Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

++ 28 dead after shooting at Sutherland Springs church--Another Brutal Massacre Carried Out In Texas Against Christian Patriots **State of the Nation**

It's no surprise that such an event took place on this long anticipated weekend. That this senseless slaughter occurred in Texas country is also not unexpected, unfortunately. Our sincere condolences go to the great people of the Lone Star State, and especially to those families affected by this terrible tragedy. [28 dead after shooting at Sutherland Springs church](#)

AntiFa and their terrorist co-conspirators have made it clear that the hot phase of the Purple Revolution would commence this weekend.

Actually, the hot phase of their seditious rebellion began with the Mandalay Massacre in Las Vegas on another Sunday on October 1.

Did the perps intentionally choose the Lord's Day to perpetrate these horrific mass casualty events? If so, this can only be the product of a totally godless movement that is typical of communist revolutions. Russia was terrorized by the same tactics and strategy during the Bolshevik Revolution of 1917, exactly 100 years ago.

The globalists know that there is only one way to effectively take over any nation; and that is to terrorize the population with a steady stream of mass shootings, bombings, wildfires via arson, as well as other manmade disasters and fake natural catastrophes. For example:

[CALIFORNIA WILDFIRES: Geengineered Firestorms Terrorize to Advance the Agenda\(s\)](#)

This has always been their MO, and it's unlikely to change at this late date. **Their methods have been tried and tested over millennia. Generating maximum fear is the NWO cabal's primary technique to scare a populace into total submission.**

After all, when one is not even safe praying with their church congregation on Sunday, what is safe anymore?!

The globalists have already shot up and fire-bombed many other churches, both full of parishioners and empty. They have shot up their fair share of malls and corporate offices, homes and apartment complexes, college campuses and elementary schools.

We are dealing with real demonic characters here who are way beyond criminally insane psychopaths. They place no value on human life, except those that they deliberately take to advance their malevolent agenda.

After the Vegas massacre it's clear that law enforcement, both local and national, is incapable of protecting the U.S. citizenry. In the case of the FBI, it's apparent that they will spend more time covering up mass shooting plots than exposing them.

Perhaps the following article explains why this was the case in Vegas, as it has been for numerous false flag operations over the years. [30 FBI Agents checked into Mandalay Bay Hotel 1-2 days before Vegas shooting?](#)

The bottom line here is that something has to change — FAST — or else those responsible will simply continue this "Chinese water torture" on the American people. There will then come a day when the citizenry will relinquish all their rights and liberties for the sake of protection ... from the very government that commits these false flag black operations and psyops. Be sure to read: ["FALSE FLAGS" are LEGAL PROPAGANDA PRODUCED by the Department of Defense](#)

As always, this mass shooting was also about taking away the guns. The globalists are determined to vacate the Second Amendment.

The *New World Order* agenda can only be fully implemented after Americans are stripped of their weapons. The planned One World Government simply cannot be established until gun rights in the USA are revoked.

This is the greatest impediment for the NWO cabal, and they will continue to carry out MCIs (mass casualty incidents) until the American people are sufficiently softened up. Therefore, it's imperative that every patriot and gun advocate keep the pressure on their federal and state representatives to preserve the 2nd Amendment.

There is now a very stealthy movement afoot to surreptitiously ban guns, blue state by blue state. When this phase of their insidious scheme is completed, they will then go after the red states. They know that, after a certain number of shocking mass shootings, people everywhere will become numb and simply give up.

The incidence of mass casualty events is quickly increasing. There is every indication that this is the form that the CIA-directed color revolution (read: civil war) will take. The leadership of the Left is comprised of cold-blooded cowards and would never expose themselves unnecessarily. They always look to others to do their dirty work.

George Soros, Barack Obama, Hillary Clinton, Bill Clinton, John Podesta, Nancy Pelosi, Maxine Waters, Chuck Schumer, Adam Schiff, Eric Holder, Loretta Lynch, et al. are just a few of the co-conspirators who are determined to overthrow the US Republic. These traitors will utilize every terrorist method to achieve their goal, just as they will employ any terrorist who is mercenary enough to kill for the ongoing *Purple Revolution*. [BEWARE: The Purple Revolution Comes To America](#)

Because of the degree of involvement of *Deep State* on the American battlefield, it's really critical that each and every patriot stay vigilant. Any sign of trouble needs to be spread across cyber-space as soon as it appears. Local communities need to bond as never before, particularly in the small towns and rural areas like Sutherland Springs, Texas.

The nation is truly at an historic juncture. The forces at work are so powerful and so many that only the *Highest Power* can see US through this tunnel of darkness. Hence, if ever there was a time to put one's hands together and pray — fervently — this is it.

H.J.Res.104 — 102nd Congress (1991-1992)

03/20/1991: Became Public Law No: 102-14.

A Jewish website, www.NoahideNations.com, states that the worship of any deity other than God, which includes Jesus Christ, is idolatry. The penalty for idolatry is decapitation.

Moses Maimonides is recognized for his preeminence as a Jewish philosopher. Maimonides' Mishnah Torah, Chapter 10 of the English translation, states concerning Jesus Christ: "It is a mitzvah (religious command or duty), however, to eradicate Jewish traitors, minim (Gentiles = non-Jews), and apikorsim (secular Jews), and to cause them to descend to the pit of destruction, since they cause difficulty to the Jews and sway the people away from God, as did Jesus of Nazareth and his students, and Tzadok, Baithos, and their students. May the name of the wicked rot." Sanh.57A of the Talmud states the penalty for disobedience, with these words: "One additional element of greater severity is that violation of any one of the seven laws subjects the Noahide to capital punishment by decapitation."

See Scott Johnson's Teaching: [The Blasphemous Talmud and the Hebrew Roots Movement/Messianic Jews/Christian Zionists](#)

9/9/2007 <http://www.despatch.cth.com.au/Despatch/Jews05.htm>

The blasphemous Talmud is declared by the religious Jews to be from God, totally binding and authoritative. Many supposed Christians who call themselves Messianic Jews, Hebrew Roots, Christian Zionists incorporate the Talmud into their religious practices. Most Jewish & Messianic Rabbi's consider the Talmud higher in authority than the Old Testament! There are two main Talmud's, the Palestine Talmud and the second, the Babylonian Talmud. We will be looking at many direct quotes from the Talmud including: 'Christians are allied with Hell, and Christianity is worse than incest'. (Abodah Zarah 17a, p.85). 'WHEN MESSIAH COMES HE WILL DESTROY THE CHRISTIANS'. (Sanhedrin 99a,p.668). 'Those who read the Gospels are doomed to Hell'. (Sanhedrin 90a, 100b, pp.601-602, 680). 'It is permitted to have sexual intercourse with a girl three years old and one day' (Sanhedrin 55b,p.376). We will also be doing a Bible study to totally debunk the notion that a Christian has to adhere to Jewish traditions to be saved and/or to be right with the Lord Jesus Christ. Titus 1:14: 'Not giving heed to Jewish fables, and commandments of men, that turn from the truth.'

Deadly airborne plague in Madagascar is now at 'crisis' point and the 'worst outbreak in 50 years' as cases rocket by almost 40% in just 5 DAYS and could hit a further 20,000 in weeks

By Stephen Matthews For Mailonline **Published: 12:38 EDT, 2 November 2017**

The deadly airborne plague spreading rapidly across Madagascar is now at 'crisis' point as cases have rocketed by 37 per cent in just five days, official figures reveal.

The outbreak, the 'worst in 50 years', is being fueled by a strain more lethal than the one which usually strikes the country off the coast of Africa.

The World Health Organization (WHO) now states there are 1,801 suspected cases - significantly higher than the 1,309 it reported last Thursday.

Academics have revealed such a jump in cases over the period of five days is concerning and have predicted it could get worse. The most recent statistics show there have been 127 deaths.

Professor Robin May, an infectious diseases expert at Birmingham University, told MailOnline that 'whichever way you look' at the outbreak, it's 'concerning definitely'.

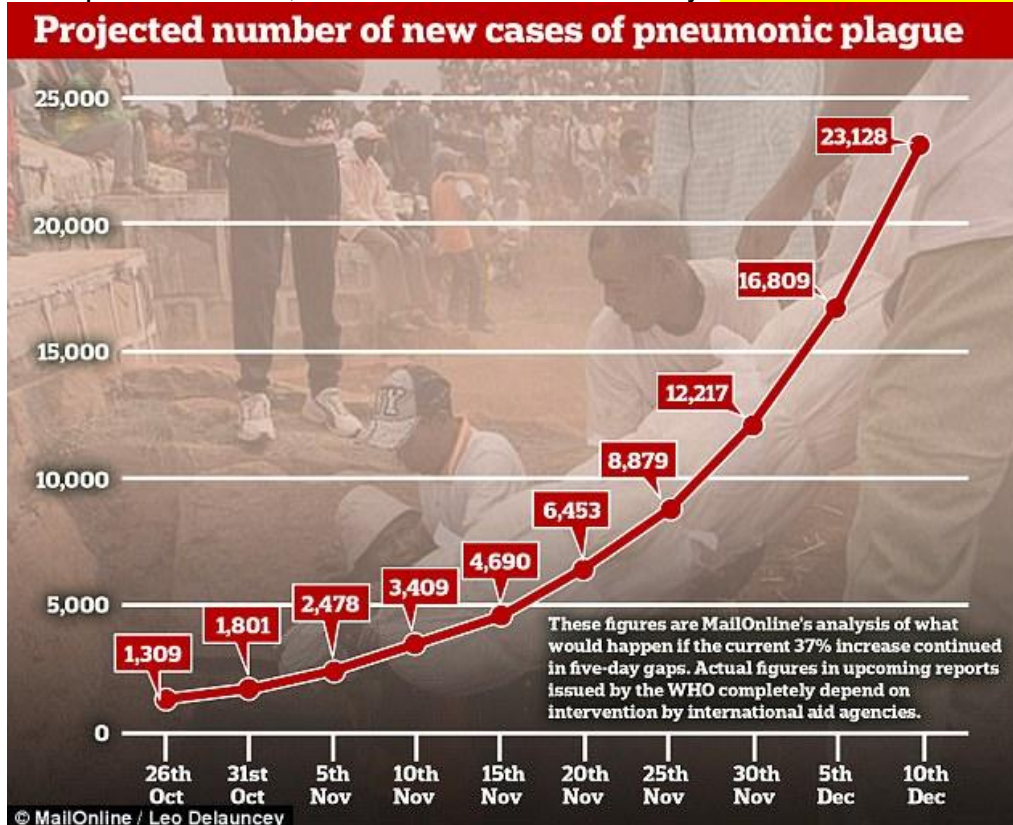

Analysis of figures by MailOnline **show the epidemic could strike a further 20,000 people in just a matter of weeks, if current trends continue. It could be made worse by crowds gathering for an annual celebration to honour the dead earlier this week.**

The 'truly unprecedented' outbreak has prompted warnings in nine nearby countries - South Africa, Seychelles, La Reunion, Mozambique, Tanzania, Kenya, Ethiopia, Comoros and Mauritius.

Two thirds of this year's cases have been caused by the airborne pneumonic plague and means it is spread through coughing, sneezing or spitting. It is different to the traditional bubonic form that strikes the country each year.

Speaking exclusively to MailOnline, Professor Johnjoe McFadden, an expert in molecular genetics at the University of Surrey, said: 'It's a crisis at the moment and we don't know how bad it's going to get.'

Professor Jimmy Whitworth, an international public health scientist at the London School of Hygiene & Tropical Medicine, told MailOnline earlier today: 'This outbreak is the worst for 50 years or more.'

Analysis of figures by MailOnline show the plague epidemic in Madagascar could strike a further 20,000 people in just a matter of weeks, if current trends continue

Nearby nations have been placed on high

Officials in Madagascar have warned residents not to exhume bodies of dead loved ones and dance with them because the bizarre ritual can cause outbreaks of plague. Plague season hits Madagascar each year and still has six months to run, however, this year's outbreak has seen triple the amount of cases that was expected.

This year's outbreak has started earlier as forest fires have driven rats into rural communities, which has then spread into cities for the first time, local reports state.

It comes amid warnings annual celebrations to honour the dead saw large crowds gather in cities, increasing the risk of infection.

All Saints Day, otherwise known as the 'Day of the Dead', is a public holiday which takes place on November 1 each year, sees families often gathering at local cemeteries.

In Madagascar, the sacred ritual sees families exhume the remains of dead relatives, rewrap them in fresh cloth and dance with the corpses

Concerned humanitarians have opened a clinic attached to a major hospital in the country's capital in a desperate attempt to contain the plague outbreak.

The International Federation of Red Cross has set-up a makeshift treatment clinic as well.

People carry a body wrapped in a sheet after taking it out from a crypt, as they take part in a funerary tradition called the Famadihana.

Bubonic plague, which is transmitted by flea bites and was responsible for the 'Black Death' in the 14th century, which killed 100 million people.

If left untreated, the Yersinia pestis bacteria can reach the lungs. This is where it turns

pneumonic – described as the 'deadliest and most rapid form of plague'.

Pneumonic, which is much more serious, is spread through coughing, sneezing or spitting and can kill within 24 hours if untreated.

Health officials are unsure how this year's outbreak began, but local media report that forest fires have driven rats towards rural communities.

This is believed to have been the start of the bubonic outbreak, which then develops into the more virulent pneumonic form which spreads rapidly without treatment.

PLAGUE (all forms)

Invive Mild Silver Protein 5000ppm 1 TBL t.i.d. until symptoms under control then 1 TBL per day

BUBONIC PLAGUE

Invive Mild Silver Protein 5000ppm - 1 TBL t.i.d. for 8 to 24 days then 1 TBL b.i.d. until asymptomatic then 1 TBL per day for 60 to 90 days

Invive Mild Silver Protein: The Ultimate Immune System Product For Colds, Flu's and Infections. Website: <http://www.dr-johnson.com/>

The March 1978 issue of Science Digest, in an article, 'Our Mightiest Germ Fighter,' reported: . . . "An antibiotic kills perhaps a half-dozen different disease organisms, but silver kills some 650. Resistant strains fail to develop."

"Colloidal Silver . . . killed every virus that was tested in the lab," UCLA Medical Center

For lung infections nebulize 100ppm Invive Mild Silver Protein directly into the lung fields for 3-4 minute intervals several times per day. If you want to make a 100ppm solution (and you have a 5000ppm bottle) just divide 5000 by 100 to get: 50. So you would add 50 parts distilled water to 1 part 5000ppm to make a 100ppm solution.

Now with a **sinus infection** the best way to directly go after this is to get any nasal spray atomizer bottle (**Like this one:** <http://sparknaturals.com/index.php/accessories/1oz-blue-glass-nasal-sprayer.html>) and add 500ppm silver to the bottle. Now to make the 500ppm just add 10 parts distilled water to one part 5000ppm. This will be the strength you use in a nasal spray bottle. One drop of eucalyptus oil to this 500ppm solution is also very good for nasal use. When you use the 500ppm in the nasal spray bottle make sure you tip your head back and spray 3-5 times per nasal passage. You can do this several times per day. You would also want to take 1/4 tsp. of the 5000ppm held under the tongue 3 times a day until you are doing better.

For **Otitis Media (ear infections)** (if your ear drops are not ruptured) you need to dilute the Invive Silver to 500ppm for the ear drops. To make this strength from 5000ppm just add 10 drops of distilled water to every one drop of 5000ppm. Use 3-4 drops in each ear 2-3 times per day till better. In reality I really like just plain old 3% Hydrogen Peroxide for ear infections 2-3 drops in each ear. Tilt the head and hold this dose in each ear for 1-2 minutes before tilting your head back. It will bubble and be quite loud and may burn a little so sometimes children are afraid of the Hydrogen Peroxide whereas the silver should not bubble or hurt at all. For an 8 year old I would administer the 5000ppm silver under the tongue 15-20 drops 3 times a day (hold for 2-3 minutes then swallow) to treat the ear infection internally as well.

For an **eye infection like Pink Eye** only use the 50ppm Invive Mild Silver Protein Strength. One drop in each eye 3-4 times a day typically works wonders.

To make the **AG Cream (AKA Silver Cream)** get some Aloe Vera gel and add drops of the 5,000 ppm silver to the gel to the point just before it starts to liquefy.

Invive Silver Dosing Chart for children/babies

Maximum dosage in case of a severe infection: 5 cc's of the 5000ppm Invive Mild Silver Protein per 30 lbs Bodyweight. 5cc = 1tsp.

That means a 30 lb. child receives 5 cc in total per day, **in divided doses** of 1.2 cc q.i.d. (or 4 times a day)

A 10 lb. baby receives 2 cc **in total per day**, in divided doses of 1.6 cc total per day.

In this case (2cc's) that means 7 (drops) Q.I.D. (or 4 times a day)

Q.I.D.= 28 drops total per day divided by 4 = 7 minims (drops) sublingually every 6 hours.

Mild Silver Protein Website: www.dr-johnson.com

Start up dosage if a high amount of infection or yeast is suspected: Mild Silver Protein (5000 - 1100 PPM): This product does not taste good but it is vitally necessary for your success. To help the taste one drop of Peppermint Oil can be applied to your tongue prior to dosing the silver. I recommend 'Now Organic Peppermint Oil' which you can easily find online. You need to hold each dosage of silver under the tongue/cheeks for at least one minute (preferably 2-3 minutes). This gets it into your blood stream. There is some information you need to know on the label but initially follow the dosage I recommend on this sheet. Also remember that this product will leave a film on your teeth that can easily be dealt with by brushing your teeth after you have swallowed a given dosage. Important: Start by taking 1-2 drops of the mild silver protein under the tongue twice per day. If you feel alright, double the dose the next day. Keep doubling the dosage until you are at 1/2 tsp twice a day. The reason you need to do this is if you have a problem with Yeast/Candida; which is a high likelihood in most cases.

Remember you may feel worse before you get better. That is quite common and part of the healing process. Because the Mild Silver Protein is so effective against yeast infections; one can only start out at the following dosage "if" one has a systemic (full blown/rampant) Yeast/Candida infection: If you are unsure play it safe and start with the dosages below:

1st day- 1-2 (drops) twice a day

2nd day- 4 (drops) twice a day

3rd day- 8 (drops) twice a day

4th day- 16 (drops) twice a day

5th day- 1/4 tsp. twice a day

6th day- 1/2 tsp. twice a day

Maintain this dosage for 3-4 more days and then go to a maintenance dosage of 10-15 drops per day. If at anytime (during the 6 days mentioned above) one starts having extreme flu-like symptoms, (which is due to the healing crisis of toxins given off by the dying bacteria (NOT by the silver): One must hold at the above dosage and not move onto the next level until the flu-like/detoxification symptoms are gone. The proof is: Give this silver to a healthy person and nothing (as far as symptoms) will occur. If you have any questions please feel free to email Dr. Johnson at: drjohnson@ix.netcom.com
