Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made

manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Satanic PizzaGate Is Going Viral Worldwide (Elites Are Terrified)

PizzaGate is going viral worldwide. Too late elites, you can't kill us ALL. You can't accuse us ALL of being pedos, when you're the ones with Instagram accounts filled with the worst possible filth, and emails filled with the worst possible sadism. Child rapists and killers get the electric chair. The Washington Post should be disbanded. The New York Times should be driven into bankruptcy. Very bad people.

Breaking – PizzaGate: 100's of Children Missing in Virginia

An anonymous citizen journalist researcher **joins me to break shocking news about the astonishing number of children missing from the Virginia-Washington DC area.**

In light of #PizzaGate and what appears to be a child trafficking and pedophilia ring in the area, this researcher known as "Mark" wanted to see if there was a correlation of a large number of missing children in that area.

What he found shocked him.

Subject: **++ Listener Comments about the Masonic Presence in Washington DC & Virginia**

I know **in Richmond they have a street called Masonic avenue or something like that. also in Richmond they have a retirement home for masons. This place is crazy. They have a guard gate and a fence surrounding the place with barbed wire on top.**

I was also in Petersburg VA last week and on the bridge there are many posts built on it with Egyptian obelisks.

My friend Jay when he came back into the country to visit he toured the Masonic temple in alexandria va. he said it was so satanic.

The masonic presence in va is crazy. I couldn't even imagine all the stuff the Lord hasn't revealed to me yet.

It's crazy in va brother scott **it seems like there are either shriners or masonic temples everywhere.** it's like no matter where I live in va there is a masonic temple nearby.

I know in stafford va where I used to live their was a big Egyptian obelisk in front of the courthouse. the is also an obelisk in front of the county buildings in king George, VA and across the road not to far from that is a masonic building.

In old Town fredericksburg va there is a masonic cemetary. speaking of cemeteries it is impossible it seems to drive by a church cemetary and not see an obelisk.

Now culpeper va has a big presence of masons and knights templar and others of that ilk. they have a big presence also in orange va. the Waugh Harley Davidson there has a museum down stairs and the owner has freemason stuff there. he is a 29 degree mason.

Last year we went to a parade in fredericksburg va and the shriners were in it. this stuff is everywhere in va it seems. I am so used to seeing it that it has lost its wow factor.

God bless, James

Actually the Virginia side of DC and deep into Virginia itself is just LOADED with Masonically significant names and numbers and loads of places named for members of the British royal family. I finally came to the realization the numbering of the state road, exits and those sorts of things were probably ALL Masonically SIGNIFICANT and if I could break the code, I could probably navigate my way all over Virginia without a map.

Sermon Overview: Billy Graham is on public record supporting homosexuality, abortion, his disbelief in a literal hell, his support and practice of infant baptism to save children, his support for the Catholic Church's worship of Mary (yet he calls himself a Christian). He has repeatedly praised infidels and apostates as great Christians. He would not challenge the idea that the Bible is mythology, when directly questioned. Rev. Graham (a self proclaimed Democrat) said Bill Clinton would be a good Christian evangelist and that Hillary should "run the country", in expressing his long-standing devotion to both Bill and Hillary Clinton. It's plainly the case that Graham loves the world. At a crusade in San Francisco--Sodom and Gomorrah reborn--Graham announced to the homosexuals, "Whatever your background, whatever your sexual orientation, we welcome you tonight." Earlier, at a news conference, the famed evangelist thrilled the cockles of the homosexual's hearts when he snapped to a reporter that he was tired of people trying to get him to criticize gays. "It's not the biggest of sins,")

Back to the comments: (FYI, I have not heard anyone say this, this is my observation just from the pieces of the puzzle I can pick up, and I may be wrong, but that is the feeling I get.) It is a huge contrast to South Carolina, where I grew up, where even though there are a lot of masons, they don't seem to have stamped their identity all over the place. We have Masons up here that keep it a secret that they are masons.

Mainstream Media Totally Flips Out! Recklessly Defends Pedophile Comet Ping Pong Owner!

[The Millennium Report](#)

No one has ever seen anything like it in the history of *Mainstream Media* (MSM) fabrications.

Three of the largest MSM news outlets in the world have come out strongly and run stories on the Comet Pizza Restaurant in Washington, D.C. that many investigative journalists believe is connected to the largest and most powerful pedophilia ring on the planet.

There can be only one reason why The New York Times, The Washington Post, and now the BBC, have used their mammoth media platforms to support a pizza parlor owner whose extremely salacious and suspicious behavior puts him in the league of pure evil.

Why would the biggest MSM giants in the land risk their reputations in support of an outrageously gay pizza joint owner (see his many photos and pics) whose Instagram account has the following posted on it?

Submitted by a Citizen Investigator

“One of the most incriminating photos is this one. See below. It shows jimmycomet calling a baby a “hotard”, which is a slang for a retarded prostitute. Why would anyone call a baby a retarded prostitute? A guy who owns a restaurant for kids. Yeah. This guy and his disgusting operation need to be brought down. He needs to get the electric chair in prison, although he deserves way worse than that.”

[PIZZAGATE Photo and Comment Triggers Outrage](#)

There is something VERY wrong indeed with this picture (both the preceding one and the BIG one). And that something has to do with PIZZAGATE, a global child murder, child sacrifice, child trafficking, and child sexual abuse crime syndicate that has been operating in plain sight for decades throughout Washington, D.C.

[PIZZAGATE: The Greatest Scandal of the Third Millennium](#)

Because this crime spree involves some of the most powerful people within the Beltway, as well as other centers of great political influence around the globe, it's now clear the MSM will do everything in their power to kill the **PIZZAGATE** story.

Here are just 3 examples of their attempts to do just that.

[The New York Times Falsely Labels **PIZZAGATE** As 'Fake News'](#)

[The Washington Post Falsely Labels **PIZZAGATE** As 'Fake News'](#)

[The BBC Falsely Labels **PIZZAGATE** As 'Fake News'](#)

You know the elites are getting extremely nervous when they run stories like these on their three largest news platforms, particularly when such reports draw huge attention to the underlying pedophilia rings. Hence, these preceding stories must be seen as a last-ditch effort to kill the Alt Media **PIZZAGATE** narrative.

<<Jimmy Alefantis (right) with Democrat politico and former lover David Brock

It was always quite inconceivable in the first place that Comet Ping Pong Pizza Restaurant owner Jimmy Alefantis (aka "jimmycomet") would be written up as the 49th most powerful man in the nation's capital. In a city overflowing with the world's most powerful politicians and power-players, power-brokers and power-

mongers, how does a pizza parlor owner ranks so high?!?!

[Why is a pizza joint owner named James Alefantis listed as the 49th most powerful man in Washington DC?](#)

Then there is the phonetic meaning of Alefantis' name in French. It can be no coincidence that his name means "*I love children*". His middle name is Achilles, which is even more telling in that it reflects that his "love of children" as his *Achilles' heel*.

[PIZZAGATE: The Owner's \(Of Comet Ping Pong Pizza\) Full Name Means "I Love Children" In French](#)

Now that the reader (actually viewer) has been sufficiently shocked by such horrible content, the real \$64,000 question here is: **Why have the loudest news outlets in the MSM gone out of their way to support such an unsavory character?**

There can be only one answer to this question. **And it has to do with what he really represents to the D.C. power structure. That something is big...very very BIG! Especially when the Washington Post Editorial Board pens a piece that essentially exposes themselves as a zealous pervert protector.**

Are TPTB getting ready to do something BIG?

There is definitely another angle on this explosive **PIZZAGATE** story that very nicely aligns with the siege and attack on the Waco Compound of David Koresh.

Once **PIZZAGATE** broke, they, and everyone else knows, that there is no putting this genie back in the bottle. In fact it only continues to get bigger by the day. Therefore it

does appear that TPTB will execute a false flag op that kills the **PIZZAGATE** golden goose that has laid so many eggs of truth about how the world is really run. This type of agenda may well explain why they are staggering articles throughout the MSM in order to prepare the American people for something very BIG. Without some sort of conditioning and pretext TPTB simply cannot justify shutting down the Internet. That may sound like hyperbole, but that is exactly what they want to do to the Alt Media side. At the very least the media controllers are desperate to take away access to all the social network utilities. Once a **PIZZAGATE** article gets on Facebook or Twitter, YouTube or Instagram, they viralize quite quickly, Of course, that must be stopped before too many stumble on such an inconvenient truth.

Clearly the elites have a very strong vested interest to shut down the whole global citizen's investigation network. If they can they will try to do that in the not-too-distant future. Otherwise, the entire *Global Control Matrix* will be put at great risk. So many national governments worldwide are controlled by their respective **PIZZAGATES Pedophiles**, that the ruling elites feel that they have no choice but to terminate all such free speech.

[**PIZZAGATE: The Scandal That Could Take Down the Clintons, the Democratic Party and the U.S. Federal Government**](#)

James Alefantis appears 5 times in the white house visitor records on open.whitehouse.gov [verified on 11/7/2016]

There is perhaps no other chink in their armor that will allow the global structure to be taken down like **PIZZAGATE ...** because of what it's really all about. For it is the children who have been terribly abused and exploited, sacrificed and dissected, tortured and

murdered. Such egregious criminal conduct can only be responded to with capital punishment. The crimes are simply too many and too heinous not to be dealt with swiftly and severely.

[**PIZZAGATE is much more serious than previous Pedogates**](#)

Now we know why the MSM is so determined to label everything that comes out of Alt Media as "fake news". They really have no choice in spite of the fact that all the MSM does is lie and prevaricate about everything, all the time. The elites have always been quite predictable of accusing their challengers of committing the very same crimes that they themselves have committed since time immemorial.

Now with the *World Wide Web* casting its net (aka Internet) around the planet, there are infinite opportunities for the victimized to step forward and plead their case in the forum of public interchange. There are now so many excellent venues

available and high volume channels functioning, that every witness can pick and choose.

[**PIZZAGATE: A Complex and Convuluted Conspiracy at the Highest Echelons of the U.S. Federal Government is Exposed**](#)

Conclusion

Now the reader understands why **PIZZAGATE** is so HUGE! It possesses all the elements for a neatly controlled demolition of the *Mainstream Media* by *Alt Media*, of the U.S. Federal Government by the American People, and of the *World Shadow Government* by the citizens worldwide.

<http://beforeitsnews.com/alternative/2016/12/mainstream-media-totally-flips-out-recklessly-defends-comet-ping-pong-owner-fake-news-accusations-boomerang-3446859.html>

[**Left Pushing Pedophile Rights--Moral relativism leads to societal collapse**](#)

A self-admitted pedophile claims his attraction to children is just a “sexual orientation” as leftist media promotes “pedophile rights.” Todd Nickerson, a 43-year-old from Tenn., said he is part of the emerging “virtuous pedophiles” movement, which its members describe themselves as “ethical pedophiles” and “gold-star pedophiles.”

“If you look at history, there is always one minority that everybody kind of persecutes and I think at the moment we’re it,” he stated, adding that he wants to end the demonization of pedophiles. “I would like to see some protections for people like me, protections against being fired from their job and being protected from violence.”

He came into public spotlight in Sept. 2015 when left-wing outlet [Salon.com](#) published his op/ed asking Americans to “learn to accept” pedophiles and become “understanding and supportive” of their “sexual orientation.”

“So, please, be understanding and supportive,” pedophile Todd Nickerson [wrote](#). “It’s really all we ask of you.”

But why is the left-wing media using pedophiles like Nickerson to try to normalize pedophilia?

It’s because the progressive left has adopted a moral relativist philosophy in which there are no absolute moral standards which transcends individual or societal opinions.

In other words, unlike Christianity which places God as the absolute moral authority above man; moral relativism suggests that there is no objective right or wrong; rather, each individual makes up his own “moral standards” which are not really standards at all, just a personal preference as to what’s “right or wrong.”

[**Stillness in the Storm : Another Pedophile Ring Involving Politicians Was Just Busted -- Politicians Arrested**](#)

November 23, 2016--This week, yet another pedophile ring was exposed, this time in Norway. [Reports](#) indicate politicians were among the members of the 51-person ring. Police investigating the potential crimes dubbed their inquiry “Operation Dark Room.”

As [The Local](#), an English-language Norwegian outlet [reported](#):

“Police seized 150 terabytes of data material in the form of photos, movies and chat transcripts between members of various paedophile networks.”

According to Hilde Reikrås, the head of Operation Dark Room, **“The material shows the abuse of children of all ages, including infants.”**

She discussed details of the findings at a press conference on Sunday:

“The material shows, among other things, the penetration of toddlers, children being tied up, children having sex with animals and children having sex with other children.”

Police said they uncovered more than one pedophile network on the dark web, where they believe members communicated. Reikrås said they believe **“like-minded individuals met with each other in the so-called dark net, where they could talk with one another and cultivate their interest in children in peace.”** The culprits reportedly used encryption to conceal their activities.

Over the last few years, reports of pedophilia among the world’s power brokers have consistently emerged. The United Kingdom has struggled with pedophilia among its lawmakers for decades. In fact, former Prime Minister Margaret Thatcher’s administration has been **accused** of ignoring — and even covering up — these crimes. Further, recent national police investigation **revealed** over 1,400 members of a child pedophilia ring, 76 of whom were British politicians at both the local and national level.

Similar echoes have emerged from Hollywood, where former child actors have **claimed** adults in the industry prey on vulnerable children and teens.

FBI Sting Frees 82 Child Sex Slaves, Captures 239 Pedophile “Masters”

November 16, 2016--The FBI says dozens of pimps, prostitutes and associates have been arrested under international efforts to combat underage human trafficking. The FBI says 239 child-sex traffickers and their associates were arrested and 82 children were rescued from Oct. 13 to 16 as part of Operation Cross Country X.

Among the 82 juveniles recovered during the three day operation were two sisters in Milwaukee, ages 16 and 17, who told authorities that their mother was their pimp, the FBI said in a **news release**. The girls said their mother also rented out their brother’s room to a registered sex offender.

Operation Cross Country is part of the FBI’s Innocence Lost National Initiative. Since its creation in 2003, the program has resulted in the identification and recovery of more than 6,000 children from child sex trafficking.

Nearly 400 Children Rescued and 348 Adults Arrested in Canadian Child Pornography Bust [video]

<< Toronto Police Service Detective Constable Lisa Belanger (L) and Inspector

Joanna Beaven-Desjardins of the Toronto Police Service Sex Crimes Unit (R) announce hundreds of arrests in a global child exploitation investigation Project Spade on Nov. 14. at a press conference at Toronto Police Headquarters

This story was published on Nov. 14th, 2013.

Nearly 400 children have been rescued and 348 adults arrested following an expansive and “extraordinary” international child pornography investigation, Canadian police announced Thursday.

The three-year project, named Project Spade, began when undercover officers with the Toronto Police Service Child Exploitation service made contact with a Toronto man allegedly sharing “very graphic images” of child sexual abuse in Oct. 2010, Toronto Police Service Chief William Blair said at a press conference on Thursday.

Police said their investigation revealed an entire child movie production and distribution company in Toronto operating via the web site azovfilms.com.

The site was run by 42-year old Brian Way, according to police, and sold and distributed images of child exploitation to people across the world.

Largest Pedophile Ring in History, 70,000 Members, Heads of State, the Rats Scramble

August 24, 2016--From NBC News: **An Internet pedophile ring with up to 70,000 members — thought to be the world’s largest — has been uncovered by police, a security official said Wednesday.**

The European police agency **Europol said in a statement that “Operation Rescue” had identified 670 suspects and that 230 abused children in 30 countries had been taken to safety. More children are expected to be found, Europol said.**

A pedophile ring, 70,000 strong, has been identified and hundreds arrested, an organization run on the internet, centered in the Free Energy Community, including websites run out of Paris, the Netherlands and Belgium.

What isn’t being told is that this same organization, also known as the Red Circle, runs through secret societies around the world:

- **Bilderberg**
- **St. Hubertus**
- **Federalist Society**
- **Knights of Malta**
- **Council on Foreign Relations**
- **Federal Reserve Bank**
- **NATO**
- **Royal Families of Belgium and Netherlands**
- **SCOTUS (Supreme Court of the United States)**

“The website operated from a server based in the Netherlands and, at its height, boasted up to 70,000 members worldwide,” it added.

“It attempted to operate as a ‘discussion-only’ forum where people could share their sexual interest in young boys without committing any specific offences, thus operating ‘below the radar’ of police attention,” Europol said.

The statement said Europol analysts had cracked the security features of a key computer server at the center of the network which uncovered the identities of suspected child sex offenders.

And, after his arrest, the forum's Dutch administrator helped police break encryption measures that shielded users' identities, allowing police to begin their covert investigations.

"Europol subsequently issued over 4,000 intelligence reports to police authorities in over 30 countries in Europe and elsewhere, which has led to the arrests of suspects and the safeguarding of children," Europol said."

[++ Satanic Pedophilia Network Exposed in Australia — It Starts at the TOP, Just Like in the USA and UK](#)

The New World Order cult that rules the world administers a Satanic Pedophilia Network, including top-level politicians like Australian Prime Ministers and US Presidents.

The Satanic Pedophilia Network which underlies the New World Order was again exposed in the last few months by another brave whistleblower. Australian woman Fiona Barnett showed a ton of courage in [going public at a Sydney press conference](#) in October 2015 and naming names.

Fiona, a former victim of Satanic ritual abuse and part of an international VIP pedophile ring, not only exposed the existence of the Satanic pedophilia network and its international child trafficking ring, but actually named 3 former Australian Prime Ministers and 1 former US President as perpetrators.

She reveals that this network, composed of famous actors, celebrities, judges, politicians and other high-flyers, has infiltrated all the key organizations and institutions in Australia – just as it has in the US and Britain.

<http://humansarefree.com/2016/02/satanic-pedophilia-network-exposed-in.html>

Warning: what follows is graphic and requires a great deal of maturity to swallow, but if you're interested in the real truth of what's going on in the world, read on.

Fiona saw it all – Satanic ritual, rape, torture and murder – but actually says “the way I've been treated for reporting the crimes I've witnessed and experienced has been far worse than my original abuse experiences.” That speaks volumes about people's collective denial and amnesia, doesn't it?

Fiona proclaims that Australia is a pedophile haven. She explains how Australia took in a large number of Nazi war criminals, including her own step-grandparents. She was introduced by her own family to an international child trafficking pedophile ring based in Sydney.

Some victims are kidnapped off the street, some are “bred” for it (without ever getting birth certificates) and some are brought into it through multi-generational abuse. These latter ones are trained and expected to become the perpetrators and future administrators of it.

Fiona has had flashbacks to being abused as young as the age of 2. Later on, when she was still a little girl, she was dropped off at VIP parties, instructed to say “the starchild is here”, then watch as famous politicians, actors and celebrities

snorted cocaine, raped her, had sex with each other, then pretended to drown her in a pool.

She wasn't just sexually abused and raped; she also suffered Satanic ritual abuse in the form of torture (e.g. suffering cattle prodding electroshock to cause disassociation).

She reveals how this pedophile ring goes to the highest levels, and included orgies at Parliament House (in Canberra) itself.

Naming the Names

Fiona names the names of the people who sexually assaulted, raped and tortured her:

- Antony Kidman (actress Nicole Kidman's father) (Nicole Kidman is a victim of the ring too, but was nasty towards fellow victim Fiona);
- Dr. John Gittinger (Lithuanian Nazi concentration camp guard and CIA agent);
- Former US President Richard Nixon;
- Former Australian Prime Minister Gough Whitlam;
- Former Australian Prime Minister Bob Hawke;
- Former Australian Prime Minister Paul Keating;
- Former Australian Opposition Leader Kim Beazley;
- Former NSW Premier Bob Carr;
- US Evangelist Pastor Billy Graham;
- Ted Turner (CNN).

Barnett also mentions the brave Aussie politician Franca Arena, who got up in Parliament under parliamentary privilege and said there is a large pedophile ring involving politicians, judges, doctors and media moguls.

He named Kerry Packer, Bob Carr, Bob Hawke, Paul Keating, Robert Menzies, Alan Jones (radio announcer), Bernard King (cook), Molly Meldrum (TV presenter), **Elton John (musician)**, John Kerr (Whitlam and Kerr were homosexual lovers) and Justice Lionel Murphy.

Fiona has drawn her [abuse pictures here](#).

She also recalls being at **Bohemian Grove**. On one occasion she was in a pink bubble room and raped. On another occasion she had to participate in "Teddy Bear's Picnic" a child rape hunt party, where children were hunted like animals and raped (as also happened to **Kathy Collins and Cathy O'Brien**).

In this [video](#), Barnett talks about being present at a real Satanic ritual with some of Australia's

famous people – Kim Beazley (later to become Australian Labour Party and Opposition leader) and Richie Benaud (famous Australian cricket captain and sports commentator).

She reveals how Beazley and Benaud started the ritual by worshipping their Satanic gods, chanting "Baal", "Lucifer", "Satan", "Son of the Morning" and other such appellations.

She then witnessed them ceremoniously killing a pregnant mother (a “breeder” to the Satanists) in the center of the circle.

After that, they pulled out the unborn child, chopped it up with a knife, put it on a gold platter, and proceed to do a type of dark communion or Eucharist.

(Barnett mentions here that the Catholic Church communion is based on this older Satanic version of a communion – in line with my article Are Parts of Organized Religion Satanic?)

Fiona herself mentions in this interview that some of the criminals who abused and raped her were “just” pedophiles, and she puts former Aussie PM Gough Whitlam in this category.

Others, however, worship a dark religion called Satanism which involves the summoning of dark forces through channeling and twisted rituals, allowing these dark forces to overtake them and use them.

Then, filled with this Satanic energy (such as during rituals at Bohemian Grove), these adherents commit all sorts of perverted acts such as rape, necrophilia, torture, murder, sacrifice and cannibalism.

Fiona explains how the Satanic hierarchical pyramid works.

Roughly speaking, at the lowest level, you have street gangs; next, you have organized crime and the mafia; next, you have recruits into the elite club; then, above that, you have “just” pedophiles (those who rape children but who have no Satanic connection); finally, at the very top, you have the elite VIPs who are full-fledged Satanists.

Fiona states that only bloodliners can make it to the top. These people come from the 13 or so Illumanti bloodlines

These bloodlines are revered as demigods; and the roughly 300 bloodlines or so below that, can never make it to the top echelon. (Probably because they don't have pure blood, i.e. “royal” or reptilian DNA, but that is subject for another article.)

The OTO, the Freemasons, Scientology, Catholic Church, the CIA, the Australian military and many many others are all branches of the same Satanic Pedophilia Network. It lies at the heart of the international child trafficking ring and the New World Order.

It's a tough and bitter pill to swallow, but we have to face the cold hard truth: the world is run by a Satanic cult, whose members have infiltrated the top layers and power centers of Australian, American and British society (and those of numerous other countries).

They are inter-related, and they are bound together by bloodlines and Satanism – with pedophilia, rape, murder, war and genocide to follow.

Fiona warns that every organization in Australia has been infiltrated, including hospitals, psychiatry, politics, child advocacy groups – everything.

The Satanists have even created a False Memory Foundation, a fake organization set up by pedophiles, to stop true victims from coming forward with their stories, by convincing people they didn't really experience what they experienced.

Only when enough of us truly grasp the enormity, horror and shock of this fundamental truth – now exposed by a mountain of evidence and a ton of whistleblowers and victims – can we hope to heal it by bringing these psychopaths to justice and restoring some semblance of honesty, peace and freedom to our world.
