilian terms."

Gen 6:4: "There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown." The Hebrew word which is translated, "giants" is "Nephilim", which can also mean: "The fallen ones". Jude describes them as "angels, having left their first estate". These fallen angels came to earth for their own purposes & to corrupt the seed of humanity and ultimately destroy the human civilization so as to negate the Biblical statement made below by God himself.

Genesis 3:14-15: "And the LORD God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: And I

will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel."

He continues: "Something powerful and evil is behind these legends and Scriptures. If we are trying to get to the bottom of evil, we will have to face the influence of non-human intelligences on humanity throughout history."

[ABC Series 'V': Invading, Fascist Lizards Arrive With 'Universal Health Care' and 'Message of Hope' -](#)

By Lori Price **04 Nov 2009**--ABC Network Portrays

Aliens, Hell-bent on Destroying Planet Earth, as the

Obama Administration

The ABC television network has brought back the science fiction series, 'V,' in a remake of the 1980's classic by the same name... In the remake [pilot](#)

of V, which aired on November 3, 2009, **the leader of the**

aliens grants an exclusive interview to a conciliating,

Fox News-style reporter, Chad Decker, who consents

to the alien leader's constricton: 'We can't be seen in

a negative light.' in order to get the interview and get

other exclusive announcements from the Visitors'

leadership. During the interview, interspersed with

scenes from a meeting of a resistance movement, **Anna,**

the Visitor's leader, announces that the Visitors are going to open medical clinics all over the country, as a gift to humanity. The interviewer actually asks, 'Oh, do you mean like universal health care?' And Anna, the scourge of mankind, replies, 'Yes, I believe that is what your people call it.' The implication by the ABC producers of 'V': An alien lizard fascist, trying to take control of earth and who must be destroyed at any cost, will provide universal health care as a cover to control all earthlings and to take over the planet.

Moreover, the alien Visitors frequently talk about the importance of *hope* and how change does not come easy. There are numerous analogies of the Visitors to the Obama Administration, peppered throughout the pilot. The Visitors assert: *We stand ready to serve... To help Earth become a better place. To be agents for a new dawn for mankind and our world. Embracing change is never easy.*

I am blown away. I am speechless. My faith has been increased. Praise God thank you Lord Jesus. I want to say thank you for sending me those two documents about Nephilim world leaders. It was insane watching the eyes and skin change. I looked at some of the comments that people made below to excuse this all away.

Seeing the slits in the eyes was crazy and so was the skin changing. I have never seen this before. I have heard about it. However the name David Ike is always mentioned so I never further examined it. Have you ever seen people have slits in their eyes and change when watching TV??

*My brother after watching the videos and reading the documents that you sent me I just have to say this. You have the smoking gun on this topic. **This information that you have all I can say is you must do a teaching to release this!** Be sure once you release*

this people will send you hate mail that I am sure you are used to. However there will be people that will break fellowship with you. You will be seen as insane and a nut.

Let the ignorant be ignorant. If people want their cool aide let them get it somewhere else. The hour is late and the Nephilim are all around us!

Scott Johnson's Reply: James: I have seen this dozens and dozens of times on TV. For a long time (on that Reptilian attachment I sent you) I posted a video of close-up interview of John McCain with full slits (in HD) in CNN. It was in their archive for a long time and they finally took it down so I can't direct that to you anymore. Years ago I was asking the Lord a lot about this it seemed like every time I turned on the TV (which I don't have any more) I saw these reptilian eye slits in people. I posted some pertinent info below in that attachment I sent you as I just reread it:

What can also force a shift is by thinking sublime spiritual thoughts in their presence, usually thinking of Jesus Christ or Father God. This energy flows from you like light from a candle, also radiating spiritual heat, as does a candle. If they are close by, this causes them to cough at first, then the stages of shifting starts.

A thousand times I've walked into a store or wherever and like a hive mind, they all turn at once, contempt or a smirk moving over their face. "It's him..." You'll have to get used to that. You'll have to get used to being hated for seeing the truth of things. THEY WILL HATE YOU FOR IT. You become their worst enemy. You'll be attacked both verbally and physically in public, as I have been countless times over the years (as long-time readers know full well.) You have to be strong. Ask for divine assistance and when you need it most, it will be there.

If you are one of those people who are able to see or are starting to see, it's because you can handle the reality. So handle it and move forward. Tough words, I know, but you have to get strong inside and get your act together within yourself ASAP...

God bless you!

Breaking!!! Ascended Masters First Contact Update: "We Shall Appear To Millions, Even Billions Of People Around The Planet"

Ascended Master: "Lady Nada", "Ashira" channeled by Dr. Susan Sammarco (Note: these messages were given during our weekly Prepare For Change group in Glendale, AZ on August 9, 2015)

"Lady Nada"

I am "Lady Nada". It was important to bring this experience to you today. It is important because it is time. The energies have shifted. The energies are coming. The energies are here. Many of you have experienced the "opportunities" of becoming adjusted to the

new energies.

Many things have been "promised" over the next couple of months. What I wanted to

come today to do was to share. *Share on behalf of my Beloved, Sananda, and myself and the Ascended Master's from around the world who are ever so close to you now. So many upon the planet are listening to our words.*

Comment: Regarding **Sananda Immanuel Or the Master Jesus** A New Age Site Reads: *Sananda Immanuel plays the role of "Jesus" in the astral realm and near death experiences. He's the one Michaelangelo painted a portrait of, that the churches then accepted as the picture of "Jesus."* Most churches today have pictures of this Sananda hanging in them somewhere. Most believers correlate the picture of Jesus that they see as the real Jesus when it is really this Sananda Immanuel who will come to earth playing Jesus, the Son of God. A very good deception. **The church was groomed for hundreds of years for this one.**

Listen: [Deception Afoot: Maitreya & 'Master Jesus'](#)

Comment: Please be careful with any "Jesus" images. These images were first portrayed to the masses (hundreds of years ago) by the Catholic Church, and is now also promoted by New Age movement as well. Now this Jesus is always portrayed with long hair and many times a halo (AKA Pagan Egyptian Sun Disk) over his head.

Also this "Jesus" doesn't line up with the Word of God:

Isaiah 53:1 Who hath believed our report? and to whom is the arm of the LORD revealed?

Isaiah 53:2 For he shall grow up before him as a tender plant, and as a root out of a dry ground: he hath no form nor comeliness; and when we shall see him, there is no beauty that we should desire him.

++ In other words Jesus Christ was not outwardly/physically handsome like all the pictures (see the one on the right) portray him. The word "comeliness" above is translated 4 times in the Old Testament as: [beauty](#)

Also:

[1Cr 11:14](#) Doth not even nature itself teach you, that, **if a man have long hair, it is a shame unto him?**

Back to the new age channeling:

We come to describe to you what is to occur moments after the "Event". Part of the excitement we come to share is that we shall appear to millions upon millions even billions of people upon the planet. You will see and experience what you choose to see and experience. We will be experienced by the billions in very individual ways.

If you believe in Mohammed, you will see Mohammed. If you believe in Buddha, you shall see Buddha. If you believe in Jesus, you shall see the Master Jesus return. If you have no awareness of Lady Nada, I will not be visiting at that moment. The celestial skies will be filled with the multi-dimensional selves that you have come to understand for yourselves as well as for all of us.

We have chosen to come in different personalities and to bring messages across the world...those things such as the similarity in messages that are being brought are a sign of the times. The similarity in messages is presented in different languages around the world. The messages that are from different Masters and through different channels are similar.

There are so many beautiful things that are occurring now at this moment. We have talked before of the water that is appearing in different parts of the world. We have talked about the food that has appeared in deserts and in places where people have not received food in a very long time. **That veil that you have talked about and we have talked about has thinned to the point where miracles DO happen!**

And those who are maybe not awake in the way you are awake or aware of those things of which you are aware of but those who are (for instance) clinging to tribal customs, are seeing miracles. The veil, the curtain is all but gone. As that has fallen there have been so many things that are occurring.

The energy wave that you look for in the future, you do not have to wait for that because the energy is here at this time. Yes, the "Event", the "Wave", the "Tsunami" whatever you would call it, it shall be here.

Yes. **These energies are going into people's minds and bodies and are affecting their spirits. These energies that have come in for transformation have caused (in a number of people) a variety of the "flight or fight" syndrome symptoms. We spoke of this many months ago to this group to describe many of the emotions people were feeling.**

The HEXagram & the Mark of the Beast

Many believe the six-pointed star/HEXagram is a Jewish/Christian symbol but nothing could be further from the truth as it is one of the highest most wicked of all occult symbols. The six-pointed star/HEXagram is a curse mark no matter what name it may have: Star of David, Solomon's Seal, Double Triangle, Shield of David, etc. When an occult practitioner puts a curse on someone, he uses the HEXagram. "Brethren, my heart's desire and prayer to God for Israel is, that they might be saved. For I bear them record, that they have a zeal for God, but not according to knowledge." (Rom 10:1-2) It is not my goal to condemn the Jewish people, but to condemn the six-pointed star, a curse symbol. The hexagram star was mentioned and condemned by the God of Israel in Amos 5:26 and it was called by Him, 'the star of your god, Moloch' or otherwise called 'Chiun'. Reference was also made to the Israelites having it in the wilderness in Acts 7:43 by Stephen. Here it was called the Star of Remphan. All these names refer to the 'god' Saturn. Now, the name SATURN in Chaldee is pronounced Satur; but, as every

Chaldee scholar knows, consists only of four letters, thus - Stur [ed. Star?]. This name contains exactly the Apocalyptic number.' (Hislop, p. 269)

S = 060 T = 400 U = 006 R = 200: = 666 Now Saturn is also the sixth Planet from the Sun, has six letters and Saturn is associated with Satan which has a very similar spelling.

Lexicon :: Strong's H6252 - `Ashtaroth

Outline of Biblical Usage

1. Ashtaroth or Astaroth = "star"

1. false goddesses in the Canaanite religion, usually related to fertility cult
2. a city in Bashan east of the Jordan given to Manasseh

KJV Translation Count — Total: 12x The KJV translates Strong's H6252 in the following manner: [Ashtaroth](#) (11x), [Astaroth](#) (1x).

<<Astaroth's seal (according to The Lesser Key of Solomon)

Astaroth (also Ashtaroth, Astarot and Asteroth), in demonology, is a Crowned Prince of Hell. He is a male figure named after the Canaanite goddess Ashtoreth.

Background

The name Astaroth was ultimately derived from that of 2nd millennium BC Phoenician goddess Astarte,^[1] an equivalent of the Babylonian Ishtar, and the earlier Sumerian Inanna.

For a preview to this teaching I have posted the following lies from the UN supported SHARE INTERNATIONAL (<http://www.shareintl.org/>) WHO IS MAITREYA?: 'He has been expected for generations by all of the major religions. Christians know Him as the Christ, and expect His imminent return. Jews await Him as the Messiah; Hindus look for the coming of Krishna; Buddhists expect Him as Maitreya Buddha; and Muslims anticipate the Imam Mahdi or Messiah. In recent years, information about Maitreya's emergence has come primarily from Benjamin Creme, a British artist and author who has been speaking and writing about this event since 1974. Since 1988 Maitreya has appeared miraculously throughout the world, mainly to orthodox religious groups, presenting in the simplest terms the great spiritual laws governing our lives. And, through steadily increasing signs and spiritual manifestations, now widely reported in the media, he is preparing them for His imminent appearance: The Day of Declaration in which Maitreya will demonstrate His true identity, the international television networks will be linked together, and Maitreya will be invited to speak to the world. We will see His face on television, but each of us will hear His words telepathically in our own language as Maitreya simultaneously impresses the minds of all humanity. At the same time, hundreds of thousands of spontaneous healings will take place throughout the world.'

Share International is now advertising Maitreya's emergence on the The History Channel, Rush Limbaugh, Nancy Grace, Anderson Cooper 360 & the Wall Street Journal. Maitreya seems to have a strangely similar "share and save the world" agenda to that of Purpose Driven Pastor Rick Warren with his Global P.E.A.C.E. Plan and also President-elect Barack Obama with his Global Poverty Act and Universal Service Plan – men who apparently have no aversion to working with any or all of the world religions or non-religions to "save the planet".

Share International says Maitreya is coming with the satanic couterfiet "Master Jesus": "In collaboration with...& Maitreya, the Master Jesus is deeply interested in unifying the religious thought of East and West. According to the Plan, this will lead to the One Universal Church, uniting all peoples into the One Humanity...It is forecast that the Master Jesus will yet occupy the chair of the Pope of Rome, and that from that seat he will then be able to re-inspire and re-orient the whole field

of Christian religion, diverting it from its present political and temporal trends, towards a more spiritual approach.” “Could you explain the relationship between the disciple Jesus and Maitreya the Christ?” “By the occult process of overshadowing, the Christ, Maitreya, took over and worked through the body of Jesus from the Baptism onwards.”
