**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove them**. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect**."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**++ Psa 27:1** [[A Psalm of David.]] The LORD is my light and my salvation; **whom shall I fear? the LORD is the strength of my life; of whom shall I be afraid?**

**Psa 27:3** Though an host should encamp against me, my heart shall not fear: though war should rise against me, in this will I be confident.

**Psa 27:4** One thing have I desired of the LORD, that will I seek after; that I may dwell in the house of the LORD all the days of my life, to behold the beauty of the LORD, and to enquire in his temple.

**Psa 27:5** For in the time of trouble he shall hide me in his pavilion: in the secret of his tabernacle shall he hide me; he shall set me up upon a rock.

**Psa 27:6** And now shall mine head be lifted up above mine enemies round about me: therefore will I offer in his tabernacle sacrifices of joy; I will sing, yea, I will sing praises unto the LORD.

**Wikileaks' Email Leaks Supports Research Into Vatican Cover-Up Regarding "Extraterrestrials"—Role Church Will Play In Coming "Official Disclosure"**

October 11, 2016 by [SkyWatch Editor](#)

Previously we published an article detailing the most recent leaks made by Wikileaks' Julian Assange, which included the disclosure of more emails connected to the Clinton Campaign. This time, **it was John Podesta's account, showing multiple emails from Dr. Edgar Mitchell, Apollo 14 astronaut, showing how Mitchell (1940-2016) had big plans,**

and big meetings set up. Edgar Mitchell was very active in moving the “disclosure” process by discussing the matter with various contacts inside of the White House and Pentagon, along with the Disclosure Project’s Dr. Steven Greer. Here is one of the

emails that was recently released by Wikileaks, and it mentions the Vatican: “Dear John, As 2015 unfolds, I understand you are leaving the Administration in February. It is urgent that we agree on a date and time to meet to discuss Disclosure and Zero Point Energy, at your earliest available after your departure. My Catholic colleague Terri Mansfield will be there too, to bring us up to date on the

**Vatican’s awareness of ETI [Extraterrestrial Intelligence]...”**

As you can imagine, the topic of extraterrestrial life dives into various sub-topics, and one of them is the religious interpretation of extraterrestrials, and there are many.

The first step, however, seems to be to have religious people accept the fact that ‘ET’ doesn’t have to contradict what they believe in.

For the past few years, the world’s largest church has played a major role in the alien debate.

For example, **Monsignor Corrado Balducci, a longtime friend of Pope John Paul II and the Vatican’s leading exorcist, is one of multiple people from within the Vatican who has been very outspoken about extraterrestrials. On multiple occasions, he has stated that contact between humans and extraterrestrials has already happened.**

**“The existence of these beings is real. We can’t have doubts.”** ([source](#))

In 2005, Vatican astronomer Guy Consolmagno said that humankind is facing a future discovery of extraterrestrial intelligence. In 2008, Vatican chief astronomer Father Jose Gabriel Funes stated that the discovery of intelligent extraterrestrial life, and its existence on a planet other than Earth, doesn’t contradict their faith.

**Ask yourself this question: why would all of these Vatican authorities speak so openly and passionately about the subject?**

The email from Dr. Mitchell certainly hints to that possibility, and the constant discussions regarding extraterrestrials coming out of the Vatican in the form of public statements also does.

As for **Pope Francis has said that extraterrestrial beings would be welcomed, and that he would try to have them baptized. Guy Consolmagno (mentioned earlier) has expressed the same sentiment.** ([source](#))

## **GAP THEORY EXPOSED & WARNING**

**Gap creationism** (also known as **ruin-restoration creationism**, **restoration creationism**, or "**The Gap Theory**") is a form of **old Earth creationism** that posits that the six-**day** creation period, as described in the **Book of Genesis**, involved six literal 24-hour days (light being "day" and dark "night" as God specified), but that there was a gap of time between two distinct creations in the first and the second verses of Genesis, which the theory states explains many scientific observations, including the **age of the Earth**.<sup>[1][2][3]</sup> It differs from **day-age creationism**, which posits that the 'days' of creation were much longer periods (of thousands or millions of years), and from **young Earth creationism**, which although it agrees concerning the six literal 24-hour days of creation, does not posit any gap of time.

**What is the "Gap Theory"? its origin and history?**

Many people have tried to place a gap of indeterminate time between the first two verses of Genesis chapter 1. There are many different versions as to what supposedly happened in this "gap" of time. **Most versions of the "gap" theory place millions of years of geologic time (including billions of fossil animals) in between these two first verses of Genesis.** This is the "ruin-reconstruction" version of the gap theory. **However, this undermines the gospel as it allows for death, bloodshed, disease, and suffering before Adam's sin. Because most "ruin-reconstruction" theorists have accepted the millions of years dating for the fossil record, they have thus allowed the fallible theories of scientists to determine the meaning of Scripture. Some put the fall of Satan in this supposed period. But any rebellion of Satan during this gap of time contradicts God's description of His completed creation on day six as all being "very good" (Genesis 1:31). All versions of the gap theory impose outside ideas on Scripture and thus open the**

door for further compromise.

**++ The “Ancient Astronaut” Lie: The Shocking Origin of the “Intelligent Design” Theory**

By Dr. Scott Johnson | December 28, 2007--This is a special study I felt convicted to do after viewing a 27 minute internet video put out by the Raelian cult. This video does one of the most through jobs of condensing most of the coming “New Age/New World Order” lies that I have ever witnessed. Most of these lies seem so appealing to the unsaved, for the same reason Eve was seduced by the serpent in the Garden of Eden: Because they promise: “Ye shall be as gods”. If anyone buys into this then all accountability to a Holy God goes out the window & they feel they can live anyway they want. Satan is still “The most subtle best of the field” and he has not changed his tactics as you will see when you listen to this audio. In this teaching I will be playing the sound from this video and stopping to comment along the way so I can ultimately present a full rebuttal to this most egregious heresy. This “Ancient Astronaut” theory is going to unfortunately take many people to hell and is going to be one of the cornerstones of the grand deception the Antichrist will perpetrate.

**Why Are World Leaders Visiting Antarctica? – Steve Quayle and Greg Hunter Video**

Sunday, January 22, 2017 **Greg Hunter’s** [USAWatchdog.com](http://USAWatchdog.com)

In the last few months, the world’s political and religious leaders have been making trips to the continent at the bottom of the world—Antarctica. Author of “**Empire Beneath the Ice**” Steve Quayle says people should take notice. Quayle explains, “What really is going on down there? Here is the billion dollar question, and probably the trillion dollar question: **Why are the world’s religious leaders and the world’s most powerful leaders going to Antarctica? I don’t think the Russian Patriarch Kirill is going down there to meet penguins...Someone or something has summoned the world’s leaders.**”

Quayle also says, “Most people don’t understand, and this is critical, **the United States, in 1947, sent a war flotilla to the Antarctic under Admiral Byrd and it was called “Operation Highjump.” It was to seek out and destroy the hidden Nazi bases that intelligence agencies provided them the documentation for. It wasn’t a small thing. There were 13 ships and 4,700 men and state of the art U.S. weaponry. The bad news is we got our rear ends kicked. Russians were spying on us, and they had a video of our aircraft encountering flying saucers.**”

Fast forward to today, and Quayle contends, “Black physics is beyond the PhD level, and we are seeing this with CERN (European Council for Nuclear Research). What is so critical for people to understand is, as more activity takes place at CERN, the occult rituals associated with it are so in your face you can’t dismiss this stuff anymore as being the ranting’s of this fringe or that fringe. **Something is happening, and the Antarctic is critical. It’s**

**my contention that because of the advanced technology of the Third Reich . . . that they went under the ice, so to speak, and came into contact with beings, sentient beings that Wernher von Braun and others have made reference to many times before they passed away. So, all this is a matter of record. When you put all the records together, it points to this: There is some entity or group of entities that are thinking and have advanced technology and, basically, give orders to the religious and political leaders of our day.”**

**The history of the world is not what it is. It is what the powers that be pretend it to be. For the record, all of the world’s leaders never believed that Hitler died in the bunker.”**

**Comment:** This is a recent exchange regarding some of what is going on down at the South Pole:

*D: Did this Antarctica discovery get facilitated by icecap melting allowing new areas to be accessed, then coupled with digging, or was it just the result of excavation?*

*C: There was some melting but mostly years and years of excavating. They use “Steam Blowers” to do most of their excavation of artifacts and to create new areas when they need to build, I was told.*

*D: They must have hit the mother lode recently if it took them years to get there.*

*C: Yes the mother lode! MANY SQUARE MILES OF NEW RUINS*

*D: That makes sense about the steam blowers. Are we talking about a Manhattan-sized area of buildings and working technological artifacts?*

*C: Many square miles of ruins have been detected, with only a small percentage that has actually been excavated thus far.*

*D: So it’s not like the ruins were protected in some sort of dome under the ice and left undamaged.*

They are all trashed up, I assume, but there are still things in there that can be pulled out. Are any of the buildings in a fairly undamaged condition?

C: **They were all flattened/ crushed or knocked over by the event that flash-froze the area. They have tons of trees/ plants and wildlife frozen in place, like they were put on pause. They are also finding many Pre-Adamite bodies. Comment: Lies!**

D: Interesting. I expected that everything would have been thoroughly smashed unless there were some very unique conditions.

**There will be a whole lot of giant animals — sloths, mastodons, toxodons, turtles and what so on. The biosphere was very different then.**

C: **That is absolutely true. They are already pulling out a variety of bodies of flash-frozen prehistoric animals.**

**Comment: This is a very important Biblical concept to understand with the deception that is coming:**

The mammoths among many other animals froze to death because of the great flood that happened.

## Visit to Antarctica Confirms Discovery of Flash Frozen Alien Civilization

January 25, 2017

In early January 2017, secret space program whistleblower Corey Goode says he was taken to Antarctica to witness the first scientific excavations of ruins from an ancient flash frozen civilization buried under two miles of ice. While the discovery of the ruins date back to the first Nazi German expedition in 1939 according to Goode, it is only since 2002 that excavations by archeologists and other scientists have been allowed, **The archeologists have allegedly prepared documentary films and academic papers whose release will astound the scientific community.**

In a [December 11, 2016 update](#), Goode describes how he had been earlier made aware of the Antarctica excavations from multiple sources, and then had the excavations also revealed to him by a senior officer within a USAF led secret space program he dubbed "Sigmund", Sigmund led a covert mission involving multiple abductions and debriefings of Goode who was being tested for the fidelity of his information.

After being satisfied about the accuracy of Goode's information and sources, Sigmund unexpectedly shared some of his knowledge about the Antarctica excavations. It involved a civilization led by 10-12 foot tall "Pre-Adamites" with elongated skulls. Three oval shaped motherships about 30 miles in diameter were discovered nearby revealing that the Pre-Adamites were extraterrestrial in origin, and had arrived on Earth about 55,000 years ago. One of the three ships has been excavated and found to have many smaller spacecraft inside. The Pre-Adamite civilization, at least that portion of it based in Antarctica, had been flash frozen in a cataclysmic event that had occurred roughly 12,000 years ago.

Goode has also been told by his contacts that the most advanced technologies, and the remains of Pre-Adamites themselves have been removed from one archeological site that will be made public. Teams of archeologists have been working with what is left, and told to keep secret what else they had seen.

**++ Pre-Adamic Man Theory Debunked**

Many people hold to the notion that man-like beings existed long before Adam and may even have been his contemporary. The idea is usually hazy and half-formed, while comfort is drawn from the fact that many of the spiritual giants of Christendom have given their approval to pre-Adamic or pre-Adamite man. Those seeking biblical support admit this is not explicit but point out that the Bible makes no claim to be a complete record of the history of the world. This argument from silence is cause for suspicion, so it will be as well to see where the idea of pre-Adamite man arose, who has sustained it and what effect it has had on our thinking.

<http://www.creationmoments.com/content/pre-adamic-man>

---

**It appears the Christian Identify Cult pushed this Pre-Adamite Theory pretty hard: Christian Identity advocates claim not only that Whites are the true Israel, but also that Whites are the true descendants of Adam. People of all other races are said to be descended from human beings created before Adam. These pre-Adamites are equated in Identity teaching with the "beasts of the earth" that God had made before Adam (Genesis 1:24-25). For example, Bertrand Camparet of Aryan Nations writes:**

**God had millions of the pre-Adamic Asiatic and African peoples around. . . . If these Negroes and Mongoloids were all that God wanted, he already had them.<sup>9</sup>**

<http://www.watchman.org/profile/identitypro.htm>

---

**Was there a pre-Adamic race on Earth?**

The Bible says that God told Adam and Eve to 'replenish the earth.' Doesn't this imply that He intended them to "refill" something that was once full?

The verse you are referring to is found in the King James Version (KJV) in Genesis 1:28: "And God blessed them, and God said unto them, be fruitful, and multiply, and replenish the earth..."

**The answer to your question is simply this: The word "replenish" translated in 1611 did not mean 'to refill' but rather just 'to fill.'** You must first understand that the King James Version, used by many today was translated in 17th century Elizabethan English. In fact, even the King James Version used today (and I am

not referring to the New KJV) has been simplified from the original 1611 translation. Therefore, it is important to understand the meaning of this word selected by the 17th century translators. The Hebrew word is *male'* and it occurs 306 times in the Old Testament. The KJV translates it as 'replenish' only seven times, 195 times as 'fill,' 'filled' or 'full' and the other times it has an idiomatic meaning or it becomes 'fulfill.' The Latin word from which the English word comes from is *pleo* or *repleo*.

Artistic depiction of ruins found under Antarctica

In addition, select ancient artifacts from other locations will be brought in from vast warehouses and seeded into the archeological site for public release. In their impending announcement about the Antarctica excavations, emphasis will be on the terrestrial

elements of the flash frozen civilization in order not to shock the general population too much.

According to Goode, the announcement is likely to be timed as a distraction from upcoming war crimes trials against global elites as leaks emerge about international pedophile rings and child trafficking.

Up until recently, everything Goode knew about the Antarctica excavations had been shared to him by insider sources or Sigmund. That changed in early January 2017, when Goode was himself taken to Antarctica to witness the ruins and the excavations underway.

In a short personal briefing on January 24 and subsequent dinner discussion which included David Wilcock, Goode related some of the details about his most recent Antarctica trip. He has previously reported on an earlier visit to Antarctica where he got to see five of the working underground bases belonging to the Interplanetary Corporate Conglomerate, a corporate run secret space program based in Antarctica.

Artistic depiction of ICC Antarctica Base witnessed by Corey Goode

Goode says that shortly after New Year, 2017, he was taken to Antarctica by an “Anshar” spacecraft. The Anshar are one of the seven Inner Earth civilizations that Goode has met with. He has in earlier reports described being taken to the main underground city belonging to the Anshar, where he witnessed their advanced technologies.

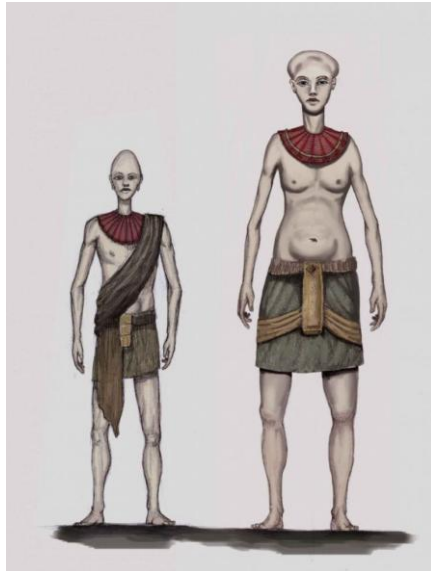

Goode has described his multiple encounters with Kaaree, a High Priestess of the Anshar, who has acted as his guide and friend in many trips into the Earth’s interior, Antarctica and into deep space.

Another key figure in Goode’s revelations is “Gonzales,” who is a U.S. Navy Lieutenant Commander that was Goode’s initial contact with a Secret Space Program Alliance comprising the Navy’s Solar Warden Program along with defectors from other secret space programs.

After being exposed due to Goode’s involuntary abductions and interrogations by “Sigmund”, Gonzales has become a liaison between a Mayan Secret Space Program and the SSP Alliance, which no longer requires his presence on Earth.

In his early January 2017 visit, **Goode says he was joined by Kaaree, Gonzales, and two other Inner Earth Civilization representatives. One of whom belonged to an Asian-looking race that Goode has described in his [initial meeting](#) with representatives from the seven Inner Earth civilizations.**

Goode and the others were taken by the Anshar spacecraft to an unexcavated portion of the ruins. This was an area that the nearby scientific teams have not yet reached so it was still pristine, and showed the full extent of a civilization that had been flash frozen. Goode described seeing bodies twisted and contorted in various flash frozen states. The catastrophe had clearly been unanticipated.

He said that the Pre-Adamites were very thin. He stated it was evident from examining their bodies that they had evolved on a planet with a much lower gravitational environment.

<< An artistic depiction of Pre-Adamite along with a normal sized human with cone shaped head.

In addition to the pre-Adamites, Goode also saw many different types of normal sized humans, some of whom had short tails, while others had elongated skulls similar to the Pre-Adamites. The conclusion Goode drew was that the Pre-Adamites were conducting biological experiments on the indigenous humans of the planet.

**Sidebar: GENETIC EXPERIMENTS WERE BEING CONDUCTED**

[12/10/16, 5:28:01 AM] C: I am getting more and

more... in chunks so to speak.

There have been finds of complexes of genetics labs that were creating all sorts of mixes and matches of humanoid species on Earth.

They were mixing the DNA of each of the Earth humanoids that were meant to be separate "experiments" of the Genetic Farmer Races.

This created all sorts of human hybrids.

They also bred certain traits into small test populations to create different types of humans (Giants, etc).

**[Cloning, DNA Manipulation & Corrupting The Seed & the Book of Enoch-Part 1](#)**

By [Dr. Scott Johnson](#) | May 4, 2008

**[Cloning, DNA Manipulation & Corrupting The Seed & the Book of Enoch-Part 2](#)**

The interpretation of Genesis 6:4 that the Nephilim are half human, half fallen angel makes this very simple to understand. God made a way for man to be saved from his sin through grace by faith in His Son Jesus Christ, but He did not make a way for the angels that rebelled to be saved. Therefore, a mixture of the two kinds would be a corruption and the result a 'fallen race'. It is interesting that Genesis tells us that 'all flesh' was corrupt in the days of Noah. What does that mean? We know that God destroyed all the animals as well as all people except those brought on the ark with Noah and his family. We will explore this topic further in this study. Now, what is man doing in creating these hybrids whether they are

human/animal or plant/animal? Man is mixing kinds together and creating a corrupt and defiled race. Frankly, man is messing with things he has no right to manipulate – he is in effect trying to play ‘God’, which goes right back to the original sin in the garden.

The Book of Enoch [Chapter 7]

1 And all the others together with them took unto themselves wives, and each chose for himself one, and they began to go in unto them and to defile themselves with them, and they taught them charms 2 and enchantments, and the cutting of roots, and made them acquainted with plants. And they 3 became pregnant, and they bare great giants, whose height was three thousand ells: Who consumed 4 all the acquisitions of men. And when men could no longer sustain them, the giants turned against 5 them and devoured mankind...

*Comment: See: Psa 27:2 When the wicked, even mine enemies and my foes, came upon me to eat up my flesh, they stumbled and fell.*

**Back to Enoch 7: And they began to sin against birds, and beasts, and reptiles, and 6 fish, and to devour one another's flesh, and drink the blood.** Then the earth laid accusation against the lawless ones.

-----  
**Back to the main report:** Gonzales had an instrument for taking biological samples that he plunged into the various frozen bodies. He also carried a camera and took many photos. The biological material and photos would be given for study by Secret Space Program Alliance scientists.

In addition, there were scrolls of a metallic alloy that were rolled up with some kind of writing in them. **The Anshar and other Inner Earth representatives were collecting as many of these scrolls as possible.**

In earlier reports, Goode has [described the Anshar Library](#) as being quite extensive and having many ancient artifacts from multiple civilizations. The Anshar was adding the historical records of this flash frozen civilization to their library.

In addition, Goode said that his party was not witnessed by the scientists and archeologists working on the excavations in another part of the Antarctica ruins. **The Anshar ship had traveled through the ice to get to the ruins. Goode recalled how the ship could easily move through walls using their advanced technologies.**

The significance of **Goode's January trip to Antarctica is that it was confirmation for what he had been [earlier briefed](#) about from various sources and the USAF officer, Sigmund. The Antarctica excavations was quite real and Goode was now the first primary witness to it.**

**The visit of many dignitaries to Antarctica in 2016, including then Secretary of State John Kerry, Buzz Aldrin, Patriarch Kirill, and many others in previous years, is circumstantial evidence that a major discovery has been made in Antarctica.** Thanks to Corey Goode, we now have first-hand witness testimony of the full extent of the Antarctica discovery, and the scientific excavations underway since 2002 that are expected to announce some elements of the discovery very soon.

Subject: ++ [Listener Comment: Violent Bigfoot Encounter](#)

Day One, Friday 11 Nov 2016

Check in at the camp site was at 4:00 pm on Friday. We setup camp in the back end of the camp ground off to the corner by ourselves. That weekend it was cold and windy. So I got to the campsite first and setup camp around 3:00 pm and my friend Jason that is a vet from Afghanistan and Iraq showed up to the campsite around 4:00 pm. **Around 6:30 pm we started to hear whistling. Then after that we saw some red eyes peer out from behind a tree and we felt a very strong demonic fallen angelic presence. From that point on from 6:30 pm on Friday until 8:00 am on Saturday morning it was like the gates of hell were opened.** We stayed outside near the fire until 12:30 pm on Friday because it was just too windy and very cold. **The whole night we heard tree knocking, pounding on the trees, large thumps, howling, growling, roaring, loud foot stomps, hoops, and whistling. We also heard them moaning, walking on two feet in the leaves, and we heard them talking. We heard all these things all night long. We did not just hear these things from one location. We were surrounded by these things and we were in the middle. They were communicating with each other from every direction. It was totally insane. We also saw the red eyes looking at us from every direction.** All the years that I did deliverance and battle with different covens all of that combined was nothing compared to this. I fell asleep for an hour and ½ and Jay was calling out to me. His tent was right next to mine but I could not wake up. He would try to call me by name and then tried to scream my name but I still was asleep. There was a bigfoot outside my tent growling. He said that once he saw that I fell asleep he did spiritual warfare. He said this creature growled and roared the whole time I was asleep. He said that it roared so loud that the whole park could have heard it. He also said that at times the creature cried like it was being attacked then it would roar again. That is all the sleep that I got that night. Jay was up most of the night as well. It seemed like there was a whole army of these things. They would come at us from all directions. We had to do intense spiritual warfare all night long. There was no letting up. Around 5:22 am Saturday morning I heard the creature walk towards my tent and start to speak to me in a gorilla like language. (He sounded like he was speaking backwards like when you play music backwards but with a gorilla accent). During the night we could hear them talk to others in this gorilla type language as well. They would also do gorilla type grunting. Several times during this whole encounter the manifestations were so strong the enemy would try to put a spirit of fear on me and Jay to keep us from praying. Our hearts would race and beat so fast it seemed like it would beat out of our chest. We just prayed through it. Through this whole encounter these creatures would speak to our minds asking for permission to come into our camp. Then they would taunt our minds saying that we gave them permission. All of this happened after we prayed and did spiritual warfare over this site when we first got there. For us to experience all of this was the Lord's will. He was still in control. We also heard a noise in our camp area where something was beating against the metal ring of our fire pit. When Jay got out of his tent at 6:00 am on Saturday he saw that this creature took the left over fire wood out of our fire pit and threw it 20 feet away or so.

Day 2

Around 6:00 pm on Saturday night I did spiritual warfare over the camp site and I asked the Lord to not only surround us with a wall of fire and warrior angels but to also have angels and a wall of fire to completely surround us 900 feet away on all sides. As soon as I prayed this I heard tree knocks and pounding on the trees. We heard whistling all around us that night but for the most part things were very quiet and peaceful. It was hard for us to go to sleep after what happened on Friday night. We were just expecting the same thing to happen again on Saturday night. That night each of us slept about 4 hours. Then around 5:20 am on Sunday morning Jay heard a bigfoot walk up to the tent. Then a few minutes later I woke up and Jay said to me they are here. As soon as he said that I heard a bigfoot from a distance roar, yell in its strange language, and beat on the tree. Then instantly another bigfoot took four steps and was right on top of us. We both did intense spiritual warfare and then started to sing oh the blood of Jesus. We continued to sing and praise God. Then around 6:00 am on Sunday we got out of our tents and started a fire and talked about what we experienced. We noticed that some of our food was eaten. We left the camp ground around 1:00 pm on Sunday. During this weekend experience we could hear bigfoot walking all around us. There were times they were two feet away from our tents. At other times we could not hear them approach the tents. They seemed to just appear out from nowhere. They could be very stealthy when they wanted to. This experience changed me and Jay. We came out from this experience different. It increased our faith greatly. I can now see how hunters are disappearing in the woods all across America. I really cannot articulate with words what we experienced and how we felt during this weekend experience. I am trying to wrap my mind all around it now. I just know for some reason the Lord is wanting me to experience all of this. I know that my bigfoot experiences are getting more and more intense.

Subject: ++ Listener Comments: More bigfoot encounters

I had three encounters brother Scott with bigfoot. I had one encounter on November 27th and two on December 4th.

On **November 27th** I wanted to go and fish for some catfish. I fish from this small old dock. So I was doing what I normally do when I fish I either listen to one of your teachings on my droid phone or I listen to a Pastor John Weaver sermon. That day I was listening to one of John Weaver's sermons. I was there all by myself just listening to a sermon and fishing like I always do, then all the sudden I had this strange feeling like I was being watched. I then looked behind me on my right side. I said in the name of Jesus I come against all werewolves and bigfoot that are in those woods. As soon as I said that I heard branches breaking and it sounded like huge branches falling from several trees. Then the enemy tried to put this intense fear on me like what happened when Jay and I went camping. I just prayed through it and then once it all ended I continued to fish for a couple more hours.

Then on **Sunday December 4th** I went back to the same spot to do some fishing for catfish. I wanted to fish one more time this year because I don't like to fish in the severe cold. Just like before I was all alone and I was listening to a Pastor John Weaver sermon. **This time I did not wait until I felt like something was watching me as soon as I got there I looked behind me on my left side facing the woods and said, "In the name of Jesus I come against all bigfoot and werewolves that are in these woods."** I continued to pray for a little bit and then I went to fishing. **Maybe 10 minutes later if that from that part of the woods that I aimed my prayers at earlier. They responded to my prayers. I heard a very loud thump against a tree. It was not a tree knock. It was like this fallen angel that shape shifts or nephilim hybrid took its fist and hit the tree really hard and I heard a loud thump.**

Then that night as I was going to bed I had another encounter. **As soon as I sat on my bed that night this intense fear came over me. This bigfoot was talking to my mind telepathically. He said every time you go into the woods we are watching you. Now here comes the crazy part. He showed me my last fishing experience as it was happening from his point of view being in the woods and through his eyes. Looking through his eyes I could see him watching me through the woods as I was on the dock fishing. Now this is the most insane part Scott, as it showed me his point of view of him watching me in the woods it wanted me to know that it was in a biological container. It was hollow for the fallen angels and whatever else to live in it.**

Then I rebuked it in the name of Jesus and went to bed. These things want to dialogue with me and try to intimidate me. They are trying to intimidate me like Goliath tried to intimidate David. I don't want to dialogue with these things I just want to fight them in Jesus name.

Also I was stunned when I found out the amount of Dogman sightings there are in VA and the US. That show mysteries and monsters in America really opened my eyes to a lot of stuff.

Last year the Lord gave me the following scripture Jeremiah 33:3 and wow it is coming to pass in a huge way. God bless, James

[Jer 33:3](#) **Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.**

[Jer 32:17](#) **Ah Lord GOD! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee:**

[Jer 32:27](#) **Behold, I am the LORD, the God of all flesh: is there any thing too hard for me?**

---

**Scott Johnson's Reply:** Wow! Do you have any sense for the reason they so want you out of the woods so bad? I mean it seems like it does not even matter where you go (regarding the woods) and they are there. Are there that many in the woods in VA or are they following you somehow and then manifesting? I have been in the woods a ton in my lifetime and have never seen one of these things. I listened to this teaching tonight (all six parts) and it seems like these principles could be heavily used in the situations you are increasingly coming into:

<https://youtu.be/GwIhfQcjE5w> Win Worley seems like one of those preachers I never really heard anything bad about; but you have a lot more experience in this area, especially deliverance. God bless!

**I started deliverance by listening to win worley. His books and sermons are great. I had all of his books. I also read books from Frank Hammond and Derek Prince and others as well. Plus listened to their sermons. These are great ministers for your listeners to listen to.**

**I remember Win Worley said he battled a demon in one person for 6 hours. I have done deliverances on people for 6 to 7 hours at times. Some demons and fallen angels are easier to get out than others.**

I have alot of woods around where I live brother scott. **I have really thought about this for several months and prayed about it as well. The Lord is showing me this stuff like He showed me those nephilim hybrids in northern va and in richmond because it pleases Him to do it. I remember when He was showing me these nephilim people it seemed at one time it was daily. Like the old saying when it rains it pours.**

**This is something that people do not want to hear especially in America. The land here is defiled more than we could ever imagine. The bible says that when the land gets so defiled the land vomits out the inhabitants. We see this in the Bible when the Lord wanted the Israelites to go into the promised land and kill and destroy the inhabitants. The native americans defiled the land before the white settlers came into North America. The native americans prayed to all kinds of things even bigfoot. Then the Lord had the white settlers come into America and get rid of the inhabitants (to a large extent).**

**The Lord has showed me several things. These bigfoot were all in the woods and the natives were afraid of them. With these experiences that I have been having in these woods the Lord is showing me how the native americans defiled the land. Now this is the part that Americans and Christians in this nation do not want to hear. We have defiled this land far worse than what the native americans ever did.**

**Scott Johnson Question to James: Could you elaborate on what the Lord showed you on how the Native Americans defiled the land?**

**From: James Bess

Subject: Re: Question**

**When the Lord had me do deliverance on people one of the things the Lord would have me do is show them what sins they had in their lives that opened doors to the enemy. The Lord would also have me show them what cursed objects had to be cast out of their homes before the deliverance could happen. So because of their sins and what was in their homes not only had they become defiled but also their homes as well. Once the legal grounds were broken the demons and fallen angels could be cast out. For example remember when I told you about that**

gentleman that I did deliverance on. I spoke to the spirit of anal sex in him. I asked this spirit how he got into the man. The spirit said through the house he lived in. This man lived with his dad and his brother. His brother was an open sodomite. For a long time I was so focused on dealing with the defilement of individuals and their homes, but the Lord has been giving me a greater understanding of what this really means when a whole nation is defiled. To say the least it is very jaw dropping. The Lord at this time has guided my feet to listen and glean from Pastor John Weaver. I have been listening to his sermons and reading his books on government and the role of it. Whether it be a husband, wife, government God has created limitations on all these things and when the people refuse to listen to God there is a breakdown of the family, church, and government. There is a breakdown of society as a whole.

I have been also listening what that means when people disobey. I have been studying on the signs of God's judgment on a nation, when God turns His face, and God's wrath. Just bare with me this is all leading up to the native americans defiling the land.

I was listening to Pastor Weaver preach a sermon and he said he was at this church for several days preaching. There was a native American there during this time and everything was great, but during the last day the native American was sitting by himself with an angry look on his face. John Weaver asked him what was wrong. The Native American said to him that the whites stole the land from them. Pastor Weaver said, "first of all that is not your land. All of the earth belongs to the Lord and your people refused to obey God. Your people worshipped the sun, moon, and stars. Your people also committed cannibalism. You committed idolatry and the Lord had you cast out of the land. The same will happen to us in this nation if we refuse to obey the Lord."

Then the Lord brought to my attention something that I learned in a college class years ago. Some native american tribes would commit acts of bestiality and the men would sodomize the captives from other tribes. Then the Lord reminded me of reading this years ago <http://www.demonbuster.com/america6.html>

We say that America is a melting pot, but do we brother Scott really know what that means. I heard a deliverance minister years ago say in one of his teachings that America has more occult than anywhere else in the world. We have people all over the world coming into this nation bringing in all their false religions, idols, and depravity.

The Lord is just showing me a deeper side to all of this. The remnant are deep and I mean deep behind enemy lines. It is like in the times of Daniel being in Babylon. This nation is a pile of dung covered in raw sewage and vomit before the eyes of the Lord. The modern church meaning 501c3 looks the same way before the Lord as well.

We live in a nation where our leaders think they are gods. They might not say this with their mouths, but they say this through their actions. The inhabitants of Canaan were wicked and they were vomited out of the land. The Native Americans were wicked in their beliefs and actions toward a righteous God and look what happened to them. Look where they are now. We as Americans and the 501c3 church have far surpassed the native americans in their wickedness. It is only by God's grace this nation has not been totally destroyed yet. The US has

been under God's judgment in the past. We are under God's judgment now and if we don't repent we will be under His wrath in the future. God bless

-----

Your teachings expose the evils in this land like no one I have ever heard. This is one thing people need to grasp and the Lord is dealing with me about it. Things are not only that bad but they are far worse.

That being said my Heavenly Father is in control of everything. Satan, demons, and fallen angels cannot do anything without His permission. My God is sovereign and my footsteps are ordered by Him. I remember I had to battle coven after coven for 2 years every day then that passed and the Lord moved me to something else.

At work at times when I have showed up to look at vacant houses not all of them but some of them, the demons would manifest like a haunted house. I would do spiritual warfare and then continue to pray over that land when I got home until the Lord wanted me to stop.

I like what you said in one of your teachings years ago that the Lord restrains the enemy. That is so true. That being said demons are everywhere and I mean everywhere. Just like I am sure nephilim hybrids are in your home town. You just have not seen one yet.

#### Comment:

**TOOLS** [2Th 2:7](#) For the **mystery of iniquity** doth already work: **only he who now letteth will let, until he be taken out of the way.**

**TOOLS** [2Th 2:8](#) And **then** shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:

**TOOLS** [2Th 2:9](#) *Even him,* whose coming is after the working of Satan with all power and signs and lying wonders,

**TOOLS** [2Th 2:10](#) And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

**TOOLS** [2Th 2:11](#) And for this cause God shall send them strong delusion, that they should believe a lie:

**TOOLS** [2Th 2:12](#) That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

I tell this to my wife all the time God is in control. The children of Israel didn't choose to go into Canaan. God chose them to go in and no other group. When they went into the promised land they just didn't battle whomever they wanted. They battled in the order that the Lord ordained and how the Lord ordained it.

I also tell my wife that each of us is a different part of the body of Christ. Each path is different. People learn and experience what the Lord ordained them to at a specific time and place in their lives. That is just the way the Lord does it. He knows the end from the beginning. It makes me feel so small to think about it brother. We have such a powerful God.

I have always been big into fasting but once I did a 40 day fast my life forever changed. I don't see things the same anymore. That is when the Lord gave me Jeremiah 33:3 and had me really focus on His sovereignty.

I am glad He pulled me away from prison ministry and the aspect of deliverance ministry that I was doing. It gives me more time to spend with the Lord and for Him to show me things that I would have never had time for before because I was to busy doing prison and deliverance ministry.

I enjoy having the Lord showing me these nephilim hybrids and bigfoot. I also enjoy battling them in the woods. Like I said that camping trip with Jay changed us both. I am so happy I had the intense experience that we had because we could not explain it away. **It humbled me greatly and I am at awe of God's great power. I told Jay before we went that it was going to be intense. I just could not wrap my mind around how intense it was going to be. My faith has increased greatly.**

**Great faith is developed in the darkness in times of great trials and tests.** I will say this brother Scott now in this season of my life the Lord is having me battle bigfoot, however I dont want to make a ministry of it.

All I want is to have an intimate relationship with the Lord and have Him show me what He wants when He wants. Like those old shows from the 70s where people had a new adventure every week.

**All I can say to your listeners brother Scott is this, that they need to pray, fast, and have a very close walk with the Lord. This land is so defiled and the darkness is increasing over the land.**

**My only suggestions to your listeners that read those books and want to do deliverance is this:**

**Stay close to Jesus**

**Not every deliverance is the same**

**Deliverance is not a formula**

**Deliverance is not a McDonald's drive thru experience**

**Use those books and sermons for a teaching tool that is all**

**Because you read all the books you can read does not mean your an expert**

**Deliverance is a continuing learning process**

**We are just vessels**

**Jesus is the deliverance minister**

**They will run into situations in deliverance where what they learned in those books do not apply.**

**Don't put God in a box**

**God is sovereign and is in total control**

God bless, James

Message Hi Scott, **You have mentioned several times about people writing in and talking about seeing people with split, reptilian eyes. ++ Listener Comment: I actually saw someone with these reptilian eyes yesterday--I am stunned**

I work cleaning stairwells in an apartment building. I see tenants quite a lot going in and out of their apts. There are a lot of rowdy people living in this building, so a nice person really stands out. This guy seems to have gentleness about him. He also seems to have patience. He has had some very bad neighbors and he tries to talk to them and straighten them out. He has a cute little dog and he is always walking him.

I talk to him every time I am working there. **I never noticed his eyes being in slits before. I think i would have. He has really light blue eyes. His pupils really stand out.** Well, this last time I was talking to him, **he had slits in his eyes. The pupil went from the top of his eye to the bottom, perfect thin slits. It wasnt like the keyhole type slits you see online which are really a birth defect. He is the last person I would think of putting in contact lenses as a prank. This guy is on disability and he has told me that his little dog keeps him moving and he is grateful for his little dog. I just cant figure this thing out. He is the nicest person but I seen his eyes like that. I kept looking at them as he was talking. I got a good look at them and I know what I saw.** I just thought I would share this with you. Will be praying foy you and your daughter. Thanks, ST

**Comment: This is a good time to comment on the book below play the audio's I listed. These non human entities that are I integrated into our society (who the author describes as "hubrids") will typically appear as very polite, nice and well mannered. They are trained that way so as to blend in, and not draw any negative attention, and also because they would be the last ones people would suspect as not being human.**

## Walking Among Us: The Alien Plan to Control Humanity

In his 1998 book, *The Threat*, Jacobs uncovered disconcerting reports about aliens' plans for the future of Earth. He reported that a "change" is coming; a future when very human-like hybrids would intermingle with humans in everyday life. "Soon we will all be together," the aliens said. "Soon everyone will be happy and everyone will know his place."

**Comment:** Think of Katy Perry's Song "Extraterrestrial" See my teaching on this here: <https://www.contendingfortruth.com/?s=katy+perry>

This book examines a disturbing phenomenon that Jacobs began noticing in 2003. The alien integration action plan has kicked into high gear. The incidents of alien abductions have accelerated as have occurrences of alien involvement in everyday human life. A silent and insidious invasion has begun. Alien hybrids have moved into your neighborhood and into your workplace. They have been trained by human abductees to "pass," to blend in to society, to appear as normal as your next door neighbor.

This book illustrates in detail the process of alien integration into society and the strategy and support structure that has been developed to make this happen seamlessly. While he is not certain why they are doing it, the final chapter of the book will provide some chilling possible answers as to why they are here and what they want to accomplish.

Jacobs is a careful researcher who has investigated more than 1150 abduction events experienced by more than 150 abductees. This book focuses on the experiences of thirteen abductees.

### Reviews

"David Jacobs has spent his career as a history professor at a major university, and--what matters most of all--he backs his claims with an impressive mass of evidence.... Jacobs treats his subject with ethnographic depth and detail, but without academic ponderousness." --**Thomas E. Bullard, PhD**, board member, Center for UFO Studies and Fund for UFO Research and author of *UFO Abductions: The Measure of a Mystery*

"Once we accept the extraterrestrial origin of UFOs and that the beings can act purposefully as rational beings invariably do, it is only a small step from UFO phenomena to the co-residency of the two species. It is this logical consistency that makes *Walking Among Us* constantly grip our imagination with such vengeance." --**Young-hae Chi, D Phil**, faculty of Oriental studies, University of Oxford

"*Walking Among Us* is a chronicle of human experience that contradicts every current theory about the universe that we think we live in. Jacobs' human observers have experienced a concealed reality that is literally next door to some of us, and that he believes is about to interact, secretly and insidiously, with the rest of us. *Walking Among Us* explains why extraterrestrial UFOs are here, who is aboard them, and what they are doing. To put it mildly, the evidence from the people that Jacobs has interviewed shows that the extraterrestrials are up to no good." --**Don C. Donderi, PhD**, associate professor (retired) of psychology, McGill University, Montreal, author of *UFOs, ETs, and Alien Abductions*

"David Jacobs has written an extremely important book about UFO abductees and the

meaning of their abductions." --**Ron Westrum, PhD**, emeritus professor of sociology,  
Eastern Michigan University

I wrote you very recently about the nice man that has the reptilian eyes. Well, as I was researching this, I came across a rare disorder and a birth defect. A lot of people refer to it as "keyhole pupils". It is actually called Coloboma. It's very rare.

Well, it blew my mind when I was watching YouTube and I seen a pic of MADELEINE McCann on a "pizzagate" related video. It said on this video that she had this condition. It is rumored a lot of children that had this condition went missing and there are many ties to pizzagate. Soros is said to have this condition. It has been said that there is a gene that is responsible for it and that gene protects against cell death.

**Comment:** I read Taylor the testimony from ST about the nice man with eye slits and this was a very similar experience my daughter had, as when she saw a lady in the store she was working at with one eye (full slit) and other one normal, she did not sense this lady was wanting to hurt her. She sensed she was embarrassed because she knew Taylor had saw her, and that is why she turned to one side, so Taylor could not see the eye that was shifted. Taylor was working at this store and taking her money to check her out and the lady stood sideways the whole time once she saw Taylor had seen her eye slit. For some reason Taylor has almost zero fear of Reptilians. Taylor sensed the lady was a hybrid, she also sensed a deep sadness because this lady knew what she was and probably may know where she is going to end up.

**Subject:** I forgot to tell you, on Wednesday I saw a woman with Slits like a lizard. She was on trolley and I was standing in front of her. She was sitting down. Her face was odd, because one eye was shaped differently than the other. She had short black hair, probably just below the ears. I thought maybe a few times that I saw it change that it was just because of the light, from the light bulb, and her strange shaped eyes causing to think I saw it. I prayed and then I saw it again, very clear. She keep looking away out the window, but at first she was looking around quite a bit. She had hazel eyes. The strange part about the eyes, was they didn't stay in their true form very long. Like she

was struggling to keep them hidden. They would start to change and then go back. And I was seeing the process take place back and forth constantly for a few times. Her skin wasn't pale but still pretty white.

Name William **Listener Comment: Reptilian Eye Slit Sighting at a Walmart**

Message ...On another note, you mentioned the reptilians and all that. I work in the deli at Wal-Mart. Not my ideal job, but okay. A trucker came in the other day and was asking a lot of questions. When I told him that this town was known for druggies, I saw his eyes change suddenly. They went from normal to snake eyes, then back. He started telling me about how he was a drug dealer. I don't think he realizes that I noticed his eyes, but it was just a really weird scenario to be in. Normal guy one minute, then suddenly serpent eyes and glorying in his shame. This was right before the elections, so I was already praying hardcore about the elections. Not sure if that was why, or what. I know that the darkness is getting stronger around here. I had a coworker recently who was complaining about Christians. I mentioned that I was a Christian and he totally went off on me. I never thought I would see the day that I was persecuted at work in a conservative state in America.

**II Timothy 3:12:** "Yea, and all that will live godly in Christ Jesus shall suffer persecution."

**John 15:20:** "Remember the word that I said unto you, The servant is not greater than his lord. If they have persecuted me, they will also persecute you..."

**I Peter 4:12-19:** "Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you: But rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when his glory shall be revealed, ye may be glad also with exceeding joy. If ye be reproached for the name of Christ, happy are ye; for the spirit of glory and of God resteth upon you: on their part he is evil spoken of, but on your part he is glorified. But let none of you suffer as a murderer, or as a thief, or as an evildoer, or as a busybody in other men's matters. Yet if any man suffer as a Christian, let him not be ashamed; but let him glorify God on this behalf. For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God? And if the righteous scarcely be saved, where shall the ungodly and the sinner appear? Wherefore let them that suffer according to the will of God commit the keeping of their souls to him in well doing, as unto a faithful Creator."

**Girl Sees Reptilian Humanoid in Virginia**

Posted on Jun 11 2014 LURAY, Va. — **A girl claims that she saw a reptilian creature in the summer of 2002 in northern Virginia.**

**Road in Luray, Virginia.**

Katie, who provided a last name but was omitted due to journalistic ethics code relating to the age of a witness, says she was only six when she and her family were sleeping at the [Yogi Bear's Jellystone Park in Page](#) County the morning the encounter took place.

“My family and I went to visit Yogi Bear campsite, and we set up two tents next to a river,” she told

Cryptozoology News. “So when night fell, my sister and I slept in a tent together, and my mother and brother slept in the one next to us,” she added.

It was 5 a.m. when the witness woke up, reportedly not being able to sleep and decided to leave the tent.

“After making sure nobody heard me or woke up, I crept around to where our fire was. The coals were barely still smoking now, and I took a stick and poked it,” she explains.

Then, according to Katie, something unusual attracted her attention.

“While I was having my fun, I heard a couple snaps in this little ring of bushes about ten feet from me. I snapped my head up and stared. **While my heart was beating ten million miles an hour, I saw a slightly fuzzy, scaly looking snout poke out, followed by dark, almond-shaped eyes,**” she recalls.

**“This thing poked up to its torso out of the brush, sniffing and staring at me intently. It didn't growl or attack, it just stared. I was frozen with fear, shaking and almost to tears. It was silent except for a little bit of breathing sounds.”**

**One of the strangest things, she says, was its feet.**

**“They looked like hooves, but I've never seen anything like that thing that had hooves,” she remembers.**

**The witness described the beast as having an “all bony looking face” with sharp cheeks.**

**She says it looked like “the mix of a horse and a Komodo dragon” with a “dark gray-brown color”.**

## **^^The Luray Caverns**

**Eventually, the animal went behind the bushes and Katie headed back into her tent, “zipping it up tight and not sleeping till’ dawn”.**

**The town of Luray is known for its proximity to the Luray Caverns, in the Shenandoah Valley, east of the Allegheny Range of the Appalachian Mountains.**

**Subject:** Re: **Listener Comment: Extreme Evil in Luray Caverns in Virginia**

Hi Dr. Scott and James, OK., **This article is in my old stomping ground.** Lurray is right next to one of the entrances to Shenandoah, one of my favorite retreats. Twenty four miles away from that **Yogi Bear Jellystone Park is Skyline Cavern which I think I already told you the story about.** Anyway a brief recap is this...**After seeing the most wicked male homosexual witch I have ever seen selling tickets to the cavern, I went on tour with one poor tour guide and myself, just the two of us. I have been to Luray Caverns and I thought this would be more of the same.... Boy was I wrong... That cavern was so evil and that young man was so uptight I started to fear for my life. (I was just me and him way below ground with the door closed behind us.) I was praying massively, making myself look as athletic and nibble as possible, including locating him and tracking him by listening to his footsteps when he turned off the lights in as a part of his presentation. (That shocked him...) Halfway through the presentation I realize he was not the source of the evil, the cavern was,** and I realized he was not comfortable being down there with just one person. **Close to the end of the tour we heard a sound in the distance. He snapped his head in the direction the sound came from, listened intently then made a joke about ghost, and was ready to hot foot it out of there.**

**This cavern is unique in that it has a type of crystal called and anthrodite.**

**Apparently when they were excavating these caverns they broke A VACCUM, an apparently rare to non existent condition in nature and the immediate sucking in of air cased those anthrodites to form which are not natural formations of crystals found anywhere else. (I hope I remember the facts correctly, some fact checking may be in order here).**

**We, the tour guide and myself, were both relieved to get to the surface.**

**In that store where the male witch was, they were selling highly occult, objects that you cannot find in any store. Athames, crystal balls, other assorted crystals to focus on, various types of wands, other crystal figurines in the shapes of dragons, witches and wizards, Pan and other strangeness. I carefully walked through the "gift shop" cataloguing the items in my mind with disbelief. I have never seen items like this for sale in any store ANYWHERE.. Thinking back on it, as the items were not usually labeled, some of the items in that store were so evil, I did not really know the significance of them back then. (I probably still don't.) Honestly, now that I think about it they were also selling wands with crystals on them (very evil magic). Now that I think of if that homosexual man was a straight up Satanist, not just a witch....**

**But nothing was more evil than that cavern. Nothing... I prayed for that poor tour guide all the way home to DC.**

Sorry for the long story but this is where I am going... The evil was there FIRST, then extremely evil people were attracted to the evil place. (I have multiple stories of witches and now that I think of it more than a good number of them were highly demon infested Satanist in that neck of the woods but I will spare you.) Pat
