Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of

darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

[Sandy Hook Fraud Exposer, Wolfgang Halbig, Threatened AGAIN By Florida Law "Enforcement" \(What Are They Afraid Of?\)](#)

Undoubtedly, one of the most controversial and investigated incidents related to school-shootings was, and still is, the Sandy Hook Elementary School shooting in December 2012 in Newtown, Connecticut.

To recap, 20-year-old Adam Lanza allegedly entered the elementary school and fatally shot 20 children using an automatic rifle, before turning the gun on himself as police arrived.

Even though the description above would seem to be "cut and dry," speculation as to the true events surrounding the incident would surface almost instantly. The voluminous amount of evidence which counters the official narrative is too long to list here.

Wolfgang Halbig has been a leading investigator into the Sandy Hook school shooting and has taken heavy flak for his numerous unanswered questions regarding the incident.

Trump Caving On the Second Amendment—Enthusiastically Agreeing with the Worst Gun Grabbing Democratic Politicians Out There

By Susan Duclos - [All News PipeLine](#)

On Wednesday, President Trump met with Congressional Democrats and Republicans to discuss measures to bolster student security in the aftermath of the Parkland, Florida massacre. **There, Trump proceeded to make an anti-Second Amendment statement so radical that it put President Obama's gun control sermons in the shade.**

President Trump appeared to back many liberal gun control proposals much to the delight of the liberal media. During their evening broadcasts ABC, CBS, and

NBC touted how the President “stood up to the National Rifle Association” and pushed back against Republicans.

The report on NBC Nightly News was arguably the most vicious against gun rights advocates. “Under pressure after Parkland, President Trump taking on his own party and the National Rifle Association today,” hyped White House correspondent Kristen Welker. “Mr. Trump, at a freewheeling hour-long meeting with a group of bipartisan lawmakers, trying to get something, anything done, appeared to embrace nearly everything he heard in the meeting[.]”

Welker noted that Trump wanted to “confiscate guns from those deemed dangerous,” but attacked folks on the right by insinuating they didn’t care who had weapons, saying “a move opposed by many conservatives.” She then played a clip of Trump arguing that government should “take the guns first, go through due process second,” but she failed to mention such an act was unconstitutional. “Even taking on red-state Democrat Joe Manchin and Republican Pat Toomey for not including an age limit increase in their background check bill,” Welker reported with glee.

Also gun-grabbing proponents were on a power-high after the social media lynch mobs attacked companies providing discounts to NRA members, just for those companies to see a massive nosedive in favorability, while on another front YouTube's purge of Independent content caused such a backlash that now they are backtracking and claiming it was all a "mistake."

While the blow back has been huge against both, that is nothing compared to backlash and criticism President Trump is receiving for his comments during the bipartisan meeting held on Wednesday regarding school safety, where he suggested "take the guns first, go through due process second," to which he is already starting to walk-back that comment after seeing the collective uproar online from Second Amendment supporters.

"A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." - [Second Amendment](#)

We'll start with President Trump's comments because it doesn't matter that this was just a discussion" or as he called it on Thursday morning a "meeting," his comments have rightly caused an uproar among Second Amendment supporters.

++ See Scott Johnson’s Teaching:

[Romans 13 & Unlimited Subservience to the Government: Where should a Bible Believing Christian Draw the Line?](#)

Do Christians who use Romans 13 to teach that we should not oppose government or any other political leader, really believe that civil magistrates have unlimited authority to do anything they want without opposition? For example, what if our President decided to resurrect the old monarchical custom of Jus Prima Noctis (Law of First Night)? That was the old medieval custom when the king claimed the right to sleep with a subject’s bride on the first night of their marriage. Would our sincere Christian brethren sheepishly say, ‘Romans Chapter 13 says we must submit to the government’? I think not. And would any of us respect any man who would submit to such a law? So, there are limits to authority. All human authority is limited in nature. No man has unlimited authority over the lives of other men. (Lordship and Sovereignty is the exclusive domain of Jesus Christ.) Did John the Baptist violate God’s principle of submission to authority when he publicly scolded King Herod for his infidelity? Did Simon Peter and the other Apostles violate God’s principle of submission to authority when they refused to stop preaching on the streets of Jerusalem? Act 5:29: “Then Peter and the other apostles answered and said, We ought to obey God rather than men.” So, even the great prophets, apostles, and writers of the Bible (including

the writer of Romans Chapter 13) understood that human authority—even civil authority—is limited.

The blow back against President was immediate, harsh and if his tweet this morning is anything to go by, it was heard quite loudly by the Trump administration as he begins his long walk-back, which will take far more than just his tweet to fix this, which said:

"Many ideas, some good & some not so good, emerged from our bipartisan meeting on school safety yesterday at the White House. Background Checks a big part of conversation. Gun free zones are proven targets of killers. After many years, a Bill should emerge. Respect 2nd Amendment!"

What he didn't say is that one of those "not so good" ideas was his own phrasing and assertions about due process, among many other horrible things that came out of his mouth.

Since the Florida high school shooting, YouTube intensified its censorship campaign against conservatives and Independent Media by not only scrubbing the site of any videos about the shooting (that did not conform to the gun-grabbing agenda) but taking it a step further by terminating whole channels, wiping out thousands of videos archives and Independent reporting.

This is an excerpt from a Military Arms Channel interview with Rick Vasquez. This excerpt highlights the most dangerous parts of the ATF's plans to write a new regulation that carries the weight of law. This regulation can potentially bring about Canadian style anti-gun laws without an act of Congress. This is the greatest threat we've faced to our 2nd Amendment rights, ever. Please act now. The ATF is attempting to circumvent the authority of Congress by creating a regulation to ban the rate of fire of any semi-automatic even without a bump stock or ECHO trigger.

Perfect Storm Brewing As Secret 'ISIS Kill List' Provides Plausible Deniability To Those 'Manipulating And Facilitating Events' To Round Up & Execute 'Red-List' Americans- List Of Guns Democrats Want To Ban Here - 'They're Coming For Almost Everything!'

By Stefan Stanford - All News Pipeline - Live Free Or Die

How can America ever return to 'the rule of law' when 'government' is committing unpunished treason?

While back on June 28th of 2016, [Circa news published a story](#) in which they reported that the FBI didn't warn 15,000+ Americans that their names were on secret 'kill lists' put out by 'ISIS', knowing that [Barack Obama, Hillary Clinton and the CIA](#) actually 'incubated' and armed the same ISIS terrorists who want to kill Americans should send up a HUGE red flag.

With the same group now pushing to take guns away from law-abiding American citizens, while they supplied the enemies of Americans with some of the same weaponry they're talking about taking away from Americans, how can America ever return to the 'rule of law' President Trump has promised America when members of the government itself have committed unpunished treason?

As we see detailed in this ANP story, what we're now witnessing in America with not-so-veiled attempts to take down our Constitution and specifically the 1st and 2nd Amendment's, the backbone of 'freedom' in America, is all part of a long-held plan to disintegrate our nation with more emerging proof that 'secret societies' do indeed 'control the world' and are behind everything that we're now watching unfolding as reported in much more detail below.

With at least 15,000 and up to 20,000 names on those 'kill lists' allegedly created by ISIS, should the those who created ISIS and sold out America and have created 'main core red lists' of patriots, Christians and Conservatives decide to go on a 'round up' using 'assassination algorithms', the ISIS 'kill list' provides them with 'plausible deniability'.

Is it just a coincidence that numerous state government's are now talking about 'red flag' gun seizures? See New York Times Article: [States Mull 'Red Flag' Gun Seizures from People Deemed Dangerous](#)

And what is it with the color 'red' in so many globalist schemes? As we see detailed below, red is the color of blood and it's not just a 'coincidence'. It is obvious from all the previous examples in history that: "those who will take your guns will ultimately take your life". While there is no doubt that people such as Nikolas Cruz shouldn't have guns, 45 house calls were a major red flag that were missed. Were they missed on purpose?

**And now they want to punish Americans...
For THEIR FAILURE!!! Are they insane???**

With government failure all across the board in Florida allowing the school shooting to take place there, from the FBI failing to the school system failing to 'Coward County' law enforcement dropping the ball despite having more than 40 attempts to try to make things right, the fact that the same government that **TOTALLY FAILED** the American people now wants to **PUNISH AMERICANS** for **THEIR FAILURES** speaks mega-volumes as also heard from NRA spokesperson Dana Loesch in the 1st video below. This is proof of govt insanity!!

Or is it more evidence of a psychopathic plan originating from 'secret societies' to disarm Americans as former US Navy Intelligence Officer Bill Cooper warned us of in his 1991 book "Behold A Pale Horse"? As Cooper warned us long ago, the 'secret government' here in America was planning on secretly terrorizing Americans into giving up their guns using mind-controlled patsies to carry out school shootings, a plan that appears to be well under way.

Cooper's book also warned us a "one world, totalitarian, socialist government" was being created along with a 'techno-police surveillance state', exactly what we've watched unfolding here in America for the last decade+. Chapter 2 of Behold A Pale Horse is titled: "Secret Societies and the New World Order" with this excerpt from it below.

"There is a power so organized, so subtle, so complete, so pervasive, that they had better not speak above their breath when they speak in condemnation of it."

President Woodrow Wilson

History is replete with whispers of secret societies. Accounts of elders or priests who guarded the forbidden knowledge of ancient peoples. Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people.

*The oldest is the Brotherhood of the Snake, also called the Brotherhood of the Dragon, and it still exists under many different names. **The Brotherhood of the Snake is devoted to guarding the "secrets of the ages" and to the recognition of***

Lucifer as the one and only true God. If you do not believe in God, Lucifer, or Satan, you must understand that there are great masses of people who do. I do not believe in racism but millions do and their beliefs and actions based upon those beliefs will affect me.

The secrets of these groups are thought to be so profound that only a chosen, well-educated few are able to understand and use them. These men use their special knowledge for the benefit of all mankind. At least that is what they claim. How are we to know, since their knowledge and actions have been secret? Fortunately, some of it has become public knowledge.

Within chapter 2 of Cooper's book he goes on to talk about numerous 'secret societies' that have existed throughout history.

Manipulating events behind the scenes while preaching the deceptive doctrine of Lucifer and sworn to Satan, we also see the ties of freemasonry to Islam in the Shriners, a sect of freemasonry who wear the red fez adorned with Islamic imagery of the upside down crescent moon and sword, some possibly without understanding the anti-Christian barbarity behind them.

What is the history of the Red Fez of Masonry? And why does it have Islamic images? The Fez itself, is an example of this double meaning behind most of Freemasonry's facade. Worn and even carried to the grave with pompous dignity, the history of the Fez is barbaric and anti-Christian.

In the early 8th century, Muslim hordes overran the Moroccan city of Fez, shouting, "There is no god but Allah and Mohammed is his prophet." There, they butchered approximately 50,000 Christians. These men, women and children were slain because of their faith in Christ, all in the name of Allah, the same demon god to whom every Shriner must bow, with hands tied behind his back, in worship, proclaiming him the god of his fathers in the Shrine initiation, at the Altar of Obligation.

The Shriner's blood oath and confession of Allah as God is documented in the secret Lodge document, THE MYSTIC SHRINE, AN ILLUSTRATED RITUAL OF

THE ANCIENT ARABIC ORDER NOBLES OF THE SHRINE, 1975 Edition, (pages 20-22). Remember that Allah is not just another name for God. Allah is the name of another god.

In usual occult fashion, the initiate swears that he will be inseparably obligated to this "most powerful and binding oath", in advance, and that he may NEVER retract or depart from it. During the butchering of the people of Fez, the streets literally ran red with the blood of the martyred Christians. The Muslim murderers dipped their caps in the blood of their victims as a testimony to Allah. These blood stained caps eventually were called Fezzes and became a badge of honor for those who killed a Christian. The Shriners wear that same red Fez today. The greatest tragedy is that the Fez is often worn by men who profess to be Christians themselves.

"That which we must say to the **CROWD** is: we worship a god, but it is the god that one adores without superstition. To **YOU** Sovereign Grand Inspectors General, we say this, that you may repeat it to the brethren of the 32nd, 31st and 30th degrees – the **MASONIC RELIGION** should be, by all of us initiates of the *high* degrees, maintained in the purity of the **LUCIFERIAN** doctrine. General Albert Pike, 33'

From [the luciferian roots of dark freemasonry](#) with a quote from Albert Pike, a 33rd degree mason who wrote the book "Morals and Dogma" and who allegedly [wrote a letter outlining 3 world wars](#). Full quote below.

Unfortunately for the people of the world everything is going according to the New World Order Plan. But what is this New World Order Plan? In a nutshell the Plan is this. The Dark Agenda of the secret planners of the New World Order is to reduce the world's population to a "sustainable" level "in perpetual balance with nature" by a ruthless Population Control Agenda via Population and Reproduction Control.

A Mass Culling of the People via Planned Parenthood, toxic adulteration of water and food supplies, release of weaponised man-made viruses, man-made pandemics, mass vaccination campaigns and a planned Third World War. Then, the Dark Agenda will impose upon the drastically reduced world population a global feudal-fascist state with a World Government, World Religion, World Army, World Central Bank, World Currency and a micro-chipped population. In short, to kill 90% of the world's population and to control all aspects of the human condition and thus rule everyone, everywhere from the cradle to the grave.

Quote from Albert Pike: "What we must say to the crowd is: -We worship a God,

but it is the God that one worships without superstition. To you, Sovereign Grand Inspectors General, we say, so that you can repeat it to the Brethren of the 32nd, 31st and 30th degrees: -The Masonic religion must be, by all of us initiates of the high grades, maintained in the purity of the Luciferian doctrine. If Lucifer were not God, Adonai [the God of the Christians] whose deeds prove his cruelty, perfidy and hatred of man, his barbarism and repulsion of science -if Lucifer were not God, would Adonai and his priests slander him? Yes, Lucifer is God, and unfortunately so is Adonai. For the eternal law is that there is no splendor without shadow, no beauty without ugliness, no white without black, because the absolute can only exist as two, because darkness is necessary to light to serve as its compliment, as the pedestal is necessary to the statue, as the brake to the locomotive ... The true and pure philosophical religion is the belief in Lucifer, equal to Adonai, but Lucifer, God of Light and God of Good, is fighting for humanity against Adonai, God of Darkness and God of Evil."

Albert Pike, Confederate General, 33rd Degree Mason and Sovereign Pontiff of Universal Freemasonry, address to the 23 Confederated Supreme Councils of the World, 14 July 1889

HOW TO CREATE A SOCIALIST STATE BY SAUL ALINSKY

There are eight levels of control that must be obtained before you are able to create a socialist state. The first is the most important.

- 1) Healthcare--Control healthcare and you control the people
- 2) Poverty--Increase the Poverty level as high as possible, poor people are easier to control and will not fight back if you are providing everything for them to live.
- 3) Debt--Increase the debt to an unsustainable level. That way you are able to increase taxes, and this will produce more poverty.
- 4) Gun Control--Remove people's ability to defend themselves from the Government. That way you are able to create a police state.
- 5) Welfare--Take control of every aspect of their lives (Food, Housing, and Income)
- 6) Education--Take control of what people read and listen to - take control of what children learn in school. Think: "Common Core"
- 7) Religion--Remove the belief in God from the Government and schools.
- 8) Class Warfare--Divide the people into the wealthy and the poor. This will cause more discontent and it will be easier to take (Tax) the wealthy with the support of the poor.

As we see in the final section of this story, another 'semi-secret society' that has been working to undermine America now for decades points directly to Hillary Clinton and many of the democrats now sitting within Congress, the same Democrats that want to take away Americans guns. **While millions of Americans have never heard of Saul Alinsky nor do they know why they should even be concerned about him, the fact that he dedicated his book 'Rules for Radicals' to Lucifer, especially considering that Hillary Clinton herself looked to Alinsky as her mentor and wrote her senior thesis about him, also speaks volumes.**

With 'gun control' as one of the key planks of Saul Alinsky's 8 steps to creating a socialist state it illustrates exactly why Americans have the 2nd Amendment, and as we see in the Democrats proposed 2018 Assault Weapons bill (HR5087), if the Democrats get their way, they're coming for almost everything.

The list of guns which the Democrats are proposing banning is absolutely chilling and while California Senator Dianne Feinstein erupted in psychopathic glee over President Trump's recent remarks, the slippery slope that America is now heading towards has much of President Trump's 'base' up in arms. And while anti-gun Democrats and totalitarians celebrate what they think might turn into their good fortune, even Maryland Sheriff Michael A. Lewis warned any mass gun confiscation attempt will quickly lead to civil war.

Awakened Americans should also keep their eyes wide open for another potential false flag attack that will also be blamed upon angry President Trump supporters who are already feeling 'betrayed' by trump as Old Thinker News reports in this new story. As we hearing the left sickeningly seems to want these shootings to continue if it helps them to complete their agenda.

As we hear in the final video below, with 'gun control' on President Trump's lips, happily teasing the Democrats into believing they may soon have the opportunity to disarm law-abiding American citizens; another massive false flag event that pushes America over the edge is probably being cooked up by the globalists this very second in their never-ending quest to take down America and the US Constitution while completing their long-worked towards satanic agenda.

Loesch: Trump's gun control meeting was good TV, bad policy

Keep in mind this bill was written by Democrats and has not yet been passed or signed into law. Yet as we see, if they had their way, they'd be coming for almost everything as they push us further and further towards socialism and tyranny.
