Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the **very elect**."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Bible Study on the Wicked

Psalm 94:16&20: "Who will rise up for me against the evildoers? or who will stand up for me against the workers of iniquity?... Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law?"

Jhn 3:19 And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.

Jhn 3:20 For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reprov'd.

Jhn 3:21 But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.

Mic 3:1 And I said, Hear, I pray you, O heads of Jacob, and ye princes of the house of Israel; *Is it not for you to know judgment?*

Mic 3:2 Who hate the good, and love the evil; who pluck off their skin from off them, and their flesh from off their bones;

Mic 3:3 Who also eat the flesh of my people, and flay their skin from off them; and they break their bones, and chop them in pieces, as for the pot, and as flesh within the caldron.

Mic 3:4 Then shall they cry unto the LORD, but he will not hear them: he will even hide his face from them at that time, as they have behaved themselves ill in their doings.

Psa 145:20 The LORD preserveth all them that love him: but all the wicked will he destroy.

Psalm 97:10: "Ye that love the LORD, hate evil..."

My NYPD source said its much more vile and serious than classified material on Weiner's device. The email DETAIL the trips made by Weiner, Bill and Hillary on their pedophile billionaire friend's plane, the Lolita Express. Yup, Hillary has a well documented predilection for underage girls, and Mr. Weiner just could not bear to see those details deleted. We're talking an international child enslavement and sex ring. Not even Hillary's most ardent supporters and defenders will be able to excuse THIS!

In 1975 when I was 12, I was raped by a 42 year old man. Hillary Clinton volunteered to be his lawyer.

In court, Hillary told the judge that I made up the rape story because I enjoyed fantasizing about older men.

Hillary got my rapist freed. In 1980 she gave an interview where she admitted she knew he was guilty. And she laughed about it.

Hillary Clinton is an advocate for rapists.
Not for women or children.

THIS STORY IS TRUE. PHOTO IS NOT THE ACTUAL VICTIM.

Hillary Huma Rape Tape Leaked, Sources Report!

Several sources are reporting this NOW! They say multiple people have heard the audio and seen the video and it will make grown men cry! If true, Hillary is finally going down and never again will a Clinton be able to show their face in public! If this is proven to not be true, I will remove this story immediately. The woman reporting seems very credible to me. If she is fooling everybody she is a very good actress! She claims people have already seen the tape on the dark web!

Twitter and Youtube are exploding with rumors of the Hillary Clinton Huma Abedin rape tape sources say was just dropped. If this is true as the source says she has multiple confirmations then nothing will ever be the same. People are reporting this is with a very young girl and they cut off her face and wear it as a mask! This is absolutely disgusting but Hillary is pure evil as we know from Cathy Obrien's testimony on youtube where Hillary raped her when she was a young girl also.

WARNING – DO NOT search for this tape or you will be arrested for pedophilia. The woman reporting this goes by the Twitter handle @treghostgirl as shown below. During the livestream she claims to get several confirmations that this Hillary Huma rape tape / sprit cooking tape is REAL! Supposedly people have to to into therapy if they see it. We should all pray the comes out NOW! If it's true then pray Hillary and Huma are

immediately arrested for murder! Hopefully we will get more confirmations in the next 24 hours.

Again, DO NOT go searching for images or video of this or you will be arrested for child pornography since this is with a very young girl. Supposedly this is the video that was on Anthony Weiner's laptop in the "Life Insurance" file.

Hillary Raped Me! Cathy Obrien

Cathy Obrien was "groomed" through mind control techniques used by the CIA. She was molested by her father at 6 years old to then be subjected to the CIA MK-ULTRA program to be used as a sex slave. She was raped by Bill and Hillary Clinton. Cathy O'brien has done video interviews and written a book called "Trance Formation of America" detailing the rape by Hillary. This is the nuclear bomb that will destroy Hillary Clinton.

On April 13, [the Ministry of Defense of Russia released a video showing testimonies of two doctors](#) who were on duty at a Duma hospital when the alleged chemical attack took place in the Syrian town on April 7.

In the video, one of the two doctors said that the hospital received several civilians **who had been injured in an airstrike of the Syrian Arab Air Force (SyAAF) on Duma in the morning of April 8.** Dr. al-Jaysh said that the airstrike had hit the last floor of a building causing fire.

This led to the suffocation of some civilians who were trapped in the lower floors of the building.

While the doctors were treating the injured civilians, **a man shouted in the hospital's emergency room that the injuries were caused by "a chemical attack," which led to chaos,** according to Dr. al-Jaysh.

English subtitles. pic.twitter.com/lXafFybl1l

— iad tawil (@iadtawil) [April 13, 2018](#)

"While treating the people who were suffocated by smoke and dust, one of the people who were present said that the strike was a chemical attack, which led the people in the area [hospital] to deal with the cases as injuries caused by chemical weapons." Dr. al-Jaysh said in the video released by the Ministry of Defense of Russia.

Moreover, the two doctors stressed in the video that there had been no symptoms proving a chemical weapons use. Both doctors were also able to prove their presence in the emergency room of Duma hospital during the incident via a video published a Syrian opposition news outlet.

Several experts suggested before that a carbon monoxide poisoning might be behind the deaths of the Duma attack victims. The Syrian Observatory from Human Rights (SOHR) **even reported from day one that carbon monoxide poisoning had been behind the deaths of the civilians who were trapped in a basement from a long time after the airstrike.**

Syrian pro-government sources noted that both doctors could have left Duma district under the evacuation agreement between the Damascus government and Jaysh al-Islam but they opted to stay. ***This makes the testimonies of these two doctors more credible.***

[May's Government Lied About Nerve Agent Used In Skripal Poisoning](#)

Somebody has some explaining to do... **or did the Syrian airstrikes just 'distract' the citizenry from the reality surrounding the Skripal poisoning.**

Remember how we were told by the politicians (not the scientists) that a deadly Novichok nerve agent – produced by Russia – **was used in the attempted assassination of the Skripals? Remember the 50 questions ([here](#) and [here](#)) we had surrounding the 'facts' as Theresa May had laid them out? Ever wonder why, given how utterly deadly we were told this chemical was, the Skripals wondered around for a few hours after being 'infected' and then days later, survived with no chronic damage?**

Well those doubts may well have just been answered as according to the independent Swiss state Spiez lab, **the substance used on Sergei Skripal was an agent called BZ, which was never produced in Russia, but was in service in the US, UK, and other NATO states.**

[RT reports](#) that Russian Foreign Minister Sergey Lavrov said, citing the results of the examination conducted by a Swiss chemical lab that worked with the samples

that London handed over to the Organisation for the Prohibition of the Chemical Weapons (OPCW), **that Sergei Skripal, a former Russian double agent, and his daughter Yulia were poisoned with an incapacitating toxin known as 3-Quinuclidinyl benzilate or BZ.**

The Swiss center sent the results to the OPCW.

However, the UN chemical watchdog limited itself only to confirming the formula of the substance used to poison the Skripals in its final report **without mentioning anything about the other facts presented in the Swiss document, the Russian foreign minister added.**

He went on to say that Moscow would ask the OPCW about its decision to not include any other information provided by the Swiss in its report.

On a side note, the Swiss lab is also an internationally recognized center of excellence in the field of the nuclear, biological, and chemical protection and is one of the five centers permanently authorized by the OPCW.

The Russian foreign minister **said that London refused to answer dozens of “very specific” questions asked by Moscow about the Salisbury case, as well as to provide any substantial evidence that could shed light on the incident.**

200 US Military Killed in Syria! 1800 Private Contractors! Censored by Washington!

Friday, April 13, 2018 6:25

Hal Turner posts the following today [which has been reported by the Russian news outlets: iarex.ru and wh24.ru \(haltunnerradioshow.com\)](#)

Just yesterday Newsweek reported that Mike Pompeo has now confirmed that the US Military killed 200 Russians back in February in the battle at the Euphrates in Eastern Syria when the Russians were were assembling a floating bridge.

Two hundred American military troops have reportedly been killed in Syria along with approximately 1,800 American Private Military Contractors (PMC's) by Russian air strikes, according to reports from two Russian news outlets: iarex.ru and wh24.ru The dead Americans were “revenge” for the Russian guys who died as a result of the American shelling reported in US media at the end of February. The American Troops and Contractors were allegedly participating in Rebel activities to overthrow the government of Syrian President Bashar Assad, but were killed by fifth generation aircraft SU-57 air strikes on the east Ghouta area outside Damascus.

THAT is allegedly why the “White Helmets” – a group run by the “Army of Islam” and funded in part by George Soros - concocted an allegedly phony “Chemical Weapons attack” to give the US a public excuse for bombing Syria says

IAREX.ru.

[NEWSWEEK](#) reports that Mike Pompeo, the CIA director nominated to be secretary of state, told lawmakers Thursday (April 12) that the U.S. killed up to 200 Russians in airstrikes conducted against forces loyal to Syrian President Bashar al-Assad in February.

Prior to Pompeo's statement U.S. officials had remained silent about the number of casualties inflicted by a coalition assault on pro-Syrian government fighters that the Pentagon claimed opened fire on Syrian Democratic Forces in the eastern province of Deir Ezzor.

But American mass-media has remained silent about AMERICAN casualties inflicted by Syria and Russia in revenge for those dead Russians, says news outlet wh24.ru in Russia.

In March, Russian Foreign Minister Sergei Lavrov strangely commented “The time of negotiations has passed, the time of retribution has come.” No American media outlet could explain what Lavrov meant by those comments at the time. Now, with information about 200 dead American troops and 1800 dead American PMC's, we have an idea what he meant.

Over the past week, since the alleged “Chemical Attack” in Syria, the US has been publicly saying it would conduct missile strikes upon Syria over the

purported use of chemical weapons against innocent civilians. **But it is now becoming clear that the real reason for desiring to attack, is the deaths of 2,000 Americans.**

Perhaps if Americans were not over in Syria trying to forcibly overthrow its government, they wouldn't have been killed.

Below is video from Russia showing the Russian air strikes on east Ghouta which allegedly killed the Americans:

[200 Americans Killed In Russian Airstrikes In Syria!](#)

It now appears the powers-that-be here in the US, want to send more of our people to get killed, to avenge those deaths while we were doing something we never should have been doing in the first place.

There is no legal authority for US troops to be in Syria and no US national security interest for the US to have troops in Syria. This entire debacle is a leftover from the adventures of the failed Obama Administration.

++ Mounting Evidence Points to a Deep State Coup Has Seized the Presidency

Sunday, April 15, 2018 7:55

Although I cannot say the following with 100% certainty, **there can be made an excellent case that President Trump has been overthrown and he is operating as a puppet president.**

The first set of facts that makes one believe that there is a strong possibility of an overthrow of the President **comes from the construction of a timeline which shows such a dramatic shift of policy and behavior of the President and the orderly progression of events and dates do not add up.**

The second set of circumstances and facts that leads one to conclude that the Deep State is finally in charge of the White House comes from people with some knowledge

of the Presidential schedule and routine as well as some ancillary events involving known people and their routine interaction with the President which dramatically supports an about face reversal in presidential policy toward Syria

In effect, what is going to be presented in the second half of this article, is that I believe it is possible to determine when this president and his foreign policy decisions were taken away from him.

I. The Timeline of the Coup

A contextual background to the most controversial story ever produced on *The Common Sense Show*, **I want to remind everyone of some very important contextual background events which have set the stage for a coup against President Trump.**

Trump Invites Putin to Meeting at the White House

From ABC News

By PATRICK REEVELL MOSCOW — Apr 2, 2018, 12:25 PM ET

...*President Donald Trump offered to host Vladimir Putin to the White House for a summit during a phone call with the Russian leader last month, a senior Kremlin aide told Russian media today...*

...*Both the White House and the Kremlin have previously said the two leaders had discussed a possible summit during a call on March 20, when Trump called Putin to congratulate him on his win in Russia's presidential election. At a briefing Monday, the Kremlin aide, Yuri Ushakov, said Trump had suggested on the call that the summit could be held at the White House...*

"When our presidents were talking on the telephone, Trump proposed to hold a first meeting in Washington, in the White House..."

On April 2, 2018, President Trump announced that he was pulling our troops out of Syria and that he was scheduling a meeting with President Putin of Russia.

On April 3, 2018, President Trump's announcement is played on ABC News.

An Excerpted Quoted Summary of the President's Decision to Withdraw From Syria As Cited By ABC News

"I want to get out. I want to bring our troops back home. I want to start rebuilding our nation," Trump said during a press conference with leaders of the Baltic countries Estonia, Latvia, and Lithuania. "It's time. We were successful against ISIS. We'll be successful against anybody militarily, but sometimes it's time to come back home — and we're thinking about that very seriously."

The president said getting rid of ISIS has been the United States' primary goal in Syria and that "we've almost completed that task."

These two events make it crystal clear, President Trump wanted out of Syria because ISIS was basically eradicated and Trump wanted to start anew with Putin. **The potential of the Trump/Putin conference at the White House very well could have stolen war away from the globalists on a second front since President Kim of North Korea has agreed to denuclearize his country as a precondition to a May meeting with Trump.**

Let's not forget about that Trump has negated the bulk of the trade imbalances which were working to the disfavor of the American people. Today, 15 months after the inauguration of Trump, 3 million American jobs have been created and

American manufacture is seeing signs of life. Trump's economy is adding over 300,000 jobs per month and has set job creation records.

This is not what the globalists need. America is the impediment to a world government and a one world economy. America needs to fall and fall hard! Death to America is the mantra of the globalists.

Reversal of Troop Withdrawal From Syria

The President, and without a coherent or significant reason reversed himself 3 days after announcing troops withdrawal of US forces from Syria.

From New York Magazine on April 6, 2018:

"...Senior administration officials claim that during a meeting with the National Security Council several hours later, Trump agreed to stop insisting on immediate withdrawal after military commanders said they needed more time to wrap up their mission. However, he instructed them to wrap up the operation so the 2,000 troops on the ground in Syria can come home in a matter of months.

On Wednesday White House press secretary Sarah Huckabee Sanders framed this as a responsible transition to local enforcement that will ensure ISIS can't reemerge in the region.."

Please note that there is not one hint of the chemical weapons situation involving Assad and the Syrian government.

On March 30th, I received credible information from a high level deep-cover source who told me that two phases of a Red Dawn invasion force which would comprise a two phase invasion force were going to be making their way north to the border. As I previously reported, the first phase would consist of cementing the terrorist forces already embedded from the MS-13 incursions during the 2014 Central American immigration invasion. **Phase two is reportedly the direct military invasion from Latin American forces following the breakout of war in Syria.**

At the time of my previous reports, I was not allowed to reveal the source of my information. I have subsequently been released from this obligation.

I subsequently wrote several articles **detailing how Trump did dispatch troops to the border on April 5, 2018 and threaten to cancel NAFTA and DACA over 1,500 immigrants making their way to the border. Trump had credible information that this was happening and this why the border has been fortified.** I made this point several times in the past two weeks on *The Common Sense Show*.

On April 8th, I approached Kathy Rubio on the information I had received involving these paramilitary base camps to be used in a Red Dawn invasion. I knew that Kathy had firsthand information about these camps both from her own personal observations and related family members. After I explained the seriousness of the situation, she agreed to come on the show for two hours and told everything in what was two of the most riveting hours in the history of the radio show.

Here is NBC's April 5th report of dispatching troops to the border:

Trump signs order sending military to US-Mexico border

THU, APR 05

To secure the U.S.-Mexico border, President Trump is turning to the U.S. military. And while some of the troops could be in place almost immediately...

One day after the April 5th announcement to dispatch troops to the border, **Trump comes out of his military advisors meeting and reverses his troop withdrawal**

orders from Syria, but there was further discussion of White House meetings with Putin.

Now it is no secret to many of that Trump is protected in large part by the Marines because he does not fully trust the Deep State elements of the Secret Service. In the week leading up to the decision and the carrying out of the missile attack upon Syria, several helicopters, including Marine helicopters have mysteriously crashed and then, of course, there was the major plane crash that killed 257 people.

- April 3: A S. Marine Corps AV-8B Harrier crashed in Djibouti shortly after take-off.^[310]
- April 4: USMC CH-53E Super Stallion crashed near Naval Air Field El Centro, killing all 4 crewmen

Were these “demonstration events” designed to make Trump fall into line? How about the following event for a close-to-home-demonstration event? Many think that raid on Trump’s private attorney was designed to gather information on Trump business dealings in Ukraine and this would be used as political blackmail.

Fire at the Trump Tower

Here is another demonstration event-

New York (CNN) On April 7, 2018 the day of the chemical weapons attack in Syria. A fire broke out at Trump Tower on Saturday, leaving one man dead and six firefighters injured, the New York City Fire Department said.

Assad’s ALLEGED Chemical Weapons Attack Upon His Own People

Syrian President, Assad, who was winning his battles against the rebels, with the help of the Russians, had no reason to attack his own people with chemical weapons. He knew that this would provide the United States and its Western allies a preemptive excuse to military intervene in a very direct way within his own country and government.

On April 7, 2018, Assad allegedly attacked his own people with chemical weapons.

THIS WAS ONE DAY AFTER TRUMP’S REVERSAL OF THE WITHDRAWAL OF TROOPS FROM SYRIA.

If the chemical weapons attack upon Syria was not a false flag event perpetrated by US Deep State interests and the Mossad, wouldn’t the attack dates and the announcement of the cancellation of the US troops withdrawal have happened in reverse order?

April 6th should have been the date of the chemical weapons attacks which would have precipitated the logical and would-be April 7th cancellation order of withdrawal of US troops from Syria?

Instead we have the opposite order. Please explain to me how this happens without being a false flag, preplanned event?

THIS IS A HUGE SMOKING GUN THAT IMPLICATES THE CIA AND THE MOSSAD WHICH WILL BE ELABORATED ON IN THE FOLLOWING ACCOUNTS FROM INSIDER WHO ARE REPORTING STRANGE ANOMALIES SINCE APRIL 4, AT THE WHITE HOUSE.

II. What Key People Are Saying

My best Intel source has told me that two people who routinely brief the President, have been denied access to the President without explanation. In our subsequent

conversation, he did not use the term “coup”, but he did say “...not fully in charge of foreign policy...”

Kathy Rubio reached out to me and told me she knew of someone who had the same experience with being denied access to Trump. Further, she said that she heard a source of Alex Jones, on his show, state that people were being denied access to Trump as well and this interview was played on Jones' Saturday broadcast. Kathy Rubio added that she was given information by one of her sources that at minimum at least one Trump family member was being held as hostage and that would be Ivanka. Kathy named Jared Kushner as the brains behind this operation. This would bring George Soros into the picture since he and Kushner are close business partners.

Paul Preston's New California people have had access issues with Trump as well. Further, Paul shared with me last night that Trump cancelled his South American trip because of credible information involving an assassination attempt to be carried out by a group called the Clear Path, or Shining Path as they are sometimes called, who helps the Sanchez-Paredes cartel coordinate the marriage between Middle Eastern terror groups and the cartels along with Latin America military forces.

Paul sent me a text at 1AM Pacific this morning which said that recent photos of Ivanka from South America show her not wearing her wedding ring.

Two more things to consider:

1. Pray for Trump
2. The 60 minutes hit piece against Trump, which will feature Comey's book which was preplanned to attack Trump and take away future sympathy from the public for Trump should he be taken out of office on a permanent basis. Don't believe a word of this false report as it is a psyops.

I am confident more information will be coming out with regard to this topic.
