**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reproved are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

### ++ Bible Verses From Proverbs 10

**Pro 10:2** Treasures of wickedness profit nothing: **but righteousness delivereth from death.**

**Pro 10:3** The LORD will not suffer the soul of the righteous to famish: but he casteth away the substance of the wicked.

**Pro 10:11** The mouth of a righteous *man is* a well of life: but violence covereth the mouth of the wicked.

**Pro 10:14** Wise *men lay up knowledge:* but the mouth of the foolish *is* near destruction.

**Pro 10:16** The labour of the righteous *tendeth to life:* the fruit of the wicked to sin.

**Pro 10:25** As the whirlwind passeth, so *is* the wicked no *more:* but the righteous *is* an everlasting foundation.

**Pro 10:27** The fear of the LORD prolongeth days: but the years of the wicked shall be shortened.

### **++ Commentary--Trump Has No Choice! Countercoup Must Go 'Nuclear'!**

Sunday, December 3, 2017 [State of the Nation](#) **THE MILLENNIUM REPORT** Trump has only ONE response to the ongoing soft coup being run by rogue elements within the U.S. Intelligence Community: A Military Response

“President Trump is facing a full-blown coup d’état, sooner or later. The treasonous co-conspirators are setting up the country so as to spring into action on several fronts. When they execute the final push will be determined more by sheer desperation than anything else. They really don’t want to overthrow Trump violently, but will eventually feel the absolute necessity to do so. This will be their only way to stay out of prison. Here’s the real problem for the POTUS: He can only trigger a military solution when all of his ducks are in a row. Should Trump act prematurely, his success will be put in jeopardy. Should he act too late, his administration will be in grave danger.”

— Former U.S. Military Officer and Intelligence Analyst

### **Trump pulls U.S. out of United Nations Global Compact on Migration**

Sunday, December 3, 2017  
The US decides — that the “rights” of invaders do not supersede the rights of American citizens. US quits UN global compact on migration, says it’ll set its own policy

By Faith Karimi, CNN, December 3, 2017:

(CNN) The United States notified the United Nations that it will no longer take part in the global compact on migration, saying it undermines the nation’s sovereignty.

The US has been a part of the New York Declaration for Refugees and Migrants since it was formed last year. The declaration aims to ensure the rights of migrants, help them resettle and provide them with access to education and jobs.

It calls for the negotiation of a global compact on migration, which is expected to be adopted next year.

In explaining its withdrawal Saturday, the US said the pact contains provisions that are inconsistent with the nation's immigration policies.

While the US is proud of its leadership on migration and refugee issues, the global approach is not compatible with the nation's sovereignty, according to Nikki Haley, the US ambassador to the UN.

## **Cops & Gov't Workers Arrested in Massive Sting, People Buying Kids as Young as 4 for Sex**

Sunday, December 3, 2017 7:02

by Matt Agorist, [The Free Thought Project](#):

A massive sting targeting society's worst, who prey on children, ensnared scores of people including a police officer, postal worker, and a teacher.

Trenton, NJ — Scores of people were arrested this week in a multi-agency sting that targeted child predators. "Operation Safety Net" was led by the New Jersey Regional Internet Crimes Against Children Task Force and took down 79 predators, some of whom were attempting to purchase children as young as 4-years-old for sex.

**Setting this sting apart from the multiple other stings throughout the country is the fact that it concentrated solely on children instead of simply busting willing adults paying for consensual sex. Concentrating law enforcement efforts on stopping those who go after children is a much more effective and moral crusade than busting consenting adults for sex.**

Operation Safety Net ensnared some of the region's vilest child predators who Attorney General Christopher S. Porrino's office called "hands-on" offenders. According to [NBC 10](#), these sickos included George Castillo, 36, of Inglewood, California, who authorities said asked undercover police detectives to send a 4-year-old girl and a 9-year-old girl to Los Angeles for sex.

**[READ MORE: Pentagon Caught Blocking Report on Child Sex Abuse by US Allies as Troops Forced Not to Report It](#)**

To illustrate just how wide-spread the problem is, **law enforcement arrested at least one person in every single county in the state**, as well as some from out of state. It wasn't just basement dwellers and recluses who were busted either. Included in the 79 arrests was a police officer from Trenton—Paul Marinelli, a 20 year veteran of the department—a teacher, a postal worker, and multiple successful IT professionals.

**Back to the main report:** For those who are unaware, the Trump administration has been the target of a slow motion coup d'état sometimes referred to as the **Purple Revolution**.

**BEWARE: The Purple Revolution Comes To America...**

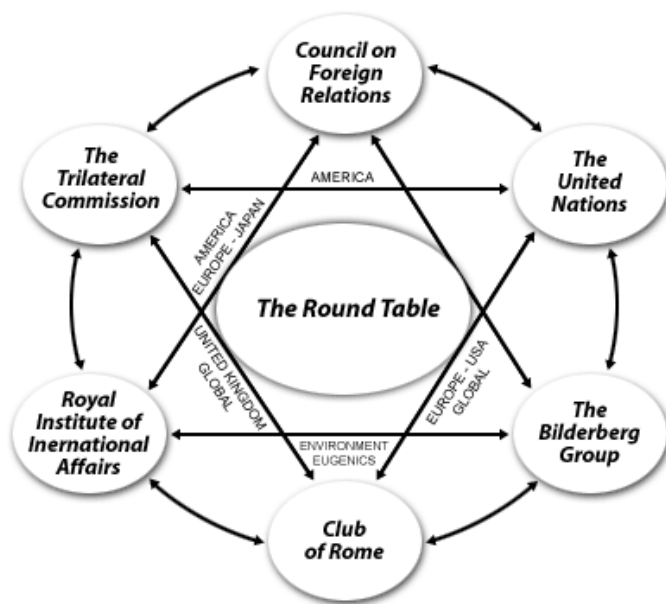

**...Courtesy of George Soros, the Clinton Crime Family, and the Obama Administration**

Most of the leaders of this stealthy insurrection are unknown and working deep within the U.S. Intelligence Community. Others, such as former CIA Director John Brennan, former Director of National Intelligence James Clapper, former Director of the

National Security Agency, Principal Deputy Director of National Intelligence, and Director of the Central Intelligence

Agency Michael Hayden, as well as former CIA Deputy Director and Acting Director Michael Morell are highly visible leaders of the coup faction.

However, it is the countless agents of **Deep State** who populate the **Zio-Anglo-American Intelligence Community** that pose the real problem. In this

regard, it's virtually impossible to determine who is really serving the POTUS, and who is working against him.

**The C.I.A. Literally Controls EVERYTHING ... Even Deep State**

Inasmuch as the C.I.A. completely controls the **Mainstream Media (MSM)**, they have conscripted all of the largest news outlets to attack Trump 24/7. Likewise, the C.I.A. has enlisted the aid of every major globalist organization in the world to take down Trump. You name them: the Council on Foreign Relations, the Bilderberg Group and the Trilateral Commission. The Committee of 300, The Royal Institute of International Affairs and the United Nations. The reality is that the full weight of the all-powerful **Round Table** is stacked heavily against the Trump Administration.

Add to the truncated list of power-players above all the secret societies and think tanks, NGOs (esp. Soros-funded) and Fortune 500 Companies, and the challenges become even more formidable. Particularly when you consider the pervasive influence of Silicon Valley and Hollywood that is squarely aimed against him, does Trump's predicament come into sharp relief.

The salient point is that the entire **System** has assumed an extremely aggressive posture toward the POTUS. Hence, Trump is compelled to formulate a counter-coup game plan that is infallible. He has absolutely NO wiggle room between his rock and hard place. And, there is no precedent for him to consider for comparison's sake. **History provides absolutely no parallel to Trump's plight in**

2017/2018 on planet Earth. (The Internet has created a whole new universe known as cyberspace where this war is really being fought.)

However, in order to decisively take down the *Deep State* and terminate the Central Intelligence Agency, Trump will have to think through every single part of what will have to be a perfectly controlled demolition. **This can only be achieved by utilizing all 5 branches of the U.S. Armed Forces.**

Many throughout the truth movement (and especially the Trump movement) have questioned the lack of arrests of known traitors. Many now knows who has committed acts of naked treason against the American Republic. And, yet, no one has been taken into custody or even indicted. Many are also aware of the horrific crimes being committed regularly against our children by the same bad actors. And in Washington, DC, no less!

[PIZZAGATE: A Special Report on the Washington, D.C. Pedophilia Scandal](#)

Any such move – mass arrest of the traitors – can only be conducted when “**everything is in good order**” since it will immediately precipitate a severe reaction from *Deep State*. Their (TPTB) predictable and overwhelming self-protective response could range from anything to everything. Yeah, that’s just how volatile and precarious this situation has become, and it’s rapidly intensifying by the week.

The practical reality is that the longer that Trump is in the Oval Office, the more time he has to acquire the necessary intelligence on every single conspirator who is participating in the **Purple Revolution**, past and present. **With this vital data, he is able to simultaneously arrest all the plotters and decision-makers, as well as the numerous insurrectionists on the ground and their mid-level handlers.**

The entire Democratic Party (especially the DNC); the Soros, Clintons, Obamas, Bidens and Podestas; the sultans of Silicon Valley; the Hollywood moguls; the East Coast intelligentsia; the MSM organs of propaganda; as well as many rogue elements in the C.I.A. **basically have pushed this situation beyond the point of no return. All of these collaborators have worked tirelessly to cultivate an environment of “Us versus Them”— nationwide.**

By perfecting the dark arts of identity politics and the cult of personality (Obama and Hillary), they succeeded in dividing the body politic as never before. The myriad social justice warriors have likewise exploited the vulnerable demographics to the point where the various wedge issues forever divide the American people. As a result, there appears to be no common ground to stand on anymore and, therefore, no space for reconciliation.

**The grim reality is that the nation now finds itself in the midst of a civil war. Very few are aware of the gravity of the current state of affairs, but that’s where we really are. The cold phase always pre-dates the hot one. Nonetheless, if bold measures are not taken with all deliberate speed when necessary, there will soon come a time when the hot phase will rear its ugly head. The truth be told, the Las Vegas mass shooting was actually a stealth attack on the patriot movement by the Left. Country & Western music festivals are basically congregations for the Right. Those Route 91 HARVEST concert-goers were ambushed in cold blood.**

**For the good of the Republic, President Trump will be compelled to take action against the many traitors throughout the U.S. Federal Government, state**

governments and municipal governments. Whenever the barbarians are already inside the gate as they are now, there is only one alternative; they must be exposed and prosecuted for their crimes against the American people. Toward that end, Trump will be required to shut down the existing MSM (and take them over) among implementing several other radical initiatives which deny support (both material and moral) to the seditious criminal activity of these Criminals.

There is no other way to tame a Criminal Communist than to bust them upside the head with a four by four. That's the only language they understand, as **Black Lives Matter** and *AntiFa* have clearly demonstrated. The liberals have become ultra-liberal, the lefties have transformed into left-wing extremists, and progressives have morphed into hyper-progressivism so that there is no more middle ground—anywhere.

Those blue states that have Democrat-dominated statehouses, and big cities with Democratic mayors and city councils, provide graphic examples of where things have gone. When the once great state of

California has gone to hell in a handbasket, you know the writing is on the wall for the United State of America...unless the inexorable advancement of *Cultural Marxism* is short-circuited post haste. Only the POTUS can do that in the manner required.

Many have now come to their senses and understood that the USA is in serious trouble. The US government is totally dysfunctional, *Corporate America* is poised to experience a replay of the recent *Great Recession*, and civil society collapses by the day. All of these developments are directly due to the unrelenting promotion of *Cultural Marxism* by the power elite. They know that their place at the very top is secure when American society has sufficiently eroded, order has been replaced by chaos, and the economy is unstable.

Trump's most difficult challenge will be to ferret out those in positions of authority and influence who laud the nation's incremental metamorphosis into a modern-day "Sodom and Gomorrah". This extremely thorny and knotty obstacle alone appears to be insurmountable. And it just may be. Nevertheless, the only way through this period is to effectuate a sweeping change in leadership across the board. Only in this way can the *Cultural Marxists* be permanently removed from power.

The following article provides important background, the understanding of which is integral to reversing this perilous trend. [How Cultural Marxism was used to create an American "Sodom and Gomorrah"](#) Continue reading [HERE](#).

#### Special Note:

*There is only one way that President Trump can push the button on a military solution. There must be a critical mass of law-abiding patriots who stand solidly behind him. Whereas the agents of Deep State still control and/or influence much of the national security apparatus, levers of government and judicial machinery after 8 years of Obama stacking the deck, the Right controls the land. The rural country of America is as red as Georgia red clay, so the food supply and its transportation (Trump truckers) are*

exclusively controlled by the Right. They also comprise a great majority of military, ex-military and militiamen, as well as the police and sheriffs most of whom are also gun owners and hunters. The crucial point is that, as Commander-in-Chief, Trump not only commands the Armed Forces directly, he also exerts much influence on those patriots who will show up for battle should it ever come to that. The C.I.A. apparently underestimated, to a great degree, just how much leverage the POTUS really has, specifically a populist president who is also a real nationalist. As they say in the Deep South, whoever has the biggest dog, wins the fight. And there ain't a bigger DOG inside the Beltway than Donald J. Trump.

### **Pizzagate & Pedogate**

Trump has two trump cards that he's holding close to the vest.

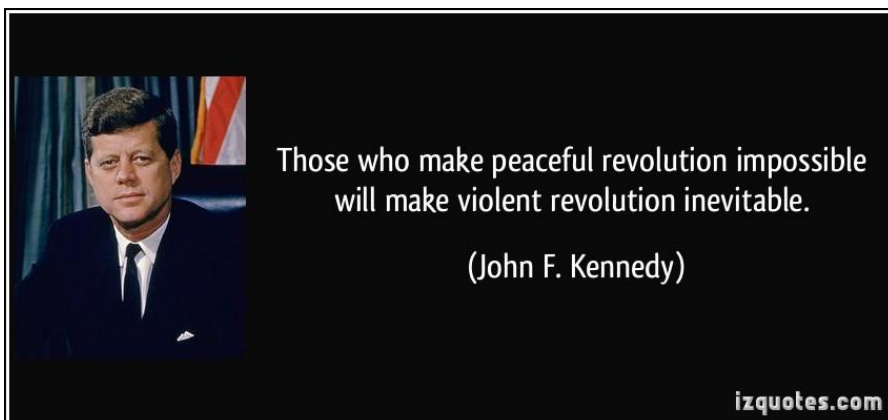

Each of them provides the one-two punch necessary to take down the NWO globalist cabal, both at home and abroad.

*Pizzagate* will take down the Washington political establishment, corrupt Democrats and Republicans alike. **Pedogate** will overthrow the exceedingly powerful forces that are projected from London and Rome, Brussels and Paris, Tel Aviv and Riyadh. The almighty **Black Nobility**, in particular, will be weakened sufficiently so that Operation Gladio can be rendered ineffectual.

Once this all-pervasive control mechanism — **Pedogate** — is completely dismantled, Presidents Trump and Putin will be able to jointly pursue the common goals they so desire. However, it is D.C.'s own *Pizzagate* that will give Trump the leverage required to demolish *Deep State* and “splinter the CIA into a thousand pieces and scatter it into the winds”. [PEDOGATE: Pandora's Box Has Been Opened for Deep State and the C.I.A.](#)

Perhaps the only legal context in which both *Pizzagate* and **Pedogate** can be prosecuted is the Uniform Code of Military Justice. That's because the Criminal Justice System, and particularly the judiciary, are mainly made up of dyed-in-the-wool Democrats. Hence, the absolute necessity for military tribunals to be formed to handle the imperative prosecutions that will incarcerate the prime movers of the **Purple Revolution**. Subsequently, a national Truth and Reconciliation Commission can be established to judiciously process the multi-decade crime spree perpetrated by the wealthy and political elites on *We the People*.

### **Conclusion**

Editor's Note

**PEOPLE OF**

**AMERICA:** In the absence of a profound and fundamental transformation of American society, the USA will continue its

descent into the abyss of *Cultural Marxism*. The cultural elites are hellbent on

preserving their hard-fought “Sodom and Gomorrah”. They will not give up their utter depravity easily and will clutch it until their dying breath. Therefore, everyone is highly encouraged to do their part to resist the moral depredations which flow from *Cultural Marxism*—an inherently flawed and degrading philosophy of living. All that has to be done is to starve the BEAST. If you don’t feed it, it will die.

### **US Orders ‘Largest-Ever’ Military Drill To Simulate War With NKorea**

**Just days after North Korea launched its most advanced ICBM, one which experts warned has the potential to hit a target anywhere on the territory of the United States, North Korea said the U.S. is “begging” for a nuclear war by planning the “largest-ever” joint aerial drill with South Korea just after concluding an exercise with nuclear-powered aircraft carriers, Bloomberg reported.**

**“Should the Korean peninsula and the world be embroiled in the crucible of nuclear war because of the reckless nuclear war mania of the U.S., the U.S. will have to accept full responsibility for it,” North Korea’s state-run KCNA said Saturday, citing a statement by the Ministry of Foreign Affairs.**

**The statement came after Yonhap News reported that six U.S. Raptor stealth fighters planes arrived in South Korea on Saturday for a joint air drill named “Vigilant Ace 18” scheduled for Dec. 4 to 8. The F-22s flew into South Korea together in a show of force. The stealth fighters, however, were just a small part of the upcoming show of force: according to local media, some 230 aircraft and up to 16,000 soldiers and airmen are taking part in the drill, which is one of the biggest ever of its kind.**

### **Christians Don’t Have Anything To Do Yoga or Orgone!**

In this video I cover many things Christians should stay away from including Yoga, Orgone and much more. I know there will be many people reading this that consider themselves Christians who practice Yoga and have no idea the demonic nature of it.

Yoga was created by Hindus who worship over 1,000 false gods or demons. This is a fact that cannot be denied if you do your research on the roots of Yoga. **There have been cases where people have been demonically possessed when they did a certain pose!** I know many of you who do yoga do not worship satan and are by in large very good people. You have simply been deceived as I was about many things. Here’s a direct quote from a yoga website.

The word **yoga**, from the Sanskrit word yuj **means to yoke** or bind and is often interpreted as “union” or a method of discipline. A male who practices **yoga** is called a yogi, a female practitioner, a yogini.

<https://www.yogajournal.com/meditation/yoga-questions-answered>

So what are people who practice Yoga “yoking” to? Well, the people who created Yoga worshipped over 1,000 demons so it’s not hard to guess what you’re being yoked to. It sure isn’t Jesus that’s for sure!

If the demons have too much influence over you, you will get mad at me for attacking Yoga instead of simply doing the research yourself. It’s so easy for Christians to go from being a Yoga master to a Pilates master. Pilates was not created to worship and please demons! There’s nothing wrong with stretching and great flexibility but you simply cannot disconnect the demonic Hindu false god worship roots from Yoga. **It’s simply impossible to separate the demonic from Yoga because it was created by people who literally worshipped demons! Sending me a nasty email about it won’t change the fact that God told you to stay away from the practices of the heathens. Yoga was created by heathens. If I reach just one person reading this and who gets away from Yoga then I’ve done my job.**

Orgone is another thing being pushed now heavily by new agers. I know all about orgone because I got into it when I was in my “new age” phase in my 30s. It’s being pushed hard by new agers in the truth movement. **New agers believe the Bible is full of lies but they have no idea that all their “beliefs” actually came from satanists who created the entire new age philosophy.** Orgone doesn’t protect you from demons or aliens or cell phone towers, only God does this! When you put orgone around your house you are actually attracting demons to you, the same as I was doing when I collected UFO and Alien books and videos. Even if it was true (which it isn’t) that putting a few orgone disks around your house would change the weather why would you even want to do this when the weather is in God’s hands not yours.

**During my new age phase, I even traveled out of my body one time. At the time I thought it was pretty cool but looking back, my life went down a dark road starting at about the same time I got into new age stuff.** I write this article not to offend any of you who are into Yoga or other things I cover. I do it so maybe some of you will look into what I’m saying more and think about it. Pray to God to show you the truth and he will! When I dedicated my life to Jesus and threw away all the things I talk about in this video. **By the way, if you’re a football nut and you’re paying hundreds of dollars per year by getting the NFL Ticket but you give nothing to God then you’ve put football above God and you’ve made football your God. Be aware that all information from psychics come from the demons. Are they right sometimes? Yes, but its only to draw you in so they can screw up your life later when you do something they tell you instead of praying about it. There’s not one psychic in the world who is even close to 100%.**

**My challenge to everybody reading this! Ask God to let you feel the Holy Spirit if I’m right!**

Thank you for all your labor in the work of the Lord. Our family is richly blessed by the messages you've done. It's been helping us stay sober, diligent, standing and abiding with the Lord Jesus Christ.

I have recently been investigating on share international's website their promotion of "orgone" of Wilhelm Reich. You can see what they say here the last QA

Since the pyramid is the obvious New World Order symbol and the orgone looks like the finished pyramid with its capstone. Also orgone having its etymological root from orgasm as Wikipedia says. Then it makes complete sense why Obama started his executive orders with strengthening abortion laws and yesterday PELOSI SAYS BIRTH CONTROL WILL HELP ECONOMY.

**My response:** Man you are on the ball. You have brought up things very few Christians know about. I just so happen to have a lot of experience with Orgone via Sherry Shriner (a real she-devil). I will send you a separate email on her. I copied and pasted an excerpt from one of her websites below ( <http://www.orgoneblasters.com/> ) and **ironically she is advocating Orgone to destroy the coming "ascended masters" Maitreya included.** This really lets me know what side she is on as Maitreya and Benjamin Creme are actually promoting Orgone.

In the preface to one of his books, **Creme states that his career in the occult began through a study of Wilhelm Reich's work and the use of the orgone accumulator.** He became "consciously aware of, and extremely sensitive to, energy currents."

This is the same Orgone (which stands for the "**Orgasmic Energy**") released into the atmosphere that the orgone accumulators supposedly capture) that Shriner is promoting via her website see below.

**Witchcraft Practices Biblically Exposed & Defined-Part 1**

By [Dr. Scott Johnson](#) | October 14, 2007

In this teaching we will be looking at Deut. 18:9-14; Verse 9 reads: "When thou art come into the land which the LORD thy God giveth thee, thou shalt not learn to do after the abominations of those nations." We will be Biblically defining each term mentioned in this portion of Scripture including: Having your son or daughter pass through the fire, divination, an observer of times, an enchanter, a witch, charmer, a consulter with familiar spirits, a wizard, and a necromancer. Having your son or daughter pass through the fire is another way of saying child sacrifice. Then, it was typically done openly to the false god of Molech or Kronos to secure a financial blessing. Whereas now it is done in

secret while the baby is still in the womb, to the equally false God of “Self”. It is now called abortion.

### **Witchcraft Practices Biblically Exposed & Defined-Part 2**

#### **Biblically Exposing & Fighting New Age Witchcraft**

By [Dr. Scott Johnson](#) | November 25, 2007

This teaching is a unique one regarding an email I received recently from a high level new-age witch. The Bible says in II Corinthians 2:11: ‘Lest Satan should get an advantage of us: for we are not ignorant of his devices.’ In this teaching we are going to be looking at some of Satan’s devices and why he still is the “most subtle beast of the field” (See Genesis 3:1).

New agers are well aware of the coming false-Christ and they are openly using mass witchcraft to usher in his presence. In conjunction with this (in order to deceive their duped followers) they are boasting many miracles, “deep healings” & supernatural manifestations; all these could easily Biblically fall under the ‘lying signs and wonders’ category that the Bible says will be an earmark of the ‘End Times’.

These New Age witches (previously like Aleister Crowley (The 666 or Great Beast), L. Ron Hubbard (The inventor of Scientology), etc. are trying to open demonic doorways (they call portals/vortexes/stargates) in order defile humanity and this world we live in.

This is one of the Spiritual battles that all Christians are called to as Ephesians 6:12 says: “For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”

This is a real battle that we as Christians need to take the offensive on and persevere.

By [Dr. Scott Johnson](#) | August 31, 2008

Yoga is from the Sankrit word Yug, meaning ‘union’ (with the Divine, your higher ‘SELF’). Yoga is supposedly a path for transcending the ordinary mind (who you think you are) in order to merge with your ‘higher SELF’ or ‘God SELF.’ Yoga means ‘to yoke’ — to yoke with Brahman (i.e., the ‘Infinite,’ the ‘Universal Spirit,’ the impersonal force that the Hindus call ‘God’) via the realization of an altered state of consciousness, thereby theoretically releasing oneself from the bondage of endless reincarnation. Yoga

comes out of the Hindu Vedas. It can be traced back to Patanjali, who was a religious leader. Shiva, one of Hinduism's three most powerful gods, was known as 'The Destroyer' — he's called Yogi Swara or the 'Lord of Yoga.' Yoga is clearly a New Age concept that is deeply religious and pantheistic in its origin. It is widely practiced and supported by New Age proponents. The New Age movement denies the reality of sin and total depravity, and believes that man is generally good and is divine. They teach that there is a god within us, and we are to harness that and develop it through meditation and other metaphysical techniques. They teach that the only thing people need is enlightenment regarding their divinity. Sadly, even professing Christians have bought into this lie. Every yoga teacher is, in effect, a Hindu or Buddhist missionary, even though 'he or she may wear a cross, insist that Jesus was a great Yogi, and protest that Yoga is not a religion, but science'. This is the most blatant of lies as we will see.
