**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

### Holder Admits to Coup Against the American People Led by Obama

Friday, March 3, 2017--Meet America's **number one covert subversive operative, Eric Holder, a CALEXIT spokesman, and a perpetrator of the illegal Fast and Furious operation. He was also held in contempt of Congress for refusing to come clean in his other scandal, Fast and Furious, which resulted in the death of Border Patrol agent Brian Terry.**

**Holder is talking openly about the sedition being fomented by President Obama & his devil ilk.**

**The Revolution is totally out in the open.**

**I have just concluded an investigation into the role that Holder and Obama are going to play in the beginning of the coup and against President Trump and the civil war being perpetrated against the American people and their government.**

## Jeff Sessions Tells Pelosi To Expect Pedophile Investigations to Begin

Saturday, March 4, 2017 8:14--What's the biggest threat to American democracy right now? If you believe the mainstream media, it's definitely that old Cold War boogeyman – the Russians have totally infiltrated the Trump administration. The 'Russian connection accusation' is the current weapon of the left and now Attorney General Jeff Sessions has landed in their crosshairs. But what are the true motives behind this?

In the following video, Right Wing News looks at how the pervasive Russian connection accusations, which the dishonest media is single-mindedly focusing on, is nothing but a smokescreen to cover up the true threat – high level pedophiles in Washington DC. President Trump, who has already cracked down on 1,500+ child sex offenders, intends to use Jeff Sessions as his own secret weapon against the DC pedophiles. No surprise then, about they are coming so hard after him.

### Your News Wire reports:

A former CIA agent has warned that the deep state is working overtime to oust Attorney General Jeff Sessions from the White House because he is refusing to back down in his campaign to break up the sex trafficking and pedophile networks that control Washington D.C.

According to Robert David Steele, Jeff Sessions is being set up as another "Russian fall guy", just like General Flynn, to taint the Trump administration and push the president closer to impeachment.

But most importantly, Steele warns, the deep state is determined to remove the most determined anti-pedophile and -corruption enforcer the office of Attorney General has seen in decades.

The former CIA agent says that the Democrats push to remove Sessions from office, led by House Minority leader Nancy Pelosi, has "every chance of succeeding" because AG Sessions has made it clear he "will not back down" under any circumstances.

**Deep State to Launch Paramilitary Operations Against Americans-Paul Martin Interview**

Saturday, March 4, 2017 10:26--Paul Martin of [Revolution Radio.org](http://RevolutionRadio.org), joined me for an emergency broadcast of The Common Sense Show in the early morning hours of March 4th.

Paul Martin's best source, a high-placed operative in an intelligence agency, an individual he refers to as "East Coast", **told Paul that the Deep State is ready to make their move, and that paramilitary activities are being prepared to be launched against the American people. For a variety of reasons, Paul feels there will be a biochemical nature to what is coming.** This is all covered in the following interview.

Paul Martin's source is validated by an article I ran in which Marlon Brock of Martin County, Texas, forwarded photos of a military installation being erected next to his 12 acre ranch. Here are a couple of the photos that he sent, out of the 7 I published. You can view all of the pictures and the article by [clicking here](#).

**++ All H\*\*\* Is Breaking Loose: Will We Survive the Soros Led American Spring?**

February 27th, 2017--As the old saying goes, when one thing happens, it is a coincidence. When something happens twice, it is a trend. When the event/action gets repeated for a third time, it is a pattern. What are we talking about?: **The Overthrow of the United States Government**

Trevor Loudon, the author of Enemies Within and myself are all saying the same thing. **We are in the early stages of a civil war that is designed to take down the United States. The New World Order must destroy the US because there is no place in the New World Order for liberty and freedom. The idea of a nation state will go by the wayside and the planet will be governed corporate style, such as in the 1975 movie, Rollerball.**

Prior to the election of Trump, **the globalists were in the final phase of extracting as much material wealth from the people of the United States before collapsing the system. Now the globalists must fight to get back what ground they have lost due to the election of Trump.**

The Democrats and the Republicans are united on the need to takedown Donald Trump. **President Trump is the convenient fall-guy from which to target so the**

globalists can squash, once and for all, the populist spirit of the American people prior to the nation's destruction.

**The Congress and the Senate are united on two fronts:**

1. They both support free trade agreements and these "representatives of the people" have been handsomely rewarded for falling into line with the corporate takeover of the US government.
2. The globalists are promoting mass immigration in all major western nations. Why? The answer is simple, they seek to decultralize the major nations prior to establishing global governance. When the dominant language and the mores and the customs of the modern nations are gone, all that is left is globalism.

All, in all, this process can best be understood from 3 perspectives.

#### **Part One: The Enemies Within-Trevor Louden**

In both his book and his documentary by the same name, Louden identifies 80 elected representatives of the American people who have been elected to the the House and the Senate who belong to front groups for either the Communist Party or the world's biggest terrorist organization, the Muslim Brotherhood, or both at the same time. Largely, these representatives, such as Elizabeth Warren and John McCain have been recruited from the ranks of those who enthusiastically supported free trade and the subsequent loss of millions of American jobs. McCain was a co-sponsor of CAFTA, a free trade agreement.

Louden details how these associations impacts the American people as it alters Congressional policies and laws that are passed.

Louden's documentary is available on Amazon Prime. Also, I should mention that former Congressman West makes the exact same claims as does Louden and he names the same people. **Am I talking about treason, you are d\*\*\* right I am.**

#### **Part Two: The Subversive Groups of Obama and Soros**

In the following video, Doug Hagmann described, in detail, the emerging and covert army that is emerging in American designed to overthrow the government. As I said, **Donald Trump is just a convenient target, the real objective is the subjugation of, the depopulation of, and the destruction of the US Constitution and all of American civil liberties.**

At the heart of the subversive takedown of America is **Obama's *Organizing for America***. It is run by former President Obama and it has 250 nationwide chapters. Emanting from this parent group are other Obama/Soros organizations such as Indivisible. Indivisible receives their funding from Soros groups such as **Moveon.org and the ACLU**. It is interesting to note that last night Oscars, the looney left that dominates the Hollywood contingent were wearing blue ribbons to support the ACLU. Doug singles out Angela Padilla as one of the leaders in this movement. **She is connected with the Soros funded La Raza which seeks to break up the United States through movements like CALEXIT of which Padilla, along with the Mexican Consulate and the drug cartel leadership compromise an intimate part of CALEXIT as are former Attorney Generals Eric Holder and Loretta Lynch.**

Doug also points out that the group Indivisible has published “A Practical Guide for Resisting the Trump Agenda” (ie how to destroy the Constitution, the economy and the social fabric of America).

Doug also identifies the Weather Underground, which is run through the man who launched Obama’s political career, Bill Ayers, has reared its ugly head, once again, to terrorize America. The social networking and planned rioting from Soros funded groups like the Center for Popular Democracy, the thugs from Acorn, which are funded by Ford Foundation and the Democracy Alliance will wreak havoc on the American people this Spring.

Doug notes that Twitter and Facebook are facilitating the revolution. As expected, the media is part of this and this is why President Trump labeled the media “the enemy of the people”.

The reader should get the idea, but this is only the tip of the iceberg.

**Part Three:** The Implementation of Soros’ Led Takedown of America-Dave Hodges  
I have previously stated that America is at a very dangerous time in her history. The enemy (e.g. George Soros and his puppeteers) are already inside the gates wreaking havoc.

### **The Arab Spring (2017) Comes to America**

George Soros is following a script that he all too familiar with. Soros is implementing the Arab Spring strategies in very similar fashion to what he did over five years ago in the Middle East.

His playbook is a combination of Hillary Clinton’s hero, S. Alinsky and his book, Rules for Radicals.

It is becoming clear that Soros is implementing the strategies associated with the first three stages listed below. However, we can be certain that the globalists are going all the way.

### **The Final Solution**

There will become a bifurcation point where soft kill methods and diluting the native population through massive immigration will not be enough to ensure total dictatorial control over the planet by the globalists, because its methods of replacement are not expeditious enough. That is when soft kill will need to become the Final Solution of hard kill.

In history, the pattern is always the same:

#### **Step One**

Perpetrate an economic collapse that will put millions of desperate people on the street. It is better if this can happen in the midst of some other social chaos to take full advantage of the magnification effect.

The plan calls for the complete disintegration of law order. Soros has his excuse, the election of Donald Trump . Soros has properly engineered group think in which some groups, collectively, have manufactured enough fear based upon lies, that people are striking out. We are seeing this with riots in our major cities. Soros is perpetrating a race war and when it spreads to other segments of our population, not only will safety be imperiled but so will the distribution of goods and services.

#### **Step Two**

Combine the economic collapse with the creation of a false flag series of events which necessitates the need for martial law and extreme measures of subjugation.

It would appear that a mass casualty event is in the works, but the rioting of groups like Obama's movement will do quite nicely in the meantime.

### Step 3

Cordon people off for their own protection by eliminating travel.

### Step 4

Exploit whatever free labor can be extracted from this doomed group while they are being protected and this means the implementation of a Congressionally backed "New Deal like programs" which will promise to put people back to work. You can call them labor camps, I will call them FEMA Camps. This is precisely what Weatherman Underground leader, Bill Ayers, talked about doing.

### Step Five

Systematically exterminate the undesirable group as a move to promote national unity against a contrived common enemy (e.g. Christians). By this time, Trump will be gone from power. The new radicals will impose the use of the NDAA will come into full view and we will witness unparalleled persecution of average citizens that "don't fit in."

### Step Six

World War III will evolve out of the turmoil as was the case with World War II- Serfdom will re-emerge

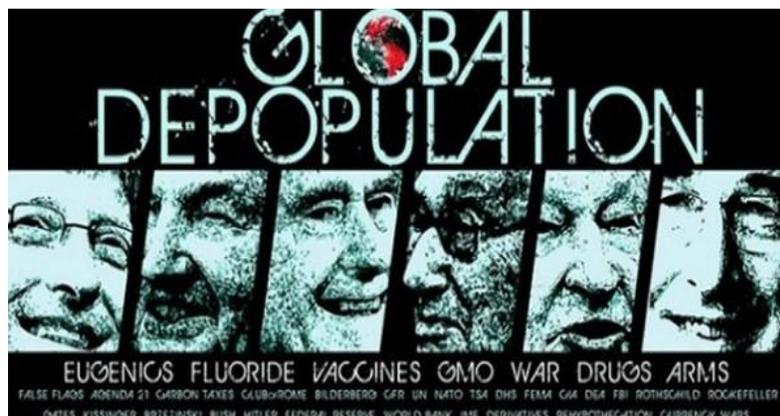

### Step Seven

This is when global depopulation will begin in earnest. When the smoke clears and the bulk of humanity has been buried, the New World Order will truly be born.

### Conclusion

These seven steps are all supported by past history. What makes Americans think that we are immune to established historical precedent?

Sometimes it is good to be reminded of who we are

fighting and what their Agenda (2030) consists of.

**THE OCCULT TAKES ON PRESIDENT TRUMP & MORE WITCHCRAFT RITUALS ARE PLANNED...** Following in the footsteps of Lady Gaga, Lana Del Rey is attempting to use witchcraft to remove Donald Trump from Presidency. "At the stroke of midnight," the famed singer Tweeted. "Feb 24, March 26, April 24, May 23... Ingredients can be found online."

Observers noted these dates line-up with the 'waning crescent moon ritual dates,' dates that recently made headlines as members of the occult claimed they would perform ceremonies to rid the world of Donald Trump each time the event occurs.

The necessary 'ingredients' have previously been revealed to be "an unflattering photograph of Donald Trump," a bowl of water, a Tower tarot card, and a "tiny stub of an orange candle." According to those participating in the ritual, they will not cease until Trump is finally out of power.

Meanwhile, Del Rey has been busy promoting her latest song 'Love' the first single from her forthcoming studio album.

Normalizing Pedophilia: Pope Removes Penalties for Priests Who Molest Children  
Inch by inch, it's a cinch. Incrementalism is how the globalists get things done and child-sex-trafficking is not any different. Don't forget that Soros once gave \$2 million to NAMBLA, the organization seeking to legalize pedophilia. The Pope has permitted one of his main Priests to get away with repeatedly molesting 5 boys with a "life time of prayer" intervention. Pizzagate isn't Pizzagate if it's legal. The Pope is furthering the cause of normalizing and eventually legalizing pedophilia. This is just the beginning.

'ALLAH GAVE ORDERS TO KILL EVERY INFIDEL' ISIS vows to massacre Christians in chilling video 36

ISIS threaten continued attacks on Christians living in Egypt. The justification comes from the Koran.

Western leaders and media can continue to deny or ignore the truth about Islam, but the truth will not go away. The only option is to defeat this devil death cult driving this evil; there is no prize for their evil but death, hell and the lake of fire. 'God gave orders to kill every infidel' ISIS vows to massacre Christians in chilling video

ISLAMIC State militants in Egypt have threatened to increase attacks against Christians in the country, vowing to "liberate" Cairo, in a chilling new video.

By Sofia Petkar, The Express, Feb 21, 2017

Jihadists have increasingly targeted Egypt's Coptic Christians in retaliation for their support of President Sisi Orthodox Copts that make up about 10 per cent of Egypt's 90 million people and are the Middle East's largest Christian community.

In the 20-minute clip, the group singles out prominent Christian Egyptians, identifying the Coptic Pope and a number of wealthy businessmen as the group's "favorite prey".

I swear to God we will very soon liberate Cairo and free you from captivity.

Islamic State in Egypt

The footage features a masked jihadi, identified as Abu al-Masri, who promises to see the release of imprisoned Islamists when the group takes control of the capital.

The December attack, in which 29 people were killed – was the deadliest on Egyptian Christians in living memory.

The video pictured the funerals of victims of St. Mark's Cathedral bombing

ISIS claimed responsibility for the bombing, its deadliest attack in Egypt outside the Sinai Peninsula, where it has been waging an insurgency since 2013. In the video, the

militant is seen clutching an assault rifle while standing in a wheat field.

He says: "Finally, to my brothers in captivity: rejoice, you believers, do not falter or grieve. I swear to God we will very soon liberate Cairo and free you from captivity.

"We will come bearing explosives, I swear we will, so rejoice you believers." The narrator goes on to say that Christians were no longer "Dhimmis" – a term used in Islam in reference to non-Muslims who enjoy a degree of state protection. Instead, the group describes Egyptian Christians as "infidels who are empowering the West against Muslim nations".

The video identifies a number of potential Christian targets including the Coptic pope.

One of the militants, carrying an AK-47 assault rifle, says in the video: "God gave orders to kill every infidel." "Oh worshippers of the cross, the soldiers of the state are watching you," says another masked militant – identified as Abu Zubair al-Masri.

**++ Marine Sgt.'s Facebook Video gets 44 Million Views in a week asking a Simple Question - Steve Gern**

Sean Hannity interviews a retired U.S. Marine who works as a private security contractor took to Facebook to warn of the dangers Americans still face in Iraq. Steven Gern's video, which was posted from Iraq and has been viewed more than 45 million times, came just a few days after President Trump's executive order triggered massive protests at U.S. airports. Trump's orders involved restricting access to the United States for refugees and some visa holders from Iraq, Iran, Libya, Somalia, Sudan, Syria, and Yemen, said the aides and experts, who asked not to be identified. The restrictions on refugees are likely to include a multi-month ban on admissions from all countries until the State Department and the Department of Homeland Security can make the vetting process more rigorous.

## Minnesota: Mob of Somalis Rage Through Upscale Neighborhood Threatening to “Kidnap” and “Rape” Homeowners

Of course, **you won't see this story on ABC, NBC, CBS, CNN, MSNBC or any of the other liberal news stations. Because gangs of Muslim refugees threatening innocent people inside their homes isn't news.**

A mob of up to 30 young Somali men paraded through one of Minneapolis' more upscale neighborhoods last week, yelling disparaging comments and threats against homeowners.

A female resident of the neighborhood, obviously shaken in a TV interview, related how she was **screamed at by a Somali man who threatened to kidnap and rape her.**

“They were screaming at the house that they were going to kidnap you and they were going to rape you,” one Minneapolis resident told KSTP TV. “It was a very traumatizing experience.”

Somalis living in Minneapolis are almost all Sunni Muslims, and residents of the Lake Calhoun area say this isn't the first time a group of Somali men has made an intimidating march through their neighborhood, which is filled with million-dollar homes.

**No hate-crime charges are apparently being considered by either the Minnesota authorities or the Obama Justice Department headed by Loretta Lynch.**

**No arrests have been made, and the Minneapolis media appear to be largely uninterested in reporting on the mob threats.**

According to a Minneapolis police report, between 20 and 30 young Somali men showed up in front of a woman's house about 9:30 in the morning and started shouting insults. “The comments turned to threats,” the report said.

## Army Colonel, Politicians, and State Employees Arrested in High-Profile Child Sex Sting...()

Thursday, February 23, 2017--Matt Agorist [TheFreeThoughtProject.com](http://TheFreeThoughtProject.com)

Tallahassee, FL — A broad net cast in North Florida by law enforcement officials to catch child predators landed a dozen men — **a retired U.S. Army colonel, a high-ranking Florida State University attorney, and the page and messenger manager for the Florida House of Representatives,** among others — **who were attempting to meet up with young girls.**

As part of a major sting, twelve men — ranging from 21 to 70 years of age — were arrested by authorities after they made contact through emails, texts, chat rooms, and Internet ads, with undercover officers pretending to be teen girls.

In this state-run version of To Catch a Predator, authorities lured in the potential sex offenders by pretending to be females. Investigators in the operation, named Cupid's Arrow, chatted with countless men online. However, only the sickos stayed around once the investigators, acting as the girls, **told them they were just children.**

“While most adults online immediately stopped communicating with these investigators,” Perez said. **“Once they believed they were children, the 12 suspects arrested during the operation only became more interested.”**

**By Dr. Scott Johnson | December 3, 2011**

The testimony of Sister Charlotte is disturbing and shocking, but provides important insights into the worst of convent life as well as the dynamics of Romanism. It testifies with others such as *“Maria Monk”* and *“The Martyr in Black The Life Story of Sister Justina”* as well as the testimonies of former priests such as Chiniquy (The Priest, the Woman and the Confessional), Fresenborg (Thirty Years in Hell), and Hogan (Auricular Confession and Popish Nunneries). **Sis. Charlotte’s testimony seems incredible but only because most people do not know the history of the Catholic religion.** This testimony was taken from a cassette tape recording of Sister Charlotte giving her testimony in a Christian gathering. Sources have told us that Charlotte was born in 1898, and entered the convent in approximately the year of 1910. She experienced salvation in 1945, and began giving this testimony in the next few years following her conversion throughout the United States and Canada. **At the introduction the Pastor**

indicates she mysteriously disappeared 2 years after this testimony was given and was never heard from again.
