Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Listener Question: How in the world is it possible for a true believer and follower of the One true God to be abducted by aliens?? I do not believe that this would happen to a true follower of Yeshua. It would not make sense for Him to allow us to be used and abused by Satan like this. We have His protection.

I think there is the possibility that abductees have been programmed to think that they have been abducted by aliens, especially considering that the military is involved.

Scott Johnson's Response: I do not think the vast majority are actually born again Christians but nominal Christians who had exposure to Christianity at some point in their life and when the abduction process started the one thing that came into their mind was to cry out to Jesus and the abduction process stopped dead cold. See: [Alien Abduction Termination Case Files - CE4 Research Testimonies](#)

I would hope that afterward many of them became true Christians as a result of seeing the power of God.

Subject: **Listener Update: Possible Hybrid Sighting in Australia**

Hi Dr. Johnson, I just wanted to let you know about a strange sighting my husband and I had last month at a shopping center in Townsville, Australia. **As we were walking in, there was a group of people coming our way to walk out. It was 3 normal guys with 2 very weird looking women. The 2 women looked very much like each other except that one was blonde and one was a brunette. They were well over 6 feet tall. They were incredibly skinny, too skinny to be normal, their body proportions were not right at all as their legs and arms were way too long for their bodies, their skin was extremely pale and looked like rubber. They also had a strange gate to their walk. The guys were normal average looking men and these 2 women towered over them. The 3 men seemed to be very comfortable being with them.**

As soon as they passed by my husband and me I turned to look at him and he immediately said was he thought those were hybrids. I looked around to see if anyone else was looking and them and

showing any signs of noticing their obvious strangeness but no one else was looking at them, which I found quite weird as it seemed only my husband and I noticed their obvious disproportionate body proportions and skin.

I was wondering if you have knowledge of a medical condition which would cause a human being to look like this or if you have ever seen yourself or heard of sightings of beings which looked like this and if so, what are they said to be. It's too bad we saw them so quickly and had no time to react before they went by us or I would have rebuked them silently in Jesus name to see if they shapeshifted or reacted in some way. My husband has also been seeing and is being attacked by demons a lot more lately.

God bless, Debbie

No I personally don't know of a medical diagnosis that could cause those conditions to that extreme.

According to: Aliens Walk Among Us Hybridization Program 1100 Documented Abductions Dr David Jacobs you are right on. I played a whole bunch of clips from his audio book in the last alien study I did. Did they look like the girl here?: <https://youtu.be/LY9MRBsaENg?t=2m17s> True hybrids would be 1/2 alien and 1/2 human and would stick out really bad in public but they mind control the vast majority of the population so you don't notice them (unless you are a saved Christian who is awake to this kind of stuff). This was probably a beta test to see how much 'they could get away with. The men were most likely abductees that were their liaisons/sexual partners on earth and/or they might have been what Dr. David Jacobs (cited above) are called hubrids (which is like a 1/4 alien 3/4 human so they can look normal). Hubrids are usually handlers of the human abductees and liaisons for aliens/devils..

Yes they did remind me of that girl but they looked even more like an adult version of the hybrid child photo I attached here. What also convinced us that they weren't human was that if it had been just one, maybe we could attribute it to some sort of abnormality and genetic defect but they were two and looked almost identical to each

other with different hair color. **Yes they were probably clones from the same paternal and maternal sources, so they looked the same.**

Another thing we found odd was that as I told you, we were the only ones in the crowded shopping center who seemed to notice them as I immediately started looking at everyone around to see if anyone else had noticed them and no one else appeared to have done so. To say the truth, when I saw that no one else around had noticed them, I thought maybe it was my imagination just seeing two very tall, anorexic, and pale women walking as more distorted than they really were. **Yes this shows the level of mind control they possess even in public places. Two of them would have been able to multiple the mind control efforts.** But right then I looked at my husband who also looked at me at that moment and when I expressed to him that those women looked freaky, he immediately told me that he thought they were hybrids. I was very relieved to find that he noticed it too and I asked him

what exactly he saw. He gave me the exact description I gave you of them so then I knew for sure it wasn't my imagination. Thanks for explaining why apparently no one else noticed them. As I told you before, my husband has been having a lot of nightly demonic encounters lately and I just made the connection that this also started about a month ago and after that sighting. **Yes 'they' know you saw them so they are targeting you. Psalm 64 is important for your protection.** I was wondering if it could have anything to do with that. I was actually the first of us who began having demonic encounters shortly after becoming saved 8 years ago. I also used to have a lot more experiences and attacks than he did. However, lately he's been able to feel and see demons (which he always commands in Jesus' name to go the abyss) many times right in front of me and I haven't had the ability to see them or even feel their presence for quite some time now. I was wondering if it had to do because my husband has a lot more faith than I do. **Well if they feel he is the bigger threat of the both of you, they may be targeting him more. I really think in the end when these things are literally engaged, it will be primarily men doing this. I mean in the Bible the men out went to war and in the promised land the men fought the giants. This is a warrior mindset that is intrinsic in many men, but less and less with all the ways men are being feminized (all of this is by design). I mean I am praying for the day I can literally engage these things. Just chomping at the bit, for years.** I'm a very naturally fearful person and honestly don't have nearly as much faith as him or as I should have and lately I've become more fearful of life in general as all this wickedness and demonic activity progresses so greatly. I was wondering if it's this fear and lack of faith which is keeping me from being able to experience everything that my husband is experiencing? **I would again defer to the answer I just gave above. See the attachments for many more things you can do to arm yourself though.** Thank you and God bless. Debbie

Corey Goode on Nordic Extraterrestrials working with Religious Leaders for Disclosure

Warning this is coming from a New Age source:

The following answers were received from Corey Goode on June 26 in response to questions I sent to him about information he shared recently in [an article about the Vatican being involved in an extraterrestrial disclosure initiative. In his responses, he provides further details about what he has been told by multiple sources about ongoing events involving the Vatican, Nordic extraterrestrials and a US Air Force run secret space program. More recently, on June 14, the](#)

Vatican succeeded in having a diverse collection of world religious leaders come together in an extraordinary appeal for friendship and unity. This, as described in [my June 22 article, "World Religions Unite as Prelude to Extraterrestrial Disclosure"](#), is something to be welcomed.

As such, a new cosmic religion with the Vatican and all other major religious traditions cooperating with Nordic extraterrestrials does appear very plausible. Indeed, the very rapid adoption of up to 90% of humanity into the new faith described by Goode appears very possible. There would certainly be a collapse of traditional belief systems with the open

appearance of the Nordics, and the revelation of how much humanity was lied to over the last century by the global elite.

I have to date communicated with three Information Technology experts who have corroborated Goode's professional IT background, and they added that he continues to be highly regarded. In all, five IT professionals have vouched for Goode, four of whom have provided recommendations listed in Goode's [LinkedIn account](#). What this information clearly shows is that Goode was indeed a highly respected IT professional before going public in 2014 with his extraordinary whistleblower claims.

This does not prove any of Goode's remarkable statements about secret space programs, but it does establish his credibility as a whistleblower whose information deserves serious scrutiny. Since coming forward, irreparable damage has been done to his prospects of working in the IT industry again. *What follows adds important information about the role of the Vatican and the U.S. Air Force in impending disclosure initiatives involving Nordic (human looking) extraterrestrials.*

Q2. What do you know of the Nordic extraterrestrials working with the religious community and why does Ka Aree consider them "brothers and sisters in the Confederation?"

Ka Aree stated that the Nordics have worked with Humanity for a very long time. They have mostly worked quietly in the background, but do pop up in historical documents referenced as "Angels". They would directly interact with certain groups within the Military and Government (including the founding fathers of the United States) as well as with various religious leaders. They have been heavily involved in developing Humanity in a number of ways.

First they (& other races) began to manipulate our DNA to assist in the ability to use speech and to have higher cognitive abilities. Then they developed civilization and base religions with humanity. During this time, Humanity began another important stage of our evolution. The Industrial and Technological Booms were assisted by a number of races including the Nordics. From the beginning these groups were manicuring our consciousness through belief systems and religions.

New belief systems and religions have been crafted by these groups (the Nordics in particular) up until the present day.

Q3. What were you told about the contents of an extraterrestrial disclosure announcement in terms of why it would become the basis for a new world religion?

After these beings are introduced, they expect the public will have a lot of questions about the ET's.

The ET's beliefs and knowledge of the Universe and God would be among the top questions. At this point these beings are expected to share a newly crafted belief system that is based on the ET's true belief system. These beings will be doing this to help Humanity from the ET perspective.

Q4. You say 90% of people will adopt the new religion quickly. Were you told why it would happen so quickly?

It is expected that most will question their belief systems in the first few years of an introduction to ET's. Humanity will understand how little we know and will be reaching out to these new "friends" for assistance and answers. This sets up a situation for the majority of people on the

planet to adopt a similar belief system that gets them away from the current division.

Q5. What do you know of such an extraterrestrial disclosure announcement being preceded by disclosure of a Military Industrial Complex Secret Space Program?

The MIC SSP (Air Force/NSA etc...) have been preparing for the disclosure of their program. I have not heard of them doing this in tandem with an ET announcement other than the Antarctic ruins being

disclosed along with more “Ancient Alien” artifacts around the Solar System. This narrative was supposed to first disclose ET’s, but only that the ET’s were here thousands of years ago only. **The MIC SSP disclosure was originally going to be done among the Project Blue Beam scenario.** It has most recently been talked about in the context of revealing an ancient alien presence in our Solar System. The meeting of the ET’s could occur after the SSP Disclosure.

Is the Vatican working with US Military Intelligence for Extraterrestrial Disclosure?

According secret space program whistleblower, Corey Goode, Pope Francis and other world leaders have been contacted by a group of four human-looking extraterrestrial civilizations that are encouraging them to unify as a prelude to the establishment of a new global religion. The second development was the synchronistic June 14 release of an alleged Majestic-12 Document describing four groups of extraterrestrials known to the military intelligence community, including one that is human-looking and friendly. **It states that formal diplomatic relations began with the human-looking group during the Eisenhower administration, and secretly continues to the present day.**

When it comes to the role of the Vatican and extraterrestrial life, it is important to point out that the Catholic Church has long played a leading role in secret diplomatic relations with extraterrestrials, dating back at least from the post-World War II era. This has involved high-level cooperation with the U.S. military intelligence community.

In February 1954, Cardinal Francis MacIntyre represented the Catholic Church at the first official meeting with human-looking extraterrestrials [called “Etherians” at the time] that occurred at Edwards Air Force Base. The meeting was described at length by a leading metaphysical teacher at the time, Mead Layne, and is worth repeating in full:

Will Dalai Lama Join Pope Francis in Disclosing Extraterrestrial Life?

On June 14, 2017, Pope Francis joined the Dalai Lama and other world religious leaders in a joint statement promoting friendship and unity among diverse faiths. The joint statement emerged around the same time as claims began circulating that the Pope was involved in a secret initiative with two other religious leaders to disclose the existence of human looking extraterrestrials.

According to Secret Space Program insider, Corey Goode, he has received briefings from a multiple reliable sources, **that the Pope and two other religious leaders are planning to appear together publicly alongside a human looking extraterrestrial.**

An idea of how the US government may present its historic association with such visitors can be found in a leaked 1989 Defense Intelligence Agency document. While its authenticity is disputed, there are firm reasons to believe that it contains much factually accurate information.

There is good reason to believe that the Vatican and the Defense Intelligence Agency are covertly cooperating in preparing the public for disclosure of the friendly human-looking extraterrestrial visitors.

While Goode did not disclose who the other two religious leaders might be in the planned disclosure initiative, a 2013 lecture from the Dalai Lama strongly hints that he would play a prominent role in such an announcement.

Speaking on the topic of “Universal Responsibility and the Inner Environment” at the University of Portland on May 9, 2013, the Dalai Lama made the following comment:

Eventually, if we receive some visitor from another galaxy come, Look: same human being. Maybe a little different sort of shapes, but basically the same. The furthermore [it is the] same sentient being. Respect them. Look at them. It’s the same sentient being. We can immediately shake hands[s] if they have some sort of similar hand there, then we can shake hand[s]. If we put too much emphasis [on] “We are human being[s] on this planet”, then someone from the outside comes, a stranger... That creates anxiety, more fear.

The Dalai Lama's emphasis on "sameness" or "oneness" is very significant in terms of understanding the role he would play in shaping world opinion on visiting extraterrestrial life.

If the scenario described to Goode is accurate, then the Pope, alongside the Dalai Lama, and a third religious leader (likely a prominent Muslim leader such as Shawki Allam, the Grand Mufti of Egypt, who also participated in the Unity and Friendship statement), could well soon disclose to the world the existence of human looking extraterrestrial life.
