**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

---

**Pro 9:6 Forsake the foolish, and live; and go in the way of understanding.**

**Pro 9:7 He that reproveth (Meaning to: correct, chasten, discipline, instruct, admonish) a scorner getteth to himself shame: and he that rebuketh a wicked man getteth himself a blot.**

**Pro 9:8 Reprove not a scorner, lest he hate thee: rebuke a wise man, and he will love thee.**

**Sidebar regarding this subject: Proverbs 26:4: "Answer not a fool according to his folly, lest thou also be like unto him."**

**Matthew 7:6:** "Give not that which is holy unto the dogs, **neither cast ye your pearls before swine**, lest they trample them under their feet, and turn again and rend you."

**Nehemiah 6:3** "And I sent messengers unto them, saying, **I am doing a great work, so that I cannot come down: why should the work cease, whilst I leave it, and come down to you?**"

**But there is a time when the following two verses would apply (which would typically be at the beginning of a debate):**

**Proverbs 26:5:** "Answer a fool according to his folly, lest he be wise in his own conceit."

**Job 11:2:** "**Should not** the multitude of words be answered? and should a man full of talk be justified?"

**Pro 9:9** Give instruction to a wise man, and he will be yet wiser: teach a just man, and he will increase in learning.

**Pro 9:10** The fear of the LORD is the beginning of wisdom: and the knowledge of the holy is understanding.

**Pro 9:11** For by me thy days shall be multiplied, and the years of thy life shall be increased.

**Rom 8:31** What shall we then say to these things? If God be for us, who can be against us?

**Rom 8:32** He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?

**Rom 8:33** Who shall lay any thing to the charge of God's elect? *It is* God that justifieth.

**Rom 8:34** Who is he that condemneth? *It is* Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us.

**Rom 8:35** Who shall separate us from the love of Christ? *shall* tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?

**Rom 8:36** As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter.

**Rom 8:37** Nay, in all these things we are more than conquerors through him that loved us.

**Rom 8:38** For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,

**Rom 8:39** Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

## The Nightmare World of Gang Stalking

More than 10,000 people worldwide claim they're the victims of a vast organized surveillance effort designed to ruin their lives, a phenomenon known as "gang stalking." Mental health experts see gang stalking as a symptom of paranoia, but the self-identified victims who insist what they're experiencing is real have come together online and in support groups to share their stories. VICE met up with a handful of Americans who claim their lives have been derailed by gang stalking to understand what serious consequences the phenomenon presents.

**Targeted Individual Listener Comments on Gang Stalking:** *...the key to all this is people need to understand in light of your last teaching is this is exactly how they make mass shooters... **bottom line this is the program to surround the target and then abuse the target to the point of lashing out... I mean they have even punched me right in the face to have an excuse to arrest me and get involved. People think it's just life, not a program, but our society is so controlled and it is big money to be a part of it... And honestly I have come to find out that it's like a cancer, it is all linked together, the economy is tracking tracing data basing in a police state... the MIAC report should be revisited state by state as u can tell by my pics I sent.. I picked random states and even Canada to show it's world wide. Some get paid some dont... But there are job adds all over to join... reference "next door app" which is neighborhood watch app..... the app lets u know how many stalkers are in your nieborhoodhood... And it gives u an idea of what these devils are like mentally... It is a good tool.. also my body cam both a covert one and this one are good tools. I was able to buy a police body cam which is hard to find.. the reason is the software is made for investigations.. one must be witty and always ready to expose in a calm way..... But be ready for reprisals from doing this... a good camera is so important I went without food for one week just so I could get it... having small binoculars is good I can't tell u how this helps on walks... I can see them way off and see what they are doing so they don't take me off guard.. I've had em even hide behind trees as to not be noticed.... also be a hard target, get rid of all fear.. facts and proof are what's important... having binoculars is psychological in nature.. they don't like to be watched.. in a park there is probable deniability they will try to use whatever tool they have against you and say you're looking into people's houses instead.... I use them in bursts like a quick scan so I can see what's coming and be ready. If need be I let them know i see them watching me and man do they not like it usually they run.. I mean this literally..... I use a mini air horn for the mobbing especially in line at the store... just a quick burst in my pocket and an oh I'm sorry bumped it works... like i said before I keep it in my jacket pocket and it makes um jump back... these are all ways of being a hard target... **anytime someone doubts my experience I take them back to the community policing packets and the patriot act and the fact we are in a national state of emergency and under the war time*****

**power act... this means no bill of rights.. it's a wonder to me that Trump doesn't know this ?** He has to know what's going down... **Psychological profiling and destruction of many.... based on some dumb test or standard in a God hating world... so these are ways I fight back I am so focuses that they can throw things at my car and ill just park and break out my audio recorder even while they are threatening me .... video works, pics work, their own statements used against them work...** I think the training manual / mission statements of the 'Citizen on patrol' with a powerful focus in the word "risk" and "proactive policing based on no due process".. what makes someone a risk is the question... they admit to meeting out punishment and keeping the target down... the section on triangulation is key they admit to targeting family and friends of the target... **It is not only injury but an insult as family and friends will say " why would you be so important to only target you... that's when u drop the info on them & say look at the huge apparatus in place... I mean people need to know its not a game, targets are poisoned like i was and made to be in a hospital for almost 5 mo fighting for my life alone... the break in's, the smear campaigns, but especially the set ups, the building a case around innocent Tareted Individuals based on street theater, to get the target to commit crimes... ect..** They love to set u up through probable cause which means they can have like 2 people move in as your neighbors who are part of citizens on patrol... then they both agree they saw u doing something criminal and you can be arrested just as simple as that... in Oregon they would arrest me then release me over and over with zero charges.. the last time in the jail he hand cuffed me with my back to the wall and knees bent for 3 hours... they do this so they can have a mug shot and fake charges posted in the county and make and use this as supposed evidence of their reason they target you.. all made up all slander and they will spread your mug shot Every where online and yo family friends it's insane **love you bro God bless and praise the Lord ! may christ keep.you always bro look at Paul from acts chap 20 till the end.. they tried to rip him.limb from limb.and even took a curse upon themselves to slay Paul..... May satans kindgdom fall Thank u for getting the word out I owe you so much bro God bless**
