**The next American Civil War may begin on January 20... Second Amendment patriots may be called on to defend the Republic against left-wing terrorists**

Wednesday, December 14, 2016 by: [Mike Adams](#)

(NaturalNews) **The anti-American, communist-leaning website DisruptJ20.org is openly organizing a popular uprising against the legitimate new administration of the United States of America. January 20, 2017 — Inauguration Day — is being targeted as a day for people to “block, obstruct, disrupt, and do whatever they can to prevent**

**the onslaught that is going to happen with Donald Trump,” said “alt-left” organizer Michael Moore.**

The DisruptJ20 website calls on “all people of good conscience to join in disrupting the ceremonies.” A *DisruptJ20* tweet, relishing in the kind of delusional paranoia that now typifies the mentally ill left in America, says the effort is being waged to “confront white supremacy” and other “forms of

oppression.”

The DisruptJ20 effort is, in reality, a **communist uprising and coup attempt** being disguised as a “peaceful” protest. Yet even the website describes the effort in military terms, characterizing it as a “**bold mobilization against the inauguration of Donald Trump on January 20, 2017.**”

If you can’t make it to Washington D.C. on January 20, the organization encourages you to join to communist uprising wherever you might live: “If you can’t make it to Washington, DC on January 20, take to the streets wherever you are,” says the site, which is clearly **inciting mob violence everywhere across America.**

What’s really being planned, Natural News has learned, is a “**Tet Offensive**” against the **American Republic.** This is what we’ve learned from a source who infiltrated one of the organizing meetings for the DisruptJ20 event. **Unhinged liberals revealed to the source**

that they are planning both an **assassination attempt against Donald Trump** as well as an attempted communist coup to take over the U.S. capitol.

In an article entitled [A Tet Offensive To Be Unleashed Against American Cities](#), analyst **Dave Hodges reveals that radical leftists are working side by side with ISIS terrorists to unleash a wave of bombings and other terrorist attacks inside the USA on January 20.**

As the [UK Express reports](#), **ISIS is also planning a series of “Jihad” attacks on Inauguration Day, which they have dubbed “Bloody Friday.”** As the paper says, “US special forces will be on high alert when Mr Trump takes over as 45th President of the United States on Friday, January 20, 2017, in Washington, DC.” **More on this later.**

Between the radical, mentally ill leftists, the communists and ISIS, the obvious aim is to **bring America to her knees on January 20, 2017** as a way to either sabotage the Trump administration or overthrow the entire government.

Today, I am reminding all American patriots that they may be called to help *defend the Republic* against the insane leftist uprising and coordinated ISIS terrorist attacks announced for January 20.

While it is important to avoid initiating any sort of violence, all American patriots must be **ready to respond to violence with tools of self-defense.**

**Under no circumstances should civilian patriots initiate kinetic actions against anyone unless they are first attacked and threatened with deadly force.**

All Americans, no matter where they live, should be prepared to defend their families, lives, support law enforcement, and protect the Republic from the attempted coup now being organized.

Protection of our families is part of providing for our families:

1Ti 5:8 **But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.**

In the context of this verse the Noah Webster's 1828 defines the word 'Provide' as: *PROVIDE, v.i. To procure supplies or means of defense; or to take measures for counteracting or escaping an evil.*

Psalm 82:3: **Defend the poor and fatherless: do justice to the afflicted and needy.**

**Recommended gear for your own protection**

My first recommendation is that you **avoid being anywhere near these uprisings** for your own safety. **But if you choose to be near them as a journalist, or a LEO, or just a curious citizen, I strongly recommend you wear a ballistic vest on January 20th, if legal in your area.** You may wear the vest under other clothing, obviously. Do not try this if ballistic vests are not legal in your area. You don't want to be flagged and arrested as a would-be terrorist.

Secondly, **I strongly recommend you carry the CAT tourniquet and practice using it beforehand, using one good arm.** If you are involved in the chaos on Jan. 20, you will very likely be injured. **A tourniquet can help prevent blood loss for you or another person.** Thirdly, you should also consider wearing a **ballistic helmet.** Insane, militant leftists are very likely going to be throwing objects in the air, and protecting your head is obviously very important. As always, check local laws and make sure it's legal for you to wear a ballistic helmet. If you can't wear a ballistic helmet,

wear a hard hat! There are also hard hats available in camo and other designs that aren't bright yellow or orange.

**NOW is the time to prepare yourself, your household and your community for tactical defense against the plans of the unhinged left, which has essentially now become a domestic terrorism organization.**

### **Prepare for No Food, Water and Power by Inauguration Day**

Before January 20, 2017, you need to be prepared to go without power, store bought food, tap water, etc. The left is determined to bring a halt to normal living in America. Their mayhem will include burning, bombs, the use of weapons of mass destruction, murder and civil war. Remember, Michael Moore is calling for violent protests at the Inauguration.

## 5000 Mild Silver Protein (M.S.P.) Suggested Therapeutic Dosing Guidelines

1tsp.-1tbsp. for every 30 lbs. of bodyweight per day; if you have been exposed or if you have a virulent virus/Pandemic. The 1 tbsp. dosage would be used for life threatening situations. This dosage should be equally broken up and taken in 3 hour intervals. Stay at home and avoid contact with the populace till the outbreak passes. If taking the M.S.P. drink at least 8, eight ounce glasses of purified water per day. M.S.P. can be used topically with DMSO over an infectious site. Because the 5000 PPM M.S.P. is only available in 4 ounce bottles it would be wise to keep at least a few bottles for each adult family member and 1-2 for each child in your household. View this like an insurance policy that hopefully you will never have to use. Even if you don't use this product in the event of a pandemic, it can be diluted and taken on an everyday basis to keep the immune system strong.

## **++ Trump Supporters Headed to FEMA Camps if He Loses Electoral College Vote**

Friday, December 16, 2016--**FEMA camps are being readied. FEMA camp conversions have been underway since Jade Helm 15. If Trump fails to ascend to the office of the Presidency, his supporters, primarily Christians, may be headed**

**to FEMA camps. We are entering into the most dangerous time in American history.**

I have never seen a time such as the one we are living in. We have so simultaneous threats to our health and well-being, that it is difficult to know where to begin. **ISIS is running rampant across America. **Russia have married their economies, the Petrodollar is under extreme attack, the Russian and Chinese are producing a super class of weapons, while Obama has gutted the military leadership in this country.**

**<< Pastors serving government over God  
Many people in the independent media have reported that an estimated 50,000 pastors were recruited by FEMA/DHS, as part of the Clergy Response Team, and that their**

**initial and primary training was to tell their flock to obey the DHS version of Romans 13. Romans 13 & Unlimited Subservience to the Government: Where should a Bible Believing Christian Draw the Line? By Dr. Scott Johnson | August 26, 2007**

Do Christians who use Romans 13 to teach that we should not oppose the President or any other political leader, really believe that civil magistrates have unlimited authority to do anything they want without opposition? For example, what if our President decided to resurrect the old monarchical custom of Jus Primae Noctis (Law of First Night)? That was the old medieval custom when the king claimed the right to sleep with a subject's bride on the first night of their marriage. Would our sincere Christian brethren sheepishly say, 'Romans Chapter 13 says we must submit to the government'? And would any of us respect any man who would submit to such a law? So, there are limits to authority. All human authority is limited in nature. No man has unlimited authority over the lives of other men. (Lordship and Sovereignty is the exclusive domain of Jesus Christ.) Did John the Baptist violate God's principle of submission to authority when he publicly scolded King Herod for his infidelity? Did Simon Peter and the other Apostles violate God's principle of submission to authority when they refused to stop preaching on the streets of Jerusalem? Act 5:29: "Then Peter and the other apostles answered and said, We ought to obey God rather than men." So, even the great prophets, apostles, and writers of the Bible (including the writer of Romans Chapter 13) understood that human authority—even civil authority—is limited.

Many of us have been quick to point out that this bastardization of the Romans 13 is designed to force compliance to government edicts who might not otherwise comply. **Certainly all governments are not established by God. Were the governments of Stalin, Hitler, Pol Pot, all ordained by God?**

**Pastor Mansfield is one of my main contacts regarding the FEMA pastors & his revelations stem from legislation known as The National Emergency Centers Act or HR 645 which mandates the establishment of "national emergency centers" to be located on military installations for the purpose of to providing "temporary**

**housing, medical, and humanitarian assistance to individuals and families dislocated due to an emergency or major disaster,” according to the bill.**

The legislation also states that the camps will be used to “provide centralized locations to improve the coordination of preparedness, response, and recovery efforts of government, private, **and not-for-profit entities and faith-based organizations**”.

The bill also provides that the camps can be used to “**meet other appropriate needs**”, as determined by the Secretary of Homeland Security. This a carte blanche mandate that many fear could mean the forced detention of American citizens in the event of widespread rioting following a national emergency or a total economic collapse.

**Pastor Mansfield attended several briefings and he could barely believe his ears. He learned of the government’s plan to enact martial law as well as to implement forced population relocations. Mansfield emphasized that when martial law is enacted, the enforcement would be immediate. In other words, family members will be separated from each other and part of the training that the clergy received was how to comfort separated family members.**

Pastor Mansfield told me that **the pastors were trained by FEMA to go to homes where people refused to be relocated by the authorities and their immediate job was to convince the reluctant to willingly go to the relocation camps. Ostensibly, this was to be done in lieu of sending in the SWAT teams.**

I asked Mansfield if FEMA camps were real and he stated that much of the clergy training focused around this scenario of **pastors operating within the forced relocation centers. The main goal of a pastor assigned was to bring order and encourage compliance with DHS requests, hence, the emphasis on Romans 13. Disturbingly, Pastor Mansfield reiterated several times that the number one job of these pastors is to calm down the detainees and encourage their compliance within the people’s new surroundings.**

**Pastor Mansfield also stated that pastors are being utilized as informants. This violates the legal privilege of confidentiality between pastor and church-goer, that is currently recognized by law. All church-goers can no longer trust the sanctity of personal confessions and revelations made to pastors and priests. This one illegal act by DHS completely undermines the Christian Church in America! DUE TO THE FACT THAT THE CLERGY RESPONSE TEAM WILL BE UTILIZED IN THE EXTRACTION PROCESS OF AMERICANS, TO FORCED INTERNMENT/RESETTLEMENT CAMPS, THESE “TEAM” MEMBERS REPRESENT THE BEST CLUE WE HAVE AS TO WHEN MARTIAL LAW WILL BE CARRIED OUT.**

Mansfield told me **that the pastors in America are being coerced to participate because when an emergency is declared, no pastor, who does not have the “FEMA-trained government badge” will be allowed to be in a declared “emergency” SAFE area.**

**Pastor Mansfield also felt very strongly this was the government’s way of removing Jesus from America’s landscape and set the stage for the ushering in of a new-age, United Nations religion of GAIA. In fact, Mansfield shared with me documentation which demonstrated DHS’ attempt to remove Jesus from the entire internment/resettlement process.**

The pastors were also told not to quote Scripture. The DHS document which was prepared for the pastors clearly stated that Scripture had been used to “oppress” people in the past and the presenters strongly discouraged the its use.

### ISIS PLOT 'BLOODY FRIDAY' FOR TRUMP INAUGURATION...

**ISLAMIC STATE** has declared the day Donald Trump is inaugurated as US president 'Bloody Friday' as it fears a brutal backlash from the new regime.

And the Islamic terror organisation is reported to have recruited a number of new English speaking operatives in recent months in a major bid to communicate messages ahead of the day.

US special forces will be on high alert when Mr Trump takes over as 45th President of the United States on Friday, January 20, 2017, in Washington, DC. Security analysts have been following communications between members of the group.

According to reports ISIS has expanded production of special editions of official videos with English subtitles in recent weeks and with a view to reinforcing targets on US soil.

And their ISIS-linked Amaq Agency Telegram channels have resumed posting on social networks after they were went temporarily offline following a terror attack in the US last Monday.

Raging bushfires forced the evacuation of **tens of thousands of people** from parts of Israel's third city Haifa on Thursday as firefighters struggled to control blazes across the country.

Some residents were trapped in their homes as the army called up reservists to help cope with a third day of fires which authorities speculated could have been started deliberately. Muslim social media networks on Thursday were rife with inflammatory celebratory reactions in light of the myriad of brush fires that have been blazing across central and northern Israel since Tuesday.

Dry conditions and high winds have spread the flames across the central and northern regions of Israel as well as parts of the West Bank.

Public Security Minister Gilad Erdan, joined Netanyahu for a briefing on the situation & said it is clear that a large part of the fires were the result of arson. He said that a number of suspects have been arrested, and that teams have been set up to investigate each of the fires.

Netanyahu said there were currently 15 fires. Police have reported over 200 since Tuesday.

**++ 6-Methodist Churches Converting to “Virtual Mosques” For Muslim Migrants**  
**Virtual mosque program to preach Islam at Methodist churches**

December 7, 2016

The United Methodist Church is reportedly implementing a statewide plan to revamp Texas churches into “virtual mosques” catering to incoming Muslim migrants.

The UMC, which has been criticized for perceived liberal drift in its theology, is preparing its congregations for Catholic-style “sanctuary” protections

for Islamic invaders, including those with terrorist ties, according to an insider.

This sanctuary church program is ostensibly in response to President-elect Donald Trump’s intention to defund sanctuary cities.

One member of the Bosqueville United Methodist Church, who spoke anonymously out of fear, said he learned about the “virtual mosque” program after an interim pastor began preaching Sufi Islamic parables in an attempt to “tenderize” the church to accept Islamification, according to the [Geller Report](#).

“After weeks of inundating the congregation with watered down, Islamized scripture, the board of trustees at the church was later asked by the reverend to approve a (surprise, surprise) federally supervised refugee scheme, which they ultimately refused, the source added,” reported the Geller Report. “After the church trustees said, ‘No,’ UMC sent its district supervisor to ask the congregation directly, ‘How would you feel about taking in some Syrian refugees?’”

As was reported in 2014, 501c3 establishment churches have been aiding illegal immigration by showering illegals with free goodies before they migrate even further into the U.S.

Word of this red carpet treatment spread through Latin America and the rest of the world, encouraging even more illegal invaders to make the dangerous trek into the U.S., but many of them, including young children, often die in the vast deserts surrounding the U.S./Mexico border.

The death toll is so severe that South Texas residents refuse to eat wild hogs caught near the border because they are known to feed on the bodies.

“Half the time we see vultures, it could mean an illegal alien died on the property,” said rancher Dr. Michael Vickers of the Texas Border Volunteers.

**American Islamist Group Preps for Jihad Against Trump--November 28, 2016—**

<< Khalifa Hussain Abdallah, (foreground) known as 'K1' within the group for his top ranking as an original founder, is said to be a key supervisor of these preparations for armed conflict.

Multiple confidential sources inside of a powerful jihadist group within the United States have informed the Christian Action Network and the Clarion Project that members have been told to arm themselves in

anticipation of raids by the Trump Administration.

The Pakistan-based spiritual leader of Muslims of America (MOA), Sheikh Gilani, told top MOA officials (known as “khalifas”) to order all unarmed members to obtain firearms, licenses and hunting permits in order to resist raids on the group’s approximately 22 compounds that they expect to happen under the Trump Administration. Additional “security” was also called up and assault rifles have been mentioned as desirable.

The sources independently stated that members across the country were told of instructions from Sheikh Gilani to “be prepared to fight.” The message reportedly relayed to members was to “hear and obey,” using language identical to the oath of allegiance members sign when they join the group. He predicted, “You will be tested.”

The members believe that President-elect Trump is part of a satanic-Zionist conspiracy to destroy Islam, and that he is fulfilling apocalyptic End Times prophecies. Any action taken against MOA is seen as part of a war on Islam, a situation that permits violent jihad.

The preparations for armed confrontation are described as “self-defense measures,” but one source cautioned that the group could decide to take “offensive” action if it believes armed conflict is imminent.

MOA members have a long history of terrorism, extremism and criminal activity including weapons trafficking.

It warned that MOA “possesses an infrastructure capable of planning and mounting terrorist campaigns within the U.S. and overseas.”

Multiple independent sources emphasized that MOA membership is not confined to the camps and reported a peculiar scattering of members into areas of the U.S. that previously had no MOA presence.

The sources warned that some MOA members have been in violent drug gangs, sometimes in a covert capacity where the gangs are not informed of their MOA ties. They express concern that non-MOA criminals could be utilized so as to minimize traces to the group.

## What Is Going on in Mexico? Viral Video Shows African Migrants Massing Near U.S. Southern Border

The video depicts hundreds or thousands of African (maybe Haitian) migrants — almost all adult males — massing at an immigration station in Mexico.
