Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. **But all things that are reprovved are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Psa 18:25 With the merciful thou wilt shew thyself merciful; with an upright man thou wilt shew thyself upright;
With the pure thou wilt shew thyself pure; **and with the froward thou wilt shew thyself froward.**

Psa 18:26 **Strong's Definition: "Froward"**
שָׁדָד 'iqqêsh, ik-kashe'; from **H6140**; distorted; twisted, crooked, perverse, perverted

Psa 68:1 **[[To the chief Musician, A Psalm or Song of David.]] Let God arise, let his enemies be scattered: let them also that hate him flee before him. 2 Chron. 19:2b: Shouldest thou help the ungodly, and love them that hate the LORD? therefore is wrath upon thee from before the LORD.**

Amo 5:15 **Hate the evil, and love the good, and establish judgment in the gate:**

Psa 97:10 **Ye that love the LORD, hate evil: he preserveth the souls of his saints; he delivereth them out of the hand of the wicked.**

Pro 8:13 **The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.**

Psa 18:29 **For by thee I have run through a troop; and by my God have I leaped over a wall.**

Psa 18:32 **It is God that girdeth me with strength, and maketh my way perfect.**

Psa 18:33 **He maketh my feet like hinds' feet, and setteth me upon my high places.**

Psa 18:34 **He teacheth my hands to war, so that a bow of steel is broken by mine arms.**

Paul Preston Interview: Red Dawn Has Started

In one of the most stunning interviews in the history of The Common Sense Show, I interviewed Paul Preston about a Red Dawn scenario that is developing as I write these words. It is our strong belief that this will be used to try and disrupt the Inauguration.

++ More Foreign Troops In Colorado: The End Game Is Near- Paul Martin Interview

Wednesday, January 11, 2017 By Paul Martin & Dave Hodges

I recently interviewed Paul Martin with regard to yet another report of large scale foreign troop movements in Colorado. Literally, dozens of people have contacted on the same issue. Paul and I have concluded that the end game is near.

Riot Stand Down: Obama to Fire National Guard Chief During Inauguration Obama's latest move could trigger mass riots, threats to Trump's life

Outgoing President Obama is firing the D.C. National Guard chief DURING the inauguration, which could lead to mass riots in D.C. – and threaten the life of President Trump.

Obama ordered that Maj. Gen. Errol R. Schwartz, a key figure overseeing riot control at the inauguration, will be removed from command Jan. 20, 12:01 p.m., just as Trump is sworn in as president.

“It doesn’t make sense to can the general in the middle of an active deployment,” said D.C. Council Chairman Phil Mendelson in response to Obama’s decision.

Well, it does make sense if Obama is trying to cause a National Guard stand down which will allow anti-Trump rioters to wreak havoc on DC.

Schwartz was blindsided by his firing and said he would “never plan to leave a mission in the middle of a battle.”

The situation is reminiscent of the Baltimore riots in which city officials with close ties to the White House ordered police to stand down and give rioters “space” to destroy property, which of course exacerbated the unrest to the benefit of their agenda.

But there’s more protestors expected for the inauguration than there were in Baltimore: radical leftists from all over the world want to make January 20th the most chaotic Inauguration Day in American history.

“Their stated goal is to ‘disrupt’ the Inauguration festivities as much as possible, and they are planning a wide range of ‘actions’ to achieve that stated goal,”

Anarchists Are Hoping To Turn Donald Trump’s Inauguration On January 20th Into One Of The Biggest Riots In U.S. History

Michael Snyder | [Economic Collapse](#) - January 13, 2017 [Comments](#)

My hope is that all of their efforts will turn out to be a big flop, but it is important to understand that these groups are well funded, highly organized and extremely motivated. The election of Donald Trump has been perhaps the single most galvanizing moment for the radical left in modern American history, and they are working very hard to turn January 20th into a major political statement.

In fact, just recently one activist group took out [a full page ad in the New York Times](#)...

Thousands of activists, journalists, scientists, entertainers, and other prominent voices took out a full-page call to action in the *New York Times* on Wednesday making clear their rejection of President-elect [Donald Trump](#) and Vice President-elect [Mike Pence](#) with the simple message: “No!”

“Stop the Trump/Pence regime before it starts! In the name of humanity we refuse to accept a fascist America!” the ad states.

The ad pointed people to [refusefascism.org](#), and it asserted that Trump must be stopped whether he was legitimately elected or not...

Trump promises to inflict repression and suffering on people in this country, to deport millions, to increase violence up to the use of nuclear weapons on people across the globe, and to inflict catastrophes upon the planet itself. **He has assembled a cabinet of Christian fundamentalist fanatics, war mongers, racists, science deniers. NO! His regime must not be allowed to consolidate. We REFUSE to accept a Fascist America!**

[Mathematical proof that man-made climate change is a total hoax](#)

If you go to [refusefascism.org](#), you will discover that the protests that they are organizing in Washington D.C. will begin on January 14th. They say that they want to “stop the Trump-Pence regime before it starts”, and they hope to have protests going “every day and every night” without interruption through at least January 20th.

Another group that plans to kick things off on January 14th is DisruptJ20. Of course that is short for "Disrupt January 20th". If you go to [their official website](#), you will find a long slate of events that have already been scheduled.

According to Legba Carrefour, a spokesperson for DisruptJ20, one of the goals of the group is to block major transportation routes into and throughout our nation's capital. And he is not shy about the fact that they literally want to "shut down the Inauguration"...& "**We're pretty literal about that, we are trying to create citywide paralysis on a level that I don't think has been seen in D.C. before.** We're trying to shut down pretty much every ingress into the city as well as every checkpoint around the actual inauguration parade route."

MSM Pushing For Civil War As Inauguration Nears While Clinton Supporters In The Media Have Epic Meltdown

By Susan Duclos - [All News PipeLine](#)

With just [days to go until Donald Trump is inaugurated as the 45th President of the United States](#), the desperation and outright lunacy from liberal snowflakes in the MSM has reached new heights, as proposals range from holding an new presidential election, to placing legal restrictions on free speech, to redefining the truth as "malicious propaganda."

We'll start with how the Financial Times editorial board is [calling for massive restrictions on free speech](#) by **labeling the truth as "malicious" and "propaganda,"** in a piece titled "**The Threat Posed by Putin's Cyber Warriors.**"

*"The Russian state is far from alone in using hacking as a form of espionage. What distinguishes Moscow's activity is the malicious way it appears to be **using the information garnered and disseminating fake news to further pollute the political atmosphere.** The timing of leaks during the US election looked calculated to weaken Hillary Clinton, the Democratic candidate," claims the FT editorial view.*

Notice the intellectual dishonesty of the editorial board in their use of the term "fake news," when by all accounts, the information that was "disseminated" which they admit in the same paragraph were "leaks," were actual emails from the DNC and the Clinton campaign..... there was nothing fake about them. They wrote them. They colluded with the MSM. The DNC also colluded with the Clinton campaign against Bernie Sanders. Those emails referenced Hillary Clinton's health, multiple times.

Those emails exposed the truth of the corruption within the Democratic party.

Let that sink in for a minute. The FT editorial board is actually saying that disseminating the "truth" polluted the political atmosphere, deliberately ignoring the fact that it was the corruption exposed on the part of Hillary Clinton, the DNC and the MSM, that "polluted" the election and cost her the election.

Then the FT editorial board gets to their main point, preventing the truth from being exposed by "restricting" free speech.

*Berlin is considering imposing hefty fines on media outlets that spread false and malicious information. This may seem an undue restriction to freedom of speech but in the context of a **propaganda war designed to undermine western democracy, it may be***

necessary to do more than enforce existing laws on libel and incitement.

Once again, they attempt to label the truth that was exposed by Wikileaks during the election as "propaganda."

It is noteworthy that Financial Times endorsed Hillary Clinton during the presidential election cycle, and waged their own anti-Trump campaign during the whole cycle.

The attacks on Independent Media, from calling them "fake news" to accusations about spreading "Russian propaganda," **stem from one thing only... to distract from the information that was exposed by Wikileaks about the Democratic party. It is a war on truth.**

The reason the Independent Media is the main target of the attacks is because they hammered the truth relentlessly, they called out the MSM for their bias, their corruptness, their deliberate push of Washington propaganda against the American people, which they are still pushing, as clearly evidenced recently when Washington Post lied to the public using statements from unnamed "U.S. officials," with claims Russians hacked into the U.S. power grid, then days later publicly admitted the Russians did not do so. *That* was "fake news," and propaganda.

BOTTOM LINE- THE MSM WANTS CIVIL WAR

The U.S. government, using the MSM, have spent decades being the sole arbiter of deciding on what Americans should know and when, using their "influence" to determine elections and control the masses, to hide the "truth" from the American people if said truth doesn't align with their own ideology and goals. They failed and they are literally in meltdown mode after Trump won the election, despite them throwing everything, including the kitchen sink, at Trump, while promoting Clinton.

Right now, given what we are witnessing with unapologetic, and outright fake news coming out of the mainstream media, **we may be facing the most dangerous enemy of all as they are blatantly pushing to delegitimize the next president and trying to encourage actions, such as the demand for a new election, that would lead to an all-out civil war in America.**

If they are allowed to re-establish their dominance, *truth dies*, which brings me to something I read that is critical in this battle, from Jon Rappoport, who has spent his 30+ years as a writer, trying to expose the "fake news" by the MSM, and who believes that the "egg has cracked" **and now is the time to push even harder, expose the MSM each and every time they publish their "fake news."**

Soft Coup Against Trump in Progress! Massive Conspiracy of Treason and Sedition!

Wednesday, January 11, 2017--There is now a highly coordinated conspiracy afoot to take down President-elect Donald Trump.

This deliberate scheme to execute a soft coup has been orchestrated at the highest levels of the Obama Administration, Democratic and Republican National Committees, as well as the major intelligence agencies and special secret services.

Such a coup d'etat has all the hallmarks of the CIA, DIA, NSA, DHS, FBI, as well as many other organizations which comprise the "17 Agencies of the US Intelligence Community".

The essence of their scheme is to fabricate the appearance of collusion between Donald Trump and Vladimir Putin. They especially strive to put out fraudulent and contrived evidence that Putin possesses salacious material on Trump that is substantive enough that it can be used to blackmail him. Wait, it gets worse ... or, rather, this CIA implementation plan will continue to evolve so that the US Congress is forced to take unprecedented action.

Special Note:

What follows is just one example of how much Donald J. Trump is upsetting the NWO apple cart. Robert Kennedy Jr. agrees to 'chair a commission on vaccination safety and scientific integrity' for Trump It ought to be obvious by this critical appointment that Trump is willing to take on a central pillar of the NWO social engineering agenda. In fact the super-vaccination agenda is as BIG as it gets in terms of controlling the entire human population. RFK Jr. is well known among health advocates to be a zealous truth seeker regarding the inherent dangers of vaccines, and especially of the overly aggressive vaccination regimens that young children are now exposed to. *Kennedy has recently been in the news for launching the World Mercury Project (WMP), a public health advocacy organization dedicated to ending exposure to neurotoxic mercury in fish, medical products, dental amalgams and vaccines. The group is focusing on making sound science the driver of public policy. Beyond his recent focus on the WMP, Kennedy has been an outspoken leader for vaccine safety, informed consent and health freedom over the recent years appearing on Real Time with Bill Maher, state house testimony, health freedom rallies, and a slew of mainstream media interviews. It was in May 2015 at the Vermont State House where Kennedy showed his true leadership as he gave public testimony in strong opposition of H.98. At the time, the bill, with a forced vaccine amendment added, had already racked up a laundry list of underhanded techniques, fraud, and conflict of interests that should have disqualified it.*

The bottom line concerning this extraordinary appointment by Trump is that he is showing a courageous willingness to go after one of their sacred cows. You don't ever go after their sacred cows and expect to succeed given the current institutional arrangements which make up the *Global Control Matrix*. *Big Pharma* is an extremely powerful corporate NWO player that has always gotten their way, so they will NOT play nice. A soft coup was initiated on the very same day!

Looks like Trump may have a very good HHS pick that is scaring liberals!!

[Look at what the left has to say about this:](#)

Tom Price Belongs to a Really Scary Medical Organization That Promotes Anti-Vaccine Hysteria

If you believe that, in a country as big and messy as the United States, **the government has a significant role to play in keeping people healthy and regulating medicine**, there are plenty of reasons to be worried about Tom Price, President-elect Donald Trump's choice

for secretary of Health and Human Services.

On the one hand, since **Trump explicitly ran on a promise to "repeal and replace Obamacare," it's not surprising that his pick for HHS would reflect this preference.** Price, an orthopedic surgeon and U.S. congressman from Georgia, is indeed a hardened Obamacare foe. But this is just the tip of what is a hardline **drown-government-in-a-bathtub philosophy**: as the New York *Times*' editorial board **pointed out yesterday**, Price **is an ardent opponent of reproductive rights, seems "intent on systematically weakening, if not demolishing, the nation's health care safety net."**

DARK AGES: Trump Picks Vile Anti-Abortion Anti-Gay Secy of Health & Human Services <https://youtu.be/nQUmjsWjqIM>

A positive report said: Trump called Price the "ideal choice" for the position, as he already has experience drafting a repeal and replace option for Obamacare. After accepting Trump's nomination, Price vowed to fix the healthcare system that has been crippled by Obamacare.
