Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove them**. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the **very elect**."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not**

ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

1John 3:8 ...For this purpose the Son of God was manifested, that he might destroy the works of the devil.

1Sa 17:45 Then said David to the Philistine, **Thou comest to me with a sword, and with a spear, and with a shield: but I come to thee in the name of the LORD of hosts, the God of the armies of Israel, whom thou hast defied.**

1Sa 17:46 **This day will the LORD deliver thee into mine hand; and I will smite thee, and take thine head from thee; and I will give the carcasses of the host of the Philistines this day unto the fowls of the air, and to the wild beasts of the earth; that all the earth may know that there is a God in Israel.**

1Sa 17:47 **And all this assembly shall know that the LORD saveth not with sword and spear: for the battle is the LORD'S, and he will give you into our hands.**

1Sa 17:48 ¶**And it came to pass, when the Philistine arose, and came and drew nigh to meet David, that David hasted, and ran toward the army to meet the Philistine.**

Judge Jeanine: A path to citizenship isn't good enough?

Judge Jeanine Pirro "I believe in the American dream, I don't want anyone to take advantage of it, I don't want anyone to ruin it. Especially people who are not grateful to be here who seemingly hate us and call us racists. There needs to be an allegiance to this country and what we stand for."

New Ad: Democrats 'Complicit in Every Murder Committed by Illegal Immigrants'

Democrats are "complicit" in illegal immigrant violent crime and murder so long as they continue blocking funding for a border wall along the U.S.-Mexico border and hold up negotiations on pro-American immigration reforms, President Trump's new campaign ad states.

The ad was released a day after Senate Democrats voted to shut down the federal government because the spending bill to keep the government open did not include amnesty for at least 3.5 million illegal aliens, as [Breitbart News](#) reported.

Luis Bracamontes, a 37-year-old illegal alien from Mexico who allegedly shot and killed Detective Michael Davis and Deputy Sheriff Danny Oliver in October 2017, is featured in the ad, saying in the courtroom during his murder trial that he wished he "had killed more of the mother***."**

"I will break out soon and I will kill more, kill whoever gets in front of me," the illegal alien said as he smiled in the courtroom, [Breitbart News](#) reported. "There's no need for a f*** trial."**

"It's pure evil," the ad says.

The ad goes on to state that Democrats are "complicit" in illegal alien crime so long as they continue supporting open borders policies like sanctuary cities — which harbor criminal illegal aliens and shield them from deportation — while

blocking full funding for a wall on the southern border and legal immigration-cutting reforms to raise the wages of American workers.

The truth about crime, illegal aliens and sanctuary cities

The Pew Research Institute estimates that as of 2014, there are at least 11.2 million illegal immigrants residing in the U.S. **This population comprises approximately 3.5 percent of our country's population.**

Of these, by far the largest ethnic population, 52 percent are Hispanics comprised of Mexicans, Central Americans and Cubans.

Six states: California, Texas, Illinois, Florida, New York and New Jersey account for 59 percent of all illegal immigrants residing in the U.S. **The fact that 66 percent of all illegal immigrants have lived in our nation for over ten years underscores our long-standing inability to address the serious problem of our inability to control our nation's borders.**

The relationship between illegal immigrants and violent crime

Research **conducted** by the federal government oversight organization Judicial Watch in 2014 **documents that 50 percent of all federal crimes were committed near our border with Mexico.**

That same year, the U.S. Sentencing Commission **found that 75 percent of all criminal defendants who were convicted and sentenced for federal drug offenses were illegal immigrants. Illegal immigrants were also involved in 17 percent of all drug trafficking sentences and one third of all federal prison sentences.**

The U.S. Department of Justice and the U.S. Sentencing Commission reported that as of 2014, **illegal immigrants were convicted and sentenced for over 13 percent of all crimes committed in the U.S.**

According to the FBI, 67,642 murders were committed in the U.S. from 2005 through 2008, and 115,717 from 2003 through 2009. The General Accounting Office documents that criminal immigrants **committed** 25,064 of these murders.

To extrapolate out these statistics, this means **that a population of just over 3.5 percent residing in the U.S. unlawfully committed 22 percent to 37 percent of all murders in the nation. This is astounding.**

Illegal immigrants clearly commit a level of violent and drug related crimes disproportionate to their population

More Than 2,000 Sex Offenders Deported By ICE Every Year In Texas Alone

According to statistics **released from the United States government:** [emphasis added] In 2013, **all four Texas offices deported 2,124 sex offenders; 508 were convicted of sex offenses against a minor.**

The fact that thousands of children have been sexually assaulted by illegals — people who never should have been able to get in the country to begin with — is unconscionable and unacceptable.

These children are victims of our feckless government and the media that covers for them.

Democrats and the media aren't willing to secure the border to save one child from sexual assault, much less near a thousand.

Who are the real monsters here?

The media will cover shark attacks, but not the thousands of children sexually assaulted by illegals annually!!

When it comes to taking the Second Amendment civil rights away from American citizens and legal immigrants, the media regularly exploit the dead with a cry of, "If it saves just one child!" But when it comes to stopping illegals from streaming over our porous border to sexually assault our children, the media not only doesn't call for better border enforcement, the media covers these crimes up.

In 2013 the Obama administration released 36,007 criminal immigrants who had nearly 88,000 convictions between them. Those convictions included 193 homicide convictions, 426 sexual assault convictions, 303 kidnapping convictions, and 1,075 aggravated assault convictions

[Science Being Ignored As Deaths from the Flu Continue to Mount Among Mass Flu Vaccinated Population](#) **Media reports are coming in reporting high rates of deaths due to the flu, and the majority of those dying from the flu have been vaccinated. The flu shot is not without severe risks, risks that are routinely censored in the corporate “mainstream” media, and include paralysis from Guillain-Barré Syndrome, chronic shoulder pain from SIRVA, and death. It is, by far, the most dangerous vaccine in America.**

Death "NOW" again spiking straight up from January's Flu Epidemic

January 19, 2018--TIME Health--With months left to go in the 2018 flu season, the U.S. has already hit an unfortunate benchmark, as shown on the flu map below:

For the first time in the Centers for Disease Control and Prevention's 13 years of influenza monitoring, every state in the continental U.S. is seeing "widespread" virus activity.

The U.S. is experiencing such an active flu season that the CDC held [a special briefing](#) on the topic last week, explaining that there's an uptick in both confirmed cases of the disease and [hospitalizations related to it](#) this year. **The flu is so widespread, in fact, that the agency has declared it an epidemic,**

Everyone's talking—and rightly so—about this year's [flu season](#), which is on its way to becoming the worst in 15 years. The news is full of stories about [hospitals resorting to tents](#) to accommodate the influx of patients and parents dealing with school closings in nearly every state.

In the worst years, in the U.S. alone, seasonal flu causes up to 36 million infections, three-quarters of a million hospitalizations and 56,000 deaths.

An interviewed MD stated: Let there be no mistake: in a severe pandemic, the U.S. healthcare system could be overwhelmed in just weeks. Hospitals and clinics would be forced to turn away millions of patients.

Critical medications and care would not reach people in time. Millions of people in every state would be felled by the virus, and hundreds of thousands—including newborn babies, toddlers and older adults—would die in the weeks and months following the initial outbreak. The GDP in the United States would plummet as much as \$2 billion, if not more.

Deborah, you are quite a lady. I work in the healthcare industry and I see so much of b*** it is unbelievable. I know Physicians that will not take a flu shot. I know all kinds of nurses, phlebotomist, staff of all kind that will not take it.**

Susan McNary-Murray 5 days ago

I'm a RN and understand the danger of vaccines. I absolutely refuse to take them and I educate people about their dangers. Please people listen to what Deborah is

saying. She is spot on and she needs other courageous people to back her up and to speak out. Vaxxed is one of the voices that is exposing the truth behind vaccines and that the deep state and the elite are using this to decrease the population (essentially kill off) and to help dumb down the population. Vaccines and the educational system have been quite effective in dumbing down the young people of this country which results in puppets to be used by the NWO. Wake up everyone please share this video along with Deborah's other videos...

The State with the Sickest Children has the Highest Vaccination Rates

In a [Daily Beast](#) opinion piece on December 15, Paul Offit—one of the vaccine industry's most strident ambassadors—puzzles over a seeming contradiction.

How, **Offit wonders, could the state of Mississippi, which has “the worst overall health in the nation,” have used standout “efficiency” to achieve over 99.4% vaccine coverage in kindergartners?**

Rather than seriously investigate this apparent enigma, Offit presents his ready-made answer and reveals his article's true purpose. According to Paul Offit, Mississippi's high vaccination rates are **due to the state's 1979 decision to make the government—rather than parents—the primary vaccine decision-maker for children.**

Reflecting on the Mississippi Supreme Court's 1979 elimination of that state's religious exemption to vaccination, Offit applauds the Court's position, stating, “If a parent harbors a religious belief that contradicts a basic tenants of modern medicine...the state has a right to protect the child from the irresponsible acts of the parent.”

Offit—though a parent himself—**tells readers that the state-determined “duty” to vaccinate supersedes other parental rights.**

In short, **Offit appears to believe that coercion is the name of the game, openly admitting that he disapproves of the 47 states that still allow parents in the U.S. to take religious, moral or personal beliefs into account when making vaccine decisions on behalf of their children.**

Max Adult Dosage for Flu as Invive Silver Advises

INFLUENZA

Invive 5000 PPM - 1 TBL t.i.d. for 2 days then

1 TBL per day until asymptomatic

Dr. Johnson's Flu & Cold Protocol:

++ 5000 Mild Silver Protein (M.S.P.) Suggested Therapeutic Dosing Guidelines
1tsp for every 30 lbs. of bodyweight per day if you have a virulent flu virus (split up dosages). Hold each dose under the tongue for at least 2-3 minutes before swallowing. Can use a drop of organic peppermint oil to kill the taste.

++ Note: Taking a natural, vitamin C is a major factor in dealing with virtually any immune system condition. Vitamin C (a full spectrum food source with the bioflavonoids) is the best choice. Highly recommended: Vitamin C-400 - 180 tablets &/or C Complete Powder 81 G &/or Bio-C Plus 1000 by Biotics (100 T)

++ A good whole food Vitamin D-3 product like: Innate Response Vitamin D 5,000 60 count &/or Innate Response Vitamin D-3 (2000 IU)- 90 count

Natural Remedy for the Flu: Over the Counter Hydrogen Peroxide

For **lung infections** nebulize 100ppm Invive Mild Silver Protein directly into the lung fields for 3-4 minute intervals several times per day. If you want to make a 100ppm solution (and you have a 5000ppm bottle) just divide 5000 by 100 to get: 50. So you would add 50 parts distilled water to 1 part 5000ppm to make a 100ppm solution.

Now with a **sinus infection** the best way to directly go after this is to get any nasal spray atomizer bottle (**Like this one:**

<http://sparknaturals.com/index.php/accessories/1oz-blue-glass-nasal-sprayer.html>) and

add 500ppm silver to the bottle. Now to make the 500ppm just add 10 parts distilled water to one part 5000ppm. This will be the strength you use in a nasal spray bottle.

One drop of eucalyptus oil to this 500ppm solution is also very good for nasal use.

When you use the 500ppm in the nasal spray bottle make sure you tip your head back and spray 3-5 times per nasal passage. You can do this several times per day. You would also want to take 1/4 tsp. of the 5000ppm held under the tongue 3 times a day until you are doing better.

For **Otitis Media (ear infections)** (if your ear drops are not ruptured) you need to dilute the Invive Silver to 500ppm for the ear drops. To make this strength from 5000ppm just add 10 drops of distilled water to every one drop of 5000ppm. Use 3-4 drops in each ear

2-3 times per day till better. In reality I really like just plain old 3% Hydrogen Peroxide for ear infections 2-3 drops in each ear. Tilt the head and hold this dose in each ear for 1-2 minutes before tilting your head back. It will bubble and be quite loud and may burn a little so sometimes children are afraid of the Hydrogen Peroxide whereas the silver should not bubble or hurt at all.

For an 8 year old I would administer the 5000ppm silver under the tongue 15-20 drops 3 times a day (hold for 2-3 minutes then swallow) to treat the ear infection internally as well.
