I received a promotion today for a new DVD out in June called, *The Source of the Secret: Revelations of Faith, Joy & Gratitude*. Word-faith teachers like **John Bevere**, **Oral Roberts** and several others unite to promote the “Law of Attraction” as taught in the bestselling “The Secret”. Here’s the promotion letter from the agency.

“Following the immense success of Dr. Ben Johnson’s *The Secret*, GT Media announces the release of the DVD companion, *The Source of the Secret*, on June 24th. Offering viewers the chance to delve deep into the principles and promise of *The Secret*, *The Source of the Secret* goes beyond surface truths to more meaningful revelations.

The DVD provides more profound insight into faith and goes beyond the media sound bytes to the substance behind the beliefs. Special features include interviews with the world’s leading and most influential teachers including Dr. Ben Johnson (*The Secret*), John Bevere and Oral Roberts.”

I have news for them. Oral Roberts has been teaching the principles of the Law of Attraction for decades under different names. [Here is the trailer](#) for “The Source of the Secret” DVD, coming out in June. Look at the line-up of supposedly evangelical pastors promoting this stuff.

Note: On p 164 of the book *The Secret*, it is stated that you are God in a physical body

While most people may view the new DVD promoted by Oprah as a safe and effective method to reach their goals and aspirations, what they do not know may hurt them spiritually. **Rhonda Byrne**, the author of *The Secret*, is a disciple of a couple named **Jerry and Esther Hicks**. In the Acknowledgements of *The Secret*, Byrne thanked Jerry and Esther Hicks and the teachings of **Abraham**. Incredibly, **Abraham is a group of spirit guides that Esther Hicks channels for guidance on**

spiritual issues. On the Hicks website Abraham, a group of obviously evolved teachers, speak their broader Non-physical perspective through the physical body of Esther [Hicks]. Speaking to our level of comprehension, from their present moment to our now, through a series of loving, allowing, brilliant yet comprehensively simple, recordings in print, in video, and in sound - they guide us to a clear connection with our Inner Being--they guide us to self-upliftment from our total self [**god-self**].

Because Oprah, who is one of the most influential people in the world right now, is giving *The Secret* a huge thumbs up, this could potentially accelerate the paradigm shift we are going through, which is racing the world into such deception as never seen before and what the Bible predicts will take place before Jesus Christ returns.

And with contemplative spirituality (just another form of the same spirituality being promoted through *The Secret*) now being embraced by so much of Christendom, the words of occultist **Alice Bailey** may indeed come true, when she said that the Age of Aquarius (that time when humanity realizes its divinity) will come not around the Christian church, but rather through it. The Secret is pure undisguised metaphysics and is the total manifestation of what the apostle Paul describes as seducing spirits (Abraham) and doctrines of devils (The Secret). Incidentally, the word occult means secret or hidden.

Today, when millions of viewers are watching Oprah and more of *The Secret*, may God protect those who are sincerely hurting and looking for answers and truth. And may Christian leaders who have succumbed to contemplative spirituality repent and turn back to the pure gospel of Jesus Christ, and may they speak publicly about their repentance and quickly warn believers to also turn back.

And for this cause God shall send them strong delusion, that they should believe a lie: {2:12} That they all might be damned who believed not the truth, but had pleasure in unrighteousness. 2 Thes 2:11
