Luke 21:8: “And he said, Take heed that ye be not deceived: for many shall come in my name, saying, I am Christ; and the time draweth near: go ye not therefore after them.”

From Share International (Maitreya's Website):

Who is Maitreya? He has been expected for generations by all of the major religions.

Christians know him as the Christ, and expect his imminent return. Jews await him as the Messiah; Hindus look for the coming of Krishna; Buddhists expect him as Maitreya Buddha; and Muslims anticipate the Imam Mahdi or Messiah.

http://www.shareintl.org/maitreya/Ma_main.htm

Although the names are different, many believe that they all refer to the same individual: the World Teacher, whose personal name is

Maitreya (pronounced my-tray-ah).

This is Maitreya's official symbol which supposedly symbolizes the uniting of all major religious systems with the Hexagram being the foundation of this unity.

Coincidentally the Hexagram is one of the most powerful symbols in all of witchcraft and will most likely play a major role in the "Mark of the Beast":

YouTube - Benjamin Creme talks about the 'star'

Benjamin Creme discusses the 'star' and the desire for some measure of public debate about the significance or meaning of the 'star'. <http://www.youtube.com/watch?v=9JihYJhfAs4>

The 'Star' Sign

For over 30 years author, lecturer and artist Benjamin Creme has been preparing the way for the emergence of Maitreya, the World Teacher.

On 12 December 2008 Share International Foundation distributed a news release announcing that in the very near future a large, bright star would appear in the sky visible throughout the world, night and day, heralding the imminent appearance of Maitreya in His first interview on US television. Share International has produced a 10 minute film called The 'Star' Sign, which is now available on YouTube website, presenting the extraordinary phenomenon of the 'star' heralding Maitreya's emergence. Since Benjamin Creme's first announcement in December 2008, Share International has received hundreds of photographs of the 'star' from all over the world, and witnesses have independently posted on YouTube dozens of videos of the 'star' from different countries with much debate as to its meaning and purpose.

The new film contains vivid photographs, video footage and media reports from Brazil, Colombia, Sky News, and a clip from a Benjamin Creme lecture. Viewers can see how the 'star' moves, changes shape and emits rays of brilliant colours. It is, of course, according to Benjamin Creme's Master, not a star per se, but one of four gigantic spacecraft, positioned so that one is visible from any part of the globe, an awesome sign to the world that an extraordinary event is about to happen – the emergence of Maitreya into public view.

Comment: Hmm...This seems to be very similar to **Hollywood's agenda of saturating us in UFO phenomenon and currently to condition us to accept gigantic 'alien' spacecraft over populated areas.** The movie District 9 debuting in August of 09 & is being heavily promoted. Watch the trailers at:

Regarding the end times & the Antichrist the Bible says:

2

Thes. 2:8-13: "And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: [Even him], whose coming is after the working of Satan **with all power and signs and lying wonders**, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness."

Rev. 13:13 & 14: "And he doeth **great wonders**, so that he maketh fire come down from heaven on the earth in the sight of men. And

deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast..." **Matthew 24:24:** "For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect."

Jesus said:

Matthew 16:4: "A wicked and adulterous generation seeketh after a sign..."

Matthew 12:39: "But he answered and said unto them, An evil and adulterous generation seeketh after a sign..."

Maitreya Update

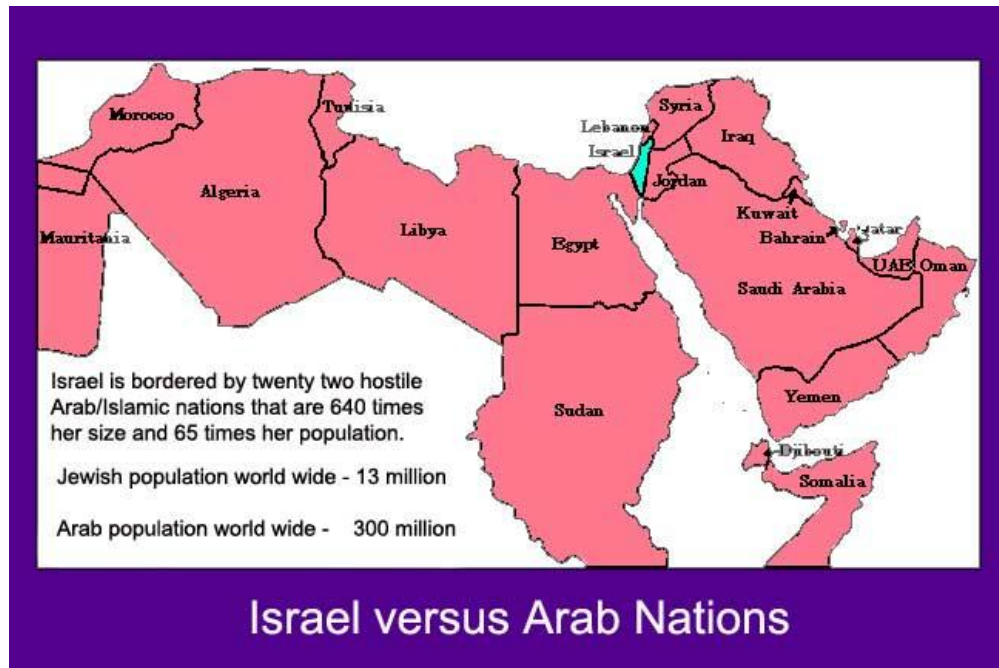

Date: 07-31-09

Host: **George Noory**

Guests: **Benjamin Creme**

Benjamin Creme, the official spokesperson for the "world teacher" Maitreya, appeared in the first hour of the program to provide an update on the alleged spiritual leader's "eminent" arrival. Creme proclaimed that Maitreya will make himself known to the world "anytime in the immediate future." He also noted that interest in the Maitreya story is growing, particularly in Japan, where two thousand people attended Creme's lecture in Tokyo this past May. Creme asserted that Maitreya is preparing the world for his arrival with "a whole series of extraordinary signs, miracle happenings by the score." **He claimed that the latest such sign is a set of four spaceships hovering over the Earth that appear to be stars. According to Creme, each of the ships are "about the size of five football fields put together" and derive energy from the sun in order to appear as if they are stars to those observing on Earth. He declared that these ships are fulfilling a similar role as the Star of Bethlehem, which he also said was a spacecraft.** <http://www.coasttocoastam.com/show/2009/07/31>

To show you one aspect of what a liar Benjamin Crème is during this interview, let's look at his defense of Yasser Arafat and his condemnation of the Israelites for not giving up enough land to make the Palestinians and Maitreya satisfied.

<http://www.jewishindy.com/modules.php?name=News&file=article&sid=9488>

Israel is a Jewish democratic nation 1/19th the size of California, and is one of the smallest nations on the face of the earth. With only about 8,000 sq. miles of land mass it is **roughly two times the size of Rhode Island**. Israel is 260 miles at its longest, has a 112-mile coastline, is 60 miles at its widest, and between 3 and 9 miles at its narrowest. **The nation of Israel is surrounded by twenty-two hostile Arab/Islamic dictatorships that are 640 times her size and 60 times her population.** Arab propagandists call Israel "expansionist." There is NO truth to this statement as Israel, occupies **one-sixth of one percent of the lands called Arab.** There are 13 million Jews in the world (almost 5 million fewer than they were in 1939) and 300 million Arabs and 1.4 billion Muslims.

Arab propagandists and biased irresponsible news services call Israel "expansionist" and the "aggressor" against Arab peoples. Israel has fought only defensive wars; to the Arabs, Israel's resistance to *their* aggression — which would lead to Israel's total destruction if allowed to go unchecked — is illogically viewed as an "act of aggression." Is "illogical" the proper term to be using here? Of course it is. **But is logic really a considered factor in much of today's news propaganda?**

~ [Yasser Arafat quotes](#) (Palestinian President of the Palestinian Authority from 1996. Nobel Peace Prize in 1994. 1929-2004)

“We plan to eliminate the state of Israel and establish a purely Palestinian state. We will make life unbearable for Jews by psychological warfare and population explosion. . . . We Palestinians will take over everything, including all of Jerusalem.”

“The victory march will continue until the Palestinian flag flies in Jerusalem and in all of Palestine.”

“Whoever stands by a **just cause** cannot possibly be called a terrorist”

“Our law is a Jordanian law that we inherited, which applies to both the West Bank and Gaza, and **sets the death penalty for those who sell land to Israelis.**”

“We will not bend or fail **until the blood of every last Jew from the youngest child to the oldest elder is spilt to redeem our land!**”

“**Peace for us means the destruction of Israel. We are preparing for an all-out war, a war which will last for generations.**”

Some opinions of Arafat: “Arafat
contradicts himself every five minutes. He always plays the double-cross, lies even if you ask him what time it is.”

[Oriana Fallaci](#)

“It is not surprising, then, that in the decade since Oslo began, Arafat used all the resources placed at his disposal to fan the flames of hatred against Israel.”

[Natan Sharansky](#)

“Arafat rejected the deal because, as a dictator who had directed all his energies toward strengthening the Palestinians hatred toward Israel, Arafat could not afford to make peace.”

[Natan Sharansky](#)

“Arafat was a barrier to peace.”

Share International magazine July / August 2009

The Master's article: The Time of Revelation

by the Master (Maitreya) –, channeled through Benjamin Creme, 14 June 2009

“.....Much government action is secretive and obscure, much is done ‘behind the scenes’ of which the people never hear, but generally, governments, at least in the so-called ‘democratic’ world, are careful not to rouse the ire or discontent of the people. There is one major area in which this is assuredly not the case. For over sixty years, governments worldwide have withheld from the people **the reality of ‘UFOs’ or ‘flying saucers’**. Further, they have sought by all means to denigrate the occupants of these visiting craft as ‘aliens’, destructive and harmful to the people of Earth. To keep their populations under control, and to avoid ‘panic’, they have denied the experience of hundreds of thousands of intelligent, open-minded citizens. They have thus created a major myth: “**flying saucers’ do not exist but they are dangerous and rapacious to men of Earth**”! Likewise, they have taught the people to deride the notion that crop circles are a legacy from Space, yet every government has unassailable proof of the existence, creativity and superior technology **of these brave and harmless visitors from the sister planets of our System**. Our profound ignorance of the subtle planes of matter has allowed the major governments of the world to maintain this deception for so long.

At last the time of revelation has arrived. For no longer will government agencies hide the truth from men of Earth: **their brotherhood with the far-off planets of our Solar System. Already, the “star-like luminary”, the Herald of Maitreya’s emergence, is showing people worldwide that for years they have been deceived by their governments.** You may be sure that

Maitreya will reveal the truth of our relationship with the other planets, and of the co-operation which for long has continued between us. It is in truth the time of revelation.”

Questions and Answers for Benjamin Crème (**Comment: AKA Maitreya's False Prophet**)

Q. (1) “Is the new ‘star’ the return of the star of Bethlehem or the “sign of the Son of Man” as prophesized by Jesus? (2) Are all the things that have been happening in the recent past, signs of Him appearing soon? (3) How do you explain the Bible’s prophecy in Matthew 24:29-31, where Jesus says He will come “on the clouds of heaven with power and great glory”? And the scripture that says: “And the Lord, whom you seek, will suddenly come to His temple, even the Messenger of the covenant, in whom you delight. Behold, He is coming”, says the Lord of Hosts.” (Malachi 3:1) This is plainly talking about a real temple in Israel (to me, at least). The problem is that the Jewish people have not rebuilt the ancient temple of Solomon. This prophecy is yet to be fulfilled. (4) How do you see this happening?

A. (1) The ‘star’ is, symbolically, the sign of the Son of Man and heralds the first appearance of Maitreya, the World Teacher, on US television, interviewed not as Maitreya, but as an ordinary man. (2) Yes. (3) Maitreya descended from His retreat in the high Himalaya on 8 July 1977, stayed some days in Pakistan, then came from Karachi to London, UK, on 19 July 1977, thus “coming in the clouds” which today all can do by aeroplane. (4) The ‘temple’ referred to in this symbolic text is not a building but means *humanity*, to which the Son of Man returns as the oldest and highest of men.

Q. In what way do the inhabitants of other planets help humanity? And why have there been so many UFO sightings over the Netherlands, as mentioned recently in Share International?

A. The first thing to understand is that UFOs, Unidentified Flying Objects, may be unidentified by the government agencies, but they are real, they exist and they have a mission. **Without their help this planet would by now be uninhabitable. All the UFOs entering our airspace come from the planets of our own solar system. The majority of them come from Mars and Venus. We are told that there is no life on Mars, and that Venus, too, is uninhabitable. This is because those ‘wise’ people who tell us these things, the governments and the scientists, do not understand anything about energy. **Esotericism** postulates seven physical states of matter. We have instruments to measure only solid, liquid and gaseous physical, so we assume, due to our limited technology, that there is nothing higher than gas. It is not true. So if you went to Mars, you would see nothing unless you had **etheric** vision.**

From Wikipedia we read: The **etheric plane (see also [Etheric body](#)) is a term introduced into [Theosophy](#) by [Charles Webster Leadbeater](#) and [Annie Besant](#) to represent one of the [planes of existence](#) in neo-Theosophical and Rosicrucian cosmology. It represents the fourth[higher] subplane of the [physical plane](#) (a [hyperplane](#)), the lower three being the states of [solid](#), [liquid](#), and [gaseous](#) matter. The idea was popularised in books by [Alice Bailey](#), [Rudolf Steiner](#), [Walter John Kilner](#) and others. The term **aether** (also written as "ether") was adopted from ancient [Greek philosophy](#) and science into Victorian physics and utilised by [Madame Blavatsky](#) to correspond to [akasha](#), the fifth element of Hindu metaphysics.

There are actually more people on Mars, although it is a smaller planet, than on Earth. If you went to Venus you would see nothing, but there are people on Venus and all the planets of our system. The Masters of our planet are in touch with the Masters of the various planets. The

solar system acts as a unit. The planets are not isolated but are in contact moment to moment, and they evolve together. If one falls behind, as this planet has done, **it causes concern for the others.**

The Beings in the UFOs, from whatever planet – mainly Mars and Venus but others too – **have a tremendous task in working to eliminate, or at least reduce, pollution.**

....A vast amount of the **Space Brothers' time and energy is spent neutralizing, so far as they are allowed under Karmic Law, nuclear pollution on planet Earth. We owe them an enormous debt.**

Another part of their tremendous work for planet Earth is that they are replicating, on the physical plane, the magnetic energy field around the planet. The energy field is made of flows of magnetic energy and where these flows meet and criss-cross a vortex or centre of force results. They are replicating that centre of energy on the physical plane in connection with a **new technology which will give us unlimited energy direct from the sun.** The relationship of sun energy and magnetic energy from our magnetic field will free humanity, and give us safe, unlimited energy for every human need.>>*(Comment: One of the Devils Carrots that will be offered to humanity at the appropriate time.)*

What do you think crop circles are? They are points, vortices on this magnetic grid created by the Space Brothers. This is the new Technology of Light, which is forecast by Maitreya. These vortices are, of course, all over the world, not just where there are crop circles. **The crop circles are there to draw attention to the fact that the Space Brothers are there.** They are amazing constructions. They are made in seconds by the 'ships' of the Space Brothers. They are complex and beautiful constructions which cannot be made in any other way. They appear all over the world **but the majority are in the south of England. Why? Because Maitreya is in London.**

Recently, my Master talked about a 'coming together of the Forces of Light'. He meant the coming of the Masters into the everyday world; They are the Forces of Light on our planet. But also the joining together with the Forces of Light of Mars and Venus and perhaps other planets in large numbers. Where there were one or two, there will be many. Where there were many, there will be even more. And everywhere, not only in the Netherlands, but everywhere. Increasing numbers of people are sending in reports of UFO sightings.

In London near where I live, one night recently there were 17 flying low over the ground. They were seen by many people who stopped their cars, got out, and watched this parade of UFOs flying about.

So there is a coming together of these forces. People will record more and more evidence of the 'flying saucers', the 'UFOs'. They are all part of the plan of the emerging Hierarchy of our world."
