**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

**II Chronicles 7:14:** "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then

will I hear from heaven, and will forgive their sin, and will heal their land."

**TOOLS** [Psa 103:8](#) The LORD *is* merciful and gracious, slow to anger, and plenteous in mercy.

**TOOLS** [Psa 103:9](#) He will not always chide: neither will he keep *his anger* for ever.

**TOOLS** [Psa 103:10](#) He hath **not** dealt with us after our sins; nor rewarded us according to our iniquities.

**TOOLS** [Psa 103:11](#) For as the heaven is high above the earth, **so great is his mercy toward them that fear him.**

**TOOLS** [Psa 103:12](#) As far as the east is from the west, **so far hath he removed our transgressions from us.**

**TOOLS** [Psa 103:13](#) Like as a father pitieth *his* children, **so the LORD pitieth them that fear him.**

**TOOLS** [Psa 103:14](#) For he knoweth our frame; he remembereth that we *are* dust.

**TOOLS** [Psa 103:15](#) As *for* man, his days *are* as grass: as a flower of the field, so he flourisheth.

**TOOLS** [Psa 103:16](#) For the wind passeth over it, and it is gone; and the place thereof shall know it no more.

**TOOLS** [Psa 103:17](#) But the mercy of the LORD *is* from everlasting to everlasting **upon them that fear him**, and his righteousness unto children's children;

**TOOLS** [Psa 103:18](#) To such as keep his covenant, and to those that remember his commandments to do them.

**Gal 3:21** ...for if there had been a law given which could have given life, verily righteousness should have been by the law.

**Gal 2:21** I do not frustrate the grace of God: for if righteousness come by the law, **then Christ is dead in vain.**

Col 21-23: And you, that were sometime alienated and enemies in your mind by wicked works, **yet now hath he reconciled** In the body of his flesh through death, to present you holy and unblameable and unreprieveable in his sight: If ye continue in the faith grounded and settled, and be not moved away from the hope of the gospel, which ye have heard...

Matthew 7:12: (The Golden Rule) "Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets."

### GENERAL MATTIS SAYS: NORTH KOREA MUST BE STOPPED

LONDON — After years of North Korea thumbing its nose at the international community, on Friday Defense Secretary James Mattis **appeared to signal enough was enough.**

**"Right now, [North Korea] appears to be going in a very reckless manner ... and that has got to be stopped,"** Mattis said at a press conference in London.

He didn't give any details about how the administration of President Donald Trump plans to deal with the reclusive nation, which, **under Kim Jong Un, has drastically increased its missile and nuclear-testing program.**

But Mattis' remarks continue a recent trend of Trump officials taking a harder line on North Korea. **He also said that military action was "on the table."**

## North Korea threatens to WIPE OUT the whole of America after hydrogen bomb launch

Jan 13, 2016 | A statement from North Korean media revealed scientists “are in high spirits” following the first ever H-bomb test.

Washington and Pyongyang have been driven to the brink of war after the secretive state conducted the test before declaring it is on the verge of war with South Korea just days later.

## How North Korea could figure into WW3, HOWEVER, when World War 3 DOES break out, there may be NO warnings in the news media--It will be sudden and swift

The media will do its usual job of building fear, hatred and anger and then probably go “dark” for awhile. It’s suspected that war will begin during one of those dormant, “dark” periods.

Let us first examine the exact wording of the part of the Illuminati Plan which reveals the Korean Peninsula portion of the Third World War.

***A hair-raising nuclear confrontation in Korea may, towards the end of the period, threaten man's very survival.*** [Peter Lemesurier, “*The Armageddon Script*”, p. 223]

Please take a moment to read our article on the planned scenario for World War III, to produce Antichrist [NEWS1074, posted in October, 1996].

You will discover that the planned World War III envisioned a three-war global scenario, about which we wrote six years ago! If you go to our World War III page at <http://www.cuttingedge.org/news/ww3.html>, you will discover that we have articles under each of the three wars planned.

Now, let us examine this article on Clinton - Carter and their nefarious “deal” with North Korea. You will be shocked to see the author of this current NewsMax article describe this three-world war scenario.

NEWS BRIEF: “**Evidence Clinton Knew About North Korea's Nuclear Violations**”, by Wes Vernon, NewsMax.com, Saturday, Oct. 19, 2002.

First let us examine this article for its relevance to the Clinton - Carter nuclear program “deal”.

“When the Clinton administration announced the agreement in 1994, more than one person pointed out at the time that the assumption that the militant North Korean regime would abide by its terms; was based on little more than blind faith. In a statement issued Friday, David A. Keene, co-chairman of Americans for Missile Defense, **declared, ‘The North Koreans’ persistent eschewing of weapons inspectors undoubtedly raised red flags,’. Now they admit they have been secretly building a massive arms production program. Given their decades-long record of deceit, added Keene, ‘is anyone surprised that they couldn’t be trusted?’**”

Given our understanding of the Illuminati and how they have expertly manipulated history since 1776, we submit to you that neither Clinton nor Carter were under any illusions that North Korea would abide by any agreement. We have already proven that the Illuminati created Communism in order to fulfill their Dialectic Struggle on a global scale [[Seminar 2, "America Determines the Flow of History"](#)]. Communism provided the perfect "enemy" that would stage the confrontation with the West that would produce Antichrist. **This historic fact is the reason Albert Pike's Guiding Spirit foretold, in 1870, that three world wars would be necessary to stage Antichrist, and that the primary aim of W.W.I was to overthrow the Czarist Government of Russia so it could be replaced with Communism!**

Thus, in 1994, President Clinton needed to provide North Korea with the reactors and the necessary components to produce the nuclear weapons they would use when World War III erupted; but, Clinton needed a cover so that North Korea could do all this developing without raising the ire of the Western World. Therefore, he sent Former President Jimmy Carter to North Korea on a well-publicized trip to "hammer out" negotiations that could be presented to the world as having "solved" the crisis. The agreement was so transparent that anyone who knew Communism knew the North Koreans would continue to develop nuclear weapons. Anyone who also knew the Illuminati knew that all Illuminist stated goals are designed to achieve the very opposite of the rhetoric. North Korea's bold announcement that they had developed a nuclear weapons program is not a surprise to Cutting Edge! We predicted it back in 1994 after the "deal" was signed.

**Donald Trump vows to 'solve North Korea' problem as White House adviser warns Kim Jong-un could hit US with nukes by 2020--President says he will eradicate nuclear threat posed by North Korea - unless China is able to pressure nation**

April 2017--Speaking from the Oval Office in an interview with the [Financial Times](#), the US president said: **"Well if China is not going to solve North Korea, we will. That is all I am telling you."**

**US president Donald Trump says he will eradicate the nuclear threat posed by North Korea with or without China's help**

In a separate interview with the publication, deputy White House national security adviser KT McFarland warned: **"There is a real possibility that North Korea will be able to hit the US with a nuclear-armed missile by the end of the first Trump term."**

**The US sees North Korea as its most pressing threat after former President Barack Obama warned Trump about the substantial advancements Pyongyang has made with their nuclear weapons and long-range missiles.**

**++ Today's weather has been artificially created!**

The California drought has been artificially created and severe rain storms have been created - weather warfare is escalating. The Oroville Dam in northern California is being targeted by various weather and warfare operations.

Listed below are some Patents Directly Related to Geoengineering (Weather Modification Programs).

This information is posted on [www.ToxicSky.org](http://www.ToxicSky.org) and we suggest you go to the home page at [www.StopTheCrime.net](http://www.StopTheCrime.net) to learn about the broader reality that we ALL face.

This is a partial list of the patents and descriptions of the chemicals being dumped upon humans through Chemtrails/Geoengineering. It's called Geoengineering because

these chemicals literally restructure (reengineer) global weather patterns, the cells of plant, animal, fish, insect and human life.

We suggest that everyone take necessary precautions to prevent direct storm related damages. Where ever possible reduce or remove trees near dwellings and thin branches to reduce "sail" - to catch less wind. Be cautious around creek overflows.

Without a spiritual perspective, nothing makes sense today. The Devil is in the details. The purpose of his evil existence is to utterly destroy God's creation.

The California drought was engineered and now the drought is OVER, some say. The water shortage (illusion) has been manipulated - we do not have a water shortage! We have plenty of water. Water is a renewable resource. Go to [www.PrimaryWater.org](http://www.PrimaryWater.org) to learn the water facts

**Your Cell Phone Is a Death Trap - 5G Is a Killer - Virginia Farver**

Dave Hodges recently interviewed Virginia Farver about the police state surveillance grid being installed at breakneck speed all across America.

The system will be powered by 5G. This is reckless and very dangerous. Your cell phone has become a major impediment to your health, not to mention your privacy. The Intellistreet light poles spy on you. Every traffic cam recognizes you. Every move you make, the police state surveillance grid is stalking you.
